Supplemental Detail of Operating Expenses for the Years Ended September 30, 2016 and 2015	19

### **Independent Auditors' Report**

To the Board of Directors McLean Affiliates, Inc. Simsbury, Connecticut

We have audited the accompanying financial statements of McLean Affiliates, Inc., a subsidiary of the McLean Fund, which comprise the statement of financial position as of September 30, 2016, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of McLean Affiliates, Inc., as of September 30, 2016, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matter

The financial statements of McLean Affiliates, Inc., as of September 30, 2015 were audited by other auditors whose report dated December 11, 2015 expressed an unmodified opinion on those statements.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **NOTE 1 - ORGANIZATION**

McLean Affiliates, Inc. (McLean) was incorporated as a nonprofit entity on October 1, 2008, as a subsidiary of the McLean Fund (the Fund), a trust created by the last will of George P. McLean. Prior to this incorporation, McLean operated as a unit of the Fund. The subsidiaries of the Fund include McLean, the McLean Foundation, Inc. (the Foundation) and the McLean Game Refuge (the Refuge). The Foundation and the Refuge are not included in these statements.

McLean operates as a Continuing Care Retirement Community (CCRC) and a long-term care facility located in Simsbury, Connecticut. As of September 30, 2016, McLean has 89 Medicaid and Medicare certified skilled nursing beds, 71 assisted living units, 3 residential care home beds, and 88 independent living apartments and cottages. During 2015, McLean de-licensed 30 Medicaid and Medicare certified skilled nursing beds to expand assisted living services.

McLean provides a full range of services, including physical therapy, occupational therapy and speech therapy. The average occupancy for McLean was 84% and 90% for 2016 and 2015, respectively. In addition, McLean provides home care, hospice, adult day care and meals on wheels services to residents of Simsbury and surrounding towns.

Overall occupancy levels at McLean for the years ended September 30, 2016 and 2015, are as follows:

	2016	2015
Independent Living	87%	85%
Assisted Living	79%*	94%
Skilled Nursing Care	86%	92%

<sup>\*</sup> McLean added 22 units during the year ended September 31, 2016, which affected the above calculated occupancy for 2016.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

In order to ensure observance of limitations and restrictions placed on the use of the resources available to McLean, the accounts are maintained on the accrual basis of accounting and, accordingly, the accounts of McLean are reported in the following net asset categories.

#### Unrestricted

Unrestricted net assets represent resources that may be expended at the direction of the Board of Directors. Net assets set aside by the Board of Directors for future capital improvements, over which the Board retains control and may, at its discretion, subsequently use for other purposes, are included in unrestricted net assets.

#### **Temporarily Restricted**

These assets represent resources that have donor-imposed restrictions as to purpose or time of expenditure. When the purpose or timing restrictions have been met, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restriction. Temporarily restricted net assets as of September 30, 2016 are restricted for time, capital projects and other resident assistance purposes. Details of temporarily restricted net assets are included in Note 7.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Financial statement areas where management applies the use of estimates consist primarily of the allowance for doubtful accounts, amortization of entrance fees, and valuation of the charitable remainder trust. It is management's opinion that the estimates applied in the accompanying financial statements are reasonable. However, actual results could differ from those estimates.

#### **Cash and Cash Equivalents**

McLean considers all short-term, highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. McLean maintains its cash and cash equivalents in bank deposit accounts that, at times, may exceed federally insured limits. McLean believes it is not exposed to any significant credit risk on cash and cash equivalents.

Cash equivalents are comprised of money market funds. Money market funds are not insured by the FDIC and are not a risk-free investment. Money market funds invest in a variety of instruments including mortgage-backed and asset backed securities. Although a money market fund seeks to preserve its one dollar per share value, it is possible that a money market fund's value can decrease below one dollar per share.

#### **Accounts Receivable**

Accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of accounts receivable, Mclean analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate an appropriate allowance for doubtful accounts and provision for bad debts based upon management's assessment of historical and expected net collections considering business and economic conditions, trends in health care coverage and other collection indicators. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts.

#### **Notes Receivable**

Notes receivable includes promissory notes entered into with CCRC residents in lieu of all or a portion of their entrance fees. These amounts are to be paid in full upon sale of the residents' real estate or a fixed date, whichever is earlier.

