Preface to the Request for Proposals

The Department's effort to procure consulting services to develop a style guide presents an exceptional opportunity for organizations and/or highly skilled individuals with extensive experience and knowledge to help DSS to develop correspondence that will allow its consumers to more fully understand forms, notices, and letters that relate to applications for and receipt of DSS assistance. Organizations and/or individuals contemplating responding to this RFP must have no less than five (5) years experience providing consulting services related to the development of a style guide to develop correspondence directed to consumers with limited reading and English-speaking abilities. The Department will not review proposals received from organizations/individuals that have not demonstrated such experience. The RFP is divided into the following components:

- I. **Background** contains information about the Department, its goals and objectives, and an overview of critical consumer programs.
- II. **Overview of the Consultant Procurement Process** provides the sequence and steps in the Department's procurement process.
- III. **General Proposal Requirements and Instructions** provides instructions to prospective Respondents on how to submit a proposal.
- IV. **Proposal Contents** defines the proposal responses. Respondents to the RFP must provide their proposals in two (2) parts with specified subsections.
 - A. Part One - Section One of the Respondent's proposal must contain the requirements for transmittal statements and acceptances.
 - B. Part One - Section Two of the Respondent's proposal must contain the requirements for the Scope of Work and information about the Respondent's organization and personnel. This section identifies specific issues the resultant contractor will need to address and seeks information about how the Respondent will resolve or approach these issues. It also allows the Respondent to tell the Department about itself and how it would "fit" as a partner with the Department.
 - C. Part One - Section Three of the Respondent's proposal must contain all examples, brochures, and other printed documents appropriately tabbed to the requirements in Part One - Section Two.
 - D. Part Two of the Respondent's proposal is the Business Proposal that must contain all information related to the cost of the proposal. **Part Two must be presented in a separate binder from the Part One requirements.**
- V. **Evaluation** describes the process the Department will use to evaluate the proposals.

- VI. Appendices** refer to contract terms, conditions, and assurances, as well as information related to administrative functions.
- VII. Attachments** refer to notices, letters, and forms for review by the Respondent and a Cost Proposal Form for use by the Respondent.

I. BACKGROUND INFORMATION AND PROGRAM OBJECTIVES

A. PURPOSE

The Connecticut Department of Social Services (Department/DSS) is issuing this Request for Proposals (RFP) to procure the services of an experienced professional consulting organization or individual consultant to review, critique, and redraft a series of Department consumer forms, notices, and letters, and to develop a style guide to be used by Department staff to develop correspondence targeted to DSS program consumers with limited reading and English-speaking abilities.

This project is being undertaken pursuant to paragraph 31 of the May 31, 2007 Settlement Agreement in the case of *Raymond v. Rowland*, 3:03CV0118 (MRK). This paragraph requires the Department to review its program application and redetermination forms, client notices, and standardized client letters, and to implement revisions to improve their comprehension by clients who participate in certain programs administered by the Department. The Settlement Agreement notes that a significant portion of DSS program consumers face barriers to comprehension of these materials caused by disability, low literacy or language challenges. Accordingly, DSS must take approaches that focus on best practices for clear and plain language, format, fonts, use of white space, and appropriate reading level.

B. DEPARTMENT BACKGROUND

The Department of Social Services is the single state agency that has the statutory authority and responsibility for administering a host of programs governed by state and federal laws. For the purposes of this RFP, we will work with the following three programs:

- Temporary Assistance for Needy Families (TANF)
- HUSKY A Health Insurance (Medicaid for children and families)
- Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps)

A brief description of each program follows.

TANF: TANF provides cash assistance to indigent Connecticut families with dependent children. In addition to cash assistance, certain families are required to participate in work-related activities in order to help transition families to become self-sufficient. As of June 2010, approximately 19,000 families were receiving cash assistance benefits. The Department operates Jobs First, Connecticut's welfare reform program, providing Temporary Family Assistance (TFA) to families in need of cash assistance. Jobs First has been successful in helping thousands of parents move into the workforce and off welfare rolls. Jobs First is a time-limited program that emphasizes early case-management intervention and participation in the labor market. Jobs First establishes a time limit of 21 months for families that contain an adult who is able to work.

HUSKY A: Husky A is Connecticut's Medicaid program, which provides health care services to poor, uninsured families and individuals. There are currently 250,000 clients enrolled in the HUSKY A program.

