## Return and Instructions

Dear Taxpayer:

The Connecticut Department of Revenue Services (DRS) makes every effort to provide taxpayers with the most comprehensive information to meet their state tax filing needs. We listen to taxpayer suggestions for improving our products and also seek new procedures to make processing of returns more efficient.

This booklet contains important information about tax changes that may affect you. Beginning this year, tax returns filed with incomplete withholding information (missing ID numbers, missing dollar amounts, etc.) will not be processed by DRS. Information about electronic filing options contained in the booklet can make it easier to file your return without making mistakes more commonly found on paper returns.

At DRS, our goal is to provide taxpayers with excellent customer service and a user-friendly approach to tax administration. If you have questions about Connecticut taxes or filing this return, you can reach DRS Taxpayer Services staff by e-mail, phone, or letter. The back cover of this booklet lists all the ways you can access this Agency including the DRS Web site, which is available anytime to provide you with access to forms, publications, and information.

As always, we welcome your comments and ideas about how we can improve the way we do business.

Sincerely,

Taxpayer information is  
available on our Web site

## What's New

- **You are not required to send forms W-2, W-2G, or 1099** with your 2005 Connecticut income tax return. To avoid significant delays in processing your return, be sure to complete Columns A, B, and C of the withholding section of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- Beginning with the 2005 taxable year, there is a check box to indicate if a taxpayer died during the year. The person filing a return jointly with or on behalf of the deceased taxpayer must check the box after the deceased taxpayer's Social Security Number.
- Beginning with the 2005 taxable year, there are now check boxes for filers of **Form CT-1040CRC**, *Claim of Right Credit*, and **Form CT-8379**, *Nonobligated Spouse Claim*. Check the box on the first page of your Connecticut return if you are filing Form CT-1040CRC or Form CT-8379.
- You may contribute all or part of your refund to the **Military Family Relief Fund** by checking the box on the Connecticut return. See *Contributions to Designated Charities* on Page 38.
- **Schedule CT K-1 check box:** If the Connecticut income tax withheld you are reporting is from Schedule CT K-1, you must check the box in the withholding section of your return.
- Pay your 2005 taxes, including Connecticut estimated taxes, electronically over the Internet using DRS *WebFile*. Visit the DRS Web site at [www.ct.gov/DRS](http://www.ct.gov/DRS) and click on the *WebFile* logo. You can also pay prior year taxes.
- Effective for the taxable years beginning on or after **January 1, 2006**, taxpayers who have entered into a **civil union** recognized under Connecticut law may file their Connecticut income tax return as civil union filing jointly or civil union filing separately. This option is not available for the 2005 taxable year.
- **New e-filing requirement for certain preparers:** Effective January 1, 2006, preparers who prepared 200 or more 2004 Connecticut income tax returns will be required to file the 2005 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (*e-file*).
- The Connecticut General Assembly enacted legislation that imposes severe penalties on participants of abusive tax shelters. Any individual or business entity that fails to disclose their participation in an abusive tax shelter designated by the Internal Revenue Service (IRS) as a *listed transaction* is subject to audit penalties of 75% of the tax deficiency that results from the tax shelter activity. To fulfill the Connecticut disclosure requirement, any taxpayer (individual or entity) that has participated in a listed transaction must file a completed **Form CT-8886**, *Listed Transaction Disclosure Statement*, with DRS. Form CT-8886 must be filed for each taxable year for which a taxpayer participates in a listed transaction.
- The annual increase to the **personal exemption and credits** used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2005 and 2006 taxable years. The scheduled increases will resume beginning with the 2007 taxable year.

Forms are also available during regular business hours at any of the DRS walk-in offices and the other sources listed on the back cover of this booklet, and at most public libraries, town halls, banks, and post offices during the tax filing season.

## Important Reminders

Follow these tips to help us process your refund faster:

- You **must** use blue or black ink only to complete your return.
- Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you will receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**. See *Amended Returns* on Page 34.
- Use the preprinted peel-off label. The preprinted label **does not** include your Social Security Number(s). Therefore, you **must** enter your Social Security Number (SSN) and the SSN of your spouse (if filing a joint return) in the spaces above your name(s). Do not place the label over your SSN(s).

If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.

- Check the correct filing status on your return.
- Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 14.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number in the space provided.

- Check the box on the front of your Connecticut return if you are filing **Form CT-8379, Nonobligated Spouse Claim**.
- If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, check the box next to the deceased taxpayer's SSN.
- Check the box on the front of your Connecticut return if you are filing **Form CT-1040CRC, Claim of Right Credit**.
- Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.
- Remember to send all pages of your return.

## Who Must File Form CT-1040NR/PY

You must file **Form CT-1040NR/PY** if you were a nonresident or part-year resident of Connecticut in 2005 **and** any of the following is true for the 2005 taxable year:

- You had Connecticut income tax withheld; **or**
- You made estimated tax payments to Connecticut; **or**
- You were a part-year resident who meets the Gross Income Test (see below) or who had a federal alternative minimum tax liability; **or**
- You were a nonresident with Connecticut source income who meets the Gross Income Test (see below) or had a federal alternative minimum tax liability. See *Connecticut Source Income of a Nonresident* on Page 8.

**If none of the above apply, do not file Form CT-1040NR/PY.**

## Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2005 taxable year exceeds:

- \$12,000 and you will file as married filing separately
- \$12,625 and you will file as single
- \$19,000 and you will file as head of household
- \$24,000 and you will file as married filing jointly

**Gross income** means all income you received in the form of money, goods, property, services not exempt from federal income tax, **and** any additions to income required to be reported on Form CT-1040NR/PY, *Schedule 1*.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;

- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation; **and**
- **Federally taxable** Social Security benefits.

The following examples explain the gross income test:

**Example 1:** A nonresident whose only income is from a sole proprietorship located in Connecticut files a federal Form 1040 and reports the following on Schedule C:

Gross Income	<b>\$ 100,000</b>
Expenses	<b>( \$ 92,000 )</b>
Net Income	<b>\$ 8,000</b>

Because the **gross income** of \$100,000 exceeds the minimum requirement **and** the income is from a Connecticut source, this nonresident must file Form CT-1040NR/PY.

**Example 2:** A Connecticut part-year resident who files as single on Form CT-1040NR/PY received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, the Connecticut part-year resident is not required to file a return unless Connecticut tax was withheld or estimated tax payments were made.

**Example 3:** A nonresident whose filing status is single for federal income tax purposes received \$12,625 in wage income from Connecticut employment and \$1,000 in federally-exempt interest from California state bonds. The taxpayer's federal gross income with additions from Form CT-1040NR/PY, *Schedule 1* (interest on state or local obligations other than Connecticut), is \$13,625. Therefore, the nonresident must file Form CT-1040NR/PY.

## Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857, Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)**. See **Special Notice 99(15), Innocent Spouse Relief, Separation of Liability, and Equitable Relief**.

## Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File Form CT-1040NR/PY* are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT, Title 19 Status Release**, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2005; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2005.

By completing this form, you authorize DRS to verify your Title 19 status for 2005 with the Department of Social Services.

## Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File Form CT-1040NR/PY* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. Write "Filing as surviving spouse" in the deceased spouse's signature block on the return. If both spouses died in 2005, their legal representative must file a final return. The Connecticut and federal filing status must be the same.

## Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates**.

## Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if the requirements of *Who Must File Form CT-1040NR/PY* are met. In determining whether the Gross Income Test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the U.S. and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. When filing their Connecticut income tax return, nonresident aliens must enter on **Form CT-1040NR/PY, Line 1**, the amount reported on federal Form 1040NR, Line 34, or federal Form 1040NR-EZ, Line 10. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ, and not subject to federal income tax, must be added to the nonresident alien's federal adjusted gross income on Form CT-1040, *Schedule 1*, Line 38, or Form CT-1040NR/PY, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the U.S. and they have made an election to file a joint federal income tax return and, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file as a married individual filing separately.

## Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

**Domicile** (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

**Permanent place of abode** is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2005 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2005 taxable year; **or**
- You maintained a permanent place of abode in Connecticut during the entire 2005 taxable year **and** spent a total of more than 183 days in Connecticut during the 2005 taxable year.

Nonresident aliens who meet either of the above conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes.

If you are a resident and any of the following is true for the 2005 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**:

- You had Connecticut income taxes withheld;
- You made estimated tax payments to Connecticut;
- You meet the gross income test; **or**
- You had a federal alternative minimum tax liability.

You are a **part-year resident** for the 2005 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2005 taxable year. Part-year residents may not elect to be treated as resident individuals.

If you are a part-year resident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2005 taxable year, you must file Form CT-1040NR/PY.

You are a **nonresident** for the 2005 taxable year if you are neither a resident nor a part-year resident for the 2005 taxable year.

If you are a nonresident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2005 taxable year, you must file Form CT-1040NR/PY.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Special Rules for Married Individuals* on Page 14.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2005 even if your domicile was Connecticut.

### Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2005 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2005 taxable year; **and**

3. You spent not more than 30 days in the aggregate in Connecticut during the 2005 taxable year.

### Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**
3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. See the calculation below.

$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum days allowed in Connecticut}$

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

## Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on this page. The rate at which your other income is taxed for Connecticut income tax purposes has been affected by the enactment by Congress of the Service Members Civil Relief Act. See instructions for **Form CT-1040NR/PY**, Line 51, on Page 21.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax.

**Example:** Jennifer is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

### If Jennifer had no other income . . .

Since Jennifer resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

### If Jennifer had a part-time job in Connecticut . . .

Her Connecticut source income from nonmilitary employment is taxable. Jennifer must file Form CT-1040NR/PY to report this income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident, Part-Year Resident, or Nonresident* on Page 7.

See **Informational Publication 2005(9)**, *Connecticut Income Tax Information for Military Personnel and Veterans*.

## Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death. If any tax was previously paid for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

**Combat zone** is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in the military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are eligible for the 180 day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations but are not within the designated combat zone are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut return. This is the same combat zone or operation name that is provided on their federal income tax return.

## How Nonresidents and Part-Year Residents Are Taxed

If you are a nonresident or a part-year resident, your tax liability is computed based upon the greater of your Connecticut adjusted gross income or your total income from Connecticut sources.

You must calculate the tax in the same manner as a resident individual. Then, prorate the tax based upon the percentage of your Connecticut adjusted gross income derived from or connected with Connecticut sources.

---

## Connecticut Adjusted Gross Income

For the purpose of completing Form CT-1040NR/PY, Connecticut adjusted gross income is your federal adjusted gross income as reported on federal Form 1040, Line 37; federal Form 1040A, Line 21, or federal Form 1040EZ, Line 4, adding or subtracting the Connecticut modifications that are required to be reported on Form CT-1040NR/PY, *Schedule 1*.

## Connecticut Source Income of a Nonresident

Connecticut source income of a nonresident is income derived from or connected with sources within Connecticut when the income is:

- Attributable to ownership or disposition of real or tangible personal property within Connecticut including but not limited to the income from the rental or sale of the property;
- Attributable to compensation for services performed in Connecticut or income from a business, trade, profession, or occupation carried on in Connecticut (including income derived directly or indirectly by athletes, entertainers, or performing artists from closed-circuit and cable television transmissions of irregularly scheduled events if the transmissions are received or exhibited within Connecticut);
- Unemployment compensation received from the Connecticut Department of Labor;
- From a partnership doing business in Connecticut;
- From an S corporation doing business in Connecticut;
- From a trust or estate with income derived from or connected with sources within Connecticut;
- From a nonqualified deferred compensation plan for services performed wholly within Connecticut; **or**
- From reportable Connecticut Lottery winnings. Winnings from the Connecticut Lottery, including Powerball, are reportable if the winner was issued a federal Form W-2G by the Connecticut Lottery Corporation. In general, the Connecticut Lottery Corporation is required to issue a federal Form W-2G to a winner if the Connecticut Lottery winnings, including Powerball, are \$600 or more and at least 300 times the amount of the wager. See **Informational Publication 2005(16)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*.

