# **The Watermark at East Hill**

## ***Introduction***

The Watermark at East Hill (“The Watermark at East Hill” or the “Community”) was established in 1983 and originally named East Hill Woods. It is a continuing care retirement community providing a retirement option known as “life care”.

The purpose of this Disclosure Statement is to explain to prospective Residents, their families and advisors about the operation and management of the Community. This Disclosure Statement was prepared on the basis of information available at the time of its publication and assumptions are believed to be realistic as of that date. Such information and assumptions are, of course, subject to change and, in particular, are significantly affected by changes in inflation.

Although this Disclosure Statement has been prepared carefully and does not use technical language, it is possible that there may be some differences between the text in this Disclosure Statement and the Continuing Care Contract which is attached as Attachment A. In the event of any differences, the provisions of the Contract shall govern.

## ***Description of the Community***

### **Location and Overview**

The Watermark at East Hill is located in a beautifully landscaped park setting on 55 acres at 611 East Hill Road in Southbury, Connecticut. It is adjacent to Heritage Village and the Heritage Golf Course.

The Watermark at East Hill is a continuing care retirement community serving persons 65 years of age or older in an independent lifestyle. Each Resident is provided with a private independent living apartment (“Apartment”), a wide array of personal services, and the security of the availability of an assisted living suite, memory care program and nursing home services in the on-site Health Care Center (all important components of life care).

### **Description of the Community**

There are six buildings at the Community, four of which contain independent living apartments. The four residence buildings are referred to as: Applewood, Birchwood, Cherrywood and Dogwood. The fifth building is referred to as the “Commons Building.” The sixth building is the memory care residence referred to as The Villa.

Administrative offices, the skilled nursing (the “Health Care Center” or “The Springs”) and extensive common areas are in the Commons Building. Common areas include the dining room and the many lounges and activities rooms, such as a library and communications center, mail room, art studio, theater, beauty/spa salon, game room, fitness center, indoor pool, billiards room, an auditorium and, in addition a large central lounge with a fireplace.

Two wings of the Cherrywood building have been converted into assisted living and are referred to as “Cherrywood Lodge” or “The “Inn.” This portion of the community offers 18 private suites, 6 private apartments, a dining room and a common living and activity center.

The community opened a new 14-unit Memory Care residence called The Villa in September 2012. This portion of the community includes 14 suites, a great room, kitchen, dining area and activity center geared for those diagnosed with memory care issues and needing assisted living services.

The 35-bed Health Care Center, The Springs, houses 17 semi-private rooms and one private room, a dining room, recreation room, TV lounge, physical therapy room, clinic, examination room, two sitting areas and a fresh air porch. Emphasis is on restorative care in order to return each Resident to independent living, as appropriate.

There are a total of 155 one and two bedroom Independent Living Apartments in six styles located in the four residence buildings. All of the buildings are connected with heated/air conditioned walkways or bridges as well as elevators. Each of the four residence buildings has a guest room, personal laundry and Resident storage areas.

The reserve, totaling approximately \$747,000 is held at Wells Fargo Bank, with an office at 229 Main Street South, Southbury, Connecticut 06488. A copy of the Escrow Agreement is on file with the Department of Social Services.

### **Statutory Debt Service Reserve Fund**

### ***Documents Filed with Department of Social Services***

All materials required to be filed with the Connecticut Department of Social Services have been submitted and are on file at the Department of Social Services, 25 Sigourney Street, Hartford, Connecticut 06106. The material on file includes the following:

- A current Disclosure Statement (this document).
- Financial information as required by Section 17b-527 of Chapter 319hh of the Connecticut General Statutes (Attachments B and C).
- Statutory Operating Reserve Fund and Entrance Fee Deposit Escrow Agreements.
- The statutory filing fee of \$24 per unit has been paid to the Department of Social Services.

Watermark LLC makes all the above information available for review by its Residents by placing the material in the Residents' library and, if requested, Watermark LLC will also provide current Residents with a complete copy of this Disclosure Statement. In addition, Watermark LLC notifies each Resident annually of the Residents' right to review and obtain a copy of its most recent annual filing with the Department of Social Services.

### ***Prepaid Health Care Obligation***

The total present value of prepaid healthcare of present Residents of the Community as of 2004 has been calculated to be \$35,827,352 over a 30-year period. The calculation is based upon certain actuarial assumptions and methodology using mortality and morbidity rates taken from Milliman & Robertson's actuarial reports. This calculated figure is not a current obligation, but will be incurred over 30 years as the Residents incur healthcare costs. It is funded from entry fees and monthly service fees over the same period of time as the healthcare costs are incurred.

## **Overview of the Continuing Care Contract**

### ***General Description of Contracts***

Each Resident holds a continuing care contract (“Continuing Care Contract” or “Contract”) with Watermark East Hill Woods, L.L.C. (“Watermark LLC”), the owner of The Watermark at East Hill. The Contract provides the Resident with the right to live in an apartment for as long as that Resident is able to live there safely and independently and meets the standards established by Watermark LLC. It also has provisions regarding the availability and costs related to additional levels of care at the Community (e.g., assisted living at The Inn and skilled nursing at The Springs), if those services are needed. Additional provisions regarding services and related costs are included in an addendum to the Continuing Care Contract that a Resident signs upon transfer to The Inn or The Springs.

Each Resident pays Watermark LLC an entrance fee (the “Entrance Fee”) which varies in amount based on the overall features, size, and location of the apartment and on the type of Continuing Care Contract chosen by the Resident. The Resident also pays a monthly service fee (the “Monthly Service Fee”) which varies in amount based on the size of the apartment and the number of Residents living in the apartment. Certain items and services that are not included in the Monthly Service Fee are available for an additional charge. The services that Watermark LLC provides under its Continuing Care Contracts, and the related charges, are described later in this section and in the Contract itself, included as Attachment A.

Prospective Residents are urged to review the details of the Contract very carefully before signing and are reminded that the Contract is personal in nature and does not give any person who is not a party to the Contract any right to reside in the Community or to receive any services provided under the Contract. The Contract contains, among other things, the terms governing termination and rescission rights, rights to the use of the Apartment, rights to the use of The Springs and The Inn, reimbursement of the Entrance Fee, rights of a surviving spouse, the effect of a Resident's marriage or remarriage, the policy regarding Resident's personal property and services provided to Residents. Please take the time to read and understand the Contract. The Contract is available in larger type upon request.

### ***Entrance into the Independent Living Program at The Watermark at East Hill***

Upon deciding to become a Resident of the Community, a prospective Resident completes an Application for Residency and signs a Continuing Care Contract (either Life Care or Fee for Service) to reserve the Apartment selected. At the time the Contract is signed, the prospective Resident will pay an amount equal to ten percent (10%) of the total Entrance Fee (the “Entrance Fee Deposit”) for the apartment selected.

After completing and signing the Application for Residency and the Contract and paying the Entrance Fee Deposit to reserve the selected apartment, a physical health review form must be completed and returned by the prospective Resident's physician. A brief interview with the Director of Health Services and Social Services associate then follows.

The Contract is subject to acceptance by the Community. At the time a prospective Resident executes the Contract as well as when the Resident moves in, his or her health must permit independent living. After payment of the Entrance Fee, the Resident must have sufficient financial resources to pay the Monthly Service Fees, plus other personal expenses, which may reasonably be expected, and to meet anticipated increases in the Monthly Service Fee and any additional fees for services received.

All Applications for Residency will be considered equally without regard to the individual's race, religion, national origin or ancestry.

Once accepted, a move-in date is scheduled with the Resident and plans are made to coordinate the move to the independent living apartment at the Community.

### ***Entrance Fee and Monthly Service Fees***

#### **Entrance Fees**

The Entrance Fee is paid in two parts – an initial deposit of ten percent (10%) upon execution of the Contract and the balance on the date when the Apartment is ready for occupancy. The total amount of the Entrance Fee in effect at the time the Contract is executed will be clearly stated in the Contract. The amount of the fee varies according to the size and type of Apartment selected as well as the financial option chosen.

There are two financial plans offered at the Community. Each new Resident chooses between the options described below:

#### *80% Refundable Plan*

This plan offers a return of 80% of the Entrance Fee paid upon the maturation of the Resident's refund claim. The maturation of a refund claim is described later in this section.

#### *Traditional Declining Plan*

This plan provides for the reduction of the Entrance Fee refund at the rate of 10% for the first month or partial month of residency and 2% per month thereafter. The Entrance Fee will be fully reduced after 46 months. If the Resident moves out or passes away prior to the full reduction, the remainder of the Entrance Fee will be refunded upon the maturation of the Resident's refund claim as described below.

Please note that payment of an Entrance Fee, or other transfer of assets pursuant to a Continuing Care Contract may have significant tax consequences and that prospective Residents are urged to consult a qualified advisor.

Attachment F contains the current schedule of the Community's Entrance Fees.

#### **Refund Claim Maturation**

Two things must occur to consider a claim "mature" and be paid: (1) The Resident must have either moved out of the Community or passed away, and (2) The next apartment of similar style (e.g., one bedroom deluxe) must have been occupied and a new Entrance Fee received by

Watermark LLC. Please note that if there are multiple refund claims awaiting the occupancy of a similar style apartment the Resident with the earliest move out date will be paid the refund at the time of the first reoccupancy and the next Resident will be paid at the time of a subsequent reoccupancy of a similar style apartment. If (2) has not occurred in three (3) years from the termination of the Contract, any refund due will be paid.

### **Monthly Fees**

A Resident also begins to pay a Monthly Service Fee on the first day of residency. The Monthly Service Fee is due on the fifteenth (15) of each month. If the Monthly Service Fee for any month is not paid when due, the Community may collect a late fee, as set forth in the Contract, until the Monthly Service Fee and all late fees are fully paid.

The following items and services are covered by the Monthly Service Fee and are provided at no extra charge:

- One meal per day;
- Bi-weekly housekeeping service for the Apartments and assisted living suites;
- Weekly flat linen service;
- Utilities, including heating, air conditioning, water, sewer, electricity and basic cable television services;
- Scheduled transportation to local shopping, medical appointments, recreational areas, community facilities and places of worship;
- Maintenance of the Apartments and assisted living suites, including all Watermark-provided appliances, carpets and fixtures;
- Emergency call system in each Apartment and assisted living suite and response on a 24-hour per day basis;
- Temporary tray service to Apartments and assisted living suites, when approved for medical reasons;
- Scheduled recreational activities for those Residents interested in participating;
- Access to and use of the common areas of the Community;
- Building and grounds maintenance;
- Additional storage facilities for each Resident's personal belongings;
- Smoke detection and sprinklers in all areas of the buildings; and
- Uncovered parking.

