•	Preparer/Reviewer Certification							
I have prepared and reviewed this report and am familiar with the applicable regulations governing its preparation. I have read the most recent Federal and State issued field audit reports for the Facility and have inquired of appropriate personnel as to the possible inclusion in this report of expenses which are not reimbursable under the applicable regulations. All non-reimbursable expenses of which I am aware (except those expenses known to be automatically removed in the State rate computation system) as a result of reading reports, inquiry or other services performed by me are properly reported as such in this report on Pages 28 and 29 (adjustments to statement of expenditures). Further, the data contained in this report is in agreement with the books and records, as provided to me, by the Facility.