SNAP: SNAP provides monthly benefits to help eligible families and individuals afford food purchases. Benefits are provided electronically, enabling clients to use a debit-type swipe card at food markets. Income and asset eligibility guidelines apply. The general income limit is 130% of the federal poverty level. As of June 2010, 179,344 Connecticut households were receiving SNAP benefits.

C. CURRENT ENVIRONMENT

At this time, the Department has not adopted a uniform style guide for use in the development of its client documents. There are numerous notices, forms, and letters used for the three programs previously described herein. Forms, notices and letters are developed to meet specific mail/postage guidelines, e.g. weight of envelopes...

Forms are maintained by the Department's Division of Information Technology (IT) Systems Supports Services Planning Unit. There are approximately 75 forms directed to clients of each of the three programs. All forms are also produced in Spanish; and if possible, the Spanish version is on the back side of the English version. For the purpose of the RFP, the Spanish version will not be included.

Notices and letters specific to each of the three programs are sent to clients via the Department's Eligibility Management System (EMS). They are developed by Department policy consultants, reviewed and often modified by legal staff, and then configured to meet strict space parameters within EMS. As such, they are "hard coded" and require a lengthy internal process in order to make changes. This lack of flexibility within EMS is particularly challenging. There are times when, based on certain circumstances, notices and letters must contain additional or alternative information, yet the system cannot accommodate such revisions.

Currently, EMS has 95 active notice types in both English and Spanish, for a total of 190 notice types. Many notices (25% - 30%) have multiple permutations based on programs and other criteria that could be treated as totally different notice types if the notices were to be redeveloped. Adjusting the 190 notices to account for the different permutations would bring the total amount of notices to 250 different notices. Most notices are not sent as an isolated document but rather are blended into one notice packet. EMS notices are not saved to view or reprint at a later date. EMS saves the data it requires in notice history and, if needed, a second notice is built from the saved data.

Connecticut's Eligibility Management System (EMS) is among the nation's most comprehensive welfare eligibility systems. This mainframe system provides fully-integrated data processing support for the determination of client eligibility, benefit calculation and issuance of benefit amount, financial accounting, and management reporting. EMS supports many of the Department's major programs such as Temporary Family Assistance (TFA); Medical Assistance (Medicaid Fee-for-Service and State

Medical Assistance for Non-Citizens); Supplemental Nutrition Assistance Program (SNAP); State Supplement to the Aged, Blind, and Disabled; Refugee Cash and Medical Assistance; and the Medicaid Managed Care Program. The system has been functional since 1989.

EMS determines eligibility and issues notices and benefits for approximately 390,000 assistance units and 420,000 clients each month. The database management system (DBMS) is IBM IMS. The system consists of over 210 databases, 50 VSAM files, 3025 COBOL programs, over 550 on-line screens, and 5 million lines of code. EMS runs on an IBM 2064-103 Z/OS R1.4 operating system at the State Data Center located at the Department of Information Technology (DOIT).

Sample forms, notices, and letters for each of the three programs are provided in Component VII. Attachments.

E. EVALUATION AND SELECTION

The Department will conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this competitive procurement. F. CONTRACT EXECUTION

The contract developed as a result of this RFP is subject to State contracting procedures for executing a contract, which include approval by the Connecticut Office of the Attorney General. The contract becomes executed only upon the signature of the Office of the Attorney General. No financial commitments may be made by DSS until and unless the contract has been approved by the Office of the Attorney General. The Office of the Attorney General reviews the contract only after the Commissioner of Social Services and the Resultant Contractor have agreed to its provisions.

G. ACCEPTANCE OF PROPOSAL CONTENT

The contents of this RFP and the successful Respondent's proposal will form the basis of contractual obligations in the final contract.

The resulting contract will be a Personal Service Agreement (PSA) contract between the successful Respondent and the Department. The Respondent's proposal must include a Statement of Acceptance (Appendix 2) without qualification, of all terms and conditions within this RFP and the Mandatory Terms and Conditions for a PSA contract (Appendix 1). The Respondent may, however, suggest alternative language to the Mandatory Terms and Conditions. The Department may, after consultation with the Office of the Attorney General and the Office of Policy and Management, agree to incorporate such alternative language in any resultant contract. The decision whether to incorporate such alternative language, however, rests solely with the Department and these two Offices; their decision is final.

Any proposal that fails to include the Statement of Acceptance, without qualification, of all terms and conditions within this RFP and the Mandatory Terms and Conditions

for a PSA contract may be disqualified as non-responsive. The Department is solely responsible for rendering decisions in matters of interpretation on all terms and conditions.

