Topic	Discussion	Action
Introductions		
Review of Minutes	Reviewed minutes from the 10/22/18 meeting.	Approved
Justice System Inventory of Services	Reviewed list of programs and program information. Members identified additional data to be collected. The inventory will be reviewed at a later point by SIM Intercept to look for duplication and gaps.	The following information will be added to the inventory spreadsheet and will be filled out by the designated participants: <ul style="list-style-type: none"> • Agency website link • Courts • DOC facility • Provider names (other tab)
Participant Update	<ul style="list-style-type: none"> • CSSD will be moving in December to 455 Winding Brook Drive in Glastonbury. • The New Britain and Berlin police departments have started a diversion from arrest initiative where they can bring people in need of substance use evaluation/treatment to the Hospital of Central Connecticut. • Recovery Coaches are being added to John Memorial Hospital, St. Mary's Hospital, and a hospital in Fairfield County. Recovery Coaches are currently in 11 hospitals throughout the state including the Hospital of Central Connecticut. • The International Women's Day conference will be held at Gateway on March 8, 2019. • DMHAS has updated their Addiction Services Bed Availability page to include: detox programs, residential treatment, recovery houses, and sober houses. 	

Topic	Discussion	Action
Plans for Next Meeting	<ul style="list-style-type: none"> • Review Justice System Inventory of Services. • Information related to PA 18-166 will be shared as it becomes public. This public act creates a task force to study opioid courts. • Det. Yarsawich will provide more information to New Britain and Berlin police departments' diversion initiative at the January meeting. • Brian Austin will present on the Early Screening and Intervention (ESI) initiative at the February meeting. 	
Running Recommendations	<p>The following list includes different ideas brought up the sub-committee members throughout different meetings.</p> <ul style="list-style-type: none"> • Link data between systems to analyze outcomes • Implement pre-arrest diversion • Review service array to analyze duplication • Share discharge/treatment information from DOC to community providers for a seamless transition and avoid duplication • Opioid Fatality Review Task Force to inform state policy regarding opioids • AIC and/or mobile crisis can be resources to assess and evaluate level of care • Use civil citations which require engagement in services • Require question on veteran status for access to veteran services • Use of peer support at different points of justice system • Expand MAT into CT's correctional system • Explore transportation challenges to treatment services • Provide naloxone (Narcan) to discharging inmates and probationers at risk for overdose
