**THE DEPARTMENT OF ADMINISTRATIVE SERVICES**  
**ANNUAL REPORT TO THE STATE PROPERTIES REVIEW BOARD**

**For Fiscal Year 2020**  
**(July 1, 2019 - June 30, 2020)**

**Prepared Pursuant to Conn. Gen. Stat. § 4b-2**

Connecticut General Statutes § 4b-2 requires the Commissioner of Administrative Services to annually submit to the State Properties Review Board (“SPRB” or the “Board”) a report that includes “all pertinent data on his operations concerning realty acquisitions and the projected needs of the state.”

**Section I** of this report and its associated appendices provide information relating to real estate activities that fall under the authority of the Department of Administrative Services (“DAS”). Specifically, Section I provides data on the current status of DAS-leased real property, the costs of such leases, and trends relating to leases over time. This section also provides information on lease-outs executed by DAS in FY 2020, as well as realty acquisitions, sales and transfers that occurred during the fiscal year. Please note, DAS’s Division of Construction Services (“DCS”) submitted consultant agreements executed for work related to the construction, renovation and repair of state buildings and facilities to SPRB under separate cover.

**Section II** of this report discusses real-estate related projections and plans beyond FY 2020. Specifically, this section discusses recent and ongoing efforts by DAS and its partner agencies – including SPRB – to save money for the state by re-negotiating renewal rates, obtaining credits for the waiver of paint and carpet, reducing real estate taxes, leasing out state owned space not currently needed by state agencies, the sale of surplus properties and collapsing leases and moving state agencies when possible into state-owned buildings. In FY 2020, these efforts saved or provided cost avoidance to the state of approximately **\$9,127,000**. These savings/cost avoidance measures include; DAS lease-outs state-owned real estate which generated \$492,000 annual rental income for FY 2020, a negotiated reduction in the purchase price on an acquisition for the Board of Regents (“BOR”) that resulted in savings of \$800,000 for FY 2020 and the sale of state surplus real estate generating an additional \$1,000,000 (25 Sigourney Street). The cumulative effect of these actions since 2011 have resulted in excess of \$100,000,000 in savings and cost avoidance.

## SECTION I: THE STATE'S REALTY ACTIVITY

### A. Property Leased to the State

Status of State-Leased Property. As of June 30, 2020, DAS leased a total of 1,864,860 net usable square feet (“NUSF”) of space on its own behalf and on behalf of other using state agencies and offices. This space is distributed among 119 leases for office space, warehouse space, academic space, courtrooms, medical facilities and other client facilities (i.e. group homes), and other space required by state agencies and offices including leases for parking only. There are an additional 108 lease-outs for a total of 227 lease agreements. In FY 2020, the amount of leased floor space decreased by a net **304,724** NUSF. This decrease is largely due to terminating leases (55 Elm Street) and in part relocating employees to state owned space. The total NUSF of leased space in FY 2020 represents a **14%** decrease in leased space since FY 2019 (from 2,169,584 NUSF).

As DAS is generally responsible for centralized leasing, the figures above not only include space utilized by DAS, but also space utilized by other state agencies, the Judicial Branch, and the BOR. The figures, however, do not include space leased by agencies and offices with independent statutory authority to enter into leases (i.e. UConn, Department of Labor, and Department of Transportation).

The following chart illustrates the percentage of DAS-leased space utilized by individual agencies and branches. As indicated on the chart, the Department of Children and Families (“DCF”) utilizes the largest proportion of all DAS-leased space among the state agencies and offices. DAS is responsible for the management of leased space throughout the state.

