**The government is the world's largest purchaser of goods and services.
In FY2021, the government awarded over \$600 billion in contracts**

This contracting workshop is designed to assist you in all parts of contracting at the federal, state and local levels. You will find out about the various programs, incentives, and opportunities available to small businesses.

In this workshop, you will learn:

- Where do I need to be registered in order to sell to the government
- How does the government buy products/services
- Does my small business need to be certified to sell to the government
- How to present your financials to show your company the best way
- What resources are available to help with government contracting

**Thursday, October 27, 2022
6:00pm-8:00pm
Housatonic Community College
Lafayette Hall (across courtyard from Beacon Hall)
900 Lafayette Blvd, Bridgeport, CT
Free Event – Refreshments**
