Subject: **Town of Burlington, Water Main Extension on Route 4, - CEPA Findings**

Attached please find the Environmental Assessment Checklist for the above referenced project. Scoping for the project began on May 3, 2011 and ended on June 6, 2011.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) and the DPH both on June 6, 2011. The DPH completed its environmental assessment on August 7, 2011. Based on the comments received, the DPH did not recommend preparation of an Environmental Impact Evaluation (EIE) to determine the cumulative impacts associated with this project. The DPH coordinated with the Town of Burlington to ensure that the DEEP's and DPH's recommendations were implemented. The project was completed in the fall of 2011.
