THE SERVICES

The decision to move into a *LifeCare*® senior living community demands careful consideration of many factors, including the services to be provided. A description of the services provided by the Provider is attached as Exhibit B to this Disclosure Statement. Briefly, in accordance with the terms of the Essex Meadows Residency Agreement and in addition to providing a residence and community amenities for lifetime use by the Resident, the Provider provides the following services: (1) maintenance and cleaning of the common areas; (2) weekly housekeeping services and weekly flat laundry service; (3) full maintenance inside and out, including provided appliances in each Residence; (4) dining services for Residents and their guests; (5) planned activities; (6) security services; (7) scheduled local transportation services; (8) skilled nursing services in the Essex Meadows Health Center; (9) assisted living services in the Resident's residence; (10) emergency call monitoring and response; and (11) various administrative services. Also, additional services are available to the Residents for an extra charge, as outlined in the Residency Agreement.

Residents who do not require ongoing care in the Essex Meadows Health Center, but who need limited additional personal services to continue residing in their residences, may receive additional services through the Community's licensed Resident Health Services Program or through a licensed home care provider of the resident's choice. Services provided by an outside provider will be at the resident's expense. Some of the services furnished through Resident Health Services Program are included in the Monthly Fee, and other services are provided on a fee-for-service basis. The Residential Health Services Director will assist the resident in obtaining these services.

The Health Care Navigator ("Navigator") for health services will assist the Resident in obtaining personal care services from Health at Home or an outside agency of Resident's choice in accordance with Essex Meadows' Personal Service Provider Policy. At the Resident's direction, the Navigator may guide preventative wellness oriented services such as fitness and exercise activities, as well as healthy food choices. Other services may include: wellness screenings such as blood pressure checks, health fairs and life-long learning seminars geared to health and wellness. Should health care needs arise, the Navigator may support Residents with health and medical related services, such as assistance with physician appointments, emergency medical management, physician ordered on-site laboratory screenings, physical and other therapies, as well as private home health services designed to provide care in Resident's Residence during spells of illness or post hospitalization. The goal is to provide as much support as the Resident desires to promote wellness and to avoid admission to a more acute level of health care. If more acute care is needed, the Navigator will coordinate admitting details.

HEALTH CENTER

Essex Meadows has a Medicare-certified on-site Health Center licensed to provide short- and long-term rehabilitative and nursing care to Essex Meadows Residents under the licensure requirements of the State of Connecticut. Our philosophy is to foster an atmosphere and a culture that support independence, dignity, and choice for all Residents regardless of physical or mental abilities. This is achieved through a culture that enhances personal care based on individual choices and quality of life options.

Health Care Services are available to all Residents of Essex Meadows. Residents, under the direction of their attending physician and the Health Center's medical director (after consultation with the Resident's responsible party, if any, and Resident to the extent possible), may be directly admitted to the Essex Meadows Health Center from their Residences. Residents of Essex Meadows have priority access to the Essex Meadows Health Center over nonresidents desiring admission. Residents who are able to do so will be encouraged to return to their Residences as soon as possible. Residents who are unable to return to their residences, however, will have the benefit of care in the Essex Meadows Health Center

The Provider delivers to Residents quality Health Care Services within the limits of its license and consistent with the approved budget. Licensure for hospital-level care cannot be obtained, and hospital level services are not provided within the Essex Meadows Health Center. Such level of care must be provided by a hospital, and the costs related to hospitalization are the responsibility of the Resident.

For detailed information on Health Care Services, see Section 4 of the Residency Agreement.

MANAGED CARE

If a Resident has chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing care in the Essex Meadows Health Center are as follows:

1. If the Essex Meadows Health Center is a participating provider with the Resident's managed care program and the Resident's stay is a Medicare-qualified stay, Essex Meadows will accept, as full payment, reimbursement at the rate negotiated with the Resident's managed care program. The Resident will continue to pay the Monthly Fee for the residence as provided under the terms of the Residency Agreement. Such a managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that the Resident is eligible to receive without additional charge pursuant to the Residency Agreement.

2. If the Essex Meadows Health Center is not a participating provider with the Resident's managed care program and the Resident chooses to receive health care services at a managed care participating provider during a Medicare-qualified stay, then the

Resident must relocate for as long as necessary for those services, and be responsible for all charges for those health care services. In addition, while receiving health care services at the managed care participating provider, the Resident will continue to pay the Monthly Fee for the residence as provided under the terms of the Residency Agreement. Such a Medicare-qualified stay at a managed care participating provider will not reduce the number of cumulative days of care that the Resident is eligible to receive without additional charge pursuant to the Residency Agreement.

3. If the Essex Meadows Health Center is not a participating provider in the Resident's managed care program and Resident would still like to receive care in the Essex Meadows Health Center during a Medicare-qualified stay, Essex Meadows will attempt to negotiate an acceptable reimbursement rate with the Resident's managed care program. If Essex Meadows is able to negotiate an acceptable rate, Essex Meadows agrees to accept, as full payment, the rate provided by the Resident's managed care program. The Resident will continue to pay the Monthly Fee for the residence as provided under the terms of the Residency Agreement. Such a managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that the Resident is eligible to receive without additional charge pursuant to the Residency Agreement.

4. If the Essex Meadows Health Center is not a participating provider in the Resident's managed care program and a negotiated rate is not agreed upon and the Resident would still like to receive care in the Essex Meadows Health Center during a Medicare-qualified stay, then each day of the Resident's stay in the Essex Meadows Health Center will reduce by one day the number of cumulative days of care that the Resident is eligible to receive without additional charge pursuant to the Residency Agreement. The Resident will continue to pay the Monthly Fee for the residence and any extra charges for services beyond basic nursing care as provided under the terms of the Residency Agreement. If at any time during any such Medicare-qualified stay in the Essex Meadows Health Center Resident is no longer eligible to receive any of the cumulative days of care provided for in the Residency Agreement, then the Resident will pay the full per diem charge for each day of the Resident's stay in the Essex Meadows Health Center, the Monthly Fee for the residence and any extra charges for services not covered by the per diem charge as outlined in the Residency Agreement.

5. At the conclusion of each such Medicare-qualified stay, the Resident will be entitled to care in the Essex Meadows Health Center in accordance with the terms of the Residency Agreement other than as provided above.

CONTRACTS AND FEES

Life Care Services is the day-to-day manager of Essex Meadows and is paid a management fee for management of the Community pursuant to a management agreement between the Provider and Life Care Services. Life Care Services will also be entitled to reimbursement of certain costs incurred by it in connection with providing management services, including reimbursement of on-site Life Care Services staff salaries.

III. THE PROPOSAL

THE LIFE CARE CONCEPT

The *LifeCare*® concept ensures an individual lifetime use of a residence, support services, and long-term nursing care in an on-site Health Center. This concept has grown as an increasing number of men and women reaching retirement age have sought better alternatives to traditional retirement living. Essex Meadows offers a continuum of services all under one roof so that a Resident will be able to remain an involved member of his/her chosen community even if the Resident health needs change.

There are also numerous financial benefits to being a Resident of a *LifeCare*® community:

- There is no ceiling on the Resident's skilled nursing benefit and Resident enjoys coverage for life.
- For skilled nursing care, Resident will continue to pay essentially the same Monthly Fee as if living in a two-bedroom deluxe apartment (Flex Plan Resident's also pay an additional supplemental charge).
- With our Return-of-Capital® Plan, Resident has the comfort of knowing that a significant portion of his/her initial investment is refundable to the Resident or his/her estate.
- The Flex Plan maximizes Resident's choice and flexibility when it comes to retirement planning. The Flex Plan allows for a reduction in the amount paid for the Entrance Payment. While there is no Return-of-Capital® to a Resident's estate, the Resident has the flexibility to continue to control his/her assets and invest the Entrance Payment savings as he/she wishes.

THE RETURN-OF-CAPITAL® PLAN

Under the Return-of-Capital® Plan Residency Agreement, a Resident pays a First Person Fee, a Second Person Fee if there are two people, and makes a Loan (collectively the "Entrance Payment"). The Loan constitutes a significant portion of the Entrance Payment and is repayable upon cancellation of the Return-of-Capital® Plan Residency Agreement. If a Resident dies or decides to leave Essex Meadows, the full amount of the Loan is repayable to the Resident or Resident's estate pursuant to the Loan Agreement. The First and Second Person Fees may be used by us for any purpose related or unrelated to Essex Meadows.

The Return-of-Capital® Plan Residency Agreement is attached hereto as Exhibit C. We reserve the right to offer new prospective residents alternative forms of residency agreements from time to time.

THE FLEX PLAN

The Flex Plan Residency Agreement is designed to offer choice and flexibility in retirement planning. A Resident will pay a lesser Entrance Payment – currently 35 percent less than the First Person Fee under the Return-of-Capital® Plan plus a Second Person Fee if there are two people. The Resident has the flexibility to invest this 35 percent savings as he or she wishes. After occupancy, the Entrance Payment paid under the Flex Plan Residency Agreement will reduce by the following: (i) 4 percent of the total Entrance Payment is retained as a processing fee; and (ii) 2 percent of the total Entrance Payment per month of occupancy until the Entrance Payment is fully earned by us.

The Flex Plan Residency Agreement is attached hereto as Exhibit D. We reserve the right to offer new prospective residents alternative forms of residency agreements from time to time.

SUMMARY OF RESIDENCY AGREEMENTS

Upon deciding to become a Resident of Essex Meadows, a future Resident executes a Residency Agreement to reserve the residence selected. The description of the Residency Agreement and the terms of residency contained in this booklet are qualified by reference to the applicable Residency Agreement. The payment terms and conditions for residency under the Residency Agreements are summarized below:

Return-of-Capital® Plan:

1. Entrance Payment under the Return-of-Capital® Plan. The term "Entrance Payment" used throughout the Return-of-Capital® Plan Residency Agreement refers to the sum of two separate payments: the First Person Fee and the Loan as described in Paragraphs 2 and 3 below.
2. Payment of the First Person Fee and Second Person Fee under the Return-of-Capital® Plan. At the time the Return-of-Capital® Plan Residency Agreement is executed by the Resident, he or she is required to pay a portion of the required First Person Fee in an amount equal to 10 percent of the total Entrance Payment, which will be held in escrow until released to us. If there are two Residents, a Second Person Fee will be paid. The balance of the First Person Fee and the Second Person Fee, if applicable, is due to be paid to us upon the earlier of (i) occupancy; or (ii) 60 days following the date we approve the Residency Agreement.
3. Refund of First Person Fee and Second Person Fee under the Return-of-Capital® Plan. The First Person Fee is fully refundable prior to occupancy if (i) we do not accept a Resident's application for residency; (ii) the Resident cancels the Residency Agreement within the 30 day right-of-rescission period; or (iii) due to death, illness, injury or incapacity the Resident is unable to occupy his or her residence. In all other cases of cancellation prior to occupancy, we will retain a processing fee equal to \$5,000 and any costs specifically incurred by us at Resident's request. We will refund the remaining balance, without interest, to the Resident (or his/her estate) within 60 days. After

occupancy, we will refund a declining portion of the First Person Fee based on the period of Resident's occupancy.

