

K200: Safety and Health  
Safety Laboratory

Man in light blue shirt standing at podium

Audience seated in the foreground, facing the stage

Panel of people seated at a long table on the dais

# FOOD SAFETY MODERNIZATION

## PUBLIC INPUT: QUESTIONS

• What do you get most of your FSMA under other food safety regulation?

• FSMA rules may affect all agriculture producers. What are the best means of providing information and talking to agricultural stakeholders?

• How do you provide information through 3rd parties, opinion makers, etc.?
