Q29 Private foundations	Amount $	**0**
Q30 Private health insurance	Amount $	**0**

Q31 What is your total operating budget?

3652092

Page 7: 10 ES - #1 Monitor health status to identify and solve community health problems

Q32 Requirement 1: My department has participated in or conducted a local community health assessment (CHA) within the last five years.	**Yes**
Q33 If yes, does the CHA include? (Select all that apply)	**Data and information from various sources and how the data were obtained** , **Demographics of the population** , **Description of health issues and specific descriptions of population groups with particular health inequities** , **Description of factors that contribute to specific populations' health challenges** , **Description of existing community assets or resources to address health issues**

Q34 If yes, please upload the CHA or provide web link.

CHA-BBHD.pdf (772.1KB)

Q35 Web link/URL	**Respondent skipped this question**
Q36 Requirement 2: My department shared the findings from the community health assessment with the residents in my jurisdiction and asked for their input.	**No**
Q37 If yes, what methods did you use to seek input from residents? (Select all that apply)	**Respondent skipped this question**

Q38 Requirement 3: My department routinely gathers information, collects data and/or conducts community dialogues specific to populations or geographic areas in the community where health inequities and poorer health indicators were identified in the community health assessment.

Yes

Q39 If yes, how is the data provided? (Select all that apply)

Participating in other local organizations' community meetings (e.g., church community meetings, school public meetings, community association meetings or assemblies, etc.)

,

Conducting group discussions with specific populations (e.g., teenagers, young mothers, residents of a specific neighborhood, etc.)

,

Other, please describe:

Surveys

Page 8: 10 ES - #1 Monitor health status to identify and solve community health problems

Q40 Requirement 1: My department shared the results of the community health assessment with the partners/stakeholders and the public.

No

Q41 If yes, how did your department share the results of the CHA? (Select all that apply)

Respondent skipped this question

Page 9: 10 ES - #1 Monitor health status to identify and solve community health problems

Q42 Requirement 1: My department has written processes and/or protocols used to collect surveillance data from multiple sources and to review and analyze the data.

No

Q43 If yes, how are the data collected? (Select all that apply)

Respondent skipped this question

Q44 Requirement 2: My department has written processes and/or protocols that (1) specify which surveillance data are confidential and (2) assure the confidential data are maintained and handled in a secure confidential manner.

No

Q45 If yes, please upload the protocol.

Respondent skipped this question

Q46 If no, is the protocol in development?

Yes

Q47 Requirement 3: My department has a 24/7 contact system or protocol to collect data from those who report data to my department.

Yes

Q48 If yes, how does your department collect the data 24/7? (Select all that apply)

A designated telephone line (voice or fax) **,**

Email address

Q49 Requirement 4: My department regularly uses the state DPH surveillance systems.

Yes

Q50 If yes, which surveillance systems do your department use? (Select all that apply)

CTSITE (childhood   **,**
lead)

CTEDSS (reportable diseases),

CTWiz (immunizations),

Syndromic Surveillance (opioids)

Q51 How many staff have been trained to use any of the state surveillance systems?

3

Page 10: 10 ES - #1 Monitor health status to identify and solve community health problems

Q52 Requirement 1: My department has been involved in the collection of primary quantitative data in addition to surveillance data.

Yes

Q53 If yes, how has your department collected primary quantitative data? (Select all that apply)

Surveys of target   **,**
groups

Inspection data

Q54 Requirement 2: My department has been involved in the collection of primary qualitative data.

Yes

Q55 If yes, how your department has been involved in the collection of primary qualitative data? (Select all that apply)

Open ended survey   **,**
questions

Forums,

Focus groups,

Stakeholder interviews,

Key informant
interviews

Q56 Requirement 3: My department uses standardized data collection instruments to collect quantitative or qualitative data.

Yes

Page 11: 10 ES - #1 Monitor health status to identify and solve community health problems

Q57 Requirement 1: My department analyses various types of data and draws conclusions.

Yes

Q58 If yes, do the analyses of the data include the following? (Select all that apply)

Defined timelines,

Description of the analytic process used to analyze the   **,**
data

Comparison of the data to other local agencies, the state or   **,**
nation

Time/trend
analysis

Q59 Requirement 2: My department shares data and data analyses.