After occupancy, the Second Person Fee is not repayable. Any non-repayable First Person Fee or Second Person Fee may be used by the Provider for any purpose related or unrelated to Essex Meadows.

4. Payment of a Loan under the Return-of-Capital® Plan. A Resident will be required to make a Loan to the Provider on the earlier of (i) occupancy the date the Resident moves into Essex Meadows; or (ii) 60 days following the date we approve the Residency Agreement.
5. Loan Repayment. In the event of Resident's death (or the death of the remaining Resident if there are two of you) or in the event of cancellation of the Return-of-Capital® Plan Residency Agreement (cancellation by both Residents if there are two Residents), the Loan shall become due and payable in full upon the date we receive the next Entrance Payment (First Person Fee plus Loan) for the Resident's residence. However, in no event shall such date be more than 36 months from the date the Resident's residence is released to us for reoccupancy.

In the event the residence is reoccupied by an existing Resident of Essex Meadows who transfers from another apartment/cottage, the Loan shall be due and payable upon the date we receive the Entrance Payment (First Person Fee plus Loan) for the apartment/cottage vacated by the existing Resident who transferred to the Resident's residence. If more than one internal transfer of existing Residents occurs, repayment of the Loan will be tied to the last vacated apartment/cottage. However, in no event shall such date be more than 36 months from the date the Resident's residence is released to us for reoccupancy.

If there is one Resident under the Return-of-Capital® Plan Residency Agreement, we will repay the Loan to that Resident or his/her estate (or to whomever that Resident has assigned his/her rights to repayment). If there are two Residents (either through initial residency at Essex Meadows or through a subsequent amendment to the Residency Agreement wherein a second person is added to the Residency Agreement after initial residency in accordance with Essex Meadows' residency policy and with our express written approval), we will repay the Loan to the last remaining Resident or the last remaining Resident's estate (or to whomever the last remaining Resident assigned his/her rights to repayment). We will not repay the Loan while a second Resident is occupying Essex Meadows.

Flex Plan:

1. Entrance Payment and Second Person Fee under the Flex Plan. The Resident is required to pay an Entrance Payment in two installments – a 10 percent deposit is due at the time the Resident enters into the Residency Agreement and the remaining balance is due on the earlier of (i) occupancy; or (ii) 60 days following the date of we approve the Residency Agreement. If there are two Residents, a Second Person Fee will be paid on the earlier of (i) occupancy; or (ii) 60 days following the date of we approve the Residency Agreement.

2. Refund of the Entrance Payment and Second Person Fee under the Flex Plan. The Entrance Payment deposit is fully refundable prior to occupancy if (i) we do not accept a Resident's application for residency; (ii) the Resident cancels the Residency Agreement within the 30 day right-of-rescission period; or (iii) due to death, illness, injury or incapacity the Resident is unable to occupy his or her residence. In all other cases of cancellation prior to occupancy, we will retain a processing fee equal to \$5,000 and any costs specifically incurred by us at Resident's request. We will refund the remaining balance, without interest, to the Resident (or his/her estate) within 60 days.

After occupancy, we will retain 4 percent of the Entrance Payment as a processing fee plus 2 percent of the Entrance Payment for each month of occupancy, until the full amount of the Entrance Payment has been earned by us. The balance, if any, will be refunded to the Resident or his/her estate within 60 days after cancellation or death of the remaining Resident. Refund of your Entrance Payment, if any, will not occur while your furniture and other property are in the Residence.

If there is one Resident under the Residency Agreement, we will refund the unearned portion of the Entrance Payment, if any, to that Resident or his/her estate (or to whomever that Resident has assigned his/her rights to repayment). If there are two Residents (either through initial residency at Essex Meadows or through a subsequent amendment to the Residency Agreement wherein a second person is added to the Residency Agreement after initial residency in accordance with Essex Meadows' residency policy and with our express written approval), we will refund the unearned portion of the Entrance Payment, if any, to the last remaining Resident or the last remaining Resident's estate (or to whomever the last remaining Resident assigned his/her rights to repayment). We will not refund the unearned portion of the Entrance Payment, if any, while a second Resident is occupying Essex Meadows.

After occupancy, the Second Person Fee is not repayable. Any non-repayable Entrance Payment or Second Person Fee may be used by the Provider for any purpose related or unrelated to Essex Meadows.

Both Return-of-Capital® Plan and Flex Plan:

1. Payment of a Monthly Fee. A Resident is required to pay a Monthly Fee (and a second person Monthly Fee if there are two Residents) to us in order to live at Essex Meadows. Monthly Fees may be adjusted upon 30 days' advance written notice to Residents. The amount of the Monthly Fee (and second person Monthly Fee, if applicable) will be reflected in the Residency Agreement. See Section 6 of the Residency Agreements for more detailed information.
2. Payment of a One-Time Community Fee. A Resident is required to pay a one-time Community Fee to us on the earlier of (i) occupancy; or (ii) 60 days following the date we approve the Residency Agreement. The Community Fee is non-repayable.
3. Miscellaneous Additional Services and Charges. Section 2 of the Residency Agreements describes certain items available for an extra charge. We will give Residents advance

written notice of not less than 30 days before any changes in ancillary charges are implemented.

4. Charges for Health Care Services in the Essex Meadows Health Center. Section 4 of the Residency Agreements establishes the basis for charges for health care services in the Essex Meadows Health Center. In general, the first 90 days of care in the Health Center will be provided without additional charge (other than the charges two additional meals per day and ancillary items). After 90 days of accumulated care, the charges care in the Health Center will depend upon whether the Resident releases his/her residence and the type of Residency Agreement the Resident selected.
5. Acceptance for Residency. Residency Agreements are subject to acceptance by us. The Resident must be capable of residential living, with or without reasonable accommodations or reasonable modifications, and meet the health criteria as set forth in our current residency policy. After full payment of the Entrance Payment and Second Person Fee (if applicable), the Resident must have sufficient financial resources for payment of all monthly charges, plus other personal expenses which may reasonably be expected, and to meet anticipated increases in the cost of living, including increases in the Monthly Fee.
6. Right-of-Rescission. The Residency Agreement may be rescinded by the Resident by giving us and the escrow agent written notice within 30 days from the date of Resident's execution. In such event, the amount of the Entrance Payment deposit paid by the Resident will be returned in full, without interest, less those costs specifically incurred by us at the Resident's request and described in an addendum to the Residency Agreement signed by the Resident and us.
7. Escrow. During the right of rescission period and until the residence selected by the Resident is available for occupancy, any portion of the Entrance Payment paid by the Resident is required by state law to be held in an escrow account.
8. Financial Assistance. In cases where a Resident's financial resources prove inadequate, the Resident may apply for special financial consideration by the Provider. It is the policy of the Provider not to require a Resident to leave Essex Meadows because of justifiable inability to pay the full Monthly Fees or Health Center charges as long as it does not impair the Provider's ability to operate on a sound financial basis. If this occurs, any deferred charges will be offset against any repayment due the Resident. The circumstances under which a Resident will be allowed to remain at Essex Meadows in the event of financial difficulty are set forth in Section 9.2 of the Residency Agreement. Further, when the Resident initially applies for residency, the Resident agrees to maintain throughout his or her residency the minimum level of assets and income that initially qualified him or her for residency.

FEE SCHEDULES

Historical Entrance Payments and Monthly Fees are included as Exhibit G to this Disclosure Statement. Current Entrance Payments, Monthly Fees and Extra Charges are included as Exhibit H to this Disclosure Statement.

ESTATE PLANNING

The Loan repayment under the Return-of-Capital® Plan or Entrance Payment refund under the Flex Plan is payable to the Resident's estate upon the death of the Resident, or in the case of a double-occupied residence, upon the death of the remaining Resident to the remaining Resident's estate. A Resident who does not wish to have his/her estate receive this refund may choose to assign his or her right to repayment to a trust or other person designated by the Resident pursuant to a form of Assignment approved by us. No other rights under the Residency Agreement are assignable.

If there is one Resident under the Residency Agreement, the Loan repayment or the Entrance Payment refund will be repaid to that Resident or his/her estate (or to whomever that Resident has assigned his/her rights to repayment). If there are two Residents (either through initial residency at Essex Meadows or through a subsequent amendment to the Residency Agreement wherein a second person is added to the Residency Agreement after initial residency in accordance with Essex Meadows' residency policy and with our express written approval), the Loan repayment or the Entrance Payment refund will be repaid to the last remaining Resident or the last remaining Resident's estate (or to whomever the last remaining Resident assigned his/her rights to repayment). The Loan repayment or the Entrance Payment refund will not be repaid while a second Resident is occupying Essex Meadows.

IV. FINANCIAL STATEMENTS AND PROJECTIONS

AUDITED FINANCIAL STATEMENTS

The fiscal year end of the Provider is December 31. LCS Essex Meadows LLC was formed in May 2018. Audited financial statements for the Provider covering the last two fiscal years are not available.

FINANCING

Long term financing for Essex Meadows is provided for by a loan with an original balance of \$12.265 million, secured by a first mortgage and security agreement on the real and personal property of, and the revenues generated by the Provider. The financing is structured as a 5-year floating rate transaction; however, shortly after closing on the loan, a terminable interest rate swap was executed to provide for a fixed interest rate of 5.16% during the loan term. The loan structure also includes a two-year extension option, as well as a single financial covenant – debt service coverage ratio. Under the loan agreement, payments due during the loan term will be interest only.

PROVIDER'S COMPENSATION

The Provider's compensation for the risks of ownership of Essex Meadows is comprised of the First Person Fees, the Second Person Fees (if applicable), the Loans (subject to the Provider's obligation to repay the Loans under the Return-of-Capital® Plan Residency Agreement), the potential appreciation of Essex Meadows, and the tax benefits generally associated with the ownership of real estate. The Provider may make distributions to its Member to the extent there is excess cash. In order to maximize the appreciation of Essex Meadows, there must be substantial future demand for its accommodations and services. This demand will, in part, be dependent upon maintaining viable, competitive Monthly Fees in connection with providing Residents services and amenities at Essex Meadows.

Investment decisions are made with an expectation of reasonable return while maintaining the security of the funds.

TAX DISCUSSION AND MEDICAL EXPENSE DEDUCTION

The signing of the Residency Agreement and payment of the First Person Fee and Monthly Fee gives rise to certain unique tax considerations. Each Resident is advised to consult with his/her personal tax advisor regarding the tax considerations associated with becoming a Resident of Essex Meadows.

A Resident of Essex Meadows may be allowed tax benefits associated with his or her residency. A portion of the Entrance Payment and on-going Monthly Fees paid by a Resident may be taken as a medical expense deduction. Each year, the Provider will issue a letter to the Residents stating the portion of the prior year's fees that have been determined to be attributable to the health related expenses at Essex Meadows.

All deductions are, of course, subject to limitations imposed by the Internal Revenue Code of 1986, as amended. It is advisable that the Residents seek the advice of their tax counsel before taking deductions.

The Provider is not a tax advisor and disclaims any responsibility for any tax advice relating to becoming a Resident of Essex Meadows.

DESCRIPTION OF THE SERVICES

The services provided by Essex Meadows to Residents are listed in the Residency Agreement, which governs all such obligations. In an attempt to more fully explain the nature of these services, the following detailed description has been prepared. The procedures to be followed in furnishing these services may be modified by us in consultation with Essex Meadows' Association of Residents.

