## Other Taxes for Which the Corporation May be Liable

The information that follows is intended to be a general description of other Connecticut taxes for which a corporation may be liable. Failure to pay these or any taxes for which the corporation is liable may subject the corporation and its officers to civil and criminal penalties.

To register for sales and use taxes, Connecticut income tax withholding, and most other Connecticut taxes administered by DRS, the corporation must complete **Form REG-1**, *Business Taxes Registration Application*.

Visit the DRS website to register online. If the corporation already has a Connecticut Tax Registration Number, additional taxes for which the corporation is liable may be added to the registration by contacting the DRS Registration Unit at 860-297-4885.

**Business Entity Tax:** The business entity tax (BET) is an annual tax of \$250 imposed on the following business types:

- S corporations (Qualified subchapter S subsidiaries (QSSS) are not liable for the BET.);
- Limited liability companies (LLCs or SMLLCs) that are, for federal income tax purposes, either:
  - Treated as a partnership, if it has two or more members; or
  - Disregarded as an entity separate from its owner, if it has a single member;
- Limited liability partnerships (LLPs); and
- Limited partnership (LPs).

The BET applies to those business entities listed above if either: 1) the entities were formed under Connecticut law; or 2) the entities were not formed under Connecticut law but are required to register with or obtain a certificate of authority from the Connecticut Secretary of the State before transacting business in the state (regardless of whether or not the entities have complied with the requirement). Visit the DRS website at [www.ct.gov/bet](http://www.ct.gov/bet) for additional information regarding the BET.

**Connecticut Sales and Use Taxes:** A corporation may be responsible for the filing of sales and use tax returns. Sales taxes are due if the company sells taxable goods or services. Use taxes are due on the purchase of taxable goods or services from out-of-state retailers or Connecticut retailers who have failed to collect the sales tax. Both taxes are reported on **Form OS-114**, *Sales and Use Tax Return*.

**Connecticut Income Tax Withholding:** Any corporation that maintains an office or transacts business in Connecticut and that is considered an employer for federal income tax withholding purposes must withhold Connecticut income tax from wages and certain other payments to employees, whether or not the payroll department is located in Connecticut.

**Controlling Interest Transfer Tax:** Connecticut imposes a tax on the transfer of a controlling interest in an entity where the entity owns, directly or indirectly, an interest in Connecticut real property. This tax is reported on **Form AU-330**, *Controlling Interest Transfer Taxes*.

### When to File

Every corporation must file a return on or before the first day of the month following the due date of the company's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company that is not required to file a federal income tax return for the income year, the Connecticut corporation business tax return is due on or before the first day of the fourth month following the end of the income year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

The return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

Federal Express (FedEx)	United Parcel Service (UPS)
<ul style="list-style-type: none"><li>• FedEx Priority Overnight</li><li>• FedEx Standard Overnight</li><li>• FedEx 2Day</li><li>• FedEx International Priority</li><li>• FedEx International First</li></ul>	<ul style="list-style-type: none"><li>• UPS Next Day Air</li><li>• UPS Next Day Air Saver</li><li>• UPS 2nd Day Air</li><li>• UPS 2nd Day Air A.M.</li><li>• UPS Worldwide Express Plus</li><li>• UPS Worldwide Express</li></ul>

If Form CT-1120 is filed late, see *Interest and Penalties* to determine if interest and penalty should be reported with this return.

### Extension Request

To get an extension of time to file the annual return, the corporation must file **Form CT-1120 EXT**, *Application for Extension of Time to File Corporation Business Tax Return*, not later than the first day of the month following the due date of the company's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company not required to file a federal income tax return for the income year, the extension request must be filed on or before the first day of the fourth month following the end of the income year. Payment of the total tax due must be included with the request. The timely filing of Form CT-1120 EXT will automatically extend the due date for six months.

Visit [www.ct.gov/TSC](http://www.ct.gov/TSC) to file your extension request over the Internet.

Form CT-1120 EXT extends only the time to file the tax return. It does not extend the time to pay the corporation business tax. Interest on any tax not paid by the original due date is computed at 1% per month or fraction of a month until the tax is paid in full.

## Amended Returns

For income years beginning on or after January 1, 2006, any corporation that fails to include items of income or deduction or makes any other error on a return must: 1) file an amended return using **Form CT-1120X**, *Amended Corporation Business Tax Return*, that applies to the tax year being amended, or 2) if the corporation was included in a combined corporation business tax return, file an amended combined return on **Form CT-1120CR**, *Combined Corporation Business Tax Return*, that applies to the tax year being amended and check the *Amended* box.

If a corporation has filed an amended federal return with the IRS and the amendment affects the corporation's Connecticut tax return, then within 90 days of the IRS final determination on that amended federal return, the corporation shall file Form CT-1120X, and attach a copy of federal Form 1120X, Amended U.S. Corporation Income Tax return.

Corrections to taxable income made by the IRS must be reported to the Commissioner of Revenue Services on or before 90 days after the final determination of the change. All federal adjustments must be reported on an amended return. An extension request for reporting federal audit changes may be submitted in writing to the Commissioner stating the reason additional time is required.

