Dear Taxpayer:

The Connecticut Department of Revenue Services (DRS) strives to provide taxpayers with the most comprehensive information to meet their state tax filing needs. The CT-1040, *Resident Income Tax Return Booklet*, details changes to the state income tax and provides information that can improve your filing experience. By using our new Taxpayer Service Center (**TSC**) to access the state's WebFile or Telefile applications, you can file your return quickly and accurately. **TSC** filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the **TSC** and the filing programs prompt users to input the required information. Visit the DRS Web site at www.ct.gov/DRS to learn more about these and other electronic features designed to help taxpayers.

The goal of DRS is to provide taxpayers with excellent customer service and a user-friendly approach to tax administration. If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by e-mail, phone, or letter. The DRS Web site at www.ct.gov/DRS contains our new, frequently asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas about how we can improve our products and better serve the public.

Sincerely,

Commissioner of Revenue Services

File Returns - Make Payments

During 2007, Connecticut taxpayers will be able to *WebFile* through the new, electronic **Taxpayer Service Center (*TSC*)**. The *TSC* is an interactive tool that, like *WebFile*, can be accessed through our Web site at www.ct.gov/DRS for a free, fast, easy, and secure way to conduct business with DRS. (*WebFile* is now *TSC*).

Connecticut income tax filers can electronically file most returns and pay taxes using *TSC*.

Other Features - FAQs

During 2007, the *TSC* will be enhanced to include new services such as the ability to:

- View account balances;
- Make scheduled payments; **and**
- Amend tax returns.

In addition, using the **Taxpayer Answer Center**, taxpayers may search the FAQ knowledge base by selecting a category or by entering a keyword or phrase in the Search Text box. Use *FAQs - Taxpayer Answer Center* to easily get answers to the most frequently asked questions.

Exchange Confidential Information

The *TSC* will allow taxpayers to establish a secure mailbox for exchanging direct communication confidentially with DRS.

Visit the DRS Web site at www.ct.gov/DRS for more information on this feature.

Fast - Accurate - Easy - Secure

For telephone assistance, call our Taxpayer Services Division at 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere).

What's New

- **Civil unions:** Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as if their filing status for federal income tax purposes were single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

Any reference in this booklet to a spouse also refers to a party to a civil union recognized under Connecticut law. For more information on civil unions recognized under Connecticut law, visit the Attorney General's Web site at www.ct.gov/ag for Attorney General Opinion 2005-024.

- **Filing status check boxes:** The 2006 Connecticut income tax returns have three additional filing status check boxes: qualifying widow(er) with dependent child, civil union filing jointly, and civil union filing separately.
- **Property tax credit:** Effective for taxable years beginning on or after January 1, 2006, the maximum property tax credit has been increased from \$350 to \$500. Depending on the amount of property taxes paid by a taxpayer to a Connecticut municipality and the taxpayer's Connecticut adjusted gross income, the property tax credit may be reduced or the taxpayer may not be entitled to a property tax credit.
- **Connecticut Higher Education Trust (CHET):** Effective for the taxable years beginning on or after January 1, 2006, an individual is allowed to subtract from his or her federal adjusted gross income contributions to a CHET account or accounts in computing his or her Connecticut adjusted gross income.

The maximum CHET contribution that may be subtracted is the lesser of (1) the amount of contributions to all CHET accounts during the taxable year; or (2)(A) \$5,000 for each individual taxpayer (including individuals whose filing status on their Connecticut income tax return is single, head of household, married filing separately, or civil union filing separately), or (B) \$10,000 for individuals whose filing status on their Connecticut income tax return is married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

If a CHET contribution during the taxable year exceeds the maximum CHET contribution, the excess may be carried forward for the five succeeding taxable years provided the CHET contribution carried forward to a succeeding taxable year does not exceed the maximum CHET contribution limit for that succeeding taxable year. See **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

- **Taxpayer Service Center (TSC):** The Department of Revenue Services (DRS) encourages Connecticut income tax filers to WebFile through the new, electronic **TSC**. The **TSC** is an interactive tool that, like the previous WebFile system, offers a free, fast, easy, and secure way to conduct business. Through our Web site at www.ct.gov/DRS, taxpayers can access the **TSC** to securely file, pay, and manage their Connecticut tax responsibilities electronically.

The **TSC** also offers an easy way to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional new features are planned.
- **New e-filing requirement for certain preparers:** Effective January 1, 2007, preparers who prepared 100 or more 2005 Connecticut income tax returns will be required to file the 2006 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (*e-file*).
- **Personal exemption and credits:** The annual increase to the personal exemption and credits used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Property tax credit limitation:** The annual increase to the property tax credit limitation thresholds for individuals whose filing status is single has been delayed two years. The property tax credit limitation amounts in effect for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Index:** This booklet no longer contains a table of contents; see Page 46 for an index. We hope you find this format more user-friendly and would appreciate your comments and feedback on the *Taxpayer Questionnaire* you will find on Page 32.

Important Reminders

- You **must** use blue or black ink only to complete your return.
- Remember to send all **four** pages of your return.
- Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**, *Amended Connecticut Income Tax Return for Individuals*. See *Amended Returns* on Page 31.
- Do not send W-2, W-2G, or 1099 forms** with your 2006 Connecticut income tax return. To avoid significant delays in processing your return, be sure to complete Columns A, B, and C of Section 3 of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- File the correct form. Most taxpayers qualify to electronically file their Connecticut income tax return or file **Form CT-1040EZ**, *Connecticut Resident EZ Income Tax Return*. (See *May I File My Connecticut Income Tax Return Over the Telephone Using Telefile*, *May I File My Connecticut Income Tax Return Over the Internet*, or *May I File Form CT-1040EZ* on Pages 8 and 9.)

- If you receive federally taxable Social Security benefits, you **must file Form CT-1040**.
- Check the correct filing status on your return.
- If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, remember to check the box next to the deceased taxpayer's Social Security Number (SSN).
- Remember to check the box on the first page of your return if you are filing **Form CT-1040CRC**, *Claim of Right Credit*.
- Check the box on the first page of your return if you are filing **Form CT-8379**, *Nonobligated Spouse Claim*.
- Use the preprinted peel-off label. The preprinted label **does not** include your SSN(s). Therefore, you **must** enter your SSN and the SSN of your spouse (if filing a joint return) in the spaces above your name(s) on the return. Do not place the label over your SSN. If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.
- Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 14.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.

Who Must File a Connecticut Resident Return

You must file a Connecticut resident income tax return if you were a resident for the entire year **and** any of the following is true for the 2006 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut;
- You meet the Gross Income Test; **or**
- You had a federal alternative minimum tax liability.

If none of the above apply, do not file a Connecticut resident income tax return.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2006 taxable year exceeds:

- \$12,000 and you will file as married filing separately or civil union filing separately;
- \$12,625 and you will file as single;
- \$19,000 and you will file as head of household; **or**
- \$24,000 and you will file as married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

Gross income means all income you received in the form of money, goods, property, services not exempt from federal income tax, **and** any additions to income required to be reported on **Form CT-1040, Schedule 1**.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- **Federally taxable** Social Security benefits; **and**
- **Federally taxable** disability benefits.

The following examples explain the gross income test for a Connecticut resident:

Example 1: Your only income is from a sole proprietorship and you file federal Form 1040 reporting the following on Schedule C:

Gross Income	\$100,000
Expenses	(\$92,000)
Net Income	\$8,000

Because the **gross** income of \$100,000 exceeds the minimum requirement, you must file a Connecticut income tax return.

Example 2: You received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, you do not have to file a Connecticut income tax return unless Connecticut tax was withheld or estimated tax payments were made.

Example 3: You file as single on a Connecticut income tax return and received \$12,625 in wage income and \$1,000 in federally-exempt interest from California state bonds. Your federal gross income with additions from Form CT-1040, *Schedule 1* (interest on state or local obligations other than Connecticut) is \$13,625. Therefore, you must file a Connecticut income tax return.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857, Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)**. See **Special Notice 99(15), Innocent Spouse Relief, Separation of Liability, and Equitable Relief**.

Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File a Connecticut Resident Return* on Page 5 are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT, Title 19 Status Release**, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2006; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2006.

By completing this form, you authorize DRS to verify your Title 19 status for 2006 with the Department of Social Services.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File a Connecticut Resident Return* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. A surviving civil union partner may file a joint return as a surviving spouse as if federal income tax law permitted a civil union partner to file as a surviving spouse. Write "filing as surviving spouse" in the deceased spouse's signature block on the return. If both spouses died in 2006, their legal representative must file a final return. The Connecticut and federal filing status must be the same unless the surviving spouse is a civil union partner.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*.

Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See **Form CT-1040**, *Schedule 1*, Line 38, or **Form CT-1040NR/PY**, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as a married individual filing separately. (This provision does not apply to civil union partners.)

A civil union partner who is a nonresident alien may file a joint Connecticut income return as long as his or her civil union partner is a citizen or resident of the United States. A civil union partner filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as a civil union partner filing separately.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2006 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2006 taxable year; **or**
- You maintained a permanent place of abode in Connecticut during the entire 2006 taxable year **and** spent a total of more than 183 days in Connecticut during the 2006 taxable year.

Nonresident aliens who meet either of these conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 13 and *Special Information for Nonresident Aliens* on this page.

If you are a resident and you meet the requirements for *Who Must File a Connecticut Resident Return* for the 2006 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**.

You are a **part-year resident** for the 2006 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2006 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

If you are a part-year resident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file **Form CT-1040NR/PY**.

You are a **nonresident** for the 2006 taxable year if you are neither a resident nor a part-year resident for the 2006 taxable year.

If you are a nonresident and you meet the requirements for *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file Form CT-1040NR/PY.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 13.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2006 even if your domicile was Connecticut.

Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2006 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2006 taxable year; **and**
3. You spent not more than 30 days in the aggregate in Connecticut during the 2006 taxable year.

Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**
3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in the portion of the taxable year bears to 548. See the calculation below:

$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum days allowed in Connecticut}$

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on Page 7.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax. (See instructions for a Connecticut nonresident contained in the instruction booklet for **Form CT-1040NR/PY**.)

Example: Jennifer is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Jennifer had no other income . . .

Since Jennifer resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Jennifer had a part-time job in Connecticut . . .

Her Connecticut source income from nonmilitary employment is taxable. Jennifer must file Form CT-1040NR/PY to report the income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident, Part-Year Resident, or Nonresident* on Page 7.

See **Informational Publication 2006(23)**, *Connecticut Income Tax Information for Military Personnel and Veterans*.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death. If any tax was previously paid for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are eligible for the 180 day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations, but are not within the designated combat zone, are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut tax return. This is the same combat zone or operation name provided on their federal income tax return.

May I File My Connecticut Income Tax Return Over the Telephone Using *Telefile*

Most residents qualify to *Telefile* their Connecticut income tax return. You may *Telefile* your Connecticut income tax return if you are eligible to file **Form CT-1040EZ** and **all** of the following are true:

- You filed a 2005 Connecticut income tax return;
- Your name and address has not changed. However, if the label on the back of this book is not correct or if your name or address has changed, contact the DRS Registration Unit at 860-297-4962 (during business hours) one day prior to *Telefiling*;
- You have no more than seven W-2 or 1099 forms showing Connecticut income tax withheld;
- Your filing status is the same as last year;

- Your federal adjusted gross income is \$350,000 or less;
- You did not make estimated Connecticut income tax payments or did not have an overpayment applied to the 2006 taxable year;
- You are not filing **Form CT-1040CRC**, *Claim of Right Credit*;
- You are not filing **Form CT-8379**, *Nonobligated Spouse Claim*, with your return; **and**
- You have a Personal Identification Number (PIN). If you do not know your PIN, the *Telefile* System may be able to provide it to you during your phone call. You must enter last year's federal adjusted gross income to access your PIN.

If you meet the eligibility requirements listed, you may *Telefile* your Connecticut income tax return. The *Telefile Worksheet* is included in the **2006 Form CT-1040EZ and Telefile Booklet**, which is available at any Connecticut public library, town hall, post office, or DRS office.

May I File My Connecticut Income Tax Return Over the Internet

Most Connecticut residents may use the DRS Taxpayer Service Center (**TSC**) to file their Connecticut income tax return. For more information about the new **TSC**, see Page 3. You may electronically file your Connecticut income tax return if all of the following are true:

- You filed a 2005 Connecticut income tax return;
- Your filing status is the same as last year;
- You are not filing **Form CT-8379**, *Nonobligated Spouse Claim*, with your return;
- You are not filing **Form CT-1040CRC**, *Claim of Right Credit*;
- You have no more than ten W-2 or 1099 forms that show Connecticut income tax withheld; **and**
- You are not claiming a credit for income taxes paid to more than two qualifying jurisdictions.

May I File Form CT-1040EZ

Connecticut residents may file the short, simple **Form CT-1040EZ** if **all** of the following are true:

- You were a resident of Connecticut for the entire year or consent to be treated as a resident for the entire year;
- You did not report federally taxable Social Security benefits for the 2006 taxable year;
- You had no modifications to federal adjusted gross income for Connecticut income tax purposes **or** your only modification is a federally taxable refund of state and local income taxes. See *Schedule I Modifications to Federal Adjusted Gross Income* on Page 18;
- You are not claiming credit for income taxes paid to another jurisdiction;
- You do not have a federal alternative minimum tax liability;

- You are **not** filing **Form CT-1040CRC**, *Claim of Right Credit*;
- You are not claiming an adjusted net Connecticut minimum tax credit; **and**
- You did not report treaty income on your federal income tax return.

Connecticut Adjusted Gross Income

Connecticut adjusted gross income is your federal adjusted gross income as properly reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4; and any Connecticut modifications required to be reported on Form CT-1040, *Schedule 1*.

Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2006 are references to your taxable year beginning during 2006.

You must use the same method of accounting for Connecticut income tax purposes you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File

Your Connecticut income tax return is due on or before April 15, 2007. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

DHL Express (DHL)	
<ul style="list-style-type: none"> • DHL Same Day Service • DHL Next Day 10:30 a.m. • DHL Next Day 12:00 p.m. • DHL Next Day 3:00 p.m. • DHL 2nd Day Service 	
Federal Express (FedEx)	United Parcel Service (UPS)
<ul style="list-style-type: none"> • FedEx Priority Overnight • FedEx Standard Overnight • FedEx 2Day • FedEx International Priority • FedEx International First 	<ul style="list-style-type: none"> • UPS Next Day Air • UPS Next Day Air Saver • UPS 2nd Day Air • UPS 2nd Day Air A.M. • UPS Worldwide Express Plus • UPS Worldwide Express

This list is subject to change. See **Policy Statement 2005(4)**, *Designated Private Delivery Services and Designated Types of Service*.

If Form CT-1040 is filed late or all the tax due is not paid with the return, see *Interest and Penalties* on Page 12 to determine if interest and penalty must be reported with the return.

Extension Requests

Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Individuals*, and pay all the tax you expect to owe on or before the due date. Visit www.ct.gov/DRS to file your extension over the Internet. If you pay your expected 2006 Connecticut income tax due by credit card, you do not need to file the paper Form CT-1040 EXT. Form CT-1040 EXT is included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 12 if you do not pay all the tax due with your request for extension.

If you expect to owe no additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are not required to file Form CT-1040 EXT. Please keep a copy of your federal Form 4868 for your records.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date is extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040 or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you **must** attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write “**2006 Form CT-1040**” and your SSN(s) (optional) on the front of your check or money order. Mail payments to:

Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2006 taxable year.

Your required annual payment for the 2007 taxable year is the lesser of:

- **90%** of the income tax shown on your **2007 Connecticut income tax return**; or
 - **100%** of the income tax shown on your **2006 Connecticut income tax return**, if you filed a 2006 Connecticut income tax return that covered a 12-month period.
-

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year, and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

Filing Form CT-1040ES

Use **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, to make estimated Connecticut income tax payments for 2007. If you made estimated tax payments in 2006, you will automatically receive coupons for the 2007 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2006, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you.

You may pay your 2007 estimated Connecticut income tax payments by credit card. See Form CT-1040ES included in this booklet. You may also file and pay your Connecticut

estimated tax using the DRS Taxpayer Service Center (**TSC**). Visit our Web site at www.ct.gov/DRS and click on the **TSC** logo for more information.

To avoid making estimated tax payments, you may request your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4**, *Employee's Withholding Certificate*. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see **Informational Publication 2007(7)**, *Is My Connecticut Withholding Correct?*

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of 66²/₃% of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210**, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates*, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040. See **Informational Publication 2006(20)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax*.

2007 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:

April 15, 2007	25% of your required annual payment
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
January 15, 2008	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment, even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

A farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2007, if he or she files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date.

Filing Form CT-2210

You may be charged interest if your 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X, Amended Connecticut Income Tax Return For Individuals**, and fail to do so, a penalty may be imposed.

Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; **and**
- Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail it separately with a copy of your tax return to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089**

Refund Information

DRS issues refund checks as quickly as possible. If you have a touch-tone phone, you may check on the status of your refund anytime by calling **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere). Be ready to provide your SSN (and your spouse's, if filing jointly) and the exact amount of the refund you requested.

Electronic Filing!

Free and secure!

If you electronically file your return, you will be issued your refund in four days unless additional review is required. If you send your return by mail, you should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment at the rate of $\frac{2}{3}\%$ for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due.

Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will be mailed an explanation for the reduction.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2006 and who made Connecticut income tax payments (withholding or estimates) for the 2006 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2006; **and**
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**.

When filing Form CT-8379, attach all W-2, W-2G, and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut, at 860-756-4555.

Completing Form CT-1040

Before you begin, gather all your records, including your federal W-2's (wages), W-2G's (winnings), 1099-R's (pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year. For more information, see *Spouses With Different Residency Status* below.

Spouses With Different Residency Status

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately.

When one spouse is a Connecticut **resident** and the other spouse is a **nonresident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately **unless**:

- They file jointly for federal income tax purposes (This requirement does not apply to civil union partners.); **and**
- They elect to be treated as if both were Connecticut residents for the entire taxable year.

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately unless:

Filing Status

Check the appropriate box to indicate your filing status. You may only check one box. Except as otherwise noted, any reference in these instructions to a spouse also refers to a party to a civil union recognized under Connecticut law. See *What's New* on Page 4.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on Form CT-1040 for "Qualifying widow(er) with dependent child."

Do not enter your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return (This requirement does not apply to civil union partners.); **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on **Form CT-1040**, Line 1. (Civil union partners will have to recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and elected to file as married filing jointly for federal income tax purposes.) It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040, Line 1, your income as recalculated. (This provision does not apply to civil union partners.)

Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** write your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7, but have not received the ITIN before filing their Connecticut tax return, must attach a copy of the federal Form W-7 and write "ITIN applied for/W-7 attached" in the SSN box on the Connecticut return. If the taxpayer is deceased see *Deceased Taxpayers* on Page 6.

Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the space provided at the top of Form CT-1040.

If your return is being completed by someone else, take your booklet to your tax preparer so that the preparer can attach the label to your return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to

compute the amount to enter on a line, include cents and round off **only** the total. If you do not round, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

If you were required to make estimated income tax payments, but you did not pay enough tax through withholding, estimated tax, or both, by any installment due date, your refund may be reduced by the interest due on the underpayment of estimated tax. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Line 27 - Penalty for Late Payment or Late Filing

Late Payment Penalty: The penalty for late payment or underpayment of income or use tax is 10% (.10) of the amount due. Taxpayers who pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return and remit the balance due with the return on or before the extended due date will avoid penalty for failure to pay the full amount due by the original due date. Interest of 1% (.01) per month or fraction of a month continues to accrue on the underpayment until the tax is paid in full.

Late Filing Penalty: In the event that no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Line 28 - Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at 1% (.01) per month or fraction of a month from the due date until payment is made.

Line 29 - Interest on Underpayment of Estimated Tax

If Line 14 minus Line 18 is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts and Estates*, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210, leave this line blank, and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2007.

Line 30 - Total Amount Due

Add Lines 26 through 29 and enter the total. This is the total amount you owe. Pay the amount in full with your return.

Payment Options

Pay Electronically

You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You must pay the balance due on or before the due date (April 16, 2007) to avoid penalty and interest. Visit the DRS Taxpayer Service Center (*TSC*) at www.ct.gov/DRS and follow the prompts to make a direct payment.

Pay by Credit Card

If you filed a 2005 Connecticut income tax return, you may elect to pay your 2006 Connecticut income tax liability using your American Express® cards, Discover® card, MasterCard® card, or VISA® card. A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; **or**
- Visit www.officialpayments.com and select Payment Center.

Your payment will be effective on the date you make the charge.

Pay by Mail

Make your check or money order payable to: **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2006 Form CT-1040**” and your SSN(s) (optional) on the front of your check or money order. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash**. DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax when due **will result in penalty and interest charges**. It

is to your advantage to file when your return is due whether or not you are able to make full payment.

Attach other required forms and schedules, including **Supplemental Schedule CT-1040WH**, to the back of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

6 Sign Your Return

After completing your Connecticut Form CT-1040, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on Page 2 of Form CT-1040.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their SSN or Preparer Tax Identification Number (PTIN), and their firm’s Federal Employer Identification Number (FEIN) in the spaces provided.

Third Party Designee

If you wish to authorize DRS to contact your friend, family member, or any other person to discuss your 2006 tax return, enter the designee’s name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you wish to authorize DRS to contact the paid preparer who signed your return, enter “Preparer” in the space for the designee’s name. You do not have to provide the other information requested.

If you enter a designee’s name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **LGL-001**, *Power of Attorney*.

Order of Attachments

Paper clip your check or money order in payment of the tax due to the front of the income tax form in the appropriate area marked “**Clip check or money order here.**” To ensure proper posting of your payment, write “**2006 Form CT-1040**” and your SSN(s) (optional) on the front of your check or money order.

If you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- **Form CT-1040CRC**, *Claim of Right Credit*
- **Form CT-19IT**, *Title 19 Status Release*
- **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*
- **Form CT-8379**, *Nonobligated Spouse Claim*

Attach other required forms and schedules, including Supplemental Schedule CT-1040WH, to the **back** of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

1. Remove both labels from the envelope flap along the perforation.
2. Choose the correct label for your return, moisten, and place it on the return envelope.
3. Affix the correct postage to the envelope.

Do not use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

Recordkeeping

Make a copy of your tax return, worksheets that you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **LGL-002**, *Request for Disclosure of Tax Return or Tax Return Information*. You can usually expect your copy in three weeks.

Form CT-1040 Schedules

The following modifications to federal adjusted gross income are provided in Conn. Gen. Stat. §12-701(a)(20). Your federal adjusted gross income may not be further modified in determining your Connecticut adjusted gross income except as expressly provided by Conn. Gen. Stat. §12-701(a)(20).

Schedule 1 Modifications to Federal Adjusted Gross Income

Additions to Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 31 - Interest on State and Local Government Obligations Other Than Connecticut

Enter the total amount of interest income derived from state and municipal government obligations (other than obligations of the State of Connecticut or its municipalities) which is not taxed for federal income tax purposes. Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Line 32 - Exempt-Interest Dividends From a Mutual Fund Derived From State or Municipal Government Obligations Other Than Connecticut

Enter the total amount of exempt-interest dividends received from a mutual fund that are derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% would be added back on this line.

Line 33 - Allocated for future use

Line 34 - Taxable Amount of Lump-Sum Distributions From Qualified Plans Not Included in Federal AGI

If you filed federal Form 4972, Tax On Lump-Sum Distributions, with your federal Form 1040 to compute the tax on any part of a distribution from a qualified plan, enter **that** part of the distribution on Line 34. Do not enter any part of the distribution reported on federal Form 1040, Line 16a; federal Form 1040A, Line 12a; or federal Form 1040, Schedule D.

Line 35 - Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on **Schedule CT-1041B**, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount greater than zero, enter the amount on Line 35. If the amount is less than zero, enter the amount on Line 46.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications, if greater than zero, on Line 35.

Line 36 - Loss on Sale of Connecticut State and Local Government Bonds

Enter the total losses from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes whether or not the entire loss is used in computing federal adjusted gross income.

Line 37 - Allocated for future use

Line 38 - Other

Use Line 38 to report any of the following modifications:

1. Add back any treaty income reported on federal Form 1040NR-EZ or Form 1040NR if a nonresident alien. Enter the words "treaty income" in the space provided.
2. Add back any loss or deduction of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any loss or deduction of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the loss or deduction is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member," as the case may be.
3. Add back any Connecticut income tax deducted on the federal income tax return to arrive at federal adjusted gross income. Do not add back any Connecticut income tax deducted on federal Form 1040, Schedule A.
4. Add back any expenses paid or incurred for the production (including management, conservation, and maintenance of property held for the production) or collection of income exempt from Connecticut income tax which were deducted on the federal return to arrive at federal adjusted gross income.
5. Add back any amortizable bond premium on bonds producing interest income exempt from Connecticut income tax which premiums were deducted on the federal return to arrive at federal adjusted gross income.
6. Add back any interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes.
7. Add back to the extent deductible in determining federal adjusted gross income, any interest expenses on indebtedness incurred or continued to purchase or carry obligations or securities (the income from which is exempt from Connecticut income tax).
8. Also use Line 38 to report any additions to federal adjusted gross income required for Connecticut income tax purposes which are not listed on Lines 31 through 36.

Line 39 - Total Additions

Add Lines 31 through 38 and enter the total.

Subtractions From Federal Adjusted Gross Income

Enter all amounts as positive numbers.

Line 40 - Interest on U.S. Government Obligations

Enter the total amount of interest income (to the extent includible in federal adjusted gross income) derived from U.S. government obligations, which federal law prohibits states from taxing (for example, U.S. government bonds such as Saving Bonds Series EE or Series HH and U.S. Treasury bills or notes).

For Series EE U.S. Savings Bonds, you are entitled to include on Line 40 **only** the amount of interest subject to federal income tax after exclusion of the amounts reported on federal Form 8815. In general, you will report the net taxable amount on federal Form 1040, Schedule B, or federal Form 1040A, Schedule 1.

Do not enter the amount of interest income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations and this interest income is taxable for Connecticut income tax purposes.

Do not enter the amount of interest paid to you on any federal income tax refund.

Line 41 - Exempt Dividends From Certain Qualifying Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund that are derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter** of its taxable year, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund.

Do not enter the amount of dividend income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations, and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 41 is \$55.

Line 42 - Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax. (Parties to a civil union recognized under Connecticut law must recompute their federal adjusted gross income as if their filing status for federal income tax purposes were married filing jointly or married filing separately.)

Your Social Security benefits are fully exempt from Connecticut income tax if your required filing status is single, married filing separately, or civil union filing separately and the amount reported on Form CT-1040, Line 1, is **less than \$50,000**; or married filing jointly, civil union filing jointly, qualifying widow(er) with dependent child, or head of household and the amount reported on Form CT-1040, Line 1, is **less than \$60,000**. If this is the case, enter on Line 42 the amount of federally taxable Social Security benefits reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b.

Your Social Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status. If you used the worksheets in the instructions to federal Form 1040 or federal Form 1040A to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet* below and enter the amount from Line F on Line 42. If you did not use these worksheets, but instead used worksheets in federal Publication 590 or federal Publication 915, see **Informational Publication 2006(18)**, *Connecticut Tax Tips for Senior Citizens*.

If you are using a worksheet not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify that the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

Line 43 - Refunds of State and Local Income Taxes
Enter the amount of taxable refunds of state and local income taxes reported on your federal Form 1040, Line 10. If federal Form 1040, Line 10, is blank or if you filed federal Form 1040A or 1040EZ, enter "0."

Line 44 - Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities
If you received Tier 1 or Tier 2, or both, railroad retirement benefits or supplemental annuities during 2006, you may deduct the amount included in your federal adjusted gross income but only to the extent the benefits were not already subtracted from federal adjusted gross income on Line 42 (Social Security Benefit Adjustment). Enter the balance not already subtracted on Line 42 of Tier 1 and Tier 2 railroad retirement benefits reported on federal Form 1040, Line 16b or Line 20b, or federal Form 1040A, Line 12b or Line 14b. Likewise, enter the amount of railroad unemployment benefits, including sickness benefits paid by the Railroad Retirement Board (RRB) in lieu of unemployment benefits, to the extent included in your federal adjusted gross income. However, do not enter sickness benefits paid by the RRB resulting from an on-the-job injury because these benefits are not included in your federal adjusted gross income. See also **Informational Publication 2006(18)**, *Connecticut Tax Tips for Senior Citizens*.

Line 45 - Special Depreciation Allowance for Qualified Property Placed in Service During Preceding Year(s)

If you added bonus depreciation to your federal adjusted gross income on your 2004 Form CT-1040, Line 33, you may subtract 25% of that bonus depreciation amount on Line 45 and 25% of that bonus depreciation amount on the comparable line of your Connecticut income tax return for the 2007 and 2008 taxable years. If you added bonus depreciation to your federal adjusted gross income on your 2003 Form CT-1040, Line 32, you may subtract 25% of that bonus depreciation amount on Line 45 and 25% of that bonus depreciation amount on the comparable line of your Connecticut income tax return for the 2007 taxable year. If you added bonus depreciation to your federal adjusted gross income on your 2002 Form CT-1040, Line 32, you may subtract 25% of that bonus depreciation amount on Line 45.

Example: Linda was required to make an addition modification of \$3,000 on Line 32 of her 2002 Form CT-1040, and \$5,000 on Line 32 of her 2003 Form CT-1040, and \$6,000 on Line 33 of her 2004 Form CT-1040. On her 2006 Form CT-1040, Line 45, she will make a subtraction modification of \$3,500. This amount is 25% of the \$3,000 reported on her 2002 Form CT-1040, Line 32; 25% of the \$5,000 reported on her 2003 Form CT-1040, Line 32; and 25% of the \$6,000 reported on her 2004 Form CT-1040, Line 33.

See **Special Notice 2003(21)**, *2003 Legislation Affecting the Connecticut Income Tax*.

Line 46 - Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on Schedule CT-1041B, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount less than zero, enter the amount on Line 46. If the amount is greater than zero, enter the amount on Line 35.

If you are a beneficiary of more than one trust or estate, enter the net amount of all modifications if less than zero on Line 46.

Line 47 - Gain on Sale of Connecticut State and Local Government Bonds

Enter the total of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used to determine gain (loss) for federal income tax purposes.

Line 48 - Connecticut Higher Education Trust (CHET) Contributions

Enter your contributions to a CHET account(s). The modification cannot exceed \$5,000 for each individual taxpayer or \$10,000 for taxpayers filing a joint return (including qualifying widow(er) with dependent child). Enter the CHET account number in the space provided. For more information, see **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

Line 49 - Other

Use Line 49 to report any of the following modifications:

1. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of such tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of such tribe where the income or gain is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member," as the case may be.
2. Subtract the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income.
3. Subtract any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but exempt for federal purposes, that is not deductible in determining federal adjusted gross income, and is attributable to a trade or business of that individual.
4. Subtract expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax, that are not deductible in determining federal adjusted gross income, and are attributable to a trade or business of that individual.
5. Subtract the amount of any distributions you received from the CHET fund as a designated beneficiary to the extent includable in your federal adjusted gross income.

Congress passed legislation excluding from federal gross income any distribution from a qualified State tuition program (such as CHET) to the extent the distribution is used to pay for qualified higher education expenses (Pub. L. No. 107-16, §402). To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 49.
6. Subtract any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax, which premiums were not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
7. Subtract the amount of any interest income from notes, bonds, or other obligations of the State of Connecticut included in federal adjusted gross income.

Do **not** use Line 49 to subtract income subject to tax in a qualifying jurisdiction (see *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions*, on Page 22) or income of a nonresident spouse (see *Spouses With Different Residency Status* on Page 13).

Line 50 - Total Subtractions

Add Lines 40 through 49 and enter the total.

Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions

You **must** first complete Form CT-1040, *Schedule 3 - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both*, before completing *Schedule 2*. See the instructions for *Schedule 3 - Property Tax Credit Worksheet* on Page 25.

Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions

If you are a **resident** of Connecticut and if any part of your income was taxed by a **qualifying jurisdiction**, you may be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**, to calculate their alternative minimum tax credit.

