These Records shall be subject at all reasonable times to monitoring, inspection, review or audit by authorized employees or agents of the State or, where applicable, federal agencies. The Contractor shall retain all such Records concerning this Contract for a period of three (3) years after the completion and submission to the State of the Contractor's annual financial audit.

- (a) The Contractor, at its own expense, shall encrypt any and all electronically stored data now or hereafter in its possession or control located on non-state owned or managed devices that the State, in accordance with its existing state policies classifies as confidential or restricted. The method of encryption shall be compliant with the State of Connecticut Enterprise Wide Technical Architecture ("EWTA") or such other method as deemed acceptable by the Agency. This shall be a continuing obligation for compliance with the EWTA standard as it may change from time to time. The EWTA domain architecture documents can be found at <http://www.ct.gov/doit/cwp/view.asp?a=1245&q=462024>.
- (b) In the event of a breach of security or loss of State data, the Contractor shall notify the Agency and the OAG as soon as practical but not later than twenty-four (24) hours after the discovery or suspicion of such breach or loss that such data has been comprised through breach or loss. Disclosure shall be in writing.
- (b) The Contractor shall provide written Notice to the Agency of any final decision by any tribunal or state or federal agency or court which is adverse to the Contractor or which results in a settlement, compromise or claim or

agreement of any kind for any action or proceeding brought against the Contractor or its employee or agent under the Americans with Disabilities Act of 1990 as revised or amended from time to time, Executive Orders Nos. 3 & 17 of Governor Thomas J. Meskill and any other requirements of federal or state law concerning equal employment opportunities or nondiscriminatory practices.

22. **Sovereign Immunity.** The Contractor and Contractor Parties acknowledge and agree that nothing in the Contract, or the solicitation leading up to the Contract, shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this Section conflicts with any other Section, this Section shall govern.

Section D. Changes To The Contract, Termination, Cancellation and Expiration.

1. Contract Amendment.

- (a) No amendment to or modification or other alteration of this Contract shall be valid or binding upon the parties unless made in writing, signed by the parties and, if applicable, approved by the Connecticut Attorney General.
- (b) The Agency may amend this Contract to reduce the contracted amount of compensation if:
- (1) the total amount budgeted by the State for the operation of the Agency or Services provided under the program is reduced or made unavailable in any way; or
 - (2) federal funding reduction results in reallocation of funds within the Agency.
- (c) If the Agency decides to reduce the compensation, the Agency shall send written Notice to the Contractor. Within twenty (20) Days of the Contractor's receipt of the Notice, the Contractor and the Agency shall negotiate the implementation of the reduction of compensation unless the parties mutually agree that such negotiations would be futile. If the parties fail to negotiate an implementation schedule, then the Agency may terminate the Contract effective no earlier than sixty (60) Days from the date that the Contractor receives written notification of Termination and the date that work under this Contract shall cease.

2. Contractor Changes and Assignment.

- (a) The Contractor shall notify the Agency in writing:

- (A) its certificate of incorporation or other organizational document;

 - (C) the individual(s) in charge of the performance.
- (b) No such change shall relieve the Contractor of any responsibility for the accuracy and completeness of the performance. The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.
- (c) **Assignment.** The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.
- (1) The Contractor shall comply with requests for documentation deemed to be appropriate by the Agency in considering whether to consent to such assignment.
 - (2) The Agency shall notify the Contractor of its decision no later than forty-five (45) Days from the date the Agency receives all requested documentation.
 - (3) The Agency may void any assignment made without the Agency's consent and deem such assignment to be in violation of this Section and to be in Breach of the Contract. Any cancellation of this Contract by the Agency for a Breach shall be without prejudice to the Agency's or the State's rights or possible claims against the Contractor.

3. Breach.

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract Termination date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the

Termination date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Contract Termination date, then the non-breaching party may terminate the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.

- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:

 - (6) take such other actions of any nature whatsoever as may be deemed appropriate for the best interests of the State or the program(s) provided under this Contract or both; or
 - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.
- (d) In addition to the rights and remedies granted to the Agency by this Contract, the Agency shall have all other rights and remedies granted to it by law in the event of Breach of or default by the Contractor under the terms of this Contract.
- (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.

4. **Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning

that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.

5. **Suspension.** If the Agency determines in its sole discretion that the health and welfare of the clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the clients. The Agency shall notify the Contractor of the specific reasons for taking such action in writing within five (5) Days of immediate suspension. Within five (5) Days of receipt of this notice, the Contractor may request in writing a meeting with the Agency Head or designee. Any such meeting shall be held within five (5) Days of the written request, or such later time as is mutually agreeable to the parties. At the meeting, the Contractor shall be given an opportunity to present information on why the Agency's actions should be reversed or modified. Within five (5) Days of such meeting, the Agency shall notify the Contractor in writing of his/her decision upholding, reversing or modifying the action of the Agency head or designee. This action of the Agency head or designee shall be considered final.

6. **Ending the Contractual Relationship.**
 - (a) This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party. Either party may terminate this contract by providing at least sixty (60) days prior written notice pursuant to the Notice requirements of this Contract.

 - (b) The Agency may immediately terminate the Contract in whole or in part whenever the Agency makes a determination that such termination is in the best interest of the State. Notwithstanding Part II, Section D.2, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.

 - (c) The Agency shall notify the Contractor in writing of Termination pursuant to subsection (b) above, which shall specify the effective date of termination and the extent to which the Contractor must complete or immediately cease performance. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Upon receiving the Notice from the Agency, the Contractor shall immediately discontinue all Services affected in accordance with the Notice, undertake all reasonable and necessary efforts to mitigate any losses or damages, and deliver to the Agency all Records as defined in Section A.12, unless otherwise instructed by the Agency in writing, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection of Clients and preservation of any and all property. Such Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the specified records whichever is less. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to ASCII or .TXT.

- (d) The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
- (e) The Contractor shall deliver to the Agency any deposits, prior payment, advance payment or down payment if the Contract is terminated by either party within thirty (30) days after receiving demand from the Agency. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings, incurred until the date of termination for operation or transition of program(s) under this Contract shall not be subject to recoupment.

7. Transition after Termination or Expiration of Contract.

- (a) If this Contract is terminated for any reason or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly transfer of Clients served under this Contract and shall assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
- (b) If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract.