Yes

Q60 If yes, with whom does you department share the data and data analyses? (Select all that apply)

Internal ,
staff

Community groups,

Public Health Partners,

Elected ,
officials

Department of Public Health or other state ,
entities

Board of
Health

Page 12: 10 ES - #1 Monitor health status to identify and solve community health problems

Q61 Requirement 1: My department has used data to develop policies, processes, programs or interventions or to revise or expand existing policies, processes, programs or interventions.

Yes

Q62 If yes, how has the department used data? (Select all that apply)

Local ordinances,

Licensing/Permitting ,
Program

Health Promotion Programs

Page 13: 10 ES - #1 Monitor health status to identify and solve community health problems

Q63 Requirement 1: My department provides summaries or fact sheets of community health data.

Yes

Q64 If yes, who are the summaries/fact sheets shared with? (Select all that apply)

Residents,

Public health ,
partners

Community groups,

Key stakeholders,

Other local health ,
departments

Elected ,
officials

Board of ,
Health

Media

Page 14: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q65 Requirement 1: My department has a written protocol that includes a procedure for conducting investigations of suspected or identified health problems and environmental and occupational public health hazards.

Yes

Q66 If yes, for which of the following entities does the protocol delineate the assignment of responsibilities? (Select all that apply)

Internal
staff

Page 15: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

7 / 28

Q67 Requirement 1: My department conducts audits or programmatic evaluations (e.g., After Action Report) of investigations to ensure capacity to respond to outbreaks of infectious disease.

Yes

Q68 Requirement 2: My department has a written report or other documentation of a completed investigation of a non-infectious health problem or hazard.

Yes

Page 16: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q69 Requirement 1: My department has a tracking log or audit on investigations that includes reporting lab test results and investigation results.

Yes

Q70 If yes, how does your department track investigations? (Select all that apply)

State surveillance systems (CTEDSS, CTSITE, CTEPHT– also known as MAVEN)

,

Other (please describe):

Our own database

Page 17: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q71 Requirement 1: My department has written protocols for the containment/mitigation of health problems and hazards.

Yes

Q72 If yes, does the protocol(s) include? (Select all that apply)

Mitigation,

Contact management,

Clinical management,

Use of prophylaxis and emergency biologics   **,**

Communication with the public health laboratory   **,**

Process for exercising legal authority for disease control

Page 18: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q73 Requirement 1: My department has infectious disease outbreak protocols that describe the process for determining when the EOP will be implemented.

No

Q74 If yes, please upload the protocol.

Respondent skipped this question

Q75 If no, is the protocol in development?

Yes

Q76 Requirement 2: My department has protocols that specifically address environmental public health hazards and that describe the process of determining when the EOP will be implemented.

No

Q77 If yes, please upload the protocol.

Respondent skipped this question

Q78 If no, is the protocol in development?   **Yes**

Q79 Requirement 3: My department has cluster evaluation   **No**
protocols describing the process for determining when the EOP will
be implemented.

Q80 If yes, please upload the protocol.   **Respondent skipped this question**

Q81 If no, is the protocol in development?   **Yes**

Page 19: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q82 Requirement 1: My department has a written description of   **Yes**
how it determines if an event has risen to the level of significance
requiring an AAR.

Q83 If no, is the documentation in development?   **Respondent skipped this question**

Q84 How many drills and exercises did your department conduct or participate in the last fiscal year?

1

Q85 How many real world public health events did your department respond to in the last fiscal year?

1

Q86 How many were significant that required the development of an AAR?

1

Page 20: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q87 Requirement 1: My department has policies and procedures   **Yes**
outlining how the department maintains 24/7 access to support
services in emergencies.

Q88 If no, are the policies and procedures in development?   **Respondent skipped this question**

Q89 Requirement 2: My department has a call down list that is   **Yes**
used to contact epidemiological and environmental local public
health resources.

Q90 If yes,

When was the call down list last tested?   **September 26, 2019 at 1516**
What was the response time?   **Unknown at this time**

Q91 Requirement 3: My department has a written policy or   **Yes**
procedure to assure 24/7 access to laboratory services.

Q92 If yes, please upload the protocol.

2.3.2 Access to Lab Services-BBHD.pdf(261.8KB)

Q93 If no, is the policy/procedure in development?　　　**Respondent skipped this question**

Q94 Requirement 4: My department has protocols for handling and submitting of specimens.　　　**Yes**

Q95 If yes, please upload the protocol.

