SUSTAINABILITY
AS A PRIORITY

- In 2008, Grainger became the first MRO Distributor to use the LEED Green Building Rating System
- Today, Grainger has 16 LEED certified facilities in the U.S., Canada & Mexico

- In 2009, Grainger became the first MRO distributor to be recognized by the Environmental Protection Agency as an EPA SmartWay Transport Partner
- Today, Grainger remains the only recognized partner in the marketplace

- In 2011, Grainger became the first MRO Distributor to publicly disclose our Greenhouse Gas emission through the Carbon Disclosure Project

Grainger Sustainability Offer

Product

- More than 33K 'Green Leaf' products

Partnerships

- Dedicated Supplier Resources
- Assessments, Audits, Services
- Professional Associations (AEE; LEED)
- ULe: Product Auditing

Resources

- Grainger Consulting
- Cleaning Program Managers (LEED GA)
- Grainger Lighting Services
- Reporting
- Cross-referencing

Sustainability Product Offer Validation

+ 33K 'Green Leaf' products that meet...

✓ 23 Green Certifications or Other Recognitions

✓ 44 Green Environmental Attributes

...Under advice and review of third party expert, ULe

Finding "Green" Products on grainger.com

The screenshot shows a web browser window displaying the Grainger website. The address bar shows the URL: <http://www.grainger.com/search/chemicals/cleaning/catalog/N-801/Ntt-green?st=All>. The browser's search bar contains "YAHOO!". The Grainger logo is prominently displayed at the top left, with the tagline "FOR THE ONES WHO GET IT DONE". Navigation links include "Español", "Sign In", "Register Now", "Sign Up for Email", and "Customer Service". A search bar is located in the top right, with the text "Enter keyword or item number" and a "Search" button. Below the search bar, there are tabs for "PRODUCTS", "SERVICES", "RESOURCES", "REPAIR PARTS", and "WORLDWIDE". A "Cart Contains (0) Products" notification is visible. A banner for "HEAT STRESS" with a "SAFETY TIP OF THE DAY" icon and a "Learn More" button is also present. The main content area shows search results for "green" chemicals. On the left, there is a "Filter Results By" section with "Applied Filters" showing "Keyword green". Below this is a "Browse" section with a list of product categories and their counts: Cleaners (100), Degreasers (99), Laundry Detergents and Fabric Softeners (67), Dishwashing Detergents and Rinses (55), Bathroom Cleaners (51), Disinfectants and Sanitizers (40), View Less, Glass Cleaners (40), Portion Control System Chemicals (38), and Specialty Cleaners (36). The main search results area displays "Chemicals" and "323 Results Found that Include 644 Products". The results are sorted by "Top Sellers". A product listing for "General Purpose Cleaners, Green, PK 12" is shown, featuring a green spray bottle image. The product details include: "GREEN WORKS", "Grainger Item # 2ZWK1 | Mfr. Model # 00456", "Catalog Page # 1786 (PDF)", and "Cleaner, Size 32 oz., Recommended Dilution Ready to Use, Container Type Trigger Spray Bottle, Color Green,..." The price is listed as "\$123.10 / pkg. of 12" and it is marked as "Typically in Stock". There is a quantity input field set to "1" and an "Add to Cart" button. A tooltip is visible over the "Category: Cleaners" text, stating: "This item has been designated by the manufacturer as an environmentally preferable product (EPP) because this item is Green Seal Certified." The browser's taskbar at the bottom shows the Windows Start button and several application icons. The system tray in the bottom right corner displays the time "10:48 AM" and the date "6/16/2014".

Grainger Sustainability Offer Pillars

Manage Energy

Measure use, control effectiveness & output, & reduce consumption of energy

Electrical
Lighting & Controls
HVAC/R
Steam
Compressed Air

Conserve Water

Monitor use, filter impurities, recycle & reduce consumption at point of use, behind the wall, and outdoors

Pumps, Valves
Fittings
Meters
Fixtures
Plumbing Equipment
Filters

Reduce Waste

Facilitate recycling & decrease landfill expansion through biodegradable & recycled content

Recycling Equipment
Paper & Packaging
Sorbents
Biodegradable
Chemical Free

Indoor Air Quality

Create cleaner air within facilities through lower VOCs, filtration, & natural products

Cleaners
Air Filters
Cleaning Equipment
Office Products
Low/No VOC
Paints/Coatings