Included in Exhibit H to this Disclosure Statement is a list of ancillary charges for any additional items described herein.

Additional Services

Additional services are provided to Residents for an extra charge billed monthly. Such services include, but are not limited to: guest accommodations (with a seven-day limit on usage), guest meals, beauty/barber shop services, additional Resident meals, additional housekeeping, personal laundry service, and such other reasonable services as requested.

Beauty and Barber Shop

Beauty and barber shop services are available at additional charge.

Community Life Services

The Community Life Services Director is responsible for fitness programming, scheduling group events and transportation, creating newsletters, and overseeing the arts, crafts, and other activities in the Residential portion of Essex Meadows.

Dining Services

Residents are provided with one meal each day, which may be taken at any scheduled time during the month in our elegant dining room or casual sun room and pub. Guest meals are also available at an extra charge. Unused monthly meal credits may be applied against guest meals served during the same calendar month. Any meals taken beyond the monthly meal credit will be added to the Resident's monthly billing statement.

There are three dining venues available at Essex Meadows:

- **Formal Dining Room:** This dining venue is typical restaurant-style dining, offering three to six course meals, depending on the Resident's desires. The items served include soup, salad, and choice of multiple entrees, starch, vegetable, beverage, and dessert options. Main entrees are the same at lunch and at dinner.
- **The Pub:** This dining venue is a more casual environment. Coffee, tea and soft drinks are available throughout the day. Pastries are set out in the morning, and, during lunch, a pub menu of specialty sandwiches, soups, and salads is offered. The Pub is a comfortable place to gather before dinner to enjoy "Happy Hour" entertainment, or to simply stay and enjoy ordering from the evening Pub menu.
- **The Sun Room:** A bright, sunny room located off the main dining area. It offers a more relaxed atmosphere to enjoy the dining room menu.

No matter the venue, Residents must dress and conduct themselves in a socially acceptable manner.

Modified diet consultation is provided to Residents by the dietary department when a modified diet has been ordered by a Resident's physician. The services of the dietitian are available to the Residents to provide special diet meal plans.

To-Go meals are available during meal times. We will package any menu items and make them available for pick-up at no additional fee. Meal delivery service is also available for an extra charge.

Health Center

A physician has been retained on a consulting basis to act as the medical director of Essex Meadows Health Center. The medical director will be responsible for medical supervision of Essex Meadows Health Center operations, quality of care assurance, and Resident care planning. The medical director may also be called upon by Community staff to assist in determination of a Resident's health and whether or not the Resident requires additional care in the Essex Meadows Health Center.

If a Resident requires health care services, he or she may be transferred directly to the Essex Meadows Health Center from his/her residence if hospital care is not needed. The Resident's attending physician or Essex Meadows' medical director will determine the appropriate level of care required by the Resident upon admission to the Essex Meadows Health Center. Essex Meadows' nursing staff will provide an appropriate plan of care, the ultimate goal of which will be, if at all possible, to return the Resident to his or her residence as soon as possible.

The Essex Meadows Health Center will be staffed to provide quality care to Residents of Essex Meadows and to non-residents admitted from the surrounding area. If a Resident desires special additional nursing staff while a patient in the Essex Meadows Health Center, arrangements may be made through the Essex Meadows Health Center at additional cost to the Resident.

Both private and semi-private accommodations are available in the Essex Meadows Health Center, and based on availability, the Resident may choose between private and semi-private accommodations. There is an additional charge for private accommodations as outlined in the Residency Agreement. In our sole discretion, if the private room in which a Resident is residing is needed for semiprivate use, Resident will be required to reside in a semiprivate room until a private room is once again available (unless a private room is medically necessary). Care in Essex Meadows Health Center includes basic nursing care provided in accordance with the laws and regulations governing skilled nursing facilities.

The Resident is responsible for the charges for services provided by his or her attending physician and/or the medical director. In the event a Resident's attending physician or medical director orders medication, therapy, or various supplemental services for a Resident's care, the Resident will be responsible for the extra charges for such services and supplies. Because the Monthly Fee includes only one meal per day, the cost of two additional meals per day will be added to a Resident's monthly billing statement during his or her stay in the Essex Meadows Health Center.

In the event Essex Meadows Health Center is fully occupied, we will place the Resident in an alternate facility of comparable skilled level, and the Resident will pay the same monthly charges to us as if he or she were a patient in Essex Meadows Health Center.

Family, friends, and volunteers are encouraged to visit the Resident. Friends, relatives, or spouses may take meals with Essex Meadows Health Center Residents upon advance notice.

Health Care Center Permanent Assignment

When a Resident's condition is expected to continue to require the services of the Essex Meadows Health Center, the Resident has a choice as to when to give up his/her residence. Residents of Essex Meadows are provided up to 90 cumulative days of care in the Essex Meadows Health Center at no additional cost, other than for the two additional meals per day and for physician services and ancillary items. After 90 cumulative days of care, the Resident's monthly charges depend upon whether the residence is released as explained below:

(a) In the case of a single-occupied residence, if a Resident chooses to release his or her residence, the Monthly Fee for the residence will cease and the Resident will pay the then-current Monthly Fee for the two-bedroom deluxe apartment, plus extra charges for two additional meals, physician services, and ancillary items. Under the Flex Plan Residency Agreement, the Resident will also pay a supplemental charge, which is outlined in Section 4.17 of the Flex Plan Residency Agreement. There is an additional charge for private accommodations.

(b) In the case of a single-occupied residence, if a Resident chooses to keep his or her residence, the Resident will continue to pay the Monthly Fee for the residence. In addition, the Resident will pay a monthly charge for health care services equal to the then-current Monthly Fee for the two-bedroom deluxe apartment, plus the extra charge for one meal per day not covered by the two Monthly Fees, physician services, and ancillary items. Under the Flex Plan Residency Agreement, the Resident will also pay a supplemental charge, which is outlined in Section 4.17 of the Flex Plan Residency Agreement. There is an additional charge for private accommodations.

(c) In the case of a double-occupied residence, if only one of the Residents requires health care services beyond the 90 days, that Resident will pay the then-current first person Monthly Fee for the two-bedroom deluxe apartment and the cost of extra meals per day, physician services, and ancillary items. The Resident who has remained in the residence will continue to pay the first-person Monthly Fee for the residence. Under the Flex Plan Residency Agreement, the Essex Meadows Health Center Resident will also pay a supplemental charge, which is outlined in Section 4.17 of the Flex Plan Residency Agreement. There is an additional charge for private accommodations.

(d) In the case of a double-occupied residence, if both Residents require health care services beyond the 90 days and the Residents choose to release their residence, the Monthly Fee for their residence (first and second person) will cease. They will each pay the then-current first person Monthly Fee for the two-bedroom deluxe apartment, plus the extra charges for the extra meals per day, physician services, and ancillary items. Under the Flex Plan Residency Agreement, each Resident will also pay a supplemental charge,

which is outlined in Section 4.17 of the Flex Plan Residency Agreement. There is an additional charge for private accommodations.

(e) In the case of a double-occupied residence, if both Residents require health care services beyond the 90 days and the Residents choose to keep their residence, they will continue to pay the monthly charges for the residence. In addition, each Resident will pay a monthly charge for health care services in an amount equal to the then-current first-person Monthly Fee for the two-bedroom deluxe apartment, plus the extra charges for extra meals per day, physician services, and ancillary items. Under the Flex Plan Residency Agreement, each Resident will also pay a supplemental charge, which is outlined in Section 4.17 of the Flex Plan Residency Agreement. There is an additional charge for private accommodations.

Laundry

We provide weekly flat laundry service, including washing, drying, folding, and returning Residents' flat laundry within a specified time. This service includes the following items: sheets, pillowcases, towels, facecloths, and dishcloths. Although the use of permanent-press linen is strongly recommended, the staff will launder nonpermanent-press items, but will not iron flat laundry. Personal laundry service is also available for an additional charge.

Maintenance

We maintain all buildings, grounds, and common areas and also provide weekly housekeeping services in the residences. Housekeeping services include cleaning, dusting, and vacuuming the interior of the residence; washing of hard surface floors; and cleaning of ovens and windows (as needed). Furniture is moved at least once a year for cleaning hard-to-reach areas. - Extra maintenance and cleaning help is available at additional charge.

Monthly Billing Statement

A monthly billing statement outlining the Monthly Fee and any extra charges will be placed in the Resident's mailbox or other appropriate place on or about the fifth day of the month. Monthly billing statements are required to be paid by the tenth business day of each month.

Resident Health Services Program

Essex Meadows offers additional personal services to Residents through its licensed Resident Health Services Program. The purpose of this program is to provide assistance to Residents should the need arise, so that living in a residence can continue for as long as possible. Resident health services include bathing, dressing, additional housekeeping, shopping, escort, and laundry. Some Resident health services are available as part of the Monthly Fee while other Resident health services are available for an additional charge. We reserve the right to add, delete, or modify such additional services from time to time.

Parking

Surface parking is provided for each apartment. In addition, garages are available to Residents on a first-come, first-served basis for an additional monthly fee. Each cottage has a two-car attached garage.

Pets

Essex Meadows is one of a few *LifeCare*® retirement communities that permit pets. The following pet policy has been adopted by Essex Meadows:

(a) The privilege of keeping pets is subordinate to the rights of all Residents of Essex Meadows to be free from any inconvenience created by other Residents' pets. Pet owners will pay the costs of maintaining all programs associated with pet policies and agreements.

(b) Pets are permitted in the residences provided the Resident signs a separate pet agreement. The Resident is required to pay a \$1,000 deposit to us. Any interest earned on the deposit will remain our property.

(c) The maintenance of a pet at Essex Meadows is a revocable privilege, subject to administrative approval and evaluation of the suitability of a pet. The Executive Director's permission or denial to keep a pet in the Resident's residence shall be final. The animal must be spayed/neutered, or silenced if the Administrator determines that it is necessary to protect the rights of other Residents.

(d) The Resident shall be responsible for keeping the pet properly restrained and for cleaning up after the pet. The Resident shall make arrangements for the care and treatment of the pet in the event of the Resident's death or inability to care for the pet, and shall notify Essex Meadows of such arrangements. The Resident will restrict pet access to those areas designated as areas allowing pets.

(e) No additional or replacement pet will be permitted without prior approval of the Executive Director.

(f) In order to protect the Residents of Essex Meadows, this policy will be subject to revision from time to time.

Prescription Service

Delivery service from various pharmacies is provided for the Residents' convenience.

Private Dining Room

A private dining room is available for use by Residents and their guests. Special meals, if desired, are available for an additional charge. Advance reservations are required.

Receptionist

A receptionist is on duty from approximately 8:30 a.m. to 7:30 p.m., seven days a week. Additional hours may be scheduled depending on the needs of the Residents and staff. All payments of monthly billing statements, as well as maintenance orders and messages, are handled at the reception desk.

Security

Security personnel are provided at Essex Meadows. For the Residents' added safety, all entrance and exit doors (except the main entrance and employee entrance during the day) are locked 24 hours a day, requiring the Residents to use an electronic device to gain entrance.

