*FINAL DECISION*

Cintas Corporation has submitted an application to renew its permit to discharge treated industrial laundry wastewater. Following a hearing, the parties submitted an agreed draft decision, which was adopted by the hearing officer in her Proposed Final Decision. This proposed decision also recommends that I issue the permit, a draft of which is appended to that decision as Attachment I.

I affirm the Proposed Final Decision and order the parties to proceed with the necessary steps toward issuance of this permit in accordance with General Statutes §22a-430.