In general, Connecticut source income of a nonresident **does not include** the following income even if it was included in your federal adjusted gross income:

- Distributions from pension or retirement plans (such as 401K plans);
- Interest, dividends, or gains from the sale or exchange of intangible personal property unless that property is employed in a business, trade, profession, or occupation carried on in Connecticut;
- Compensation received for active service in the U.S. military;
- Dividends from a corporation doing business in Connecticut;
- Compensation you received from an interstate rail carrier, interstate motor carrier, or an interstate motor private carrier;
- Gambling winnings (other than reportable Connecticut Lottery winnings shown on federal Form W-2G). See **Informational Publication 2005(15)**, *Connecticut Income Tax Treatment of Gambling Winnings Other Than State Lottery Winnings*;
- Interest you earned from a Connecticut bank (unless earned by a Connecticut business); **or**
- Income you received from business or employment activities in Connecticut that are considered casual, isolated, or inconsequential.

## Activities Considered to Be Casual, Isolated, or Inconsequential

In general, activities that meet one of the following tests are considered casual, isolated, or inconsequential:

1. **\$6,000 test** - The gross income from the presence of a nonresident in Connecticut does not exceed \$6,000 in the taxable year.

An employee's wages for services performed in Connecticut are taxable, regardless of the amount, unless the employee's services meet the Ancillary Activity Test. Also, reportable Connecticut Lottery winnings are taxable regardless of the amount.

2. **Ancillary Activity Test** - The nonresident's presence in Connecticut is ancillary to his or her primary business or employment duties performed at a base of operations outside of Connecticut. Ancillary activities are those activities that are secondary to the individual's primary out-of-state duties, and include such things as presence in the state for planning, training, attendance at conferences or symposia, etc.

## Connecticut Source Income of a Part-Year Resident

Connecticut source income of a part-year resident is the sum of:

1. Connecticut adjusted gross income for the part of the year you were a resident;
2. Income derived from or connected with Connecticut sources for the part of the year you were a nonresident; **and**
3. Special accruals.

## Items Subject to Special Accrual

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis, regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed.

## Change From Resident to Nonresident

If you moved out of Connecticut during the taxable year, you must include, in calculating your Connecticut adjusted gross income for the period of your Connecticut residency, all items of income, gain, loss, or deduction you would be required to include if you were filing a federal income tax return for the same period on the accrual basis, together with any other accruals that are not otherwise includible or deductible for federal or Connecticut income tax purposes (such as deferred gains on installment obligations). Include items of special accrual with other items of income, gain, loss, and deduction reported for your residency period. See *Schedule CT-1040AW Instructions* on Page 31.

---

**Example 1:** Laura, a part-year resident who moved out of Connecticut in June 2005, sold property on the installment basis in April 2005. She will receive annual installment payments for five years. She must accrue the entire gain on the sale of the property to the portion of 2005 when she was a resident of Connecticut because her right to receive the gain was fixed and the amount was determinable before the time she changed her residency.

---

---

**Example 2:** Rick, a resident of Connecticut, retired from his Connecticut employment on September 1, 2005, and moved to Florida. His employer notified him on August 15, 2005, that he would receive a \$1,000 bonus on September 15, 2005. He must accrue the \$1,000 bonus to the portion of 2005 when he was a resident because the right to receive the bonus was fixed and the amount was determinable before the time he changed his residency.

---

**Example 3:** Cindy, a Connecticut resident, won the Connecticut Lottery in 2005. The proceeds from her wager were reported on federal Form W-2G. Cindy will receive her winnings on the installment basis for twenty years. During the 2005 taxable year, Cindy moved out of Connecticut and is a part-year resident because she changed her permanent legal residence. Ordinarily, Cindy's Connecticut Lottery winnings would be subject to special accrual; however, Cindy may avoid special accrual on those lottery winnings as long as the Connecticut Lottery Corporation continues to withhold Connecticut income tax from those winnings. Cindy will remain subject to Connecticut income tax for the years during which the lottery winnings are received.

If Cindy won another state's lottery during 2005, she would be subject to Connecticut income tax while a Connecticut resident. If Cindy moves out of Connecticut, and is a part-year resident because she changed her permanent legal residence, her lottery winnings would be subject to special accrual.

---

## Payment of Tax

If you moved out of Connecticut during the taxable year and you have items of income or gain subject to special accrual, you must either:

- Include the items of accrual in the calculation of tax in the year you changed your residence; **or**
- File a surety bond or other security and pay the tax as a nonresident in the year(s) the income is actually received.

## Surety Bond

You may elect to defer the payment of Connecticut income tax on items of special accrual by filing a surety bond with DRS in an amount not less than the amount of the additional Connecticut income tax that would be payable if no surety bond or other security were filed. If you choose this option, you must file **Form CT-1040NR/PY** for the taxable year when you change your residence. Include a separate statement showing the nature and amount of each item of special accrual as of the date of change of residence together with a computation of the additional Connecticut income tax which would be due if the election to file a surety bond had not been made. For further information on the requirements for a surety bond, contact DRS and request a copy of Conn. Agencies Regs. §12-717(c)(4)-1, **Form CT-12-717A**, *Change of Resident Status - Special Accruals*, **Form CT-12-717B**, *Change of Resident Status - Special Accruals*, *Other Acceptable Security Form*.

## Change From Nonresident to Resident

If you moved into Connecticut during the taxable year, items of income, gain, loss, or deduction that accrue to the period of the year prior to your Connecticut residency are not included in your Connecticut source income. However, items of income which are derived from or connected with Connecticut sources may **not** be accrued to the nonresident period and must be included in calculating your Connecticut source income for that year.

**Example:** Jennifer was a California resident from January 1, 2005, until July 31, 2005. She became a Connecticut resident on August 1. While a resident of California, Jennifer earned \$10,000 for work performed in that state, but she did not receive payment for that work until September 30, 2005.

Jennifer also owned a condominium in Connecticut, which she rented to a third party from January 1 to July 31, 2005. She received payment of the rent for the first four months of the year while she was living in California, and she received the remaining payments after she became a Connecticut resident.

Jennifer will file a Connecticut part-year resident return for 2005. The \$10,000 of California source income earned before Jennifer changed her residency is accrued to her nonresidency period even though she received the payment after becoming a Connecticut resident. The rental payments from Connecticut real estate are considered Connecticut source income regardless of when she received this income. Therefore, the entire amount of rental income is includable in her Connecticut adjusted gross income and none of it is subject to special accrual.

## Forms and Schedules Included in This Booklet

In addition to Form CT-1040NR/PY, this booklet contains several forms you may have to complete. The following is a brief description of these forms and an explanation of who should complete them.

Form	Who Should Complete
<b>Schedule CT-SI</b> Parts 1 and 2  Employee Apportionment Worksheet	All nonresidents and part-year residents  A nonresident employee or part-year employee (for his or her nonresidency period) who worked in and outside of Connecticut and does not know the actual amount of Connecticut source income.
<b>Schedule CT-1040AW</b>	All part-year residents
<b>Schedule CT-1040BA</b>	A self-employed nonresident or part-year resident (for his or her nonresidency period) who carried on business both in and outside of Connecticut.

## Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2005 are references to your taxable year beginning during 2005.

You must use the same method of accounting for Connecticut income tax purposes you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

## When to File

Your Connecticut income tax return is due on or before April 15, 2006. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

<b>DHL Express (DHL)</b> <ul style="list-style-type: none"> <li>• DHL Same Day Service</li> <li>• DHL Next Day 10:30 a.m.</li> <li>• DHL Next Day 12:00 p.m.</li> <li>• DHL Next Day 3:00 p.m.</li> <li>• DHL 2nd Day Service</li> </ul>	
<b>Federal Express (FedEx)</b> <ul style="list-style-type: none"> <li>• FedEx Priority Overnight</li> <li>• FedEx Standard Overnight</li> <li>• FedEx 2Day</li> <li>• FedEx International Priority</li> <li>• FedEx International First</li> </ul>	<b>United Parcel Service (UPS)</b> <ul style="list-style-type: none"> <li>• UPS Next Day Air</li> <li>• UPS Next Day Air Saver</li> <li>• UPS 2nd Day Air</li> <li>• UPS 2nd Day Air A.M.</li> <li>• UPS Worldwide Express Plus</li> <li>• UPS Worldwide Express</li> </ul>

This list is subject to change. See **Policy Statement 2005(4), Designated Private Delivery Services and Designated Types of Service.**

If **Form CT-1040NR/PY** is filed late, or all the tax due is not paid with the return, see *Interest and Penalties* on Page 12 to determine if interest and penalty must be reported with the return.

## Extension Requests

### Extension of Time to File

To request an extension of time to file your return, you must file

**Form CT-1040 EXT, Application for Extension of Time to File Connecticut Income Tax Return for Individuals**, and pay all the tax you expect to owe on or before the due date. Visit: [www.ct.gov/DRS](http://www.ct.gov/DRS) to file your extension over the internet. If you pay your expected 2005 Connecticut income tax due by credit card, you do not need to file Form CT-1040 EXT. See Form CT-1040 EXT included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 12 if you do not pay all the tax due with your request for extension.

If you expect to owe no additional Connecticut income tax for the 2005 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2005 federal income tax return, you are not required to file Form CT-1040EXT. Please keep a copy of your federal Form 4868 for your records.

## U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico, and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date will be extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

## Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, on or before the due date of the original return.

Attach Form CT-1127 to the front of **Form CT-1040NR/PY** or **Form CT-1040 EXT** and send it on or before the due date. As evidence of the need for extension, you must attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write your SSN(s) (optional) and “**2005 Form CT-1040NR/PY**” on the front of your check or money order. Mail payments to:

**Department of Revenue Services  
Accounts Receivable Unit  
PO Box 5088  
Hartford CT 06102-5088**

## Where to File

For **refunds and all other tax forms without payment** enclosed, use the mailing label with this address and mail your return to:

**Department of Revenue Services  
PO Box 2968  
Hartford CT 06104-2968**

For **all tax forms with payment** enclosed, use the mailing label with this address and mail your return with payment to:

**Department of Revenue Services  
PO Box 2969  
Hartford CT 06104-2969**

## Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more, and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2006 taxable year.

---

Your required annual payment for the 2006 taxable year is the lesser of:

- **90%** of the income tax shown on your **2006 Connecticut income tax return**; **or**
  - **100%** of the income tax shown on your **2005 Connecticut income tax return** if you filed a 2005 Connecticut income tax return that covered a 12-month period.
- 

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2005 taxable year and you did not file a 2005 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2005 taxable year and you did not file a 2005 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2005 taxable year, you **must** use 90% of the income tax shown on your 2006 Connecticut income tax return as your required annual payment.

## Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2005(27), A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES**.

## Filing Form CT-1040ES

Use **Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals**, to make estimated Connecticut income tax payments for 2006. If you made estimated tax payments in 2005, you will automatically receive coupons for the 2006 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure that your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2005, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you.

You may pay your 2006 estimated Connecticut income tax payments by credit card. See Form CT-1040ES included in this booklet. You may also file and pay your Connecticut estimated tax using *WebFile*. Visit our website at [www.ct.gov/DRS](http://www.ct.gov/DRS) and click on the *WebFile* logo for more information.

To avoid making estimated tax payments, you may request that your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4, Employee's Withholding Certificate**. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see **Informational Publication 2006(7), Is My Connecticut Withholding Correct?**

## Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2007, for the 2006 taxable year. The required installment is the lesser of  $66\frac{2}{3}\%$  of the income tax shown on your 2006 Connecticut income tax return or 100% of the income tax shown on your 2005 Connecticut income tax return.

A farmer or fisherman who files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210, Underpayment of Estimated Tax by Individuals, Trusts, and Estates**, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040NR/PY. See **Informational Publication 2005(12), Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax**.

### Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2006, or the date on which the underpayment is paid.

A taxpayer who files a 2005 Connecticut income tax return on or before January 31, 2006, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2006.

A farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2006, if he or she files a 2005 Connecticut income tax return on or before March 1, 2006, and pays in full the amount computed on the return as payable on or before that date.