2.3.2 Lab Specimen - BBHD.pdf (5.5MB)

Q96 If no, is the policy/procedure in development?　　　**Respondent skipped this question**

Page 21: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q97 Requirement 1: My department has a protocol, procedure or policy that identifies support personnel (within or outside the department) who will be called on to provide surge capacity.　　　**Yes**

Q98 If no, is the protocol/procedure/policy in development?　　　**Respondent skipped this question**

Q99 Requirement 2: My department has staffing lists for surge capacity which includes both the staffing needed for a surge response and how staff will fill those needs.　　　**Yes**

Q100 If yes, how are staff notified if they are needed for surge capacity? (Select all that apply)

Email,

Call **,**
down

Text

Q101 Requirement 3: My department has a document detailing the availability of equipment (transportation, field communications, personal protective equipment (PPE), etc.) to support a surge.　　　**Yes**

Q102 If no, is the document in development?　　　**Respondent skipped this question**

Q103 Requirement 4: My department has a schedule for training or exercises to prepare personnel who will serve in surge capacity (e.g., ICS or PPE).　　　**Yes**

Q104 If no, is the schedule in development?　　　**Respondent skipped this question**

Q105 Requirement 5: My department has a list and description of contracts, MOAs/MOUs, and/or mutual assistance agreements providing addition staff and services, including laboratory services, for surge capacity.　　　**Yes**

Page 22: 10 ES - #2 Diagnose and investigate health problems and health hazards in the community

Q106 Requirement 1: My department has a communication protocol to contact staff, health care providers, response partners, the media and others, 24/7.　　　**No**

Q107 If yes, please upload the protocol.　　　**Respondent skipped this question**

Q108 If no, is the protocol in development?   **Yes**

Q109 Requirement 2: My department provides information to   **Yes**
partners and the public about how to contact the health department
to report a public health emergency, risk, problem, or
environmental or occupational public health hazard.

Q110 If yes, how does your department inform partners and the   **Web page,**
public? (Select all that apply)
                                                                    Press   **,**
                                                                    release/media

                                                                    Social media,

                                                                    Distribution of printed materials (brochures, flyers,   **,**
                                                                    factsheets)

                                                                    Fax broadcasts,

                                                                    Automated call systems

Q111 Requirement 3: My department's partners and the public can **Yes**
contact the health department 24/7.

Q112 If yes, how does the public and partners contact your   **Police**   **,**
department 24/7? (Select all that apply)   **dispatch**

                                                                    Email

Q113 Requirement 4: My department has established or   **Yes**
participates in a Health Alert Network (HAN) or similar system that
receives and issues alerts 24/7.

Q114 If yes, how often does your department test the system?

Quarterly

Q115 Requirement 5: My department provides information to the   **Yes**
public and uses the media to communicate information to the public
during a public health emergency.

Q116 If yes, how does your department provide information and   **Web page,**
use the media to communicate information to the public? (Select all
that apply)   **Social media,**

                                                                    Distribution of printed materials (brochures, flyers,   **,**
                                                                    factsheets)

                                                                    Fax broadcasts,

                                                                    Press   **,**
                                                                    release

                                                                    Press conference

Page 23: 10 ES - #3 Inform, educate, and empower people about health issues

Q117 Requirement 1: My department has provided information to   **Yes**
the public on health risks, health behaviors, disease prevention, or
wellness.

Q118 If yes, how has your department provided information to the public? (Select all that apply)

Public presentation,

Press ,
release

Media ,
communications

Social media

Q119 Requirement 2

Yes

Q120 If yes, were the health promotion strategies? (Select all that apply)

Evidence-based, rooted in sound theory, practice-based evidence, and/or promising practice
,

Developed with input of the community (focus groups, key informant interviews, town meetings, advisory groups)
,

Focused on social and environmental ,
factors

Implemented in collaboration with stakeholders, partners, and the community

---

Q121 If yes, what types of health promotion strategies were developed and implemented or sustained? (Select all that apply)

Farmers markets,

Smoke free zones,

Immunizations,

Media campaigns,

Radon test
kits

Page 24: 10 ES - #3 Inform, educate, and empower people about health issues

Q122 Requirement 1: My department has assessed health inequity across the jurisdiction within the last five years.

