

# Memo of Findings and Determination

**To:** Connecticut Council on Environmental Quality, Environmental Monitor

**From:** Dimple Desai, Department of Housing

**Date:** 12/1/2015

**Re:** Water and Sewer line Ext., and Housing Project, Stafford

---

Attached please find the Environmental Assessment Checklist for the above referenced project. Scoping for the project began on September 8, 2015 and ended on October 8, 2015. Comments received during the scoping process have been incorporated into the Environmental Assessment Checklist.

Scoping comments were received from the Department of Energy and Environmental Protection and the Department of Public Health. The issues/concerns raised are explained in the attached Environmental Assessment Checklist. The Department of Housing does not recommend preparation of an Environmental Impact Evaluation for the proposed project.
