**02-01/20 Bridgeport, CT 105 Ferris St. auto fire w/ extension to a private dwelling**

**Chris Clarke**

**02/01/20 San Antonio, TX 200 Heimer apartment fire**—Engine Co. No. 31 laid out on a working apartment fire in the 200 block of Heimer Rd on the cities far Northside earlier this afternoon. Engine Co. 31 initially checked out with nothing showing from a two-story multi family apartment building. Upon further investigation crews found heavy smoke inside a single unit on division one prompting Battalion 5-0 to strike a working fire assignment. Crews made an aggressive push to the seat of the fire and got a quick knockdown on what was a well involved unit. Thanks to the quick actions by the first due companies, crews were able to keep the fire held to the unit of origin. Battalion Chief 5 was able to out tap the box at the 40 min time stamp. One civilian was treated for smoke inhalation and released on scene. Companies on the ticket were EN14 EN23 EN31 EN39 PL14 PL17 MAC07 M17 M28 MOF5 ISO BC05 BC08

# February Incidents

02/03/20 New Haven, CT 15 Colby Ct. dwelling fire—Engine Co. 15 arrived to find heavy smoke showing from a private dwelling. All indications were that the fire started in the basement and ran the walls of house. The first due company went in without a hydrant due to the closest one being out of service. Four lines were stretched and operated while trucks opened up. Several holes were placed topside. The roof firefighters reported a plywood ceiling. This allowed for additional fire spread as companies had a hard time getting into the void spaces. The fire took about an hour and a half to bring under control. The cause is being investigated by the fire marshal's office. One firefighter was injured fighting the blaze.

Joe Marino

02/05/20 4th alarm Boston, MA 409 E. 7th St dwelling fire—Boston Fire Alarm dispatched companies to a reported fire on East Seventh Street in the South Boston neighborhood of the city. While companies were responding multiple more calls came in reporting the fire, and Engine 2 and Ladder 19 called off with heavy smoke and fire showing from a building under construction. Within 10 minutes a second and third alarm were struck, with a fourth alarm sounded not too long after. Companies dealt with heavy fire on all floors and battled exposure problems; multiple aerial master streams were utilized to knock down heavy fire before transitioning to an interior attack. The fire was under control in about an hour and a half, and a detail crew stayed overnight.

Sean Fesko

02/05/20 Springfield, MA 365 Water St. dwelling fire- Springfield mass firefighters were called just after 6am to 365 Water Street in the Indian orchard section of the city. Crews arrived to heavy fire and smoke showing from a 2 story home. Crews made an aggressive attack on the fire but were pulled from the structure 45 mins into the fire. Everyone got out of the home. Command was under the direction of acting District Chief David A. Wells as DC 1. The fire is under investigation and the home is a total loss.