# **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

#### **NOTES TO FINANCIAL STATEMENTS**

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value in the accompanying statements of financial position with realized and unrealized gains and losses on these investments included in the accompanying statements of activities and changes in net assets as increases or decreases in unrestricted net assets.

At September 30, 2016, there was one investment with gross unrealized holding losses greater than one year of \$661,357.

McLean accounts for other-than-temporary impairments in accordance with GAAP and continually reviews its securities for impairment conditions, which could indicate that other-than-temporary declines in market value has occurred. In conducting this review, numerous factors are considered, which include specific information pertaining to an individual company or a particular industry, general market conditions that reflect prospects for the economy as a whole, and the ability and intent to hold securities until recovery. The carrying value of investments is reduced to its estimated realizable value if a decline in fair value is considered to be other-than-temporary. Management does not believe any of these investment declines are other-than-temporary and, therefore, McLean did not record an impairment charge for the years ended September 30, 2016 and 2015.

#### Assets Whose Use is Limited

Assets whose use is limited include assets restricted under State of Connecticut law governing CCRC entrance fee escrow arrangements and assets set aside for operating CCRC escrow and reserve funds.

#### **Charitable Remainder Trust**

Charitable remainder trust consists of assets irrevocably transferred for the benefit of McLean and other beneficiaries. Revocable charitable remainder trust agreements are not recorded as contributions unless enforceable by law. Irrevocable charitable remainder trusts are recorded as contributions at fair value when the assets are received or when McLean is notified of the existence of the agreement. The accounting treatment varies depending upon the type of the agreement created and whether McLean or a third party is the trustee.

McLean is the beneficiary of an irrevocable charitable remainder trust which is managed by a third party trustee. A charitable remainder trust provides for the payment of distributions to the grantor or other designated beneficiaries over the trust's term (usually the designated beneficiary's lifetime). At the end of the trust's term, the remaining assets are available for McLean's use.

The trusts are carried at the net fair value of the underlying investments less the estimated liability to the designated beneficiary. The portion of the trust attributable to the present value of the future benefits to be received by McLean is recognized in the statement of activities and changes in net assets as a temporarily restricted contribution in the period the trust is established.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **Property and Equipment**

Property and equipment are recorded at cost. Routine maintenance, repairs, renewals and replacement costs are charged against income. Expenditures in excess of \$2,000 that materially increase values, change capacities, or extend useful lives are capitalized. Upon sale or retirement of property, plant and equipment, the cost and related accumulated depreciation are eliminated from the respective accounts, and the resulting gain or loss is included in other income in the statements of activities and changes in net assets.

Depreciation of property and equipment is provided using the straight-line method over the estimated useful lives of the assets as follows:

Land improvements	5-30 years
Buildings	10-40 years
Fixed equipment	5-25 years
Movable equipment	5-20 years

Depreciation expense totaled \$1,648,511 and \$1,636,627 for the years ended September 30, 2016 and 2015, respectively.

#### **Asset Retirement Obligation**

McLean accounts for any conditional asset retirement obligations in accordance with the provisions of GAAP. GAAP requires that an entity recognize a liability for the fair value of conditional asset retirement obligations if the fair value of the liability can be reasonably estimated. The fair value of a liability for conditional asset retirement obligations must be recognized when incurred, generally upon acquisition, construction, development or through the normal operation of the asset. McLean conducted a review of its facilities to determine if there are any assets that give rise to the obligation to perform asset retirement activity, which may not be within its control, such as the remediation or removal of asbestos containing materials.

McLean has certain items in its buildings that it believes may contain asbestos. McLean currently has no plans to renovate the areas that contain these items or remove these items from service. However, McLean has determined what it believes to be a reasonable settlement date to retire these items in the event that such retirement is not within their control. The initial estimated current cost associated with the retirement of these items was determined to be \$52,000 and was recorded as an asset retirement obligation in other liabilities on the accompanying statements of financial position. For each of the years ended September 30, 2016 and 2015, the estimated current cost accreted amounted to \$2,919 and has been reflected in the statements of activities and changes in net assets.

#### **Revenue from Residents**

Upon occupancy of an independent living unit at McLean, residents pay an entrance fee, a portion of which is refundable and a portion of which is nonrefundable (see Note 6). The nonrefundable portion of the entrance fee is deferred and amortized into income over the estimated remaining lives of the individual residents as determined by McLean use of mortality tables.

