Subject: **City of Meriden, Broad Brook WTP and Pump Station Improvements- CEPA Findings**

Attached please find the Environmental Assessment Summary for the above-referenced project. Scoping for the project began on November 8, 2011 and ended on December 9, 2011.

The Department of Energy & Environmental Protection (DEEP) provided comments dated December 9, 2011 and the Department of Public Health (DPH) Drinking Water Section Source Water Protection (SWP) Unit dated December 8, 2011. Based on the DPH's environmental assessment of this project which includes all comments received during the scoping period, it has been determined that an Environmental Impact Evaluation (EIE) for this project is not warranted under the Connecticut Environmental Policy Act (CEPA). Should you have any questions, please contact me at (860) 509-7333.
