

WHAT IS IT?

The TANF Case Management Program - Basic Needs is for families who have challenges making ends meet when their Temporary Family Assistance (TFA) ends.

AM I ELIGIBLE?

- ✓ Did you ever receive cash assistance from the State of CT?
- ✓ Did you exhaust the 21 months of cash assistance?
- ✓ Do you have a Child under 18?

HOW WILL THIS HELP MY FAMILY AND ME?

Focused on your strengths, a Case Manager will help you:

- Stabilize during a crisis
- Set Goals to gain employment
- Budget & make better choices with your money
- Understand and advocate for your children
- Access and connect to resources
- May help with rent, food, or utilities (pending available funding)

WHERE IS IT?

TANF CMP is a home-based and community-based program available statewide.

WHAT DO I HAVE TO DO?

You must meet with a TANF CMP Case Manager on a regular basis to work on an agreed upon plan for moving forward.