H. DEBRIEFING / APPEAL / CONTEST OF SOLICITATION OR AWARD

1. **Debriefing:** The Department will notify all Respondents of any award issued as a result of this RFP. Unsuccessful Respondents may, within thirty (30) days of the signing of the resultant contract(s), request a Debriefing of the procurement process and its submission by contacting the Official Agency Contact in writing at the address previously given. A Debriefing may include a request for and distribution of instructions to the evaluators, a copy of the evaluation tool, and a copy of the Respondent's scores including any notes pertaining to the Respondent's submission. Debriefing information that has been properly requested shall be released within five (5) business days of the Department's receipt of the request.

Respondents may request a Debriefing meeting to discuss the procurement process by contacting the Official Agency Contact in writing at the address previously given. Debriefing meetings that have been properly requested shall be scheduled within fifteen (15) days of the Department's receipt of a request.

A Debriefing will not include any comparisons of unsuccessful proposals with other proposals.

2. **Appeal:** The Respondent may appeal any aspect of the competitive procurement; however, such appeal must be in writing and must set forth facts or evidence in sufficient and convincing detail for the Department to determine whether during any aspect of the competitive procurement there was a failure to comply with the State's statutes, regulations, or standards concerning competitive procurement or the provisions of the Procurement Document. Appeals must be submitted by the Respondent to the Agency Head, with a copy to the Contract Administrator.

Respondents may submit an Appeal to the Department any time after the submission due date, but not later than thirty (30) days after the Department notifies Respondents about the outcome of a competitive procurement. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the thirty (30) days.

Following the review process of the documentation submitted, but not later than thirty (30) days after receipt of any such Appeal, a written decision will be issued and delivered to the Respondent who filed the Appeal and any other interested party. The decision will summarize the Department's process for the procurement in question; and Indicate the Agency Head's finding(s) as to the merits of the Respondent's Appeal.

Any additional information regarding the Debriefing and/or the Appeal processes may be requested from the Official Agency Contact for this RFP.

3. Contest of Solicitation or Award: Pursuant to Section 4e-36 of the Connecticut General Statutes, "Any bidder or proposer on a state contract may contest the solicitation or award of a contract to a subcommittee of the State Contracting Standards Board..." Refer to the State Contracting Standards Board website at www.ct.gov/scsb.

Upon determination that its best interests would be served, the Department shall have the right to the following:

1. **Cancellation:** Cancel this procurement at any time prior to contract award.
2. **Amend procurement:** Amend this procurement at any time prior to contract award.
3. **Refuse to accept:** Refuse to accept, or return accepted proposals that do not comply with procurement requirements.
4. **Incomplete Business Proposal:** Reject any proposal in which the Business Proposal is incomplete or in which there are significant inconsistencies or inaccuracies.
5. **Prior contract default:** Reject the proposal of any Respondent in default of any prior contract with the State or for misrepresentation of material presented in the proposal.
6. **Written clarification:** Require Respondents, at their own expense, to submit written clarification of proposals in a manner or format that the Department may require.
7. **Oral clarification:** Require Respondents, at their own expense, to make oral presentations at a time selected and in a place provided by the Department in order to assist the Department in its determination of the award of the right to negotiate a contract. The Department reserves the right to limit the number of Respondents invited to make such a presentation. The oral presentation shall be permitted only for the purpose of proposal clarification and not to allow changes to be made to the proposal.

15. **Unacceptable proposals:** Reopen the procurement process if the Department determines that all proposals are unacceptable.

J. PROPOSAL PREPARATION EXPENSES

The Department assumes no liability for payment of expenses incurred by Respondents in preparing and submitting proposals in response to this procurement.

K. RESPONSE DATE AND TIME

To be considered for review a proposal must be received by the Issuing Office by the date and time stated in the Procurement Schedule in Component II. B. of this RFP. The Department will not consider a postmark date as the basis for meeting any submission deadline. Respondents should not interpret or otherwise construe receipt of a proposal after the closing date and time as acceptance of the proposal, since the actual receipt of the document is a clerical function. The Department suggests the Respondent use Certified or Registered mail to deliver the proposal when the Respondent is not able to deliver the proposal by courier or in person. When hand-delivering proposals Respondents should allow extra time to comply with building security procedures.

Proposals shall not be considered received by the Issuing Office until they are in the hands of the Official Contact or a representative of the Office of Administration.

