Melody A. Currey, Commissioner
Department of Administrative Services
450 Columbus Boulevard
Hartford, CT 06106

Dear Commissioner Currey,

Subsequent to OPM seeking reuse proposals on state property located at 101 Clermont St, Hartford, it has been determined that the Department of Energy and Environmental Protection (DEEP) has custody and control of the subject property and intends to maintain said custody and control. Therefore, this property is no longer being considered as surplus property and DAS may discontinue any attempts to dispose of it.

As always, I appreciate your staff's efforts when working on these surplus property dispositions.

If you have any questions concerning this matter, please contact me at (860) 418-6429.

Sincerely,

A handwritten signature in cursive script that reads "Paul F. Hinsch".