### Filing Form CT-2210

You may be charged interest if your 2005 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

### Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

#### Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

### 2006 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2006 calendar year taxpayers are:

<b>April 15, 2006</b>	25% of your required annual payment
<b>June 15, 2006</b>	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
<b>September 15, 2006</b>	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
<b>January 15, 2007</b>	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate will be considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

## Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

## Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X, Amended Connecticut Income Tax Return for Individuals**, and fail to do so, a penalty may be imposed.

## Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. However, interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid.

All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; **and**
- Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail separately with a copy of your tax return to:

**Department of Revenue Services  
Penalty Review Committee  
PO Box 5089  
Hartford CT 06102-5089**

## Refund Information

If you have a touch-tone phone, you may check on the status of your refund anytime by calling **1-800-382-9463** (in-state) or **860-297-5962** (from anywhere). Be ready to provide your SSN (and your spouse's, if filing jointly) and the exact amount of the refund you requested.

You should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment at the rate of  $\frac{2}{3}\%$  for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due.

## Offset Against Debts

If you are due a refund but have not paid certain obligations to Connecticut state agencies or the IRS, all or part of your overpayment may be used to pay all or part of these outstanding debts or taxes. You will be advised by mail if your refund is reduced for this reason and will be given information directing you to the agency to contact if you wish to appeal. Your refund may also be reduced if you owe penalty and interest on late-filed or underpaid Connecticut income tax returns.

## Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2005 and who made Connecticut income tax payments (withholding or estimates) for the 2005 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2005; **and**
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**. When filing Form CT-8379, attach all W-2 and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut at 860-756-4555.

# Completing Form CT-1040NR/PY

---

Before you begin, gather all your records, including your federal W-2s (wages), W-2Gs (winnings), 1099-Rs (pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

## 1 Taxpayer Information

### Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** enter your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing Form W-7 but have not received the ITIN before filing their Connecticut tax return should attach a copy of the federal Form W-7 and write "ITIN applied for/W-7 attached" in the Social Security box on the Connecticut return. If the taxpayer is deceased see *Deceased Taxpayers* on Page 6.

### Filing Status

Check the appropriate box to indicate your filing status. Generally, your filing status must match your federal income tax filing status for this year. If you are not certain of your filing status for 2005, consult the information in your federal income tax booklet or call the IRS at 1-800-829-1040.

If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on **Form CT-1040NR/PY** for "Married filing jointly or Qualifying widow(er) with dependent child." **Do not** enter your deceased spouse's name or SSN in the spaces provided for Spouse's Name and Spouse's SSN.

### Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the space provided at the top of **Form CT-1040NR/PY**.

If your return is being completed by someone else, take your booklet to your tax preparer so the preparer can attach the label to your return.

### Special Rules for Married Individuals

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately.

When one spouse is a Connecticut **resident** and the other is a **nonresident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately **unless**:

- They file jointly for federal income tax purposes; **and**
- They elect to be treated as if both were Connecticut residents for the entire taxable year.

Where both spouses are part-year residents and move into or out of Connecticut at different times during the taxable year, both spouses must file as married filing separately.

If both spouses are part-year residents and moved into or out of Connecticut on the same day and filed jointly for federal income tax purposes, a joint Connecticut income tax return must be filed.

Where both spouses are nonresidents and only one spouse has Connecticut source income, the spouse who is required to file a Connecticut income tax return must file as married filing separately **unless**:

- They file jointly for federal income tax purposes; **and**
- They elect to be treated as if both had Connecticut source income.

When one spouse is a **nonresident alien** and the other is a **citizen** or **resident** of the U.S., **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately **unless**:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return;
- A married filing joint return is filed for federal income tax purposes; **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means that the joint federal adjusted gross income **must** be used on Form CT-1040NR/PY, Line 1. It also means the spouse who would not otherwise be required to file is now jointly and severally liable for any tax liability associated with the filing of the income tax return. The Connecticut income tax calculated using the joint income must be prorated based on the income of the spouse derived from or connected with sources in Connecticut.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040NR/PY, Line 1, **your** income as recalculated.

### Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total. If you do not round, DRS will disregard the cents.

---

**Example:** Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

---

## 2 Calculate Your Tax

### Line 1 - Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2005 federal income tax return. This is the amount reported on

federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4.

Nonresidents aliens, see *Special Information for Nonresident Aliens* on Page 6.

### Line 2 - Additions

Enter the amount from Form CT-1040NR/PY, *Schedule 1*, Line 41. See *Additions to Federal Adjusted Gross Income* on Page 18.

### Line 3

Add Line 1 and Line 2. Enter the total on Line 3.

### Line 4 - Subtractions

Enter the amount from Form CT-1040NR/PY, *Schedule 1*, Line 52. See *Subtractions From Federal Adjusted Gross Income* on Page 19.

### Line 5 - Connecticut Adjusted Gross Income

Subtract Line 4 from Line 3 and enter the result on Line 5. This is your Connecticut adjusted gross income.

### Line 6 - Income From Connecticut Sources

Complete **Schedule CT-SI**. See *Schedule CT-SI Instructions* on Page 25. Enter the income from Connecticut sources from Schedule CT-SI, Line 30.

### Line 7

Enter the greater of Line 5 or Line 6 on Line 7. If Line 5 and Line 6 are equal, enter that amount on Line 7. If the amount on Line 7 is zero or less, go to Line 12 and enter "0."

### Line 8 - Income Tax

Let the Income Tax Calculator calculate your tax for you.  
Visit: [www.ct.gov/DRS](http://www.ct.gov/DRS)

If the amount on Line 7 is: \$12,000 or less for married filing separate individuals; \$12,625 or less for single individuals; \$19,000 or less for head of household individuals; or \$24,000 or less for married filing joint individuals, enter "0" on Line 8. You do not owe any income tax. Otherwise, calculate your tax using one of the following methods:

- **Tax Tables** - If Line 7 is less than or equal to \$102,000, you may use the *Tax Tables* on Page 39 to find your tax. Be sure to use the correct column in the *Tax Tables*. After you have found the correct tax, enter that amount on Line 8.
- **Tax Calculation Schedule** - You **must** use the *Tax Calculation Schedule* to figure your tax if Line 7 is more than \$102,000. You may also use the *Tax Calculation Schedule* if Line 7 is less than or equal to \$102,000. This schedule is found at the end of this booklet.

Nonresidents or part-year residents must calculate the tax in the same manner as resident individuals. Then, nonresidents or part-year residents prorate the tax based upon the percentage of their Connecticut adjusted gross income derived from or connected with Connecticut sources.

**Example 1:** Sandy, a nonresident individual whose filing status is single, worked in Connecticut during the entire 2005 taxable year. Sandy entered \$40,000 on Form CT-1040NR/PY, Line 5, and \$20,000 on Form CT-1040NR/PY, Line 6. Because the amount on Line 5 is greater than the amount on Line 6, Sandy would enter \$40,000 on Form CT-1040NR/PY, Line 7. Sandy

would then find the tax on \$40,000 in the *Tax Tables* and would enter \$1,620 on Form CT-1040NR/PY, Line 8. Sandy would then divide Line 6 by Line 5 and enter 50% (.50) on Line 9. Therefore, Sandy's Connecticut income tax is \$810 ( $\$1,620 \times .50$ ) and she would enter this amount on Form CT-1040NR/PY, Line 10.

**Example 2:** William, a part-year resident individual whose filing status is single, moved from Connecticut to Rhode Island on August 15, 2005. William entered \$20,000 on Form CT-1040NR/PY, Line 5, and \$40,000 on Form CT-1040NR/PY, Line 6. Because the amount on Line 6 is greater than the amount on Line 5, William would enter \$40,000 on Form CT-1040NR/PY, Line 7. William would then find the tax on \$40,000 in the *Tax Tables* and enter \$1,620 on Form CT-1040NR/PY, Line 8. Because the amount on Line 6 is greater than the amount on Line 5, William would enter 1.0000 on Line 9. Therefore, William's Connecticut income tax is \$1,620 ( $\$1,620 \times 1.0000$ ) and he would enter this amount on Form CT-1040NR/PY, Line 10.

### Line 9

If Line 5 is greater than Line 6, divide Line 6 by Line 5 and enter the result on Line 9. If the result is less than zero, enter "0." If Line 6 is equal to or greater than Line 5, enter 1.0000. **Do not** enter a number that is less than zero or greater than one. Round to four decimal places.

### Line 10

Multiply Line 9 by Line 8 and enter the result on Line 10.

### Line 11 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)

If all or part of the income reported on this return for the period of your Connecticut residency is subject to income tax in a qualifying jurisdiction and you have filed a return and paid income taxes to that jurisdiction, complete Form CT-1040NR/PY, *Schedule 2*, and enter the amount from Line 61 here. See *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)* on Page 21.

The credit for income tax paid to other jurisdictions is limited to part-year residents for the period of their Connecticut residency.

**You must attach a copy of your return filed with the qualifying jurisdiction(s) or the credit will be disallowed.**

### Line 12

Subtract Line 11 from Line 10. Enter the result on Line 12. If Line 11 is greater than Line 10, enter "0."

### Line 13 - Connecticut Alternative Minimum Tax

If you were required to pay the federal alternative minimum tax for 2005, you must file **Form CT-6251**, *Connecticut Alternative Minimum Tax Return - Individuals*. Enter on Line 13 the amount shown on Form CT-6251, Line 23.

### Line 14

Add Line 12 and Line 13. Enter the total on Line 14.

### Line 15 - Adjusted Net Connecticut Minimum Tax Credit

Enter the amount from **Form CT-8801**, *Credit for Prior Year's Connecticut Minimum Tax for Individuals, Trusts, and Estates*, on Line 15. If you did not pay Connecticut alternative minimum tax in 1994 or thereafter, or if you entered an amount on Form CT-1040NR/PY, Line 13, enter "0."

### Line 16 - Connecticut Income Tax

Subtract Line 15 from Line 14. Enter the result on Line 16. If less than zero, enter "0."

### Line 17 - Individual Use Tax

Complete *Schedule 3* on Page 4 of Form CT-1040NR/PY. Enter on Line 17 the total use tax due as reported on *Schedule 3*, Line 62. You **must** enter "0" if no Connecticut use tax is due; otherwise you will not have filed a use tax return.

### Line 18 and Line 19

Add Line 16 and Line 17. Enter the total on Line 18 and Line 19.

If you have **more than seven** federal Forms W-2, W-2G, or 1099 showing Connecticut income tax withheld, you must complete **Supplemental Schedule CT-1040WH, Connecticut Income Tax Withholding** (located in booklet). Enter the total from Supplemental Schedule CT-1040WH, Line 3, on the last line of Column C, Line 20h.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 20.

**Do not send copies of W-2, W-2G, 1099, and Schedule CT K-1 forms.** Keep these for your records. They may be requested by DRS at a later date. When filing **Form CT-8379, Nonobligated Spouse Claim**, attach all W-2 and 1099 forms showing Connecticut income tax withheld.

### Line 21 - All 2005 Estimated Payments

Enter on Line 21 the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2005 estimated tax payments made in 2006. **Do not** include any refunds received.

### Line 22 - Payments Made With Form CT-1040 EXT

## 4 Overpayment

### Line 24 - Amount Overpaid

If Line 23 is greater than Line 19, subtract Line 19 from Line 23 and enter the result on Line 24. This is your overpayment. To properly allocate your overpayment, go to Lines 25, 26, and 27. If Line 23 is less than Line 19, go to Line 28.

### Line 25 - Amount of Line 24 You Want Applied to Your 2006 Estimated Tax

Enter the amount of your 2005 overpayment that you want applied to your 2006 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2006, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2006, will be applied as of the date of receipt. **Your request to apply this amount to your 2006 estimated income tax is irrevocable.**

### Line 26 - Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete *Schedule 4* on Page 4 of Form CT-1040NR/PY. Enter on Line 26 the total contributions as reported on *Schedule 4*, Line 63. **Your contribution is irrevocable.**

You may also make direct contributions by following the instructions on Page 38.

### Line 27 - Amount of Line 24 You Want Refunded to You

Subtract the total of Line 25 and Line 26 from Line 24. Enter the result on Line 27. This is the amount of your refund. Early filers receive their refunds faster. Be sure to affix the **refund label** to the envelope when mailing your return.