Monthly Service Fees may be adjusted by the Community in its sole discretion, following thirty (30) days written notice to the Residents, in order to meet the financial needs of operation or to provide the required services to the Residents.

### **Payment in The Inn and The Springs**

There are two health care plans offered at the Community. Each new Resident chooses between the two options described below:

### *Lifecare Plan*

A Resident who transfers to The Springs or to an assisted living suite in The Inn will continue to pay the independent living Monthly Service Fee, as may be modified from time to time upon thirty (30) days prior written notice to the Resident. If there are two Residents residing in an independent living apartment and only one Resident transfers to The Springs or The Inn, either temporarily or permanently, there will be no reduction in the Monthly Service Fee for the remaining Resident. The Monthly Service Fee covers up to seven (7) hours per week of assisted living services in The Inn. Watermark may modify the units per week of assisted living services included in the Monthly Service Fee at any time upon thirty days prior written notice to the Resident.

In addition to the Monthly Service Fee, a Resident who transfers to The Springs or The Inn, either temporarily or permanently, must also pay the following extra charges:

- A “Meal and Miscellaneous Ancillary Charge,” which covers two additional meals and two snacks per day, referral services and wellness education. The current amount of the Meal and Miscellaneous Charge is set forth in Exhibit B of the Continuing Care Contract (“Schedule of Additional Fees”). The Continuing Care Contract is attached to this Disclosure Statement as Attachment A;
- Charges for any medical services and supplies that the Resident requires, including but not limited to, physician services, physical therapy, and medications; and
- The Inn only: Charges for assisted living services in excess of seven (7) hours per week. The charge amount for such additional assisted living services is based on the level (or “Tier”) of additional assisted living services that the Resident requires, which shall be determined based on a functional assessment of the Resident. The current charge amounts for each Tier are outlined in Exhibit B of the Continuing Care Contract (“Schedule of Additional Fees”).

Watermark may modify the extra charges and services provided and offer new or differed tiered pricing or other pricing programs at any time upon thirty days prior written notice to the Resident.

Attachment E contains historic information about the Monthly Service Fee, and the Community’s current Monthly Service Fees are shown in Attachment F.

### *Fee for Service Plan*

A Resident who transfers to The Springs or to an assisted living suite in The Inn will pay the then-current market rates for The Springs or The Inn. If the transfer is temporary and the Resident still maintains an independent living apartment the service fees for both levels of care will apply. If there are two Residents residing in an independent living apartment and only one Resident transfers to The Springs or The Inn, either temporarily or permanently, there will be no reduction in the Monthly Service Fee for the remaining Resident.

In addition to the Monthly Service Fee, a Resident who transfers to The Springs or The Inn, either temporarily or permanently, must also pay for charges for any medical services

and supplies that the Resident requires, including but not limited to, physician services, physical therapy, and medications. Also, in The Inn, charges for assisted living services in excess of the base level of care included in the then-current market rates. The charge amount for such additional assisted living services is based on the level (or “Tier”) of additional assisted living services that the Resident requires, which shall be determined based on a functional assessment of the Resident.

The current market rates amounts for The Spring and Inn, including Tiers are outlined in Exhibit B of the Continuing Care Contract (“Schedule of Additional Fees”) as reference, but may be different at the time the Resident transfers into those programs. Additionally, Attachment E contains historic information about the Monthly Service Fee, and the Community’s current Monthly Service Fees are shown in Attachment F.

### **Payment in The Villa**

A Resident who transfers to The Villa will pay the then-market daily Villa service fee as may be modified from time to time upon thirty (30) days prior written notice to the Resident as well as additional meals and services. Residents in The Villa also pay for any medical services and supplies that the Resident requires, including but not limited to, physician services, physical therapy, and medications; and for services based on the level (or “Tier”) of additional services that the Resident requires, which shall be determined based on a functional assessment of the Resident. The current charge amounts for each Tier are outlined in Exhibit B of the Continuing Care Contract (“Schedule of Additional Fees”). If the transfer is temporary, payment in The Villas is in addition to the cost of the Independent Living apartment.

If there are two Residents residing in an independent living apartment and only one Resident transfers to The Villa, either temporarily or permanently, there will be no reduction in the Monthly Service Fee for the remaining independent living Resident. The Second Occupant Monthly Service Fee will be increased to the same as the First Person living in the independent living apartment.

Watermark may modify the extra charges and services provided and offer new or differed tiered pricing or other pricing programs at any time upon thirty days prior written notice to the Resident.

### ***Terminating the Contract***

Any monies paid toward the Entrance Fee are held in escrow, as described earlier in this Disclosure Statement, until thirty (30) days after the Contract has been signed (the “Rescission Period”). During the Rescission Period, the Resident may cancel the Contract and a full refund of the Entrance Fee, less an administrative and processing fee not to exceed the greater of two percent (2%) of the Entrance Fee or One Thousand Dollars (\$1,000) will be made. Should the Resident terminate the Contract after the Rescission Period, the timing and amount refunded will depend upon the circumstances surrounding the termination as set forth in the Contract.

In order to rescind or terminate the Contract, the prospective Resident or their legal representative must send notification in writing to Watermark LLC at the address listed below by

registered or certified mail in accordance with the notice periods stated in the Contract.

The Watermark at East Hill  
c/o Executive Director  
611 East Hill Road  
Southbury, CT 06488

Watermark LLC may terminate the Contract only for the following reasons, as described in the Contract:

- The Resident has failed to pay the Monthly Service Fee and is in default two months or more and does not qualify for, has not applied for in good faith, or is not granted special financial assistance;
- Information was falsified or material facts affecting Watermark's decision to accept Resident were not reflected in the Application for Residency;
- The Resident fails to comply with the policies of Watermark and/or is creating a disturbance which is detrimental to the health, safety, or peaceful lodging of other Residents;
- The Resident is or becomes infected with a dangerous or contagious disease; or
- The Resident becomes mentally or emotionally disordered to the degree that the health, safety, or peaceful lodging of other Residents is adversely affected and permanent transfer of the Resident to an appropriate off-site facility is determined to be necessary by Watermark in consultation with the Resident's family or guardian and physician.

In the event that a situation arises which requires that Watermark LLC terminate a Resident's Contract, the Resident or their designated representative will be notified by the appropriate representative of Watermark LLC during a personal conference in which grounds for the termination will be discussed. No other members of the Resident population will be involved in this or any other similar personal matter.

## **Business Plan**

### **Funding**

Watermark LLC purchased the Community in November 2007 and embarked on a comprehensive improvement program including the addition of numerous new facilities and amenities for our residents. Watermark LLC invested \$41 million at the time of the initial acquisition of the Community and to date has invested an additional \$12.6 million in the improvement program, bringing our total investment funding up to \$53.6 million as of May 2013.

The funding of \$53.6 million was provided entirely by the two members of Watermark LLC, namely FSPP II EHW, L.L.C. and Watermark EHW Investments, LLC, and their affiliates. There are no unrelated third-party lenders, mortgage holders or financial investors. Watermark LLC was entirely funded by its owners and their affiliates in this manner in order to create a strong and secure financial foundation for the Community.

This funding from the two members is structured as a combination of debt and equity. As of

May 2013, the remaining amount of capital committed by the owners and their affiliates but not yet drawn is \$13.7 million. This undrawn balance represents a source of funding for ongoing improvement and expansion initiatives at the Community.

### **Business Plan Initiatives**

Since becoming the owner of the Community, Watermark LLC has carried out numerous capital improvement initiatives intended to enhance the lives and well-being of our residents. Some of the initiatives that have been completed to date are as follows:

- Renovation and modernization of all common areas in the Community;
- Addition of the indoor salt-water pool;
- Addition of state-of-the-art fitness center & spa facilities;
- Renovation and redecoration of main dining venue and bar dining venue;
- Addition of “The Café,” a third, separate dining venue for lighter fare;
- Upgrades and renovations to numerous individual apartments;
- Renovated the skilled nursing center, including a new resident/family kitchen area, more open style great room, and renovated resident rooms and bathrooms, and attained Medicare certification for the facility;
- Upgraded all computer software in skilled nursing and business office functions;
- Constructed the “Villa,” our new memory care program facility and program;
- Upgraded and modernized the “Inn,” our assisted living facility and program.

Additional improvements are planned for the future, including the addition of 28 new independent living cottages in certain locations on our beautiful 50-acre site. This new construction would be contingent on financing, zoning, and other approvals.

Upon transfer to The Inn or The Springs, the Resident agrees to sign a separate Assisted Living or The Springs Health Center Addendum to this Agreement, as appropriate. The Resident shall continue to be responsible for payment of the Monthly Service Fee and shall also be responsible for (a) a “Meal and Miscellaneous Ancillary Charge,” which covers two additional meals and two snacks per day, referral services and wellness education; plus (b) all “Non-covered Costs” as defined in Section II(c)(2) below. The Resident will continue to receive the services outlined in Section II(a) above, except as otherwise provided therein.

  - (ii) All medical, therapeutic, and non-medical extras, including an individual telephone or occupancy, at the Resident’s request, in a private room;
  - (iii) The Inn only: Assisted living services beyond seven (7) hours per week. The Monthly Service Fee covers up to seven (7) hours per week of assisted living services. Additional services beyond seven (7) hours per week require payment of an Additional Fee. If the Resident is transferred to The Inn , the Resident shall be responsible for payment for assisted living services beyond seven (7) hours per week as follows:
    - (A) The Additional Fee amount for assisted living services beyond seven (7) hours per week is based on the level (or “Tier”) of additional services that the Resident requires. Additional Fees for each Tier as of the Effective Date of this Agreement are outlined in Exhibit B. Watermark may modify such fees at any time upon thirty (30) days prior written notice to the Resident.
    - (B) To determine whether and to what extent the Resident requires additional assisted living services, Watermark will conduct a baseline functional assessment of the Resident prior to or upon admission to The Inn , and periodically thereafter (e.g., when the Resident exhibits a change in condition). The Resident’s needs, and the appropriate Tier, if applicable, will be documented in an Individualized

- (C) Watermark will update the Resident’s Individualized Service Plan and Tier designation as necessary to reflect changes in the Resident’s condition as determined by subsequent functional assessments of the Resident;
  - (D) Watermark may modify the Tier program for assisted living services, and may introduce new programs for such services and the payment for such services at any time upon thirty (30) days prior written notice to the Resident.