Telephone Service

Each residence has live jacks in various locations. Actual telephone service is at the Resident's expense.

Transportation

Scheduled bus or other transportation services are provided during the week. Areas of regularly scheduled transportation generally include shopping centers and medical and other professional offices. Special events transportation may be provided at extra cost to the Resident

If there are two of you under this Agreement and one of you dies or relocates to the Health Center, or for some other reason is unable to occupy the Residence, the remaining person may continue to occupy the Residence under the terms of this Agreement. If it is determined that you require hospitalization, we will assist in the coordination of your transfer to an appropriate hospital. Community staff will not accompany a resident to the hospital.

4. ESSEX MEADOWS HEALTH CENTER. We will provide rehabilitative care and skilled nursing care in the Essex Meadows Health Center. These services will collectively be known as "Health Care Services."

4.1 Health Care Services. If, in the opinion of your attending physician or the Medical Director (after consultation with you to the extent possible and your responsible party, if any), you require Health Care Services in the Essex Meadows Health Center, we will provide such care as outlined in this Section 4 and to the extent authorized by a license issued to us from the Connecticut Department of Public Health. Both private and semi-private accommodations are available in the Health Center. Based on availability, you may choose between private and semi-private accommodations. There is an additional charge for private accommodations as outlined in Section 4.5 below.

4.2 First 90 Days of Health Care Services. Health Care Services will be provided by us in the Essex Meadows Health Center without Extra Charge (except for an additional charge for private accommodations as outlined in Section 4.5 below) for 90 cumulative days for you (90 days for each of you if there are two of you, but the allowance for one Resident cannot be used by the other). You will also pay the charges for the meals in excess of the one meal per day per Resident at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. If your stay in the Health Center is fully covered as a Medicare-qualified stay, the 90 cumulative days of credit offered per Resident in this Section will not take effect until the termination of your Medicare-qualified stay. While in the Essex Meadows Health Center, the Monthly Fee for your Residence will continue as before. Further, whether you release or retain your Residence while you are in the Health Center, you will not be entitled to repayment of your Loan. [NOTE: The 90 cumulative days without Extra Charge is the total number of days allowed

per Resident during your lifetime for a combined total for Health Care Services in the Essex Meadows Health Center. After the 90 cumulative days are exhausted, your care will be in accordance with Section 4.3 when there is one of you and Section 4.4 when there are two of you.]

[NOTE: Section 4.3 only applies when there is one of you.]

4.3 More Than 90 Days of Health Care Services When There is One of You. If you require Health Care Services beyond the 90 cumulative days, charges for care will depend upon whether you choose to release or retain your Residence:

4.3.1 Release Residence When There is One of You. If you choose to release your Residence for occupancy by someone else, you must provide us with 30 days' advance written notice of your intent to release your Residence. You are obligated to pay the Monthly Fee during this 30-day notice period. Further, the Monthly Fee for your Residence will continue until the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of the decision to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate. Charges for your care in the Health Center will be equal to the then-current Monthly Fee for the two-bedroom deluxe apartment. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

We have the right to remarket your Residence to others for reoccupancy during your 30-day notice period described above and during your stay in the Essex Meadows Health Center. We will place your Residence in our inventory available to prospective residents. We will attempt to provide you with advance notice of any showing as is feasible; however, we are not required to do so.

4.3.2 Retain Residence When There is One of You. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. You will also pay the charges for Health Care Services, which will be equal to the then-current Monthly Fee for the two-bedroom deluxe apartment. In addition, you will pay the meal charges in excess of the one meal per day at the then current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

[NOTE: Section 4.4 only applies when there are two of you.]

4.4 More Than 90 Days of Health Care Services When There Are Two of You. If there are two of you, and only one of you requires Health Care Services beyond the 90 cumulative days, you will pay the charges for your care in the Essex Meadows Health Center, which will be equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. The first person Monthly Fee for the Residence will continue for the person residing in the Residence. If both of you require Health Care Services beyond the 90 cumulative days, charges for you and the second Resident's care in the Essex Meadows Health Center will depend upon whether you choose to release or retain your Residence:

4.4.1 Release Residence When Two of You Need Health Care Services. If you choose to release your Residence for occupancy by someone else, you must provide us with 30 days' advance written notice of your intent to release your Residence. You are obligated to pay the first and second person Monthly Fee during this 30-day notice period. Further, the first and second person Monthly Fees for your Residence will continue until the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of the decision to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate. Each of you will pay a monthly charge for Health Care Services in an amount equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

We have the right to remarket your Residence to others for reoccupancy during your 30-day notice period described above and during your stay in the Essex Meadows Health Center. We will place your Residence in our inventory available to prospective residents. We will attempt to provide you with advance notice of any showing as is feasible; however, we are not required to do so.

4.4.2 Retain Residence When Two of You Need Health Care Services. If you choose to retain your Residence, the then-current first and second person Monthly Fees for your Residence will continue. Each of you will pay a monthly charge for Health Care Services in an amount equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment. In addition, you will

pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

4.5 Private Room. In the event a private room is available and desired by you or is medically necessary, you may occupy the private room upon agreement to pay the difference between the charge for a semi-private room and the charge for a private room. However, at our sole discretion, if the private room in which you are residing is needed for semi-private use, you agree to reside in a semi-private room until a private room is once again available (unless a private room is medically necessary).

4.6 Alternate Health Care Services if Accommodations Not Available. You shall be given priority over non-residents for admission to the Essex Meadows Health Center. In the event you need Health Care Services and the Essex Meadows Health Center is fully occupied, you will be provided care at another comparably licensed health care facility. Upon your relocation, you shall continue to be responsible for the charges set forth in Section 4 herein. To the extent we would be liable for your care and accommodations in the Essex Meadows Health Center under this Agreement, we will be responsible for the charges associated with alternate accommodations. You agree to relocate to the Essex Meadows Health Center when accommodations become available.

You have the right to obtain treatment, care and services from providers with which we do not have a contractual arrangement. If accommodations are not available in the Essex Meadows Health Center and you choose to relocate to a health center not designated by us, you will pay to us all applicable Monthly Charges under this Agreement, including the monthly charge for Health Care Services. The Monthly Charges paid for Health Care Services under this Agreement will be applied against the charges associated with your stay in a non-designated health center. Any charges for your stay in the non-designated health center in excess of the Monthly Charges paid by you for Health Care Services under this Agreement will be solely your responsibility. You will be relocated (upon your agreement) back to the Essex Meadows Health Center when accommodations become available.

Should you need care which we are not licensed to provide or which the Essex Meadows Health Center does not have the appropriately trained staff to provide, or does not routinely provide, you agree to relocate to a facility that can provide you with the appropriate level of care. We will not be responsible for the charges for this higher level of care or private duty care.

4.7 Alternate Health Care Services Based on Resident's Choice. You have the right to be independent in decisions regarding your medical care. If accommodations are available in the Essex Meadows Health Center and you choose to obtain nursing care from an alternate care facility and not from the Essex Meadows Health Center, you will be responsible for making your own arrangements for such alternate accommodations. You will also be responsible for paying the alternate care facility direct for the services and supplies that you will be receiving from it. We will not be responsible for paying for any portion of your care and services. You will continue to pay the Monthly Fee for your Residence.

4.8 Return to Residence. If you release your Residence because you have moved to the Essex Meadows Health Center, and if later you are able, in the opinion of the Medical Director or your attending physician with the concurrence of the Medical Director, to return to a residence, we will provide you a residence of the same type as your previous Residence as soon as one becomes available. Upon reoccupying a residence, your Monthly Fee will be based on the then-current Monthly Fee for the residence.

4.9 Additional Health Services. We will also provide additional services and supplies in the Essex Meadows Health Center such as therapy, pharmaceutical supplies, personal laundry, and rental of equipment. These services and supplies are not included in the Monthly Fee or the monthly charge for Health Care Services set forth above, but will be available for an Extra Charge.

4.10 Medical Director, Attending Physician and Ancillary Services. A member in good standing of the Connecticut Medical Society will be designated to act as Medical Director of the Essex Meadows Health Center. You will be at liberty to engage the services of the Medical Director or the services of a physician of your choice at your own expense. We will not be responsible for the charges for medical treatment by the Medical Director, or any other physician, nor will we be responsible for the charges for medicine, drugs, prescribed therapy, and other similar services and supplies. In the event we incur or advance charges for your medical treatment or for medicine, drugs, prescribed therapy, pharmaceutical supplies, personal laundry, rental of equipment, and other similar services and supplies, you will reimburse us for such charges.

4.11 Non-Resident Use of Essex Meadows Health Center. We will offer Health Care Services in the Essex Meadows Health Center to qualified non-residents for a fee, to the extent accommodations are available and as allowed by Connecticut

law. However, residents of Essex Meadows will be given priority access to available accommodations.

4.12 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

4.13 Health Center Admission Agreement. If you require Health Care Services in the Essex Meadows Health Center, you and we will be required, based on Federal and State laws and regulations, to enter into a separate Health Center Admission Agreement. The Agreement to be executed by you or your responsible party and the Provider will be available for your review prior to move-in. This Residency Agreement will stay in effect during your stay in the Essex Meadows Health Center, and will govern the payment terms for care received by you in the Essex Meadows Health Center.

4.14 Under Age 62. If you are a second person and are under age 62 when you occupy a Residence under this Agreement, you shall be entitled to care in the Essex Meadows Health Center. However, you will be charged the current per diem rate being charged to nonresidents until you attain the age of 62.

4.15 Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Essex Meadows Health Center. Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Essex Meadows Health Center, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Essex Meadows Health Center, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each Medicare-qualified stay in the Essex Meadows Health Center. If failure to maintain Medicare Part A, Medicare Part B, or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in Section 9.2, and we retain the right to revoke your entitlement to reside at Essex Meadows and to cancel this Agreement as provided in Section 9.

4.16 Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental

insurance coverage, the terms governing Health Care Services in the Essex Meadows Health Center will be as follows:

4.16.1 Participating Provider. If we are a participating provider with your managed care program and your stay is a Medicare-qualified stay, we agree to accept, as full payment, reimbursement at the rate negotiated with your managed care program. Such managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

4.16.2 Not a Participating Provider. If we are not a participating provider with your managed care program and you choose to receive Health Care Services at a managed care participating provider during a Medicare-qualified stay, then you understand and agree that you must relocate for as long as necessary for those services, and be responsible for all charges for those services. In addition, while receiving Health Care Services at the managed care participating provider, you understand and agree that, unless this Agreement is canceled, you will continue to pay the Monthly Fee for your Residence. Such a Medicare-qualified stay at a managed care participating provider other than the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2.

4.16.3 Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and you would still like to receive Health Care Services in the Essex Meadows Health Center during a Medicare-qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we will agree to accept, as full payment, the rate provided by your managed care program. Such a managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

4.16.4 No Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and a negotiated rate is not agreed upon between us and your managed care program and you still desire to receive Health Care Services in the Essex Meadows Health Center during a Medicare-qualified stay, then each day of your stay in the Essex Meadows Health

Center will reduce by one day the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

If at any time during any such Medicare-qualified stay in the Essex Meadows Health Center you are no longer eligible to receive any of the cumulative days of care provided for in Section 4.2, then you will be obligated to pay the full per diem charge for each day of your stay in the Essex Meadows Health Center. You will also continue to pay the Monthly Fee for your Residence, and for any additional services as described in Sections 4.9 and 4.10.