Get your refund faster by choosing **direct deposit**. Complete Lines 27a, 27b, and 27c to have your refund directly deposited into your checking or savings account.

Enter your nine-digit bank routing number and your bank account number in Lines 27b and 27c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as

part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Your overpayment is applied in the following order: penalty and interest you owe; amounts designated by you to be applied to your 2005 estimated tax; other taxes you may owe DRS; debts to other Connecticut state agencies; federal taxes you may owe the IRS; and charitable contributions designated by you. Any remaining balance will be refunded to you.

## 5 Amount You Owe

### Line 28 - Amount of Tax You Owe.

If Line 19 is greater than Line 23, subtract Line 23 from Line 19 and enter the result on Line 28. This is the amount of tax you owe. See *Estimated Tax Payments* on Page 11.

### Line 29 - Penalty for Late Payment or Late Filing

**Late Payment Penalty:** The penalty for late payment or underpayment of income or use tax is 10% (.10) of the amount due. Taxpayers who pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return and remit the balance due with the return on or before the extended due date will avoid penalty for failure to pay the full amount due by the original due date. Interest of 1% (.01) per month or fraction of a month will continue to accrue on the underpayment until the tax is paid in full.

**Late Filing Penalty:** In the event no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

### Line 30 - Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at the rate of 1% (.01) per month or fraction of a month from the due date until payment is made.

### Line 31 - Interest on Underpayment of Estimated Tax

If Line 16 minus Line 20 is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210, *Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates***, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210, leave this line blank, and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2006.

## Line 32 - Total Amount Due

Add Lines 28 through 31. Enter the total on Line 32. This is the total amount you owe. Pay the amount in full with your return.

## Payment Options

If you filed a 2004 Connecticut income tax return, you may elect to pay your 2005 Connecticut income tax liability using your American Express® card, Discover® card, MasterCard® card, or VISA® card. A convenience fee will be charged by the credit card service provider. The fee is 2.5% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

### To Pay by Credit Card:

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777.
- Visit: **www.officialpayments.com** and select Payment Center.

Your payment will be effective on the date you make the charge.

### To Pay by Mail:

Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2005 Form CT-1040NR/PY**” and your SSN(s) (optional) on the front of your check or money order. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash.** DRS may submit your check to your bank electronically.

**Failure to file or failure to pay** the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

## 6 Sign Your Return

After completing your Connecticut Form CT-1040NR/PY, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on the back of Form CT-1040NR/PY.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

### Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their SSN or Preparer Tax Identification Number (PTIN), and their firm's Federal Employer Identification Number (FEIN) in the spaces provided.

### Third Party Designee

If you wish to authorize DRS to contact your friend, family member, or any other person to discuss your 2005 tax return, enter the designee's name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you wish to authorize DRS to contact the paid preparer who signed your return, enter “Preparer” in the space for the designee's name. You do not have to provide the other information requested.

If you enter a designee's name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer

any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2006 tax return. This is April 15, 2007, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **Form LGL-001, Power of Attorney**.

### Order of Attachments

Paper clip your check or money order in payment of the tax due to the front of the income tax form in the appropriate area marked “**Clip check or money order here.**” To ensure proper posting of your payment, write “**2005 Form CT-1040NR/PY**” and your SSN(s) (optional) on the front of your check or money order.

In addition, if you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- **Schedule CT-1040CRC, Claim of Right Credit**
- **Form CT-19IT, Title 19 Status Release**
- **Form CT-1127, Application for Extension of Time for Payment of Income Tax**

### • **Form CT-8379, Nonobligated Spouse Claim**

Attach other required forms and schedules, including **Supplemental Schedule CT-1040H, Connecticut Income Tax Withholding**, to the **back** of your return, or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

### Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return copies of any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

1. Remove both labels from the envelope flap along the perforation.
2. Choose the correct label for your return, moisten, and place it on the return envelope.
3. Affix the correct postage to the envelope.

Do not use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

### Recordkeeping

Keep a copy of your tax return, worksheets that you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

### Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **Form LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can usually expect your copy in three weeks.

### Line 44 - Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax. Your Social Security benefits are fully exempt from Connecticut income tax if your filing status is Single or Married Filing Separately and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$50,000**, or Married Filing Jointly or Head of Household and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$60,000**. Your Social Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status. If you used the worksheets contained in the instructions to federal Form 1040A or federal Form 1040 to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet* above and enter the amount from Line F on Line 44. If you did not use these worksheets, but instead used worksheets contained in federal Publication 590 or federal Publication 915, see **Announcement 2001(4)**, *Taxability of Social Security Benefits for Connecticut Income Tax Purposes*.

If you are using a worksheet that is not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

### Line 45 - Refunds of State and Local Income Taxes

(Pub. L. No. 107-16, §402) To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 51.

2. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe, where the income or gain is derived from or connected with Indian country of the tribe. ## **Schedule 2 - Credit For Income Taxes Paid To Qualifying Jurisdictions (Part-Year Residents Only)**

### **Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions**

If you are a **part-year resident** of Connecticut and if any part of your income earned during the residency portion of your taxable year was taxed by a **qualifying jurisdiction**, you **may** be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

**Nonresidents may not claim a credit for income taxes paid to other jurisdictions.**

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**, to calculate their alternative minimum tax credit.

### **Qualifying Jurisdiction**

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

## Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within a qualifying jurisdiction; **and**
- Subject to tax in the qualifying jurisdiction.

## Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;
- Gambling winnings from a state-conducted lottery. See **Informational Publication 2005(16)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*; **or**
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not considered derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

## What Payments Do Not Qualify

- Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);
- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income or Connecticut source income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

## Limitations to the Credit

The total credit is limited to whichever amount is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The amount of Connecticut income tax due on the portion of Connecticut adjusted gross income sourced in the qualifying jurisdiction and earned during the residency portion of your taxable year; **or**
- The amount entered on Form CT-1040NR/PY, Line 10.

## How to Calculate the Credit

You **must** first complete your income tax return(s) in the qualifying jurisdiction(s). Then, complete the Schedule 2 Worksheet on Page 23 to determine the amount to enter on *Schedule 2*, Line 55.

The allowable credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. **Attach a copy of all income tax returns filed with qualifying jurisdictions**

**to your Connecticut income tax return or the credit will be disallowed.**

*Schedule 2* provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two columns, create a worksheet identical to *Schedule 2* and attach it to the back of your Form CT-1040NR/PY.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state (see the Line 61 example on Page 24):
  1. Use only **one** column on Form CT-1040NR/PY, *Schedule 2*, to calculate your credit;
  2. Enter the same income taxed by both city and state in that column on *Schedule 2*; **and**
  3. Combine the amounts of tax paid to the city and the state and enter the total on Line 59 of that column.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
  1. Use **two** columns on Form CT-1040NR/PY, *Schedule 2*;
  2. Include only the same income taxed by both jurisdictions in the first column; **and**
  3. Include the excess income taxed by only one of the jurisdictions in the next column.

---

## Schedule 2 - Worksheet Instructions

Complete the Schedule 2 Worksheet on Page 23 to determine the portion of your Connecticut adjusted gross income during the residency portion of your taxable year derived from a qualifying jurisdiction. Enter in Column I the items of income you earned during the residency portion of your taxable year and entered on Schedule CT-1040AW, Column B. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions:

- The income was earned during the residency portion of your taxable year;
- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; **and**
- You have paid income tax on the income to that qualifying jurisdiction.

---

**Example 1:** Laura, a single taxpayer, was employed in the State of New York during the entire taxable year and moved into Connecticut on July 1, 2005. Her Connecticut adjusted gross income is \$105,000. On Form CT-1040NR/PY, Schedule CT-1040AW, Column A, Laura reported the following: \$76,000 in wages, \$4,000 in interest, and \$25,000 from dividends (which was received November 21, 2005). Laura will enter on Schedule 2 Worksheet, Column I, the amounts she entered on Form CT-1040NR/PY, Schedule CT-1040AW, Column B: Line 1, \$38,000; Line 2, \$2,000; and Line 3, \$25,000. In Column II, she will enter: Line 1, \$38,000. Credit is allowed for the New York tax paid on her \$38,000 of wage income because it is derived from or connected to New York during the Connecticut residency portion of her taxable year.

---

**Example 2:** Luke and Leslie are part-year residents who file a joint federal Form 1040 and a joint Form CT-1040NR/PY. Luke's wages as an employee working in Rhode Island while a resident of Connecticut are \$20,000 and Leslie's wages as an employee working in Connecticut while a resident of Connecticut are \$25,000. Their combined wages while nonresidents of Connecticut are \$25,000. On their federal Form 1040, Line 7, (and on Line 1, Column A, of their Schedule CT-1040AW), Luke and Leslie entered \$70,000. Luke and Leslie will enter on the Schedule 2 Worksheet, \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Luke and Leslie will also enter \$20,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

**Example 3:** Linda, a part-year resident, is a sole proprietor of a business conducted at two locations, one in Connecticut and one in Massachusetts. All of Linda's income was earned while she was a Connecticut resident. On Linda's federal Form 1040,

Line 12, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on her Schedule C, \$35,000 is derived from the Massachusetts location. When completing Schedule 2 Worksheet, Linda will enter \$100,000 in Column I, Line 5, and \$55,000 (\$90,000 - \$35,000), in Column II, Line 5. Linda will also enter \$55,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

### Line 55 - Non-Connecticut Income

Complete Schedule 2 Worksheet on Page 23 to determine the total of non-Connecticut income included in your Connecticut adjusted gross income for the residency portion of your taxable year and reported on a qualifying jurisdiction's income tax return. To the amount on Schedule 2 Worksheet, Line 30, Column II, add back any item of loss or deduction and subtract any item of income or gain included in Column II as an item of special accrual. Enter the result on Line 55.

### Line 56

Divide the amount on Line 55 by the amount on Line 53. The result cannot exceed 1.0000. Round to four decimal places.

### Line 57 - Apportioned Income Tax

To determine the portion of your 2005 Connecticut income tax attributable to income earned during the residency portion of your taxable year:

- Divide the amount on the Schedule 2 Worksheet, Line 30, Column I, by the amount on Form CT-1040NR/PY, Line 6. (Round to four decimal places. The result may not exceed 1.0000.)
- Multiply the result by the amount on Form CT-1040NR/PY, Line 10, and enter on Line 57.

### Line 58

Multiply the percentage arrived at on Line 56 by the amount reported on Line 57.

### Line 59 - Income Tax Paid to a Qualifying Jurisdiction (While a Resident)

Enter on Line 59 the total amount of income tax paid to a qualifying jurisdiction on income derived from or connected with sources in that jurisdiction during the residency portion of your taxable year.

If the tax you paid to that jurisdiction was also based on income earned during the nonresidency portion of your taxable year, you must prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during your Connecticut residency (from Schedule 2 Worksheet, Line 30, Column II) bears to the total amount of income you earned in that jurisdiction in the taxable year.

**Example:** George, a part-year resident, worked in Rhode Island all year and paid \$1,200 in Rhode Island tax for 2005. His total Rhode Island wages for 2005 were \$20,000 of which \$15,000 was earned while he was a Connecticut resident. The income tax paid to Rhode Island during the residency portion of his taxable year is:

$$\frac{\$ 15,000}{\$ 20,000} \times \$1,200 = \$900$$

He should enter \$900 on Line 59.

**Income tax paid** means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not any penalty or interest. Do **not** report the amount of tax withheld for that jurisdiction directly from your W-2 or 1099 form. You **must** first complete a return for the qualifying jurisdiction in order to determine the amount of income tax paid.

### Line 60

Enter on Line 60 the lesser of the amounts reported on Line 58 or Line 59.

### Line 61 - Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 60A, Line 60B, and Line 60 of any additional worksheets. The amount on Line 61 cannot exceed the amount on Line 58. Enter the total on Line 61.

**Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.**

**Example:** Louise, a part-year resident whose filing status is single, changed her permanent legal residence during the taxable year by moving from Connecticut to City Y in State X. She worked in City Y during the entire taxable year. Both State X and City Y impose an income tax. Louise's Connecticut adjusted gross income is \$75,000 (Form CT-1040NR/PY, Line 5). Louise's income from Connecticut sources (Form CT-1040NR/PY, Line 6) and her Connecticut adjusted gross income during her Connecticut residency period (Schedule CT-1040AW, Column B, Line 30) is \$50,000. Louise completes Schedule CT-1040AW as follows: Line 1: Column A, \$73,000; Column B, \$49,000; Column C, \$24,000; and Column D, \$0. Line 2: Column A, \$2,000; Column B, \$1,000; Column C, \$1,000; and Column D, \$0. Louise will use the amounts in Column B when completing Schedule 2 Worksheet, Column I. Louise's Connecticut income tax before the credit for income taxes paid to other jurisdictions is \$2,367 (Form CT-1040NR/PY, Line 10). Since the amount of income taxed by both State X and City Y are equal, Louise will use only one column on Form CT-1040NR/PY, Schedule 2. Louise will enter \$49,000 (the common amount of income taxed in both State X and City Y during her residency period) on Line 55, Column A.

Louise pays an income tax of \$6,100 to State X; however, only \$4,039  $(\$49,000/\$74,000) \times \$6,100$  of that amount is attributable to her income sourced to State X during her Connecticut residency period. Louise pays an income tax of \$510 to City Y; however, only \$338  $(\$49,000/\$74,000) \times \$510$  is attributable to her income sourced to City Y during her Connecticut residency period. Therefore, the total tax paid to State X and City Y on the common amount of income is \$4,377  $(\$4,039 + \$338)$ . When completing Form CT-1040NR/PY, *Schedule 2*, Louise will enter \$50,000 on Line 53 and complete *Schedule 2* as follows:

	Column A	Column B
Line 54	State X, City Y	
Line 55	49,000 00	00
Line 56	.9800	
Line 57	2,367 00	00
Line 58	2,320 00	00
Line 59	4,377 00	00
Line 60	2,320 00	00
Line 61	Total Credit	2,320 00

## Schedule CT-SI Instructions

### General Information

If you are a nonresident or part-year resident, you must use **Schedule CT-SI, Nonresident or Part-Year Resident Schedule of Income From Connecticut Sources**, to report items of income, gain, loss, or deduction that make up your federal adjusted gross income that were derived from or connected with sources within Connecticut.

### Nonresidents

Report in Schedule CT-SI, Part 1, all items of income you received from Connecticut sources with modifications as described below. Report in Schedule CT-SI, Part 2, adjustments directly related to the income items in Part 1.

### Part-Year Residents

You **must** first complete **Schedule CT-1040AW** on Page 23 to determine your income from Connecticut sources. See instructions on Page 31. Add the amounts in Columns B and D for each line and transfer the total to the corresponding line of Schedule CT-SI.

Report in Schedule CT-SI, Part 1, the income you received from all sources earned while you were a Connecticut resident and your Connecticut source income for the part of the year you were a nonresident of Connecticut. Report in Schedule CT-SI, Part 2, adjustments that are a result of transactions that occurred while you were a Connecticut resident or are directly related to Connecticut source income for the part of the year you were a nonresident.

### Modifications

All amounts reported in Part 1 should include any modifications to federal adjusted gross income as provided on Form CT-1040NR/PY, *Schedule 1*.

**Example:** Dave, a part-year Connecticut resident received \$1,000 in taxable interest income reported on federal Form 1040 and \$1,000 in interest from New York bonds while a Connecticut resident. Dave would report \$2,000 on *Schedule CT-SI*, Part 1, Line 2.

### Special Accrual

For part-year residents, the amounts included on Schedule CT-1040AW and on Schedule CT-SI, Parts 1 and 2, should include items of income, gain, loss, and deduction that would accrue for federal income tax purposes prior to the change of residence. See *Items Subject to Special Accrual* on Page 9.

Part-year residents who file a surety bond or other security in lieu of special accruals do not include accruals in the amounts in Schedule CT-SI, Parts 1 and 2.

### Capital Losses, Passive Activity Losses, and Net Operating Losses

Capital losses, passive activity losses, and net operating losses generated from activities within Connecticut can reduce Connecticut adjusted gross income derived from or connected with Connecticut sources of a nonresident to the extent they are properly computed for federal income tax purposes and are offset against income derived from or connected with Connecticut sources. A nonresident must recompute capital losses, passive activity losses, and net operating losses as if the nonresident's federal adjusted gross income consisted only of items derived from Connecticut sources.

**Example:** Brenda, a nonresident of Connecticut, reported a capital gain from sources outside of Connecticut (from the sale of securities) of \$20,000 on her 2005 federal income tax return. Brenda also reported on her federal income tax return a capital loss of \$8,000 from sources exclusively within Connecticut (from the sale of real property not used in Brenda's trade or business). For federal income tax purposes, Brenda has a gain from the sale or exchange of property of \$12,000  $(\$20,000 \text{ minus } \$8,000)$ . Brenda has a capital loss of \$8,000 derived from or connected with sources within Connecticut, but may claim as a deduction only \$3,000 on her 2005 Form CT-1040NR/PY (in accordance with the federal limitation of \$3,000 of capital loss to offset ordinary income). She must carry forward the balance of the capital loss to the succeeding taxable year(s) even though, for federal income tax purposes, she will show no capital loss carryforward.

### Election to Forego Carryback

Where a nonresident incurs a net operating loss for Connecticut income tax purposes but does not incur a net operating loss for federal income tax purposes, the nonresident is required first to carry back the net operating loss to each of the three taxable years preceding the taxable year in which the net operating loss was incurred (except as limited by the information highlighted below) and then to carry any remaining net operating loss forward to each of the fifteen taxable years following the taxable year in which the loss was incurred. An election to forego the three-year carryback period and to carry the loss forward may be made by filing a timely Form CT-1040NR/PY for the year the loss was incurred and attaching a statement indicating that the election to forego the carryback is being made. This election may not be revoked.

**No loss incurred by a nonresident for taxable years beginning prior to January 1, 1991, may be carried forward to a succeeding taxable year. Likewise, no loss incurred by a nonresident in a taxable year beginning on or after January 1, 1991, may be carried back to a taxable year beginning prior to January 1, 1991.**

### Line 4 - Alimony Received

(federal Form 1040, Line 11)

#### • Part-Year Resident

Enter the amount from Schedule CT-1040AW, Line 4, Column B.

#### • Nonresident

This line does not apply to a nonresident.

### Line 5 - Business Income or (Loss)

(federal Form 1040, Line 12)

#### • Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 5, Column B and Column D.

#### • Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule 1*) that represents business income (loss) you received from a business, trade, profession, or occupation carried on in Connecticut.

Income from business activities in Connecticut that are considered casual, isolated, or inconsequential is not part of the Connecticut source income of a nonresident. See *Activities Considered to Be Casual, Isolated, or Inconsequential* on Page 9.

**Where a business, trade, profession, or occupation is carried on:** Generally, you are considered to be carrying on a business, trade, profession, or occupation (not including personal services as an employee) at the location:

1. Where you maintain, operate, or occupy desk space, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your affairs are regularly carried on (this summary is not all inclusive); **or**
2. Where your business is transacted with a fair measure of permanency and continuity.

**You are considered to be carrying on business outside Connecticut** if you maintain, operate, or occupy outside Connecticut, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your business matters are systematically and regularly carried on.

You are not considered to be carrying on business outside Connecticut and may not allocate or apportion business income if you have an occasional or isolated business transaction outside Connecticut or if you have no regular place of business outside of Connecticut.

You are not considered to be carrying on business outside Connecticut if your business activities in Connecticut are considered casual, isolated, or inconsequential. See *Activities Considered to Be Casual, Isolated, or Inconsequential* on Page 9.

---

**Example 1:** A plumber, who is a resident of Rhode Island, carries on his business from an office in Danielson, Connecticut. He has maintenance contracts with housing authorities in the Worcester, Massachusetts, area which require him to regularly perform his services at various locations in and around Worcester. This taxpayer is considered to be carrying on business in Connecticut (by reason of his office in this state) and in Massachusetts (because his business is conducted there with a fair measure of permanency and continuity).

---

---

**Example 2:** Assume the same facts as in Example 1, except that the taxpayer carries on his business from an office in Auburn, Massachusetts, and has maintenance contracts with housing authorities in northeast Connecticut. This taxpayer is considered to be carrying on business in Massachusetts (by reason of his office there) and in Connecticut (because his business is conducted in this state with a fair measure of permanency and continuity).

---

**If income is determined from books and records of the business (allocation of income):** If you are considered to be carrying on a business, trade, profession, or occupation both in and outside of Connecticut and you maintain books and records that satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, enter the net profit (loss) from business carried on in Connecticut on Line 5. Complete **Schedule CT-1040BA, Nonresident Business Apportionment**, Schedule A. If you report income using this method, your income reported to other states in which you carry on your business, where the states permit allocation on the basis of separate books and records, must result in a consistent allocation of income. (Where another state does not permit allocation on the basis of separate books and records, a consistent allocation of income may not be possible.)

---

**Example 3:** In Example 1, assume the plumber allocated, on the basis of separate books and records, the income derived from his plumbing business on his Connecticut nonresident return as follows: The income from his plumbing business is \$134,000, with \$91,500 being from Connecticut business and \$42,500 from Massachusetts business. Therefore, on his Massachusetts return, this taxpayer must also allocate \$91,500 of this income to Connecticut and \$42,500 to Massachusetts since Massachusetts permits allocation on the basis of separate books and records.

---

**Apportionment Formula:** If your books and records do not satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, income from business carried on both in and outside of Connecticut must be apportioned by using a prescribed formula or an approved alternative method. Schedule CT-1040BA, containing the formula and other instructions pertaining to the apportionment of business income, must be completed for this purpose and attached to Schedule CT-SI. If you submit an alternative method of apportionment, you must also complete Schedule CT-1040BA and submit all information about your alternative method of apportionment.

**Line 6 - Capital Gain or (Loss)**  
(federal Form 1040, Line 13)

• **Part-Year Resident**

Enter the total of Schedule, CT-1040AW, Line 6, Column B and Column D.

• **Nonresident**

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents capital gains (losses) from Connecticut sources in accordance with federal provisions for determining capital gains (losses). This includes a deduction for any capital loss carryover from Connecticut sources **as limited by the following**

**highlighted information.** Use a copy of federal Form 1040, Schedule D, as a worksheet in determining your Connecticut capital gain (loss). Include in your computations only transactions from Connecticut sources in 2005. If these computations result in a net capital loss for Connecticut purposes, the loss is limited to \$3,000 (\$1,500 if you are married and filing separately) on the Connecticut return. Any balance of a 2005 net capital loss (in excess of the amount claimed on the 2005 return) will be treated as a carryover loss to be claimed on returns for subsequent years.

**No loss incurred by a nonresident for taxable years beginning prior to January 1, 1991, may be carried forward to a succeeding taxable year. No loss incurred by a nonresident in a taxable year beginning on or after January 1, 1991, can be carried back to a taxable year beginning prior to January 1, 1991.**

**Capital Transactions From Connecticut Sources:** Include transactions resulting in capital gains (losses) derived from real or tangible personal property located within Connecticut, whether or not connected with a trade or business, and capital gains (losses) from stocks, bonds, and other intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut. Include your share of any capital gain (loss) derived from Connecticut sources of a partnership of which you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (Schedule CT-1040BA) in determining the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property in computing capital gains (losses).

**Line 7 - Other Gains or (Losses)**  
(federal Form 1040, Line 14)

• **Part-Year Resident**

Enter the total of Schedule CT-1040AW, Line 7, Column B and Column D.

• **Nonresident**

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents the gain (loss) from the sale or exchange of non-capital assets from Connecticut sources. Apply the federal provisions for determining gains (losses) from the sale or exchange of other than capital assets to your Connecticut transactions.

**Non-Capital Transactions From Connecticut Sources:** Include non-capital transactions pertaining to property used in connection with a business, trade, profession, or occupation carried on in Connecticut. Also include your share of any non-capital gain (loss) from a partnership of which you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (Schedule CT-1040BA) to determine the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property to compute capital gains (losses).