Yes

Q123 If yes, does the assessment include? (Select all that apply)

Analysis of factors that contribute to higher health risks and poorer health outcomes of specific populations
,

The use of health equity ,
indicators

Internal policies and procedures to ensure programs address specific populations at higher risk for poor health outcomes

---

Page 25: 10 ES - #3 Inform, educate, and empower people about health issues

Q124 Requirement 1: My department has a policy, plan or strategy for branding.

Yes

Q125 If yes, does the branding policy, plan or strategy? (Select all that apply)

Ensure that staff have a clear understanding and commitment to the brand of the department

,

Use a common visual identity (logo) to communicate the community health board's brand

,

Include signage inside and outside the department's facility

Q126 If no, is the policy, plan or strategy in development?

Respondent skipped this question

Page 26: 10 ES - #3 Inform, educate, and empower people about health issues

Q127 Requirement 1: My department has external communication procedures or protocols.

No

Q128 If yes, does the external communication procedures or protocols include? (Select all that apply)

Respondent skipped this question

Q129 If yes, please upload the procedure or protocol.

Respondent skipped this question

Q130 If no, is the protocol in development?

Yes

Page 27: 10 ES - #3 Inform, educate, and empower people about health issues

Q131 Requirement 1: My department has a risk communication plan, protocol or procedure.

No

Q132 If yes, does the risk communication plan, protocol or procedures? (Select all that apply)

Respondent skipped this question

Q133 If yes, please upload the plan, protocol or procedure.

Respondent skipped this question

Q134 If no, is the plan, protocol or procedure in development?

Yes

Page 28: 10 ES - #3 Inform, educate, and empower people about health issues

Q135 Requirement 1: My department maintains a website or web page to inform the public about public health issues.

Yes

Q136 If yes, my department's website or web page has the following information: (Select all that apply)

24/7 contact number for reporting health emergencies ,

Health data,

Links to public health-related news ,

Information and materials from program activities ,

Links to CDC and other public health-related federal, state, or local agencies, as appropriate

,

The names of the Director of Health and leadership team

Page 29: 10 ES - #3 Inform, educate, and empower people about health issues

Q137 Requirement 1: My department has demographic data defining ethnic distribution and languages in the jurisdiction.

Yes

Q138 Requirement 2: My department has access to staff or contractors who provide interpretation, translation or specific communication services.

Yes

Q139 If yes, how does your department provide interpretation, translation or specific communication services? (Select all that apply)

Bi-lingual or multi-lingual staff ,

Other (please describe):
Google Translate

Page 30: 10 ES - #4 Mobilize community partnerships and action to identify and solve health problems

Q140 Requirement 1: My department has been an active member of a community partnership(s) or coalition(s) to improve the health of the community.

Yes

Q141 If yes, what sectors of the community do the members of the partnership(s) or coalitions(s) represent? (Select all that apply)

School systems,

Hospitals/Community Health Centers,

Social service organizations ,

Local government agencies ,

Not-for-profit organizations,

Faith institutions,

Community members ,

Youth organizations

Q142 If yes, which health issue(s) are being addressed in the community partnership(s) or coalition(s)? (Select all that apply)

Maternal and child health ,

HIV/AIDS,

Chronic disease prevention ,

Obesity,

Anti-tobacco,

Health equity ,

Housing,

Substance abuse,

Other, please describe:
Homelessness

Q143 Requirement 2: My department has made a change in a policy or created or revised a program that was implemented through the work of the partnership(s) or coalitions(s).

Yes

Q144 If yes, what policy change or revision was implemented? (Select all that apply)

Improvement of neighborhoods and the physical environment (e.g., increase in the number of bike path miles, parks, playgrounds, green spaces)

,

Access to Healthy food (e.g., removal of soda machines in schools, expansion of farmers' markets)

,

Other, please describe:
Access to recovery services

Page 31: 10 ES - #4 Mobilize community partnerships and action to identify and solve health problems

Q145 Requirement 1: My department engages with the community as a whole or with specific populations that will be affected by a policy or strategy.

Yes

Q146 If yes, which sectors of the community has your department engaged? (Select all that apply)

Senior Citizens,

School-age groups,

Service providers, i.e., tattoo artists, salon owners, nail technicians, massage therapists, food establishment owners and workers

,

Advisory groups,

Other (please describe):
Healthcare providers; LTC facilities; Veterans

Q147 Requirement 2: My department communicates and collaborates with the governing entity, advisory board and/or elected officials concerning public health policy or strategy at least quarterly.