4.16.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to Health Care Services in the Essex Meadows Health Center in accordance with the terms of this Agreement other than as set forth in this Section 4.16, as adjusted to reflect any reduction during such stay in the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2.

5. ENTRANCE PAYMENT AND COMMUNITY FEE.

5.1 Payment of Entrance Payment. To assure you a Residence in Essex Meadows in accordance with all the terms of this Agreement, you will pay to us an Entrance Payment of \$_____. Your Entrance Payment is comprised of two payments: (i) the First Person Fee (which maybe repayable as outlined in Section 7) and (ii) the Loan (which is repayable as outlined in the Loan Agreement attached as Exhibit A). You will not be required to transfer any tangible personal property to us for residency at Essex Meadows.

5.2 First Person Fee. The total First Person Fee is _____% of your Entrance Payment, or \$_____. An amount equal to 10% of your Entrance Payment, or \$_____, is paid herewith to reserve your Residence, is part of the First Person Fee, and will be held in escrow pursuant to Connecticut law. The balance of the First Person Fee of \$_____ will be paid to us on the earlier of (i) Occupancy or (ii) within 60 days from the date of our approval of this Agreement.

5.3 Loan. Your Loan of \$_____ will be made to us on the earlier of (i) Occupancy; or (ii) within 60 days of the date of our approval of this Agreement. Your Loan will be evidenced by a Loan Agreement attached as Exhibit A.

5.4 Second Person Fee. If there are two of you, a Second Person Fee of \$_____ will be paid to us on the earlier of (i) Occupancy or (ii) within 60 days of the date of our approval of this Agreement. Any amounts paid to us as a Second Person Fee will be the unrestricted property of LCS Essex Meadows LLC and are non-repayable.

5.5 One-Time Community Fee. You will pay to us a Community Fee that is an amount equal to two times the then-current Monthly Fee for your Residence (including a second person Monthly Fee if there are two of you). Payment will be made to us on the earlier of (i) Occupancy or (ii) within 60 days of the date of our approval of this Agreement. This is a one-time non-repayable charge.

6. MONTHLY CHARGES.

6.1 Monthly Fee. You will pay a Monthly Fee in exchange for the accommodations, services and amenities provided under Section 1 and for Community Related Costs. The current Monthly Fee is \$_____ per month for one person and an additional \$_____ per month if there are two of you.

6.2 Monthly Fee Changes. Adjustments to the Monthly Fee are intended to cover the current and anticipated changes to the Community Related Costs or as may be required by local, state or federal laws and regulations. We may adjust your Monthly Fee for current and anticipated Community Related Costs upon 30 days' advance written.

6.3 Payment. You will pay a pro rata portion of the Monthly Fee commencing on the earlier of (i) Occupancy; or (ii) within 60 days of the date of our approval of this Agreement. Thereafter, your Monthly Fee will be payable each month in advance upon receipt of a billing statement, including any Extra Charges for additional services obtained during the preceding month.

6.4 Late Payment. A late payment charge will be assessed at the rate of 1% per month on the total delinquent amounts due. Late payment charges will not be compounded in the total delinquent amounts computed for determining any late payment charge assessed in any succeeding month. The late payment charge will cease on the date we receive payment of the total delinquent amount. The 1% late payment charge is waived if payment is delayed due to slow processing by your supplemental insurance carrier. However, we do not waive our right to cancel this Agreement for nonpayment of fees subject to Section 9 of this Agreement.

6.5 Cease Payment of Monthly Fee for Residence. The Monthly Fee for your Residence will cease in accordance with Section 8.2 or 9.3 if you (or both of you if there are two of you) or we cancel this Agreement and in accordance with Section 8.3 if you die (or if there are two of you, the death of the remaining Resident). In the event there are two of you who occupy the Residence and only one of you cancels this Agreement or dies, the second person Monthly Fee will cease and the remaining person will continue to pay the first person Monthly Fee.

7. REPAYMENT OF ENTRANCE PAYMENT.

7.1 Repayment of Entrance Payment Prior to Assuming Occupancy.

7.1.1 Nonacceptance. If we do not accept you for residency, we will repay to you the portion of the First Person Fee you have paid, without interest, within 30 days from the date of our notice to you of nonacceptance.

7.1.2 Right of Rescission Period. If prior to assuming occupancy you change your mind and you give us written notice of cancellation by registered or certified mail within 30 days following the date this Agreement is executed by you, this Agreement will automatically cancel. In such event, we will repay to you the portion of the First Person Fee you have paid, without interest, within 30 days of your notice, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement. You shall not be required to move into Essex Meadows before expiration of the 30-day rescission period.

7.1.3 Change in Condition. If after the right of rescission period and prior to assuming occupancy (i) you (or either of you if there are two of you) die or become unable to occupy your Residence because of illness, injury or incapacity; or (ii) you elect to cancel this Agreement because of a substantial change in your physical, mental, or financial condition, this Agreement will automatically cancel upon our receipt of written notice to us by registered or certified mail. In such event, we will repay to you or your legal representative, without interest, the portion of the First Person Fee you have paid to us within 60 days of our receipt of your written notice of cancellation, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement.

7.1.4 Cancellation for Reasons Other Than Set Forth in 7.1.1, 7.1.2, and 7.1.3. If prior to assuming occupancy you give us written notice of

cancellation by registered or certified mail and neither Section 7.1.1, 7.1.2 or 7.1.3 is applicable, this Agreement will be canceled. In such event, we will retain five thousand dollars (\$5,000) of the First Person Fee you have paid, plus an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in an addendum to this Agreement. The balance will be repaid to you, without interest, within 60 days of our receipt of your notice of cancellation.

7.2 Repayment of Entrance Payment Following Occupancy. Except within the rescission period which will be handled according to Section 7.1.2, repayment of the Entrance Payment due to cancellation or death (the death of both Residents, if applicable) after Occupancy will be as follows:

7.2.1 Repayment of First Person Fee Within First Ten Months of Occupancy. If this Agreement is canceled within the first 10 months of your Occupancy, we will repay to you (or to your estate) \$_____, an amount equal to 90% of your Entrance Payment, less the amount of your Loan. For purposes of calculating the repayment, occupancy will end when this Agreement is canceled pursuant to Section 8 or 9. Such repayment will be paid, without interest, at the same time your Loan is repaid.

7.2.2 Repayment of First Person Fee After First Ten Months of Occupancy. If this Agreement is canceled after the first 10 months of your Occupancy, we will repay to you (or to your estate) the amount of the First Person Fee paid by you, reduced by 2% of the Entrance Payment per full month or partial month of your occupancy until your First Person Fee is fully amortized. For purposes of calculating the repayment, occupancy will end when this Agreement is canceled pursuant to Section 8 or 9. Such repayment, if any, will be paid, without interest, at the same time your Loan is repaid.

7.2.3 Repayment of Loan. The repayment of your Loan will be made in accordance with the Loan Agreement attached as Exhibit A.

7.3 Right of Offset. We have the right to offset against any amount of the Entrance Payment that is repayable the following: (i) any unpaid Monthly Charges owed by you; (ii) any unreimbursed or unpaid charges for care in the Essex Meadows Health Center we may have advanced on your behalf; (iii) any amounts deferred by us under Section 9.2; and (iv) any other sums owed by you to us. Any amounts owed by you to us will be payable with interest.

7.4 Beneficiary Designation. You may designate a beneficiary for receipt of any portion of the Entrance Payment that is repayable to you or to your estate if:

(i) the designation is in writing; (ii) is witnessed; (iii) is non-contingent; (iv) is specified in percentages and accounts for 100%; and (v) has received our approval. An Assignment of Rights to Repayment may be obtained from the business office at Essex Meadows for use in designating a beneficiary.

7.5 Repayment of Second Person Fee Following Occupancy. The Second Person Fee is not repayable.

8. YOUR CANCELLATION RIGHTS.

8.1 Prior to Occupancy. You may cancel this Agreement for any reason by giving us written notice executed by you (both of you if there are two of you) and sent by registered or certified mail. If you give such notice prior Occupancy of Essex Meadows, the cancellation will be effective as described in Section 7.1.

8.2 After Occupancy.

8.2.1 Written Notice. After Occupancy at Essex Meadows, you may cancel this Agreement at any time by giving us 120 days' advance written notice, signed by you (both of you if there are two of you) and sent by registered or certified mail. Once we receive your notice of cancellation, you cannot rescind it, and we have the right to assign your Residence for occupancy by someone else.

8.2.2 Monthly Fee. You will continue to pay your Monthly Fee until the later of (i) the expiration of the 120-day written notice of cancellation period, or (ii) the date you vacate your Residence or the Health Center and remove all your furniture and other property.

8.2.3 Removal of Property. If removal of your furniture and other property is not accomplished within 120 days of your written notice of cancellation, we may continue to charge the Monthly Fee or we may remove and store your furniture and other property at the expense and risk of you or your estate.

8.2.4 Cancellation. This Agreement will cancel and the services provided under this Agreement will cease upon the later of (i) 120 days following the date you give us written notice of cancellation; or (ii) the date you vacate your Residence or the Health Center and remove all your furniture and other property. If you vacate the Residence or the Health Center prior to the expiration of the 120-day notice period and you wish to be readmitted as a resident at Essex Meadows, you will be required to reapply for residency in accordance with our current Residency Policy.

8.2.5 Remarketing of Residence. After our receipt of your notice of cancellation, we have the right to remarket your Residence to others for reoccupancy. We will place your Residence in our inventory available to prospective residents. If your property remains in the Residence, we will give you notice in advance of any scheduled showing of your Residence. To the extent possible, we will give you notice of any unscheduled showing of your Residence as early as possible. Once your furniture and property have been removed from the Residence, we will not be required to provide you with any advance notice of showing, and your Residence will be considered released to us.

8.2.6 Repayment of Entrance Payment. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement and Exhibit A (Loan Agreement).

8.3 Death After Occupancy.

8.3.1 Monthly Fee. Payment of the Monthly Fee will continue until the later of (i) your death (if there are two of you, the death of the remaining Resident), or (ii) vacancy of the Residence or the Health Center and removal of all your furniture and other property.

8.3.2 Removal of Property. If removal of your furniture and other property is not accomplished within 30 days of your death (if there are two of you, the death of the remaining Resident), we may continue to charge the Monthly Fee or we may remove and store your furniture and other property at the expense and risk of your estate.

8.3.3 Cancellation. This Agreement will cancel and the services provided under this Agreement will cease upon the later of (i) your death (if there are two of you, the death of the remaining Resident) or (ii) vacancy of the Residence or the Health Center and removal of all your furniture and other property.

8.3.4 Remarketing of Residence. After your death, we have the right to remarket your Residence to others for reoccupancy. We will place your Residence in our inventory available to prospective residents. If your property remains in the Residence, we will give notice to the executor of your estate or your legal representative in advance of any scheduled showing of your Residence. To the extent possible, we will give notice of any unscheduled showing of your Residence as early as possible. Once your furniture and property have been removed from the

Residence, we will not be required to provide any advance notice of showing, and your Residence will be considered released to us.