## Line 8 - Taxable Amount of IRA Distributions

(federal Form 1040, Line 15b)

### • Part-Year Resident

Enter the amount from Schedule CT-1040AW, Line 8, Column B.

### • Nonresident

This line does not apply to a nonresident.

## Line 9 - Taxable Amount of Pensions and Annuities

(federal Form 1040, Line 16b)

### • Part-Year Resident

Enter the amount from Schedule CT-1040AW, Line 9, Column B.

### • Nonresident

This line does not apply to a nonresident.

## Line 10 - Rental Real Estate, Royalties, Partnerships, Corporations, Trusts, Etc.

(federal Form 1040, Line 17)

### • Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 10, Column B and Column D.

### • Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule 1*) that represents income or losses from rents, royalties, partnerships, S corporations, trusts, and estates derived from or connected with Connecticut sources.

**Rental and royalty income:** As a nonresident, enter rents and royalties from:

1. Real property located in Connecticut, whether or not used in connection with a business;
2. Tangible personal property not used in a business if the property is located in Connecticut; **and**
3. Tangible and intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut.

If the income is earned by a business carried on both in and outside of Connecticut, apply the business apportionment percentage (Schedule CT-1040BA) or alternative method **only** to items of tangible and intangible personal property used in or connected with the business to determine the income from Connecticut sources. Do **not** apportion income from real property located in Connecticut (whether or not used in a business). That income must be entirely included in Connecticut source income if the real property is located in Connecticut and entirely excluded from Connecticut source income if the real property is located outside Connecticut. Do **not** apportion income from tangible personal property not used in a business. Report on this line your share of any rental or royalty income from a partnership, trust, estate, or S corporation.

**Partnerships:** As a nonresident, enter your distributive share of partnership income, gain, loss, and deduction derived from or connected with Connecticut sources. ---

**S corporations:** As a nonresident, enter your pro rata share of the S corporation's nonseparately stated items of income or loss (to the extent includable in your Connecticut adjusted gross income) derived from or connected with Connecticut sources. The S corporation should furnish this information to you on Schedule CT K-1.

**Trusts and estates:** As a nonresident beneficiary, enter your share of trust or estate income derived from or connected with Connecticut sources. (This information should be provided to you by the fiduciary.) If your share includes any items of taxable trust or estate income from Connecticut sources not reported on Line 10, those items should be included on the appropriate lines of Schedule CT-SI.

**Passive activity loss limitations:** Any deduction for passive activity losses for a nonresident must be recomputed to determine the amounts which would be allowed if the federal adjusted gross income took into account only items of income, gain, loss, or deduction derived from or connected with Connecticut sources.

If you were a **part-year resident**, you must recalculate your passive activity loss limitations as if separate federal returns were filed for your resident and nonresident periods.

Any adjustment that specifically relates to wage or salary income or business income for services performed in Connecticut must be apportioned to Connecticut on the same basis as the wage or salary income to which it relates; IRA deduction (Line 25); student loan interest deduction (Line 26); tuition and fees

deduction (Line 27); and domestic production activities deduction (Line 28).

**Line 29 - Total Adjustments**

**Line 30 - Income From Connecticut Sources**

Subtract Line 29 from Line 15. Enter the total on Schedule CT-SI, Line 30, and on Form CT-1040NR/PY, Line 6.

**Employee Apportionment Worksheet Instructions**

Sometimes your employment requires you to work both inside and outside Connecticut, but you do not know the actual amount of income you earned from working in Connecticut. In this case, you must apportion your income. Nonresidents and part-year residents who were employed in Connecticut during the nonresidency period must use the Employee Apportionment Worksheet for this purpose. **Part-year residents may not apportion income earned while they were residents of Connecticut.**

If your business activities in Connecticut are considered casual, isolated, or inconsequential, income from those activities is not considered Connecticut source income of a nonresident. See *Activities Considered to Be Casual, Isolated, or Inconsequential* on Page 9.

**Who May Not Apportion Income**

If you know the actual amount of your Connecticut source income, you may not apportion. Simply report your income taxable in Connecticut on your Connecticut return. Examples of individuals who are not permitted to apportion include:

1. An employee whose actual Connecticut income is shown on federal Form W-2; **and**
2. An employee whose W-2 does not indicate initially his or her actual Connecticut income but whose employer issued a corrected W-2 or other statement which breaks down this amount. Since your employer is required by law to withhold Connecticut income tax on your Connecticut wages, this breakdown should be easy to obtain.

Nonresident employees who work inside and outside Connecticut should complete **CT-W4NA**, *Employee's Withholding or Exemption Certificate - Nonresident Apportionment*. The employer will use the information on Form CT-W4NA along with Form CT-W4 to withhold the correct amount of Connecticut income tax for services performed in this state.

**Who Must Use the Employee Apportionment Worksheet**

If your employment required you to perform services both inside and outside Connecticut and **you do not know the actual amount of income you earned in Connecticut**, you must use the Employee Apportionment Worksheet if you fit into any of the categories listed below:

1. An employee who is compensated on an hourly, daily, weekly, or monthly basis;
2. An employee whose compensation depends upon sales, at least some of which take place outside of Connecticut; **or**
3. An employee whose compensation is based on miles.

## How Do I Complete the Employee Apportionment Worksheet

If you qualify to use the *Employee Apportionment Worksheet*, select the appropriate basis below and then follow the instructions. If you have more than one job requiring the use of the worksheet, complete a worksheet for each job.

### Working Day Basis

Employees who qualify to use the *Employee Apportionment Worksheet* and who are compensated on an hourly, daily, weekly, or monthly basis should use the working day basis to apportion their income. The income of these taxpayers is apportioned to Connecticut in the same proportion that the amount of time spent working in Connecticut bears to the total working time.

#### Line A - Working Days Outside Connecticut

Enter on Line A the number of days you worked outside of Connecticut.

#### Line B - Working Days Inside Connecticut

Enter on Line B the number of days you worked inside of Connecticut.

Working days do not include days on which you were not required to work, such as holidays, sick days, vacations, and paid or unpaid leave. If you spent a working day partly inside and partly outside of Connecticut, treat the day as having been spent  $\frac{1}{2}$  inside Connecticut.

#### Line C - Total Working Days

Add Line A and Line B and enter the total on Line C.

#### Line D - Nonworking Days

Enter your nonworking days. Your nonworking days are those days during the year (or during the period you worked if your job lasted less than a year) that you are not required to work, such as Saturdays, Sundays, holidays, sick days, vacation, and leave with or without pay.

#### Line E - Connecticut Ratio

Divide Line B by Line C and enter the result on Line E.

#### Line F - Total Income Being Apportioned

Enter your total income from employment earned both inside and outside of Connecticut.

#### Line G - Connecticut Income

Multiply Line E by Line F.

#### • Part-Year Resident

Enter the result here and on Schedule CT-1040AW, Line 1, Column D.

#### • Nonresident

Enter the result here and on Schedule CT-SI, Line 1.

---

**Example:** An auditor living in Massachusetts is employed by an accounting firm in Hartford at an annual salary of \$33,000. She works a total of 240 days in 2005, performing field audits in Rhode Island on 160 days of the year and working 80 days in Hartford. Her Connecticut adjusted gross income derived from or connected with sources within this state is \$11,000 computed as follows:

$$\$33,000 \times \frac{80}{240} = \$11,000$$

---

#### Basis If Other Than Working Days

If you are using the sales or mileage basis, substitute sales or mileage for working days and complete all items in the worksheet except Line D. Indicate what basis you are using in the space provided, and enter your Connecticut income from Line G on the appropriate line(s) of Schedule CT-SI.

#### Sales Basis

Where compensation of a salesperson, agent, or other employee is based in whole or in part upon commissions from sales, Connecticut adjusted gross income derived from or connected with sources within Connecticut is determined by multiplying the gross compensation earned from sales everywhere, determined as if the nonresident were a resident, by a fraction. The numerator is the amount of sales made within Connecticut and the denominator is the amount of sales made everywhere. The amount of sales is determined on the same basis as that on which the amount of sales is determined for purposes of figuring the individual's commissions. The determination of whether sales are made within Connecticut or elsewhere is based upon where the salesperson, agent, or employee performs the activities in obtaining the order, not the location of the formal acceptance of the contract.

#### Mileage Basis

Where an employee's wages are based on mileage, Connecticut adjusted gross income derived from or connected with sources within this state is determined by multiplying the employee's gross wages, determined as if the nonresident were a resident, wherever earned, from the employment which includes employment carried on in Connecticut, by a fraction. The numerator is the employee's total mileage traveled in Connecticut and the denominator is the employee's total mileage upon which the employer computes total wages.

## Schedule CT-1040AW Instructions

### General Information

Part-year resident individuals **must** complete **Schedule CT-1040AW**, *Part-Year Resident Income Allocation*, to calculate Connecticut source income for the entire taxable year. After completing Schedule CT-1040AW, add the amount in Column B to the amount in Column D and transfer each total to the corresponding line of **Schedule CT-SI**.

### Special Accrual

Report in Column B if you moved out of Connecticut, or Column C if you moved into Connecticut, all items you would be required to report if you were filing a federal return on the accrual basis for the period before you changed your resident status. Combine these accrual amounts with the corresponding amounts on Lines 1 through 30.

### Items Subject to Special Accrual

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed. See *Items Subject to Special Accrual* on Page 9.

### Wage Apportionment

If your salary or wages while you were a nonresident were earned partially in Connecticut, you have to determine how much should be apportioned to Connecticut and enter that amount in Column D. If you do not know the actual amount of income you earned from working in Connecticut, complete the *Employee Apportionment Worksheet* on Schedule CT-SI.

### Partners and S Corporation Shareholders

For taxable years beginning on or after January 1, 2001, part-year residents must:

- Include in Column B their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut resident period based on the number of days they resided in Connecticut.
- Include in Column D, their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut nonresident period based on the number of days they resided outside of Connecticut, but only to the extent the prorated amount of income, gain, loss, and deduction is derived from or connected with Connecticut sources.

### Part 1 – Adjusted Gross Income

#### Column A – Federal Income as Modified

Enter the amounts of income reported on your federal return as modified by amounts on Form CT-1040NR/PY, *Schedule 1*, **plus all items you would be required to include if you were filing a federal return on the accrual basis**. See *Items Subject to Special Accrual* on Page 9 and *Schedule 1 – Modifications to Federal Adjusted Gross Income* on Page 18.

#### Column B – Connecticut Resident Period

Enter that part of the amount from Column A you earned during the period you were a Connecticut resident.

#### Column C – Connecticut Nonresident Period

Enter that part of the amount from Column A you earned during the period you were a nonresident of Connecticut.

#### Column D – Nonresident Period Connecticut Source Income

Enter that part for the amount from Column C you earned while a nonresident that was derived from or connected with Connecticut sources including, but not limited to:

1. Services you performed in Connecticut;
2. Real or tangible personal property located in Connecticut; **and**
3. Businesses, trades, professions, or occupations conducted in Connecticut. See *Connecticut Source Income of a Nonresident* on Page 8.

Refer to each specific line instruction for Schedule CT-SI, Part 1, on Page 26 to determine the income from Connecticut sources earned during your nonresident period.

---

## Part 2 – Adjustments to Income

#### Column A – Federal Income as Modified

Enter the amounts of adjustments reported on your federal return plus all items you would be required to include if you were filing a federal return on the accrual basis. See *Items Subject to Special Accrual* on this page.

#### Column B – Connecticut Resident Period

Enter that part of the adjustments from Column A you earned during the period you were a Connecticut resident.

#### Column C – Connecticut Nonresident Period

Enter that part of the adjustments from Column A you earned during the period you were a nonresident of Connecticut.

#### Column D – Nonresident Period Connecticut Source Income

See Schedule CT-SI, Part 2, Lines 16 through 30, on Page 29. Enter that part of the adjustments from Column C you earned while a nonresident that was derived from or connected with Connecticut sources.