Watermark may from time to time identify additional Non-covered Costs, whether of a medical/health nature or otherwise, for which the Resident will be financially responsible. Watermark will notify the Resident in writing at least thirty (30) days in advance of any such additional Non-covered Cost becoming effective.
- (3) If the Resident is admitted to The Inn or to The Springs, Watermark will receive (either directly or by payment by the Resident if the Resident receives the payment) any applicable payments made under Medicare or any other health insurance plan. The Resident will be required to pay for any health services not covered by this Agreement, by Medicare, or by other insurance.
- (4) The Resident is required to arrange for a local personal physician who will attend the Resident in The Inn or in The Springs as necessary. The Resident will pay all charges for such care including the charges for an emergency physician, paramedic, ambulance, etc.
- (5) If the Resident requires the exclusive use of a wheelchair, walker, or gerichair, there will be a rental charge. Residents may obtain such equipment from outside sources. If such special equipment is required

for long-term use, Residents are usually advised to purchase the equipment. Watermark will assist in the arrangements for the purchase of such equipment if the Resident desires.

- (6) If the Resident needs home care services, the Resident is responsible for the cost of such services. The Resident has the option to select a home health care agency of his or her choice. If requested, Watermark will assist the Resident in choosing an appropriate agency.
- (7) Watermark will offer an Alzheimer's special care program. Watermark will market the Community as providing specialized care and services for those persons suffering from Alzheimer's disease, dementia and similar disorders and will provide the appropriate disclosures as required by Connecticut law. The Resident will be responsible for the cost of such services and the Alzheimer's program will not be part of the life care benefit outlined in Section II(c)(1) of this Agreement.

### **III. SELECTION OF APARTMENT, REQUIRED FEES AND REFUND CALCULATION**

(a) Selection of Apartment and Refund Option

- (1) The Resident has selected the Apartment identified on Exhibit A hereof.
- (2) The Resident has selected either the 80% or Traditional plan as the refundable option as indicated on Exhibit A hereof.

(b) Required Fees

For the right to use the Apartment at Watermark and to receive the services described in this Agreement, the Resident agrees to pay to Watermark the following fees, which are due and payable as described below:

- (1) The Entrance Fee payable for the Apartment for the chosen Refund Option is set forth on Exhibit A hereof and due as follows:
  - (i) A deposit of 10% (ten percent) (the “Down Payment”) due upon the signing of this Agreement.
  - (ii) The remaining amount of the Entrance Fee (the “Balance”) must be paid in full with a certified check on the Date of Occupancy, even if the Resident does not move in to the Apartment at that time.
  
- (2) Second Person Non-Refundable Entrance Fee. This fee is not refundable and is due on the Date of Occupancy.
  
- (3) Monthly Service Fee
  - (i) The Monthly Service Fees for the Apartment for one person and for the second person, if any, are set forth on Exhibit A hereof. The Monthly Service Fee for the first month will be prorated to reflect the number of days of occupancy that month. The prorated amount is due prior to occupancy.
  - (ii) The Monthly Service Fee shall be paid by the Resident and is payable in advance on the first day of each month during the term of this Agreement. Watermark may increase the Monthly Service Fee by giving the Resident thirty (30) days prior written notice of a change, if Watermark, in its sole discretion, deems the increased fee to be necessary to meet the financial needs of Watermark. Watermark reserves the right to charge a late fee and/or an ACH fee as outlined in Exhibit A.
  - (iii) A first-person Monthly Service Fee must be paid for each Apartment. If two Apartments are combined, the applicable Monthly Service Fee for the combined apartments shall be a total of the first-person rate for each Apartment.

(c) Entrance Fee Refund Calculation

Any applicable Entrance Fee Refund will be paid as outlined in Section VIII and will be calculated, less any charges as outlined in Section VIII, after the expiration of the Rescission Period and after the Date of Occupancy, whichever is later, as follows:

- (1) 80% Refundable Plan. The Resident is eligible for an Entrance Fee Refund of 80% (eighty percent) of the Entrance Fee.
- (2) Traditional Declining Plan. The Resident is eligible for an Entrance Fee Refund that declines to a zero balance over 46 (forty-six) months. It declines by 10% after the first full or partial month of occupancy and declines by an additional 2% (two percent) each month thereafter.

**IV. RESIDENT ACCEPTANCE POLICY**

(a) The Application and Review Procedure

The Resident must complete an Application for Residency and Residency Agreement prior to the Date of Occupancy which will be reviewed by the authorized officer or representative of Watermark in accordance with established acceptance policies. Special considerations or cases not meeting all of the admission criteria will be referred to the Executive Director of Watermark for consideration and action.

(b) Physical Requirements for Residency

To be accepted for residency, the Resident must meet the following conditions:

- (1) The Resident must be 65 years of age or more at the time of establishing residency, except where more than one Resident occupies an Apartment, in which case at least one Resident must be 65 years of age or more at the time of establishing residency.

- (2) The Resident must be free from communicable diseases and must be in sufficiently good health to live without assistance in the selected Apartment and be able to function independently.
- (3) The Resident must disclose any severe or chronic disorders. A physician's report is required for all Residents prior to the Date of Occupancy.

(c) Financial Requirements for Residency

To be accepted for residency the Resident must meet the following conditions:

- (1) Have financial assets adequate to pay the contracted Entrance Fee, plus an amount sufficient to provide for the Resident's personal financial requirements after residency.
- (2) Have sufficient income to meet the anticipated Monthly Service Fee and any other applicable fees for items and services not covered by the Monthly Service Fee.
- (3) Have coverage under Medicare parts A and B (basic and supplemental coverage) if eligible, and one supplementary health insurance policy. Parts of this qualification may be waived or modified for certain groups of people such as retired Civil Service employees and those with comparable coverage with a Health Maintenance Organization or other private insurance.
- (4) If a Life Care Resident becomes unable to pay the Monthly Service Fee due to conditions beyond his or her control, the Resident may apply for special financial consideration and establish a subsidy need to the satisfaction of Watermark. A subsidy may be granted to the Resident provided it does not impair the ability of Watermark to operate on a sound financial basis. In the event such subsidy is granted by Watermark, any deficiency amount owing to Watermark

plus interest shall be due and payable at such time as the Resident has sufficient funds therefore. Otherwise the amount of such financial assistance so provided plus interest shall be deducted from the amount of the refund due at the time this Agreement is terminated. Such subsidy shall be granted at the sole discretion of Watermark. Section VIII(d)(1) of this Agreement contains additional details related to the granting of such financial assistance.

(d) Joint Residency - Unrelated Persons

When two or more unrelated persons intend to live in one Independent Living Apartment, the following conditions will apply:

- (1) Evidence of prior long-term compatibility of the Residents must be shown to Watermark.
- (2) All persons living in an Apartment shall sign a Residency Agreement and qualify as a Resident.
- (3) Cancellation rights and surviving Resident rights are the same as outlined in Section VIII, Cancellation of this Agreement and Refunds.

(e) Non-participating Occupant

The Resident may apply for the right to have a non-participating occupant live in the Apartment without the protection of the life care program. A Non-participating Occupant may apply for and be accepted for life care residency provided all qualifications are met and the applicable Entrance Fee is paid. Such right may be granted on the following conditions:

- (1) A Non-participating Occupant Application and Agreement is executed and approved by Watermark.
- (2) A Monthly Service Fee is paid for the second person.

- (3) The Non-participating Occupant agrees: (a) to abide by Watermark’s Resident Policies and Procedures; (b) that Watermark will not provide assisted living or nursing care under the non-participating arrangement; and (c) to vacate the Apartment within thirty (30) days after termination of residency in the Apartment by the Resident.

**V. JOINT OCCUPANCY**

(a) Separation, Divorce Or Death Of Joint Residents

- (1) If, after becoming Residents, the joint Residents become separated or divorced, the following possibilities could occur:
- (i) Each party desires separate Apartment and one remains in the contracted Apartment. In this event, no refund is given and a new Residency Agreement must be submitted for Watermark’s approval, accompanied by the current Entrance Fee for the second Apartment. The first person Monthly Service Fee for each Apartment is charged to the respective Residents.
  - (ii) One party of the separated or divorced couple desires to terminate residency and move from Watermark. In this event, the remaining party retains full rights as a Resident. The second person Monthly Service Fee is discontinued, but there is no refund of the Entrance Fee to either party.
  - (iii) Both of the Residents desire to cancel this Agreement following the separation or divorce. In this event, the normal refund provisions of this Agreement shall apply.
- (2) In the case of the death of one of the joint Residents after establishing residency, the surviving Resident retains all rights as a Resident, with the privilege of residing in the same Apartment. The second person Monthly Service Fee is discontinued, but there is no refund of any part of the Entrance Fee. If the surviving Resident desires to move

out of Watermark, the refund provisions of this Agreement shall apply.

(b) Joint Occupancy.

- (1) If the Resident and non-resident marry and desire to reside in the Resident's Apartment, a second-person Monthly Service Fee will be charged. A new Residency Agreement documenting the change, together with an Application for Residency for the new Resident, must be submitted to Watermark for approval. If the non-Resident spouse does not qualify under the guidelines established by Watermark for life-care residency, the non-Resident spouse may apply and be considered for residency under the non-Participating Occupant guidelines. The Residents will be charged the applicable first and second-person Monthly Service Fees.
- (2) If two Residents residing in separate Apartments wish to marry, they may either release one Apartment and reside together in the other or release both Apartments and move into another larger Apartment.

If they elect to release one Apartment and reside together in the other Apartment, a new Residency Agreement must be executed naming both persons as Residents. The agreed upon refund for the vacated Apartment will be made at such time as a similar style Apartment has been reoccupied and a new Entrance Fee has been received by Watermark.

