

Purchases of Tangible Personal Property Incorporated Into or Consumed in Air Pollution Control Facilities

General Purpose: The purchaser uses this certificate to claim exemption from sales and use taxes under Conn. Gen. Stat. §12-412(22). The exemption is for purchases of tangible personal property or supplies acquired for incorporation into or used and consumed in the operation of facilities, the primary purpose of which is the reduction, control, or elimination of air pollution, certified as approved for such purpose by the Commissioner of the Department of Environmental Protection. The Commissioner may certify to a portion of the tangible personal property acquired for incorporation into such facilities to the extent that the portion has as its primary purpose the reduction, control, or elimination of air pollution.

This certificate may also be used to certify that, for purposes of the municipal property tax exemption under Conn. Gen. Stat. §12-81(52), the tangible personal property has been approved for incorporation into or used and consumed in the operation of air pollution abatement facilities. For information on either of these provisions, see **Policy Statement 99(2), Tax Exemptions for Certain Air Pollution Control Equipment**.

Repeal of the Corporation Business Tax Credit: Effective for income years beginning on or after January 1, 1998, the corporation business tax credit under Conn. Gen. Stat. §12-217c, for certain expenses for air pollution abatement is repealed. Any corporation eligible for this tax credit may carry any remaining tax credit forward as the provisions of this section would have allowed prior to repeal.

Purchases of Items Not Listed in PS 99(2): The purchaser must obtain and attach to this certificate written approval from the Commissioner of the Department of Environmental Protection indicating that an item of tangible personal property is approved for use in an air pollution control facility. For information on how to obtain written approval from the Department of Environmental Protection (DEP), see PS 99(2).

Instructions for the Purchaser: An owner or officer of a business that purchases tangible personal property to be incorporated into or consumed in the operation of facilities, the primary purpose of which is the reduction, control or elimination of air pollution, certified as approved for such purpose by the Commissioner of the Department of Environmental Protection can issue and sign this certificate. To qualify for the exemption from sales and use taxes under Conn. Gen. Stat. §12-412(22), the purchaser must present this certificate to the retailer at the time of purchase of the qualifying tangible personal property.

To obtain the municipal property tax exemption under Conn. Gen. Stat. §12-81(52) which may be available for qualifying structures or equipment, the taxpayer must file a properly completed copy of this certificate with the assessor of the municipality in which the structures or equipment are located after confirming the municipality's procedures for qualifying for the exemption.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale of tangible personal property is not subject to sales and use taxes when the tangible personal property or supplies will be used or consumed in the operation of facilities, the primary purpose of which is the reduction, control, or elimination of air pollution, and is certified as approved for such purpose by the Commissioner of the Department of Environmental Protection.

The certificate is valid only if taken in good faith from a person who is an owner or officer of a business that will use tangible personal property being purchased as provided in Conn. Gen. Stat. §12-412(22). For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser will not use the tangible personal property for air pollution abatement or that the tangible personal property cannot be used for such purpose or that the tangible personal property has not been approved by DEP. Keep this certificate together with proof that the tangible personal property is approved for use or consumption in air pollution abatement, and bills or invoices to the purchaser for at least six period from the date the items were purchased. The bills, invoices, or records covering purchases made under this certificate must be appropriately marked to indicate this is an exempt purchase. The words "Exempt Under CERT-117" satisfy the requirement.

This certificate may be used for individual exempt purchases, in which event the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which event the box marked "Blanket Certificate" must be checked. A blanket certificate remains in effect for a three-year period unless the purchaser revokes it in writing before the period expires.