Qualifying Jurisdiction

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within the qualifying jurisdiction; **and**
- Subject to tax in the qualifying jurisdiction.

Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;
- Gambling winnings from a state-conducted lottery. See **Informational Publication 2005(16), Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut**; **or**
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not considered derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

What Payments Do Not Qualify

- Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);

- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

Limitations to the Credit

The total credit is limited to whichever of the following amounts is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The portion of Connecticut income tax due on the Connecticut adjusted gross income sourced in the qualifying jurisdiction; **or**
- The amount of your Connecticut income tax entered on **Form CT-1040, Line 6**.

How to Calculate the Credit

You **must** first complete your income tax return(s) for the qualifying jurisdiction(s). Then complete the *Schedule 2 - Worksheet* on Page 23 to determine the amount to enter on *Schedule 2, Line 53*.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. **Attach a copy of all income tax returns filed with qualifying jurisdictions to your Connecticut income tax return or the credit will be disallowed.**

Schedule 2 provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two columns, create a worksheet identical to *Schedule 2* and attach it to the back of your Form CT-1040.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state (see example for Line 56 on Page 24):
 1. Use only **one** column on Form CT-1040, *Schedule 2*, to calculate your credit;
 2. Enter the same income taxed by both city and state in that column on *Schedule 2*; **and**
 3. Combine the amounts of tax paid to the city and the state and enter the total on Line 57 of that column.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
 1. Use **two** columns on Form CT-1040, *Schedule 2*;

Schedule 2 - Worksheet

Complete this worksheet and enter the amount from Line 20, Column II, on Form CT-1040, Schedule 2 , Line 53. Complete a separate worksheet for each qualifying jurisdiction if you paid income tax to more than one qualifying jurisdiction.		Column I	Column II Amount Taxable in Qualifying Jurisdiction

19. Connecticut modifications (See instructions.)	19.		
20. Connecticut adjusted gross income (Add Line 18 and Line 19.) Enter the amount from Column II on Form CT-1040, <i>Schedule 2</i> , Line 53.	20.		

2. Include only the same income taxed by both jurisdictions in the first column; **and**
3. Include the excess income taxed by only one of the jurisdictions in the next column.

The federal income tax return line references are to the federal Form 1040. If you file a federal Form 1040A or federal Form 1040EZ, use the appropriate lines from those forms.

Schedule 2 - Worksheet Instructions

Complete the Schedule 2 Worksheet to determine the portion of your Connecticut adjusted gross income derived from a qualifying jurisdiction. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions:

- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; **and**
- You have paid income tax on the income to that qualifying jurisdiction.

If you paid income tax to more than one qualifying jurisdiction, you must complete a separate worksheet for each jurisdiction. Keep this worksheet with your 2006 tax records. Do not attach to your tax return.

Column I

Enter on Lines 1 through 15 of the worksheet the amounts entered on Lines 7 through 21, respectively, of your federal income tax return.

Enter on Line 17 of the worksheet the amount entered on Line 36 of your federal income tax return.

Enter on Line 19 of the worksheet the **net** amount of your Connecticut modifications to federal adjusted gross income. (Subtract Form CT-1040, *Schedule 1*, Line 50, from Line 39 to arrive at this amount.)

Column II

For each line, enter that portion of the amount entered on the same line of Column I you reported on an income tax return filed with (and on which income tax was paid to) the qualifying jurisdiction. On Line 19, enter only the portion of Connecticut modifications **directly related** to income sourced in the qualifying jurisdiction. The fact that the qualifying jurisdiction may take into account your entire adjusted gross income (to compute the rate at which your income sourced in that jurisdiction will be taxed) does not mean you paid income tax to that jurisdiction on your entire adjusted gross income.

Because you are a nonresident of the qualifying jurisdiction, you may be taxed by that jurisdiction only on your income sourced in that jurisdiction.

Example 1: Laura, a Connecticut resident whose filing status is single, earned wages of \$150,000 from a company located in the State of New York. Laura works inside and outside of New York and allocated her wage income based upon the days worked in New York. She determined \$100,000 to be her New York State allocated wage income and reported and paid this amount on her New York nonresident income tax return. On her federal Form 1040, Line 7, she entered \$150,000. When completing the Schedule 2 Worksheet, she enters \$150,000 in Column I, Line 1, and \$100,000 in Column II, Line 1. Laura also enters \$100,000 on Form CT-1040, *Schedule 2*, Line 53.

Example 2: Luke and Leslie file a joint federal Form 1040 and a joint Form CT-1040. Leslie's wages as an employee working in Rhode Island are \$20,000 and Luke's wages as an employee working in Connecticut are \$25,000. On their federal Form 1040, Line 7, they enter \$45,000. When completing the Schedule 2 Worksheet, Luke and Leslie enter \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Luke and Leslie also enter \$20,000 on Form CT-1040, *Schedule 2*, Line 53.

Example 3: Linda is a sole proprietor of a business conducted at two locations: one in Connecticut and one in Massachusetts. On Linda's federal Form 1040, Line 12, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on Schedule C, \$35,000 is derived from the Massachusetts location. When completing the Schedule 2 Worksheet, Linda enters \$100,000 in Column I, Line 6, and \$55,000 (\$90,000 - \$35,000) in Column II, Line 6. Linda also enters \$55,000 on Form CT-1040, *Schedule 2*, Line 53.

Schedule 2 – Line Instructions

Line 51 - Modified Connecticut Adjusted Gross Income

Add to Connecticut adjusted gross income from Line 5 any net loss derived from or connected with sources in a qualifying jurisdiction(s) where you were subject to income taxation whether or not income tax was actually paid to the jurisdiction(s). The modified amount is entered on Line 51.

Example: Fred's Connecticut adjusted gross income of \$60,000 includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. He must add the \$20,000 net loss to the \$60,000 and enter the \$80,000 on Line 51.

Line 52 - Taxing Jurisdiction(s)

If you claim credit for income taxes paid to a qualifying jurisdiction, enter the name and the two-letter code of each qualifying jurisdiction for which you are claiming credit. If you are claiming credit for income taxes paid to a political subdivision of another state, enter the name and two-letter code of the state.

Standard Two-letter Codes

Alabama	AL	Louisiana	LA	Ohio	OH
Arizona	AZ	Maine	ME	Oklahoma	OK
Arkansas	AR	Maryland	MD	Oregon	OR

Kansas	KS	North Carolina	NC		
Kentucky	KY	North Dakota	ND		

Line 53 - Non-Connecticut Income

Complete the Schedule 2 Worksheet on Page 23 to determine the total non-Connecticut income included in your Connecticut adjusted gross income and reported on a qualifying jurisdiction's income tax return. Enter the amount from Column II, Line 20, of the Worksheet.

Line 54

Divide the amount on Line 53 by the amount on Line 51. The result cannot exceed 1.0000. Round to four decimal places.

Line 55 - Income Tax Liability

Subtract Line 11 from Line 6 and enter the result.

Line 56

Multiply the percentage arrived at on Line 54 by the amount reported on Line 55.

Example: Jean is a Connecticut resident who worked in City Y, a city in State X, during the 2006 taxable year. Jean's filing status is single and her Connecticut adjusted gross income is \$160,000. The amount entered on Jean's Form CT-1040, Line 55, is \$7,800. Both State X and City Y impose an income tax. Her Connecticut adjusted gross income derived from State X is \$80,000, as is her Connecticut adjusted gross income derived from City Y. Because the amounts of income taxed by both State X and City Y are the same, Jean uses one column on Form CT-1040, *Schedule 2*. Jean pays an income tax of \$6,000 to State X and an income tax of \$360 to City Y. Since Jean's Form CT-1040, Line 51, is \$160,000, her *Schedule 2* is completed as follows:

	Column A		Column B	
Line 52	State X, City Y			
Line 53	80,000	00		00
Line 54	.5000			
Line 55	7,800	00		00
Line 56	3,900	00		00
Line 57	6,360	00		00
Line 58	3,900	00		00
Line 59	Total Credit		3,900	00

Line 57 - Income Tax Paid to a Qualifying Jurisdiction

Enter the total amount of income tax paid to a qualifying jurisdiction.

Income tax paid means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not penalty or interest. Do **not** report the amount of tax withheld for that jurisdiction directly from your W-2 or 1099 form. You **must** first complete a return for the qualifying jurisdiction in order to determine the amount of income tax paid.

Line 58

Enter the lesser of the amounts reported on Line 56 or Line 57.

Line 59 - Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 58A, Line 58B, and Line 58 of any additional worksheets. The amount on Line 59 cannot exceed the amount on Line 56. Enter the total here and on Form CT-1040, Line 7.

Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.

Schedule 3 – Property Tax Credit Worksheet

Connecticut residents **must** complete *Schedule 3* to determine the amount of credit (if any) that may be taken against a Connecticut income tax liability. The credit is for property taxes paid during 2006 to a Connecticut political subdivision on a primary residence or privately owned or leased motor vehicle, or both. If you entered zero on Form CT-1040, Line 10, **do not** complete this schedule. See **Informational Publication 2006(16), Q&A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision.**

Which Property Tax Bills Qualify

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence or privately owned or leased motor vehicle, or both, to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 due in 2007. Supplemental property tax bills that were due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year, and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number you may call to obtain the necessary information. If you do not receive a billing statement in January 2007, contact your leasing company for the appropriate property tax information.

Example 1: Lisa received a property tax bill for a motor vehicle listed on her town's October 1, 2004, grand list. The bill was payable in two installments, July 1, 2005, and January 1, 2006. If Lisa paid the January 1, 2006, installment on January 1, 2006, she would be eligible to claim it on her 2006 income tax return. If she prepaid it during 2005, she would not be eligible to take credit for it on her 2006 return, but she may have been eligible to take credit for it on her 2005 return.

Example 2: Mary received a property tax bill for a motor vehicle listed on her town's October 1, 2005, grand list. The bill was payable in two installments, July 1, 2006, and January 1, 2007. Mary is eligible to take credit for both installments on her 2006 income tax return if she paid both installments during 2006. If Mary waited until January 1, 2007, to pay her second installment, she would not be eligible to take credit on her 2006 return for this installment, but she may be eligible to take credit for it on her 2007 return.

Maximum Credit Allowed

The **maximum** credit allowed (on your primary residence or motor vehicle, or both) is **\$500** per return regardless of filing status.

This maximum property tax credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on Form CT-1040, Line 10, and is phased out depending upon your Connecticut adjusted gross income. To be allowed this credit, you must complete *Schedule 3* in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Any individual whose filing status is single, married filing separately, civil union filing separately, or head of household is limited to the property tax paid on **one** motor vehicle even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year and only owns one motor vehicle at any time during the taxable year. Individuals whose filing status is married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child are limited to the property taxes paid on **two** motor vehicles.

Schedule 4 – Individual Use Tax Worksheet Line Instructions

In general, goods or services purchased out-of-state and subject to the Connecticut sales tax if those goods or services are purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who purchased goods from mail order or catalog companies and had those goods shipped to Connecticut and individuals who purchased goods at out-of-state locations and brought those goods back into Connecticut are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete Form CT-1040, *Schedule 4 - Individual Use Tax Worksheet*, to calculate your use tax liability.

List separately any individual item with a purchase price of **\$300 or more**. Although you do not need to list separately any individual item with a purchase price of **less than \$300**, the items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax rate of 6% (.06) by the purchase price of the

item and enter the result. Enter the total tax for all taxable purchases on *Schedule 4*, Line 69, and Form CT-1040, Line 15.

See **Informational Publication 2005(17)**, *Q&A on the Connecticut Individual Use Tax*.

If you require additional lines, you should create an identical schedule and attach it to the back of your Form CT-1040.

Enter only those purchases subject to use tax you have not previously reported on **Form OP-186**, *Individual Use Tax Return*.

You must enter “0” on Form CT-1040, Line 15, if no Connecticut use tax is due. If you do not make an entry on Line 15, you will not have filed a use tax return.

Line 69

Complete *Schedule 4 - Individual Use Tax Worksheet* and enter the total use tax due on Line 69 and on Form CT-1040, Line 15.

Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available in the forms or publications specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property; gifts of tangible personal property situated within Connecticut; or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax, it may be collected from the donee. Connecticut taxable gifts are reported on and Connecticut gift tax is paid (if due) with **Form CT-706/709**, *Connecticut Estate and Gift Tax Return*. The due date of the return is April 15 for gifts made during the preceding calendar year. See **Special Notice 2005(10)**, *2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax*.

Connecticut Income Tax Withholding by Household Employers

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2007(1)**, *Connecticut Circular CT*.

Business Entity Tax (Form OP-424)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S corporation;
- Limited liability partnership;
- Limited partnership; **or**
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

* Each foreign entity required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See **Special Notice 2006(12)**, *2006 Legislative Changes Affecting the Business Entity Tax*, and **Informational Publication 2006(21)**, *Q & A on the Business Entity Tax*.

Questions and Answers About the Connecticut Individual Use Tax

For additional information, see **Informational Publication 2005(17)**, *Q&A on the Connecticut Individual Use Tax*.

1. What is the use tax?

When you make a retail purchase in this state, you usually pay sales tax to the seller who in turn pays the tax to DRS. Sometimes Connecticut sales tax is not paid to the retailer. In these situations, the purchaser must pay the use tax directly to DRS.

2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable tangible personal property, whether purchased or leased. Examples of taxable personal property include items of clothing costing \$50 or more, automobiles, appliances, furniture, jewelry, cameras, VCRs, computers, and prewritten computer software. Some taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; reupholstering services for your household furniture; or charges for online access to computer services.

3. Are there exemptions from the use tax?

Yes. If you buy goods or services in Connecticut that are exempt from sales tax, they are exempt from the use tax if you buy them out-of-state for use in Connecticut. Some examples are items of clothing that cost less than \$50, charges to access the Internet through an Internet provider's server, and repair and maintenance services to vessels.

4. Do I owe Connecticut use tax on all my out-of-state purchases of taxable goods and services?

No. If all the items you purchased **and brought into** Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does **not** apply to items **shipped or mailed** to you.

5. What is the use tax rate?

In general, the use tax rate for taxable goods or services is 6% (.06). However, computer and data processing services are taxed at 1% (.01).

6. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut and the tax paid to the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax due is the difference between the Connecticut tax and the tax paid to the other state.

Example: You purchased a \$1,000 refrigerator in another state and paid a \$50 tax to that state. If you bought the refrigerator for use in Connecticut, you owe Connecticut use tax. The Connecticut tax of \$60 is reduced to \$10 after allowing \$50 credit for the tax paid to the other state. If no tax was paid to the other state, the Connecticut use tax is \$60.

7. When must individuals pay the use tax?

You must pay the individual use tax when you file an individual income tax return. **Forms CT-1040EZ, CT-1040, or CT-1040NR/PY** must be filed on or before April 15, 2007, or use the Taxpayer Service Center (**TSC**) or *Telefile* to file your 2006 income tax return. If you are not required to file a Connecticut income tax return, you must pay the use tax on **Form OP-186, Connecticut Individual Use Tax Return**. You may file Form OP-186 for the entire year or you may file several returns throughout the year.

If you are engaged in a trade or business, you must register with DRS for business use tax and report purchases made in connection with your trade or business on **Form OS-114, Sales and Use Tax Return**.

8. What are the penalties and interest for not paying the use tax?

The penalty is 10% (.10) of the tax due. Interest is charged at the rate of 1% (.01) per month or fraction of a month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

9. On what amount should the use tax be calculated?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the tax rate (generally 6%).

Amended Returns

Purpose: Use a 2006 Form CT-1040X to amend a previously-filed 2006 Connecticut income tax return for individuals. If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely

request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 12.

You must file Form CT-1040X in the following circumstances:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(4), Claims for Refund Made by Financially Disabled Individuals.**

STATE OF CONNECTICUT
DEPARTMENT OF REVENUE SERVICES

PAM LAW, COMMISSIONER

Dear Taxpayer:

Providing taxpayers with the most comprehensive state tax information helps the Connecticut Department of Revenue Services (DRS) meet its goal of voluntary taxpayer compliance. This booklet contains information about changes to the state income tax, as well as tips that can improve your filing experience. Using our new Taxpayer Service Center (*TSC*) to access the state's *WebFile* or *Telefile* applications will enable you to file your return quickly and accurately. *TSC* filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the *TSC*, and the filing programs prompt users to input the required information. Visit the DRS Web site at www.ct.gov/DRS to learn more about these and other electronic features designed to help taxpayers.

If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by email, phone, or letter. The DRS Web site at www.ct.gov/DRS contains our new, frequently-asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas on how we can improve the way we do business.

Sincerely,

Pam Law
Commissioner of Revenue Services

Individual Use Tax Schedule

Complete this schedule if you have a Connecticut individual use tax liability. You owe use tax if you purchased taxable goods or services during the taxable year and did not pay Connecticut sales tax on the purchases. Individual items with the purchase price of \$300 or more must be listed separately below. Although you do not need to list separately any individual item with a purchase price of less than \$300, the items are subject to tax and the total of the purchase prices of these items should be reported on Line A. Multiply the sales and use tax rate by the purchase price of the item and enter the result in Column E. You must enter "0" in Item 9 if no Connecticut use tax is due.

Completing the Connecticut Telefile Tax Return

1A. Social Security Number (SSN): Enter your SSN.

1B. Spouse's SSN: For a married filing joint return, enter your spouse's SSN. Enter your SSN and your spouse's SSN in the order in which your names appear on the label on the back of this booklet.

2. Personal Identification Number (PIN): Enter the four-digit PIN assigned to you by DRS. A new PIN is assigned each year. When you access the *Telefile* system, you will be advised where to find your PIN. If you do not know your PIN you may be able to access it during your *Telefile* call by pressing the star (*) key when prompted for your PIN. You must provide your prior year federal adjusted gross income from Form CT-1040EZ or Form CT-1040, Line 1, or Connecticut Telefile Tax Return, Item 4.

3. Filing Status: Check the **same** filing status box that you checked on your 2006 **federal** income tax return (single, married filing jointly, married filing separately, or head of household). Taxpayers with the filing status of civil union filing jointly, civil union filing separately, or qualifying widow(er) with dependent children will not be able to file their 2006 Connecticut income tax returns using *Telefile*.

4. Federal Adjusted Gross Income (AGI): Enter your federal **AGI** from your 2006 **federal** income tax return. This is the amount reported on **federal** Form 1040EZ, Line 4; **federal** Form 1040A, Line 21; or **federal** Form 1040, Line 37.

5. Refunds of State and Local Income Taxes: Enter the amount of taxable refunds of state and local income taxes you **reported on Line 10** of your 2006 **federal** Form 1040. If Line 10 is blank or if you filed **federal** Forms 1040A or Form 1040EZ, enter **"0."**

6. Number of W-2 and 1099 Forms: Enter the total number of W-2 and 1099 forms you received for the 2006 taxable year that show **Connecticut income tax withheld**. (Include your spouse's W-2 and 1099 forms if you are filing a joint return.)

You **may not telefile** this return if you received **more than seven** W-2 or 1099 forms that show Connecticut income tax withheld.

7. W-2 and 1099 Information: Verify that **Box 15** of each W-2 shows **Connecticut income tax withheld**. See sample W-2 on Page T3.

Column B: Enter from each W-2 form the nine-digit Federal Employer Identification Number (FEIN) located in **Box b**. For each 1099, enter the payer's nine-digit FEIN. For unemployment

compensation, this number is located directly below the address for the Department of Labor. If the number is unclear or missing, contact your employer or payer.

Column C: Enter the Connecticut income tax withheld shown on **each** W-2, W-2G, or 1099 form (from Form W-2, **Box 17**; Form W-2G, **Box 14**; Form 1099-R, **Box 10**; Form 1099-MISC, **Box 16**; or Form UC-1099G, **Box 5**).

8. Property Tax Paid:

Auto 1 - Enter the **total** amount of property tax due and paid during 2006 to a Connecticut municipality on your motor vehicle.

Auto 2 - If your filing status is married filing jointly, enter the **total** amount of property tax due and paid during 2006 to a Connecticut municipality on your second motor vehicle, if any.

Primary Residence - Enter the **total** amount of property tax due and paid during 2006 to a Connecticut municipality on your primary residence.

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence and privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 due in 2007. Supplemental property tax bills due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit. The maximum credit allowed is **\$500** per return, regardless of your filing status, and may be limited based upon your Connecticut adjusted gross income. A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit.

The *Telefile* System automatically calculates your allowable credit. See **Informational Publication 2006(16), Q&A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision.**

9. Individual Use Tax: If you purchased taxable goods or services during 2006 and did not pay Connecticut sales tax, complete the *Individual Use Tax Schedule* on Page T6. Generally, this is for purchases made or shipped from outside of Connecticut. Enter the total individual use tax due in Item 9. **If none, enter "0."** See **Informational Publication 2005(17), Q&A on the Connecticut Individual Use Tax.**

10. Direct Deposit or Direct Payment: You can elect to have your refund directly deposited or your tax due automatically withdrawn from your checking or savings account.

Expecting a refund? By completing Items 10A, 10B, and 10C, you can have your refund directly deposited into your checking or savings account.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Expecting to owe tax? By completing Items 10A, 10B, 10C, and 10D, you can have the funds automatically withdrawn from your checking or savings account. See *Pay by Direct Payment* below. Before calling *Telefile*, check with your financial institution to make sure an automatic withdrawal is allowed and to verify the correct routing and account numbers.

Enter your nine-digit bank routing number and your bank account number in Items 10B and 10C. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric. See sample check on Page T3.

The *Telefile* System will provide you with the amounts to enter in Items 11 through 17.

11. Property Tax Credit: This is the amount of credit you are allowed for property taxes you paid during 2006 on your motor vehicle, primary residence, or both.

12. Total 2006 Connecticut Tax: This is your total Connecticut tax liability which includes individual use tax and property tax credit, if applicable.

13. Total Connecticut Income Tax Withheld: This is the total Connecticut income tax withheld as shown on your W-2, W-2G, and 1099 forms.

14. Tax Due: This is the amount of tax you owe. Pay the amount in full with your return. If the amount you owe is \$1,000 or more, you may be subject to interest on the underpayment of estimated income tax.

You have until April 16, 2007, to pay by direct payment, credit card, check, or money order. The *2006 Connecticut Telefile Payment Voucher* must accompany all payments sent by mail.

Payment Options

Pay by Direct Payment:

Complete Items 10A, 10B, 10C, and 10D. By completing Item 10D, you can request to have the tax you owe withdrawn at a future date, but no later than April 16, 2007. **Direct Payments are accepted only during your *Telefile* call.**

Pay by Credit Card:

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; or
- Visit: **www.officialpayments.com** and select *Payment Center*.

A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

Your payment will be effective on the date you make the charge.

Pay by Mail: Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write "**2006 Telefile**" and your SSN(s) (optional) on the front of your check or money order. DRS may submit your check to your bank electronically. Mail the *2006 Connecticut Telefile Payment Voucher* along with your payment to:

**Department of Revenue Services
PO Box 5088
Hartford CT 06102-5088**

Failure to file or failure to pay the proper amount of tax when due **will result in penalty and interest charges**. It is to your advantage to file when your return is due whether or not you are able to make full payment.

15. Overpayment of Tax: If you have an overpayment in Item 15, the *Telefile* System will ask if you would like to contribute all or a portion of the overpayment to one or more of the six designated funds. You may not know if you have overpaid your taxes until you make your *Telefile* call. If you wish to make a contribution, you should be prepared to identify the fund(s) and the amount of your contribution(s).

16. Total Contributions: If you make contributions, the *Telefile* System will total the amount of contributions made to the six designated funds.

17. Refund: This is the amount of your refund. You may choose to have this amount deposited directly into your bank account or have a check mailed to you.

18. PIN Signature: After the *Telefile* System tells you the amount of your refund or how much tax you owe, the *Telefile* System will prompt you to sign your return by entering the same PIN you entered in Item 2. This will become the legal signature for your return.

If you file a joint return, you **must** review the information you entered with your spouse because the PIN serves as the legal signature for both of you. You and your spouse are jointly and severally responsible for paying the full amount of tax, interest, and penalties on your joint return.

19. Confirmation Number: You **must** stay on the line for your eight-digit confirmation number. After the PIN signature, the *Telefile* System will provide you with a confirmation number. Write this number in Item 19. Once you have this confirmation number, your tax return is filed.

If you have a change or correction to your Connecticut income tax liability after you receive your confirmation number, you must complete **2006 Form CT-1040X, Amended Connecticut Income Tax Return**.

Keep your *Telefile* Tax Return, W-2s, and other tax statements for your records.

Dear Taxpayer:

Providing taxpayers with the most comprehensive state tax information helps the Connecticut Department of Revenue Services (DRS) meet its goal of voluntary taxpayer compliance. This booklet contains information about changes to the state income tax, as well as tips that can improve your filing experience. Using our new Taxpayer Service Center (*TSC*) to access the state's *WebFile* or *Telefile* applications will enable you to file your return quickly and accurately. *TSC* filing also ensures a faster refund than paper filing.

As you will learn in this booklet, no special software or downloads are needed to access the *TSC*, and the filing programs prompt users to input the required information. Visit the DRS Web site at www.ct.gov/DRS to learn more about these and other electronic features designed to help taxpayers.

If you have questions about filing this return or any Connecticut tax issue, the back cover of this booklet lists ways you can reach DRS Taxpayer Services staff by email, phone, or letter. The DRS Web site at www.ct.gov/DRS contains our new, frequently-asked questions tool and is available anytime to provide you with facts, forms, and publications.

We welcome your comments and ideas on how we can improve the way we do business.

Sincerely,

A handwritten signature in black ink, appearing to read "Pam Law".

Pam Law
Commissioner of Revenue Services

File Returns - Make Payments

During 2007, Connecticut taxpayers will be able to *WebFile* through the new, electronic Taxpayer Service Center (*TSC*). The *TSC* is an interactive tool that, like *WebFile*, can be accessed through our Web site at www.ct.gov/DRS for a free, fast, easy, and secure way to conduct business with DRS. (*WebFile* is now *TSC*).

Connecticut income tax filers can electronically file most returns and pay taxes using *TSC*.

Other Features - FAQs

The *TSC* will offer many other new features. These enhanced features will include the ability to:

- View account balances; **and**
- Make scheduled payments.

In addition, using the **Taxpayer Answer Center**, taxpayers may search the FAQ knowledge base by selecting a category or by entering a keyword or phrase in the Search Text box. Use *FAQs - Taxpayer Answer Center* to easily get answers to the most frequently asked questions.

Exchange Confidential Information

The *TSC* will allow taxpayers to establish a secure mailbox for exchanging direct communication confidentially with DRS.

Visit the DRS Web site at www.ct.gov/DRS for more information on this feature.

What's New

- **Civil unions:** Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as if their filing status for federal income tax purposes were single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

Any reference in this booklet to a spouse also refers to a party to a civil union recognized under Connecticut law. For more information on civil unions recognized under Connecticut law, visit the Attorney General's Web site at www.ct.gov/ag for Attorney General Opinion 2005-024.
- **Filing status check boxes:** The 2006 Connecticut income tax returns have three additional filing status check boxes: qualifying widow(er) with dependent child, civil union filing jointly, and civil union filing separately.
- **Property tax credit:** Effective for taxable years beginning on or after January 1, 2006, the maximum property tax credit has been increased from \$350 to \$500. Depending on the amount of property taxes paid by a taxpayer to a Connecticut municipality and the taxpayer's Connecticut adjusted gross income, the property tax credit may be reduced or the taxpayer may not be entitled to a property tax credit.
- **Taxpayer Service Center (TSC):** The Department of Revenue Services (DRS) encourages Connecticut income tax filers to WebFile through the new, electronic **TSC**. The **TSC** is an interactive tool that, like the previous WebFile system, offers a free, fast, easy, and secure way to conduct business. Through our Web site at www.ct.gov/DRS, taxpayers can access the **TSC** to securely file and pay their Connecticut tax responsibilities electronically.

The **TSC** also offers an easy way to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional features are planned.
- **New e-filing requirement for certain preparers:** Effective January 1, 2007, preparers who prepared 100 or more 2005 Connecticut income tax returns will be required to file the 2006 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (*e-file*).
- **Personal exemption and credits:** The annual increase to the personal exemption and credits used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Property tax credit limitation:** The annual increase to the property tax credit limitation thresholds for individuals whose filing status is single has been delayed two years. The property tax credit limitation amounts in effect for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Index:** This booklet no longer contains a table of contents; see the inside back cover for an index. We hope you find this format more user-friendly and would appreciate your comments and feedback on the *Taxpayer Questionnaire* you will find on Page 18.

Forms are also available during regular business hours at any of the DRS walk-in offices and the other sources listed on the back cover of this booklet, and at most public libraries, town halls, and post offices during the tax filing season.

Important Reminders

- You **must** use blue or black ink only to complete your return.
- Send all **three** pages of your return.
- Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you will receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**. See *Amended Returns* on Page 17.
- Do not send forms W-2, W-2G, or 1099** with your 2006 Connecticut income tax return. To avoid significant delays in processing your return, complete Columns A, B, and C of Section 3 of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- File the correct form. Most taxpayers qualify to electronically file their Connecticut income tax return or file **Form CT-1040EZ**, *Connecticut Resident EZ Income Tax Return*. (See *May I File My Connecticut Income Tax Return Over the Internet* and *May I File Form CT-1040EZ* on Page 6.)
- Use the preprinted peel-off label. The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** enter your SSN and the SSN for your spouse (if filing a joint return) in the spaces above your name(s) on the return. Do not place the label over your SSN(s). If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.
- Check the correct filing status on your return.
- Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 8.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.
- Check the box on the front of your Connecticut return if you are filing **Form CT-8379**, *Nonobligated Spouse Claim*.
- If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, check the box next to the deceased taxpayer's SSN.
- If you receive federally taxable Social Security benefits, you **must file Form CT-1040**.

Who Must File a Connecticut Resident Return

You must file a Connecticut resident income tax return if you were a resident for the entire year **and** any of the following is true for the 2006 taxable year:

- You had Connecticut income tax withheld;
- You made estimated tax payments to Connecticut;

- You meet the Gross Income Test; **or**
- You had a federal alternative minimum tax liability.

If none of the above apply, do not file a Connecticut resident income tax return.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2006 taxable year exceeds:

- \$12,000 and you will file as married filing separately or civil union filing separately;
- \$12,625 and you will file as single;
- \$19,000 and you will file as head of household; **or**
- \$24,000 and you will file as married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

Gross income means all income you received in the form of money, goods, property, and services that is not exempt from federal income tax **and** any additions to income required to be reported on Form CT-1040, *Schedule 1*.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- **Federally taxable** Social Security benefits; **and**
- **Federally taxable** disability benefits.

The following examples explain the gross income test for a Connecticut resident:

Example 1: Your only income is from a sole proprietorship and you file federal Form 1040 reporting the following on Schedule C:

Gross Income	\$100,000
Expenses	(\$92,000)
Net Income	\$8,000

Because the **gross income** of \$100,000 exceeds the minimum requirement, you must file a Connecticut income tax return.

Example 2: You received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, you do not have to file a Connecticut return unless Connecticut tax was withheld or estimated tax payments were made.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2006 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2006 taxable year; **or**
- You maintained a permanent place of abode in Connecticut during the entire 2006 taxable year **and** spent a total of more than 183 days in Connecticut during the 2006 taxable year.

Nonresident aliens who meet either of the above conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 8 and *Special Information for Nonresident Aliens* on Page 13.

If you are a resident and you meet the requirements for *Who Must File a Connecticut Resident Return* for the 2006 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**.

You are a **part-year resident** for the 2006 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2006 taxable year. If you are a part-year resident, you may not elect to be treated as a resident individual.

You are a **nonresident** for the 2006 taxable year if you are neither a resident nor a part-year resident for the 2006 taxable year.

If you are a part-year resident or nonresident, see *Who Must File Form CT-1040NR/PY* and *Resident, Part-Year Resident, or Nonresident* in the instruction booklet for **Form CT-1040NR/PY**.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 8.

If you **meet all of the conditions** in Group A or Group B, you may be treated as a nonresident for 2006 even if your domicile was Connecticut.

Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2006 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2006 taxable year; **and**
3. You spent not more than 30 days in the aggregate in Connecticut during the 2006 taxable year.

Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a

permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**

3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in the portion of the taxable year bears to 548. See the following calculation:

$\frac{\text{Number of days in the nonresident portion}}{548} \times 90 = \text{Maximum days allowed in Connecticut}$

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on this page.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax. (See instructions for a Connecticut nonresident contained in the instruction booklet for Form CT-1040NR/PY.)

Example: Lisa is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Lisa had no other income . . .

Since Lisa resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Lisa had a part-time job in Connecticut . . .

Her Connecticut source income from nonmilitary employment is taxable. Lisa must file Form CT-1040NR/PY to report this income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident, Part-Year Resident, or Nonresident* on this page. Also see **Informational Publication 2006(23)**, *Connecticut Income Tax Information for Military Personnel and Veterans*.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a

combat zone, no income tax or return is due for the year of death. If any tax was previously paid for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are also eligible for the 180-day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations but are not within the designated combat zone are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut return. This is the same combat zone or operation name provided on their federal income tax return.

May I File My Connecticut Income Tax Return Over the Internet

Most Connecticut residents may use the DRS Taxpayer Service Center (**TSC**) to file their Connecticut income tax return. For more information about the new **TSC**, see Page 2.

You may electronically file your Connecticut income tax return if all of the following are true:

- You filed a 2005 Connecticut income tax return;
- Your filing status is the same as last year;
- You have no more than ten W-2 or 1099 forms that show Connecticut income tax withheld;
- You are not claiming a credit for income taxes paid to a qualifying jurisdiction;
- You are not filing **Form CT-8379**, *Nonobligated Spouse Claim*, with your return; **and**
- You are not filing **Form CT-1040CRC**, *Claim of Right Credit*.

May I File Form CT-1040EZ

Most residents may file this short, simple **Form CT-1040EZ**. You may file Form CT-1040EZ if **all** of the following are true:

- You were a resident of Connecticut for the entire year or consent to be treated as a resident for the entire year;
- You did not report federally taxable Social Security benefits for the 2006 taxable year;
- You had no modifications to federal adjusted gross income for Connecticut income tax purposes, **or** your only modification is a federally taxable refund of state and local income taxes. See *Modifications to Federal Adjusted Gross Income*;
- You are not claiming credit for income taxes paid to another jurisdiction;
- You do not have a federal alternative minimum tax liability;
- You are not claiming an adjusted net Connecticut minimum tax credit;
- You did not report treaty income on your federal income tax return;

- You are not filing **Form CT-1040CRC**, *Claim of Right Credit*; **and**
- You did not make a contribution to a Connecticut Higher Education Trust (CHET) account.

If **any** of the above statements are **not** true, you must file **Form CT-1040** or **Form CT-1040NR/PY**.

If you are filing your return after the due date and you want to pay interest and penalty with your return, you **must** file Form CT-1040. However, if you file Form CT-1040EZ, DRS will bill you for outstanding penalty and interest.

If you are a resident and your spouse is a part-year resident or nonresident and you file a joint federal income tax return, you may not be eligible to file a joint Form CT-1040EZ. See *Spouses With Different Residency Status* on Page 8.

Connecticut Adjusted Gross Income for Completing Form CT-1040EZ

Connecticut adjusted gross income is your federal adjusted gross income as reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4; minus any taxable refund of state and local income taxes reported on federal Form 1040, Line 10.

If you have any of the following modifications, you **must** file **Form CT-1040**:

Additions

- Interest on state and local government obligations other than Connecticut;
- Exempt-interest dividends from a mutual fund derived from state or municipal government obligations other than Connecticut;
- Taxable amount of lump-sum distributions from qualified plans not included in federal adjusted gross income;
- Beneficiary's share of Connecticut fiduciary adjustment;
- Loss on sale of Connecticut state and local government bonds;
- Treaty income for nonresident aliens reported on federal Form 1040NR-EZ or Form 1040NR; **or**
- Loss or deduction of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any loss or deduction of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe where the loss or deduction is derived from or connected with Indian country of the tribe.

- Interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income; **or**
- Income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe where the income or gain is derived from or connected with Indian country of the tribe.

Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes that you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2006 are references to your taxable year beginning during 2006.

You must use the same method of accounting for Connecticut income tax purposes that you use for federal income tax purposes.

If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File

Your Connecticut income tax return is due on or before April 15, 2007. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

This list is subject to change. See **Policy Statement 2005(4)**, *Designated Private Delivery Services and Designated Types of Service*.

The following are the designated PDSs and designated types of service at the time of publication:

DHL Express (DHL) <ul style="list-style-type: none"> • DHL Same Day Service • DHL Next Day 10:30 a.m. • DHL Next Day 12:00 p.m. • DHL Next Day 3:00 p.m. • DHL 2nd Day Service 	
Federal Express (FedEx) <ul style="list-style-type: none"> • FedEx Priority Overnight • FedEx Standard Overnight • FedEx 2Day • FedEx International Priority • FedEx International First 	United Parcel Service (UPS) <ul style="list-style-type: none"> • UPS Next Day Air • UPS Next Day Air Saver • UPS 2nd Day Air • UPS 2nd Day Air A.M. • UPS Worldwide Express Plus • UPS Worldwide Express

If **Form CT-1040EZ** is filed late or all the tax due is not paid with the return, see *Interest and Penalties* on Page 15 to determine if interest and penalty apply.

Extension Requests

You may be eligible for a six-month extension of time to file your return. See *Extension of Time to File* on Page 13.

You may be eligible for a six-month extension of time to pay the tax due if you file **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, and show that paying the tax by the due date will cause undue hardship. See *Extension of Time to Pay* on Page 14.

Completing Form CT-1040EZ

Before you begin, gather all your records including your federal W-2s (Wages), W-2Gs (Winnings), 1099-Rs (Pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

1 Taxpayer Information

Filing Status

Check the appropriate box to indicate your filing status. You may check only one box. Except as otherwise noted, any reference in these instructions to a spouse also refer to a party to a civil union recognized under Connecticut law. See *What's New* on Page 3.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on Form CT-1040EZ, for "Qualifying widow(er) with dependent child." **Do not enter** your deceased spouse's name or SSN in the spaces provided for spouse's name and spouse's SSN.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year, provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply

by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year. For more information, see *Spouses With Different Residency Status* below.

Spouses With Different Residency Status

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately.

When one spouse is a Connecticut **resident** and the other spouse is a **nonresident**, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately **unless**:

- They file jointly for federal income tax purposes (This requirement does not apply to civil union partners.); **and**
- They elect to be treated as if both were Connecticut residents for the entire taxable year.

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return (This requirement does not apply to civil union partners.); **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on **Form CT-1040EZ**, Line 1. (Civil union partners will have to recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and would have elected to file as married filing jointly for federal income tax purposes.) It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040EZ, Line 1, your income as recalculated. (This provision does not apply to civil union partners.)

Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** write your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse's SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7 but have not received the ITIN before filing their Connecticut tax return must attach a copy of the federal Form W-7 and write "ITIN applied for/W-7 attached" in the SSN box on the Connecticut return. If the taxpayer is deceased, see *Deceased Taxpayers* on Page 13.

Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the spaces provided at the top of **Form CT-1040EZ**.

If your return is being completed by someone else, take your booklet to your tax preparer so that the preparer can attach the label to your return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total. If you do not round to whole dollars, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

2 Calculate Your Tax

Line 1 - Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2006 federal income tax return. This is the amount reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4.

Line 2 - Refunds of State and Local Income Taxes

Enter the amount of taxable refunds of state and local income taxes you reported on your federal Form 1040, Line 10. If Line 10 of your federal Form 1040 is blank, or if you filed federal Form 1040A or federal Form 1040EZ, enter "0."

Line 3 - Connecticut Adjusted Gross Income

Subtract Line 2 from Line 1 and enter the result on Line 3. This is your Connecticut adjusted gross income.

Line 4 - Income Tax

For each filing status, if the amount on Line 3 is: \$12,000 or less for married filing separately or civil union filing separately; \$12,625 or less for single; \$19,000 or less for head of household; or \$24,000 or less for married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child, enter "0" on Line 4 and Line 6. You do not owe any income tax. Otherwise, calculate your tax using one of the following methods:

Tax Tables - If your Connecticut adjusted gross income is less than or equal to \$102,000, you may use the *Tax Tables* on Page 19 to find your tax. Be sure to use the correct column in the *Tax Tables*. After you have found the correct tax, enter that amount on Line 4.

Tax Calculation Schedule - You **must** use the *Tax Calculation Schedule* to figure your tax if your Connecticut adjusted gross income is more than \$102,000. You may also use the *Tax Calculation Schedule* if your Connecticut adjusted gross income is less than or equal to \$102,000. This schedule is found at the end of the tax tables or visit www.ct.gov/DRS to use the Income Tax Calculator on the DRS Web site.

Line 5 - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both

If the amount on Line 4 is zero, skip Line 5 and go to Line 6. Otherwise, you **must** complete *Schedule 1EZ* on Page 3 of **Form CT-1040EZ** to be allowed this credit. Enter the amount from Line 27 on Line 5. Be certain to include all of the requested information or your credit may be denied. See *Schedule 1EZ - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both* on Page 11.

The credit is limited to the lesser of \$500 or the amount of qualifying property taxes paid. The maximum property tax credit allowed is \$500 per return regardless of filing status. See the *Property Tax Credit Table* on Page 32. **This credit may be used to offset your 2006 income tax only. You may not carry this credit forward and it is not refundable.**

Line 6 - Connecticut Income Tax

Subtract Line 5 from Line 4. Enter the result on Line 6. If less than zero, enter "0."

Line 7 - Individual Use Tax

Complete *Schedule 2EZ* on Page 3 of **Form CT-1040EZ**. See *Schedule 2EZ - Individual Use Tax* on Page 12. Enter on Line 7 the total use tax due as reported on *Schedule 2EZ*, Line 28. You **must** enter "0" if no Connecticut use tax is due; otherwise you will not have filed a use tax return.

Line 8 - Total Tax

Add Line 6 and Line 7. Enter the total on Line 8.

3 Payments

Line 10 - Connecticut Tax Withheld

For each federal Form W-2, W-2G, or 1099, where Connecticut income tax was withheld, enter the following on Lines 10a through 10g:

Box 15 - Must show CT to be claimed as Connecticut Withholding.

Enter the amount from Box 17 (in whole dollars) in Column C of Form CT-1040EZ.

Column A: Enter the Employer Identification Number.

Column B: Enter the amount of Connecticut wages, tips, etc.

Column C: Enter the amount of Connecticut income tax withheld.

Do **not** include tax withheld for other states or federal income tax withholding.

You must complete all columns or your Connecticut withholding will be disallowed.

If you have **more than seven** federal Forms W-2, W-2G, or 1099 showing Connecticut income tax withheld, you must complete **Supplemental Schedule CT-1040WH**, *Connecticut Income Tax Withholding* (located in booklet). Enter on Supplemental Schedule CT-1040WH only Connecticut income tax withholding amounts not previously reported on **Form CT-1040EZ**. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on the last line of Column C, Line 10h.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 10.

Do not send copies of W-2, W-2G, and 1099 forms. Keep these forms for your records. They may be requested by DRS at a later date.

When filing **Form CT-8379**, *Nonobliated Spouse Claim*, attach all W-2, W-2G, and 1099 forms showing Connecticut income tax withheld.

Line 11 - All 2006 Estimated Tax Payments

Enter on Line 11 the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2006 estimated payments made in 2007. **Do not** include any refunds received.

Line 12 - Payments Made With Form CT-1040 EXT

If you filed **Form CT-1040 EXT**, *Application for Extension of Time to File*, enter on Line 12 the amount you paid with that form.

Line 13 - Total Payments

Add Lines 10, 11, and 12. Enter the total on Line 13. This represents the total of all Connecticut tax payments made.

4 Refund

Line 14 - Overpayment

If Line 13 is greater than Line 9, subtract Line 9 from Line 13 and enter the result on Line 14. To properly allocate your overpayment, go to Lines 15, 16, and 17.

Line 15 - Amount of Line 14 You Want Applied to Your 2007 Estimated Tax

Enter the amount of your 2006 overpayment you want applied to your 2007 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2007, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2007, will be applied as of the date of receipt. **Your request to apply this amount to your 2007 estimated income tax is irrevocable.**

Line 16 - Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete *Schedule 3EZ* on Page 3 of **Form CT-1040EZ**. Enter on Line 16 the total contributions as reported on *Schedule 3EZ*, Line 29. **Your contribution is irrevocable.** You may also make direct contributions by following the instructions on Page 16.

Line 17 - Refund

Subtract the total of Line 15 and Line 16 from Line 14. Enter the result on Line 17. This is your refund. Be sure to affix the **refund label** to the envelope when mailing your return.

Get your refund faster by choosing **direct deposit**. Complete Lines 17a, 17b, and 17c to have your refund directly deposited into your checking or savings account.

Enter your nine-digit bank routing number and your bank account number in Lines 17b and 17c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you.

5 Amount You Owe

Line 18 - Total Amount Due

If Line 9 is more than Line 13, subtract Line 13 from Line 9. This is the total amount of tax you owe. Pay the amount in full with your return. If the amount you owe is \$1,000 or more, you may be subject to interest on the underpayment of estimated income tax. See *Filing Form CT-2210* on Page 15.

Payment Options

Pay Electronically

You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you indicate. You must pay the balance due on or before the due date (April 16, 2007), to avoid penalty and interest. Visit the DRS Taxpayer Service Center (*TSC*) at www.ct.gov/DRS and follow the prompts to make a direct payment.

Pay by Credit Card

If you filed a 2005 Connecticut income tax return, you may elect to pay your 2006 Connecticut income tax liability using your American Express® card, Discover® card, MasterCard® card, or VISA® card. A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; **or**
- Visit: www.officialpayments.com and select Payment Center.

Your payment will be effective on the date you make the charge.

Pay by Mail

Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2006 Form CT-1040EZ**” and your SSN(s) (optional) on the front of your check or money order in the lower left corner. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash.** DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax when due **will result in penalty and interest charges.** It is to your advantage to file when your return is due whether or not you are able to make full payment.

6 Sign Your Return

After completing your **Form CT-1040EZ**, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on Page 2 of Form CT-1040EZ.

If you file a joint return, you **must** review the information with your spouse. When you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their Social Security Number (SSN) or Preparer Tax Identification Number (PTIN), and their firm’s Federal Employer Identification Number (FEIN) in the spaces provided.

Third Party Designee

If you wish to authorize DRS to contact a friend, family member, or any other person to discuss your 2006 tax return, enter the designee’s name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you want to authorize DRS to contact the paid preparer who signed your return, enter “Preparer” in the space for the designee’s name. You do not have to provide the other information requested.

If you enter a designee’s name, you and your spouse (if filing a joint return) are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. Notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **Form LGL-001, Power of Attorney.**

Attach Your Label

Remove the preprinted peel-off label on the back cover of this booklet and place it over the name and address spaces of your return. The preprinted label **does not** include your SSN(s). Therefore, you **must** write your SSN(s) in the spaces provided above your name(s). Do not place the label over your SSN(s).

Order of Attachments

Paper clip your check or money order in payment of the tax due to the **front** of the income tax form in the appropriate area marked “**Clip check or money order here.**”

In addition, if you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- **Form CT-19IT**, *Title 19 Status Release Form*
- **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*
- **Form CT-8379**, *Nonobligated Spouse Claim* (with copies of W-2s)

Attach other required forms and schedules (including **Supplemental Schedule CT-1040WH**, *Connecticut Income Tax Withholding*) to the **back** of your return or as directed on the form.

Filing Your Return

Keep a copy of this return and all attachments for your records. You may need information from it when you file next year's return, make estimated tax payments, or respond to a question from DRS. Attach to this return any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

1. Remove both labels from the envelope flap along the perforation.
2. Choose the correct label for your return, moisten and place it on the return envelope.
3. Affix the correct postage to the envelope.

Do **not** use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

Schedule 1EZ - Credit for Property Taxes Paid on Your Primary Residence or Motor Vehicle, or Both

Connecticut residents **must** complete *Schedule 1EZ* to determine the amount of credit (if any) that may be taken against a Connecticut income tax liability. The credit is for property taxes paid during 2006 to a Connecticut political subdivision on a primary residence or privately owned or leased motor vehicle, or both. If you entered zero on **Form CT-1040EZ**, Line 4, **do not** complete this schedule.

See **Informational Publication 2006(16)**, *Q & A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision*.

Which Property Tax Bills Qualify

You may take credit against your 2006 Connecticut income tax liability for property tax payments you made on your primary residence and privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills due and paid during 2006 qualify for this credit. This includes any installment payments you made during 2006 that were due in 2006 and any installments you prepaid during 2006 that were due in 2007. Supplemental property tax bills due during 2006 or 2007 also qualify if paid during 2006. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2006 (either by the leasing company or by you). Refer to your January 2007 billing statement from the leasing company to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number you may call to obtain the necessary information. If you do not receive a billing statement in January 2007, contact your leasing company for the appropriate property tax information.

Example 1: Ernie received a property tax bill for a motor vehicle listed on his town's October 1, 2004, grand list. The bill was payable in two installments: July 1, 2005, and January 1, 2006. If Ernie paid the January 1, 2006, installment during 2006, he would be eligible to claim it on his 2006 income tax return, but if he prepaid it during 2005, he would not be eligible to take credit for it on his 2006 return, but he may have been eligible to take credit for it on his 2005 return.

Example 2: Isabelle received a property tax bill for a motor vehicle listed on her town's October 1, 2005, grand list. The bill was payable in two installments: July 1, 2006, and January 1, 2007. Isabelle is eligible to take credit for both installments on her 2006 income tax return, if she paid both installments during 2006. If Isabelle waited until January 1, 2007, to pay her second installment, she would not be eligible to take credit on her 2006 return for this installment, but she may be eligible to take credit for it on her 2007 return.

Maximum Credit Allowed

The **maximum** credit allowed for 2006 (on your primary residence and motor vehicle) is **\$500** per return regardless of filing status. The maximum property tax credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on Form CT-1040EZ, Line 4, and is phased out depending upon a taxpayer's adjusted gross income. To be allowed this credit, you must complete *Schedule 1EZ* in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Any individual whose filing status is single, married filing separately, civil union filing separately, or head of household is limited to the property tax paid on **one** motor vehicle even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year and only owns one motor vehicle at any time during the taxable year. Individuals whose filing status is married filing jointly, civil union filing jointly, or qualifying widow(er) are limited to the property taxes paid on **two** motor vehicles.

Schedule 2EZ – Individual Use Tax

In general, goods or services purchased out-of-state and subject to the Connecticut sales tax if those goods or services are purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who purchased goods from mail order or catalog companies and had those goods shipped to Connecticut, and individuals who purchased goods at out-of-state locations and brought those goods back into Connecticut, are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete *Schedule 2EZ - Individual Use Tax* on Page 3 of Form CT-1040EZ, to calculate your use tax liability.

List separately any individual item with a purchase price of **\$300 or more**. Although you do not need to list separately any individual item with a purchase price of **less than \$300**, the items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax rate of 6% (.06) by the purchase price of the item and enter the result. Line 28

Complete *Schedule 2EZ - Individual Use Tax* and enter the total use tax due on Line 28 and on Form CT-1040EZ, Line 7.

General Information

Recordkeeping

Keep a copy of your tax return, worksheets you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **Form LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can usually expect your copy in three weeks.

Refund Information

If you have a touch-tone phone, you may check on the status of your refund anytime by calling **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere). Be ready to provide your SSN (and your spouse's, if filing jointly) and the exact amount of the refund you requested.

If you *Telefile* or electronically file your return, you will be issued your refund in four days unless additional review is required. If you send your return by mail, you should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your

overpayment at the rate of $\frac{2}{3}\%$ for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice your refund is due.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim a refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates**.

Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will be mailed an explanation for the reduction.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2006 and who made Connecticut income tax payments (withholding or estimates) for the 2006 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2006; **and**
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**.

When filing Form CT-8379, attach all W-2 and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut, at 860-756-4555.

Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File a Connecticut Resident Return* are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT, Title 19 Status Release**, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home.

By completing this form, you authorize DRS to verify your Title 19 status for 2006 with the Department of Social Services.

Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See **Form CT-1040, Schedule 1, Line 38**, or **Form CT-1040NR/PY, Schedule 1, Line 40**.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax

return and must file a Connecticut income tax return as a married individual filing separately. (This provision does not apply to civil union partners.)

A civil union partner who is a nonresident alien may file a joint Connecticut income return as long as his or her civil union partner is a citizen or resident of the United States. A civil union partner filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as a civil union partner filing separately.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File a Connecticut Resident Return* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. A surviving civil union partner may file a joint return as a surviving spouse, as if federal income tax law permitted a civil union to file as a surviving spouse. Write "**Filing as surviving spouse**" in the deceased spouse's signature line on the return. If both spouses died in 2006, their legal representative must file a final return. The Connecticut and federal filing status must be the same unless the surviving spouse is a civil union partner.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857, Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)**. See **Special Notice 99(15), Innocent Spouse Relief, Separation of Liability, and Equitable Relief**.

Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT, Application for Extension of Time to File Connecticut Income Tax Return for Individuals**, and pay all the tax you expect to owe on or before the due date. Visit **www.ct.gov/DRS** to file your extension over the Internet. If you pay your expected 2006 Connecticut income tax due by credit card, you do not need to file Form CT-1040 EXT. See Form CT-1040 EXT included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 15 if you do not pay all the tax due with your extension request.

If you **do not expect to owe** additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are **not required** to file Form CT-1040 EXT. Keep a copy of your federal Form 4868 for your records.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico, and are unable to file a Connecticut income tax return on time, you must file **Form CT-1040 EXT**. You must also pay the amount of tax due on or before the original due date of the return.

Include a statement with Form CT-1040 EXT that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date will be extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

Extension of Time to Pay

You may request a six-month extension of time to pay the tax by filing **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, on or before the due date of the original return.

Attach Form CT-1127 to the front of **Form CT-1040EZ** or **Form CT-1040 EXT** and send it on or before the due date. As evidence of the need for extension, you must attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write “**2006 Form CT-1040EZ**” and your SSN(s) (optional) on the front of your check or money order. Mail payments to:

**Department of Revenue Services
Accounts Receivable Unit
PO Box 5088
Hartford CT 06102-5088**

Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more, and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2007 taxable year.

Your required annual payment for the 2007 taxable year is the lesser of:

- **90%** of the income tax shown on your **2007 Connecticut income tax return**; **or**
- **100%** of the income tax shown on your **2006 Connecticut income tax return** if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25), A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES**.

Filing Form CT-1040ES

Use **Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals**, to make estimated Connecticut income tax payments for 2007. If you made estimated tax payments in 2006, you will automatically receive coupons for the 2007 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

2007 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:

April 15, 2007	25% of your required annual payment
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
January 15, 2008	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

If you did not make estimated tax payments in 2006, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you or you may visit the DRS Web site at www.ct.gov/DRS for additional forms.

You may pay your 2007 estimated Connecticut income tax payments by credit card. See Form CT-1040ES, included in this booklet.

To avoid making estimated tax payments, you may request that your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4, *Employee's Withholding Certificate***. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see **Informational Publication 2007(7), *Is My Connecticut Withholding Correct?***

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of 66²/₃% of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates***, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Form CT-2210, Part I, Box D, and the box for Form CT-2210 on the front of **Form CT-1040**. See **Informational Publication 2006(20), *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax***.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier** of April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

A farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2007, if he or she files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date.

Filing Form CT-2210

You may be charged interest if your 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld, is \$1,000 or more. Use **Form CT-2210** to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

You may **not** file Form CT-1040EZ if you want to pay the interest calculated on Form CT-2210 with your income tax return. Instead, you must file Form CT-1040.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time to file has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X** and fail to do so, a penalty may be imposed.

Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; **and**
- Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail separately with a copy of your tax return to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089**

Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available by requesting the form or publication specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property, gifts of tangible personal property situated within Connecticut, or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax it may be collected from the donee. Connecticut taxable gifts are reported on, and Connecticut gift tax is paid (if due) with **Form CT-706/709**, *Connecticut Estate and Gift Tax Return*. The due date of the return is April 15, for gifts made during the preceding calendar year. See **Special Notice 2005(10)**, *2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax*.

Connecticut Income Tax Withholding by Household Employers

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2007(1)**, *Connecticut Circular CT*.

Business Entity Tax (Form OP-424)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S corporation;
- Limited liability partnership;
- Limited partnership; **or**
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

* Each foreign entity that is required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

Amended Returns

Use a 2006 **Form CT-1040X**, *Amended Connecticut Income Tax Return*, to amend a previously-filed 2006 Connecticut income tax return for individuals. This form may not be used to amend any other year's return.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the

due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 15.

You must file Form CT-1040X in the following circumstances:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040CRC**, *Claim of Right Credit*, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(14)**, *Claims for Refund Made by Financially Disabled Individuals*.

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center (TSC)** is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile*, *Fast-File*, and *Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using *TSC*. For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 2 of this book.

You are required to file **Form CT-6251**, *Connecticut Alternative Minimum Tax Return - Individuals*, if either of the following conditions is true for the 2006 taxable year:

- You were a Connecticut resident or part-year resident and had a federal alternative minimum tax liability; **or**
- You were a Connecticut nonresident with a federal alternative minimum tax liability **and** you had Connecticut source income.

If you meet one of the requirements above, you must file Form CT-6251 even if your Connecticut alternative minimum tax is zero.

What Is the Connecticut Alternative Minimum Tax

The Connecticut alternative minimum tax is a tax imposed on certain individuals, estates, and trusts in addition to their regular income tax. The tax is computed on the lesser of 19% of the adjusted federal tentative minimum tax or 5.5% of the adjusted federal alternative minimum taxable income.

What Is the Adjusted Federal Tentative Minimum Tax

The adjusted federal tentative minimum tax is your federal tentative minimum tax with certain Connecticut modifications.

Part-Year Residents and Nonresidents

Connecticut part-year residents and nonresidents must first compute the Connecticut minimum tax as if they were Connecticut residents, then apportion their Connecticut minimum tax.

Credits

Connecticut residents and part-year residents are allowed a credit for minimum taxes paid to a qualifying jurisdiction on the income taxed by both Connecticut and that jurisdiction. The credit may not exceed the amount of tax otherwise due.

You may be able to claim a credit against your Connecticut income tax for Connecticut alternative minimum tax paid in a prior year. See the instructions to **Form CT-8801**, *Credit for Prior Year's Connecticut Minimum Tax for Individuals, Trusts, and Estates*.

Filing Status

Your filing status must match your Connecticut income tax filing status as reported on the front of Form CT-1040 or Form CT-1040NR/PY. Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as if their filing status for federal income tax purposes were single or, if applicable, head of household although this will be their filing status for federal income tax purposes.

If you and your spouse are filing a joint federal income tax return and you file separate Connecticut income tax returns (either because you qualify **and** elect to do so or because you are required to do so), the federal rules for allocating income apply. You must recalculate your federal alternative minimum tax liability as if your filing status for federal income tax purposes was **single**. If upon your recalculation you would have had a federal alternative minimum tax liability, you are subject to Connecticut alternative minimum tax and you are required to calculate Form CT-6251 as a single individual.

Where the calculation of any individual federal items are subject to limitations (for example, alternative tax net operating loss deduction); such items may have to be recalculated if Connecticut modifications apply.

Line Instructions

Name and Social Security Number

Enter your name and Social Security Number (SSN) as it appears on your Connecticut income tax return in the space provided at the top of the form. If you are filing a joint return, also enter your spouse's name and SSN.

Part I

Line 1

Residents, part-year residents, and nonresidents should enter the amount from federal Form 6251, Line 28. Part-year residents must also include or exclude any tax preference items and adjustments attributable to a future year which accrued up to the time of a change in residence.

If your filing status is married filing separately or civil union filing separately, combine Lines 1 through 27 from federal Form 6251 and enter the result here. This amount may differ from the amount entered on Line 28.

Line 2

To compute the additions to federal alternative minimum taxable income, use the amount entered on **Form CT-1040**, *Schedule 1*, Line 39, or **Form CT-1040NR/PY**, *Schedule 1*, Line 41, **minus**:

- Any modification for a taxable lump-sum distribution from a qualified plan not included in federal adjusted gross income, as entered on Form CT-1040, *Schedule 1*, Line 34, or Form CT-1040NR/PY, *Schedule 1*, Line 36; **and**
- Any interest or dividend income on U.S. government obligations or securities exempt from federal income tax, but taxable for Connecticut income tax purposes, to the extent included on Form CT-1040, *Schedule 1*, Line 38, or Form CT-1040NR/PY, *Schedule 1*, Line 40.

Exclude from Line 2 the amount of federally tax-exempt interest or exempt-interest dividends under I.R.C. §852(b)(5), from **non-Connecticut** private activity bonds issued after August 7, 1986, and included on federal Form 6251, Line 11.

Enter the net amount on Line 2.

Line 4

To compute the subtractions from federal alternative minimum taxable income, use the total amount entered on Form CT-1040, *Schedule 1*, Line 50, or Form CT-1040NR/PY, *Schedule 1*, Line 52, **minus**:

- Any modification for refunds of state and local income taxes entered on Form CT-1040, *Schedule 1*, Line 43, or Form CT-1040NR/PY, *Schedule 1*, Line 45;
- Any modification for Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities, as entered on Form CT-1040, *Schedule 1*, Line 44, or Form CT-1040NR/PY, *Schedule 1*, Line 46;
- Any modification for the amount of any distributions you received from the Connecticut Higher Education Trust (CHET) as a designated beneficiary to the extent included in your federal adjusted gross income, and to the extent included on Form CT-1040, *Schedule 1*, Line 49, or Form CT-1040NR/PY, *Schedule 1*, Line 51; **and**
- Any modification for the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in your federal adjusted gross income, and to the extent included on Form CT-1040, *Schedule 1*, Line 49, or Form CT-1040NR/PY, *Schedule 1*, Line 51.

Include on Line 4 the amount of federally tax-exempt interest or exempt-interest dividends under I.R.C. §852(b)(5) from **Connecticut** private activity bonds issued after August 7, 1986, and included on federal Form 6251, Line 11.

Enter the net amount on Line 4.

Line 5

If your filing status is married filing separately or civil union filing separately and Line 5 is more than \$200,100, you must include an additional amount on Line 5. If Line 5 is \$325,200 or more, include an additional \$31,275 on Line 5. Otherwise, include 25% (.25) of the excess of the amount on Line 5 over \$200,100.

Example: If the amount on Line 5 is \$220,100, multiply the amount in excess of \$200,100 (\$20,000) by 25% (.25). The result is \$5,000. Add the \$5,000 to \$220,100 and enter \$225,100 on Line 5.

Schedule A

Credit for Alternative Minimum Tax Paid to Qualifying Jurisdictions Connecticut Residents and Part-Year Residents Only

Residents

Use *Schedule A* to claim a credit against the net Connecticut minimum tax liability for alternative minimum tax paid during the taxable year to a qualifying jurisdiction. Credit may be claimed only if the income on which taxes were paid was derived from or connected with sources within the qualifying jurisdiction.

Part-Year Residents

Use *Schedule A* to claim a credit against the net Connecticut minimum tax liability for alternative minimum tax paid to a qualifying jurisdiction on items of income, gain, loss, or deduction attributable to that jurisdiction during the period of Connecticut residency.

A **qualifying jurisdiction** includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

No credit is allowed for **any** of the following:

- Alternative minimum tax paid to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction;
- Alternative minimum tax paid to a jurisdiction that is not a qualifying jurisdiction;
- Alternative minimum tax paid to a qualifying jurisdiction, if you claimed credit for alternative minimum tax paid to Connecticut on that qualifying jurisdiction's alternative minimum tax return or income tax return; **or**
- Payments of alternative minimum tax made to a qualifying jurisdiction on income not subject to the Connecticut alternative minimum tax.

No credit is allowed for tax paid on dividends or interest income unless derived from property employed in a business or trade carried on in that jurisdiction. However, credit is allowed for tax paid on wages earned for services performed in a qualifying jurisdiction.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. Attach a copy of all alternative minimum tax returns filed with qualifying jurisdictions directly following Form CT-6251.

