

STATE OF CONNECTICUT DEPARTMENT OF ENVIRONMENTAL PROTECTION

January 2004 Open Space Report
to the
Finance, Revenue and Bonding Committee
and the
State Bond Commission

Overview:

Section 22a-6v of the General Statutes of Connecticut requires the Commissioner of Environmental Protection to submit a report to the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding and to the State Bond Commission each month. The report provides information on the acquisition of land or interests in land by the state, a municipality, water company or nonprofit organization using funds authorized for the Open Space and Watershed Land Acquisition Program established under Sections 7-131d and the Recreation and Natural Heritage Trust Program established under Sections 23-73 to 23-79 of the Connecticut General Statutes.

Open Space and Watershed Land Acquisition Grant Program:

The Open Space and Watershed Land Acquisition Grant Program provides grants to municipalities and private nonprofit land conservation organizations for the acquisition of open space land and to water companies to acquire land to be classified as Class I or Class II watershed land. The State of Connecticut receives a conservation and public access easement on property acquired to ensure that the property will be protected and available to residents of Connecticut as open space in perpetuity.

The following grant projects were completed during January 2004:

Sponsor	Project	Acres
East Haddam	Lord Wellington S/D	28.49
Kent Land Trust	Skiff Mountain South	252.0
		Total 280.49

(Printed on Recycled Paper)

79 Elm Street • Hartford, CT 06106 - 5127

<http://dep.state.ct.us>

An Equal Opportunity Employer

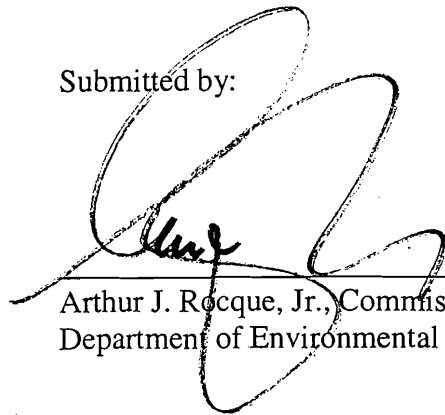

Recreation and Natural Heritage Trust Program:

The Recreation and Natural Heritage Trust Program is the State of Connecticut's primary program for the acquisition of lands for the beneficial use and enjoyment of the public as additions to the State's system of parks, forests, wildlife, fisheries and natural resource management areas. The program acquires land that represents the ecological diversity of Connecticut, including natural features such as rivers, mountainous areas, coastal systems and other natural areas, in order to ensure the conservation of such land for recreational, scientific, educational, cultural and aesthetic purposes.

The following acquisitions were completed during the month of January 2004.

Property Name	Location	Cooperator	Match Share	Fee Acreage	Easement Restriction or R.O.W. Acreage	State Purchase Price	Purpose of Acquisitions
Credie	Plainfield	none	0	57.52		\$100,000	Addition to Pachaug SF
Pallone	North Stonington	none	0	10.9		\$14,000	Addition to Pachaug SF
Total				68.42		\$114,000