Additionally, the residents of the independent living units pay a monthly fee to cover the services they receive. These resident service fees are recorded as revenue when earned.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **Health Center Patient Revenues**

Patient revenues are recorded when patient services are performed. Amounts received from certain payors are different from the established billing rates of McLean, and these differences are accounted for as contractual allowances. Net patient service revenues are reported at the estimated net realizable amount from patients, third-party payors and others for services rendered.

#### **Contributions**

Contributions are defined as voluntary, nonreciprocal transfers. Unrestricted and unconditional contributions are recognized as support when received or pledged, if applicable. Contributions are reported as temporarily restricted support if they are received with donor stipulations that limit the use of such assets. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions due to satisfaction of restrictions. Contributions received whose restrictions are met in the same period are presented with unrestricted net assets

#### **Other Unrestricted Revenues**

Other unrestricted revenues consists of charges for additional resident meals, guest meals, cable television, beauty salon services and other miscellaneous charges to residents.

#### **Income Taxes**

McLean is a not-for-profit trust described in Section 501(c)(3) of the Internal Revenue Code (the Code) and is exempt from federal income taxes pursuant to Section 501(a) of the Code.

#### Reclassifications

Certain amounts in the 2015 financial statements have been reclassified to conform to the current year presentation.

#### **Subsequent Events**

In preparing these financial statements, management has evaluated subsequent events through December 15, 2016, which represents the date the financial statements were available to be issued.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **NOTE 3 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

#### Level 1

Quoted market prices (unadjusted) in active markets for identical assets or liabilities that McLean has the ability to access at the measurement date.

#### Level 2

Inputs and information other than quoted market indices included in Level 1 that are observable for the asset or liability, either directly or indirectly, and McLean has the ability to redeem the asset or liability in the near term subsequent to the measurement date.

#### Level 3

Unobservable inputs are used to measure the fair value to the extent that observable inputs are not available, and McLean does not have the ability to redeem the asset or liability in the near term subsequent to the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### **Financial Instruments Measured at Fair Value**

The following is a description of the valuation methodologies and investment strategies used for financial instruments measured at fair value:

#### **Fixed Income**

Fixed income investments are valued using quoted market prices in an active market in which the securities are traded.

#### Equity

Equity funds are valued at the quoted net asset value of shares reported in the active market in which the funds are traded.

#### **Charitable Remainder Trust**

Fair value inputs used for charitable remainder trusts are based on the estimated present value of the future payment to McLean, which is considered to be the fair value of the assets held in trust less estimated future payments to the designated beneficiaries.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while McLean believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodologies used at September 30, 2016 and 2015.

### **NOTES TO FINANCIAL STATEMENTS**

The following is a summary of the source of fair value measurements for assets and liabilities that are measured at fair value as of September 30, 2016 and 2015:

	2016

### **NOTE 4 - NET PATIENT SERVICE REVENUES**

The following table summarizes net patient service revenues for the years ended September 30, 2016 and 2015:

		2016	= :	2015
Gross patient service revenues:				
Long-term care	\$	9,719,347	\$	11,869,684
Post acute care		5,129,910		4,802,378
Home health services		4,682,948		3,944,536
Independent living		4,436,340		4,229,272
Assisted living		5,253,989		4,159,518
Outpatient services		564,031		536,147
	•	29,786,565	-	29,541,535
Less contractual allowances		5,050,111		5,353,209
			-	
Total Net Patient Service Revenues	\$	24,736,454	\$	24,188,326

#### **NOTES TO FINANCIAL STATEMENTS**

McLean has agreements with third-party payors that provide for payments to McLean at amounts different from established rates. A summary of the payment arrangements with major third-party payors is as follows:

#### Medicare

Inpatient long-term care services rendered to Medicare program beneficiaries are paid based upon a per-diem prospective payment rate. Home care services rendered to Medicare program beneficiaries are paid based upon a 60-day episodic prospective payment rate.

#### Medicaid

Inpatient long-term care services rendered to Medicaid program beneficiaries are paid based upon a per-diem cost based payment rate which is subject to State audit adjustments. Home care services rendered to Medicaid program beneficiaries are paid based upon a per visit or per hour payment rate.