Schedule A provides two columns, A and B, to compute the credit for two qualifying jurisdictions. If you need more than two columns, create a worksheet identical to *Schedule A* and attach it to the back of your Form CT-6251.

If you are claiming credit for alternative minimum tax paid to a qualifying jurisdiction **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of adjusted alternative minimum taxable income is taxed by both the city and the state:
 1. Use only **one** column of *Schedule A* to calculate your credit;
 2. Enter the same amount of adjusted alternative minimum taxable income taxed by both city and state in that column on Form CT-6251, *Schedule A*; **and**
 3. Combine the amounts of alternative minimum tax paid to the city and the state and enter the total on Line 51 of that column.
- B. If the **amounts** of adjusted alternative minimum taxable income taxed by both the city and state **are not the same**:
 1. Use **two** columns on Form CT-6251, *Schedule A*;
 2. Include only the same amount of adjusted alternative minimum taxable income taxed by both jurisdictions in the first column; **and**
 3. Include the excess amount of adjusted alternative minimum taxable income taxed by only one of the jurisdictions in the next column.

Attach a copy of the alternative minimum tax return filed with each qualifying jurisdiction to the back of your Form CT-6251.

Line 44

Residents: Enter the amount of adjusted federal alternative minimum taxable income from Form CT-6251, Line 5. However, if a taxpayer's adjusted federal alternative minimum taxable income includes a net loss derived from or connected with sources in a qualifying jurisdiction(s), the taxpayer must add the net loss to the amount of adjusted federal alternative minimum taxable income from Line 5 and enter the result.

Part-Year Residents: Enter the portion of adjusted federal alternative minimum taxable income from Form CT-6251, Line 5, attributable to the residency portion of the taxable year. However, if a part-year resident's adjusted federal alternative minimum taxable income includes a net loss derived from or connected with sources in a qualifying jurisdiction(s), the taxpayer must add the net loss to the amount of adjusted federal alternative minimum taxable income from Line 5 attributable to the residency portion of the taxable year.

Line 46

Enter the amount of the adjusted federal alternative minimum taxable income included on Line 44 subject to a qualifying jurisdiction's alternative minimum tax.

Line 47

Divide the amount on Line 46 by the amount on Line 44. The result may not exceed 1.0000. Round to four decimal places.

Line 48

Residents: Enter the amount from Form CT-6251, Line 21.

Part-Year Residents: Enter the amount of alternative minimum tax paid to a qualifying jurisdiction on items of income, gain, loss, or deduction derived from or connected with sources in that jurisdiction during the residency portion of the taxable year.

If the alternative minimum tax paid to that jurisdiction was also based on income earned during the nonresidency portion of your taxable year, you must prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during your Connecticut residency bears to the total amount of income that you earned in that jurisdiction in the taxable year.

Alternative minimum tax paid means the lesser of your tax liability to the qualifying jurisdiction or the tax you paid to that jurisdiction as reported on a return filed with that jurisdiction, but not any penalty or interest.

Line 51

Enter the lesser of the amounts reported on Line 49 or Line 50.

Line 52

Taxpayer Service Center (TSC)

File Returns - Make Payments

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center (TSC)** is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Connecticut income tax filers can electronically file most returns and pay taxes using **TSC**.

Other Features - FAQs

The **TSC** will offer many other new features. These enhanced features will include the ability to:

- View account balances; **and**
- Make scheduled payments.

In addition, using the **Taxpayer Answer Center**, taxpayers may search the FAQ knowledge base by selecting a category or by entering a keyword or phrase in the Search Text box. Use **FAQs - Taxpayer Answer Center** to easily get answers to the most frequently asked questions.

Exchange Confidential Information

The **TSC** will allow taxpayers to establish a secure mailbox for exchanging direct communication confidentially with DRS. Visit the DRS Web site at www.ct.gov/DRS for more information on this feature.

Fast - Accurate - Easy - Secure

For telephone assistance, call our Taxpayer Services Division at 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere).

TTY, TDD, and Text Telephone users only may transmit inquiries by calling 860-297-4911.

What's New

- **Civil unions:** Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law (civil union partners) **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as if their filing status for federal income tax purposes were single or, if applicable, head of household (although this will be their filing status for federal income tax purposes).

Any reference in this booklet to a spouse also refers to a party to a civil union recognized under Connecticut law. For more information on civil unions recognized under Connecticut law, visit the Attorney General's Web site at www.ct.gov/ag for Attorney General Opinion 2005-024.

- **Filing status check boxes:** The 2006 Connecticut income tax returns have three additional filing status check boxes: qualifying widow(er) with dependent child, civil union filing jointly, and civil union filing separately.
- **Connecticut Higher Education Trust (CHET):** Effective for the taxable years beginning on or after January 1, 2006, an individual is allowed to subtract from his or her federal adjusted gross income contributions to a CHET account or accounts in computing his or her Connecticut adjusted gross income.

The maximum CHET contribution that may be subtracted is the lesser of (1) the amount of contributions to all CHET accounts during the taxable year; or (2)(A) \$5,000 for each individual taxpayer (including individuals whose filing status on their Connecticut income tax return is single, head of household, married filing separately, or civil union filing separately), or (B) \$10,000 for individuals whose filing status on their Connecticut income tax return is married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

If a CHET contribution during the taxable year exceeds the maximum CHET contribution, the excess may be carried forward for the five succeeding taxable years provided the CHET contribution carried forward to a succeeding taxable year does not exceed the maximum CHET contribution limit for that succeeding taxable year. See **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

- **Taxpayer Service Center (TSC):** The Department of Revenue Services (DRS) encourages Connecticut income tax filers to learn about electronic options through the new **TSC**. The **TSC** is an interactive tool that, like the previous WebFile system, offers a free, fast, easy, and secure way to conduct business. Through our Web site at www.ct.gov/DRS, taxpayers can access the **TSC** to securely file, pay, and manage some Connecticut tax responsibilities electronically.

The **TSC** also offers an easy way to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional features are planned.

- **New e-filing requirement for certain preparers:** Effective January 1, 2007, preparers who prepared 100 or more 2005 Connecticut income tax returns will be required to file the 2006 Connecticut income tax returns electronically using the Federal/State Electronic Filing Program (e-file).
- **Personal exemption and credits:** The annual increase to the personal exemption and credits used in calculating the tax for individuals whose filing status is single has been delayed by two years. The personal exemptions and credits for the 2004 taxable year remain in effect for the 2006 taxable year. The scheduled increases will resume beginning with the 2007 taxable year.
- **Index:** This booklet no longer contains a table of contents; see Page 54 for an index. We hope you find this format more user-friendly and would appreciate your comments and feedback on the *Taxpayer Questionnaire* you will find on Page 40.

Personal telephone assistance is available Monday through Friday, 8:30 a.m. to 4:30 p.m. Extended hours are offered for the filing season; see Page 2. Automated information may answer your questions anytime. Call CONN-TAX, the DRS information line, or visit the DRS Web site for details.

Forms are also available during regular business hours at any of the DRS walk-in offices and the other sources listed on the back cover of this booklet, and at most public libraries, town halls, and post offices during the tax filing season.

Important Reminders

Follow these tips to help us process your refund faster:

- You **must** use blue or black ink only to complete your return.
- Remember to send all **four** pages of your return.
- Be sure you have received all your federal Forms W-2, W-2G, and 1099 before filing your Connecticut income tax return. Generally, you will receive these forms on or before January 31. If you receive an additional federal Form W-2, W-2G, or 1099 after filing your Connecticut income tax return, you may be required to file **Form CT-1040X**. See *Amended Returns* on Page 37.
- Do not send W-2, W-2G, or 1099 forms** with your 2006 Connecticut income tax return. To avoid significant delays in processing your return, be sure to complete Columns A, B, and C of Section 3 of your return. Failure to complete all columns will result in the disallowance of Connecticut withholding.
- Check the correct filing status on your return.
- If you are an executor, administrator, or spouse filing a return for a deceased taxpayer, check the box next to the deceased taxpayer's Social Security Number (SSN).
- Check the box on the front of your Connecticut return if you are filing **Form CT-1040CRC**, *Claim of Right Credit*.
- Check the box on the front of your Connecticut return if you are filing **Form CT-8379**, *Nonobligated Spouse Claim*.

- Use the preprinted peel-off label. The preprinted label **does not** include your SSN. Therefore, you **must** enter your SSN and the SSN of your spouse (if filing a joint return) in the spaces above your name(s). Do not place the label over your SSN(s).

If you did not receive a tax return package with a label, enter your name(s) and mailing address in the spaces provided at the top of your return.

- Round all figures to the nearest whole dollar. See *Rounding Off to Whole Dollars* on Page 16.
- Sign your return. If you and your spouse are filing jointly, both of you must sign.
- Have your paid preparer sign the return and enter the firm's Federal Employer Identification Number (FEIN) in the space provided.
- Be sure both you and your spouse file your income tax returns at the same time if you filed joint estimated tax payments but elect to file separate income tax returns. No refund will be processed until both Connecticut returns are received.
- Use the correct DRS mailing label on the envelope when filing your return. One label is for refunds and all other tax forms without payment. The other label is for all tax forms with payment.

Who Must File Form CT-1040NR/PY

You must file **Form CT-1040NR/PY** if you were a nonresident or part-year resident of Connecticut in 2006 **and** any of the following is true for the 2006 taxable year:

- You had Connecticut income tax withheld; **or**
- You made estimated tax payments to Connecticut; **or**
- You were a part-year resident who meets the Gross Income Test (see below) or who had a federal alternative minimum tax liability; **or**
- You were a nonresident with Connecticut source income who meets the Gross Income Test (see below) or had a federal alternative minimum tax liability. See *Connecticut Source Income of a Nonresident* on Page 8.

If none of the above apply, **do not file Form CT-1040NR/PY**.

Gross Income Test

You must file a Connecticut income tax return if your gross income for the 2006 taxable year exceeds:

- \$12,000 and you will file as married filing separately or civil union filing separately;
- \$12,625 and you will file as single;
- \$19,000 and you will file as head of household; **or**
- \$24,000 and you will file as married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child.

Gross income means all income you received in the form of money, goods, property, services not exempt from federal income tax, **and** any additions to income required to be reported on Form CT-1040NR/PY, *Schedule 1*.

Gross income includes, but is not limited to:

- Compensation for services, including wages, fees, commissions, taxable fringe benefits, and similar items;
- Gross income from a business;
- Capital gains;
- Interest and dividends;
- Gross rental income;
- Gambling winnings;
- Alimony;
- Taxable pensions and annuities;
- Prizes and awards;
- Your share of income from partnerships, S corporations, estates, or trusts;
- IRA distributions;
- Unemployment compensation;
- **Federally taxable** Social Security benefits; **and**
- **Federally taxable** disability benefits.

The following examples explain the gross income test:

Example 1: A nonresident whose only income is from a sole proprietorship located in Connecticut files a federal Form 1040 and reports the following on Schedule C:

Gross Income	\$ 100,000
Expenses	(\$ 92,000)
Net Income	\$ 8,000

Because the **gross income** of \$100,000 exceeds the minimum requirement **and** the income is from a Connecticut source, this nonresident must file Form CT-1040NR/PY.

Example 2: A Connecticut part-year resident who files as single on Form CT-1040NR/PY received \$8,000 in federally nontaxable Social Security benefits and \$11,000 in interest income. Since nontaxable Social Security benefits are not included in gross income, the Connecticut part-year resident is not required to file a return unless Connecticut tax was withheld or estimated tax payments were made.

Example 3: A nonresident whose filing status is single for federal income tax purposes received \$12,625 in wage income from Connecticut employment and \$1,000 in federally-exempt interest from California state bonds. The taxpayer's federal gross income with additions from Form CT-1040NR/PY, *Schedule 1* (interest on state or local obligations other than Connecticut), is \$13,625. Therefore, the nonresident must file Form CT-1040NR/PY.

Relief From Joint Liability

In general, if you and your spouse file a joint income tax return, you are both responsible for paying the full amount of tax, interest, and penalties due on your joint return. However, in very limited, specific cases, relief may be granted if you believe all or any part of the amount due should be paid only by your spouse. You may request consideration by filing **Form CT-8857**, *Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)*. See **Special Notice 99(15)**, *Innocent Spouse Relief, Separation of Liability, and Equitable Relief*.

Title 19 Recipients

Title 19 recipients must file a Connecticut income tax return if the requirements for *Who Must File Form CT-1040NR/PY* are met.

However, if you do not have funds to pay your Connecticut income tax, complete **Form CT-19IT**, *Title 19 Status Release*, and attach it to the **front** of your Connecticut income tax return if the following two conditions apply:

- You were a Title 19 recipient during 2006; **and**
- Medicaid assisted in the payment of your long-term care in a nursing or convalescent home during 2006.

By completing this form, you authorize DRS to verify your Title 19 status for 2006 with the Department of Social Services.

Deceased Taxpayers

An executor, administrator, or surviving spouse must file a Connecticut income tax return, for that portion of the year before the taxpayer's death, for a taxpayer who died during the year if the requirements for *Who Must File Form CT-1040NR/PY* are met. The executor, administrator, or surviving spouse must check the box next to the deceased taxpayer's SSN on the front page of the return. The person filing the return must sign for the deceased taxpayer on the signature line and indicate the date of death.

A surviving spouse may file a joint return if the surviving spouse filed a joint federal income tax return. A surviving civil union partner may file a joint return as a surviving spouse as if federal income tax law permitted a civil union partner to file as a surviving spouse. Write "Filing as surviving spouse" in the deceased spouse's signature block on the return. If both spouses died in 2006, their legal representative must file a final return. The Connecticut and federal filing status must be the same unless the surviving spouse is a civil union partner.

Claiming a Refund for a Deceased Taxpayer

If you are a surviving spouse filing jointly with your deceased spouse, you may claim the refund on the jointly-filed return. If you are a court-appointed representative, file the return **and** attach a copy of the certificate that shows your appointment. All other filers requesting the deceased taxpayer's refund must file the return and attach federal Form 1310, *Statement of Person Claiming Refund Due a Deceased Taxpayer*.

Income received by the estate of the decedent for the portion of the year after the decedent's death, and for succeeding taxable years until the estate is closed, must be reported each year on **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*.

Special Information for Nonresident Aliens

A nonresident alien must file a Connecticut income tax return if he or she meets the requirements of *Who Must File a Connecticut Resident Return*. In determining whether the gross income test is met, the nonresident alien must take into account any income not subject to federal income tax under an income tax treaty between the United States and the

country of which the nonresident alien is a citizen or resident. Income tax treaty provisions are disregarded for Connecticut income tax purposes. Any treaty income reported on federal Form 1040NR or Form 1040NR-EZ and not subject to federal income tax must be added to the nonresident alien's federal adjusted gross income. See **Form CT-1040**, *Schedule 1*, Line 38, or **Form CT-1040NR/PY**, *Schedule 1*, Line 40.

If the nonresident alien does not have and is not eligible for an SSN, he or she must obtain an Individual Taxpayer Identification Number (ITIN) from the IRS and enter it in the space provided for an SSN.

A married nonresident alien may not file a joint Connecticut income tax return unless the nonresident alien is married to a citizen or resident of the United States and they have made an election to file a joint federal income tax return and they do, in fact, file a joint federal income tax return. Any married individual filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint federal income tax return or a joint Connecticut income tax return and must file a Connecticut income tax return as a married individual filing separately. (This provision does not apply to civil union partners.)

A civil union partner who is a nonresident alien may file a joint Connecticut income return as long as his or her civil union partner is a citizen or resident of the United States. A civil union partner filing federal Form 1040NR or federal Form 1040NR-EZ is not eligible to file a joint Connecticut income tax return and must file a Connecticut income tax return as a civil union partner filing separately.

Resident, Part-Year Resident, or Nonresident

The following terms are used in this section:

Domicile (permanent legal residence) is the place you intend to have as your permanent home. It is the place you intend to return to whenever you are away. You can have only one domicile although you may have more than one place to live. Your domicile does not change until you move to a new location and definitely intend to make your permanent home there. If you move to a new location but intend to stay there only for a limited time (no matter how long), your domicile does not change. This also applies if you are working in a foreign country.

Permanent place of abode is a residence (a building or structure where a person can live) that you permanently maintain, whether or not you own it, and generally includes a residence owned by or leased to your spouse. A place of abode is not permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

You are a **resident** for the 2006 taxable year if:

- Connecticut was your domicile (permanent legal residence) for the entire 2006 taxable year; **or**
- You maintained a permanent place of abode in Connecticut during the entire 2006 taxable year **and** spent a total of more than 183 days in Connecticut during the 2006 taxable year.

Nonresident aliens who meet either of these conditions are considered Connecticut residents even if federal Form 1040NR-EZ or federal Form 1040NR is filed for federal income tax purposes. See also *Spouses With Different Residency Status* on Page 15 and *Special Information for Nonresident Aliens* on Page 6.

If you are a resident and any of the following is true for the 2006 taxable year, you must file **Form CT-1040EZ** or **Form CT-1040**:

- You had Connecticut income taxes withheld;
- You made estimated tax payments to Connecticut;
- You meet the gross income test; **or**
- You had a federal alternative minimum tax liability.

You are a **part-year resident** for the 2006 taxable year if you changed your permanent legal residence by moving into or out of Connecticut during the 2006 taxable year. Part-year residents may not elect to be treated as resident individuals.

If you are a part-year resident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file Form CT-1040NR/PY.

You are a **nonresident** for the 2006 taxable year if you are neither a resident nor a part-year resident for the 2006 taxable year.

If you are a nonresident and you meet the requirements of *Who Must File Form CT-1040NR/PY* for the 2006 taxable year, you must file Form CT-1040NR/PY.

Although you and your spouse file jointly for federal purposes, you may be required to file separate Connecticut returns. See *Spouses With Different Residency Status* on Page 15.

If you meet **all** of the conditions in Group A or Group B, you may be treated as a nonresident for 2006 even if your domicile was Connecticut.

Group A

1. You did not maintain a permanent place of abode in Connecticut for the entire 2006 taxable year;
2. You maintained a permanent place of abode outside of Connecticut for the entire 2006 taxable year; **and**
3. You spent not more than 30 days in the aggregate in Connecticut during the 2006 taxable year.

Group B

1. You were in a foreign country for at least 450 days during any period of 548 consecutive days;
2. During this period of 548 consecutive days, you did not spend more than 90 days in Connecticut and you did not maintain a permanent place of abode in Connecticut at which your spouse (unless legally separated) or minor children spent more than 90 days; **and**
3. During the nonresident portion of the taxable year in which the 548-day period begins, and during the nonresident portion of the taxable year in which the 548-day period ends, you were present in Connecticut for no more than the number of days that bears the same ratio to 90 as the number of days in such portion of the taxable year bears to 548. See the calculation on Page 8.

Number of days in the nonresident portion <hr/> 548	x 90 =	Maximum days allowed in Connecticut
--	--------	--

See **Special Notice 2000(17)**, *2000 Legislation Affecting the Connecticut Income Tax*.

Military Personnel Filing Requirements

Military personnel who claim Connecticut as a residence but are stationed elsewhere are subject to Connecticut income tax. If you enlisted in the service as a Connecticut resident and have not established a new domicile (permanent legal residence) elsewhere, you are required to file a resident income tax return unless you meet all of the conditions in Group A or Group B for being treated as a nonresident. See *Resident, Part-Year Resident, or Nonresident* on Page 7. The rate at which your other income is taxed for Connecticut income tax purposes has been affected by the enactment by Congress of the Service Members Civil Relief Act. See instructions for **Form CT-1040NR/PY**, Line 51, on Page 23.

If your permanent home (domicile) was outside Connecticut when you entered the military, you do not become a Connecticut resident because you are stationed and live in Connecticut. As a nonresident, your military pay is not subject to Connecticut income tax. However, income you receive from Connecticut sources while you are a nonresident (including your spouse's nonmilitary income) may be subject to Connecticut income tax.

Example: Jennifer is a resident of Florida. She enlisted in the Navy in Florida and was stationed in Groton, Connecticut. She earned \$38,000 in military pay.

If Jennifer had no other income . . .

Since Jennifer resided and enlisted in Florida, she is considered a resident of Florida and does not have to file a Connecticut return. Military personnel are residents of the state in which they resided when they enlisted.

If Jennifer had a part-time job in Connecticut . . .

Her Connecticut source income from nonmilitary employment is taxable. Jennifer must file Form CT-1040NR/PY to report this income.

Spouses of military personnel who are stationed in Connecticut may be considered residents of this state even if their domicile is elsewhere. See *Resident, Part-Year Resident, or Nonresident* on Page 7.

See **Informational Publication 2006(23)**, *Connecticut Income Tax Information for Military Personnel and Veterans*.

Combat Zone

The income tax return of any individual in the U.S. Armed Forces serving in a combat zone or injured and hospitalized while serving in a combat zone is due 180 days after returning. There will be no penalty or interest charged. For any individual who dies while on active duty in a combat zone or as a result of injuries received in a combat zone, no income tax or return is due for the year of death. If any tax was previously paid

for the year of death, the tax will be refunded to the legal representative of the estate or to the surviving spouse upon the filing of a return on behalf of the decedent. In filing the return on behalf of the decedent, the legal representative or the surviving spouse should enter zero tax due and attach a statement to the return along with a copy of the death certificate.

Combat zone is an area designated by the President of the United States as a combat zone by executive order. A combat zone also includes an area designated by the federal government as a *qualified hazardous duty area*.

Members of the U.S. Armed Forces serving in the military operations in the Kosovo, Afghanistan, or Arabian Peninsula regions are eligible for the 180-day extension allowed to individuals serving in a combat zone. Spouses of military personnel and civilians supporting the military in these regions who are away from their permanent duty stations but are not within the designated combat zone are also eligible for the extension. Individuals requesting an extension under combat zone provisions should print both the name of the combat zone and the operation they served with at the top of their Connecticut return. This is the same combat zone or operation name that is provided on their federal income tax return.

How Nonresidents and Part-Year Residents Are Taxed

If you are a nonresident or a part-year resident, your tax liability is computed based upon the greater of your Connecticut adjusted gross income or your total income from Connecticut sources.

You must calculate the tax in the same manner as a resident individual. Then, prorate the tax based upon the percentage of your Connecticut adjusted gross income derived from or connected with Connecticut sources.

Connecticut Adjusted Gross Income

Connecticut adjusted gross income is your federal adjusted gross income as properly reported on federal Form 1040, Line 37; federal Form 1040A, Line 21, or federal Form 1040EZ, Line 4; and any Connecticut modifications required to be reported on Form CT-1040NR/PY, *Schedule 1*.

Connecticut Source Income of a Nonresident

Connecticut source income of a nonresident is income derived from or connected with sources within Connecticut when the income is:

- Attributable to ownership or disposition of real or tangible personal property within Connecticut including but not limited to the income from the rental or sale of the property;
- Attributable to compensation for services performed in Connecticut or income from a business, trade, profession, or occupation carried on in Connecticut (including income derived directly or indirectly by athletes, entertainers, or performing artists from closed-circuit and cable television transmissions of irregularly scheduled events if the transmissions are received or exhibited within Connecticut);

- Unemployment compensation received from the Connecticut Department of Labor;
- From a partnership doing business in Connecticut;
- From an S corporation doing business in Connecticut;
- From a trust or estate with income derived from or connected with sources within Connecticut;
- From a nonqualified deferred compensation plan for services performed wholly within Connecticut; **or**
- From reportable Connecticut Lottery winnings. Winnings from the Connecticut Lottery, including Powerball, are reportable if the winner was issued a federal Form W-2G by the Connecticut Lottery Corporation. In general, the Connecticut Lottery Corporation is required to issue a federal Form W-2G to a winner if the Connecticut Lottery winnings, including Powerball, are \$600 or more and at least 300 times the amount of the wager. See **Informational Publication 2005(16)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*.

In general, Connecticut source income of a nonresident **does not include** the following income even if it was included in your federal adjusted gross income:

- Distributions from pension or retirement plans (such as 401K plans);
- Interest, dividends, or gains from the sale or exchange of intangible personal property unless that property is employed in a business, trade, profession, or occupation carried on in Connecticut;
- Compensation received for active service in the U.S. military;
- Dividends from a corporation doing business in Connecticut;
- Compensation you received from an interstate rail carrier, interstate motor carrier, or an interstate motor private carrier;
- Gambling winnings (other than reportable Connecticut Lottery winnings shown on federal Form W-2G). See **Informational Publication 2005(15)**, *Connecticut Income Tax Treatment of Gambling Winnings Other Than State Lottery Winnings*;
- Interest you earned from a Connecticut bank (unless earned by a Connecticut business); **or**
- Income you received from business or employment activities in Connecticut that are considered casual, isolated, or inconsequential.

Activities Considered Casual, Isolated, or Inconsequential

In general, activities that meet one of the following tests are considered casual, isolated, or inconsequential:

1. **\$6,000 test** - The gross income from the presence of a nonresident in Connecticut does not exceed \$6,000 in the taxable year. (However, this test does not apply to a nonresident who is a member of one or more pass-through entities with Connecticut source income. In such a case, the nonresident member's activities would not be considered casual, isolated, or inconsequential unless the

member's Connecticut source income from the pass-through entity or entities is less than \$1,000.)

An employee's wages for services performed in Connecticut are taxable, regardless of the amount, unless the employee's services meet the Ancillary Activity Test. Also, reportable Connecticut Lottery winnings are taxable regardless of the amount.

2. **Ancillary Activity Test** - The nonresident's presence in Connecticut is ancillary to his or her primary business or employment duties performed at a base of operations outside of Connecticut. Ancillary activities are those activities that are secondary to the individual's primary out-of-state duties, and include such things as presence in the state for planning, training, attendance at conferences or symposia, etc.

Connecticut Source Income of a Part-Year Resident

Connecticut source income of a part-year resident is the sum of:

1. Connecticut adjusted gross income for the part of the year you were a resident;
2. Income derived from or connected with Connecticut sources for the part of the year you were a nonresident; **and**
3. Special accruals.

Items Subject to Special Accrual

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis, regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed.

Change From Resident to Nonresident

If you moved out of Connecticut during the taxable year, you must include, in calculating your Connecticut adjusted gross income for the period of your Connecticut residency, all items of income, gain, loss, or deduction you would be required to include if you were filing a federal income tax return for the same period on the accrual basis, together with any other accruals not otherwise includible or deductible for federal or Connecticut income tax purposes (such as deferred gains on installment obligations). Include items of special accrual with other items of income, gain, loss, and deduction reported for your residency period. See *Schedule CT-1040AW Instructions* on Page 33.

Example 1: Laura, a part-year resident who moved out of Connecticut in June 2006, sold property on the installment basis in April 2006. She will receive annual installment payments for five years. She must accrue the entire gain on the sale of the property to the portion of 2006 when she was a resident of Connecticut because her right to receive the gain was fixed and the amount was determinable before the time she changed her residency.

Example 2: Rick, a resident of Connecticut, retired from his Connecticut employment on September 1, 2006, and moved to Florida. His employer notified him on August 15, 2006, that he would receive a \$1,000 bonus on September 15, 2006. He must accrue the \$1,000 bonus to the portion of 2006 when he was a resident because the right to receive the bonus was fixed and the amount was determinable before the time he changed his residency.

Example 3: Cindy, a Connecticut resident, won the Connecticut Lottery in 2006. The proceeds from her wager were reported on federal Form W-2G. Cindy will receive her winnings on the installment basis for twenty years. During the 2006 taxable year, Cindy moved out of Connecticut and is a part-year resident because she changed her permanent legal residence. Ordinarily, Cindy's Connecticut Lottery winnings would be subject to special accrual; however, Cindy may avoid special accrual on those lottery winnings as long as the Connecticut Lottery Corporation continues to withhold Connecticut income tax from those winnings. Cindy will remain subject to Connecticut income tax for the years during which the lottery winnings are received.

If Cindy won another state's lottery during 2006, she would be subject to Connecticut income tax while a Connecticut resident. If Cindy moves out of Connecticut, and is a part-year resident because she changed her permanent legal residence, her lottery winnings would be subject to special accrual.

Payment of Tax

If you moved out of Connecticut during the taxable year and you have items of income or gain subject to special accrual, you must either:

- Include the items of accrual in the calculation of tax in the year you changed your residence; **or**
- File a surety bond or other security and pay the tax as a nonresident in the year(s) the income is actually received.

Surety Bond

You may elect to defer the payment of Connecticut income tax on items of special accrual by filing a surety bond with DRS in an amount not less than the amount of the additional Connecticut income tax that would be payable if no surety bond or other security were filed. If you choose this option, you must file **Form CT-1040NR/PY** for the taxable year when you change your residence. Include a separate statement showing the nature and amount of each item of special accrual as of the date of change of residence together with a computation of the additional Connecticut income tax which would be due if the election to file a surety bond had not been made.

For more information on the requirements for a surety bond, contact DRS and request a copy of Conn. Agencies Regs. §12-717(c)(4)-1, **Form CT-12-717A**, *Change of Resident Status - Special Accruals*, **Form CT-12-717B**, *Change of Resident Status - Special Accruals, Other Acceptable Security Form*.

Change From Nonresident to Resident

If you moved into Connecticut during the taxable year, items of income, gain, loss, or deduction that accrue to the period of the year prior to your Connecticut residency are not included in your Connecticut source income. However, items of income derived from or connected with Connecticut sources may **not** be accrued to the nonresident period and must be included in calculating your Connecticut source income for that year.

Example: Jennifer was a California resident from January 1, 2006, until July 31, 2006. She became a Connecticut resident on August 1. While a resident of California, Jennifer earned \$10,000 for work performed in that state, but she did not receive payment for that work until September 30, 2006.

Jennifer also owned a condominium in Connecticut, which she rented to a third party from January 1 to July 31, 2006. She received payment of the rent for the first four months of the year while she was living in California, and she received the remaining payments after she became a Connecticut resident.

Jennifer will file a Connecticut part-year resident return for 2006. The \$10,000 of California source income earned before Jennifer changed her residency is accrued to her nonresidency period even though she received the payment after becoming a Connecticut resident. The rental payments from Connecticut real estate are considered Connecticut source income regardless of when she received this income. Therefore, the entire amount of rental income is includable in her Connecticut adjusted gross income and none of it is subject to special accrual.

Forms and Schedules Included in This Booklet

This booklet contains forms you may have to complete in addition to Form CT-1040NR/PY. Below is a description of these forms and an explanation of who should complete them. A self-employed nonresident or part-year resident (for his or her nonresidency period) who carried on business both in and outside of Connecticut may also be required to file **Schedule CT-1040 BA**, *Nonresident Business Apportionment*. See Page 34 for instructions.

Form	Who Should Complete
Schedule CT-SI Parts 1 and 2	All nonresidents and part-year residents
Employee Apportionment Worksheet	A nonresident employee or part-year employee (for his or her nonresidency period) who worked in and outside of Connecticut and does not know the actual amount of Connecticut source income.
Schedule CT-1040AW	All part-year residents

Taxable Year and Method of Accounting

You must use the same taxable year for Connecticut income tax purposes you use for federal income tax purposes. Most individuals use the calendar year as their taxable year for federal income tax purposes. However, if the calendar year is not your taxable year for federal income tax purposes, references in this booklet to 2006 are references to your taxable year beginning during 2006.

You must use the same method of accounting for Connecticut income tax purposes you use for federal income tax purposes. If your taxable year or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File

Your Connecticut income tax return is due on or before April 15, 2007. If you are not a calendar year filer, your return is due on or before the fifteenth day of the fourth month following the close of your taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

DHL Express (DHL) <ul style="list-style-type: none">• DHL Same Day Service• DHL Next Day 10:30 a.m.• DHL Next Day 12:00 p.m.• DHL Next Day 3:00 p.m.• DHL 2nd Day Service	
Federal Express (FedEx) <ul style="list-style-type: none">• FedEx Priority Overnight• FedEx Standard Overnight• FedEx 2Day• FedEx International Priority• FedEx International First	United Parcel Service (UPS) <ul style="list-style-type: none">• UPS Next Day Air• UPS Next Day Air Saver• UPS 2nd Day Air• UPS 2nd Day Air A.M.• UPS Worldwide Express Plus• UPS Worldwide Express

This list is subject to change. See **Policy Statement 2005(4), Designated Private Delivery Services and Designated Types of Service**.

