

Proposed Amendments to the Connecticut Remediation Standard Regulations

Question & Answer Session
July 30, 2019

DISCLAIMER: This presentation will not become part of the regulation-making record and is not being recorded. The materials contained in this presentation are for informational purposes only. If the information presented herein is in conflict with the formal proposed amendments to the RSRs on the eRegulations website, the eRegulations version shall take precedence.

Underlying Principles of RSR Amendments

- ▶ LEP-Implementation
 - ▶ DEEP involvement not required where it was required before
- ▶ Building on DEEP Experience
 - ▶ Responding to situations where sites may have been stuck – e.g., pesticides, roadways
- ▶ Adding Predictability/Clarification
 - ▶ Making clearer what a requirements, how rules apply
 - ▶ Facilitate better evaluation of costs
- ▶ Flexibility
 - ▶ Providing additional options to achieve compliance
- ▶ Protection of Human Health and the Environment
 - ▶ The baseline that must be met

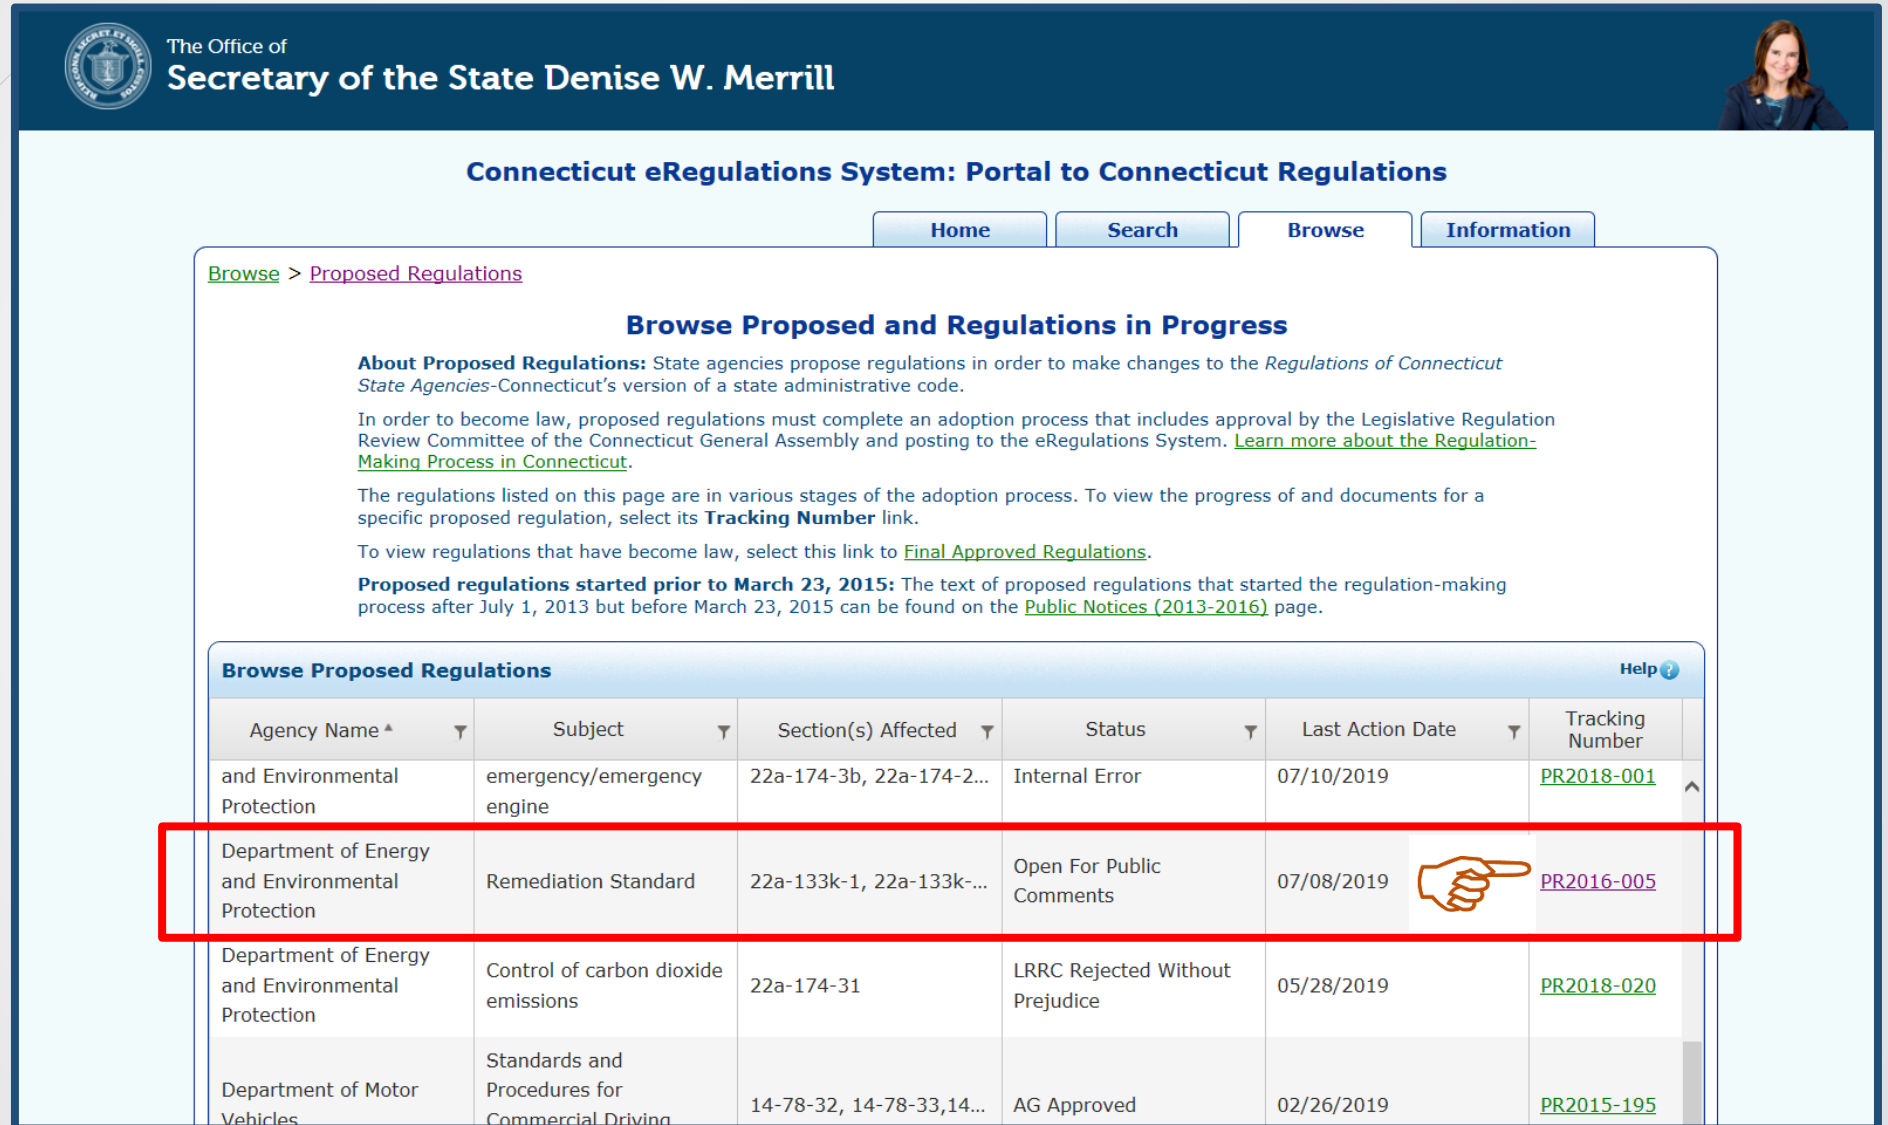

Public Comment Period

- ▶ Public comment period runs for 90 days ends **5:00 pm, October 7th, 2019**
- ▶ Preferred method for comments:
 - ▶ Written:
 - ▶ Submitted through the [eRegulations System](#)
 - ▶ Verbal:
 - ▶ Public Hearing on September 25, 2019 at 1:00 p.m. at DEEP, 5th Floor, Gina McCarthy Auditorium, 79 Elm Street, Hartford, CT