---

**Example:** Mark moved from California to Connecticut on September 15, 2005. On Mark's federal return, he reported \$50,000 in total wages. \$10,000 was earned while Mark was a Connecticut resident. On Line 1, Mark would enter \$50,000 in Column A, \$10,000 in Column B, \$40,000 in Column C, and \$0 in Column D. No income was earned in Connecticut prior to the move.

Mark also claimed moving expenses of \$3,000 on federal Form 1040, Line 26. This amount was specified in a contract he entered into with a moving company before he moved out of California. He also had a student loan interest of \$525 on federal Form 1040, Line 33. He would enter \$3,000 in Column A, \$0 in Column B, \$3,000 in Column C, and \$0 in Column D. The entire moving deduction is included in Column C because the moving expense was fixed and determinable before he moved out of California. For the student loan interest, he would enter \$525 in Column A, \$105 in Column B ( $10,000/50,000 \times \$525$ ), \$420 in Column C ( $40,000/50,000 \times \$525$ ), and \$0 in Column D.

## Part 3 – Part-Year Resident Information

All part-year residents must complete this section in its entirety. Attach Schedule CT-1040AW to Form CT-1040NR/PY.

## Schedule CT-1040BA Instructions

### General Instructions

**Schedule CT-1040BA**, *Nonresident Business Apportionment*, on Page 35 must be completed by nonresidents and part-year residents (for the nonresidency portion of the year) if they are considered to be carrying on business both in and outside Connecticut and required to allocate or apportion business income.

### Who Must Allocate or Apportion Business Income

An allocation or apportionment of business income must be made if you are a nonresident and you are considered to be carrying on business both in and outside of Connecticut.

Generally, you are considered to be carrying on business at the location:

1. Where you maintain, operate, or occupy desk space, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your affairs are regularly carried on (this summary is not all inclusive); **or**
2. Where your business is transacted with a fair measure of permanency and continuity.

**You are considered to be carrying on business outside Connecticut** if you maintain, operate, or occupy outside Connecticut, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your business matters are systematically and regularly carried on.

You are not considered to be carrying on business outside Connecticut and may not allocate or apportion business income if you have an occasional or isolated business transaction outside Connecticut or if you have no regular place of business outside of Connecticut.

You are not considered to be carrying on business outside Connecticut if your business activities in Connecticut are considered casual, isolated, or inconsequential. See *Activities Considered to Be Casual, Isolated, or Inconsequential* on Page 9.

---

**Example 1:** A plumber, who is a resident of Rhode Island, carries on his business from an office in Danielson, Connecticut. He has maintenance contracts with housing authorities in the Worcester, Massachusetts, area that require him to regularly perform his services at various locations in and around Worcester. This taxpayer is considered to be carrying on business in Connecticut (by reason of his office in this state) and in Massachusetts (because his business is conducted there with a fair measure of permanency and continuity).

---

**Example 2:** Assume the same facts as in Example 1 except that the taxpayer carries on his business from an office in Auburn, Massachusetts, and has maintenance contracts with housing authorities in northeast Connecticut that require him to regularly perform his services at various locations in and around Connecticut. This taxpayer is considered to be carrying on business in Massachusetts (by reason of his office there) and in Connecticut (because his business is conducted here with a fair measure of permanency and continuity).

### Who Must Complete Schedule A

**Any nonresidents who are required to allocate or apportion income** because they carry on business both in and outside of Connecticut must complete *Schedule A*.

**If income is determined from books and records of the business (allocation of income):** If you carry on business both in and outside of Connecticut and maintain books and records that satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut, enter in the space immediately below *Schedule A* the words “**Connecticut income determined from books and records.**” **Do not** complete *Schedule B*.

If you report income using this method, your income reported to other states in which you carry on your business, where the states permit allocation on the basis of separate books and records, must result in a consistent allocation of income. (Where another state does not permit allocation on the basis of separate books and records, such a consistent allocation of income may not be possible.)

---

**Example 3:** Assume the same facts as in Example 1, except that the plumber allocated, on the basis of separate books and records, the income derived from his plumbing business on his Connecticut nonresident return as follows: The income from his plumbing business is \$134,000, with \$91,500 being from Connecticut business and \$42,500 from Massachusetts business. Therefore, on his Massachusetts return, this taxpayer must also allocate \$91,500 of this income to Connecticut and \$42,500 to Massachusetts since Massachusetts permits allocation on the basis of separate books and records.

### Who Must Complete Schedule B

If your books and records do not satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut, income from business carried on both in and outside of Connecticut must be apportioned by using the **business apportionment percentage** (arrived at by completing *Schedule B*) or by using an approved alternative method. *Schedule B* of Schedule CT-1040BA must be completed for this purpose and attached to **Form CT-1040NR/PY**. If you submit an alternative method of apportionment, you must also complete Schedule CT-1040BA and include with it information explaining the alternative method of apportionment.

The **business apportionment percentage** or alternative method is **not** applied to income from the rental of real property or gains (losses) from the sale of real property. The entire rental income from **Connecticut** real property or gain from the sale of the property is allocated to Connecticut and the entire amount of any loss from the sale is allocated to Connecticut. Rental income from real property located **outside** Connecticut or gain from the sale of this property is allocated outside Connecticut. Any loss connected with the property is allocated outside Connecticut.

The **business apportionment percentage** is applied to business income (loss), farm income (loss), or to the income from intangible personal property (such as annuities, dividends, interest, and gains from the disposition of intangible personal property) if the property is used in or connected with a business carried on both in and outside of Connecticut.

If you carried on more than one business for which an apportionment of business income is required on Schedule CT-1040BA, prepare a separate Schedule CT-1040BA for each business and attach all schedules to Form CT-1040NR/PY.

## Specific Instructions

### Schedule A

In Column 1 and Column 2, list the exact locations both in and outside of Connecticut where you carry on business. In Column 3, describe the places listed in Column 1 and Column 2 (for example, branch office, agency, factory, warehouse, etc.) **and** state whether you rent or own these places.

### Schedule B

Complete this schedule if business is carried on both in and outside of Connecticut and you do not maintain books and records that satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut.

#### Line 1 - Real Property Owned

Enter in Column A the average value of all real property owned, wherever located, by the business. Do not include in Column A the average value of real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year. Enter in Column B the average value of real property owned by the business and located in Connecticut. Do not include in Column B the average value of Connecticut real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year. Real property includes assets of a fixed nature, such as buildings and land.

The average value of property is determined by adding its fair market value at the beginning and at the end of the taxable year and dividing the result by two.

#### Line 2 - Real Property Rented From Others

Enter the value of all real property rented from others in Column A and the value of Connecticut real property rented from others in Column B.

The value of real property rented by the business and included in Line 2 generally is eight times the gross rent payable during the taxable year for which the return is filed. Gross rent includes:

1. Any amount payable for the use or possession of real property, or any part of it, whether designated as a fixed sum of money or as a percentage of sales, profits, or otherwise;
2. Any amount payable as additional rent or in lieu of rent, such as interest, taxes, insurance, repairs, or any other amount required to be paid by the terms of a lease or other agreement; **and**
3. A proportion of the cost of any improvement to real property made by or on behalf of the business which reverts to the owner or lessor upon termination of a lease or other arrangement. However, if a building is erected on leased land by or on behalf of the business, the value of the building is determined in the same manner as if it were owned by the business.

#### Line 3 - Tangible Personal Property Owned or Rented From Others

Enter in Column A the average value of all tangible personal property owned by the business and the value of all tangible personal property rented from others by the business. Enter in Column B the average value of tangible personal property located in Connecticut that is owned by the business and the value of tangible personal property located in Connecticut that is rented from others by the business. If tangible personal property is rented from others by the business, its value is determined by multiplying the gross rents payable during the taxable year by eight. If tangible personal property is owned by the business, its average value is determined by adding its book value at the beginning and at the end of the taxable year and dividing the result by two.

#### Line 4 - Property Percentage

Add Lines 1, 2, and 3 in Column A and Column B and enter the result on Line 4.

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

#### Line 5 - Payroll Percentage

Enter wages, salaries, and other personal service compensation paid only to employees of the business. Do not include payments to independent contractors, independent sales agents, etc. Enter in Column A the total compensation paid to employees during the taxable year in connection with business operations carried on both in and outside of Connecticut. Enter in Column B the amount paid in connection with business operations carried on in Connecticut. The compensation paid for services is in connection with operations carried on in Connecticut if the employee works in or travels out of an office or other place of business located in Connecticut.

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

#### Line 6 - Gross Income Percentage

Enter in Column A total gross sales made or charges for services performed by the proprietor or by employees, agents, agencies, or independent contractors of the business in and outside of Connecticut. Enter in Column B the portion of total gross sales or charges which represents sales made, or charges for services performed, by the proprietor or by employees, agents, agencies, or independent contractors situated at, connected with, or sent out from offices of the business (or its agencies) located in Connecticut.

---

**Example:** If a salesperson working out of the Connecticut office of the business covers Connecticut, Massachusetts, and Rhode Island, all sales made by him are to be allocated to Connecticut and included on Line 6, Column B.

---

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

#### Line 7 - Total of Percentages

Add Lines 4, 5, and 6 in Column C and enter the total.

#### Line 8 - Business Apportionment Percentage

Divide Line 7 by three (or by the actual number of percentages if less than three). Carry the result to four decimal places and enter the result as a percentage.

Each item of business income (loss) reported on federal Form 1040, which is required by these instructions to be apportioned, is multiplied by the percentage on Line 8. Nonresidents enter the apportioned amounts on the proper lines of Schedule CT-SI. Part-year residents enter the apportioned amounts on the proper lines of Schedule CT-1040AW, Column D.

**Do not** apply the business apportionment percentage to income from the rental of real property or gains or losses from the sale of real property. The entire rental income from Connecticut real property or gain from the sale of the property is allocated to Connecticut and the entire amount of any loss from the sale is allocated to Connecticut. Rental income from real property located **outside** Connecticut or any gain or loss from the sale of this property is allocated out of state.

## Amended Returns

Use **Form CT-1040X**, *Amended Connecticut Income Tax Return*, to amend a previously-filed Connecticut income tax return. If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an

extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return; or three years after the date of filing the return, whichever is earlier. If an amended return is not timely filed, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 12.

**The following circumstances require the filing of Form CT-1040X:**

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than 90 days after the final determination.</b> If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return.</b> If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p><b>File Form CT-1040X no later than 90 days after the final determination.</b> If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p><b>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction.</b> If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p><b>File Form CT-1040X no later than three years after the due date of your return,</b> or if you filed a timely request for an extension of time to file, three years after the date of filing the return, or three years after the extended due date, whichever is earlier.</p>

**Do not file Form CT-1040X for any of the following reasons:**

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year in order to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Schedule CT-1040CRC**, *Claim of Right Credit*, with your Connecticut income tax return for the later taxable year.

**Financial Disability**

If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period your spouse or any other person is authorized to act on your behalf in financial matters.

# Questions and Answers About the Connecticut Individual Use Tax

---

For additional information, see **Informational Publication 2005(17), Q & A on the Connecticut Individual Use Tax.**

## 1. What is the use tax?

When you make a retail purchase in this state, you usually pay sales tax to the seller who in turn pays the tax to the DRS. Sometimes Connecticut sales tax is not paid to the retailer. In these situations, the purchaser must pay the use tax directly to DRS.

## 2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable tangible personal property, whether purchased or leased. Examples of taxable personal property include items of clothing costing \$50 or more, automobiles, appliances, furniture, jewelry, cameras, VCRs, computers, and prewritten computer software. Some taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; reupholstering services for your household furniture; or charges for online access to computer services.

## 3. Are there exemptions from the use tax?

Yes. If you buy goods or services in Connecticut that are exempt from sales tax, they are exempt from the use tax if you buy them out-of-state for use in Connecticut. Some examples are items of clothing that cost less than \$50, charges to access the Internet through an Internet provider's server, and repair and maintenance services to vessels.

## 4. Do I owe Connecticut use tax on all my out-of-state purchases of taxable goods and services?

No. If all the items you purchased and **brought into** Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does **not** apply to items **shipped or mailed** to you.

## 5. What is the use tax rate?

In general, the use tax rate for taxable goods or services is 6% (.06). However, computer and data processing services are taxed at 1% (.01).