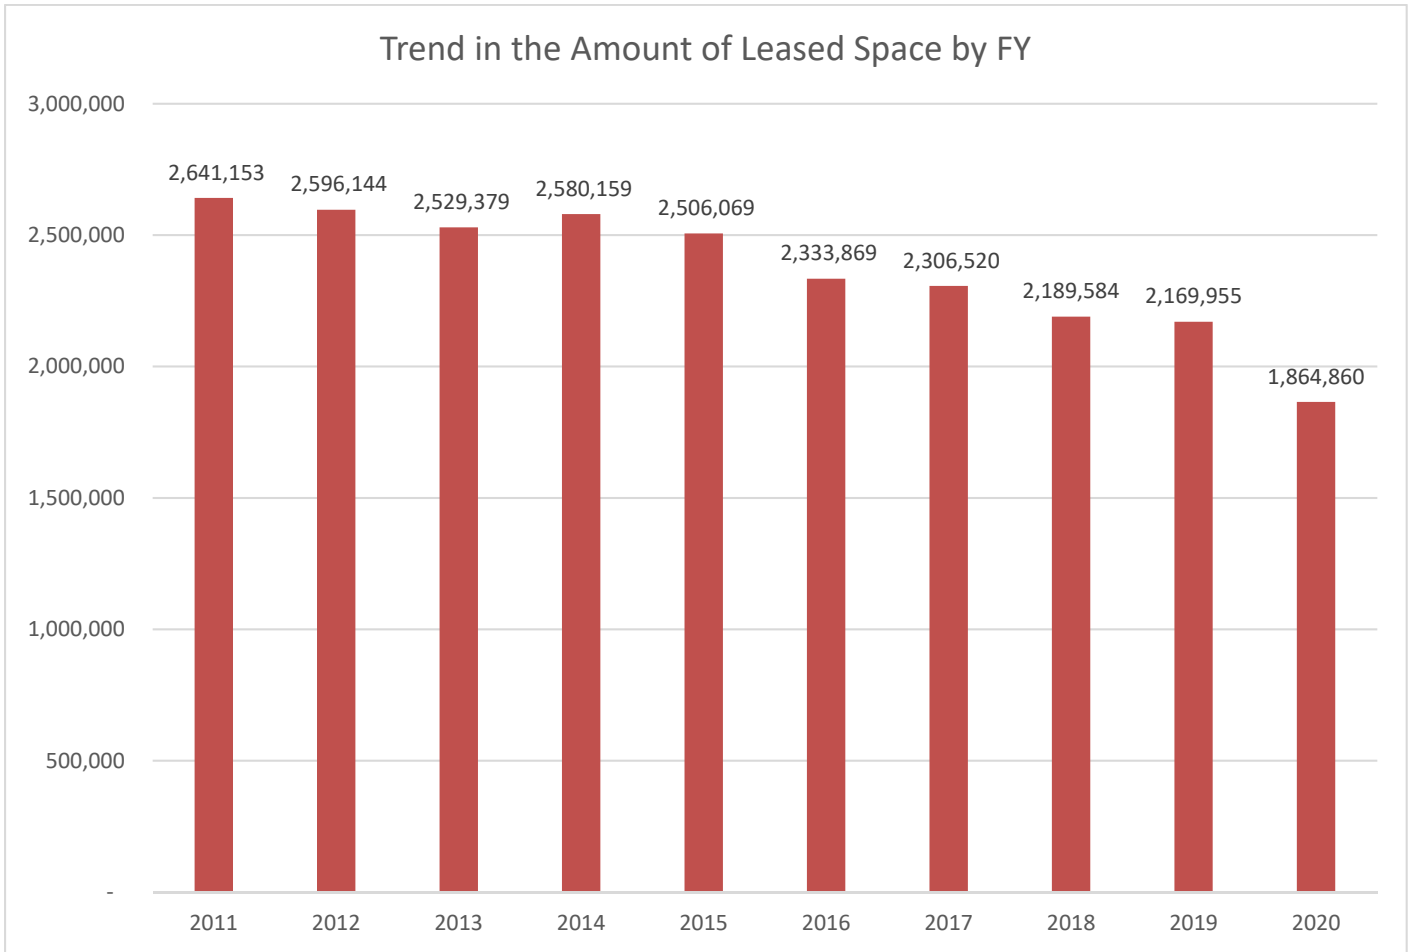

Costs of State-Leased Property. In FY 2020, the state’s total annualized cost of leased space under DAS control was \$33,213,877.06. This figure includes base rents and annual parking leases. Please note some industry-paid state agencies reimburse DAS for annual rental expenses. The FY 2020 annualized costs represent a **14.45%** decrease from the \$38,637,816 incurred by the state in overall lease costs in FY 2019. The average cost per square foot of leased space was \$16.70 in FY 2020 (*excluding standalone parking leases*), a 1.2% decrease from \$16.78 in FY 2019.

Appendix A provides a list of the 119 DAS leases for state agencies and offices as of June 30, 2020 including the address of each property, the agency occupying the property, the NUSF of each property, and the annual rent. This Appendix also includes a listing of and information pertaining to the 19 leases for parking only (included in the 119 leases count).

Trends. In the last 10 years, overall per square foot leasing costs have increased by an average of .41% per year (inflation *increased* by an average of 1.77% for the same period) with the average rate per square foot decreasing from \$16.93 (FY 2011) to \$16.70 (FY 2020) excluding standalone parking leases. Below are charts illustrating trends in the amount of the state’s leased space over the last 10 years and the average lease costs per square feet. **More importantly we have been successfully reducing the overall annual lease costs (including standalone parking leases) from a high of \$45,240,000 in FY 2008 to \$33,213,877 in FY 2020.**

Leasing Transactions during FY 2020. With regard to lease/transfer transactions that occurred specifically during FY 2020, between July 1, 2019 and June 30, 2020, the SPRB approved a total of forty four (44) transactions submitted by DAS. These submissions included eight (8) office/parking leases, eight (8) relocations/MOUs, one (1) parking only lease and nineteen (19) lease-out agreements. Three (3) lease assignments and (two) 2 property transfers required by statute. These leases comprised a total of 78,104 NUSF of space, with an average per square foot cost of \$18.80, parking included in lease. The total annualized value of all approved lease transactions was \$1,468,550.02.

