

Solid Waste Reported Received by Connecticut Regional (Multi-town) Solid Waste Transfer Stations (TS) FY2008

Tonnages presented in the tables below are based on data submitted to the Connecticut Department of Environmental Protection (DEP) by Connecticut permitted solid waste transfer stations as entered into the Connecticut DEP Solid Waste Database as of 12/22/2009. If the origin of the waste received is "Unidentified – CONN", the waste probably came from another regional solid waste facility.

To find data for a specific transfer station type the transfer station name in the search box in toolbar at the top of the screen