Yes

Q148 If yes, how does your department communicate and collaborate? (Select all that apply)

Meetings,

Reports,

Emails

Page 32: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q149 Requirement 1: My department monitors and tracks the public issues being discussed by my department's governing entity, elected officials, individuals and/or other entities that set policies and practices that impact the health department or public health.

Yes

Q150 If yes, how is your department monitoring and tracking issues? (Select all that apply)

Meeting agendas and   ,
minutes

List-serves,

Newsletters,

Professional organizations (CADH, CEHA)

Page 33: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q151 Requirement 1: My department has contributed to the formal discussions concerning public policy and practice and its impact on public health.

Yes

Q152 If yes, how has your department contributed to the discussions? (Select all that apply)

Issue briefs,

Fact sheets,

Official public   ,
testimony

Participation in an advisory or work group

Page 34: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q153 Requirement 1: My department has informed policy makers and/or the public about potential health impacts of policies that are being considered or in place.

Yes

Q154 If yes, how has your department informed policy makers and/or the public? (Select all that apply)

Impact statements (science based) or fact sheets that address current or proposed policies

,

Distribution of emails, briefing statements or reports on policy impacts

,

Meetings/discussions of policy issues and   ,
impacts

Verbal or written
testimony

Page 35: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q155 Requirement 1: My department has a community health improvement plan (CHIP) dated within the last five years.

No

Q156 If yes, does the CHIP include the following? (Select all that apply)   **Respondent skipped this question**

Q157 If yes, please attach the CHIP or provide the web link.   **Respondent skipped this question**

Q158 Web link/URL   **Respondent skipped this question**

Q159 If no, where is your department in the process? (Select one)   **My department has not begun a CHIP**

Page 36: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q160 Requirement 1: My department has a tracking process to document actions taken toward the implementation of the CHIP.   **Respondent skipped this question**

Q161 Requirement 2: My department and/or my partners have implemented some areas of the CHIP.   **Respondent skipped this question**

Q162 If yes, what area has been implemented and by whom? (Provide one example)   **Respondent skipped this question**

Page 37: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q163 Requirement 1: My department has a strategic plan dated within the last five years.   **No**

Q164 If yes, does the plan include? (Select all that apply)   **Respondent skipped this question**

Q165 If no, where is your department in the process? (Select one)   **My department has not begun a strategic plan**

Page 38: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q166 Requirement 1: Since the strategic plan's adoption, my department has reviewed the plan and has monitored and assessed progress towards reaching the goals and objectives.   **Respondent skipped this question**

Page 39: 10 ES - #5 Develop policies and plans that support individual and community health efforts

Q167 Requirement 1: My department participates in preparedness meetings with other government agencies, local health departments and health care providers.   **Yes**

Q168 Requirement 2: My department has conducted drills or exercises or responded to real events that tested components of the All Hazards EOP within the last five years.   **Yes**

Q169 If yes, did your department develop an AAR after the emergency or drill/exercise?   **Yes**

Q170 Requirement 3: As a result of an exercise, drill or real event, my department has revised the All Hazards EOP.   **Yes**

Q171 Requirement 1: My department has a public health emergency response plan that is dated within the last five years.　　**Yes**

Q172 If yes, does your department's public health EOP include? (Select all that apply)

The health department staff responsible for coordinating a response

,

The roles and responsibilities of the health department and its partners

,

A health department communication network that addresses communication with other members of emergency networks or organizations that are also responders; or an emergency communication plan.

Q173 Requirement 2: Within the last five years, my department has tested the public health EOP through drills and exercises.　　**Yes**

Q174 If yes, did your department complete an AAR the drills or exercises?　　**Yes**

Q175 Requirement 3: My department has revised the public health EOP based on AARs.　　**Yes**

Q176 Requirement 1: My department reviews regulations, statutes, and ordinances for their public health implications.　　**Yes**

Q177 If yes, when reviewing laws, does your department? (Select all that apply)

Consider evidence-based practices, promising　　　　, practices

Consider the impact on health　　　, equity

Use model public health laws, checklists, templates or some other standard outline or guide

,

Solicit input from key partners and stake　　　　, holders

Collaborate with other municipal departments, Tribes, state health department

Q178 Requirement 2: My department has access to legal counsel as needed.　　**Yes**

Q179 Requirement 1: My department provides advice and recommendations to the governing entity and/or elected officials on the public health impact of new laws and changes to current laws.　　**Yes**

Q180 If yes, how does your department provide advice and recommendations? (Select all that apply)

Issue briefs,

Fact sheets,

Official public   **,**
testimony

Presentations,

Meetings

Page 43: 10 ES - #6 Enforce laws and regulations that protect health and ensure safety

Q181 Requirement 1: My department's staff have been trained in laws related to their job responsibilities within the past two years.