Revenue under third-party payor agreements is subject to audit and retroactive adjustments. Provisions for estimated third-party payor settlements and adjustments are estimated in the period in which the related services are rendered and adjusted in future periods as final settlements are determined. Management believes that all applicable government reimbursement principles have been properly applied and that no material adjustments will occur as a result of an audit.

During 2016 and 2015, approximately 32% and 28% of net patient revenue was received under the Medicare program and 17% and 20% under the Medicaid program, respectively. Significant concentrations of net patient receivables are 53% Medicare and 11% Medicaid as of September 30, 2016, and 70% Medicare and 23% Medicaid as of September 30, 2015.

#### **NOTE 5 - ASSETS WHOSE USE IS LIMITED**

Under Connecticut state law, McLean is required to maintain certain reserve funds as follows:

#### **Operation and Maintenance Account**

McLean is required to maintain one month's budgeted operating expenses in this account as described in Note 2.

#### **Entry Fee Proceeds Account**

McLean is required to deposit all entrance fees into the entry fee proceeds account as received. Upon the later of the expiration of the applicable statutory rights of the purchaser to rescind (30 days) or the date of occupancy, the balance in the account is available for operations.

The reserve funds are all included within assets whose use is limited on the statements of financial position.

#### **NOTES TO FINANCIAL STATEMENTS**

#### NOTE 6 - CCRC ENTRY FEES AND OBLIGATIONS TO PROVIDE FUTURE BENEFITS

Certain McLean residents are provided living accommodations, other facilities and services, and certain medical care in exchange for payment of entrance fees and monthly service charges. Residents can choose from refundable and nonrefundable agreements.

Under the terms of nonrefundable agreements, entrance fees are not refundable to residents who reside independently at McLean for more than fifty months. A resident who leaves prior to fifty months under this agreement is refunded a portion of their entrance fee, which declines approximately 2% per month for each month the unit was occupied. These entrance fees are recorded as deferred revenue upon receipt and amortized on a straight-line basis into revenue over the remaining estimated life expectancy of the individual resident. Upon termination of the agreement, the amount of any unamortized, nonrefundable entrance fee is recorded as revenue.

Under the terms of refundable agreements, portions of the entrance fees are fully refundable at a designated percentage. The entire amount of this designated refundable percentage is recorded as refundable entry fees on the statements of financial position. The remaining nonrefundable portion of the entrance fees are accounted for and amortized in line with the nonrefundable agreements. Entrance fee refunds due under these agreements but not paid as of year-end are recorded as current liabilities.

Based upon McLean's existing fee structure and management's expectation that future monthly service charges will be reflective of related operating costs, McLean is not required to record a liability for its obligation to provide future services and facilities to current residents. Based upon management's projections, McLean does not believe such a liability on its CCRC contracts exists at this time.

Prior to September 30, 2012, McLean capitalized \$275,000 of costs related to acquiring the initial CCRC contracts. These costs include wages and marketing costs directly related to acquiring these contracts and are being amortized on a straight-line basis over the average remaining residential life expectancies. These amounts are included in other noncurrent assets on the statements of financial position and represent \$164,977 and \$182,605 as of September 30, 2016 and 2015, respectively.

#### **NOTE 7 - TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets are available for the following purposes as of September 30, 2016 and 2015:

	_	2016	 2015
Capital projects Sorenson Media Center	\$	478,797 832,596	\$ 592,453 742,008
Healthcare services and other	_	490,177	 462,117
Total	\$ _	1,801,570	\$ 1,796,578

During the years ended September 30, 2016 and 2015, there were releases of \$69,108 and \$84,273, respectively, for the Sorenson Media Center and \$95,758 and \$34,591, respectively, for healthcare services and other.

#### **NOTES TO FINANCIAL STATEMENTS**

#### **NOTE 8 - EMPLOYEE BENEFIT PLAN**

McLean sponsors a 401(k) Retirement Savings Plan (the Plan) for its employees. The Plan is a defined contribution plan covering all salaried and hourly employees of McLean who elect to participate and have been scheduled to work 1,000 hours a year and have reached 20 years of age. Participants may contribute up to the Internal Revenue Service salary deferral limits. McLean contributes to the Plan on behalf of its qualified employees based on their wages once the employee has completed one year of service as defined.