## Estimated Tax Payments

Every corporation subject to the Connecticut corporation business tax whose estimated current year tax exceeds \$1,000 must make its required annual payment in four installments. See instructions on **Forms CT-1120 ESA, ESB, ESC, and ESD**, *Estimated Corporation Business Tax*. Using these forms will ensure accuracy and timeliness in processing the corporation's estimated tax payments. Visit the DRS website to download and print Connecticut tax forms.

### The required annual payment is the lesser of:

- 90% of the tax (including surtax) shown on the return for the income year, or, if no return is filed, 90% of the tax for such year; **or**
- 100% of the tax (including surtax) shown on the return for the previous income year without regard to any credit, if the previous income year was an income year of 12 months and if the company filed a return for the previous income year showing a liability for tax.

## Estimated tax due dates (for calendar year filers):

<b>1st Installment - March 15, 2011</b> 30% of prior year tax (including surtax) without regard to credits or 27% of current year tax (including surtax)
<b>2nd Installment - June 15, 2011</b> 70% of prior year tax (including surtax) without regard to credits or 63% of current year tax (including surtax)
<b>3rd Installment - September 15, 2011</b> 80% of prior year tax (including surtax) without regard to credits or 72% of current year tax (including surtax)
<b>4th Installment - December 15, 2011</b> 100% of prior year tax (including surtax) without regard to credits or 90% of current year tax (including surtax)

If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

The estimated tax due dates table indicates the amount due for each installment under the regular installment method. For more information regarding estimated corporation business tax payments, including information regarding the annualized installment method, see **Informational Publication 2010(10), Q & A on Estimated Corporation Business Tax and Worksheet CT-1120AE**.

## Interest and Penalties

Interest is computed at 1% per month or fraction of a month on the underpayment of tax from the original due date of the return through the date of payment. Interest due on the underpayment of estimated tax is computed using **Form CT-1120I**, *Computation of Interest Due on Underpayment of Estimated Tax*. Interest on underpayment or late payment of tax **cannot** be waived.

### Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of corporation business tax is 10% of the tax due or \$50, whichever is greater. If a request for a filing extension has been granted, a corporation may avoid a penalty for failure to pay the full amount due by the original due date if it pays:

- At least 90% of the tax shown to be due on the return on or before the original due date of the return; **and**
- The balance due with the filing of Form CT-1120, on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

### **Penalty for Willful Failure to File or Pay**

Anyone who willfully fails to pay the tax or file a return will be fined up to \$1,000 or imprisoned up to one year, or both, in addition to any other penalty.

### **Penalty for Willful Filing of a Fraudulent or Materially False Return**

If you willfully file a tax return you know to be fraudulent or false in any material matter, you may be fined up to \$5,000 or imprisoned from one to five years, or both.

### **Penalty for Failure to Disclose Listed Transaction**

A penalty of 75% of the amount of the deficiency may be imposed when it appears that any part of the deficiency is due to failure to disclose a listed transaction, as defined in IRC §6707A.

---

To make a penalty waiver request, taxpayers must complete and submit **Form DRS-PW**, *Request for Waiver of Civil Penalty*, to DRS Penalty Waiver Unit. Taxpayers may mail Form DRS-PW to the address listed below or fax it to the Penalty Waiver Unit at **860-297-4797**.

If the corporation wants to authorize DRS to contact the paid preparer who signed the 2010 Connecticut Corporation Business Tax Return to discuss it, check the **Yes** box in the signature area of the return. This authorization applies only to the individual whose signature appears in the *paid preparer's signature* section of the return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the corporation is authorizing DRS to call the paid preparer to answer any questions that may arise during the processing of the 2010 Connecticut Corporation Business Tax Return. The corporation is also authorizing the paid preparer to:

- Give DRS any information that is missing from the return;
- Call DRS for information about the processing of the corporation's return or the status of the corporation's refund or payment; **and**
- Respond to certain DRS notices that the corporation may have shared with the preparer regarding math errors, offsets, and return preparation. The notices will not be sent to the preparer.

The corporation is **not** authorizing the paid preparer to receive any refund check, bind the corporation to anything, including additional tax liability, or otherwise represent the corporation before DRS. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date, without regard to extensions, for filing the 2011 Connecticut Corporation Business Tax Return. This is on or before the first day of the month following the due date of the corporation's corresponding federal income tax return for the income year (April 1 for calendar year filers).

## DRS Is Going Green ... And So Can You

### E-Filing Is Green Filing

Eliminate the use of paper and fuel used to transport returns through the mail. File and pay electronically instead. Visit [www.ct.gov/TSC](http://www.ct.gov/TSC) to create an account and eliminate the paper clutter in your life.

Connecticut tax filers can file most tax returns, extensions, and estimates using the **Taxpayer Service Center (TSC)** at [www.ct.gov/TSC](http://www.ct.gov/TSC) for free.

### Greener Money With Direct Deposit

Stop those paper checks and driving to the bank to deposit your Connecticut income tax refund by choosing direct deposit! A direct deposit refund when filing through TSC is the fastest way to get your tax refund into your account!

### Green Means Stop ... Receiving Paper Returns

If you file a paper return using commercial software or a tax practitioner, check the box to stop receiving a paper return. Mark your electronic calendar to remind you to purchase new software or contact your preparer.