L. RESPONDENT ASSURANCES AND ACCEPTANCES

1. **Independent Price Determination:** By submitting a proposal and through assurances given in its Transmittal Letter, the Respondent certifies that in connection with this procurement the following requirements have been met:
 - a. **Costs:** The costs proposed have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such process with any other organization or with any competitor;
 - b. **Disclosure:** Unless otherwise required by law, the costs quoted have not been knowingly disclosed by the Respondent on a prior basis directly or indirectly to any other organization or to any competitor;

- c. **Competition:** No attempt has been or will be made by the Respondent to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition;
 - d. **Prior Knowledge:** The Respondent had no prior knowledge of the RFP contents prior to actual receipt of the RFP and had no part in the RFP development; and
 - e. **Offer of Gratuities:** The Respondent certifies that no elected or appointed official or employee of the State of Connecticut has or will benefit financially or materially from this procurement. Any contract arising from this procurement may be terminated by the State if it is determined that gratuities of any kind were either offered to or received by any of the aforementioned officials or employees from the contractor, the contractor's agent or the contractor's employee(s).
2. **Valid and Binding Offer:** The proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto.
 3. **Press Releases:** The Respondent agrees to obtain prior written consent and approval from the Department for press releases that relate in any manner to this RFP or any resulting contract.
 4. **Restrictions on Communications with DSS Staff:** The Respondent agrees that, from the date of release of this RFP until the Department makes an award, it shall not communicate with Department staff on matters relating to this RFP, except as provided herein through the Issuing Office. Any communication by the Respondent with any of the Department's staff relating to this RFP may, at the discretion of the Department, result in disqualification of that Respondent's proposal.
 5. **Acceptance of the Department's Rights Reserved:** The Respondent accepts the rights reserved by the Department.
 6. **Experience:** The Respondent has no less than five (5) years experience providing services related to the tasks identified in this RFP. The Respondent also acknowledges and agrees to allow the Department to examine the Respondent's claim with regard to experience by allowing the Department to review the Respondent's related contracts and/or to interview contracting entities.

M. INCURRING COSTS

The Department is not liable for any cost incurred by the Respondent prior to the effective date of a contract.

N. FREEDOM OF INFORMATION AND DECLARATION AND PROTECTION OF PROPRIETARY INFORMATION :

Due regard will be given to the protection of proprietary information contained in all proposals received; however, Respondents should be aware that all materials associated with this procurement are subject to the terms of the State Freedom of Information Act, Conn. Gen. Stat. §§ 1-200. et seq., and the Privacy Act and all rules, regulations and interpretations resulting there from. The Respondent must provide convincing explanation and rationale sufficient to justify each exception from release consistent with Section 1-210 (b) of the Connecticut General Statutes to claim proprietary exemptions to the disclosure requirements of the Freedom of Information Act. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Respondent that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the above cited statute.

It will not be sufficient for Respondents to merely state generally that the proposal is proprietary in nature and, therefore, not subject to release to third parties. Information in proposals concerning price and cost alone do not meet exemption requirements. Those particular pages or sections that a Respondent believes to be proprietary must be specifically identified as such.

While Respondents may claim proprietary exemptions, the final administrative authority to release or exempt any or all material so identified rests with the State.

The Proprietary Declaration must be included in the Transmittal Letter as noted in Component IV. Proposal Contents – Part One – Section One: Transmittal Communication, Forms and Acceptances Order.

O. AFFIRMATIVE ACTION

Regulations of Connecticut State Agencies Section 46a68j-3(10) requires State agencies to consider the following factors when awarding a contract that is subject to contract compliance requirements: the applicant's success in implementing an affirmative action plan; the applicant's success in developing an apprenticeship program complying with Section 46a-68-1 to 46a-68-17 of the Connecticut General Statutes, inclusive; the applicant's promise to develop and implement a successful affirmative action plan; the applicant's submission of EEO-1 data indicating that the composition of its work force is at or near parity when compared to the racial and sexual composition of the work force in the relevant labor market area; and the applicant's promise to set aside a portion of the contract for legitimate small contractors and minority business enterprises. (See CGS 4a-60).

P. RESULTANT CONTRACT PERIOD, FUNDING, AND NUMBER OF AWARDS

The resultant contract term is expected to be no more than one (1) year with an anticipated start date of February 1, 2011.

While it is the Department's intent to award one (1) contract for services described in the RFP, the Department reserves the right to fund more than one (1) contract if desired.

