Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on April 8, 2014 and ended on May 8, 2014.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) on May 8, 2014 and the State Historic Preservation Office on May 2, 2014 and June 11, 2014. The DPH will coordinate with the Town of Marlborough to ensure that the DEEP's recommendations will be considered and implemented. Based on the comments received, it is recommended that an Environmental Impact Assessment (EIE) is not warranted for this project. Should you have any questions, please contact me at (860) 509-7333.