If they elect to release both Apartments and move into another Apartment, a new Residency Agreement for the new Apartment must be executed naming both persons on the Residency Agreement. The current Entrance Fee for the new living Apartment will be charged. The Entrance Fee paid for the released apartments will be credited against the new Entrance Fee. Any deficit will be paid prior to occupancy and any excess will be refunded when the refund claim matures.

In any case, the Residents will be charged the applicable first and second-person Monthly Service Fees upon joint Residency in the single Apartment.

**VI. RELOCATION FROM INDEPENDENT LIVING APARTMENT**

(a) Moving To A Different Apartment

Residents who elect to move to a different Apartment are required to have the approval of Watermark and pay a transfer charge to offset the redecorating expense of the vacated Apartment. If the move is to a less expensive Apartment, no refund of the Entrance Fee is made at that time. Any refund due at the time the Resident cancels their Agreement will be calculated based on the original Entrance Fee. If a move is made to a more expensive Apartment, however, an additional Entrance Fee will be charged which is equal to the difference between the Entrance Fee originally paid for the vacated Apartment and the current Entrance Fee of the new Apartment. If the Resident moves to a smaller apartment, the Resident's Monthly Service Fee will be the current fee applicable to the original Apartment. If the Resident moves to a larger apartment, the Resident's Monthly Service Fee will be the current fee applicable to the newly-occupied Apartment. Any moving expenses will be the responsibility of the Resident.

(b) Reassigning Of An Apartment By Watermark

A Resident's Apartment may be reassigned by Watermark upon any of the following conditions:

- (1) Fifteen (15) days following the death of the Resident(s).
- (2) Receipt of the Resident's written notice canceling this Agreement and the subsequent vacancy of the Apartment within thirty (30) days.
- (3) Cancellation of this Agreement by Watermark.

- (4) Permanent admission of the Resident to The Inn or The Springs. The permanent status of such a move is normally determined only after a stay in The Inn or The Springs has exceeded fifteen (15) days and is based on the judgment of Watermark, in consultation with the Resident's family and physician that the Resident is unable to live independently in the Apartment. The Resident's Apartment shall be vacated within fifteen (15) days after permanent status in The Inn or The Springs is determined. If the Resident should recover sufficiently to resume independent living at a later date, a similar or alternate Apartment will be provided to the Resident.

(c) Removal of Property

All personal property of the Resident must be removed from the Apartment and storage areas, if applicable, within thirty (30) days following the termination of this Agreement for any reason, including the Resident's death, or the permanent transfer of the Resident to The Inn or The Springs. The Resident (or the Resident's estate) shall be obligated to continue to pay the Monthly Service Fee until all such property is removed; provided, however, that in the event of the Resident's death, the Resident's estate or family will only be responsible for payment of the Monthly Service Fee for a period of time not to exceed fifteen (15) days following the date of death as long as the Resident's Apartment has been vacated.

If the Resident's personal property is not removed within the time-frames stated within this paragraph, Watermark may, in its sole discretion, remove and store all of the Resident's personal property and effects, at the expense of the Resident or the Resident's estate.

**VII. OBLIGATIONS OF RESIDENTS**

(a) Furnishings and Pets

- (1) In the Apartment, all furnishings, decorations, utensils and supplies, other than major appliances and standard painting, carpeting and sheer

curtains provided by Watermark, are at the Resident's expense. The Resident agrees not to make any alterations to the Apartment without Watermark's approval.

- (2) Watermark prohibits excessively heavy items to be taken into the Apartments of multiple story structures. This includes, but is not limited to, pianos, safes and waterbeds.
- (3) Watermark reserves the right to monitor and, if necessary, to require changes in the furnishings, carpeting, appliances, etc. in any Apartment consistent with the health or safety of the Resident or the health, safety, and general welfare of other Residents.
- (4) Pets will be allowed in designated areas of Watermark upon approval by Watermark. Residents owning pets will be required to sign an addendum to their Residency Agreements agreeing that they will adhere to and abide by the policies and guidelines established by Watermark governing the accommodation of pets.

(b) Apartment Alterations By Resident

- (1) Alteration or renovation of, or addition to, any Apartment, building or grounds owned by Watermark shall be initiated in conformity with policies of Watermark. All alterations to Apartments by the Resident must meet the following conditions:
  - (i) Proposed alterations and the names of persons or companies doing work in Apartments must be submitted in writing to Watermark for approval.
  - (ii) Costs of alterations to be done by Watermark's staff are to be paid by the Resident before work commences and may include the cost of restoration to the original state.
  - (iii) All modifications, alterations, or additions to Apartments on behalf of Residents are considered permanent and become the

property of Watermark. Costs of such alterations are not refundable.

- (2) Enlarged Apartments created by combining two or more standard Apartments shall be considered a single Apartment and may be normally occupied by no more than two persons. Costs of this type of conversion must be approved in writing by Watermark and must be paid before work commences. Such payments are not refundable.
- (c) Watermark and emergency personnel must have access at all times to all Independent and Assisted Living Apartments. Except in the event of an emergency, unauthorized persons may not enter the Apartment unless the Resident has signed a release form providing access.

Watermark and its agents, employees and contractors may enter the Apartment during reasonable hours (or, in an emergency, at any hour) upon such notice as is required by law or as is determined to be reasonable in order to inspect, clean, repair or alter the Apartment or perform services for the Resident as Watermark deems necessary. Watermark may require you to eliminate any unsafe or unsanitary conditions.

- (c) The Resident is responsible for any damage that they or their guests or their vendors may cause to the community or its furnishings, equipment or property, except for ordinary wear and tear. Resident must not do, or cause to be done, any act which would violate the Fire Code or Health Code. This includes excessive clutter in the Apartment. Watermark may take immediate action to correct any violations of the Fire Code or Health Code. The Resident must pay the cost of correcting such violations.

## **VIII. CANCELLATION OF THIS AGREEMENT AND REFUNDS**

- (a) Refund Rights During Rescission Period

The thirty (30) day period after signing this Agreement will be referred to as the “Rescission Period”. The Resident may cancel this Agreement at any

time during the Rescission Period. In order to cancel this Agreement, the Resident must send notice to Watermark’s Executive Director by registered or certified mail before the end of the Rescission Period. In the event of such cancellation, all deposits paid or all property transferred by the Resident to Watermark shall be fully refunded by Watermark to the Resident less the fee in the following paragraph. No interest on the deposit will be paid. No Resident shall be required to move into Watermark until after the expiration of the Rescission Period.

Watermark is allowed to deduct a reasonable administrative and processing fee not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the Entrance Fee from the Resident refund (“Administrative Fee”), plus any costs specifically incurred by Watermark at the request of the Resident which have been set forth in an exhibit to this Agreement.

(b) Refund Rights After Rescission Period and Prior to Date of Occupancy

After the expiration of the Rescission Period and prior to the Date of Occupancy, if the Resident dies or, due to illness, injury or incapacity, is precluded from residency under the terms of this Agreement, this Agreement shall be canceled and Watermark shall refund to the Resident or his or her legal representative the Entrance Fee deposit, less the Administrative Fee, described above in subsection (a) without interest. If the Resident is a couple, this Residency Agreement shall be canceled only for the deceased, ill, injured or incapacitated Resident and the remaining Resident may cancel this Agreement at his or her option without penalty or elect to continue this Agreement.

(c) Cancellation of This Agreement By Resident After Date of Occupancy

The Resident shall have the right to cancel this Agreement after establishing residency upon fulfilling the following terms and conditions:

- (1) The Resident must give ninety (90) days written notice of cancellation to Watermark’s Executive Director; and

- (2) The Resident must pay the Monthly Service Fee in full until the end of the ninety (90) day notice period. If a new Resident establishes residency in the terminating Resident's Apartment during the ninety (90) day period, the terminating Resident will be reimbursed for the proportionate overlap period.

(d) Cancellation of This Agreement By Watermark After Date of Occupancy

Watermark may terminate this Agreement and thereby the residency of a Resident upon thirty (30) days written notice under the following conditions:

- (1) The Resident has failed to pay the Monthly Service Fee and is in default two months or more and does not qualify for, has not applied for in good faith, or is not granted special financial assistance;
- (2) Information was falsified or material facts affecting Watermark's decision to accept Resident were not reflected in the Application for Residency;
- (3) Upon a showing of good cause that the Resident is not complying with the policies of Watermark and/or is creating a disturbance which is detrimental to the health, safety, or peaceful lodging of other Residents;
- (4) The Resident is or becomes infected with a dangerous or contagious disease; or
- (5) The Resident becomes mentally or emotionally disordered to the degree that the health, safety, or peaceful lodging of other Residents is adversely affected and permanent transfer of the Resident to an appropriate off-site facility is determined to be necessary by Watermark in consultation with the Resident's family or guardian and physician.

(e) Refund Rights After Date of Occupancy

- (1) In the event of cancellation of this Agreement after the Date of Occupancy, Watermark shall refund the amount of the Entrance Fee as outlined in Section VIII (“Entrance Fee Refund”). The Entrance Fee Refund will be paid to the Resident within 30 (thirty) days of the following:
  - (i) Resident is no longer residing in an Apartment, The Inn Suite or The Springs; and
  - (ii) The earlier of either:
    - (A) The next apartment of similar style, (e.g., one bedroom deluxe), has been occupied and the full balance of a new entrance fee received. If there is more than one Resident who meets the first criteria, the Resident with the earliest date of cancellation will be paid first. The Resident with the next earliest date of cancellation will be paid within 30 days of the subsequent apartment of a similar style having been occupied and a full balance of a new entrance fee received; or
    - (B) The expiration of three (3) years from the date of cancellation of this Agreement.
- (2) The amount of the refund shall be reduced by (i) any amounts due Watermark for unpaid monthly fees, other fees and interest thereon and (2) at Watermark’s option, nursing expenses incurred for care in The Springs, calculated on the basis of the semi-private daily rate for a non-resident patient current at the date of cancellation and (3) any additional unpaid expenses incurred by the Resident.
- (3) At the time of receiving the refund, the terminating Resident must sign a receipt supplied by Watermark terminating this Agreement and releasing Watermark from all further obligations.

(f) Death of A Resident After Date of Occupancy

If a Resident dies after establishing residency, Watermark shall refund the Entrance Fee as outlined in Section VIII(e). Any refund shall be paid to the Resident's estate.