Appendix B contains a list of proposals submitted by DAS and the action taken by the State Properties Review Board in FY 2020.

**B. Lease-Out Activity**

During FY 2020, the SPRB approved nineteen (19) transactions involving lease-outs of state-owned property, totaling approximately 45,518 NUSF, consisting in part of group homes and the state police museum. The lease-outs were executed with various non-profits and municipalities.

## C. Acquisitions, Sales and Transfers

Appendix B includes a complete listing of all purchase, sale, transfer and easement transactions submitted by DAS and approved by the Board in FY 2020.

### **SECTION II: PROJECTING THE REALTY NEEDS OF THE STATE**

Section 4b-23 of the Connecticut General Statutes requires each state agency to submit to the Office of Policy and Management (“OPM”) a long-range (five-year) plan for its facility needs by September first of each even-numbered year. A proposed state facility plan will be prepared by OPM and presented to the State Properties Review Board (“SPRB”) for its recommendations on or before February fifteenth. DAS’ Statewide Leasing and Property Transfer Division receives a copy of each agencies’ submittal with sufficient time to comment and edit as necessary. In addition, DAS completes the same long range plan, on behalf of other agencies, for those located in Hartford in DAS’s budget. The Secretary of OPM submits the recommended state facility plan to the General Assembly for approval on or before March fifteenth in each odd-numbered year. Upon the approval by the General Assembly of the operating and capital budget appropriations, the Secretary of OPM updates and modifies the recommended state facility plan, which then becomes the official “State Facility Plan.” The new plan became effective on July 1, 2020. DAS is responsible for implementation of the approved Plan.

One of DAS’s real estate-related priorities has been and continues to be the reduction in the amount of square feet leased by the state. This is accomplished by collapsing leases, reducing square footage when possible and placing agencies in state-owned buildings. Members of DAS’s Statewide Leasing and Property Transfer Division and DAS’s Facilities Division are working cooperatively with the staffs of the SPRB and the OPM Asset Management unit to identify available state-owned buildings that may be utilized in place of leased space.

DAS is responsible for managing state real property and to protect taxpayer assets and costs. Last year we identified that too much of the state’s work was still done on paper, and the information that is collected digitally cannot be easily shared, necessitating an increased amount of real estate square footage for files and paper storage. This was true as well in the real estate transactions DAS performs. In fiscal 2020 DocuSign was implemented for a majority of documents allowing them to be executed and approved electronically. We have increased the sharing of documents via SharePoint and TEAMS reducing the need for file cabinets. We continue to review the process to reduce and eliminate paper, use digitally signed agreements where appropriate, centralize real estate services, update the space standards (incorporating the new requirements due to COVID-19) bringing all of this in line with best practices with the intent of reducing costs to taxpayers and making the process user friendly for the various stakeholders.

In Fiscal Years 2013 and 2014, the DAS Statewide Leasing and Property Transfer Department, in conjunction with SPRB, OPM and the Office of the Attorney General, successfully completed the purchase and sale agreements on approximately 875,000 gross square feet of office space in Hartford at 55 Farmington Avenue (295,000 gross square feet) and 450 Columbus Boulevard (580,443 gross square feet). The 55 Farmington Avenue property transferred to the state on April 4, 2013. The project team completed the necessary improvements and employees were relocated from 25 Sigourney Street and 99-101 East River Drive. The East River Drive lease terminated October 2015 and 25 Sigourney Street was sold on February 24, 2020. Termination of the East River Drive lease alone reduced the square footage leased by the state by approximately 160,000 square feet.

The renovation of the State Office Building (SOB) was completed in FY 2020 with the Attorney General, Comptroller, Treasurer (all relocating from 55 Elm Street) and Secretary of the State (from Trinity Street) reducing space leased by 204,000 square feet and resulting in cost avoidance of \$5.6m per year. During FY 2020 the Teachers Retirement Board landlord was notified the lease at 765 Asylum Avenue would terminate in September 2020. The agency relocated to the SOB, reducing square footage leased by 13,430 and saving \$198,000 per year beginning in June 2020. DAS continues to work with OPM, SPRB and other stakeholders to right-size the space needs of state agencies and offices, obtain and maintain necessary space for the best value possible, and dispose of surplus state properties in a manner that is most fiscally advantageous to the state.