If **Form CT-1040NR/PY** is filed late, or all the tax due is not paid with the return, see *Interest and Penalties* on Page 13 to determine if interest and penalty must be reported with the return.

Extension Requests

Extension of Time to File

To request an extension of time to file your return, you must file **Form CT-1040 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Individuals*, and pay all the tax you expect to owe on or before the due date. Visit www.ct.gov/DRS to file Form CT-1040 EXT over the Internet. If you pay your expected 2006 Connecticut income tax due by credit card, you do not need to file Form CT-1040 EXT. Form CT-1040 EXT is included in this booklet.

Form CT-1040 EXT extends only the time to file your return; it does not extend the time to pay your tax due. See *Interest and Penalties* on Page 13 if you do not pay all the tax due with your request for extension.

If you expect to owe no additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are not required to file Form CT-1040EXT. Please keep a copy of your federal Form 4868 for your records.

U.S. Citizens Living Abroad

If you are a U.S. citizen or resident living outside the United States and Puerto Rico, or if you are in the armed forces of the United States serving outside the United States and Puerto Rico, and are unable to file a Connecticut income tax return on time, you must file Form CT-1040 EXT. You must also pay the amount of tax due on or before the original due date of the return.

Include with Form CT-1040 EXT a statement that you are a U.S. citizen or resident living outside the United States and Puerto Rico, or in the armed forces of the United States serving outside the United States and Puerto Rico, and that you qualify for a federal automatic extension. If your application is approved, the due date will be extended for six months. If you are still unable to file your return and you were granted an additional extension of time to file for federal purposes, you may file your Connecticut return using the federal extension due date. A copy of the federal Form 2350 approval notice must be attached to the front of your Connecticut return.

Extension of Time to Pay

You may be eligible for a six-month extension of time to pay the tax due if you can show paying the tax by the due date will cause undue hardship. You may request an extension by filing **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1040NR/PY or Form CT-1040 EXT and send it on or before the due date. As evidence of the need for extension, you must attach:

- An explanation of why you cannot borrow money to pay the tax due;
- A statement of your assets and liabilities; **and**
- An itemized list of your receipts and disbursements for the preceding three months.

If an extension of time to pay is granted and you pay all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. You should make payments as soon as possible to reduce the interest you would otherwise owe. To ensure proper posting of your payment, write your SSN(s) (optional) and "**2006 Form CT-1040NR/PY**" on the front of your check or money order. Mail payments to:

**Department of Revenue Services
Accounts Receivable Unit
PO Box 5088
Hartford CT 06102-5088**

May I File My Connecticut Income Tax Return Over the Internet

Most Connecticut taxpayers may use the DRS Taxpayer Service Center (*TSC*) to file their Connecticut resident income tax return. All Connecticut income tax taxpayers may use the *TSC* to file and pay **Form CT-1040ES**, *Estimated Connecticut Income Tax Payment Coupon for Individuals*, as well as Form CT-1040EXT.

Taxpayers who wish to file their CT-1040NR/PY electronically can do so through the Federal/State e-file Program. E-file offers the following benefits.

- Connecticut accepts returns with **Form CT-6251**, *Connecticut Alternative Minimum Tax Return – Individuals*.
- Once a federal return has been accepted, State Only returns can be transmitted through the e-file program.
- Refunds are issued in four business days.
- Paperless signature: If the taxpayer uses an IRS self-select PIN for *e-file* or federal Form 8453, DRS accepts this as the state signature.

Visit the DRS Web site at www.ct.gov/DRS for more information about electronic filing options.

Estimated Tax Payments

You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more, and you expect your

Connecticut income tax withheld to be less than your required annual payment for the 2007 taxable year.

Your required annual payment for the 2007 taxable year is the lesser of:

- **90%** of the income tax shown on your **2007 Connecticut income tax return**; or
- **100%** of the income tax shown on your **2006 Connecticut income tax return** if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Annualized Income Installment Method

If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES*.

Filing Form CT-1040ES

Use **Form CT-1040ES** to make estimated Connecticut income tax payments for 2007. If you made estimated tax payments in 2006, you will automatically receive coupons for the 2007 taxable year in mid-January. They will be preprinted with your name, address, and SSN. To ensure your payments are properly credited, use the preprinted coupons.

If you did not make estimated tax payments in 2006, use Form CT-1040ES, included in this booklet, to make your first estimated income tax payment. If you file this form, additional preprinted coupons will be mailed to you.

2007 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:

April 15, 2007	25% of your required annual payment
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
January 15, 2008	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate will be considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

You may pay your 2007 estimated Connecticut income tax payments by credit card. See Form CT-1040ES included in this booklet. You may also file and pay your Connecticut estimated tax electronically using the DRS Taxpayer Service Center (*TSC*). Visit our Web site at www.ct.gov/DRS and click on the *TSC* logo for more information.

To avoid making estimated tax payments, you may request that your employer withhold additional amounts from your wages to cover the taxes on other income. You can make this change by giving your employer a revised **Form CT-W4, *Employee's Withholding Certificate***. For help in determining the correct amount of Connecticut withholding to be withheld from your wage income, see **Informational Publication 2007(7), *Is My Connecticut Withholding Correct?***

Special Rules for Farmers and Fishermen

If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of $66\frac{2}{3}\%$ of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules **must** complete and attach **Form CT-2210, *Underpayment of Estimated Tax by Individuals, Trusts, and Estates***, to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Be sure to check Box D of Form CT-2210, Part I, and the box for Form CT-2210 on the front of Form CT-1040NR/PY. See **Informational Publication 2006(20), *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax***.

Interest on Underpayment of Estimated Tax

You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier** of April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

A farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments will not be charged interest for failing to make the estimated payment due January 15, 2007, if he or she files a 2006 Connecticut income tax return on or before March 1, 2007, and pays in full the amount computed on the return as payable on or before that date.

Filing Form CT-2210

You may be charged interest if your 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do not file Form CT-2210 and DRS will send you a bill.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at 1% (.01) per month or fraction of a month until the tax is paid in full.

If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you may be charged interest. This is true even if you are due a refund when you file your tax return. See *Interest on Underpayment of Estimated Tax* on this page.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income or use tax is 10% (.10) of the tax due. If a request for an extension of time has been granted, you can avoid a penalty for failure to pay the full amount due by the original due date if you:

- Pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pay the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you are required to file **Form CT-1040X, *Amended Connecticut Income Tax Return for Individuals***, and fail to do so, a penalty may be imposed.

Waiver of Penalty

You may be able to have your penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. However, interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid.

All requests must include:

- A clear and complete written explanation;
- Your name and SSN;
- The taxable filing period;
- The name of the original form filed or billing notice received; **and**
- Documentation supporting your explanation.

Attach your request to the **front** of your tax return **or** mail separately with a copy of your tax return to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089**

Refund Information

DRS issues refund checks as quickly as possible. If you have a touch-tone phone, you may check on the status of your refund anytime by calling **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area only) or **860-297-5962** (from anywhere). Be ready to provide your SSN (and your spouse's if filing jointly) and the exact amount of the refund you requested.

If you electronically file your return, you will be issued your refund in four days unless additional review is required. You should allow eight to ten weeks before calling to check on the status of your refund. If DRS does not issue your refund on or before the ninetieth day after we receive your claim for refund, you may be entitled to interest on your overpayment at the rate of $\frac{2}{3}\%$ for each month or fraction of a month between the ninetieth day following receipt of your claim for a refund or the due date of your return, whichever is later, and the date of notice that your refund is due.

Offset Against Debts

If you are due a refund, all or part of your overpayment may be used to pay outstanding debts or taxes. Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you. If your refund is reduced, you will be mailed an explanation for the reduction.

Nonobligated Spouse

When a joint return is filed and only one spouse owes past-due child support or a debt to any Connecticut state agency, the spouse who is not obligated may be eligible to claim a share of a joint income tax refund. A nonobligated spouse who received income in 2006 and who made Connecticut income tax payments (withholding or estimates) for the 2006 taxable year may be eligible to claim his or her share of any refund if:

- A joint Connecticut tax return was filed for 2006; **and**
- An overpayment of tax was made.

If you are a nonobligated spouse, you may claim your share of a joint refund by filing **Form CT-8379, Nonobligated Spouse Claim**. When filing Form CT-8379, attach all W-2 and 1099 forms showing Connecticut income tax withheld. Remember to check the box on the front of your Connecticut income tax return and attach Form CT-8379 to the front of your return.

Do **not** use Form CT-8379 to claim your share of a Connecticut refund that was applied to federal taxes you owe to the IRS. You must contact the IRS Office of the Local Taxpayer Advocate in Hartford, Connecticut at 860-756-4555.

Completing Form CT-1040NR/PY

Before you begin, gather all your records, including your federal W-2s (wages), W-2Gs (winnings), 1099-Rs (pensions), and other 1099 forms. Use this information to complete your federal income tax return. The information on your federal return is needed to complete your Connecticut return.

1 Taxpayer Information

Filing Status

Check the appropriate box to indicate your filing status. You may only check one box. Except as otherwise noted, any reference in these instructions to a spouse also refer to a party to a civil union recognized under Connecticut law. See *What's New* on Page 4.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

If your filing status is qualifying widow(er) with dependent child on federal Form 1040 or 1040A, check the box on Form CT-1040NR/PY for “Qualifying widow(er) with dependent child.” **Do not enter** your deceased spouse’s name or SSN in the spaces provided for spouse’s name and spouse’s SSN.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year. For more information, see *Spouses With Different Residency Status* below.

Spouses With Different Residency Status

When one spouse is a Connecticut **resident** or a **nonresident** and the other spouse is a **part-year resident**, each spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately.

When one spouse is a Connecticut **resident** and the other spouse is a **nonresident**, each spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately **unless**:

- They file jointly for federal income tax purposes (This requirement does not apply to civil union partners.); **and**

- They elect to be treated as if both were Connecticut residents for the entire taxable year.

When one spouse is a **nonresident alien** and the other spouse is a **citizen** or **resident** of the United States, **each** spouse who is required to file a Connecticut income tax return **must** file as married filing separately or civil union filing separately unless:

- An election is made by the nonresident alien and his or her spouse to file a joint federal income tax return, and they do, in fact, file a joint federal income tax return (This requirement does not apply to civil union partners.); **and**
- The spouses are otherwise required or permitted to file a joint Connecticut income tax return.

The election to file a joint return means the joint federal adjusted gross income **must** be used on Form CT-1040NR/PY, Line 1. (Civil union partners will have to recalculate their federal adjusted gross income as if, for federal tax purposes, they were allowed and elected to file as married filing jointly for federal income tax purposes.) It also means the spouse who might not otherwise be required to file a Connecticut income tax return will now be jointly and severally liable for any tax liability associated with the filing of a joint Connecticut income tax return.

If you are filing a joint federal return with your spouse but are required to file a separate Connecticut return, each of you will have to recompute your federal adjusted gross income as if you were each filing as married filing separately for federal income tax purposes. Enter on Form CT-1040NR/PY, Line 1, your income as recalculated. (This provision does not apply to civil union partners.)

Social Security Number

The preprinted label **does not** include your Social Security Number (SSN). Therefore, you **must** enter your SSN in the space provided above your name. If you file a joint return, enter your SSN and your spouse’s SSN in the order they appear on your federal return. If you are a nonresident alien and do not have an SSN, enter your Individual Taxpayer Identification Number (ITIN) in the space provided above your name. Nonresident aliens who have applied for an ITIN from the Internal Revenue Service by filing federal Form W-7, but have not received the ITIN before filing their Connecticut tax return, must attach a copy of the federal Form W-7 and write “ITIN applied for/W-7 attached” in the Social Security box on the Connecticut return. If the taxpayer is deceased see *Deceased Taxpayers* on Page 6.

Name and Address

Be sure the information on the label is correct. Do not use this label if any of the information is incorrect. Print or type the correct information in the name and address spaces on your return. If there is no preprinted label, print or type the information requested in the space provided at the top of Form CT-1040NR/PY. If your return is being completed by someone else, take your booklet to your tax preparer so the preparer can attach the label to your return.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total. If you do not round, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

2 Calculate Your Tax

Line 1 - Federal Adjusted Gross Income

Enter your federal adjusted gross income from your 2006 federal income tax return. This is the amount reported on federal Form 1040, Line 37; federal Form 1040A, Line 21; or federal Form 1040EZ, Line 4.

Nonresidents aliens, see *Special Information for Nonresident Aliens* on Page 6.

Line 2 - Additions

Enter the amount from Form CT-1040NR/PY, *Schedule 1*, Line 41. See *Additions to Federal Adjusted Gross Income* on Page 20.

Line 3

Add Line 1 and Line 2. Enter the total on Line 3.

Line 4 - Subtractions

Enter the amount from Form CT-1040NR/PY, *Schedule 1*, Line 52. See *Subtractions From Federal Adjusted Gross Income* on Page 21.

Line 5 - Connecticut Adjusted Gross Income

Subtract Line 4 from Line 3 and enter the result. This is your Connecticut adjusted gross income.

Line 6 - Income From Connecticut Sources

Complete **Schedule CT-SI**. See *Schedule CT-SI Instructions* on Page 27. Enter the income from Connecticut sources from Schedule CT-SI, Line 30.

Line 7

Enter the greater of Line 5 or Line 6 on Line 7. If Line 5 and Line 6 are equal, enter that amount on Line 7. If the amount on Line 7 is zero or less, go to Line 12 and enter "0."

Line 8 - Income Tax

For each filing status, if the amount on Line 7 is: \$12,000 or less for married filing separately or civil union filing separately; \$12,625 or less for single; \$19,000 or less for head of household; or \$24,000 or less for married filing jointly, civil union filing jointly, or qualifying widow(er) with dependent child, enter "0" on Line 8. You do not owe any income tax. Otherwise, calculate your tax using one of the following methods:

- **Tax Tables** - If Line 7 is less than or equal to \$102,000, you may use the *Tax Tables* on Page 41 to find your tax. Be sure to use the correct column in the *Tax Tables*. After you have found the correct tax, enter that amount on Line 8.
- **Tax Calculation Schedule** - You **must** use the *Tax Calculation Schedule* to figure your tax if Line 7 is more than \$102,000. You may also use the *Tax Calculation Schedule* if Line 7 is less than or equal to \$102,000. This schedule is found at the end of the tax tables or visit www.ct.gov/DRS to use the Income Tax Calculator on the DRS Web site.

Nonresidents or part-year residents must calculate the tax in the same manner as resident individuals. Then, nonresidents or part-year residents prorate the tax based upon the percentage of their Connecticut adjusted gross income derived from or connected with Connecticut sources.

Example 1: Sandy, a nonresident individual whose filing status is single, worked in Connecticut during the entire 2006 taxable year. Sandy entered \$40,000 on Form CT-1040NR/PY, Line 5, and \$20,000 on Form CT-1040NR/PY, Line 6. Because the amount on Line 5 is greater than the amount on Line 6, Sandy enters \$40,000 on Form CT-1040NR/PY, Line 7. Sandy finds the tax on \$40,000 in the *Tax Tables* and enters \$1,620 on Form CT-1040NR/PY, Line 8. Sandy then divides Line 6 by Line 5 and enters 50% (.50) on Line 9. Sandy's Connecticut income tax is \$810 (\$1,620 x .50) and she enters this amount on Form CT-1040NR/PY, Line 10.

Example 2: William, a part-year resident individual whose filing status is single, moved from Connecticut to Rhode Island on August 15, 2006. William enters \$20,000 on Form CT-1040NR/PY, Line 5, and \$40,000 on Form CT-1040NR/PY, Line 6. Because the amount on Line 6 is greater than the amount on Line 5, William enters \$40,000 on Form CT-1040NR/PY, Line 7. William then finds the tax on \$40,000 in the *Tax Tables* and enters \$1,620 on Form CT-1040NR/PY, Line 8. Because the amount on Line 6 is greater than the amount on Line 5, William enters 1.0000 on Line 9. William's Connecticut income tax is \$1,620 (\$1,620 x 1.0000) and he enters this amount on Form CT-1040NR/PY, Line 10.

Line 9

If Line 5 is greater than Line 6, divide Line 6 by Line 5 and enter the result. If the result is less than zero, enter "0." If Line 6 is equal to or greater than Line 5, enter 1.0000. **Do not** enter a number that is less than zero or greater than one. Round to four decimal places.

Line 10

Multiply Line 9 by Line 8 and enter the result on Line 10.

Line 11 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)

If all or part of the income reported on this return for the period of your Connecticut residency is subject to income tax in a qualifying jurisdiction and you have filed a return and paid income taxes to that jurisdiction, complete Form CT-1040NR/PY, *Schedule 2*, and enter the amount from Line 61 here. See *Schedule 2 - Credit for Income Taxes*

Paid to Qualifying Jurisdictions (Part-Year Residents Only) on Page 24.

The credit for income tax paid to other jurisdictions is limited to part-year residents for the period of their Connecticut residency.

You must attach a copy of your return filed with the qualifying jurisdiction(s) or the credit will be disallowed.

Line 12

Subtract Line 11 from Line 10 and enter the result. If Line 11 is greater than Line 10, enter "0."

Line 13 - Connecticut Alternative Minimum Tax

If you were required to pay the federal alternative minimum tax for 2006, you must file **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**. Enter on Line 13 the amount shown on Form CT-6251, Line 23.

Line 14

Add Line 12 and Line 13. Enter the total on Line 14.

Line 15 - Adjusted Net Connecticut Minimum Tax Credit

Enter the amount from **Form CT-8801, Credit for Prior Year's Connecticut Minimum Tax for Individuals, Trusts, and Estates**. If you did not pay Connecticut alternative minimum tax in 1994 or thereafter, or if you entered an amount on Form CT-1040NR/PY, Line 13, enter "0."

Line 16 - Connecticut Income Tax

Subtract Line 15 from Line 14 and enter the result. If less than zero, enter "0."

Line 17 - Individual Use Tax

Complete *Schedule 3* on Page 4 of Form CT-1040NR/PY. Enter the total use tax due as reported on *Schedule 3*, Line 62. You **must** enter "0" if no Connecticut use tax is due; otherwise you will not have filed a use tax return.

Line 18 and Line 19

Add Line 16 and Line 17. Enter the total on Line 18 and Line 19.

3 Payments

Line 20 - Connecticut Tax Withheld

Column A: Enter the Employer Identification Number.

Column B: Enter the amount of Connecticut Wages, Tips, etc.

Column C: Enter the amount of Connecticut income tax withheld.

You **must** complete all columns or your Connecticut withholding will be disallowed. Do **not** include tax withheld for other states or federal income tax withholding.

Nonresident partners or shareholders: Complete Columns A and C by entering information from **Schedule CT K-1, Member's Share of Certain Connecticut Items**, Part III, Line 1. Remember to check the box indicating that the withholding is from Schedule CT K-1.

Enter the number from Box b in Column A of Form CT-1040NR/PY.

If you have **more than seven** federal Forms W-2, W-2G, or 1099 showing Connecticut income tax withheld, you must complete **Supplemental Schedule CT-1040WH, Connecticut Income Tax Withholding** (located in booklet). Enter on Supplemental Schedule CT-1040WH only Connecticut income tax withholding amounts not previously reported on Form CT-1040NR/PY. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on the last line of Column C, Line 20h.

Add all entries in Column C (including the additional amount from Supplemental Schedule CT-1040WH) and enter the total Connecticut income tax withheld on Line 20.

Do not send copies of W-2, W-2G, 1099, and Schedule CT K-1 forms. Keep these for your records. DRS may request them at a later date. When filing **Form CT-8379, Nonobligated Spouse Claim**, attach all W-2 and 1099 forms showing Connecticut income tax withheld.

Line 21 - All 2006 Estimated Payments

Enter the total of all Connecticut estimated tax payments, advance tax payments, and any overpayments of Connecticut income tax applied from a prior year. Be sure to include any 2006 estimated tax payments made in 2007. **Do not** include any refunds received.

Line 22 - Payments Made With Form CT-1040 EXT
If you filed **Form CT-1040 EXT, Application for Extension of Time to File**, enter the amount you paid with that form.

Line 23 - Total Payments

Add Lines 20, 21, and 22 and enter the total. This is the total of all Connecticut tax payments made.

4 Overpayment

Line 24 - Amount Overpaid

If Line 23 is greater than Line 19, subtract Line 19 from Line 23 and enter the result. This is your overpayment. To properly allocate your overpayment, go to Lines 25, 26, and 27. If Line 23 is less than Line 19, go to Line 28.

If you were required to make estimated income tax payments, but you did not pay enough tax through withholding, estimated tax, or both, by any installment due date, your refund may be reduced by the interest due on the underpayment of estimated tax. See **Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates**.

Line 25 - Amount of Line 24 You Want Applied to Your 2007 Estimated Tax

Enter the amount of your 2006 overpayment that you want applied to your 2007 estimated Connecticut income tax. It will be treated as estimated tax paid on April 15, 2007, if your return is filed on time or if you filed a timely request for extension and your return is filed within the extension period. Payments received after April 15, 2007, will be applied as of the date of receipt. **Your request to apply this amount to your 2007 estimated income tax is irrevocable.**

Line 26 - Total Contributions to Designated Charities

You may make a contribution on this return only if you are entitled to a refund. Your contribution is limited to your refund amount. Complete *Schedule 4* on Form CT-1040NR/PY. Enter the total contributions as reported on *Schedule 4*, Line 63. **Your contribution is irrevocable.**

You may also make direct contributions by following the instructions on Page 39.

Line 27 - Amount of Line 24 You Want Refunded to You

Subtract the total of Line 25 and Line 26 from Line 24 and enter the result. This is the amount of your refund. Early filers receive their refunds faster. Be sure to affix the **refund label** to the envelope when mailing your return.

Get your refund faster by choosing **direct deposit**. Complete Lines 27a, 27b, and 27c to have your refund directly deposited into your checking or savings account.

Enter your nine-digit bank routing number and your bank account number in Lines 27b and 27c. Your bank routing number is the first nine-digit number printed on your check or savings withdrawal slip. Your bank account number generally follows the bank routing number. Do not include the check number as part of your account number. Bank account numbers can be up to 17 digits and must be numeric.

If any of the bank information you supply for direct deposit does not match, a paper check will automatically be issued to you. Some financial institutions do not allow a joint refund to be deposited into an individual account.

Your overpayment will be applied in the following order: penalty and interest you owe; other taxes you owe DRS; debts to other Connecticut state agencies; federal taxes you owe the IRS; taxes you owe to other states; amounts designated by you to be applied to your 2007 estimated tax; and charitable contributions designated by you. Any remaining balance will be refunded to you.

5 Amount You Owe

Line 28 - Amount of Tax You Owe.

If Line 19 is greater than Line 23, subtract Line 23 from Line 19 and enter the result. This is the amount of tax you owe. See *Estimated Tax Payments* on Page 12.

Line 29 - Penalty for Late Payment or Late Filing

Late Payment Penalty: The penalty for late payment or underpayment of income or use tax is 10% (.10) of the amount due. Taxpayers who pay at least 90% (.90) of the income tax shown to be due on the return on or before the original due date of the return and remit the balance due with the return on or before the extended due date will avoid penalty for failure to pay the full amount due by the original due date. Interest of 1% (.01) per month or fraction of a month will continue to accrue on the underpayment until the tax is paid in full.

Late Filing Penalty: In the event no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Line 30 - Interest for Late Payment or Late Filing

If you fail to pay the tax when due, interest will be charged at the rate of 1% (.01) per month or fraction of a month from the due date until payment is made.

Line 31 - Interest on Underpayment of Estimated Tax

If Line 16 minus Line 20 is \$1,000 or more, you may owe interest on estimated tax you either underpaid or paid late. **Form CT-2210, Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates**, can help you determine whether you did underestimate and will help you calculate interest. However, this is a complex form and you may prefer to have DRS calculate the interest. If so, do **not** file Form CT-2210, leave this line blank, and DRS will send you a bill. Interest on underpayment of estimated income tax stops accruing on the **earlier** of the day you pay your tax or April 15, 2007.

Line 32 - Total Amount Due

Add Lines 28 through 31 and enter the total. This is the total amount you owe. Pay the amount in full with your return.

Payment Options

Pay Electronically

You can authorize DRS to transfer funds from your bank account (checking or savings) to a DRS account by entering your bank account number and your bank routing transit number. You can file your return any time before the due date and designate the amount of payment and date of transfer. Your bank account will be debited on the date you

indicate. You must pay the balance due on or before the due date (April 16, 2007), to avoid penalty and interest. Visit the DRS Taxpayer Service Center (*TSC*) at www.ct.gov/DRS and follow the prompts to make a direct payment.

Pay by Credit Card:

If you filed a 2005 Connecticut income tax return, you may elect to pay your 2006 Connecticut income tax liability using your American Express® cards, Discover® card, MasterCard® card, or VISA® card. A convenience fee will be charged by the credit card service provider. The fee is 2.49% of your total tax payment. You will be informed of the amount of the fee and you may elect to cancel the transaction. At the end of the transaction, you will be given a confirmation number for your records.

- Call Official Payments Corporation toll-free at **1-800-2PAY-TAX** (1-800-272-9829). You will be asked to enter the Connecticut Jurisdiction Code: 1777; **or**
- Visit: www.officialpayments.com and select Payment Center.

Your payment will be effective on the date you make the charge.

Pay by Mail:

Make your check or money order payable to **Commissioner of Revenue Services**. To ensure proper posting of your payment, write “**2006 Form CT-1040NR/PY**” and your SSN(s) (optional) on the front of your check or money order. Be sure to sign your check and paper clip it to the front of your return. **Do not send cash.** DRS may submit your check to your bank electronically.

Failure to file or failure to pay the proper amount of tax when due **will result in penalty and interest charges.** It is to your advantage to file when your return is due whether or not you are able to make full payment.

6 Sign Your Return

After you complete your Connecticut Form CT-1040NR/PY, sign your name and write the date you signed the return. Your spouse must also sign and enter the date if this is a joint return. The signature line is located on Page 2 of Form CT-1040NR/PY.

If you file a joint return, you **must** review the information with your spouse. When both you and your spouse sign the return, you become jointly and severally responsible for paying the full amount of tax, interest, and penalties due.

Paid Preparer Signature

Anyone you pay to prepare your return must sign and date it. Paid preparers must also enter their SSN or Preparer Tax Identification Number (PTIN), and their firm’s Federal Employer Identification Number (FEIN) in the spaces provided.

Third Party Designee

If you wish to authorize DRS to contact your friend, family member, or any other person to discuss your 2006 tax return, enter the designee’s name, telephone number, and any five numbers the designee chooses as his or her personal identification number (PIN). If you wish to authorize DRS to contact the paid preparer who signed your return, enter “Preparer” in the space for the designee’s name. You do not have to provide the other information requested.

If you enter a designee’s name, you and your spouse, if filing a joint return, are authorizing DRS to call the designee to answer any questions that may arise during the processing of your return. You are also authorizing the designee to:

- Give DRS any information missing from your return;
- Call DRS for information about the processing of your return or the status of your refund or payment; **and**
- Respond to certain DRS notices you have shared with the designee about math errors, offsets, and return preparation. The notices will not be sent to the designee.

Once DRS completes processing the return, the authorization ends. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing your 2007 tax return. This is April 15, 2008, for most taxpayers.

Selecting a designee does not replace a power of attorney and will not authorize the designee to receive refund checks, bind you to anything (including additional tax liabilities), or represent you before DRS. To authorize another individual to represent you or act on your behalf, you must complete **Form LGL-001, Power of Attorney.**

Order of Attachments

Paper clip your check or money order in payment of the tax due to the front of the income tax form in the appropriate area marked “**Clip check or money order here.**” To ensure proper posting of your payment, write “**2006 Form CT-1040NR/PY**” and your SSN(s) (optional) on the front of your check or money order.

In addition, if you must file any of the following forms, attach the form(s) to the **front** of your income tax return in the following order:

- **Form CT-1040CRC**, *Claim of Right Credit*
- **Form CT-19IT**, *Title 19 Status Release*
- **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*
- **Form CT-8379**, *Nonobligated Spouse Claim*

Attach other required forms and schedules, including **Supplemental Schedule CT-1040H**, *Connecticut Income Tax Withholding*, to the **back** of your return or as directed on the form. You do **not** need to attach a copy of your previously-filed Form CT-1040EXT.

Filing Your Return

Keep a copy of this return and all attachments for your records. Attach to this return copies of any required schedules and forms. Do **not** attach copies of your federal income tax return or federal schedules.

1. Remove both labels from the envelope flap along the perforation.
2. Choose the correct label for your return, moisten, and place it on the return envelope.
3. Affix the correct postage to the envelope.

Do not use these mailing labels to send other correspondence to DRS. Using these labels for other purposes will delay our response to you.

Recordkeeping

Keep a copy of your tax return, worksheets that you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

You may request a copy of a previously-filed Connecticut income tax return from DRS by completing **Form LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can usually expect your copy in three weeks.

E. Taxable amount of Social Security benefits reported on your 2006 federal Social Security Benefits Worksheet, Line 18.	E.
F. Social Security Benefit Adjustment - Subtract Line D from Line E. Enter the amount here and on Form CT-1040NR/PY, <i>Schedule 1</i> , Line 44. (If Line D is greater than or equal to Line E, enter "0.")	F.

For Series EE U.S. Savings Bonds, you are entitled to include on Line 42 **only** the amount of interest subject to federal income tax after exclusion of the amounts reported on federal Form 8815. In general, you report the net taxable amount on federal Form 1040, Schedule B, or federal Form 1040A, Schedule 1.

Do not enter the amount of interest income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations, and this interest income is taxable for Connecticut income tax purposes.

Do not enter the amount of interest paid to you on any federal income tax refund.

Line 43 - Exempt Dividends From Certain Qualifying Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund derived from U.S. government obligations. A mutual fund is a qualifying fund if **at the close of each quarter** of its taxable year at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund.

Do not enter the amount of dividend income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations, and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount that should be reported on Line 43 is \$55.

Line 44 - Social Security Benefit Adjustment

If you receive Social Security benefits subject to federal income tax, you may reduce or eliminate the amount of your benefits subject to Connecticut income tax. (Parties to a civil union recognized under Connecticut law must recompute their federal adjusted gross income as if their filing status for federal income tax purposes were married filing jointly or married filing separately.) Your Social Security benefits are fully exempt from Connecticut income tax if your required filing status is single, married filing separately, or civil union filing separately and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$50,000**, or married filing jointly, civil union filing separately, qualifying widow(er) with dependent child, or head of household and the amount reported on Form CT-1040NR/PY, Line 1, is **less than \$60,000**. If this is the case, enter the amount of federally taxable Social Security benefits reported on federal Form 1040, Line 20b, or federal Form 1040A, Line 14b. Your Social

Security benefits are partially exempt from Connecticut income tax if your federal adjusted gross income is above the threshold for your filing status. If you used the worksheets contained in the instructions to federal Form 1040A or federal Form 1040 to calculate the amount of taxable Social Security benefits, complete the *Social Security Benefit Adjustment Worksheet* on Page 21 and enter the amount from Line F on Line 44. If you did not use these worksheets, but instead used worksheets contained in federal Publication 590 or federal Publication 915, see **Informational Publication 2006(18)**, *Connecticut Tax Tips for Senior Citizens*.

If you are using a worksheet that is not from a federal publication, such as one you printed from a tax preparation program on your computer or one given to you by your tax preparer, you should verify the line references from these worksheets are the same as the equivalent federal publication to be certain you are using the proper amounts.

Line 45 - Refunds of State and Local Income Taxes

Enter the amount of taxable refunds of state and local income taxes reported on federal Form 1040, Line 10. If Line 10 is blank or you filed federal Forms 1040A or 1040EZ, enter "0."