**IX. GENERAL MATTERS**

(a) Guardianship

If a Resident should become mentally or emotionally incapacitated and is unable to handle personal or financial affairs, Watermark may petition a court of competent jurisdiction to appoint an independent conservator or guardian, if such arrangements have not previously been made by the Resident or Resident's family.

(b) Watermark Staff

All staff members are selected and trained to provide to the Resident the services and assistance set forth in this Residency Agreement. No employee of Watermark may act as an agent for or accept Power of Attorney for the personal affairs of any Resident. No employee of Watermark may be named as Executor of a Resident's estate unless such arrangements were made prior to employment of the employee by Watermark.

(c) Guest Policy

Guests are welcome in the Resident's Apartment. There will be no charge for lodging for a limited number of nights. If lodging needs should exceed the limit set by Watermark, the second-person Monthly Service Fee applicable to the Apartment will be billed to the Resident. A limited number of guest rooms may also be available as occupancy of Watermark permits. Details on the availability and charge for these rooms will be provided by Watermark.

(d) Resident Group Participation

Residents have the right to self governance and to organize and operate a resident organization at Watermark and to meet privately to conduct business. Any Resident group organized pursuant to this Section shall have the following rights:

- (1) The right to engage in group activities, including for the purpose of keeping informed of the daily happenings of Watermark.
- (2) The right to use Watermark's facilities to conduct meetings.
- (3) The right to obtain current copies of the Disclosure Statement and Annual Financial Report.

(e) Private Employees

All outside caregivers, companions, aides, housekeepers, maintenance workers, subcontractors and other personnel (“Private Employees”) hired directly by the Resident, or contracted by the Resident through any agency, including a licensed home health agency, to render services to the Resident shall be subject to Watermark’s policies for employment of Private Employees.

- (1) Resident acknowledges that Watermark is not, and will not be, responsible for (i) the quality or quantity of any services rendered by Private Employees to the Resident; (ii) claims made for breach of any obligation by the Resident to provide compensation, workers’ compensation or other insurance; and (iii) claims related to the breach of any statutory or regulatory obligations respecting employment and the withholding and payment of income taxes. The provisions of this indemnification, including this paragraph, shall apply even if the Private Employees are employees of Watermark, its affiliates or its related parties, who are providing such services on their own time.
- (2) The Resident acknowledges that this indemnification is given for the express benefit of Watermark, its affiliates and its related parties, and

the officers, directors, employees, agents, and representatives of Watermark, its affiliates or its related parties, each of whom shall be indemnified pursuant to Section IX(h).

(f) Access to Resident Health Information

For purposes of determining the Resident's qualification for admission and the Resident's eligibility to remain in residence at Watermark, The Resident hereby consents that pertinent health and wellness records will be furnished if and when requested by Watermark. The Resident further consents that their attending physician or other health care provider shall furnish any additional information concerning the Resident's health or physical condition requested by Watermark. Watermark will keep all such records confidential unless disclosure of such records is required law. When requesting access to Resident health information, Watermark shall comply with the Health Insurance Portability and Accountability Act (HIPAA), which regulations are codified at 45 C.F.R. Parts 160, 162 and 164, as such regulations may be amended from time to time, including without limitation, obtaining a HIPAA authorization from the Resident, which the Resident agrees to sign, prior to accessing health information.

(g) Tax Implications

Tax code changes enacted by Congress in June 1984 (Public Law 98-369) may affect a Resident's taxable income. The Internal Revenue Service may interpret section 172 of this law, pertaining to below-market interest rate loans, as imposing an income tax liability on the refundable portion of the Entrance Fee. The IRS might treat the refundable portion of this fee as a loan from the Resident to Watermark and attribute to the Resident receipt of interest income on the outstanding balance of such fee, even though the Resident will not receive interest payments. The Resident should consult with his or her accountant or attorney to determine how section 172 might be applied to the Resident.

(h) Indemnification

Watermark shall not be responsible for the loss of any personal property of the Resident due to any cause. The Resident agrees to indemnify and hold harmless Watermark from and against any injury to persons or to the property of Watermark or of others resulting from the negligence of the Resident. Each Resident should have personal liability insurance which specifically covers this indemnification obligation. Each Resident should also maintain personal property insurance to cover the Resident's personal property.

(i) Subordination

Watermark may have mortgages and other obligations relating to its property. The Resident's rights under this Agreement will be subordinate to those mortgages and obligations, and to any extension, modification, renewal or replacement of those mortgages and obligations.

Notwithstanding the foregoing, the Entrance Fee Escrow Account shall not be subordinated to any other loans or obligations of Watermark or pledged as collateral, invested in any building or healthcare facility of any kind, used for capital contribution or improvements or for the purchase of real estate or removed from the State of Connecticut.

(j) Rights Granted

The rights and privileges granted to the Resident by this Agreement do not include any right, title, or interest in any part of the personal property, land, buildings, and improvements owned or administered by Watermark. The Resident's rights are primarily for services, with a contractual right of residency. Any rights, privileges, or benefits under this Agreement or any interest or contractual rights of any nature in Watermark, including the right to any refund of the Entrance Fee or other payments hereunder, are and shall be subordinate in priority, right, claim, and interest to the lien, charge, or security interest of any mortgage, deed of trust or security agreement now or hereafter placed on or affecting any of Watermark or any interest in the real property or personal property of Watermark, and to any amendment, modification, replacement, or refunding of any mortgage, deed of trust or

security agreement. The Resident agrees that upon request, the Resident will execute and deliver any document which is required by Watermark or by the holder of any such mortgage, deed of trust, or security agreement to effect such subordination or to evidence the same.

The Community will comply with all municipal, state and federal laws and regulations regarding consumer protection and protection from financial exploitation and will afford the Resident all rights and privileges under Conn. Gen. Stat. § 17b-520 et seq. and any other applicable laws.

Additional rights are outlined in Exhibit C of this Agreement.

(k) Grievance Procedure; Community Rules and Regulations

Watermark has adopted certain rules and regulations designed to promote the health, safety and welfare of residents of the Community. The current rules and regulations are contained in the Resident Handbook, incorporated into this Agreement as Exhibit D. Watermark may amend its rules and regulations from time to time as it deems appropriate. The Resident agrees to comply with Watermark's rules and regulations and any amendments thereto.

Watermark encourages residents and their family members and responsible parties to communicate any concerns or grievances they may have. Exhibit D of this Agreement sets forth the Community's resident grievance policy.

(l) Entire Agreement

This Agreement, together with the attached Exhibits, contains the entire agreement between the parties hereto with respect to the services to and the obligations of the Resident and no amendment or addendum is to be recognized unless in writing executed by both parties hereto.

The invalidity or amendment of any restriction, condition, or other provision of this Agreement, or of any part of the same, shall not impair or affect in any way the validity, enforceability, or effect of the rest of this Agreement.

[signatures appear on following page]

By signing this Agreement, the Resident agrees to all the terms that are contained in it.

**COMMUNITY RULES AND REGULATIONS**

See Resident Handbook.

**GRIEVANCE POLICY**

**Policy**

It is the policy of Watermark that all concerns/grievances be addressed promptly, documented, investigated, replied to, reported on and reviewed in an effort to improve satisfaction. Concerns and grievances are defined as either **verbal or written** perceptions of discontent or injustice pertaining to the care provided in or condition of Independent Living, Assisted Living, Memory Care or Skilled Nursing programs which are expressed by residents, family members or associates and are not immediately resolvable on the spot by the individual hearing a concern expressed verbally. *This policy excludes those verbal comments or concerns that are immediately resolvable, but associates should bring these to the attention of department directors promptly.*

If the concern or grievance is expressed in writing (email or letter) or by phone, this policy applies. The concern or grievance requires either written response or documentation of personal discussion with the individual raising it. We are in a service business and will do all possible to ensure a satisfied individual.

**Procedure**

- I. Action and Time Frames
  - A. Immediate steps are to be taken to assure that the respective resident, family member and/or associate is free from harm.
  - B. The applicable department head or designee is to conduct an investigation.
  - C. It may be appropriate to reply to the individual raising the issue to indicate an investigation is occurring.
  - D. The time frame for an offer of an acceptable resolution to the individual will be seven (7) days.
  - E. There may be times where additional discussions are required to reach a resolution, but that time frame goal would be within thirty (30) days.

## II. Documentation

- A. The associate receiving the complaint/grievance is to complete a Concern/Grievance Report and submit it to their immediate supervisor by the end of the shift. If the immediate supervisor is not the department head, they will forward the Concern/Grievance Report to the appropriate department head or designee.
- B. The department head is to document the concern/grievance on the Concern/Grievance Log. They are also to document the results of all applicable investigations on the Concern/Grievance Report and forward this report to the Executive Director.
- C. There should be either a written reply or documentation of the verbal reply to the individual raising the issue.
- D. The Executive Director is to review and sign the Concern/Grievance Report and return it to the applicable department head or designee. There will be times where it is more appropriate for the Executive Director to respond or meet personally with the individuals raising a concern.
- E. A copy of each resident-related Concern/Grievance Report is to be maintained by the Executive Director, in a central, secured area. All original Concern/Grievance Reports are to be maintained in a single location by the department head along with documentation of response.

## III. Review

- A. A review of concerns/grievances is to be conducted quarterly or per state regulations, whichever is more frequent.
- B. Any trends or patterns found in this review are to have action plans in place to prevent recurrence. Action plans which require additional training are to be documented in the associate file on the Associate Training Record. The Executive Director should be informed of action plans and ensure completion.

For the right to use the Apartment at Watermark and to receive the services described in this Agreement, the Resident agrees to pay to Watermark the following fees, which are due and payable as described below:

- (1) The Entrance Fee payable for the Apartment for the chosen Refund Option is set forth on Exhibit A hereof and due as follows:
  - (i) A deposit of 10% (ten percent) (the “Down Payment”) due upon the signing of this Agreement.
  - (ii) The remaining amount of the Entrance Fee (the “Balance”) must be paid in full with a certified check on the Date of Occupancy, even if the Resident does not move in to the Apartment at that time.

  - (ii) The Monthly Service Fee shall be paid by the Resident and is payable in advance on the first day of each month during the term of this Agreement. Watermark may increase the Monthly Service Fee by giving the Resident thirty (30) days prior written notice of a change, if Watermark, in its sole discretion, deems the increased fee to be necessary to meet the financial needs of Watermark. Watermark reserves the right to charge a late fee and/or an ACH fee as outlined in Exhibit A.