8.3.5 Repayment of Entrance Payment. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement and Exhibit A (Loan Agreement).

9. OUR CANCELLATION RIGHTS.

9.1 Just Cause. After we have accepted you for residency, we will not cancel this Agreement except for just cause. Just cause is defined as:

9.1.1 Nonpayment. Except as set forth below, nonpayment of fees or charges; or

9.1.2 Failure to Comply. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us; or

9.1.3 Threat to Health or Safety. Your residency in Essex Meadows constitutes a substantial threat to your health or safety or to the health or safety of other residents or others (including your refusal to consent to relocation) or would result in physical damage to the property of others; or

9.1.4 Change in Condition Beyond Limits of License. There is a major change in your physical or mental condition that would preclude caring for you in the Health Center within the limits of our license.

9.2 Financial Difficulty. If, after you have paid the Entrance Payment, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges, then:

9.2.1 Permitted to Stay. You shall be permitted to remain at Essex Meadows for 90 days after the date of failure to pay, during which time you shall continue to pay reduced Monthly Charges based on your current income. Pursuant to Section 7.3, any amounts owed by you to us will be payable with interest; and

9.2.2 Terms of Stay. After the 90 days, you shall be permitted to remain at Essex Meadows at reduced Monthly Charges based on your ability to pay for so long as you establish facts to justify deferral of such charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability

to operate on a sound financial basis. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder by transfer of assets after assuming residency other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B and/or adequate supplemental insurance coverages. To evidence these agreements based on the circumstances at the time, you agree to enter into a special Financial Assistance Amendment to Residency Agreement with us at the time of any such deferrals to reflect the deferred charges currently payable and the interest rate to be applied to the deferrals, and to provide us with a perfected first security interest in your Loan repayment rights. Any payments otherwise due to you from us, including the repayment of your Loan (if applicable), will be offset against any such deferred charges; and

9.2.3 Guarantor. Sections 9.2.1 and 9.2.2 are not applicable if, to initially qualify for residency at Essex Meadows, a third party(ies) with adequate resources agreed in writing, prior to your acceptance for residency, to guarantee payment of your obligations and is fulfilling their obligations pursuant to a Guaranty of Fees and Other Payments under the Residency Agreement.

9.3 Notice of Cancellation. Prior to any cancellation of this Agreement by us, we will give you notice in writing of the reasons and you will have 30 days thereafter within which the problem may be corrected. If we determine the problem is corrected within such time, this Agreement will remain in effect. If we determine the problem is not corrected within such time, you must leave Essex Meadows within 30 days after we notify you of our determination/cancellation. You will continue to pay your Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement and Exhibit A (Loan Agreement).

9.4 Emergency Cancellation. We may cancel this Agreement if there has been a good faith determination that you are a danger to yourself or others. Said determination shall be made by the Medical Director. In such event, only such notice as is reasonable under the circumstances is required to be provided to you and/or your representative. You will continue to pay the Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Repayment of your Entrance

Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement and Exhibit A (Loan Agreement).

10. MISCELLANEOUS PROVISIONS WITH RESPECT TO YOUR RESIDENCE.

10.1 Use of Residence. The Residence is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. This Agreement is not a lease, and entitles you only to the lifetime use of the Residence and other amenities of Essex Meadows and to available services, subject to the terms and conditions of this Agreement.

10.2 Occupants of Residence. Except as hereinafter provided, no person other than you (or both of you if there are two of you) may occupy the Residence except with our express written approval. In the event that a second person who is not a party to this Agreement wishes to be accepted for residency under this Agreement, after the date we execute this Agreement, said second person's acceptance will be based upon our then-current Residency Policy. If accepted, a second person Monthly Fee will be paid upon the second person's Occupancy. Each month thereafter, the then-current additional Monthly Charges for second persons shall be due. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than 30 days (except with our express written approval)

10.3 Emergency Entry. We may enter your Residence should it be necessary to protect your health or safety or the health or safety of other residents.

10.4 Relocation. Each year, a current copy of the ancillary charges is distributed to each resident.

3. DURATION OF YOUR RIGHT TO OCCUPY THE RESIDENCE.

You may reside in your Residence and receive the services outlined in this Agreement for as long as you live unless you are not capable of living in a Residence as set forth in our Aging in Community Policy, or this Agreement is canceled by you or by us. If, in the opinion of your attending physician or the Medical Director, your physical or mental health requires that nursing care services be provided, you will be offered the opportunity to relocate to the Essex Meadows Health Center where we are

licensed to provide such care or to secure the services from a Personal Service Provider at your expense. You have the right to participate, as fully and meaningfully as you are able, in making the decision about a permanent move to the Essex Meadows Health Center. You have the right to be independent in decisions regarding your medical care, and we shall not prevent or otherwise infringe upon your right to obtain treatment, care and services from providers with which we do not have a contractual arrangement. If there are two of you under this Agreement and one of you dies or relocates to the Health Center, or for some other reason is unable to occupy the Residence, the remaining person may continue to occupy the Residence under the terms of this Agreement. If it is determined that you require hospitalization, we will assist in the coordination of your transfer to an appropriate hospital. Community staff will not accompany a resident to the hospital.

4. ESSEX MEADOWS HEALTH CENTER. We will provide rehabilitative care and skilled nursing care in the Essex Meadows Health Center. These services will collectively be known as "Health Care Services."

4.1 Health Care Services. If, in the opinion of your attending physician or the Medical Director (after consultation with you to the extent possible and your responsible party, if any), you require Health Care Services in the Essex Meadows Health Center, we will provide such care as outlined in this Section 4 and to the extent authorized by a license issued to us from the Connecticut Department of Public Health. Both private and semi-private accommodations are available in the Health Center. Based on availability, you may choose between private and semi-private accommodations. There is an additional charge for private accommodations as outlined in Section 4.5 below.

4.2 First 90 Days of Health Care Services. Health Care Services will be provided by us in the Essex Meadows Health Center without Extra Charge (except for an additional charge for private accommodations as outlined in Section 4.5 below) for 90 cumulative days for you (90 days for each of you if there are two of you, but the allowance for one Resident cannot be used by the other). You will also pay the charges for the meals in excess of the one meal per day per Resident at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. If your stay in the Health Center is fully covered as a Medicare-qualified stay, the 90 cumulative days of credit offered per Resident in this Section will not take effect until the termination of your Medicare-qualified stay. While in the Essex Meadows Health Center, the Monthly Fee for your Residence will continue as before. Further, whether you release or retain your Residence while you are in the Health Center, you will not be entitled to repayment of your Entrance Payment. [NOTE: The 90 cumulative days without Extra Charge is the total number

of days allowed per Resident during your lifetime for a combined total for Health Care Services in the Essex Meadows Health Center. After the 90 cumulative days are exhausted, your care will be in accordance with Section 4.3 when there is one of you and Section 4.4 when there are two of you.]

[NOTE: Section 4.3 only applies when there is one of you.]

4.3 More Than 90 Days of Health Care Services When There is One of You. If you require Health Care Services beyond the 90 cumulative days, charges for care will depend upon whether you choose to release or retain your Residence:

4.3.1 Release Residence When There is One of You. If you choose to release your Residence for occupancy by someone else, you must provide us with 30 days' advance written notice of your intent to release your Residence. You are obligated to pay the Monthly Fee during this 30-day notice period. Further, the Monthly Fee for your Residence will continue until the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of the decision to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate. Charges for your care in the Health Center will be equal to the then-current Monthly Fee for the two-bedroom deluxe apartment and the supplemental charge described in Section 4.17. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

We have the right to remarket your Residence to others for reoccupancy during your 30-day notice period described above and during your stay in the Essex Meadows Health Center. We will place your Residence in our inventory available to prospective residents. We will attempt to provide you with advance notice of any showing as is feasible; however, we are not required to do so.

4.3.2 Retain Residence When There is One of You. If you choose to retain your Residence, the Monthly Fee for your Residence will continue. You will also pay the charges for Health Care Services, which will be equal to the then-current Monthly Fee for the two-bedroom deluxe apartment and the supplemental charge described in Section 4.17. In addition, you will pay the meal charges in excess of the one meal per day at the then current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

[NOTE: Section 4.4 only applies when there are two of you.]

4.4 More Than 90 Days of Health Care Services When There Are Two of You. If there are two of you, and only one of you requires Health Care Services beyond the 90 cumulative days, you will pay the charges for your care in the Essex Meadows Health Center, which will be equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment and the supplemental charge described in Section 4.17. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. The first person Monthly Fee for the Residence will continue for the person residing in the Residence. If both of you require Health Care Services beyond the 90 cumulative days, charges for you and the second Resident's care in the Essex Meadows Health Center will depend upon whether you choose to release or retain your Residence:

4.4.1 Release Residence When Two of You Need Health Care Services. If you choose to release your Residence for occupancy by someone else, you must provide us with 30 days' advance written notice of your intent to release your Residence. You are obligated to pay the first and second person Monthly Fee during this 30-day notice period. Further, the first and second person Monthly Fees for your Residence will continue until the date all your furniture and other property have been removed from your Residence. If removal of your furniture and other property is not accomplished within 30 days of the decision to release your Residence, we may remove and store your furniture and other property at the expense and risk of you or your estate. Each of you will pay a monthly charge for Health Care Services in an amount equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment and the supplemental charge described in Section 4.17. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

We have the right to remarket your Residence to others for reoccupancy during your 30-day notice period described above and during your stay in the Essex Meadows Health Center. We will place your Residence in our inventory available to prospective residents. We will attempt to provide you with advance notice of any showing as is feasible; however, we are not required to do so.

4.4.2 Retain Residence When Two of You Need Health Care Services. If you choose to retain your Residence, the then-current first and second

person Monthly Fees for your Residence will continue. Each of you will pay a monthly charge for Health Care Services in an amount equal to the then-current first person Monthly Fee for the two-bedroom deluxe apartment and the supplemental charge described in Section 4.17. In addition, you will pay the meal charges in excess of the one meal per day at the then-current charges for meals and any additional services as described in Sections 4.9 and 4.10. Further, there is an additional charge for private accommodations in the Essex Meadows Health Center.

4.5 Private Room. In the event a private room is available and desired by you or is medically necessary, you may occupy the private room upon agreement to pay the difference between the charge for a semi-private room and the charge for a private room. However, at our sole discretion, if the private room in which you are residing is needed for semi-private use, you agree to reside in a semi-private room until a private room is once again available (unless a private room is medically necessary).

4.6 Alternate Health Care Services if Accommodations Not Available. You shall be given priority over non-residents for admission to the Essex Meadows Health Center. In the event you need Health Care Services and the Essex Meadows Health Center is fully occupied, you will be provided care at another comparably licensed health care facility. Upon your relocation, you shall continue to be responsible for the charges set forth in Section 4 herein. To the extent we would be liable for your care and accommodations in the Essex Meadows Health Center under this Agreement, we will be responsible for the charges associated with alternate accommodations. You agree to relocate to the Essex Meadows Health Center when accommodations become available.