Line 46 - Tier 1 and Tier 2 Railroad Retirement Benefits and Supplemental Annuities

If you received Tier 1 or Tier 2, or both, railroad retirement benefits, or supplemental annuities during 2006, you may deduct the amount included in your federal adjusted gross income, but only to the extent the benefits were not already subtracted from federal adjusted gross income on Line 44 (Social Security Benefit Adjustment). Enter the balance not already subtracted on Line 44 of Tier 1 and Tier 2 railroad retirement benefits reported on federal Form 1040, Line 16b or Line 20b, or federal Form 1040A, Line 12b or Line 14b. See **Informational Publication 2006(18)**, *Connecticut Tax Tips for Senior Citizens*. Likewise, enter the amount of railroad unemployment benefits, including sickness benefits paid by the Railroad Retirement Board (RRB) in lieu of unemployment benefits, to the extent included in your federal adjusted gross income. However, do not enter sickness benefits paid by the RRB resulting from an on-the-job injury because these benefits are not included in your federal adjusted gross income.

Line 47 - Special Depreciation Allowance for Qualified Property Placed in Service During Preceding Year(s)

If you added bonus depreciation to your federal adjusted gross income on your **2004** Form CT-1040NR/PY, Line 35, you may subtract 25% of that bonus depreciation amount on Line 47 and 25% of that bonus depreciation amount on the comparable line of your Connecticut income tax return for the 2007 and 2008 taxable years. If you added bonus depreciation to your federal adjusted gross income on your **2003** Form CT-1040NR/PY, Line 34, you may subtract 25% of that bonus depreciation amount on Line 47 and 25% of that bonus depreciation amount on the comparable line of your Connecticut income tax return for the 2007 taxable year. If you added bonus depreciation to your federal adjusted gross

income on your **2002** Form CT-1040NR/PY, Line 34, you may subtract 25% of that bonus depreciation amount on Line 47.

Example: Linda was required to make an addition modification of \$3,000 on Line 34 of her 2002 Form CT-1040NR/PY, \$5,000 on Line 34 of her 2003 Form CT-1040NR/PY, and \$6,000 on Line 35 of her 2004 Form CT-1040NR/PY. On her 2006 Form CT-1040NR/PY, Line 47, she will make a subtraction modification of \$3,500. This amount is 25% of the \$3,000 reported on her 2002 Form CT-1040NR/PY, Line 34, 25% of the \$5,000 reported on her 2003 Form CT-1040NR/PY, Line 34, and 25% of \$6,000 reported on her 2004 Form CT-1040NR/PY, Line 35.

Line 48 - Beneficiary's Share of Connecticut Fiduciary Adjustment

If you have any income from an estate or trust, your share of any Connecticut modifications (that is, your share of the Connecticut fiduciary adjustment) that applies to the income will be shown on Schedule CT-1041B, Part 1, Column 5. Your share of these modifications should be provided to you by the fiduciary. If your share of these modifications is an amount less than zero, enter the amount on Line 48. If the amount is greater than zero, enter the amount on Line 37.

If you are a beneficiary of more than one trust or estate, enter the net amount of all the modifications, if less than zero, on Line 48.

Line 49 - Gain on Sale of Connecticut State and Local Government Bonds

Enter the total of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities used in determining gain (loss) for federal income tax purposes.

Line 50 - Connecticut Higher Education Trust (CHET) Contributions

Enter your contributions to CHET accounts. The modification cannot exceed \$5,000 for each individual taxpayer or \$10,000 for taxpayers filing a joint return (including qualifying widow(er) with dependent child). Enter the CHET account number in the space provided. For more information, see **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.

Line 51 - Other

Use Line 51 to report any of the following modifications:

1. Subtract any income or gain of an enrolled member of the Mashantucket Pequot Tribe who resides in Indian country of the tribe or any income or gain of an enrolled member of the Mohegan Tribe who resides in Indian country of the tribe, where the income or gain is derived from or connected with Indian country of the tribe. Enter the words "Mashantucket Pequot Tribe enrolled member" or "Mohegan Tribe enrolled member" as the case may be.

2. Subtract the amount of interest earned on funds deposited in a Connecticut individual development account to the extent included in federal adjusted gross income.
3. Subtract any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but are exempt for federal purposes, that is not deductible in determining federal adjusted gross income, and that is attributable to a trade or business of that individual.
4. Subtract expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax, that are not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
5. Subtract the amount of any distributions you received from the Connecticut Higher Education Trust Fund (CHET) as a designated beneficiary to the extent includable in your federal adjusted gross income.

Congress passed legislation excluding from federal gross income any distribution from a qualified state tuition program (such as CHET), to the extent the distribution is used to pay for qualified higher education expenses. (Pub. L. No. 107-16, §402) To the extent any distribution from CHET is excluded from federal gross income, the amount should not be reported as a subtraction modification on Line 51.

6. Subtract any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax, which premiums were not deductible in determining federal adjusted gross income and are attributable to a trade or business of that individual.
7. Enter any item of loss or deduction subject to special accrual to the extent the item was not deductible in determining federal gross income for the taxable year. See *Items Subject to Special Accrual* on Page 9.
8. Subtract the amount of any interest income from notes, bonds, or other obligations of the State of Connecticut included in federal adjusted gross income.
9. Subtract the amount of military pay received by a nonresident or part-year resident during the part-year resident's nonresidency portion of the taxable year to the extent includable in federal adjusted gross income.

Do **not** use Line 51 to subtract income subject to tax in a qualifying jurisdiction (see *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions* on Page 24) or income of a nonresident spouse. See *Spouses With Different Residency Status* on Page 15.

Line 52 - Total Subtractions

Add Lines 42 through 51. Enter the total on Form CT-1040NR/PY, *Schedule 1*, Line 52.

Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions (Part-Year Residents Only)

Am I Eligible for the Credit for Income Taxes Paid to Qualifying Jurisdictions

If you are a **part-year resident** of Connecticut and if any part of your income earned during the residency portion of your taxable year was taxed by a **qualifying jurisdiction**, you **may** be able to claim a credit against your Connecticut income tax liability for qualifying income tax payments you have made.

Nonresidents may not claim a credit for income taxes paid to other jurisdictions.

Taxpayers seeking a credit for alternative minimum taxes paid to another jurisdiction must complete **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals**, to calculate their alternative minimum tax credit.

Qualifying Jurisdiction

A qualifying jurisdiction includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian provinces).

Qualifying Income Tax Payments

Qualifying income tax payments are income taxes you actually paid on income:

- Derived from or connected with sources within a qualifying jurisdiction; **and**
- Subject to tax in the qualifying jurisdiction.

Income Derived From or Connected With Sources Within a Qualifying Jurisdiction

- Compensation received for personal services performed in a qualifying jurisdiction;
- Income from a business, trade, or profession carried on in a qualifying jurisdiction;
- Gambling winnings from a state-conducted lottery. See **Informational Publication 2005(16), Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut**; **or**
- Income from real or tangible personal property situated in a qualifying jurisdiction.

Income from intangibles, such as stocks and bonds, is not considered derived from or connected with sources within a qualifying jurisdiction **unless** the income is from property employed in a business, trade, or profession carried on in that jurisdiction.

What Payments Do Not Qualify

- Income tax payments made to a qualifying jurisdiction on income not derived from or connected with sources within the qualifying jurisdiction (such as wages not derived from or connected with sources within the qualifying jurisdiction);

- Income tax payments made to a qualifying jurisdiction on income not included in your Connecticut adjusted gross income or Connecticut source income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if you claimed credit on that jurisdiction's income tax return for income tax paid to Connecticut; **or**
- Penalties or interest on income taxes you paid to a qualifying jurisdiction.

Limitations to the Credit

The total credit is limited to whichever amount is least:

- The amount of income tax paid to the qualifying jurisdiction;
- The amount of Connecticut income tax due on the portion of Connecticut adjusted gross income sourced in the qualifying jurisdiction and earned during the residency portion of your taxable year; **or**
- The amount entered on Form CT-1040NR/PY, Line 10.

How to Calculate the Credit

You **must** first complete your income tax return(s) in the qualifying jurisdiction(s). Then, complete the Schedule 2 Worksheet on Page 25 to determine the amount to enter on *Schedule 2*, Line 55.

The allowable credit must be separately computed for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. **Attach a copy of all income tax returns filed with qualifying jurisdictions to your Connecticut income tax return or the credit will be disallowed.**

Schedule 2 provides two columns, A and B, to compute the credit for two jurisdictions. If you need more than two columns, create a worksheet identical to *Schedule 2* and attach it to the back of your Form CT-1040NR/PY.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state (see the Line 61 example on Page 27):
 1. Use only **one** column on Form CT-1040NR/PY, *Schedule 2*, to calculate your credit;
 2. Enter the same income taxed by both city and state in that column on *Schedule 2*; **and**
 3. Combine the amounts of tax paid to the city and the state and enter the total on Line 59 of that column.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
 1. Use **two** columns on Form CT-1040NR/PY, *Schedule 2*;
 2. Include only the same income taxed by both jurisdictions in the first column; **and**
 3. Include the excess income taxed by only one of the jurisdictions in the next column.

Schedule 2 - Worksheet Instructions

Complete the Schedule 2 Worksheet below to determine the portion of your Connecticut adjusted gross income during the residency portion of your taxable year derived from a qualifying jurisdiction. Enter in Column I the items of income you earned during the residency portion of your taxable year and entered on Schedule CT-1040AW, Column B. For each line in Column II, enter the items of income from Column I that meet **all** of the following conditions:

- The income was earned during the residency portion of your taxable year;
- The income is derived from or connected with sources within a qualifying jurisdiction;
- The income is reported on an income tax return filed with that qualifying jurisdiction and subject to income tax in the jurisdiction; **and**

- You have paid income tax on the income to that qualifying jurisdiction.

Example 1: Laura, a single taxpayer, was employed in the State of New York during the entire taxable year and moved into Connecticut on July 1, 2006. Her Connecticut adjusted gross income is \$105,000. On Form CT-1040NR/PY, Schedule CT-1040AW, Column A, Laura reported the following: \$76,000 in wages, \$4,000 in interest, and \$25,000 from dividends (received November 21, 2006). Laura enters on Schedule 2 Worksheet, Column I, the amounts she entered on Form CT-1040NR/PY, Schedule CT-1040AW, Column B: Line 1, \$38,000; Line 2, \$2,000; and Line 3, \$25,000. In Column II, she enters: Line 1, \$38,000. Credit is allowed for the New York tax paid on her \$38,000 of wage income because it is derived from or connected to New York during the Connecticut residency portion of her taxable year.

Schedule 2 Worksheet (Part-Year Residents Only)

Column I	Complete this worksheet to determine the amount of income earned during the residency portion of your taxable year and taxed by a qualifying jurisdiction. Complete a separate worksheet for each qualifying jurisdiction if you paid income tax to more than one qualifying jurisdiction. Example 2: Luke and Leslie are part-year residents who file a joint federal Form 1040 and a joint Form CT-1040NR/PY. Luke's wages as an employee working in Rhode Island while a resident of Connecticut are \$20,000 and Leslie's wages as an employee working in Connecticut while a resident of Connecticut are \$25,000. Their combined wages while nonresidents of Connecticut are \$25,000. On their federal Form 1040, Line 7, (and on Line 1, Column A, of their Schedule CT-1040AW), Luke and Leslie entered \$70,000. Luke and Leslie enter on the Schedule 2 Worksheet, \$45,000 in Column I, Line 1, and \$20,000 in Column II, Line 1. Luke and Leslie also enter \$20,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

Example 3: Linda, a part-year resident, is a sole proprietor of a business conducted at two locations, one in Connecticut and one in Massachusetts. All of Linda's income was earned while she was a Connecticut resident. On Linda's federal Form 1040, Line 12, she entered \$100,000. Of the \$150,000 of gross income reported on federal Form 1040, Schedule C, \$90,000 is derived from the Massachusetts location. Of the \$50,000 of expenses reported on her Schedule C, \$35,000 is derived from the Massachusetts location. When completing Schedule 2 Worksheet, Linda enters \$100,000 in Column I, Line 5, and \$55,000 (\$90,000 - \$35,000), in Column II, Line 5. Linda also enters \$55,000 on Form CT-1040NR/PY, *Schedule 2*, Line 55.

Schedule 2 - Line Instructions

Line 53 - Connecticut Adjusted Gross Income During the Residency Portion of the Taxable Year

The amount from **Schedule CT-1040AW**, *Part-Year Resident Income Allocation*, Line 30, Column B, is entered on Line 53 with the following exceptions:

1. **Add** to the amount on Line 30, Column B, any **net** loss during the residency portion of your taxable year derived from or connected with sources in a qualifying jurisdiction(s) where you were subject to income taxation (whether or not income tax was actually paid to the jurisdiction(s)).
2. For the residency portion of your taxable year, add back any item of loss or deduction and subtract any item of income or gain included in Schedule CT-1040AW, Column B, as an item of special accrual.

Enter the modified amount on Line 53.

Example: Claudia's Connecticut adjusted gross income for the residency portion of her taxable year is \$60,000 which includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. She must add the \$20,000 net loss to the \$60,000 and enter \$80,000 on Line 53.

Line 54 - Taxing Jurisdiction(s)

If you claim credit for income taxes paid to a qualifying jurisdiction, enter the name and the two-letter code of each qualifying jurisdiction for which you are claiming credit. If you are claiming credit for income taxes paid to a political subdivision of another state, enter the name and the two-letter code of the state. The codes are listed in the following table.

Standard Two-letter Codes

Alabama	AL	Kentucky	KY	North Carolina	NC
Arizona	AZ	Louisiana	LA	North Dakota	ND
Arkansas	AR	Maine	ME	Ohio	OH
California	CA	Maryland	MD	Oklahoma	OK
Colorado	CO	Massachusetts	MA	Oregon	OR

Iowa	IA	New Mexico	NM	West Virginia	WV
Kansas	KS	New York	NY	Wisconsin	WI

Line 55 - Non-Connecticut Income

Complete Schedule 2 Worksheet on Page 25 to determine the total of non-Connecticut income included in your Connecticut adjusted gross income for the residency portion of your taxable year and reported on a qualifying jurisdiction's income tax return. To the amount on Schedule 2 Worksheet, Line 30, Column II, add back any item of loss or deduction and subtract any item of income or gain included in Column II as an item of special accrual. Enter the result on Line 55.

Line 56

Divide the amount on Line 55 by the amount on Line 53. The result cannot exceed 1.0000. Round to four decimal places.

Line 57 - Apportioned Income Tax

To determine the portion of your 2006 Connecticut income tax attributable to income earned during the residency portion of your taxable year:

1. Divide the amount on the Schedule 2 Worksheet, Line 30, Column I, by the amount on Form CT-1040NR/PY, Line 6. (Round to four decimal places. The result may not exceed 1.0000.)
2. Multiply the result by the amount on Form CT-1040NR/PY, Line 10, and enter on Line 57.

Line 58

Multiply the percentage arrived at on Line 56 by the amount reported on Line 57.

Line 59 - Income Tax Paid to a Qualifying Jurisdiction (While a Resident)

Enter the total amount of income tax paid to a qualifying jurisdiction on income derived from or connected with sources in that jurisdiction during the residency portion of your taxable year.

If the tax you paid to that jurisdiction was also based on income earned during the nonresidency portion of your taxable year, you must prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during your Connecticut residency (from Schedule 2 Worksheet, Line 30, Column II) bears to the total amount of income you earned in that jurisdiction in the taxable year.

Example: George, a part-year resident, worked in Rhode Island all year and paid \$1,200 in Rhode Island tax. His total Rhode Island wages were \$20,000 of which \$15,000 was earned while he was a Connecticut resident. The income tax paid to Rhode Island during the residency portion of his taxable year is:

$$\frac{\$15,000}{\$20,000} \times \$1,200 = \$900$$

He should enter \$900 on Line 59.

	Column A	Column B
Line 54	State X, City Y	
Line 55	49,000 00	00
Line 56	.9800	
Line 57	2,367 00	00
Line 58	2,320 00	00
Line 59	4,377 00	00
Line 60	2,320 00	00
Line 61	Total Credit	2,320 00

Income tax paid means the lesser of your income tax liability to the qualifying jurisdiction or the income tax paid to that jurisdiction as reported on a return filed with that jurisdiction, but not any penalty or interest. Do **not** report the amount of tax withheld for that jurisdiction directly from your W-2 or 1099 form. You **must** first complete a return for the qualifying jurisdiction to determine the amount of income tax paid.

Line 60

Enter the lesser of the amounts reported on Line 58 or Line 59.

Line 61 - Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 60A, Line 60B, and Line 60 of any additional worksheets. The amount on Line 61 cannot exceed the amount on Line 58. Enter the total on Line 61.

Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.

Example: Louise, a part-year resident whose filing status is single, changed her permanent legal residence during the taxable year by moving from Connecticut to City Y in State X. She worked in City Y during the entire taxable year. Both State X and City Y impose an income tax. Louise's Connecticut adjusted gross income is \$75,000 (Form CT-1040NR/PY, Line 5). Louise's income from Connecticut sources (Form CT-1040NR/PY, Line 6) and her Connecticut adjusted gross income during her Connecticut residency period (Schedule CT-1040AW, Column B, Line 30) is \$50,000. Louise completes Schedule CT-1040AW as follows: Line 1: Column A, \$73,000; Column B, \$49,000; Column C, \$24,000; and Column D, \$0. Line 2: Column A, \$2,000; Column B, \$1,000; Column C, \$1,000; and Column D, \$0. Louise uses the amounts in Column B when completing Schedule 2 Worksheet, Column I. Louise's Connecticut income tax before the credit for income taxes paid to other jurisdictions is \$2,367 (Form CT-1040NR/PY, Line 10). Since the amount of income taxed by both State X and City Y are equal, Louise uses only one column on Form CT-1040NR/PY, *Schedule 2*. Louise enters \$49,000 (the common amount of income taxed in both State X and City Y during her residency period) on Line 55, Column A.

Louise pays an income tax of \$6,100 to State X; however, only \$4,039 ($(\$49,000/\$74,000) \times \$6,100$) of that amount is attributable to her income sourced to State X during her Connecticut residency period. Louise pays an income tax of \$510 to City Y; however, only \$338 ($(\$49,000/\$74,000) \times \510) is attributable to her income sourced to City Y during her Connecticut residency period. Therefore, the total tax paid to State X and City Y on the common amount of income is \$4,377 ($\$4,039 + \338). When completing Form CT-1040NR/PY, *Schedule 2*, Louise enters \$50,000 on Line 53 and completes *Schedule 2* as follows:

Schedule CT-SI Instructions

General Information

If you are a nonresident or part-year resident, you must use **Schedule CT-SI, Nonresident or Part-Year Resident Schedule of Income From Connecticut Sources**, to report items of income, gain, loss, or deduction that make up your federal adjusted gross income derived from or connected with sources within Connecticut.

Nonresidents

Report in Schedule CT-SI, Part 1, all items of income you received from Connecticut sources with modifications as described below. Report in Schedule CT-SI, Part 2, adjustments directly related to the income items in Part 1.

Part-Year Residents

You **must** first complete Schedule CT-1040AW to determine your income from Connecticut sources. See instructions on Page 33. Add the amounts in Columns B and D for each line and transfer the total to the corresponding line of Schedule CT-SI.

Report in Schedule CT-SI, Part 1, the income you received from all sources earned while you were a Connecticut resident and your Connecticut source income for the part of the year you were a nonresident of Connecticut. Report in Schedule CT-SI, Part 2, adjustments that are a result of transactions that occurred while you were a Connecticut resident or are directly related to Connecticut source income for the part of the year you were a nonresident.

Modifications

All amounts reported in Part 1 should include any modifications to federal adjusted gross income as provided on Form CT-1040NR/PY, *Schedule 1*.

Example: Dave, a part-year Connecticut resident received \$1,000 in taxable interest income reported on federal Form 1040 and \$1,000 in interest from New York bonds while a Connecticut resident. Dave would report \$2,000 on *Schedule CT-SI*, Part 1, Line 2.

Special Accrual

For part-year residents, the amounts included on Schedule CT-1040AW and on Schedule CT-SI, Parts 1 and 2, should include items of income, gain, loss, and deduction that would accrue for federal income tax purposes prior to the change of residence. See *Items Subject to Special Accrual* on Page 9.

Part-year residents who file a surety bond or other security in lieu of special accruals do not include accruals in the amounts in Schedule CT-SI, Parts 1 and 2.

Capital Losses, Passive Activity Losses, and Net Operating Losses

Capital losses, passive activity losses, and net operating losses generated from activities within Connecticut can reduce Connecticut adjusted gross income derived from or connected with Connecticut sources of a nonresident to the extent they are properly computed for federal income tax purposes and are offset against income derived from or connected with Connecticut sources. A nonresident must recompute capital losses, passive activity losses, and net operating losses as if the nonresident's federal adjusted gross income consisted only of items derived from Connecticut sources.

Example: Brenda, a nonresident of Connecticut, reported a capital gain from sources outside of Connecticut (from the sale of securities) of \$20,000 on her 2006 federal income tax return. Brenda also reported on her federal income tax return a capital loss of \$8,000 from sources exclusively within Connecticut (from the sale of real property not used in Brenda's trade or business). For federal income tax purposes, Brenda has a gain from the sale or exchange of property of \$12,000 (\$20,000 minus \$8,000). Brenda has a capital loss of \$8,000 derived from or connected with sources within Connecticut, but may claim as a deduction only \$3,000 on her 2006 Form CT-1040NR/PY (in accordance with the federal limitation of \$3,000 of capital loss to offset ordinary income). She must carry forward the balance of the capital loss to the succeeding taxable year(s) even though, for federal income tax purposes, she will show no capital loss carryforward.

Election to Forego Carryback

Where a nonresident incurs a net operating loss for Connecticut income tax purposes but does not incur a net operating loss for federal income tax purposes, the nonresident is required first to carry back the net operating loss to each of the three taxable years preceding the taxable year in which the net operating loss was incurred (except as limited by the information highlighted below) and then to carry any remaining net operating loss forward to each of the fifteen taxable years following the taxable year in which the loss was incurred. An election to forego the three-year carryback period and to carry the loss forward may be made by filing a timely Form CT-1040NR/PY for the year the loss was incurred and attaching a statement indicating that the election to forego the carryback is being made. This election may not be revoked.

No loss incurred by a nonresident for taxable years beginning prior to January 1, 1991, may be carried forward to a succeeding taxable year. Likewise, no loss incurred by a nonresident in a taxable year beginning on or after January 1, 1991, may be carried back to a taxable year beginning prior to January 1, 1991.

Part 1 - Connecticut Income - Line Instructions

The federal income tax return line references are to the federal Form 1040. If you file federal Form 1040A or federal Form 1040EZ, use the appropriate lines from those forms.

Line 1 - Wages, Salaries, Tips, Etc. (federal Form 1040, Line 7)

• Part-Year Resident

Enter the total of the amounts from **Schedule CT-1040AW**, Line 1, Column B and Column D

• Nonresident

Enter all wages, salaries, tips, and other compensation you earned for services performed in Connecticut while you were a nonresident of Connecticut.

If your wages, salaries, tips, and other compensation was earned for services performed both in and outside of Connecticut while you were a nonresident and the amount of Connecticut source income is not known, complete the *Employee Apportionment Worksheet*. See the instructions on Page 32.

Income from employment activities in Connecticut that are considered casual, isolated, or inconsequential (under the Ancillary Activity Test) is **not** part of the Connecticut source income of a nonresident. See *Ancillary Activity Test* on Page 9.

Line 2 - Taxable Interest (federal Form 1040, Line 8a)

• Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 2, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule 1*) that represents interest income earned as a nonresident that is part of the receipts of a business, trade, profession, or occupation carried on in Connecticut or from the ownership of an interest in a pass-through entity doing business in Connecticut and not otherwise exempt from Connecticut income tax. If the business is conducted both in and outside of Connecticut, see the instructions for Line 5.

Line 3 - Ordinary Dividends (federal Form 1040, Line 9a)

• Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 3, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule 1*) that represents dividend income earned as a nonresident that is part of the receipts of a business, trade, profession, or occupation carried on in Connecticut or from the ownership of an interest in a pass-through entity doing business in Connecticut and not otherwise exempt from Connecticut income tax. If the business is conducted both in and outside of Connecticut, see the instructions for Line 5.

Line 4 - Alimony Received

(federal Form 1040, Line 11)

• Part-Year Resident

Enter the amount from Schedule CT-1040AW, Line 4, Column B.

• Nonresident

This line does not apply to a nonresident.

Line 5 - Business Income or (Loss)

(federal Form 1040, Line 12)

• Part-Year Resident

Enter the total of Schedule CT-1040AW, Line 5, Column B and Column D.

• Nonresident

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule 1*) that represents business income (loss) you received from a business, trade, profession, or occupation carried on in Connecticut.

Income from business activities in Connecticut that are considered casual, isolated, or inconsequential is not part of the Connecticut source income of a nonresident. See *Activities Considered Casual, Isolated, or Inconsequential* on Page 9.

Where a business, trade, profession, or occupation is carried on: Generally, you are considered to be carrying on a business, trade, profession, or occupation (not including personal services as an employee) at the location:

1. Where you maintain, operate, or occupy desk space, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your affairs are regularly carried on (this summary is not all inclusive); **or**
2. Where your business is transacted with a fair measure of permanency and continuity.

You are considered to be carrying on business outside Connecticut if you maintain, operate, or occupy outside Connecticut, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your business matters are systematically and regularly carried on.

You are not considered to be carrying on business outside Connecticut and may not allocate or apportion business income if you have an occasional or isolated business transaction outside Connecticut or if you have no regular place of business outside of Connecticut.

You are not considered to be carrying on business outside Connecticut if your business activities in Connecticut are considered casual, isolated, or inconsequential. See *Activities Considered Casual, Isolated, or Inconsequential* on Page 9.

Example 1: A plumber, who is a resident of Rhode Island, carries on his business from an office in Danielson, Connecticut. He has maintenance contracts with housing authorities in the Worcester, Massachusetts area which require him to regularly perform his services at various locations in and around Worcester. This taxpayer is considered to be carrying on business in Connecticut (by

reason of his office in this state) and in Massachusetts (because his business is conducted there with a fair measure of permanency and continuity).

Example 2: Assume the same facts as in Example 1, except that the taxpayer carries on his business from an office in Auburn, Massachusetts and has maintenance contracts with housing authorities in northeast Connecticut. This taxpayer is considered to be carrying on business in Massachusetts (by reason of his office there) and in Connecticut (because his business is conducted in this state with a fair measure of permanency and continuity).

If income is determined from books and records of the business (allocation of income): If you are considered to be carrying on a business, trade, profession, or occupation both in and outside of Connecticut and you maintain books and records that satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, enter the net profit (loss) from business carried on in Connecticut on Line 5. Complete **Schedule CT-1040BA, Nonresident Business Apportionment**, Schedule A. (You can obtain Schedule CT-1040BA on the DRS Web site at www.ct.gov/DRS.) If you report income using this method, your income reported to other states in which you carry on your business, where the states permit allocation on the basis of separate books and records, must result in a consistent allocation of income. (Where another state does not permit allocation on the basis of separate books and records, a consistent allocation of income may not be possible.)

Example 3: In Example 1, assume the plumber allocated, on the basis of separate books and records, the income derived from his plumbing business on his Connecticut nonresident return as follows: The income from his plumbing business is \$134,000, with \$91,500 being from Connecticut business and \$42,500 from Massachusetts business. Therefore, on his Massachusetts return, this taxpayer must also allocate \$91,500 of this income to Connecticut and \$42,500 to Massachusetts since Massachusetts permits allocation on the basis of separate books and records.

Apportionment Formula: If your books and records do not satisfactorily disclose the portion of income derived from or connected with sources within Connecticut, income from business carried on both in and outside of Connecticut must be apportioned by using a prescribed formula or an approved alternative method. Schedule CT-1040BA, containing the formula and other instructions pertaining to the apportionment of business income, must be completed for this purpose and attached to Schedule CT-SI. If you submit an alternative method of apportionment, you must also complete Schedule CT-1040BA and submit all information about your alternative method of apportionment.

Line 6 - Capital Gain or (Loss)

(federal Form 1040, Line 13)

• Part-Year Resident

Enter the total of Schedule, CT-1040AW, Line 6, Column B and Column D.

• **Nonresident**

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents capital gains (losses) from Connecticut sources in accordance with federal provisions for determining capital gains (losses). This includes a deduction for any capital loss carryover from Connecticut sources as limited by the following highlighted information. Use a copy of federal Form 1040, Schedule D, as a worksheet in determining your Connecticut capital gain (loss). Include in your computations only transactions from Connecticut sources in 2006. If these computations result in a net capital loss for Connecticut purposes, the loss is limited to \$3,000 (\$1,500 if you are married and filing separately) on the Connecticut return. Any balance of a 2006 net capital loss (in excess of the amount claimed on the 2006 return) will be treated as a carryover loss to be claimed on returns for subsequent years.

No loss incurred by a nonresident for taxable years beginning prior to January 1, 1991, may be carried forward to a succeeding taxable year. No loss incurred by a nonresident in a taxable year beginning on or after January 1, 1991, can be carried back to a taxable year beginning prior to January 1, 1991.

Capital Transactions From Connecticut Sources:

Include transactions resulting in capital gains (losses) derived from real or tangible personal property located within Connecticut, whether or not connected with a trade or business, and capital gains (losses) from stocks, bonds, and other intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut. Include your share of any capital gain (loss) derived from Connecticut sources of a partnership of which you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (Schedule CT-1040BA) in determining the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property in computing capital gains (losses).

Line 7 - Other Gains or (Losses)

(federal Form 1040, Line 14)

• **Part-Year Resident**

Enter the total of Schedule CT-1040AW, Line 7, Column B and Column D.

• **Nonresident**

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents the gain (loss) from the sale or exchange of non-capital assets from Connecticut sources. Apply the federal provisions for determining gains (losses) from the sale or exchange of other than capital assets to your Connecticut transactions.

Non-Capital Transactions From Connecticut Sources:

Include non-capital transactions pertaining to property used in connection with a business, trade, profession, or occupation carried on in Connecticut. Also include your share of any non-capital gain (loss) from a partnership of which you are a partner, an estate or trust of which you are a beneficiary, or an S corporation of which you are a shareholder. If any capital gains (losses) are from business property (other than real property) of a business carried on both in and outside of Connecticut, apply the business apportionment method (Schedule CT-1040BA) to determine the Connecticut capital gain (loss). Gains and losses from the sale or disposition of real property are not subject to apportionment. In all cases, use the federal basis of property to compute capital gains (losses).

Line 8 - Taxable Amount of IRA Distributions

(federal Form 1040, Line 15b)

• **Part-Year Resident**

Enter the amount from Schedule CT-1040AW, Line 8, Column B.

• **Nonresident**

This line does not apply to a nonresident.

Line 9 - Taxable Amount of Pensions and Annuities

(federal Form 1040, Line 16b)

• **Part-Year Resident**

Enter the amount from Schedule CT-1040AW, Line 9, Column B.

• **Nonresident**

This line does not apply to a nonresident.

Line 10 - Rental Real Estate, Royalties, Partnerships, Corporations, Trusts, Etc.

(federal Form 1040, Line 17)

• **Part-Year Resident**

Enter the total of Schedule CT-1040AW, Line 10, Column B and Column D.

• **Nonresident**

Enter that part of your federal adjusted gross income (as modified by adjustments on Form CT-1040NR/PY, *Schedule I*) that represents income or losses from rents, royalties, partnerships, S corporations, trusts, and estates derived from or connected with Connecticut sources.

Rental and royalty income: As a nonresident, enter rents and royalties from:

1. Real property located in Connecticut, whether or not used in connection with a business;
2. Tangible personal property not used in a business if the property is located in Connecticut; **and**
3. Tangible and intangible personal property used in or connected with a business, trade, profession, or occupation carried on in Connecticut.

If the income is earned by a business carried on both in and outside of Connecticut, apply the business apportionment percentage (Schedule CT-1040BA) or alternative method **only** to items of tangible and intangible personal property used in or connected with the business to determine the income from Connecticut sources. Do **not** apportion income from real property located in Connecticut (whether or not used in a business). That income must be entirely included in Connecticut source income if the real property is located in Connecticut and entirely excluded from Connecticut source income if the real property is located outside Connecticut. Do **not** apportion income from tangible personal property not used in a business. Report on this line your share of any rental or royalty income from a partnership, trust, estate, or S corporation.

