EPPI 2019: Information Package #3,

Exercise Date: November 14, 2019

Dear participant,

This is the third exercise notification in a series of pre-exercise notifications. Each notification will have an attachment giving a weather scenario update along with pertinent exercise information. These messages are part of our communications testing efforts so you should expect to receive information through the Everbridge system, WebEOC and email concerning this year's exercise.

Additional exercise emails will be sent out on Wednesday November 13, 2019. These emails include exercise scenario updates and attachments.

For planning purposes please provide the names of your State Emergency Operations Center (SEOC) Liaisons and Task Force representatives that will be attending the exercise on November 14, 2019 to DEMHS.EPPI.Questions@ct.gov by November 13, at 12:00 Noon.

The 2019 Governor's Emergency Planning and Preparedness Initiative (EPPI) exercise will focus on large scale natural gas and electric grid power disruption as a result of cyber related incidents that impact energy transmission and distribution systems resulting in the loss of power generation and other impacts effecting all of New England and across the nation. Long term power outages, rotating brown outs, and communication issues are expected.

The exercise is sponsored by the Department of Emergency Services and Public Protection, Division of Emergency Management and Homeland Security in order to bring the whole community together in a collaborative environment.