Yes

Q182 If yes, on which laws have staff received training? (Select all that apply)

Food,

Lead,

Infectious disease (e.g., TB, STD,   **,**
immunizations)

Subsurface sewage disposal   **,**
systems

Housing, hoarding, blight,

Opioid/naloxone,

Disaster response/emergency preparedness,

Vector control,

Surveillance/outbreak investigations

Q183 Requirement 2: My department ensures consistent application of public health laws.

Yes

Q184 If yes, how does your department ensure the consistent application of public health laws? (Select all that apply)

Enforcement documents or logs,

Communications with other
agencies

Page 44: 10 ES - #6 Enforce laws and regulations that protect health and ensure safety

Q185 Requirement 1: My department has information concerning public health related laws available to the public.

Yes

Q186 If yes, how is your department providing information concerning public health related laws? (Select all that apply)

Website,

Flyers/Brochures,

Information/training session,

Email or   **,**
fax

Regular mail,

Q201 Requirement 1: My department analyzes the information in   **Yes**
the database or log of investigations and complaints.

Q202 If yes, does your department analyze the data for? (Select all   **Patterns and**
that apply)   **trends**

Q203 Requirement 2: My department conducts debriefings or other   **Yes**
methods to evaluate what worked well, to identify problems and
recommends changes in the investigation/response procedure to
the enforcement protocols or procedures.

Page 50: 10 ES - #6 Enforce laws and regulations that protect health and ensure safety

Q204 Requirement 1: My department has a protocol for notifying other agencies and the public of enforcement activities.

Yes

Q205 If yes, how does your department notify other agencies and the public of enforcement activities? (Select all that apply)

Emails,

Reports,

MOUs and MOAs with other agencies for sharing information on enforcement activities

---

Q206 If no, is the protocol in development?

Respondent skipped this question

Page 51: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q207 Requirement 1: My department participates in a collaborative process to assess the availability of health care services to the population.

Yes

Q208 If yes, with whom does your department collaborate to assess the availability of health care services? (Select all that apply)

Health care providers,

Social service   , organizations

Private sector employers,

Community based organizations,

Mental/behavior health   , organizations

Local Coalitions,

Correctional   , agencies

Specific populations who may lack health care and/ or experience barriers to service (e.g., disabled, non-English speaking)

Q209 If yes, do you maintain documentation (agendas, minutes, rosters) of the collaborative process/meetings?

No

Q210 Requirement 2: My department shares public health data for assessment and planning purposes.

Yes

Q211 If yes, how does your department share the data? (Select all that apply)

Reports,

Emails

Q212 Requirement 3: My department assesses emerging issues that may impact access to care.

Yes

Q213 If yes, please provide an example of an emerging issue.

Opioid Use Disorder and related overdoses

Page 52: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q214 Requirement 1: My department has a process for identifying populations who lack access to health care.

Yes

Q215 If yes, how are the populations identified? (Select all that apply)

Coalitions,

Community groups,

Public Health Partners

Q216 Requirement 2: My department has a report or has developed a report that identifies populations who experience barriers to health care services.

Yes

Q217 If yes, in the report, are the populations who experience barriers identified by the following? (Select all that apply)

Ethnicity,

Geographic location,

Health insurance ,
status

Mental or physical disabilities

Page 53: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q218 Requirement 1: My department has a process used to identify gaps in health care services and barriers to health care services.

Yes

Q219 If yes, how are the gaps in health care services and barriers to care identified? (Select all that apply)

Community Health Assessment,

Other (please describe):

Meet with social service, Non-profit, faith-based and other community and cultural organizations that provide services to or represent some of these populations.

Q220 Requirement 2: My department has a report or developed a report of analysis of data from various sources that identify and describe gaps in access to health care services and barriers to health care services in my jurisdiction.

No

Q221 If yes, does the report include? (Select all that apply)

Respondent skipped this question

Page 54: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q222 Requirement 1: My department participates in a collaborative process for developing strategies to improve access to health care.