Partnerships: As a nonresident, enter your distributive share of partnership income, gain, loss, and deduction derived from or connected with Connecticut sources. The partnership should furnish this information to you on **Schedule CT K-1, Member's Share of Certain Connecticut Items**. If your distributive share includes any other items of partnership income taxable to a nonresident, those items must be entered on the appropriate lines of Schedule CT-SI.

Example: Your share of a partnership's capital gain that is Connecticut source would be included in determining the amount on Line 6.

S corporations: As a nonresident, enter your pro rata share of the S corporation's nonseparately stated items of income or loss (to the extent includable in your Connecticut adjusted gross income) derived from or connected with Connecticut sources. Also, enter your pro rata share of the S corporation's separately stated items of income or loss (such as interest and dividends) derived from or connected with Connecticut sources on the appropriate lines of Schedule CT-SI. The S corporation should furnish this information to you on Schedule CT K-1.

Trusts and estates: As a nonresident beneficiary, enter your share of trust or estate income derived from or connected with Connecticut sources. (This information should be provided to you by the fiduciary.) If your share includes any items of taxable trust or estate income from Connecticut sources not reported on Line 10, those items should be included on the appropriate lines of Schedule CT-SI.

Passive activity loss limitations: Any deduction for passive activity losses for a nonresident must be recomputed to determine the amounts which would be allowed if the federal adjusted gross income took into account only items of income, gain, loss, or deduction derived from or connected with Connecticut sources.

If you were a **part-year resident**, you must recalculate your passive activity loss limitations as if separate federal returns were filed for your resident and nonresident periods.

Line 11 - Farm Income or (Loss)

Line 13 - Taxable Amount of Social Security Benefits

(federal Form 1040, Line 20b)

• Part-Year Resident

Enter the amount from Schedule CT-1040AW, Line 13, Column B.

Also, use Line 14 to report any adjustments to federal adjusted gross income not included on Lines 1 through 13.

Any other adjustments to income that relate to wage or salary income earned partly in Connecticut or to income from a business carried on both in and out of Connecticut must be allocated to Connecticut on the same basis as the income to which it relates. Some of these adjustments include IRA deduction, one half of self-employment tax, and self-employment SEP, SIMPLE, and qualified plans.

Line 29 - Total Adjustments

Add Lines 16 through 28 and enter the total.

Line 30 - Income From Connecticut Sources

Subtract Line 29 from Line 15. Enter the total on Schedule CT-SI, Line 30, and on Form CT-1040NR/PY, Line 6.

Employee Apportionment Worksheet Instructions

Sometimes your employment requires you to work both inside and outside Connecticut, but you do not know the actual amount of income you earned from working in Connecticut. In this case, you must apportion your income. Nonresidents and part-year residents who were employed in Connecticut during the nonresidency period must use the Employee Apportionment Worksheet for this purpose. **Part-year residents may not apportion income earned while they were residents of Connecticut.**

If your business activities in Connecticut are considered casual, isolated, or inconsequential, income from those activities is not considered Connecticut source income of a nonresident. See *Activities Considered Casual, Isolated, or Inconsequential* on Page 9.

Who May Not Apportion Income

If you know the actual amount of your Connecticut source income, you may not apportion. Simply report your income taxable in Connecticut on your Connecticut return. Examples of individuals who are not permitted to apportion include:

1. An employee whose actual Connecticut income is shown on federal Form W-2; **and**
2. An employee whose W-2 does not indicate initially his or her actual Connecticut income but whose employer issued a corrected W-2 or other statement which breaks down this amount. Since your employer is required by law to withhold Connecticut income tax on your Connecticut wages, this breakdown should be easy to obtain.

Nonresident employees who work inside and outside Connecticut should complete **CT-W4NA**, *Employee's Withholding or Exemption Certificate - Nonresident Apportionment*. The employer will use the information on Form CT-W4NA along with Form CT-W4 to withhold the correct amount of Connecticut income tax for services performed in this state.

Who Must Use the Employee Apportionment Worksheet

If your employment required you to perform services both inside and outside Connecticut and **you do not know the actual amount of income you earned in Connecticut**, you must use the Employee Apportionment Worksheet if you fit into any of the categories listed below:

1. An employee who is compensated on an hourly, daily, weekly, or monthly basis;
2. An employee whose compensation depends upon sales, at least some of which take place outside of Connecticut; **or**
3. An employee whose compensation is based on miles.

How Do I Complete the Employee Apportionment Worksheet

If you qualify to use the *Employee Apportionment Worksheet*, select the appropriate basis below and then follow the instructions. If you have more than one job requiring the use of the worksheet, complete a worksheet for each job.

Working Day Basis

Employees who qualify to use the *Employee Apportionment Worksheet* and who are compensated on an hourly, daily, weekly, or monthly basis should use the working day basis to apportion their income. The income of these taxpayers is apportioned to Connecticut in the same proportion that the amount of time spent working in Connecticut bears to the total working time.

Line A - Working Days Outside Connecticut

Enter the number of days you worked outside of Connecticut.

Line B - Working Days Inside Connecticut

Enter the number of days you worked inside of Connecticut.

Working days do not include days on which you were not required to work, such as holidays, sick days, vacations, and paid or unpaid leave. If you spent a working day partly inside and partly outside of Connecticut, treat the day as having been spent $\frac{1}{2}$ inside Connecticut.

Line C - Total Working Days

Add Line A and Line B and enter the total on Line C.

Line D - Nonworking Days

Enter your nonworking days. Your nonworking days are those days during the year (or during the period you worked if your job lasted less than a year) that you are not required to work, such as Saturdays, Sundays, holidays, sick days, vacation, and leave with or without pay.

Line E - Connecticut Ratio

Divide Line B by Line C and enter the result on Line E.

Line F - Total Income Being Apportioned

Enter your total income from employment earned both inside and outside of Connecticut.

Line G - Connecticut Income

Multiply Line E by Line F.

• Part-Year Resident

Enter the result here and on Schedule CT-1040AW, Line 1, Column D.

• Nonresident

Enter the result here and on Schedule CT-SI, Line 1.

Example: An auditor living in Massachusetts is employed by an accounting firm in Hartford at an annual salary of \$33,000. She works a total of 240 days in 2006, performing field audits in Rhode Island on 160 days of the year and working 80 days in Hartford. Her Connecticut adjusted gross income derived from or connected with sources within this state is \$11,000 computed as follows:

$$\$33,000 \times \frac{80}{240} = \$11,000$$

Basis If Other Than Working Days

If you are using the sales or mileage basis, substitute sales or mileage for working days and complete all items in the worksheet except Line D. Indicate what basis you are using in the space provided and enter your Connecticut income from Line G on the appropriate line(s) of Schedule CT-SI.

Sales Basis

Where compensation of a salesperson, agent, or other employee is based in whole or in part upon commissions from sales, Connecticut adjusted gross income derived from or connected with sources within Connecticut is determined by multiplying the gross compensation earned from sales everywhere, determined as if the nonresident were a resident, by a fraction. The numerator is the amount of sales made within Connecticut and the denominator is the amount of sales made everywhere. The amount of sales is determined on the same basis as that on which the amount of sales is determined for purposes of figuring the individual's commissions. The determination of whether sales are made within Connecticut or elsewhere is based upon where the salesperson, agent, or employee performs the activities in obtaining the order, not the location of the formal acceptance of the contract.

Mileage Basis

Where an employee's wages are based on mileage, Connecticut adjusted gross income derived from or connected with sources within this state is determined by multiplying the employee's gross wages, determined as if the nonresident

were a resident, wherever earned, from the employment which includes employment carried on in Connecticut, by a fraction. The numerator is the employee's total mileage traveled in Connecticut and the denominator is the employee's total mileage upon which the employer computes total wages.

Schedule CT-1040AW Instructions

General Information

Part-year resident individuals **must** complete **Schedule CT-1040AW**, *Part-Year Resident Income Allocation*, to calculate Connecticut source income for the entire taxable year. After completing Schedule CT-1040AW, add the amount in Column B to the amount in Column D and transfer each total to the corresponding line of **Schedule CT-SI**.

Special Accrual

Report in Column B if you moved out of Connecticut, or Column C if you moved into Connecticut, all items you would be required to report if you were filing a federal return on the accrual basis for the period before you changed your resident status. Combine these accrual amounts with the corresponding amounts on Lines 1 through 30.

A part-year resident must recognize and report items of income, gain, loss, or deduction on the accrual basis regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time residency status is changed. See *Items Subject to Special Accrual* on Page 9.

Wage Apportionment

If your salary or wages while you were a nonresident were earned partially in Connecticut, you have to determine how much should be apportioned to Connecticut and enter that amount in Column D. If you do not know the actual amount of income you earned from working in Connecticut, complete the *Employee Apportionment Worksheet* on Schedule CT-SI.

Partners and S Corporation Shareholders

For taxable years beginning on or after January 1, 2001, part-year residents must:

- Include in Column B their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut resident period based on the number of days they resided in Connecticut.
- Include in Column D, their distributive share of partnership income, gain, loss, and deduction or their pro rata share of S corporation income, gain, loss, and deduction, to the extent included in Connecticut adjusted gross income during their taxable year, prorated to their Connecticut nonresident period based on the number of days they resided outside of Connecticut, but only to the extent the prorated amount of income, gain, loss, and deduction is derived from or connected with Connecticut sources.

Part 1 – Adjusted Gross Income

Column A – Federal Income as Modified

Enter the amounts of income reported on your federal return as modified by amounts on Form CT-1040NR/PY, *Schedule I*, plus all items you would be required to include if you were filing a federal return on the accrual basis. See *Items Subject to Special Accrual* on Page 9 and *Schedule I – Modifications to Federal Adjusted Gross Income* on Page 20.

Column B – Connecticut Resident Period

Enter that part of the amount from Column A you earned during the period you were a Connecticut resident.

Column C – Connecticut Nonresident Period

Enter that part of the amount from Column A you earned during the period you were a nonresident of Connecticut.

Column D – Nonresident Period Connecticut Source Income

Enter that part for the amount from Column C you earned while a nonresident that was derived from or connected with Connecticut sources including, but not limited to:

1. Services you performed in Connecticut;
2. Real or tangible personal property located in Connecticut; **and**
3. Businesses, trades, professions, or occupations conducted in Connecticut. See *Connecticut Source Income of a Nonresident* on Page 8.

Refer to each specific line instruction for Schedule CT-SI, Part 1, on Page 28 to determine the income from Connecticut sources earned during your nonresident period.

Part 2 – Adjustments to Income

Column A – Federal Income as Modified

Enter the amounts of adjustments reported on your federal return plus all items you would be required to include if you were filing a federal return on the accrual basis. See *Items Subject to Special Accrual* on Page 9.

Column B – Connecticut Resident Period

Enter that part of the adjustments from Column A you earned during the period you were a Connecticut resident.

Column C – Connecticut Nonresident Period

Enter that part of the adjustments from Column A you earned during the period you were a nonresident of Connecticut.

Column D – Nonresident Period Connecticut Source Income

See Schedule CT-SI, Part 2, Lines 16 through 30, on Page 32. Enter that part of the adjustments from Column C you earned while a nonresident that was derived from or connected with Connecticut sources.

Example: Mark moved from California to Connecticut on September 15, 2006. On Mark's federal return, he reported \$50,000 in total wages. \$10,000 was earned while Mark was a Connecticut resident. On Line 1, Mark enters \$50,000 in Column A, \$10,000 in Column B, \$40,000 in Column C, and \$0 in Column D. No income was earned in Connecticut prior to the move.

Mark also claimed moving expenses of \$3,000 on federal Form 1040, Line 26. This amount was specified in a contract he entered into with a moving company before he moved out of California. He also had a student loan interest of \$525 on federal Form 1040, Line 33. He would enter \$3,000 in Column A, \$0 in Column B, \$3,000 in Column C, and \$0 in Column D. The entire moving deduction is included in Column C because the moving expense was fixed and determinable before he moved out of California. For the student loan interest, he would enter \$525 in Column A, \$105 in Column B ($10,000/50,000 \times \$525$), \$420 in Column C ($40,000/50,000 \times \$525$), and \$0 in Column D.

Part 3 – Part-Year Resident Information

All part-year residents must complete this section in its entirety.

Attach Schedule CT-1040AW to Form CT-1040NR/PY.

Schedule CT-1040BA Instructions

General Instructions

Schedule CT-1040BA, *Nonresident Business Apportionment*, (available on the DRS Web site at www.ct.gov/DRS) must be completed by nonresidents and part-year residents (for the nonresidency portion of the year) if they are considered to be carrying on business both in and outside Connecticut and required to allocate or apportion business income.

Who Must Allocate or Apportion Business Income

An allocation or apportionment of business income must be made if you are a nonresident and you are considered to be carrying on business both in and outside of Connecticut.

Generally, you are considered to be carrying on business at the location:

1. Where you maintain, operate, or occupy desk space, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your affairs are regularly carried on (this summary is not all inclusive); **or**
2. Where your business is transacted with a fair measure of permanency and continuity.

You are considered to be carrying on business outside Connecticut if you maintain, operate, or occupy outside Connecticut, an office, a shop, a store, a warehouse, a factory, an agency, or other place where your business matters are systematically and regularly carried on.

You are not considered to be carrying on business outside Connecticut and may not allocate or apportion business income if you have an occasional or isolated business transaction outside Connecticut or if you have no regular place of business outside of Connecticut.

You are not considered to be carrying on business in Connecticut if your business activities in Connecticut are considered casual, isolated, or inconsequential. See *Activities Considered Casual, Isolated, or Inconsequential* on Page 9.

Example 1: A plumber, who is a resident of Rhode Island, carries on his business from an office in Danielson, Connecticut. He has maintenance contracts with housing authorities in the Worcester, Massachusetts, area that require him to regularly perform his services at various locations in and around Worcester. This taxpayer is considered to be carrying on business in Connecticut (by reason of his office in this state) and in Massachusetts (because his business is conducted there with a fair measure of permanency and continuity).

Example 2: Assume the same facts as in Example 1 except that the taxpayer carries on his business from an office in Auburn, Massachusetts, and has maintenance contracts with housing authorities in northeast Connecticut that require him to regularly perform his services at various locations in and around Connecticut. This taxpayer is considered to be carrying on business in Massachusetts (by reason of his office there) and in Connecticut (because his business is conducted here with a fair measure of permanency and continuity).

Who Must Complete Schedule A

Any nonresidents who are required to allocate or apportion income because they carry on business both in and outside of Connecticut must complete *Schedule A*.

If income is determined from books and records of the business (allocation of income): If you carry on business both in and outside of Connecticut and maintain books and records that satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut, enter in the space immediately below *Schedule A* the words “**Connecticut income determined from books and records.**” **Do not** complete *Schedule B*.

If you report income using this method, your income reported to other states in which you carry on your business, where the states permit allocation on the basis of separate books and records, must result in a consistent allocation of income. (Where another state does not permit allocation on the basis of separate books and records, such a consistent allocation of income may not be possible.)

Example 3: Assume the same facts as in Example 1, except that the plumber allocated, on the basis of separate books and records, the income derived from his plumbing business on his Connecticut nonresident return as follows: The income from his plumbing business is \$134,000, with \$91,500 being from Connecticut business and \$42,500 from Massachusetts business. Therefore, on his Massachusetts return, this taxpayer must also allocate \$91,500 of this income to Connecticut and \$42,500 to Massachusetts since Massachusetts permits allocation on the basis of separate books and records.

Who Must Complete Schedule B

If your books and records do not satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut, income from business carried on both in and outside of Connecticut must be apportioned by using the **business apportionment percentage** (arrived at by completing *Schedule B*) or by using an approved

alternative method. *Schedule B* of Schedule CT-1040BA must be completed for this purpose and attached to Form CT-1040NR/PY. If you submit an alternative method of apportionment, you must also complete Schedule CT-1040BA and include with it information explaining the alternative method of apportionment.

The **business apportionment percentage** or alternative method is **not** applied to income from the rental of real property or gains (losses) from the sale of real property. The entire rental income from **Connecticut** real property or gain from the sale of the property is allocated to Connecticut and the entire amount of any loss from the sale is allocated to Connecticut. Rental income from real property located **outside** Connecticut or gain from the sale of this property is allocated outside Connecticut. Any loss connected with the property is allocated outside Connecticut.

The **business apportionment percentage** is applied to business income (loss), farm income (loss), or to the income from intangible personal property (such as annuities, dividends, interest, and gains from the disposition of intangible personal property) if the property is used in or connected with a business carried on both in and outside of Connecticut.

If you carried on more than one business for which an apportionment of business income is required on Schedule CT-1040BA, prepare a separate Schedule CT-1040BA for each business and attach all schedules to Form CT-1040NR/PY.

Specific Instructions

Schedule A

In Column 1 and Column 2, list the exact locations both in and outside of Connecticut where you carry on business. In Column 3, describe the places listed in Column 1 and Column 2 (for example, branch office, agency, factory, warehouse, etc.) **and** state whether you rent or own these places.

Schedule B

Complete this schedule if business is carried on both in and outside of Connecticut and you do not maintain books and records that satisfactorily disclose the portion of business income derived from or connected with sources within Connecticut.

Line 1 - Real Property Owned

Enter in Column A the average value of all real property owned, wherever located, by the business. Do not include in Column A the average value of real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year. Enter in Column B the average value of real property owned by the business and located in Connecticut. Do not include in Column B the average value of Connecticut real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year. Real property includes assets of a fixed nature, such as buildings and land.

The average value of property is determined by adding its fair market value at the beginning and at the end of the taxable year and dividing the result by two.

Line 2 - Real Property Rented From Others

Enter the value of all real property rented from others in Column A and the value of Connecticut real property rented from others in Column B.

The value of real property rented by the business and included in Line 2 generally is eight times the gross rent payable during the taxable year for which the return is filed. Gross rent includes:

1. Any amount payable for the use or possession of real property, or any part of it, whether designated as a fixed sum of money or as a percentage of sales, profits, or otherwise;
2. Any amount payable as additional rent or in lieu of rent, such as interest, taxes, insurance, repairs, or any other amount required to be paid by the terms of a lease or other agreement; **and**
3. A proportion of the cost of any improvement to real property made by or on behalf of the business which reverts to the owner or lessor upon termination of a lease or other arrangement. However, if a building is erected on leased land by or on behalf of the business, the value of the building is determined in the same manner as if it were owned by the business.

Line 3 - Tangible Personal Property Owned or Rented From Others

Enter in Column A the average value of all tangible personal property owned by the business and the value of all tangible personal property rented from others by the business. Enter in Column B the average value of tangible personal property located in Connecticut that is owned by the business and the value of tangible personal property located in Connecticut that is rented from others by the business. If tangible personal property is rented from others by the business, its value is determined by multiplying the gross rents payable during the taxable year by eight. If tangible personal property is owned by the business, its average value is determined by adding its book value at the beginning and at the end of the taxable year and dividing the result by two.

Line 4 - Property Percentage

Add Lines 1, 2, and 3 in Column A and Column B and enter the result.

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

Line 5 - Payroll Percentage

Enter wages, salaries, and other personal service compensation paid only to employees of the business. Do not include payments to independent contractors, independent sales agents, etc. Enter in Column A the total compensation paid to employees during the taxable year in connection with

business operations carried on both in and outside of Connecticut. Enter in Column B the amount paid in connection with business operations carried on in Connecticut. The compensation paid for services is in connection with operations carried on in Connecticut if the employee works in or travels out of an office or other place of business located in Connecticut.

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

Line 6 - Gross Income Percentage

Enter in Column A total gross sales made or charges for services performed by the proprietor or by employees, agents, agencies, or independent contractors of the business in and outside of Connecticut. Enter in Column B the portion of total gross sales or charges which represents sales made, or charges for services performed, by the proprietor or by employees, agents, agencies, or independent contractors situated at, connected with, or sent out from offices of the business (or its agencies) located in Connecticut.

Example: If a salesperson working out of the Connecticut office of the business covers Connecticut, Massachusetts, and Rhode Island, all sales made by him are to be allocated to Connecticut and included on Line 6, Column B.

Divide Column B by Column A. Carry the result to four decimal places and enter it as a percentage in Column C. For example, .6667 should be entered as 66.67%.

Line 7 - Total of Percentages

Add Lines 4, 5, and 6 in Column C and enter the total.

Line 8 - Business Apportionment Percentage

Divide Line 7 by three (or by the actual number of percentages if less than three). Carry the result to four decimal places and enter the result as a percentage.

Each item of business income (loss) reported on federal Form 1040, which is required by these instructions to be apportioned, is multiplied by the percentage on Line 8. Nonresidents enter the apportioned amounts on the proper lines of Schedule CT-SI. Part-year residents enter the apportioned amounts on the proper lines of Schedule CT-1040AW, Column D.

Do not apply the business apportionment percentage to income from the rental of real property or gains or losses from the sale of real property. The entire rental income from Connecticut real property or gain from the sale of the property is allocated to Connecticut and the entire amount of any loss from the sale is allocated to Connecticut. Rental income from real property located **outside** Connecticut or any gain or loss from the sale of this property is allocated out of state.

Amended Returns

Purpose: Use a 2006 Form CT-1040X to amend a previously-filed 2006 Connecticut income tax return for individuals. If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely

request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date. See *Interest and Penalties* on Page 13.

You must file Form CT-1040X in the following circumstances:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040CRC**, *Claim of Right Credit*, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(4)**, *Claims for Refund Made by Financially Disabled Individuals*.

Q & A on the Connecticut Individual Use Tax

For additional information, see **Informational Publication 2005(17), Q & A on the Connecticut Individual Use Tax.**

1. What is the use tax?

When you make a retail purchase in this state, you usually pay sales tax to the seller who in turn pays the tax to DRS. Sometimes Connecticut sales tax is not paid to the retailer. In these situations, the purchaser must pay the use tax directly to DRS.

2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable tangible personal property, whether purchased or leased. Examples of taxable personal property include items of clothing costing \$50 or more, automobiles, appliances, furniture, jewelry, cameras, VCRs, computers, and prewritten computer software. Some taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; reupholstering services for your household furniture; or charges for online access to computer services.

3. Are there exemptions from the use tax?

Yes. If you buy goods or services in Connecticut that are exempt from sales tax, they are exempt from the use tax if you buy them out-of-state for use in Connecticut. Some examples are items of clothing that cost less than \$50, charges to access the Internet through an Internet provider's server, and repair and maintenance services to vessels.

4. Do I owe Connecticut use tax on all my out-of-state purchases of taxable goods and services?

No. If all the items you purchased and **brought into** Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does **not** apply to items **shipped or mailed** to you.

5. What is the use tax rate?

In general, the use tax rate for taxable goods or services is 6% (.06). However, computer and data processing services are taxed at 1% (.01).

6. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut and the tax paid to the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax due is the difference between the Connecticut tax and the tax paid to the other state.

Example: You purchased a \$1,000 refrigerator in another state and paid a \$50 tax to that state. If you bought the refrigerator for use in Connecticut, you owe Connecticut use tax. The Connecticut tax of \$60 is reduced to \$10 after allowing \$50 credit for the tax paid to the other state. If no tax was paid to the other state, the Connecticut use tax is \$60.

7. When must individuals pay the use tax?

You must pay the individual use tax when you file an individual income tax return. Forms **CT-1040EZ**, **CT-1040**, or **CT-1040NR/PY** must be filed on or before April 15, 2007, or use the DRS Taxpayer Service Center (**TSC**) to file your 2006 income tax return. If you are not required to file a Connecticut income tax return, you must pay the use tax on Form OP-186, *Connecticut Individual Use Tax Return*. You may file Form OP-186 for the entire year or you may file several returns throughout the year.

If you are engaged in a trade or business, you must register with DRS for business use tax and report purchases made in connection with your trade or business on **Form OS-114, Sales and Use Tax Return**.

8. What are the penalties and interest for not paying the use tax?

The penalty is 10% (.10) of the tax due. Interest is charged at the rate of 1% (.01) per month or fraction of a month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

9. On what amount should the use tax be calculated?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the tax rate (generally 6%).

Schedule 3 - Individual Use Tax Worksheet Line Instructions

In general, goods or services purchased out-of-state and subject to the Connecticut sales tax if those goods or services are purchased from a Connecticut retailer are subject to the Connecticut use tax. Generally, individuals who purchased goods from mail order or catalog companies and had those goods shipped to Connecticut and individuals who purchased goods at out-of-state locations and brought those goods back into Connecticut are subject to the Connecticut use tax if they did not pay Connecticut sales tax. Complete Form CT-1040NR/PY, *Schedule 3 - Individual Use Tax Worksheet*, to calculate your use tax liability.

List separately any individual item with a purchase price of **\$300 or more**. Although you do not need to list separately any individual item with a purchase price of **less than \$300**, such items are subject to tax and the total of the purchase price of these items should be reported. Multiply the sales and use tax rate of 6% (.06) by the purchase price of the item and enter

the result. Enter the total tax for all taxable purchases on *Schedule 3*, Line 62 and Form CT-1040NR/PY, Line 17.

See **Informational Publication 2005(17), Q&A on the Connecticut Individual Use Tax.**

If you require additional lines, you should create an identical schedule and attach it to the back of your Form CT-1040NR/PY.

Enter only those purchases subject to use tax that you have not previously reported on **Form OP-186**.

You must enter "0" on Line 17 of Form CT-1040NR/PY if no Connecticut use tax is due. If you do not make an entry on Line 17, you will not have filed a use tax return.

Line 62

Complete *Schedule 3 - Individual Use Tax Worksheet* and enter the total use tax due on Line 62 and on Form CT-1040NR/PY, Line 17.

Contributions to Designated Charities

Write in a whole dollar amount for each fund to which you wish to contribute. Add your contributions and enter the total on Form CT-1040NR/PY, Line 26. **Your contribution is irrevocable.**

Other Taxes You May Owe

The information that follows is a general description of other Connecticut taxes for which you may be liable. More detailed information is available in the forms or publications specified. Failure to pay these taxes, if you are liable for them, may subject you to civil and criminal penalties.

Connecticut Gift Tax (Form CT-706/709)

When Connecticut taxable gifts are made during a calendar year by resident or nonresident individuals, a Connecticut gift tax return is required to be filed to report the gifts even if no Connecticut gift tax is due. Connecticut taxable gifts are those gifts that (1) are taxable gifts, for federal gift tax purposes, and (2) involve gifts of Connecticut real property; gifts of tangible personal property situated within Connecticut; or gifts of intangible personal property made by Connecticut residents. Connecticut gift tax is now due when the aggregate amount of Connecticut taxable gifts made during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. The donor is liable for the tax, but if the donor does not pay the tax it may be collected from the donee. Connecticut taxable gifts are reported on, and Connecticut gift tax is paid (if due) with Form CT-706/709, *Connecticut Estate and Gift Tax Return*. The due date of the return is April 15, for gifts made during the preceding calendar year. See **Special Notice 2005(10)**, *2005 Legislation Repealing the Succession Tax and Amending the Connecticut Gift Tax and the Connecticut Estate Tax*.

Connecticut Income Tax Withholding for Household Employers

Connecticut rules differ from federal rules. Household employers may not report and pay household employee withholding tax with their Connecticut income tax return. See **Informational Publication 2007(1)**, *Connecticut Circular CT-Employer's Tax Guide*.

Business Entity Tax (Form OP-424)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S corporation;
- Limited liability partnership;
- Limited partnership; or
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

* Each foreign entity that is required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See **Special Notice 2006(12)**, *2006 Legislative Changes Affecting the Business Entity Tax*, and **Informational Publication 2006(21)**, *Q & A on the Business Entity Tax*.

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center (TSC)** is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile, Fast-File, and Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using TSC. For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 3 of this book.

Form CT-8801

Credit for Prior Year Connecticut Minimum Tax for Individuals, Trusts, and Estates

2006

Your First Name and Middle Initial	Last Name	Your Social Security Number or FEIN
If a Joint Return, Spouse's First Name and Middle Initial	Last Name	Your Spouse's Social Security Number ____-____-____

Purpose of Form

Individuals, trusts, and estates must use Form CT-8801 to compute the adjusted net Connecticut minimum tax credit for the Connecticut alternative minimum tax paid in prior taxable years. The form is also used to figure any minimum tax credit carryforward that may be used in future years.

Who Should File This Form

Individuals, trusts, and estates should file Form CT-8801 if the individuals, trusts, or estates had a Connecticut alternative minimum tax liability in 2005 and adjustments or items of tax preferences (other than exclusion items) in 2005. Also file Form CT-8801 for credit on any minimum tax credit carryforward from a prior year.

To determine the amount of credit carryforward, complete Form CT-8801 for each preceding year.

Form CT-8801 Instructions

General Information

How the Credit for Prior Year Minimum Tax Is Calculated

Your credit for 2006 is calculated by subtracting the part of your 2005 Connecticut alternative minimum tax attributable to adjustments and items of tax preferences (such as exclusion items) specified in I.R.C. §53(d) from your net Connecticut alternative minimum tax paid in 2005 and adding the result to the amount of credit carried forward from the prior year.

Exclusion items are your federal alternative minimum tax adjustments and preferences for the standard deduction, itemized deductions (including any investment interest expense reported on federal Schedule E), the deduction for charitable contributions of appreciated property, certain tax-exempt interest, and depletion.

For more information, see instructions for federal Form 8801, Credit for Prior Year Minimum Tax - Individuals, Estates, and Trusts.

How the Credit May Be Used

You may be able to reduce your regular Connecticut income tax liability by the amount of your credit. Your credit for 2006 is limited to the amount that your regular Connecticut income tax for 2006, less the credit allowed for income tax paid to a qualifying jurisdiction(s), exceeds your Connecticut alternative minimum tax for 2006, less the credit allowed for alternative minimum tax paid to a qualifying jurisdiction(s).

The Unused Portion of the Credit

Any unused portion of the credit may be carried forward to reduce your regular Connecticut income tax in future years. You may carry the credit forward until it is completely used. If you are entitled to any additional credit in a subsequent year, you may add that credit to any balance being carried forward.

Complete your 2006 federal Form 8801 before you complete Form CT-8801.

Form CT-1040 EXT Instructions

Purpose: Use Form CT-1040 EXT to request a **six-month extension to file** your Connecticut income tax return for individuals. This form also extends the time to file your individual use tax. It is not necessary to include a reason for the Connecticut extension request if you have already filed an extension request on federal Form 4868 with the Internal Revenue Service. If you did not file federal Form 4868, you can apply for a six-month extension to file your Connecticut income tax return provided you have good cause for your request.

If you expect to owe **no additional** Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld from your wages or any estimated Connecticut income tax payments you have made (or both), **and** you have **requested an extension of time to file your 2006 federal income tax return**, you are not required to file Form CT-1040 EXT.

Electronically File Form CT-1040 EXT

All taxpayers can file Form CT-1040 EXT over the Internet using the **Taxpayer Service Center (TSC)**. DRS encourages Connecticut income tax filers to WebFile through the new, electronic **TSC**. The **TSC** is an interactive tool that, like WebFile, offers a free, fast, easy, and secure way to conduct business. The TSC allows taxpayers to securely file, pay, and manage their state tax responsibilities electronically through our web site at www.ct.gov/DRS.

How to Get an Extension to File

To obtain a Connecticut extension of time to file, you **must**:

- Complete Form CT-1040 EXT in its entirety;

- Pay the amount shown on Line 7.

Any payment made with this form is considered an income tax payment regardless of the amounts you enter on Line 1 and Line 2. Your signature is not required on this form. DRS will notify you **only** if your request is denied.

Form CT-1040 EXT only extends the **time to file** your Connecticut income tax return. Form CT-1040 EXT **does not** extend the **time to pay** your income tax. You must pay the amount of tax that you expect to owe on or before the original due date of the return (see *Interest and Penalty*).

You may qualify for a six-month extension of time to pay your tax. To request this extension, you must file **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, with your timely filed Connecticut income tax return or extension.

- In the armed forces of the U.S. serving outside the U.S. and Puerto Rico on the date your federal income tax return is due and are unable to file a timely Connecticut income tax return.

