Dear Ms. Calder

This is in response to the letter we received June 12<sup>th</sup> from the State of Connecticut dated May 29, 2013, attached, and is a follow-up to our discussion this morning.  
To confirm our discussion, Autism Speaks did not, is not nor has any plans to conduct fundraising activities related to the tragedy at Sandy Hook Elementary School.  
As we discussed, this email will satisfy your request for information.

If you have any questions or need additional information please do not hesitate to contact me directly.

Best