McLean contributed \$845,879 and \$813,021 to the Plan for the years ended September 30, 2016 and 2015, respectively.

#### **NOTE 9 - HEALTHCARE INDUSTRY**

### **Regulatory Environment**

The healthcare industry is subject to numerous laws and regulations of federal, state and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government healthcare program participation requirements, reimbursement for patient services, and Medicare fraud and abuse. Government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by healthcare providers. Violations of these laws and regulations could result in expulsion from government healthcare programs together with the imposition of significant fines and penalties, as well as significant repayments for patient services previously billed. Management believes that McLean is in compliance with fraud and abuse regulations as well as other applicable government laws and regulations. While no material regulatory inquiries have been made, compliance with such laws and regulations can be subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time.

#### **NOTE 10 - FUNCTIONAL EXPENSES**

McLean's functional expenses are as follows for the years ended September 30, 2016 and 2015:

	-	2016	2015
Long-term care	\$	5,542,694	\$ 6,644,939
Home health services		3,790,663	3,564,797
Post-acute care		3,738,782	3,539,760
Independent living		2,495,095	2,446,810
Assisted living		4,183,297	3,045,471
General and administrative		3,830,395	4,004,415
Outpatient services		482,341	468,802
Development		148,808	222,387
Total	\$	24,212,075	\$ 23,937,381

#### **NOTES TO FINANCIAL STATEMENTS**

#### **NOTE 11 - RELATED PARTY TRANSACTIONS**

The Fund is an entity that holds investment assets used to support the subsidiaries of the Fund. The Fund provided McLean with contributions for programs that McLean provides. These contributions amounted to \$385,000 for each of the years ended September 30, 2016 and 2015. These contributions have been recorded within contributions received from related entities in the statements of activities and changes in net assets.

The Foundation is a nonprofit corporation whose purpose is to receive, maintain and apply funds to promote and engage in activities in furtherance of the public welfare, principally by supporting and assisting the Fund and its operating entities. McLean received contributions from the Foundation for general use. This support amounted to \$60,008 and \$59,996 for the years ended September 30, 2016 and 2015, respectively, and has been recorded within contributions received from related entities.

McLean has been reimbursed by the Refuge for expenses that have been paid on its behalf. This reimbursement amounted to \$175,556 and \$169,114 for the years ended September 30, 2016 and 2015, respectively, and has been recorded as a reduction to certain operating expenses in the statements of activities and changes in net assets.

#### **NOTE 12 - DEFERRED REVENUE**

McLean recognizes deferred revenues in relation to its private payor long-term care and assisted living businesses. In addition, McLean recognizes deferred revenues under its home health Medicare prospective payment system. As of September 30, 2016 and 2015, McLean recorded \$568,868 and \$472,031, respectively, in deferred revenue shown as a current liability.

#### **NOTE 13 - COMMITMENTS**

As of September 30, 2016, McLean incurred costs of \$136,825 related to a landscaping improvement project that is included in construction in progress. The total amount of the project was estimated to be \$532,134. The project was completed during October 2016.

### **Independent Auditors' Report on Supplementary Information**

To the Board of Directors McLean Affiliates, Inc. Simsbury, Connecticut

We have audited the financial statements of McLean Affiliates, Inc. (McLean), a subsidiary of the McLean Fund, as of and for the year ended September 30, 2016, and our report thereon dated December 15, 2016, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audit was conducted for the purpose of forming an opinion on the 2016 financial The supplemental detail of operating expenses for the year ended statements as a whole. September 30, 2016 is presented for the purposes of additional analysis and is not a required part of the 2016 financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2016 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2016 financial statements or to the 2016 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2016 information is fairly stated in all material respects in relation to the financial statements for the year ended September 30, 2016 as a whole.

The supplemental detail of operating expenses for the year ended September 30, 2015, which is the responsibility of management, is also presented for the purposes of additional analysis and is not a required part of the 2015 financial statements. We were not engaged as auditors for the year ended September 30, 2015 and the information has been marked as unaudited. Accordingly, we do not express and opinion or provide any assurance on it.

West Hartford, Connecticut December 15, 2016

Blum, Shapino + Company, P.C.