You have the right to obtain treatment, care and services from providers with which we do not have a contractual arrangement. If accommodations are not available in the Essex Meadows Health Center and you choose to relocate to a health center not designated by us, you will pay to us all applicable Monthly Charges under this Agreement, including the monthly charge for Health Care Services. The Monthly Charges paid for Health Care Services under this Agreement will be applied against the charges associated with your stay in a non-designated health center. Any charges for your stay in the non-designated health center in excess of the Monthly Charges paid by you for Health Care Services under this Agreement will be solely your responsibility. You will be relocated (upon your agreement) back to the Essex Meadows Health Center when accommodations become available.

Should you need care which we are not licensed to provide or which the Essex Meadows Health Center does not have the appropriately trained staff to provide, or

does not routinely provide, you agree to relocate to a facility that can provide you with the appropriate level of care. We will not be responsible for the charges for this higher level of care or private duty care.

4.7 Alternate Health Care Services Based on Resident's Choice. You have the right to be independent in decisions regarding your medical care. If accommodations are available in the Essex Meadows Health Center and you choose to obtain nursing care from an alternate care facility and not from the Essex Meadows Health Center, you will be responsible for making your own arrangements for such alternate accommodations. You will also be responsible for paying the alternate care facility direct for the services and supplies that you will be receiving from it. We will not be responsible for paying for any portion of your care and services. You will continue to pay the Monthly Fee for your Residence.

4.8 Return to Residence. If you release your Residence because you have moved to the Essex Meadows Health Center, and if later you are able, in the opinion of the Medical Director or your attending physician with the concurrence of the Medical Director, to return to a residence, we will provide you a residence of the same type as your previous Residence as soon as one becomes available. Upon reoccupying a residence, your Monthly Fee will be based on the then-current Monthly Fee for the residence.

4.9 Additional Health Services. We will also provide additional services and supplies in the Essex Meadows Health Center such as therapy, pharmaceutical supplies, personal laundry, and rental of equipment. These services and supplies are not included in the Monthly Fee or the monthly charge for Health Care Services set forth above, but will be available for an Extra Charge.

4.10 Medical Director, Attending Physician and Ancillary Services. A member in good standing of the Connecticut Medical Society will be designated to act as Medical Director of the Essex Meadows Health Center. You will be at liberty to engage the services of the Medical Director or the services of a physician of your choice at your own expense. We will not be responsible for the charges for medical treatment by the Medical Director, or any other physician, nor will we be responsible for the charges for medicine, drugs, prescribed therapy, and other similar services and supplies. In the event we incur or advance charges for your medical treatment or for medicine, drugs, prescribed therapy, pharmaceutical supplies, personal laundry, rental of equipment, and other similar services and supplies, you will reimburse us for such charges.

4.11 Non-Resident Use of Essex Meadows Health Center. We will offer Health Care Services in the Essex Meadows Health Center to qualified non-residents for a fee, to the extent accommodations are available and as allowed by Connecticut law. However, residents of Essex Meadows will be given priority access to available accommodations.

4.12 Long-Term Care Insurance. We will use reasonable efforts to assist you in working with your long-term care insurance provider to obtain the benefits to which you may be entitled.

4.13 Health Center Admission Agreement. If you require Health Care Services in the Essex Meadows Health Center, you and we will be required, based on Federal and State laws and regulations, to enter into a separate Health Center Admission Agreement. The Agreement to be executed by you or your responsible party and the Provider will be available for your review prior to move-in. This Residency Agreement will stay in effect during your stay in the Essex Meadows Health Center, and will govern the payment terms for care received by you in the Essex Meadows Health Center.

4.14 Under Age 62. If you are a second person and are under age 62 when you occupy a Residence under this Agreement, you shall be entitled to care in the Essex Meadows Health Center. However, you will be charged the current per diem rate being charged to nonresidents until you attain the age of 62.

4.15 Supplemental Insurance. You are required to maintain Medicare Part A, Medicare Part B, and one supplemental health insurance policy or equivalent insurance coverage acceptable to us to assure your ability to fully cover a Medicare-qualified stay in the Essex Meadows Health Center. Such supplemental insurance should cover Medicare co-insurance and deductibles. You shall furnish to us such evidence of coverage as we may from time to time request. Should your supplemental health insurance or equivalent coverage not fully cover a Medicare-qualified stay in the Essex Meadows Health Center, or should you fail to purchase supplemental health insurance or equivalent coverage to fully cover a Medicare-qualified stay in the Essex Meadows Health Center, you shall be financially responsible for paying deductibles, co-insurance amounts, and any other charges for each Medicare-qualified stay in the Essex Meadows Health Center. If failure to maintain Medicare Part A, Medicare Part B, or supplemental health insurance is causing depletion of your resources and impairs your ability to meet your financial obligations, we need not defer your financial obligations as provided in Section 9.2, and we retain the right to revoke your entitlement to reside at Essex Meadows and to cancel this Agreement as provided in Section 9.

4.16 Managed Care. If you have chosen to participate in a managed care program as an alternative to Medicare Part A, Medicare Part B, and supplemental insurance coverage, the terms governing Health Care Services in the Essex Meadows Health Center will be as follows:

4.16.1 Participating Provider. If we are a participating provider with your managed care program and your stay is a Medicare-qualified stay, we agree to accept, as full payment, reimbursement at the rate negotiated with your managed care program. Such managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

4.16.2 Not a Participating Provider. If we are not a participating provider with your managed care program and you choose to receive Health Care Services at a managed care participating provider during a Medicare-qualified stay, then you understand and agree that you must relocate for as long as necessary for those services, and be responsible for all charges for those services. In addition, while receiving Health Care Services at the managed care participating provider, you understand and agree that, unless this Agreement is canceled, you will continue to pay the Monthly Fee for your Residence. Such a Medicare-qualified stay at a managed care participating provider other than the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2.

4.16.3 Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and you would still like to receive Health Care Services in the Essex Meadows Health Center during a Medicare-qualified stay, we will attempt to negotiate an acceptable reimbursement rate with your managed care program. If we are able to negotiate an acceptable rate, we will agree to accept, as full payment, the rate provided by your managed care program. Such a managed care stay in the Essex Meadows Health Center will not reduce the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

4.16.4 No Negotiated Managed Care Rate. If we are not a participating provider in your managed care program and a negotiated rate is not

agreed upon between us and your managed care program and you still desire to receive Health Care Services in the Essex Meadows Health Center during a Medicare-qualified stay, then each day of your stay in the Essex Meadows Health Center will reduce by one day the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2. You agree that you will continue to pay the Monthly Fee for your Residence. You will also be obligated to pay for any additional services as described in Sections 4.9 and 4.10.

If at any time during any such Medicare-qualified stay in the Essex Meadows Health Center you are no longer eligible to receive any of the cumulative days of care provided for in Section 4.2, then you will be obligated to pay the full per diem charge for each day of your stay in the Essex Meadows Health Center. You will also continue to pay the Monthly Fee for your Residence, and for any additional services as described in Sections 4.9 and 4.10.

4.16.5 Post Medicare-Qualified Stay. At the conclusion of each such Medicare-qualified stay, you will be entitled to Health Care Services in the Essex Meadows Health Center in accordance with the terms of this Agreement other than as set forth in this Section 4.16, as adjusted to reflect any reduction during such stay in the number of cumulative days of care that you are eligible to receive without additional charge pursuant to Section 4.2.

4.17 Supplemental Charge for Nursing Care Services. In addition to the fees outlined above for Health Care Services in the Essex Meadows Health Center, you (or both of you) will also pay a supplemental charge for Health Center Services in the amount of \$_____ per person per month. This supplemental charge will not increase during the term of this Agreement.

5. ENTRANCE PAYMENT AND COMMUNITY FEE.

5.1 Payment of Entrance Payment. To assure you a Residence in Essex Meadows in accordance with all the terms of this Agreement, you will pay to us an Entrance Payment of \$_____. You will not be required to transfer any tangible personal property to us for residency at Essex Meadows. An amount equal to 10% of your Entrance Payment, or \$_____, is paid herewith to reserve your Residence and will be held in escrow pursuant to Connecticut law. The balance of the Entrance Payment of \$_____ will be paid to us on the earlier of (i) Occupancy or (ii) within 60 days from the date of our approval of this Agreement.

5.2 Second Person Fee. If there are two of you, a Second Person Fee of \$_____ will be paid to us on the earlier of (i) Occupancy or (ii) within 60 days of the date of our approval of this Agreement. Any amounts paid to us as a Second Person Fee will be the unrestricted property of LCS Essex Meadows LLC and are non-repayable.

5.3 One-Time Community Fee. You will pay to us a Community Fee that is an amount equal to two times the then-current Monthly Fee for your Residence (including a second person Monthly Fee if there are two of you). Payment will be made to us on the earlier of (i) Occupancy or (ii) within 60 days of the date of our approval of this Agreement. This is a one-time non-repayable charge.

6. MONTHLY CHARGES.

6.1 Monthly Fee. You will pay a Monthly Fee in exchange for the accommodations, services and amenities provided under Section 1 and for Community Related Costs. The current Monthly Fee is \$_____ per month for one person and an additional \$_____ per month if there are two of you.

6.2 Monthly Fee Changes. Adjustments to the Monthly Fee are intended to cover the current and anticipated changes to the Community Related Costs or as may be required by local, state or federal laws and regulations. We may adjust your Monthly Fee for current and anticipated Community Related Costs upon 30 days' advance written.

6.3 Payment. You will pay a pro rata portion of the Monthly Fee commencing on the earlier of (i) Occupancy; or (ii) within 60 days of the date of our approval of this Agreement. Thereafter, your Monthly Fee will be payable each month in advance upon receipt of a billing statement, including any Extra Charges for additional services obtained during the preceding month.

6.4 Late Payment. A late payment charge will be assessed at the rate of 1% per month on the total delinquent amounts due. Late payment charges will not be compounded in the total delinquent amounts computed for determining any late payment charge assessed in any succeeding month. The late payment charge will cease on the date we receive payment of the total delinquent amount. The 1% late payment charge is waived if payment is delayed due to slow processing by your supplemental insurance carrier. However, we do not waive our right to cancel this Agreement for nonpayment of fees subject to Section 9 of this Agreement.

6.5 Cease Payment of Monthly Fee for Residence. The Monthly Fee for your Residence will cease in accordance with Section 8.2 or 9.3 if you (or both of you if there are two of you) or we cancel this Agreement and in accordance with Section 8.3 if you die (or if there are two of you, the death of the remaining Resident). In the event there are two of you who occupy the Residence and only one of you cancels this Agreement or dies, the second person Monthly Fee will cease and the remaining person will continue to pay the first person Monthly Fee.

7. REPAYMENT OF ENTRANCE PAYMENT.

7.1 Repayment of Entrance Payment Prior to Assuming Occupancy.

7.1.1 Nonacceptance. If we do not accept you for residency, we will repay to you the portion of the Entrance Payment you have paid, without interest, within 30 days from the date of our notice to you of nonacceptance.

7.1.2 Right of Rescission Period. If prior to assuming occupancy you change your mind and you give us written notice of cancellation by registered or certified mail within 30 days following the date this Agreement is executed by you, this Agreement will automatically cancel. In such event, we will repay to you the portion of the Entrance Payment you have paid, without interest, within 30 days of your notice, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement. You shall not be required to move into Essex Meadows before expiration of the 30-day rescission period.