- (iii) A first-person Monthly Service Fee must be paid for each Apartment. If two Apartments are combined, the applicable Monthly Service Fee for the combined apartments shall be a total of the first-person rate for each Apartment.

**IV. RESIDENT ACCEPTANCE POLICY**

(a) The Application and Review Procedure

The Resident must complete an Application for Residency and Residency Agreement prior to the Date of Occupancy which will be reviewed by the authorized officer or representative of Watermark in accordance with established acceptance policies. (b) Physical Requirements for Residency

To be accepted for residency, the Resident must meet the following conditions:

- (2) The Resident must be free from communicable diseases and must be in sufficiently good health to live without assistance in the selected Apartment and be able to function independently.
- (3) The Resident must disclose any severe or chronic disorders. A physician's report is required for all Residents prior to the Date of Occupancy.

(c) Financial Requirements for Residency

To be accepted for residency the Resident must meet the following conditions:

- (1) Have financial assets adequate to pay the contracted Entrance Fee, plus an amount sufficient to provide for the Resident's personal financial requirements after residency.
- (2) Have sufficient income to meet the anticipated Monthly Service Fee and any other applicable fees for items and services not covered by the Monthly Service Fee.
- (3) Have coverage under Medicare parts A and B (basic and supplemental coverage) if eligible, and one supplementary health insurance policy. Parts of this qualification may be waived or modified for Residents selecting the Fee for Service health care option and certain groups of people such as retired Civil Service employees and those with comparable coverage with a Health Maintenance Organization or other private insurance.

(d) Joint Residency - Unrelated Persons

When two or more unrelated persons intend to live in one Independent Living Apartment, the following conditions will apply:

- (1) Evidence of prior long-term compatibility of the Residents must be shown to Watermark.
- (2) All persons living in an Apartment shall sign a Residency Agreement and qualify as a Resident.
- (3) Cancellation rights and surviving Resident rights are the same as outlined in Section VIII, Cancellation of this Agreement and Refunds.

(e) Non-participating Occupant

The Resident may apply for the right to have a non-participating occupant live in the Apartment. Such right may be granted on the following conditions:

- (1) A Non-participating Occupant Application and Agreement is executed and approved by Watermark.
- (2) A Monthly Service Fee is paid for the second person.
- (3) The Non-participating Occupant agrees: (a) to abide by Watermark's Resident Policies and Procedures; (b) that Watermark will not provide assisted living or nursing care under the non-participating arrangement; and (c) to vacate the Apartment within thirty (30) days after termination of residency in the Apartment by the Resident.

**V. JOINT OCCUPANCY**

(a) Separation, Divorce Or Death Of Joint Residents

- (1) If, after becoming Residents, the joint Residents become separated or divorced, the following possibilities could occur:
  - (i) Each party desires separate Apartment and one remains in the contracted Apartment. In this event, no refund is given and a new Residency Agreement must be submitted for Watermark's approval, accompanied by the current Entrance Fee for the second Apartment. The first person Monthly Service Fee for each Apartment is charged to the respective Residents.
  - (ii) One party of the separated or divorced couple desires to terminate residency and move from Watermark. In this event, the remaining party retains full rights as a Resident. The second person Monthly Service Fee is discontinued, but there is no refund of the Entrance Fee to either party.
  - (iii) Both of the Residents desire to cancel this Agreement following the separation or divorce. In this event, the normal refund provisions of this Agreement shall apply.
- (2) In the case of the death of one of the joint Residents after establishing residency, the surviving Resident retains all rights as a Resident, with the privilege of residing in the same Apartment. The second person Monthly Service Fee is discontinued, but there is no refund of any part of the Entrance Fee. If the surviving Resident desires to move out of Watermark, the refund provisions of this Agreement shall apply.

(b) Joint Occupancy.

- (1) If the Resident and non-resident marry and desire to reside in the Resident's Apartment, a second-person Monthly Service Fee will be charged. A new Residency Agreement documenting the change, together with an Application for Residency for the new Resident, must

be submitted to Watermark for approval. If the non-Resident spouse does not qualify under the guidelines established by Watermark for life-care residency, the non-Resident spouse may apply and be considered for residency under the non-Participating Occupant guidelines. The Residents will be charged the applicable first and second-person Monthly Service Fees.

- (2) If two Residents residing in separate Apartments wish to marry, they may either release one Apartment and reside together in the other or release both Apartments and move into another larger Apartment.

If they elect to release one Apartment and reside together in the other Apartment, a new Residency Agreement must be executed naming both persons as Residents. The agreed upon refund for the vacated Apartment will be made at such time as a similar style Apartment has been reoccupied and a new Entrance Fee has been received by Watermark.

If they elect to release both Apartments and move into another Apartment, a new Residency Agreement for the new Apartment must be executed naming both persons on the Residency Agreement. The current Entrance Fee for the new living Apartment will be charged. The Entrance Fee paid for the released apartments will be credited against the new Entrance Fee. Any deficit will be paid prior to occupancy and any excess will be refunded when the refund claim matures.

In any case, the Residents will be charged the applicable first and second-person Monthly Service Fees upon joint Residency in the single Apartment.

## **VI. RELOCATION FROM INDEPENDENT LIVING APARTMENT**

- (a) Moving To A Different Apartment

Residents who elect to move to a different Apartment are required to have the approval of Watermark and pay a transfer charge to offset the redecorating expense of the vacated Apartment. If the move is to a less expensive Apartment, no refund of the Entrance Fee is made at that time. Any refund due at the time the Resident cancels their Agreement will be calculated based on the original Entrance Fee. If a move is made to a more expensive Apartment, however, an additional Entrance Fee will be charged which is equal to the difference between the Entrance Fee originally paid for the vacated Apartment and the current Entrance Fee of the new Apartment. In all cases, the Resident's Monthly Service Fee will be the current fee applicable to the newly-occupied Apartment. Any moving expenses will be the responsibility of the Resident. If the Resident moves to a smaller apartment, the Resident's Monthly Service Fee will be the current fee applicable to the original Apartment. If the Resident moves to a larger apartment, the Resident's Monthly Service Fee will be the current fee applicable to the newly-occupied Apartment. Any moving expenses will be the responsibility of the Resident.

(b) Reassigning Of An Apartment By Watermark

A Resident's Apartment may be reassigned by Watermark upon any of the following conditions:

- (1) Fifteen (15) days following the death of the Resident(s).
- (2) Receipt of the Resident's written notice canceling this Agreement and the subsequent vacancy of the Apartment within thirty (30) days.
- (3) Cancellation of this Agreement by Watermark.
- (4) Permanent admission of the Resident to The Inn or The Springs. The permanent status of such a move is normally determined only after a stay in The Inn or The Springs has exceeded fifteen (15) days and is based on the judgment of Watermark, in consultation with the Resident's family and physician that the Resident is unable to live independently in the Apartment. The Resident's Apartment shall be

vacated within fifteen (15) days after permanent status in The Inn or The Springs is determined. If the Resident should recover sufficiently to resume independent living at a later date, a similar or alternate Apartment will be provided to the Resident.

(c) Removal of Property

All personal property of the Resident must be removed from the Apartment and storage areas, if applicable, within thirty (30) days following the termination of this Agreement for any reason, including the Resident's death, or the permanent transfer of the Resident to The Inn or The Springs. The Resident (or the Resident's estate) shall be obligated to continue to pay the Monthly Service Fee until all such property is removed; provided, however, that in the event of the Resident's death, the Resident's estate or family will only be responsible for payment of the Monthly Service Fee for a period of time not to exceed fifteen (15) days following the date of death as long as the Resident's Apartment has been vacated.

If the Resident's personal property is not removed within the time-frames stated within this paragraph, Watermark may, in its sole discretion, remove and store all of the Resident's personal property and effects, at the expense of the Resident or the Resident's estate.

**VII. OBLIGATIONS OF RESIDENTS**

(a) Furnishings and Pets

(1) In the Apartment, all furnishings, decorations, utensils and supplies, other than major appliances and standard painting, carpeting and sheer curtains provided by Watermark, are at the Resident's expense. The Resident agrees not to make any alterations to the Apartment without Watermark's approval.

- (2) Watermark prohibits excessively heavy items to be taken into the Apartments of multiple story structures. This includes, but is not limited to, pianos, safes and waterbeds.
- (3) Watermark reserves the right to monitor and, if necessary, to require changes in the furnishings, carpeting, appliances, etc. in any Apartment consistent with the health or safety of the Resident or the health, safety, and general welfare of other Residents.
- (4) Pets will be allowed in designated areas of Watermark upon approval by Watermark. Residents owning pets will be required to sign an addendum to their Residency Agreements agreeing that they will adhere to and abide by the policies and guidelines established by Watermark governing the accommodation of pets.

(b) Apartment Alterations By Resident

- (1) Alteration or renovation of, or addition to, any Apartment, building or grounds owned by Watermark shall be initiated in conformity with policies of Watermark. All alterations to Apartments by the Resident must meet the following conditions:
  - (i) Proposed alterations and the names of persons or companies doing work in Apartments must be submitted in writing to Watermark for approval.
  - (ii) Costs of alterations to be done by Watermark's staff are to be paid by the Resident before work commences and may include the cost of restoration to the original state.
  - (iii) All modifications, alterations, or additions to Apartments on behalf of Residents are considered permanent and become the property of Watermark. Costs of such alterations are not refundable.

- (2) Enlarged Apartments created by combining two or more standard Apartments shall be considered a single Apartment and may be normally occupied by no more than two persons. Costs of this type of conversion must be approved in writing by Watermark and must be paid before work commences. Such payments are not refundable.
- (c) Watermark and emergency personnel must have access at all times to all Independent and Assisted Living Apartments. Except in the event of an emergency, unauthorized persons may not enter the Apartment unless the Resident has signed a release form providing access.

Watermark and its agents, employees and contractors may enter the Apartment during reasonable hours (or, in an emergency, at any hour) upon such notice as is required by law or as is determined to be reasonable in order to inspect, clean, repair or alter the Apartment or perform services for the Resident as Watermark deems necessary. Watermark may require you to eliminate any unsafe or unsanitary conditions.