DAS's lease portfolio decreased in FY 2020 by approximately 14.4%, and other consolidations are planned in FY 2021 such as the relocation of agencies out of 18-20 Trinity Street and 30 Trinity Street into the SOB and 55 Farmington Avenue.

For fiscal year 2020, DAS saved approximately \$9,100,000 for the state by collapsing leases, renegotiating renewal rates (i.e., took ownership on behalf of the Judicial Hartford Superior Court at 90 Washington Street, thereby eliminating annual rent of \$1,900,000), ensuring real estate tax payments were correct (saving \$277,582 for FY 2020), etc. In addition to the aforementioned savings, DAS leases state-owned unused real estate generating \$492,000 annual rental income for FY 2020.

Statewide Leasing and Property Transfer matters are a high priority for its client agencies (having adequate facilities that allows agencies to carry out their missions is critical) and therefore are a high priority for DAS.

The Division also worked on many unique projects and transactions throughout the year providing its expertise to other agencies in a continuing effort to provide a high level of customer service to the agencies it serves:

- **COVID -19 ACTIVITIES (under Executive Order 7(j)):**
  - The Administrator is co-lead of the Real Estate/Facilities team on the Unified Command Team coordinating all real estate related activities
  - Hotel Agreements: Within less than 2 weeks of being asked to assist in the homeless shelter decompression effort (relocating the homeless out of shelters), the Statewide Leasing & Property Transfer team had successfully negotiated, executed and obtained approvals on agreements for over 750 hotel rooms at 14 hotels throughout the State at substantially reduced rates from the hotels' normal rates. Moreover, the shelter decompression implementation in Connecticut has been hailed as a best practice in the Country.
  - License Agreements for emergency COVID response activities: Statewide Leasing and Property Transfer negotiated two license agreements at Gateway Community College to allow Yale New Haven Hospital to use classrooms for emergency nurse training and an agreement between Jordan's Furniture in New Haven to use parking for a drive-up COVID testing center.
  - MOUs for emergency COVID response activities: Negotiated multiple MOUs with other state agencies for a variety of COVID response activities, including use of residence halls at BOR and UCONN for first responders and healthcare providers, a facility for the operation of a mobile PPE decontamination unit, Aircraft Landing Authorization Agreement for use of athletic fields at Central Connecticut State University to land a military medical helicopter and at the Connecticut Convention Center as a stand-up field hospital.
- Savings by reviewing tax invoices from lessors, seeking reevaluations, etc., a total \$277,582.

- DocuSign (e-signature software) was implemented and a majority of all documents are now “paperless” and signed electronically.
- Judicial Branch (90 Washington St., Hartford Courthouse) was purchased for \$1.00 as the lease to purchase agreement negotiated by DAS Leasing 15 years ago came to an end, saving the State \$1,900,000 per year in rent.
- The lease terminated on time at 55 Elm Street, Hartford effective March 31, 2020, the Constitutional Officers relocated to the renovated owned State Office Building. The rent avoidance is approximately \$5.6m per year.
- The vacant 25 Sigourney Street building in Hartford transferred ownership (the sale agreement was approved in the last fiscal year) to a private developer putting the property back on Hartford’s tax rolls, generating \$1.0m for the state and avoiding on-going maintenance expenses of approximately \$700,000 per year.
- Terminated 8,000 sq.ft. at 110 Bartholomew, Hartford for DCF, saving \$120,000/year in base rent alone.
- Terminated the lease at 130 North Main Street in Bristol for Judicial saving over \$146,000/year in rent.
- Via the transfer act, conveyed the Regional Market to the Capitol Regional Development Authority (CRDA).
- Via the transfer act, conveyed 10 Clinton Street and the lower lot of the State Office Building to CRDA for the construction of a new garage (currently underway) and economic development. (This transfer did not require SPRB approval).
- 59 property inspections and 10 re-inspections were conducted during the fiscal year by the department’s Compliance Officer as required by Statute.
- The staff handled over 25,000 emails dealing with property management and lease compliance matters for the leased sites.
- The Administrator and Property Agent 2 staff completed the six course Certificate in Commercial Real Estate from Cornell University in order to keep up to date in analytical and technology areas of the real estate industry.
- After an extensive recruitment and search effort, an experienced real estate attorney from the private sector (a Staff Attorney 2) was hired within the Division of Real Estate and Construction Services working with the Statewide Leasing and Property Transfer Team becoming an indispensable member of the team.

DAS is proud of these accomplishments, and plans to continue working with the Board, OPM and other stakeholders to build upon these savings and achievements in the future.
