<b>1:15 PM</b>	<b>Food Solutions New England</b>	<b>Martha Page (Hartford Food System)</b>	<i>Food Solutions New England is a regional, collaborative network organized to support the emergence and continued viability of a New England food system that is a resilient driver of healthy food for all, racial equity, sustainable farming and fishing, and thriving communities. Food Solutions New England was launched in response to a shared sense that greater connectivity was needed across food system efforts and innovations, and began with our inaugural New England Food Summit in 2011. We have been working since then to develop greater connectivity and alignment around a long-term food system vision built upon shared values of racial equity and food justice across the entire value chain and system, public health, and ecological integrity in New England.</i>