III. PROPOSAL FORMAT REQUIREMENTS

A. GENERAL PROPOSAL FORMAT REQUIREMENTS

It must describe the background and experience of the Respondent's organization, and subcontractors if applicable, and include details regarding its size and resources, and its experience relevant to the functions to be performed under the resultant contract or recent contracts for similar services.

3. **RFP Component IV. Respondent's Proposal Part One - Section Three** must contain the Respondent's sample documents and exhibits.
4. **RFP Component IV. Respondent's Proposal Part Two** must contain the Respondent's cost and financial information.

The Department will evaluate each proposal Part separately in sequence.

B. DELIVERY CONDITION – COPIES NECESSARY

The original (clearly marked) and five (5) exact, legible copies of the proposal must be bound in two (2) separate parts, and submitted in clearly marked ("Style Guide Consultant RFP"), sealed envelopes or boxes by the deadline. In addition, one (1) exact electronic copy (USB Drive, CD, or DVD) of the entire proposal in a non-PDF format must be submitted with the original. Any required documents that are not

Minimum Requirements

The purpose of this phase is to determine whether each proposal is sufficiently responsive to the minimum RFP requirements to permit a complete evaluation of the proposal. Proposals must comply with the instructions to Respondents contained throughout. Failure to comply with the instructions may deem the proposal non-responsive and subject to rejection without further consideration. The Department reserves the right to waive minor irregularities.

The minimum requirements for a proposal to be given consideration are:

Deadline - Closing Date: The proposal must have been received, before the closing of acceptance of proposals.

Delivery Condition: Copies Necessary: The original (clearly marked) and five (5) exact, legible copies of the proposal (Parts One and Two (bound separately)) must be submitted in properly marked, separately sealed envelopes or sealed boxes by the deadline.

The Department of Social Services will evaluate the experience of proposed personnel, organization and individual resources, and the affirmative action achievement of the Respondent and any proposed subcontractors. The Department of Social Services will determine to what extent the organization and its proposed personnel have the capability to work effectively with the Department of Social Services to successfully develop and implement the SGC requirements. 3. Phase 3 - Evaluation of Part Two - Business Cost

The Business Proposal will only be evaluated for Respondents who have met the minimum requirements of Phase 1 and achieved a **minimum of 75% of the available points in Phase 2**. The Business Proposal will be one of the principal factors considered in the evaluation of the entire proposal submission (Technical and Business proposals combined).

The Business Proposal will be scored for cost and cost reasonableness. Cost reasonableness will be determined by examining the business narrative and the relationship between costs, personnel and the work plan outlined in the proposal.

The Cost comparison will be determined by comparing the all-inclusive hourly rate and tasks attached to that rate.

4. Phase 4 - Presentation and Ranking of the Proposals

After the Evaluation Team has scored the proposals, the points awarded will be totaled to determine the ranking. The Contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such Contractor that such disability prevents performance of the work involved;

OFFICE OF POLICY AND MANAGEMENT

CONTRACTOR/GRANTEE COMPLIANCE REQUIREMENTS

NOTE: - THESE REQUIREMENTS APPLY TO ALL CONTRACTORS - INCLUDING GRANTEES AND INDIVIDUALS

Connecticut General Statute Section 4a-60 was adopted to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons. To carry out the provisions of the Statute, the Commission on Human Rights and Opportunities developed Regulations concerning Contract Compliance and approval of Contract Compliance Programs which impose certain obligations on State agencies as well as contractors doing business with the State of Connecticut.

These regulations require that as an awarding agency, in this instance, the Office of Policy and Management (OPM), must consider the following factors in its selection of any contractor:

- The bidder's success in implementing an affirmative action plan;
- If the bidder does not have a written affirmative action plan, the bidder's promise to develop and implement a successful affirmative action plan;
- The bidder's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- The bidder's submission of employment statistics contained in the "Employment Information Form", indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- The bidder's promise to set aside a portion of the contract for legitimate minority business enterprises.

In order to assess the factors above, contractors are required to provide OPM with information about their organizations.

A package of information (see Section II. Bidder's Packet) is provided with forms (and instructions) that must be completed, signed by responsible parties and returned to OPM with the response to the Request for Proposal or with the Grant Application.

PLEASE NOTE: If you indicate that you will be sub-contracting a portion of this contract, you will be sent further forms for completion as required in the contract compliance regulations. Thank you for your cooperation.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF
CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties--Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
