

GROOMING FACILITY REGULATIONS

Sec. 22-344-26. Room requirements. A grooming facility established in a home shall be in a room, separate from living quarters, at least twelve feet by twelve feet in size, with a separate outside entrance. Adequate lighting and ventilation shall be provided.

Sec. 22-344-27. Walls. Ceilings. Floors. The walls and ceiling of the facility shall be painted, paneled or of other suitable materials. Floors shall be covered with non-toxic easily cleaned water impervious material.

Sec. 22-344-28. Grooming equipment. A grooming facility shall be equipped with at least the following: A bath tub, a grooming table, hot and cold running water, a dryer, clippers, combs, brushes and shears. All equipment shall be sterilized after each use and kept in a sanitary manner.

Sec. 22-344-29. Drying cages. Drying cages shall be kept clean and sanitary and shall be of sufficient size to accommodate the dog contained comfortably. Recommended size twenty-two inches to twenty-four inches wide, twenty-four inches to twenty-eight inches high, thirty inches to thirty-four inches in depth.

Sec. 22-344-30. Exercise area. Keeping dogs overnight. There shall be an indoor or outdoor exercise area for dogs being detained for grooming for periods exceeding four hours, measuring at least three feet by eight feet, with covered top provided. Dogs shall not be kept overnight, unless proper kennel facilities and license requirements are met.

Sec. 22-344-31. Sanitation of grooming and exercise areas. The grooming area and exercise area, if required, shall be kept disinfected, cleaned and sanitary at all times.

(Effective January 6, 1970)