Managing Energy

	Lighting & Lighting Controls	Electrical	HVAC/R	Compressed Air	Steam
Description	Products and services to help manage output and effectiveness, and reduce consumption of energy from light sources	Products and services that measure use, control effectiveness and output, and reduce energy drain	Equipment and assessments to improve control and reduce energy waste	Products to help increase total system effectiveness, treat output and reduce system energy consumption	Parts to control effectiveness and output of steam energy systems
Categories	<ul style="list-style-type: none"> • Lighting & Controls <ul style="list-style-type: none"> • Lamps • Ballasts • Fixtures • Occupancy/Vacancy Sensors • Daylight Harvesting <ul style="list-style-type: none"> • Personal Controls • Lighting Assessments and Retrofits 	<ul style="list-style-type: none"> • Meter/Sub-Meter • Motors • Drives • Electrical Supply • Solar 	<ul style="list-style-type: none"> • Motors • Refrigerant • Energy Recovery • Controls • Central Equipment 	<ul style="list-style-type: none"> • Compressed Air <ul style="list-style-type: none"> • Air Compressors • Air Treatment • Air Lines & Piping • Pneumatic Tools/ • Hoses <ul style="list-style-type: none"> • Pneumatic • Components 	<ul style="list-style-type: none"> • Steam <ul style="list-style-type: none"> • Malleable • Fittings <ul style="list-style-type: none"> • Ball Valves • Solenoid Valves • Pressure Regulators/ • Relief Valves <ul style="list-style-type: none"> • Steam Traps

Conserving Water

Description

Categories

Point of Use
Fixtures, faucets, water cooler products and services that dispenses water to the end user more efficiently
<ul style="list-style-type: none">• Water coolers• Sinks, wash fountains• Toilets & Waste disposers• Sensors, metering & manual faucets• Shower heads• Pre-rinse stations• Flushometers

Behind the Wall
Meters and metering equipment, in-wall plumbing equipment that transports and delivers to “point of use equipment”
<ul style="list-style-type: none">• Corrosion protection• Valves• Water heaters• Aerators• Water softeners• Water test kits• Filter bags• Filtration systems

Outdoor
Outdoor water / irrigation equipment that reclaims rain water / water run off and redistributes the water to lawns and plants
<ul style="list-style-type: none">• Lawn sprinklers<ul style="list-style-type: none">• Plumbing pipe• Valves and timers• Collection basins

Reducing Waste

	Recycling Equipment	Paper & Packaging	Sorbents	Biodegradable	Chemical Free
Description	Equipment that facilitates recycling help to decrease landfill expansion	Paper & Packaging products made from recycled content	Sorbent materials made of bio-based and biodegradable substances	Biodegradable products that are easily recycled or broken down through natural processes	Chemical Free products that do not produce contamination, and can safely enter the environment
Categories	<ul style="list-style-type: none"> • Recycling containers and tops • Can Crushers • Vacuums <ul style="list-style-type: none"> • Self Contained • Extractor • Automated Roll • Dispenser 	<ul style="list-style-type: none"> • Toilet Paper • Paper Towels • Napkins • Facial Tissue • Loose Fill Packaging • Recycle Containers • Shrink Wrap • Stretch Wrap • Bubble roll 	<ul style="list-style-type: none"> • Microfiber Wipes • Cloth Wipes • Disposable Wipers • Buffing Pads 	<ul style="list-style-type: none"> • Compostable Can • Liners • Hand Cleaners • Cups, Plates • Cleaners/Degreasers • Cutting & Grinding • Fluid & Oils 	<ul style="list-style-type: none"> • Ionized Water • Chemical Free • Fragrance Free

Improving Indoor Air

	Cleaners	Cleaning Equipment	Air Filters	Low VOC	Incidentals
Description	Cleaners and cleaning products made from rapidly replenishing sources, or with lower VOCs	Cleaning equipment that capture and treat higher levels of dust particles	Air Filters that improve and clean air within facilities	Lower VOC paints and coatings which have less impact on air quality	Variety of products that minimize impurities which impact a facilities indoor air quality
Categories	<ul style="list-style-type: none">• Chemicals• Rags & Wipes• Finishers & Sealers• Carpet & upholstery cleaners	<ul style="list-style-type: none">• Floor Machines• Floor Scrubbers• Carpet Extractors• Vacuums	<ul style="list-style-type: none">• Mini Pleated• Pleated• Disposable• Electrostatic	<ul style="list-style-type: none">• Floor Paints• Wall Paints• Outdoor Paints• Coatings• Thinners	<ul style="list-style-type: none">• Office Organizers• Paper & Notebooks• Lockers & Accessories• Locks• Wall Signs
