Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on June 19, 2018 and ended on July 20, 2018. The Department of Public Health (DPH) received comments from the Department of Energy and Environmental Protection (DEEP) on July 12, 2018 and correspondence between the Town of Marlborough dated June 27, 2018 and the Office of Policy and Management dated June 29, 2018.