7.1.3 Change in Condition. If after the right of rescission period and prior to assuming occupancy (i) you (or either of you if there are two of you) die or become unable to occupy your Residence because of illness, injury or incapacity; or (ii) you elect to cancel this Agreement because of a substantial change in your physical, mental, or financial condition, this Agreement will automatically cancel upon our receipt of written notice to us by registered or certified mail. In such event, we will repay to you or your legal representative, without interest, the portion of the Entrance Payment you have paid to us within 60 days of our receipt of your written notice of cancellation, except that we will retain an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in a separate addendum to this Agreement.

7.1.4 Cancellation for Reasons Other Than Set Forth in 7.1.1, 7.1.2, and 7.1.3. If prior to assuming occupancy you give us written notice of cancellation by registered or certified mail and neither Section 7.1.1, 7.1.2 or 7.1.3

is applicable, this Agreement will be canceled. In such event, we will retain five thousand dollars (\$5,000) of the Entrance Payment you have paid, plus an amount equal to any costs specifically incurred by us at your request, if any, and which are set forth in an addendum to this Agreement. The balance will be repaid to you, without interest, within 60 days of our receipt of your notice of cancellation.

7.2 Repayment of Entrance Payment Following Occupancy. Except within the rescission period which will be handled according to Section 7.1.2, repayment of the Entrance Payment due to cancellation or death (the death of both Residents, if applicable) after Occupancy will be as follows:

7.2.1 Repayment of Within First Ten Months of Occupancy. If this Agreement is canceled within the first 10 months of your Occupancy, we will repay to you (or to your estate) \$ _____, an amount equal to 90% of your Entrance Payment. If this Agreement is canceled after the first 10 months of your Occupancy, we will repay to you (or to your estate) the amount of the Entrance Payment paid by you, reduced by 4% of your Entrance Payment as a processing fee plus 2% of the Entrance Payment per full month or partial month of your occupancy until your Entrance Payment is fully amortized. For purposes of calculating the repayment, occupancy will end when this Agreement is canceled pursuant to Section 8 or 9. Such repayment, if any, will be paid, without interest, as outlined in Section 7.2.3 below.

7.2.3 Timing of Repayment. Your repayment of the Entrance Payment, if any, will become due and payable upon 60 days after your death (or the death of the remaining Resident if there are two of you) or after notice of cancellation by you or us. Repayment will not occur while your furniture and other property are in the Residence.

If there is one Resident under the Residency Agreement, we will repay the unearned portion of the Entrance Payment, if any, to that Resident or his/her estate (or to whomever that Resident has assigned his/her rights to repayment). If there are two Residents (either through initial residency at Essex Meadows or through a subsequent amendment to the Residency Agreement wherein a second person is added to the Residency Agreement after initial residency), we will repay the unearned portion of the Entrance Payment, if any, to the last remaining Resident

or the last remaining Resident's estate (or to whomever the last remaining Resident assigned his/her rights to repayment). We will not repay the unearned portion of the Entrance Payment, if any, while a second Resident is occupying Essex Meadows.

8. YOUR CANCELLATION RIGHTS.

8.1 Prior to Occupancy. You may cancel this Agreement for any reason by giving us written notice executed by you (both of you if there are two of you) and sent by registered or certified mail. 8.2.4 Cancellation. This Agreement will cancel and the services provided under this Agreement will cease upon the later of (i) 120 days following the date you give us written notice of cancellation; or (ii) the date you vacate your Residence or the Health Center and remove all your furniture and other property. If you vacate the Residence or the Health Center prior to the expiration of the 120-day notice period and you wish to be readmitted as a resident at Essex Meadows, you will be required to reapply for residency in accordance with our current Residency Policy.

8.2.5 Remarketing of Residence. After our receipt of your notice of cancellation, we have the right to remarket your Residence to others for reoccupancy. We will place your Residence in our inventory available to prospective residents. If your property remains in the Residence, we will give you notice in advance of any scheduled showing of your Residence. To the extent possible, we will give you notice of any unscheduled showing of your Residence as early as possible. Once your furniture and property have been removed from the Residence, we will not be required to provide you with any advance notice of showing, and your Residence will be considered released to us.

8.2.6 Repayment of Entrance Payment. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement.

8.3 Death After Occupancy.

8.3.1 Monthly Fee. Payment of the Monthly Fee will continue until the later of (i) your death (if there are two of you, the death of the remaining Resident), or (ii) vacancy of the Residence or the Health Center and removal of all your furniture and other property.

8.3.2 Removal of Property. If removal of your furniture and other property is not accomplished within 30 days of your death (if there are two of you, the death of the remaining Resident), we may continue to charge the Monthly Fee or we may remove and store your furniture and other property at the expense and risk of your estate.

We will place your Residence in our inventory available to prospective residents. If your property remains in the Residence, we will give notice to the executor of your estate or your legal representative in advance of any scheduled showing of your Residence. To the extent possible, we will give notice of any unscheduled showing of your Residence as early as possible. Once your furniture and property have been removed from the Residence, we will not be required to provide any advance notice of showing, and your Residence will be considered released to us.

9. OUR CANCELLATION RIGHTS.

9.1 Just Cause. After we have accepted you for residency, we will not cancel this Agreement except for just cause. Just cause is defined as:

9.1.1 Nonpayment. Except as set forth below, nonpayment of fees or charges; or

9.1.2 Failure to Comply. You do not comply with the terms of this Agreement or the published operating procedures, covenants, rules, regulations, and policies now existing or later amended by us; or

9.1.3 Threat to Health or Safety. Your residency in Essex Meadows constitutes a substantial threat to your health or safety or to the health or safety of other residents or others (including your refusal to consent to relocation) or would result in physical damage to the property of others; or

9.1.4 Change in Condition Beyond Limits of License. There is a major change in your physical or mental condition that would preclude caring for you in the Health Center within the limits of our license.

9.2 Financial Difficulty. If, after you have paid the Entrance Payment, you encounter financial difficulties making it impossible for you to pay the full Monthly Charges, then:

9.2.1 Permitted to Stay. You shall be permitted to remain at Essex Meadows for 90 days after the date of failure to pay, during which time you shall continue to pay reduced Monthly Charges based on your current income. Pursuant to Section 7.3, any amounts owed by you to us will be payable with interest; and

9.2.2 Terms of Stay. After the 90 days, you shall be permitted to remain at Essex Meadows at reduced Monthly Charges based on your ability to pay for so long as you establish facts to justify deferral of such charges, and the deferral of such charges can, in our sole discretion, be granted without impairing our ability to operate on a sound financial basis. This provision shall not apply if you have impaired your ability to meet your financial obligations hereunder by transfer of assets after assuming residency other than to meet ordinary and customary living expenses, or by not maintaining Medicare Part A, Medicare Part B and/or adequate supplemental insurance coverages. To evidence these agreements based on the circumstances at the time, you agree to enter into a special Financial Assistance Amendment to Residency Agreement with us at the time of any such deferrals to reflect the deferred charges currently payable and the interest rate to be applied to the deferrals, and to provide us with a perfected first security interest in your Entrance Payment rights. Any payments otherwise due to you from us, including the repayment of your Entrance Payment (if applicable), will be offset against any such deferred charges; and

9.2.3 Guarantor. Sections 9.2.1 and 9.2.2 are not applicable if, to initially qualify for residency at Essex Meadows, a third party(ies) with adequate resources agreed in writing, prior to your acceptance for residency, to guarantee payment of your obligations and is fulfilling their obligations pursuant to a Guaranty of Fees and Other Payments under the Residency Agreement.

9.3 Notice of Cancellation. Prior to any cancellation of this Agreement by us, we will give you notice in writing of the reasons and you will have 30 days thereafter within which the problem may be corrected. If we determine the problem is corrected within such time, this Agreement will remain in effect. If we determine the problem is not corrected within such time, you must leave Essex Meadows within 30 days after we notify you of our determination/cancellation. You will continue to pay your Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of

you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement.

9.4 Emergency Cancellation. We may cancel this Agreement if there has been a good faith determination that you are a danger to yourself or others. Said determination shall be made by the Medical Director. In such event, only such notice as is reasonable under the circumstances is required to be provided to you and/or your representative. You will continue to pay the Monthly Fee until removal of your furniture and other property has occurred. If removal of your furniture and other property is not accomplished, we may remove and store your furniture and other property at the expense and risk of you or your estate. This Agreement will cancel upon the removal of your furniture and other property. Repayment of your Entrance Payment will be as set forth in Sections 7.2, 7.3, and 7.4 of this Agreement.

10. MISCELLANEOUS PROVISIONS WITH RESPECT TO YOUR RESIDENCE.

10.1 Use of Residence. The Residence is for living only and shall not be used for carrying on any business or profession, nor in any manner in violation of zoning restrictions. 10.2 Occupants of Residence. Except as hereinafter provided, no person other than you (or both of you if there are two of you) may occupy the Residence except with our express written approval. In the event that a second person who is not a party to this Agreement wishes to be accepted for residency under this Agreement, after the date we execute this Agreement, said second person's acceptance will be based upon our then-current Residency Policy. If accepted, a second person Monthly Fee will be paid upon the second person's Occupancy. Each month thereafter, the then-current additional Monthly Charges for second persons shall be due. If such second person does not meet the requirements for residency, such second person will not be permitted to occupy the Residence for more than 30 days (except with our express written approval)

10.3 Emergency Entry. We may enter your Residence should it be necessary to protect your health or safety or the health or safety of other residents.

Further, if relocation is recommended by the Medical Director or your attending physician, we will request that you relocate to another residence within Essex Meadows or request that you relocate to the Essex Meadows Health Center or to another care facility (including a hospital) for the protection of your health or safety or for the health or safety of other residents of Essex Meadows. We will not be responsible for any charges related to transfer or relocation to a hospital or another care facility.

If there are two of you under this Agreement and one of you is transferred to the Essex Meadows Health Center, to a hospital or to another appropriate facility, the remaining Resident may continue to occupy the Residence under the terms of this Agreement as the first person.

You agree to abide the terms of the Smoke-Free Campus Policy and any future changes thereto. Because smoking is not allowed in any interior spaces, including your Residence, damage to the Residence caused by smoking by you or your visitors is not considered normal wear and tear and will be charged for accordingly.

11. AMENDMENTS.

11.1 This Agreement. This Agreement may be amended by agreement of the parties to this Agreement. No amendment of this Agreement will be valid unless in writing and executed by you and us.

11.2 All Agreements. In addition, with the approval of: (i) at least 67% of the occupied residences with one vote per residence who have this type of residency agreement at Essex Meadows; and (ii) us, all residency agreements of this type may be amended in any respect; provided, however, that no such amendment shall:

11.2.1 Reduce the aforesaid percentage of residences which is required to consent to any such amendment; or

11.2.2 Permit the preference or priority of any residence over any other residence without the consent of each residence.

Upon our approval and upon our receipt of evidence of the approval of not less than 67% of the occupied residences with one vote per residence, such amendment shall be effective, and any designated residency agreements, which may include this Agreement, shall automatically be amended accordingly.