- (c) The Resident is responsible for any damage that they or their guests or their vendors may cause to the community or its furnishings, equipment or property, except for ordinary wear and tear. Resident must not do, or cause to be done, any act which would violate the Fire Code or Health Code. This includes excessive clutter in the Apartment. Watermark may take immediate action to correct any violations of the Fire Code or Health Code. The Resident must pay the cost of correcting such violations.

## **VIII. CANCELLATION OF THIS AGREEMENT AND REFUNDS**

- (a) Refund Rights During Rescission Period

The thirty (30) day period after signing this Agreement will be referred to as the “Rescission Period”. The Resident may cancel this Agreement at any time during the Rescission Period. In order to cancel this Agreement, the Resident must send notice to Watermark’s Executive Director by registered or certified mail before the end of the Rescission Period. In the event of such

cancellation, all deposits paid or all property transferred by the Resident to Watermark shall be fully refunded by Watermark to the Resident less the fee in the following paragraph. No interest on the deposit will be paid. No Resident shall be required to move into Watermark until after the expiration of the Rescission Period.

Watermark is allowed to deduct a reasonable administrative and processing fee not to exceed the greater of one thousand dollars (\$1,000) or two percent (2%) of the Entrance Fee from the Resident refund (“Administrative Fee”), plus any costs specifically incurred by Watermark at the request of the Resident which have been set forth in an exhibit to this Agreement.

After the expiration of the Rescission Period and prior to the Date of Occupancy, if the Resident dies or, due to illness, injury or incapacity, is precluded from residency under the terms of this Agreement, this Agreement shall be canceled and Watermark shall refund to the Resident or his or her legal representative the Entrance Fee deposit, less the Administrative Fee, described above in subsection (a) without interest. If the Resident is a couple, this Residency Agreement shall be canceled only for the deceased, ill, injured or incapacitated Resident and the remaining Resident may cancel this Agreement at his or her option without penalty or elect to continue this Agreement.

(c) Cancellation of This Agreement By Resident After Date of Occupancy

The Resident shall have the right to cancel this Agreement after establishing residency upon fulfilling the following terms and conditions:

- (1) The Resident must give ninety (90) days written notice of cancellation to Watermark’s Executive Director; and
- (2) The Resident must pay the Monthly Service Fee in full until the end of the ninety (90) day notice period. If a new Resident establishes residency in the terminating Resident’s Apartment during the ninety

(90) day period, the terminating Resident will be reimbursed for the proportionate overlap period.

(d) Cancellation of This Agreement By Watermark After Date of Occupancy

Watermark may terminate this Agreement and thereby the residency of a Resident upon thirty (30) days written notice under the following conditions:

- (1) The Resident has failed to pay the Monthly Service Fee and is in default two months or more and does not qualify for, has not applied for in good faith, or is not granted special financial assistance;
- (2) Information was falsified or material facts affecting Watermark’s decision to accept Resident were not reflected in the Application for Residency;
- (3) Upon a showing of good cause that the Resident is not complying with the policies of Watermark and/or is creating a disturbance which is detrimental to the health, safety, or peaceful lodging of other Residents;
- (4) The Resident is or becomes infected with a dangerous or contagious disease; or
- (5) The Resident becomes mentally or emotionally disordered to the degree that the health, safety, or peaceful lodging of other Residents is adversely affected and permanent transfer of the Resident to an appropriate off-site facility is determined to be necessary by Watermark in consultation with the Resident’s family or guardian and physician.

(e) Refund Rights After Date of Occupancy

- (1) In the event of cancellation of this Agreement after the Date of Occupancy, Watermark shall refund the amount of the Entrance Fee as outlined in Section VIII (“Entrance Fee Refund”). The Entrance

Fee Refund will be paid to the Resident within 30 (thirty) days of the following:

(i) Resident is no longer residing in an Apartment, The Inn Suite or The Springs; and

(ii) The earlier of either:

(A) The next apartment of similar style, (e.g., one bedroom deluxe), has been occupied and the full balance of a new entrance fee received. If there is more than one Resident who meets the first criteria, the Resident with the earliest date of cancellation will be paid first. The Resident with the next earliest date of cancellation will be paid within 30 days of the subsequent apartment of a similar style having been occupied and a full balance of a new entrance fee received; or

(B) The expiration of three (3) years from the date of cancellation of this Agreement.

(2) The amount of the refund shall be reduced by (i) any amounts due Watermark for unpaid monthly fees, other fees and interest thereon and (2) at Watermark's option, nursing expenses incurred for care in The Springs, calculated on the basis of the semi-private daily rate for a non-resident patient current at the date of cancellation and (3) any additional unpaid expenses incurred by the Resident.

(3) At the time of receiving the refund, the terminating Resident must sign a receipt supplied by Watermark terminating this Agreement and releasing Watermark from all further obligations.

(f) Death of A Resident After Date of Occupancy

**IX. GENERAL MATTERS**

the officers, directors, employees, agents, and representatives of Watermark, its affiliates or its related parties, each of whom shall be indemnified pursuant to Section IX(h).

(f) Access to Resident Health Information

For purposes of determining the Resident's qualification for admission and the Resident's eligibility to remain in residence at Watermark, The Resident hereby consents that pertinent health and wellness records will be furnished if and when requested by Watermark. The Resident further consents that their attending physician or other health care provider shall furnish any additional information concerning the Resident's health or physical condition requested by Watermark. Watermark will keep all such records confidential unless disclosure of such records is required law. When requesting access to Resident health information, Watermark shall comply with the Health Insurance Portability and Accountability Act (HIPAA), which regulations are codified at 45 C.F.R. Parts 160, 162 and 164, as such regulations may be amended from time to time, including without limitation, obtaining a HIPAA authorization from the Resident, which the Resident agrees to sign, prior to accessing health information.

(g) Tax Implications

Tax code changes enacted by Congress in June 1984 (Public Law 98-369) may affect a Resident's taxable income. The Internal Revenue Service may interpret section 172 of this law, pertaining to below-market interest rate loans, as imposing an income tax liability on the refundable portion of the Entrance Fee. The IRS might treat the refundable portion of this fee as a loan from the Resident to Watermark and attribute to the Resident receipt of interest income on the outstanding balance of such fee, even though the Resident will not receive interest payments. The Resident should consult with his or her accountant or attorney to determine how section 172 might be applied to the Resident.

(h) Indemnification

Watermark shall not be responsible for the loss of any personal property of the Resident due to any cause. The Resident agrees to indemnify and hold harmless Watermark from and against any injury to persons or to the property of Watermark or of others resulting from the negligence of the Resident. Each Resident should have personal liability insurance which specifically covers this indemnification obligation. Each Resident should also maintain personal property insurance to cover the Resident's personal property.

(i) Subordination

Watermark may have mortgages and other obligations relating to its property. The Resident's rights under this Agreement will be subordinate to those mortgages and obligations, and to any extension, modification, renewal or replacement of those mortgages and obligations.

Notwithstanding the foregoing, the Entrance Fee Escrow Account shall not be subordinated to any other loans or obligations of Watermark or pledged as collateral, invested in any building or healthcare facility of any kind, used for capital contribution or improvements or for the purchase of real estate or removed from the State of Connecticut.

(j) Rights Granted

The rights and privileges granted to the Resident by this Agreement do not include any right, title, or interest in any part of the personal property, land, buildings, and improvements owned or administered by Watermark. The Resident's rights are primarily for services, with a contractual right of residency. Any rights, privileges, or benefits under this Agreement or any interest or contractual rights of any nature in Watermark, including the right to any refund of the Entrance Fee or other payments hereunder, are and shall be subordinate in priority, right, claim, and interest to the lien, charge, or security interest of any mortgage, deed of trust or security agreement now or hereafter placed on or affecting any of Watermark or any interest in the real property or personal property of Watermark, and to any amendment, modification, replacement, or refunding of any mortgage, deed of trust or

security agreement. The Resident agrees that upon request, the Resident will execute and deliver any document which is required by Watermark or by the holder of any such mortgage, deed of trust, or security agreement to effect such subordination or to evidence the same.

The Community will comply with all municipal, state and federal laws and regulations regarding consumer protection and protection from financial exploitation and will afford the Resident all rights and privileges under Conn. Gen. Stat. § 17b-520 et seq. and any other applicable laws.

Additional rights are outlined in Exhibit C of this Agreement.

(k) Grievance Procedure; Community Rules and Regulations

Watermark has adopted certain rules and regulations designed to promote the health, safety and welfare of residents of the Community. The current rules and regulations are contained in the Resident Handbook, incorporated into this Agreement as Exhibit D. Watermark may amend its rules and regulations from time to time as it deems appropriate. The Resident agrees to comply with Watermark's rules and regulations and any amendments thereto.

Watermark encourages residents and their family members and responsible parties to communicate any concerns or grievances they may have. Exhibit D of this Agreement sets forth the Community's resident grievance policy.

(l) Entire Agreement

This Agreement, together with the attached Exhibits, contains the entire agreement between the parties hereto with respect to the services to and the obligations of the Resident and no amendment or addendum is to be recognized unless in writing executed by both parties hereto.

The invalidity or amendment of any restriction, condition, or other provision of this Agreement, or of any part of the same, shall not impair or affect in any way the validity, enforceability, or effect of the rest of this Agreement.

**COMMUNITY RULES AND REGULATIONS**

See Resident Handbook.

**GRIEVANCE POLICY**

**Policy**

It is the policy of Watermark that all concerns/grievances be addressed promptly, documented, investigated, replied to, reported on and reviewed in an effort to improve satisfaction. Concerns and grievances are defined as either **verbal or written** perceptions of discontent or injustice pertaining to the care provided in or condition of Independent Living, Assisted Living, Memory Care or Skilled Nursing programs which are expressed by residents, family members or associates and are not immediately resolvable on the spot by the individual hearing a concern expressed verbally. *This policy excludes those verbal comments or concerns that are immediately resolvable, but associates should bring these to the attention of department directors promptly.*

If the concern or grievance is expressed in writing (email or letter) or by phone, this policy applies. The concern or grievance requires either written response or documentation of personal discussion with the individual raising it. We are in a service business and will do all possible to ensure a satisfied individual.

**Procedure**

- I. Action and Time Frames
  - A. Immediate steps are to be taken to assure that the respective resident, family member and/or associate is free from harm.
  - B. The applicable department head or designee is to conduct an investigation.
  - C. It may be appropriate to reply to the individual raising the issue to indicate an investigation is occurring.
  - D. The time frame for an offer of an acceptable resolution to the individual will be seven (7) days.
  - E. There may be times where additional discussions are required to reach a resolution, but that time frame goal would be within thirty (30) days.

