Huntsville, Ala. 1933 Shipment

W. P. Dilworth
70. Church St

Castanea mollissima

Quan. No.

20 MT

mollissima

PI # 86872

Remarks:

7/5/33 - Only 8 trees living,
4 on property "Oaklawn"
2 mi. north of city & 4 on
"Mount Sano Mt" south of
dwelling. Trees dead be-
cause of prolonged drouth.

1/21/36 - 2 living at "Oaklawn", 2 ft high; 1 living at
1000 Randolph St., 5 ft high. Death prob. due to bad
condition in which trees were rec'd & late planting.

HUNTSVILLE, ALA.

404 N. Church Street

2/21/36 6 FP-601 Castanea mollissima

2/12/42 - all trees dead but one, blames
blight, but probably planted
late. - BSC.

9/4/44 - Only one tree living; 2 prongs near
ground, now shade-tree size. a few
burrs develop each year with 2 nuts to burr,
but of small size. Tree appears healthy
and sound. Late freeze last spring killed this
year's crop.

Huntsville, Alabama

W. P. Dilworth J. M. Kenney

404 N. Church Street 1000 Randolph St.

One of the trees sent Mr. Dilworth was
planted in back yard at a residence
at #1000 Randolph Street in Huntsville,
which has received care & now produc-
ing a sound sweet nut.
