

Ice Jam Workshops

The Connecticut Division of Emergency Management and Homeland Security (DEMHS) has arranged with Connecticut Silver Jackets Team, an interagency flood risk management team, to present **Ice Jam Workshops**. These free workshops will be offered in various locations along the Housatonic and Connecticut Rivers between August 7-9th.

Subject matter experts from the U.S. Army Corps of Engineers (USACE) - Cold Regions Research and Engineering Laboratory (CRREL), and the National Weather Service (NWS) will cover a variety of mitigation and response topics.