## II. Documentation

- A. The associate receiving the complaint/grievance is to complete a Concern/Grievance Report and submit it to their immediate supervisor by the end of the shift. If the immediate supervisor is not the department head, they will forward the Concern/Grievance Report to the appropriate department head or designee.
- B. The department head is to document the concern/grievance on the Concern/Grievance Log. They are also to document the results of all applicable investigations on the Concern/Grievance Report and forward this report to the Executive Director.
- C. There should be either a written reply or documentation of the verbal reply to the individual raising the issue.
- D. The Executive Director is to review and sign the Concern/Grievance Report and return it to the applicable department head or designee. There will be times where it is more appropriate for the Executive Director to respond or meet personally with the individuals raising a concern.
- E. A copy of each resident-related Concern/Grievance Report is to be maintained by the Executive Director, in a central, secured area. All original Concern/Grievance Reports are to be maintained in a single location by the department head along with documentation of response.

## III. Review

- A. A review of concerns/grievances is to be conducted quarterly or per state regulations, whichever is more frequent.
- B. Any trends or patterns found in this review are to have action plans in place to prevent recurrence. Action plans which require additional training are to be documented in the associate file on the Associate Training Record. The Executive Director should be informed of action plans and ensure completion.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting the Company uses for federal income tax purposes as described in Note 2; this includes determining that the income tax basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and members' deficit of Watermark East Hill Woods, LLC as of December 31, 2014 and 2013, its revenue and expenses, members' deficit and its cash flows for the years then ended, in accordance with the basis of accounting the Company uses for federal income tax purposes as described in Note 2.

***Emphasis of Matter***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of accounting the Company uses for federal income tax purposes, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## Notes to Financial Statements

(Income Tax Basis)

### December 31, 2014 and 2013

---

#### 1. Organization and Business

Watermark East Hill Woods, LLC (the “Company” or “East Hill Woods”) was organized on May 8, 2007 as a limited liability company (“LLC”) pursuant to the laws of the State of Delaware. The purpose of the Company was to acquire, own and operate a residential retirement community in Southbury, Connecticut (the “Community”). The purchase was consummated on November 8, 2007 for total consideration of approximately \$34 million subject to liabilities assumed of approximately \$17 million. The Company is 70% owned by FSPP II East Hill Woods, LLC (“FSPP II”), a Delaware limited liability company and is 30% owned by Watermark East Hill Woods Investment, LLC (“Investments”), a Delaware limited liability company (collectively, the “Members”).

Taxable income or loss generated by the Company shall be allocated in accordance with the Amended and Restated Limited Liability Company Agreement of the Company (the “LLC Agreement”) which states that special allocations as defined in the LLC Agreement shall take effect, then allocations of net income or losses shall be allocated prior to reducing capital accounts for any distributions for that year. Special allocations include an allocation to the extent of member nonrecourse deductions, and a limitation of losses to the extent a member is in a negative members’ deficit position. Thereafter, net income or loss shall be allocated among the Members to cause the adjusted capital account of each Member to equal the amounts that would be distributed to such Member if the Company distributed all net cash flows plus the amount that would be distributed if the Company liquidated its assets for their adjusted tax basis. Distributions, as defined in the LLC Agreement, are made as follows:

- (1) First, to repay Protective Contributions, pro rata, based on total Protective Contributions, including, without limitation, a 20% Contribution Return thereon;
- (2) Second, (i) 70% to FSPP II and (ii) 30% to Investments, until the balance of their respective Contribution Accounts has been reduced to zero;
- (3) (i) 70% to FSPP II and (ii) 30% to Investments, until FSPP II shall have received distributions equal to FSPP II's accrued and unpaid 12% Contribution Return;
- (4) Fourth, (i) 60% to FSPP II and (ii) 40% to Investments, until FSPP II shall have received distributions equal to FSPP II's accrued and unpaid 16% Contribution Return; and
- (5) Last, (i) 50% to FSPP II and (ii) 50% to Investments.

#### 2. Significant Accounting Policies

##### Basis of Presentation

The Company’s policy is to present its financial statements on the same basis of accounting used for federal income tax purposes in the United States of America; consequently, the accompanying financial statements are not intended to present the Company’s financial position and results of operations in conformity with accounting principles generally accepted in the United States of America (“GAAP”). For purpose of the financial statements, the principal differences between the income tax basis of accounting and GAAP relate to the timing of the recognition of certain revenue and expenses, the depreciation of property and equipment, the recognition of long lived asset impairments, the valuation of assets acquired and liabilities assumed in a business combination, amortization of goodwill and capitalization of interest expense.

**(Income Tax Basis)**  
**December 31, 2014 and 2013**

---

The Company recognizes residential income as paid or due, whichever is earlier, under the terms of the related residency agreement. GAAP would require the Company to recognize minimum rent increases on a straight-line basis over the original term of the respective residency agreement.

The Company recognizes certain expenses and the related liability are recognized when they become fixed and determinable for income tax purposes whereas such amounts are recognized when incurred under GAAP.

The Company uses an accelerated depreciation method for rental property as set forth in the Internal Revenue Code ("IRC"). GAAP would require the Company to depreciate rental property on a straight-line basis over the useful life of the asset.

The Company does not assess their long-lived assets for impairment. GAAP would require the Company to review its long-lived assets for impairment whenever an event or changes in circumstances indicate the carrying value of the asset may not be recoverable. When an impairment is identified, the Company would be required to record an estimated impairment loss for the amount by which the carrying amount of the asset exceeds its fair value. For income tax purposes, any impairment of long-lived assets is disallowed.

The Company does not record assets acquired and liabilities assumed in a business combination at their fair values using the purchase method of accounting. GAAP would require the Company to recognize these amounts at their fair values using the purchase method of accounting.

The Company amortizes goodwill over a period of 15 years. GAAP would require the Company to assess the fair value of the reported amount of goodwill at each reporting date for impairment or earlier if events or circumstances indicate that the carrying amount may be impaired.

These accounting methods are subject to review and examination by taxing authorities. Because the application of tax laws and regulations to many types of transactions is susceptible to varying interpretations, amounts reported in the financial statements could be changed at a later date upon final determinations by taxing authorities.

**Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the carrying value of assets and liabilities, disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses. Actual results could differ from those estimates.

**Property and Equipment, net**

Property and equipment, obtained as part of the acquisition, is stated at the value determined by the allocation of the purchase price in the purchase agreement at the acquisition date. Property and equipment acquisitions from the date the Community was acquired are recorded at cost less accumulated depreciation. Depreciation is computed using the MACRS method over the tax determined lives of the assets. The tax useful lives are 27.5 years for buildings and improvements, seven years for furniture and five years for equipment.

Routine maintenance and repairs are charged against operations as incurred. Expenditures that significantly change capacities or extend useful lives are capitalized and depreciated over their tax determined useful lives. Certain building and improvements and furniture and equipment are

charged to repairs and maintenance expense in accordance with IRC Section 481(a), which is generally applicable to taxable years beginning on or after January 1, 2014.

In connection with the Company's renovation projects, the Company capitalizes all related expenditures including capitalized interest to construction in progress. Capitalized costs are placed into service based on the date the work is substantially complete and available for use.

**Cash**

The Company invests its cash with high quality credit institutions. At times, such deposits may be in excess of the FDIC insurance limit; however, management does not believe it is exposed to any significant credit risk on cash.

**Restricted Cash**

Restricted cash consists of funds required by state regulations for continuing care retirement communities and amounts segregated for future capital improvements. The refurbishment/construction fund represents amounts funded from the Company's related party note payable which can only be used for the renovation project. The debt service reserve, the minimum liquid reserve and the escrow deposits were required to be established per the Connecticut Continuing Care Retirement Community regulations. The interest reserve was established at acquisition to fund unanticipated shortfalls and is currently designated to meet the Connecticut statutory reserve requirements of Watermark 3030 Park, LLC which is under common ownership. Entry fee deposits made by prospective residents are deposited into the escrow deposits account. Once the resident moves into the community, the funds are transferred into the operating account.

**Accounts Receivable**

Generally, accounts receivable are considered to be past due after 30 days. The Company does not provide for an allowance for doubtful accounts, rather uncollectible accounts are recognized as bad debt when actually written off. Doubtful accounts are periodically reviewed for collectability and are written off when all collection efforts have been exhausted.

**Goodwill, net**

In connection with the acquisition of the Community, East Hill Woods recorded goodwill of \$11,341,497. In accordance with IRC Section 197, goodwill is being amortized ratably over 15 years.

**Unearned Entry Fees**

Fees paid by a resident upon entering into a continuing care contract, net of the portion thereof that is refundable to the resident, are recorded as unearned entry fees and are amortized to revenue as amounts become non-refundable using the straight-line method over the period specified in the declining entry fee resident contract.

**Resident Refund Liabilities**

Refundable entry fees are contingent upon re-occupancy, and are recorded as resident refund liabilities and are not amortized. In conjunction with the acquisition of the Community, East Hill Woods assumed certain resident refund liabilities which will be required to be repaid to the residents vacating the units, based on the terms of the resident agreement. As these liabilities are fully refundable, East Hill Woods has recorded these liabilities to the residents as a resident refund liability.

**Resident and Healthcare Revenue**

Resident revenue generally includes the amounts due from residents based on residency days provided at the Company's independent and assisted living care centers and the rates established for the type of apartment or unit. Healthcare revenue includes the amounts due from patients or other third party payers based on the patient days and level of care provided to the patients at the Company's skilled nursing facility. The resident and healthcare revenue are reported at the contracted amounts due from the residents, Medicare or other third party payers based on the rates established for the level of care provided.

Laws and regulations governing the Medicare program are complex and subject to interpretation. The Company believes that it is in compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegation of potential wrongdoing. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties, and exclusion from the Medicare program.

**Income Taxes**

The Company is a limited liability company and is not subject to federal income tax. The Members are taxed on their share of the Company's taxable income, whether or not distributed, and are entitled to deduct their share of net losses to the extent of their tax basis. Accordingly, no provision for income taxes is provided in the accompanying financial statements.