## 6. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut and the tax paid to the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax due is the difference between the Connecticut tax and the tax paid to the other state.

---

**Example:** You purchased a \$1,000 refrigerator in another state and paid a \$50 tax to that state. If you bought the refrigerator for use in Connecticut, you owe Connecticut use tax. The Connecticut tax of \$60 is reduced to \$10 after allowing \$50 credit for the tax paid to the other state. If no tax was paid to the other state, the Connecticut use tax is \$60.

---

## 7. When must individuals pay the use tax?

You must pay the individual use tax when you file an individual income tax return. Forms **CT-1040EZ**, **CT-1040**, or **CT-1040NR/PY** must be filed on or before April 15, 2006, or use *Webfile* or *Telefile* to file your 2005 income tax return. If you are not required to file a Connecticut income tax return, you must pay the use tax on Form **OP-186**, *Connecticut Individual Use Tax Return*. You may file Form **OP-186** for the entire year or you may file several returns throughout the year.

If you are engaged in a trade or business, you must register with DRS for business use tax and report purchases made in connection with your trade or business on **Form OS-114**, *Sales and Use Tax Return*.

## 8. What are the penalties and interest for not paying the use tax?

The penalty is 10% (.10) of the tax due. Interest is charged at the rate of 1% (.01) per month or fraction of a month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

## 9. On what amount should the use tax be calculated?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the tax rate (generally 6%).

---

## Schedule 3 - Individual Use Tax Worksheet Line Instructions

---

In general, goods or services that are purchased out-of-state and that would have been subject to the Connecticut sales tax if those goods or services had been purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who have purchased goods from mail order or catalog companies and have had those goods shipped to Connecticut and individuals who have purchased goods at out-of-state locations and have brought those goods back into Connecticut are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete Form **CT-1040NR/PY**, *Schedule 3 - Individual Use Tax Worksheet*, to calculate your use tax liability.

List separately any individual item with a purchase price of **\$300 or more**. Although you do not need to list separately any individual item with a purchase price of **less than \$300**, such items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax

rate of 6% (.06) by the purchase price of the item and enter the result. Enter the total tax for all taxable purchases on *Schedule 3*, Line 62 and Form **CT-1040NR/PY**, Line 17.

See **Informational Publication 2005(17), Q&A on the Connecticut Individual Use Tax.**

If you require additional lines, you should create an identical schedule and attach it to the back of your Form **CT-1040NR/PY**.

Enter only those purchases subject to use tax that you have not previously reported on **Form OP-186**.

You must enter "0" on Line 17 of Form **CT-1040NR/PY** if no Connecticut use tax is due. If you do not make an entry on Line 17, you will not have filed a use tax return.

### Line 62

Complete *Schedule 3 - Individual Use Tax Worksheet* and enter the total use tax due on Line 62 and on Form **CT-1040NR/PY**, Line 17.

## Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available in the forms or publications specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

### Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property; gifts of tangible personal property situated within Connecticut; or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax it may be collected from the donee. Connecticut taxable gifts are reported on, and Connecticut gift tax is paid (if due) with Form CT-706/709, *Connecticut Estate and Gift Tax Return*. The due date of the return is April 15, for gifts made during the preceding calendar year. See **Special Notice 2005(10)**, *2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax*.

### Connecticut Income Tax Withholding for Household Employers

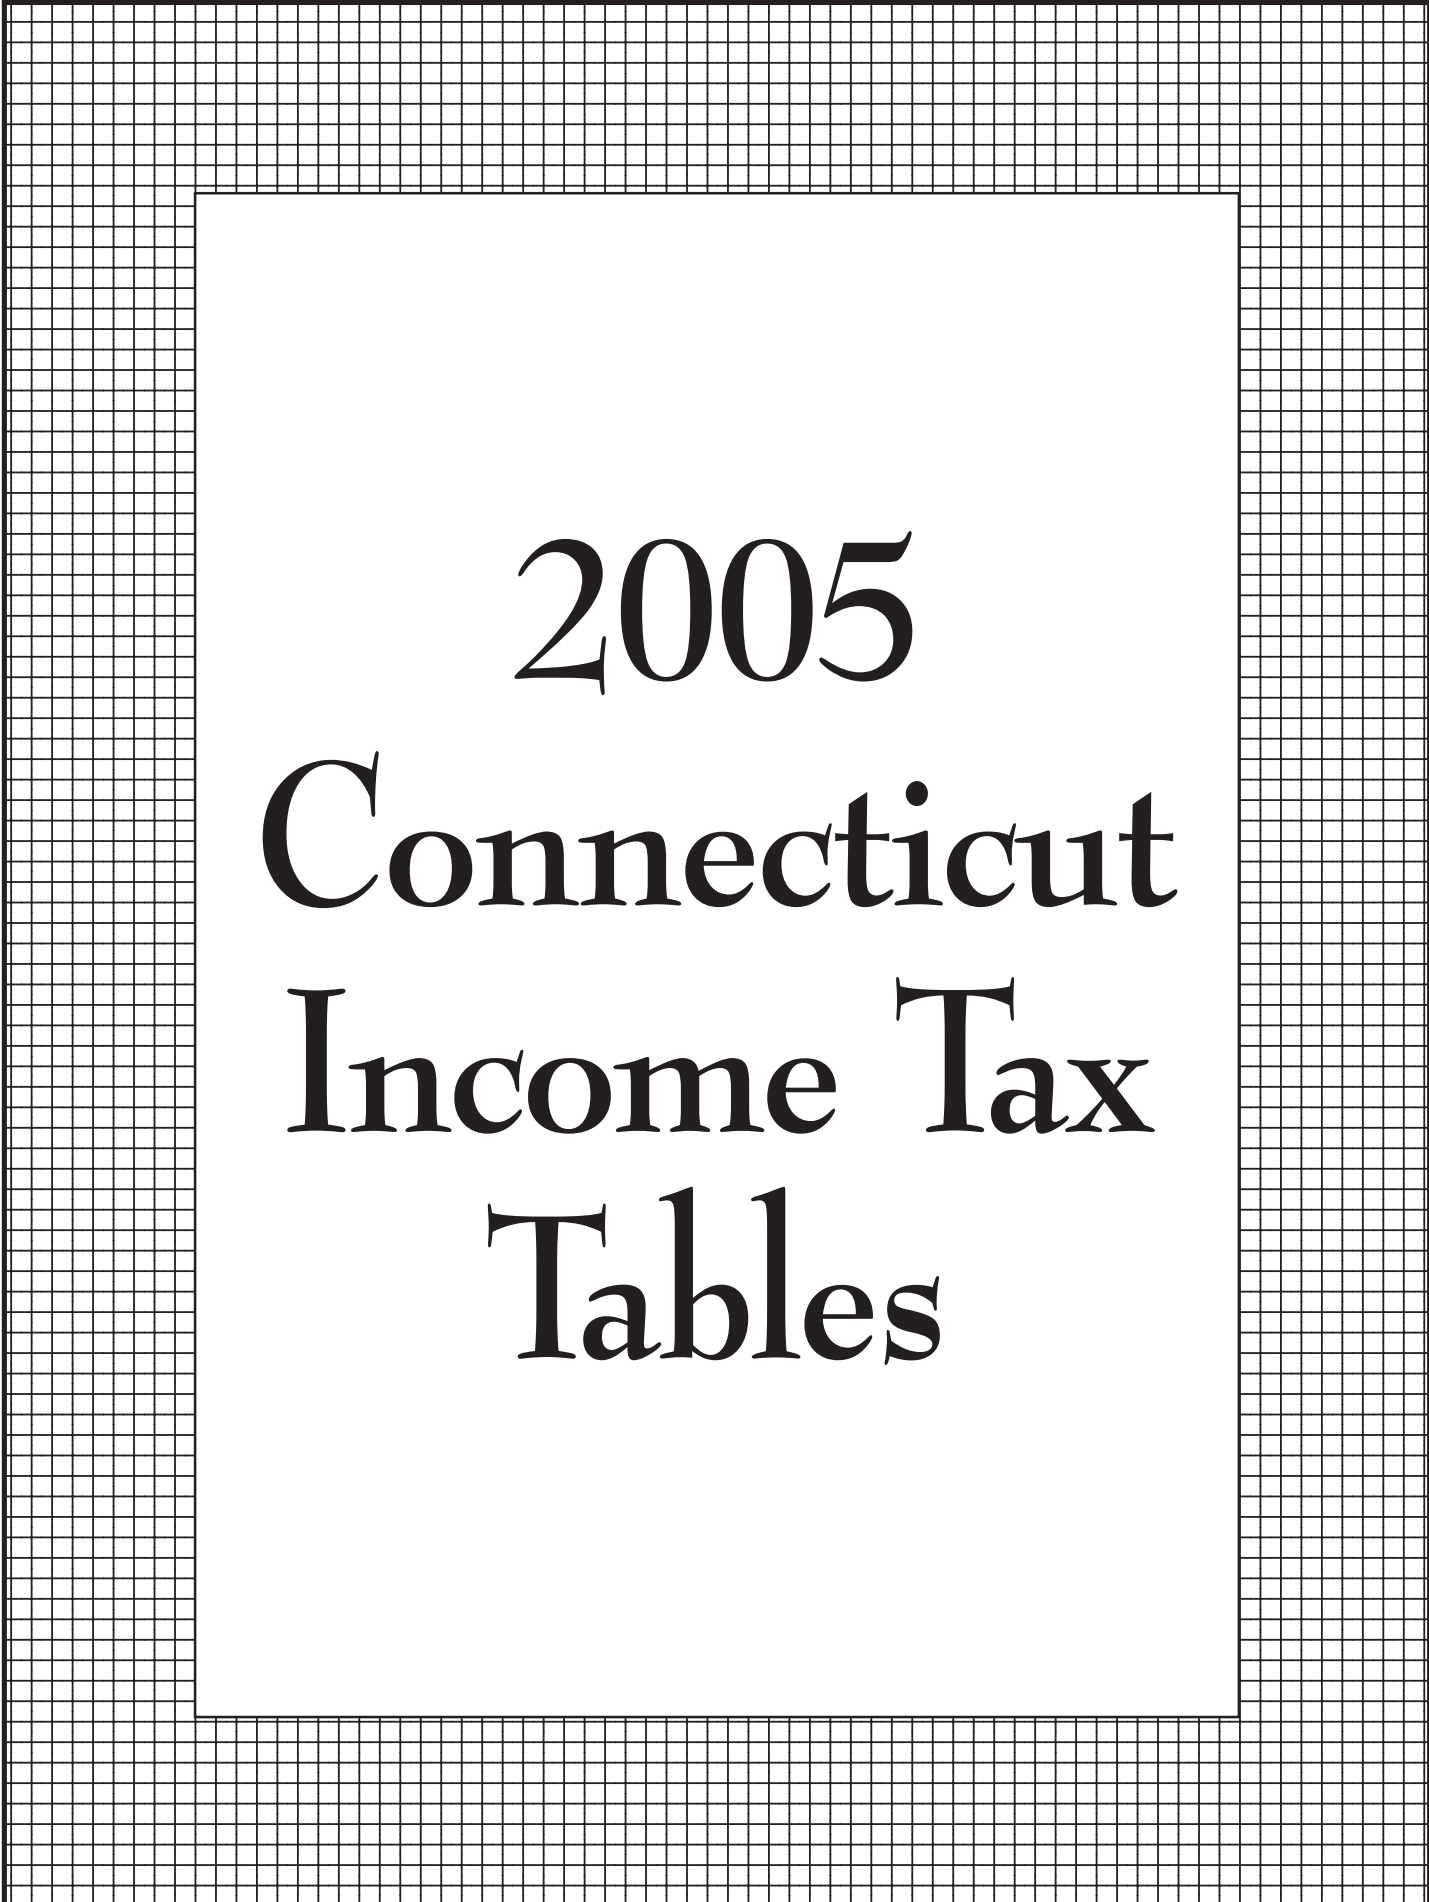

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2006(1)**, *Connecticut Circular CT-Employer's Tax Guide*.