Yes

Q223 If yes, what strategies has the coalition developed to improve access to health care services and reduce barriers to care? (Select all that apply)

Linking individuals with needed and convenient ,
services

Establishing systems of care in partnership with other members of the community

,

Addressing transportation ,
barriers

Addressing clinic ,
hours

Working with employers to increase the number of insured workers

---

Page 55: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q224 Requirement 1: My department has collaboratively implemented strategies to improve access to health care services for those who experience barriers.

Yes

Q225 If yes, what strategies have been implemented to improve access to health care services? (Select all that apply)

Coordination of service programs to optimize access (e.g., WIC, immunizations, and lead testing)

,

Cooperative system of referrals between partners that shows the methods used to link individuals with needed health care services

,

Subcontracts in the community to deliver health care services in convenient and accessible locations

,

Other (please describe):

Cooperative agreements with Community Health Center

Page 56: 10 ES - #7 Link people to needed personal health services and assure the provision of health care

Q226 Requirement 1: My department has initiatives to ensure that access and barriers are addressed in a culturally competent manner and take into account cultural, language and low literacy barriers.

Yes

Q227 If yes, what are some of the initiatives? (Select all that apply)

Culturally competent initiatives developed with members of the target population

,

Language/interpretive services,

Collaboration with other municipal departments (e.g., schools, social services)

,

MOA with community based organizations, community health centers, VNAs

---

Page 57: 10 ES - #8 Assure competent public and personal health care workforce

Q228 Requirement 1: My department actively promotes public health as a career choice.

Yes

Q229 If yes, how? (Select all that apply)

Collaboration with a school or college of public health to host interns/volunteers

,

**Guest lecturing at a   ,
college**

Making presentations to students about public health and public health careers

,

Participating in student career fairs

Page 58: 10 ES - #8 Assure competent public and personal health care workforce

Q230 Requirement 1: My department has a workforce development plan.

No

Q231 If yes, does the workforce development plan? (Select all that apply)

Respondent skipped this question

Q232 If no, is the plan in development?

Yes

Q233 Requirement 2: My department has implemented its workforce development strategies.

No

Q234 If yes, what workforce development strategies have been implemented? (Select all that apply)

Respondent skipped this question

Page 59: 10 ES - #8 Assure competent public and personal health care workforce

Q235 Requirement 1: My department ensures a competent workforce.

Yes

Q236 If yes, how does your department ensure a competent workforce? (Select all that apply)

Staff retention activities (e.g., employee satisfaction survey results, needs assessments of work environment, reward and recognition programs, career ladders, promotion opportunities, and supervisor mentoring programs)

,

Job descriptions and requirements for specific certifications, skills, training, experience and education

,

Annual performance reviews

Page 60: 10 ES - #8 Assure competent public and personal health care workforce

Q237 Requirement 1: My department documents staff's completion of their professional development activities.

Yes

Q238 If yes, what types of professional development activities? (Select all that apply)

**Continuing education for   ,
certifications/licenses**

Training opportunities (e.g., HIPAA, emergency response, methods for the presentation of data, health equity, and communications)

,

Mentoring,

Job shadowing,

Tuition reimbursement/time-off for classes

Q239 Requirement 2: My department provides leadership and/or management development training programs.

No

Q240 If yes, what type of leadership and/or management development training programs? (Select all that apply)

Respondent skipped this question

Q241 Requirement 3: My department provides an environment in which employees are supported in their jobs.

Yes

Q242 If yes, how does your department provide a supportive environment? (Select all that apply)

Supporting staff's regulatory work, which can be met with resistance

,

Seeking staff input on professional development goals   ,

Providing professional development opportunities   ,

Providing tuition reimbursement,

Providing support through an Employee Assistance Program (EAP)

,

Encouraging systems thinking, change management, data use for decisions, and a culture of quality improvement

,

Providing collaborative learning opportunities (e.g., participation on boards, committees, and task forces in community, collaborative planning sessions, shared reviews of program evaluations, etc.)

Page 61: Copy of page: 10 ES -#9 Evaluate effectiveness, accessibility, and quality of personal and

Q243 Requirement 1: My department has adopted a performance management system with input from staff and leadership.

No

Q244 If yes, does the performance management system include? (Select all that apply)

Respondent skipped this question

Q245 If no, is the department in the process of adopting a system?

No
