Payments accompanying an estimated installment **Form CT-1120 ESA, ESB, ESC, or ESD** will be credited as of the U.S. Postal Service cancellation mark on the payment. The payment must be made or credit established on or before the due date of the required installment. Payments of estimated tax are credited first against underpaid installments in the order in which such installments are required to be paid. The overpayment from the filing of a corporation business tax return is established and credited as of the U.S. Postal Service cancellation mark on the completed return.

Taxpayers can use certain private delivery services, in addition to the U.S. Postal Service, for delivering returns, claims, statements or other documents, or payments, and meet the timely filing/payment rules. The timely filed and timely payment rules will be met if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all types of service provided by these designated PDSs qualify.