Amended Connecticut Income Tax Return and Instructions

Purpose: Use this form to amend a 2002 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. Do not use this form to amend **Form CT-1041**, **Form CT-1065**, or **Form CT-1120SI**.

If **Form CT-1040X** is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years

after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return, or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

The following circumstances require the filing of Form CT-1040X:

<p>1. The IRS or federal courts change or correct your federal income tax return, and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return, and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of that qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction, and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return, and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return, or three years after the extended due date, whichever is earlier.</p>

Do not file **Form CT-1040X** for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change contributions made to designated contributions. The elections that you made on your original return **cannot** be changed by filing **Form CT-1040X**.
- To amend your Connecticut income tax return for an earlier year in order to claim a credit for income tax paid on income which was included in your Connecticut adjusted gross income for that year and which you repaid in a later taxable year. File **Schedule CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters.

Schedule 3 - (Connecticut Residents Only) Credit for Property Taxes Paid on Your Primary Residence and/or Motor Vehicle

Enter the corrected amounts for each line. If you are not making corrections, enter the amounts reported on your original return. The credit is for property taxes paid during 2002 to a Connecticut political subdivision on a primary residence and/or a privately owned or leased motor vehicle. If you entered "0" on **Form CT-1040X**, Line 14, Column C, **DO NOT** complete this schedule. See **Informational Publication 2002(23), Q & A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision**.

Which Property Tax Bills Qualify

You may take credit against your 2002 Connecticut income tax liability for property tax payments that you made on your primary residence and/or privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills that were due and paid during 2002 qualify for this credit. This includes any installment payments that you made during 2002 that were due in 2002 and any installments that you prepaid during 2002 that were due in 2003. Supplemental property tax bills that were due during 2002 or 2003 also qualify if paid during 2002. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2002 (either by the leasing company or by you). Refer to your January 2003 billing statement from the leasing company in order to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number that you may call to obtain the necessary information. If you do not receive a billing statement in January 2003, contact your leasing company for the appropriate property tax information.

Maximum Credit Allowed

The **maximum** credit allowed (on your primary residence and/or motor vehicle) is **\$500** per return, regardless of filing status. If you paid more than \$100 in property tax you may be subject to a limitation based on your Connecticut Adjusted Gross Income (Connecticut AGI).

This credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on **Form CT-1040X**, Line 14, Column C. To be allowed to take this credit, you **must** complete *Schedule 3*, in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Individuals whose filing status is **Single, Married Filing Separately, or Head of Household** is limited to the property tax paid on **one** motor vehicle, even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year. Individuals whose filing status is **Married Filing Jointly** are limited to the property taxes paid on **two** motor vehicles.

Amended Connecticut Income Tax Return and Instructions

Purpose: Use this form to amend a 2003 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. Do not use this form to amend **Form CT-1041**, **Form CT-1065**, or **Form CT-1120SI**.

If **Form CT-1040X** is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years

after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return, or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

The following circumstances require the filing of Form CT-1040X:

<p>1. The IRS or federal courts change or correct your federal income tax return, and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return, and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of that qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction, and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return, and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return, or three years after the extended due date, whichever is earlier.</p>

Do not file **Form CT-1040X** for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change contributions made to designated contributions. The elections that you made on your original return **cannot** be changed by filing **Form CT-1040X**.
- To amend your Connecticut income tax return for an earlier year in order to claim a credit for income tax paid on income which was included in your Connecticut adjusted gross income for that year and which you repaid in a later taxable year. File **Schedule CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters.

Instructions for *Schedule 2 - Credit for Income Taxes Paid to Qualifying Jurisdictions*, are included in the instructions for **Form CT-1040** and **Form CT-1040NR/PY**.

Schedule 3 - (Connecticut Residents Only) Credit for Property Taxes Paid on Your Primary Residence and/or Motor Vehicle

Enter the corrected amounts for each line. If you are not making corrections, enter the amounts reported on your original return. The credit is for property taxes paid during 2003 to a Connecticut political subdivision on a primary residence and/or a privately owned or leased motor vehicle. If you entered "0" on **Form CT-1040X**, Line 14, Column C, **DO NOT** complete this schedule. See **Informational Publication 2003(24), Q & A: Income Tax Credit for Property Taxes Paid to a Connecticut Political Subdivision.**

Which Property Tax Bills Qualify

You may take credit against your 2003 Connecticut income tax liability for property tax payments that you made on your primary residence and/or privately owned or leased motor vehicle to a Connecticut political subdivision. Generally, property tax bills that were due and paid during 2003 qualify for this credit. This includes any installment payments that you made during 2003 that were due in 2003 and any installments that you prepaid during 2003 that were due in 2004. Supplemental property tax bills that were due during 2003 or 2004 also qualify if paid during 2003. However, the late payment of any property tax bills or the payment of any interest, fees, or charges related to the property tax bill do not qualify for the credit.

A husband and wife who file a joint Connecticut income tax return may consider property tax bills for which the husband or wife, or both, are liable.

You may take credit for a leased motor vehicle if you had a written lease agreement for a term of more than one year and the property tax became due and was paid during 2003 (either by the leasing company or by you). Refer to your January 2004 billing statement from the leasing company in order to determine the amount of property taxes that may be eligible for the credit. Your statement will either indicate the amount of property taxes paid on your leased motor vehicle or provide you with a toll-free number that you may call to obtain the necessary information. If you do not receive a billing statement in January 2004, contact your leasing company for the appropriate property tax information.

Maximum Credit Allowed

The **maximum** credit allowed (on your primary residence and/or motor vehicle) is **\$350** per return, regardless of filing status. This credit cannot exceed the amount of qualifying property taxes paid or the amount of tax entered on **Form CT-1040X**, Line 14, Column C and is phased-out depending upon your Connecticut adjusted gross income. To be allowed to take this credit, you **must** complete *Schedule 3*, in its entirety.

Motor Vehicle Credit Restrictions

The number of motor vehicles eligible for this credit depends on your filing status as shown on the front of your Connecticut income tax return. Individuals whose filing status is **Single, Married Filing Separately**, or **Head of Household** is limited to the property tax paid on **one** motor vehicle, even if the individual sells a motor vehicle and purchases a replacement motor vehicle during the taxable year. Individuals whose filing status is **Married Filing Jointly** are limited to the property taxes paid on **two** motor vehicles.

Amended Connecticut Income Tax Return and Instructions

Purpose: Use this form to amend a previously-filed 2004 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. Do not use this form to amend **Form CT-1041** or **Form CT-1065/CT-1120SI**.

If **Form CT-1040X** is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting

any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return, or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

The following circumstances require the filing of Form CT-1040X:

<p>1. The IRS or federal courts change or correct your federal income tax return, and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return, and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of that qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction, and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return, and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return, or three years after the extended due date, whichever is earlier.</p>

Do not file **Form CT-1040X** for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing **Form CT-1040X**.
- To amend your Connecticut income tax return for an earlier year in order to claim a credit for income tax paid on income which was included in your Connecticut adjusted gross income for that year and which you repaid in a later taxable year. File **Schedule CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters.

Amended Connecticut Income Tax Return and Instructions

Purpose: Use this form to amend a previously-filed 2005 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. **Do not** use this form to amend **Form CT-1041** or **Form CT-1065/CT-1120SI**.

If **Form CT-1040X** is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any

Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

The following circumstances require the filing of Form CT-1040X:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Schedule CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters.

Table B - Connecticut Income Tax for 2005 Taxable Year

Use your filing status shown on the front of Form CT-1040X.

Single/Married Filing Separately	Married Filing Jointly/Qualifying Widow(er)	Head of Household
If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$10,000, multiply by .03. More than \$10,000, multiply the excess over \$10,000 by .05 and add \$300.	If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$20,000, multiply by .03. More than \$20,000, multiply the excess over \$20,000 by .05 and add \$600.	If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$16,000, multiply by .03. More than \$16,000, multiply the excess over \$16,000 by .05 and add \$480.
Example: If the amount on Line 3 is \$13,000, enter \$450 on Line 4. \$13,000 - \$10,000 = \$3,000 \$3,000 x .05 = \$150 \$150 + \$300 = \$450	Example: If the amount on Line 3 is \$22,500, enter \$725 on Line 4. \$22,500 - \$20,000 = \$2,500 \$2,500 x .05 = \$125 \$125 + \$600 = \$725	Example: If the amount on Line 3 is \$20,000, enter \$680 on Line 4. \$20,000 - \$16,000 = \$4,000 \$4,000 x .05 = \$200 \$200 + \$480 = \$680

Form CT-1040X Instructions

For Amended Connecticut Income Tax Return

2006

Purpose: Use this form to amend a previously-filed 2006 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. **Do not** use this form to amend **Form CT-1041** or **Form CT-1065/CT-1120SI**. Any reference in this document to a spouse also refers to a party to a civil union recognized under Connecticut law.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the

Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

You must file Form CT-1040X in the following circumstances:

<p>1. The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your timely amended federal return. If you file Form CT-1040X no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the final determination. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).</p>	<p>File Form CT-1040X no later than 90 days after the date you filed your amended return with the qualifying jurisdiction. If you file Form CT-1040X no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you, even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.</p>	<p>File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return **cannot** be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File **Form CT-1040CRC, Claim of Right Credit**, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(4), Claims for Refund Made by Financially Disabled Individuals**.

Form CT-1040X Instructions

Filing status

Except as otherwise noted, any reference in these instructions to a spouse also refer to a party to a civil union recognized under Connecticut law.

Generally, your filing status for Connecticut income tax purposes must match your federal income tax filing status for the year. However, if you are a civil union partner, your filing status for Connecticut income tax purposes will not match your federal income tax filing status for the year.

When one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately.

When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately or civil union filing separately. Married couples may elect to be treated as if both were Connecticut residents for the entire taxable year with married filing jointly as their Connecticut income tax filing status for the year, provided their federal income tax filing status for the year is married filing jointly. Civil union partners may elect to be treated as if both were Connecticut residents for the entire taxable year simply by filing a Connecticut income tax return with civil union filing jointly as their Connecticut income tax filing status for the year.

2007 Estimated Connecticut Income Tax Payment Coupon for Individuals

General Instructions

Who Should File This Coupon: Use this coupon if you are required to make estimated income tax payments for the 2007 taxable year and you do not receive a preprinted coupon package from the Department of Revenue Services (DRS). Coupon packages are mailed in mid-January to those who made estimated income tax payments in the prior year.

Payment Options: See *Payment Options* on Page 4.

Nonresidents and Part-Year Residents: Nonresident individuals are subject to Connecticut income tax on their Connecticut source income. Part-year residents are taxed on all income received while a resident of Connecticut and on income received from Connecticut sources while a nonresident. **Connecticut source income** includes, but is not limited to, income from a business, profession, occupation, or trade conducted in this state as well as income from the rental or sale of real or tangible property located in Connecticut.

Civil Unions: Effective for taxable years beginning on or after January 1, 2006, parties to a civil union (civil union partners) recognized under Connecticut law **must file** their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code (I.R.C.). This means that, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as single, or if applicable, head of household filers (although this will be their filing status for federal income tax purposes).

Who Is Required to Make Estimated Payments: You must make estimated income tax payments if your Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more, and you expect your Connecticut income tax withheld to be less than your required annual payment for the 2007 taxable year.

Your required annual payment is the **lesser** of:

- 90% of the income tax shown on your **2007 Connecticut income tax return**; or
- 100% of the income tax shown on your **2006 Connecticut income tax return** if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income during the 2006 taxable year and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income during the 2006 taxable year, then you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

When to File: Estimated payments for the 2007 taxable year are due on or before April 15, June 15, September 15, 2007, and January 15, 2008. (Fiscal year filers should follow federal filing dates.) If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. An estimate will be considered timely filed if received or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date.

How Much Should I Pay: Complete the *2007 Estimated Connecticut Income Tax Worksheet* on Page 2 to calculate your required annual payment.

Special Rules for Farmers and Fishermen: If you are a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you will be required to make only **one** payment. Your installment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of 66⅔% of the income tax shown on your 2007 Connecticut income tax return or 100% of the income tax shown on your 2006 Connecticut income tax return. See **Informational Publication 2006(20)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax*.

Annualized Income Installment Method: If your income varies throughout the year, you may be able to reduce or eliminate the amount of your estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040AES*.

Interest: You may be charged interest if you did not pay enough tax through withholding or estimated payments, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up for the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier** of April 15, 2008, or the date on which the underpayment is paid.

If you file your income tax return for the 2007 taxable year on or before January 31, 2008, and pay in full the amount computed on the return as payable on or before that date, you will not be charged interest for failing to make the estimated payment due January 15, 2008.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Line 2: Enter the total of your estimated allowable Connecticut modifications. (See instructions for *Schedule 1 - Modifications to Federal Adjusted Gross Income of Form CT-1040 or Form CT-1040NR/PY*, for information about allowable modifications.)

Social Security Benefit Adjustment: Parties to a civil union recognized under Connecticut law must recompute their federal adjusted gross income as if their filing status for federal income tax purposes were married filing jointly or married filing separately.

If your required Connecticut income tax return filing status is single, married filing separately, or civil union filing separately and you expect your 2007 federal adjusted gross income will be **less than \$50,000**, enter as a subtraction the amount of federally taxable Social Security benefits you expect to report on your 2007 federal Form 1040, Line 20b, or federal Form 1040A, Line 14b. If your required Connecticut income tax return filing status is married filing jointly, civil union filing jointly, qualifying widow(er) with dependent child, or head of household and you expect your federal adjusted gross income will be **less than \$60,000**, enter as a subtraction the amount of federally taxable Social Security benefits you expect to report on your 2007 federal Form 1040, Line 20b, or federal Form 1040A, Line 14b. If you expect your federal adjusted gross income will be above the threshold for your filing status, complete the *Social Security Benefit Adjustment Worksheet* on Page 4 and include the amount from Line F on Line 2.

Line 3: Nonresidents and Part-Year Residents Only: If your Connecticut source income is greater than your Connecticut adjusted gross income, enter your Connecticut source income on this line.

$$\frac{\text{Connecticut Source Income}}{\text{Connecticut Adjusted Gross Income (Line 3)}} = \text{Line 5}$$

Line 9: If you expect to owe federal alternative minimum tax for the 2007 taxable year, you may also owe Connecticut alternative minimum tax. Enter your estimated Connecticut alternative minimum tax liability. (See instructions for **Form CT-6251, Connecticut Alternative Minimum Tax Return - Individuals.**)

Line 11: Enter estimated allowable adjusted net Connecticut minimum tax credit. Enter "0" if you are not entitled to a credit, or if you entered an amount on Line 9. (See instructions for **Form CT-8801, Credit for Prior Year's Connecticut Minimum Tax for Individuals, Trusts, and Estates.**)

If you were a resident during the 2006 taxable year and you did not file a 2006 Connecticut income tax return because you had no Connecticut income tax liability, enter "0." If you were a nonresident or part-year resident during the 2006 taxable year **with** Connecticut source income and you did not file a 2006 Connecticut income tax return because you had no Connecticut income tax liability, enter "0." All other taxpayers must leave Line 14 blank.

Table B - Connecticut Income Tax for 2007 Taxable Year

Single, Married Filing Separately, or Civil Union Filing Separately	Married Filing Jointly, Civil Union Filing Jointly, or Qualifying Widow(er)	Head of Household
If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$10,000, multiply by .03. More than \$10,000, multiply the excess over \$10,000 by .05 and add \$300.	If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$20,000, multiply by .03. More than \$20,000, multiply the excess over \$20,000 by .05 and add \$600.	If the amount on Line 3 of the Tax Calculation Schedule is: Less than or equal to \$16,000, multiply by .03. More than \$16,000, multiply the excess over \$16,000 by .05 and add \$480.
For example, if the amount on Line 3 is \$13,000 enter \$450 on Line 4. \$13,000 - \$10,000 = \$3,000 \$3,000 x .05 = \$150 \$150 + \$300 = \$450	For example, if the amount on Line 3 is \$22,500 enter \$725 on Line 4. \$22,500 - \$20,000 = \$2,500 \$2,500 x .05 = \$125 \$125 + \$600 = \$725	For example, if the amount on Line 3 is \$20,000 enter \$680 on Line 4. \$20,000 - \$16,000 = \$4,000 \$4,000 x .05 = \$200 \$200 + \$480 = \$680

Do not file this form unless:

- You checked one of the boxes in Part I below; **or**
- You wish to calculate and pay the interest you owe with your return.

If you do not file this form, the Department of Revenue Services (DRS) will calculate interest on any underpayment of estimated tax you owe and send you a bill. The interest on the underpayment of estimated tax will stop accruing on the **earlier** of the date you pay your total tax liability or April 15, 2007.

Purpose: Filers of **Forms CT-1040, CT-1040NR/PY, CT-1041, and CT-1065/CT-1120SI** who underpaid their estimated Connecticut income tax may use this form to calculate the amount of interest due or to lower or eliminate interest that would otherwise apply.

Filers of Form CT-1065/CT-1120SI must complete a separate Form CT-2210 for each partner, shareholder, or beneficiary. The rate of tax is 5% for partners, shareholders, or beneficiaries included on Form CT-1065/CT-1120SI.

When Are My Payments Due: In general, four equal installments of estimated tax are required on April 15, June 15, September 15, and January 15. (Fiscal year filers should follow federal filing dates.)

If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Estates and certain trusts are required to make estimated income tax payments as stated above for any taxable year ending two or more years after the date of the decedent's death. (For additional information on when certain trusts are required to make estimated income tax payments, see I.R.C. §671 through 679.)

Are My Taxes Underpaid: In general, if you do not make timely installments of your required annual payment and your Connecticut income tax (after tax credits) minus Connecticut income tax withheld is \$1,000 or more, you will be charged interest on the underpaid amount.

Your required annual payment is the lesser of:

- 90% of the income tax shown on your 2006 Connecticut income tax return; **or**
- 100% of the income tax shown on your 2005 Connecticut income tax return, if you filed a 2005 income tax return that covered a 12-month period.

If either of the following applies to you, you are not underpaid and you should not file this form:

- The income tax shown on your 2006 Connecticut income tax return minus Connecticut tax withheld is less than \$1,000; **or**
- You did not file a 2005 Connecticut income tax return because you did not have any Connecticut income tax liability and you were a resident, nonresident, or part-year resident in 2005 with Connecticut-source income.

Interest: You may be charged interest if you did not pay enough tax through withholding, estimated tax, or both, by any installment due date. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up the

underpayment. Overpayment of any estimated tax will be credited against any future installment.

Interest on the underpayment of estimated income tax, at 1% per month or fraction of a month, will continue to accrue until the earlier of April 15, 2007, or the date on which the underpayment is paid.

A taxpayer who files his or her income tax return for the taxable year on or before January 31, 2007, and pays the total amount computed on the return as payable for the taxable year, does not have to pay the January 15, 2007, estimate and will not incur interest on the underpayment of estimated income tax for the fourth required installment. Do not complete *Schedule B, Worksheet D*.

Farmers or fishermen who file Forms CT-1040, CT-1040NR/PY, CT-1041, or CT-1065/CT-1120SI for the taxable year on or before March 1, 2007, and pay the total amount computed on the return as payable for the taxable year, do not have to pay the January 15, 2007, estimate, which is the only estimate required, and will not incur interest on the underpayment of estimated income tax.

Special Rules for Farmers and Fishermen: If you are a farmer or fisherman, as defined in I.R.C. §6654(i)(2), your required annual payment is the lesser of:

- 66 ²/₃% of the income tax shown on your 2006 Connecticut income tax return; **or**
- 100% of the income tax shown on your 2005 Connecticut income tax return, if you filed a 2005 income tax return that covered a 12-month period.

Farmers and fishermen are required to make only one installment of estimated income tax for the taxable year. The due date for the installment is on or before January 15 of the following taxable year.

All farmers and fishermen, as defined in I.R.C. §6654(i)(2), who have checked Box D in Part I, must complete and attach this form to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Also check the box for Form CT-2210 on the front of Form CT-1040 or Form CT-1040NR/PY.

Name and Identifying Number

Individuals - Enter in the space provided at the top of the form your name and Social Security Number (SSN) as it appears on your Connecticut income tax return. If you filed a joint return, also enter your spouse's name and SSN.

Trusts and Estates - Enter the name of the trust or estate and the name of the fiduciary as it appears on Form CT-1041 in the space provided at the top of the form. Also enter the Federal Employer Identification Number of the trust or estate.

Part I - Reasons For Filing

If one of the following boxes applies to you, you may be able to reduce or eliminate interest charges that would otherwise accrue if we calculated the interest for you. You must check the box that applies and file this form with your tax return.

Check the boxes that apply (see instructions):

- A. You are using the annualized income installment method.
- B. Your required annual payment is based on the tax shown on your 2005 Connecticut income tax return and you filed or are filing a joint return for either 2005 or 2006, but not for both years.
- C. You had Connecticut income tax withheld and you treat it as paid for estimated tax purposes when it was **actually** withheld instead of in equal amounts on the payment due dates.
- D. You are a farmer or fisherman, as defined in I.R.C. §6654(i)(2).
- E. You cannot use the prior year's tax liability as a basis for your required annual payment.

If you checked any of these boxes, also be sure to check the box for Form CT-2210 on the front page of your Connecticut income tax return and attach this form to the back of the return.

Form CT-2210 Instructions

Any reference in this document to a spouse also refers to a party to a civil union recognized under Connecticut law.

Part I - Reasons for Filing

Complete Part I **only** if one of the following boxes applies to you. By checking the box that applies to you, you may be able to reduce or eliminate interest charges that would otherwise accrue if we calculated the interest for you under the normal requirements for making estimated tax payments. If you checked any of the boxes in Part I, also be sure to check the box for **Form CT-2210** on the front page of your **Form CT-1040**, **Form CT-1041**, or **Form CT-1040NR/PY**.

Box A - Check this box if you are using the annualized income installment method. (If your income fluctuated during the year, this method may reduce or eliminate the amount of one or more required quarterly payments. See instructions for *Schedule A*.)

Box B - Check this box if your estimated tax payments were based on the tax shown on your 2005 Connecticut income tax return **and** your filing status changed from last year. See *Changes in Filing Status* in Part II, Line 5, below.

Box C - Check this box if you want income tax withheld in 2006 to be applied when it was **actually withheld** rather than in four equal installments. See instructions for Part III, Line 11 and Line 13.

Box D - Check this box if you are a farmer or fisherman, as defined in I.R.C. §6654(i)(2), and:

- You are required to make only one installment of estimated Connecticut income tax; **or**
- You have filed your tax return for the taxable year on or before March 1, 2007, and have paid the amount computed on the return as payable for the taxable year.

If you have filed your return for the taxable year and paid the amount computed as payable on or before March 1, 2007, and therefore are not required to make an estimated income tax payment, you must check Form CT-2210, Part I, Box D. Stop there and do not complete Part II or Part III. Attach Form CT-2210 to your income tax return and check the box for Form CT-2210 on the front of Form CT-1040, Form CT-1041, or Form CT-1040NR/PY.

If you are required to make an estimated income tax payment, it is due on or before January 15, 2007. The installment is the lesser of 66 ²/₃% of the income tax shown on your 2006 Connecticut income tax return or 100% of the income tax shown on your 2005 Connecticut income tax return. See the instructions for Part III, Line 8, for further information.

Box E - Check this box if you cannot use your 2005 Connecticut income tax as a basis for your required annual payment.

You may only use your 2005 Connecticut income tax if:

- You filed a 2005 Connecticut income tax return that covered a 12-month period; **or**
- During the 2005 taxable year, you were a resident, part-year resident, or nonresident with Connecticut source income and you did not file a 2005 Connecticut income tax return because you did not have a Connecticut income tax liability. See Part II, Line 5, for instructions on calculating your required annual payment.

If you do not meet one of the above conditions, your required annual payment must be 90% of the income tax shown on your 2006 Connecticut income tax return.

Part II - Required Annual Payment

Line 1: Enter the amount of income tax shown on your 2006 Connecticut income tax return. (**Form CT-1040EZ**, Line 6; **Form CT-1040**, Line 14; **Form CT-1040NR/PY**, Line 16; or **Form CT-1041**, Line 9.) Do not subtract estimated payments or Connecticut tax withheld in 2006.

Line 2: Farmers and fishermen multiply Line 1 by 66 ²/₃% (.6667).

Line 3: Enter **Connecticut** income tax withheld in 2006. Do not enter any estimated tax payments or taxes withheld for the IRS or other jurisdictions.

Line 5: If your filing status was the same on your 2005 and 2006 Connecticut income tax returns and your 2005 Connecticut income tax return covered a 12-month period, enter 100% of the income tax shown on your 2005

Connecticut income tax return (Form CT-1040EZ, Line 6; Form CT-1040, Line 14; or Form CT-1040NR/PY, Line 16.)

Enter "0" if you did not file a 2005 Connecticut income tax return because you did not have a Connecticut income tax liability and you were a resident, nonresident, or part-year resident in 2005 with Connecticut source income.

If you were a nonresident or part-year resident and you did not have Connecticut source income in 2005, leave Line 5 blank and enter 90% of the income tax shown on your 2006 Connecticut income tax return as the required annual payment on Line 6.

Changes in Filing Status From 2005 to 2006: If you are filing a joint Connecticut return for 2006 but filed separate Connecticut returns for 2005 as single, married filing separately, or head of household, you must combine your 2005 separate tax liabilities to determine your combined 2005 income tax. (If either you or your spouse did not file a 2005 Connecticut income tax return, see the instructions for Part I, Box E, to determine if you can use the prior year's tax as the basis for your required annual payment.)

If you are filing separate Connecticut returns for 2006 but filed a joint Connecticut return for 2005, you must determine your share of the 2005 tax (Form CT-1040EZ, Line 6; Form CT-1040, Line 14; or Form CT-1040NR/PY, Line 16). First calculate the 2005 tax both you and your spouse would have paid had you filed separate Connecticut returns for 2005 as married persons filing separately. Then complete the following calculation:

$\frac{\text{Your separate 2005 tax liability}}{\text{Both spouses' separate 2005 tax liabilities}} \times \text{Your 2005 joint tax liability}$
--

Part III - Calculate Your Underpayment and Interest

Line 8: If you are using the annualized income installment method, skip Line 8 and Line 9 and **go on to Line 10**. Be sure you also check Part I, Box A.

If you checked Part I, Box D, because you are a **farmer** or **fisherman**, as defined in I.R.C. §6654(i)(2), and you have made only one installment of estimated income tax, complete **Column D only**.

Line 10: If you checked Part I, Box A, because you are using the annualized income installment method, enter the amounts from *Schedule A*, Lines 22 through 25, in the appropriate columns. Attach *Schedule A* to **Form CT-2210** and also include your computations of your Connecticut adjusted gross income for each period.

Line 11: Enter the total amount of **Connecticut** income tax withheld in 2006 in Columns A, B, C, and D. (**Do not** enter estimated tax payments or taxes withheld for the IRS or other jurisdictions.)

Example: If your total 2006 Connecticut income tax withheld was \$1,300, enter \$1,300 in Columns A, B, C, and D.

If you want Connecticut income tax withholding to apply when it was actually withheld, skip Line 11 and Line 12 and **go on to Line 13**. Be sure you also check Part I, Box C.

Line 13: If you want Connecticut income tax withholding to apply when it was actually withheld, enter the actual cumulative withholding amounts on Line 13.

Example: If \$600 was withheld in March, \$200 in May, \$200 in August, and \$300 in November, enter \$600 in Column A, \$800 in Column B, \$1,000 in Column C, and \$1,300 in Column D.

Line 15: Enter in the appropriate columns all timely installment payments you made. Timely installment payments are all payments (**other than any tax withheld**) made on or before the due date including any previous installment payments.

Example: If estimated Connecticut income tax payments of \$100 each were made on April 15, 2006, June 15, 2006, September 15, 2006, and January 15, 2007, enter \$100 in Column A, \$200 in Column B, \$300 in Column C, and \$400 in Column D.

Schedule A Annualized Income Installment

General Instructions

You may benefit from using the annualized income installment method if your income varied throughout the year because you earned more money later in the year than you did in the early part of the year, such as from lottery winnings, investment income, or self-employment income.

By using this method, you may be able to reduce or eliminate the amount of one or more required installments.

For information on filing estimated tax payments using the annualized income installment method, see **Informational Publication 2006(25), A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040AES**. This publication is available from the DRS Web site at www.ct.gov/DRS or call the DRS Forms Unit at **1-800-382-9463** (Connecticut calls outside the Greater Hartford calling area) and select **Option 2** from a touch-tone phone or **860-297-4753** (from anywhere).

If you use the annualized income installment method for any installment due date, you must use this method for all installment due dates. **Form CT-2210, Schedule A**, automatically selects the smaller of the annualized income installment or regular installment (increased by the amount saved by using the annualized income installment method in computing earlier installments).

If you use the annualized income installment method, you are required to complete **all** of the following steps:

1. Check Box A on Form CT-2210, Part I;
2. Enter the amounts from *Schedule A*, Lines 22 through 25 in the appropriate columns on Form CT-2210, Part III, Line 10;
3. Attach Form CT-2210 and *Schedule A* to your return;
4. Attach your calculations of your Connecticut adjusted gross income for each period; **and**
5. Check the box for Form CT-2210 on the front of your Connecticut income tax return.

Line Instructions

Line 1: Attach a schedule showing how you computed your Connecticut adjusted gross income for each period.

Trusts and estates must enter their Connecticut taxable income and use the following period ending dates: 2-28-2006, 4-30-2006, 7-31-2006, and 11-30-2006.

Filers of **Form CT-1065/CT-1120SI** must enter the Connecticut source income for the partner, shareholder, or beneficiary.

Line 2: Trusts and estates do not use the amounts shown in Columns (a) through (d). Instead, use 6, 3, 1.71429, and 1.09091, as the annualization amounts.

Line 4: Resident individuals must compute the tax on the amount shown on Line 3 using the *Tax Tables* or the *Tax Calculation Schedule*. Resident trusts and estates must multiply Line 3 by 5% (.05).

Nonresidents and part-year resident individuals must use the schedules and worksheets for **Form CT-1040NR/PY** to determine Connecticut source income. Nonresident trusts and estates and part-year resident trusts must use the schedules and worksheets for **Form CT-1041** to determine Connecticut source income. To calculate the tax, complete the worksheet below for each column:

a. Annualized income from Line 3 of this schedule	
b. Annualized Connecticut source income	
c. Enter the greater of Line a or Line b.	
d. Enter the tax due on Line c using the Tax Tables or the Tax Calculation Schedule. Trusts and estates: Multiply Line c by 5% (.05).	
e. Divide Connecticut source income for the period by Connecticut adjusted gross income (Connecticut taxable income for trusts and estates) for the period. This is your allocated Connecticut income tax percentage. (If Line b is greater than Line a, enter 1.0000).	●
f. Multiply Line d by Line e. Enter here and on <i>Schedule A</i> , Line 4.	

Filers of Form CT-1065/CT-1120SI must multiply Line 3 by 5% (.05).

Line 5: The credit for tax paid to a qualifying jurisdiction is based wholly or partly on the annualized income for each period.

Line 7: You must annualize your adjusted federal alternative minimum taxable income using the annualization amounts on Line 2. Use **Form CT-6251** as a guide.

Line 9: Resident Individuals - Enter the credit for property taxes paid on your primary residence, motor vehicle, or both, as calculated on your 2006 **Form CT-1040, Schedule 3**.

The credit may not exceed **\$500** and may be further reduced. Refer to Form CT-1040, *Schedule 3*, and instructions when calculating the credit.

Line 11: The adjusted net Connecticut minimum tax credit is based wholly or partly on the annualized income for each period.

Lines 15 through 25: You **must** complete Lines 15 through 25 in one column before continuing to the next column.

Form CT-1127 Instructions

Purpose: The Commissioner of Revenue Services may grant an extension of time for payment of your Connecticut income tax and your individual use tax if you can show it will cause you undue hardship to pay the tax on the date it is due. This form must be filed with the Commissioner on or before the date prescribed by law for payment of the tax.

Undue hardship means more than mere inconvenience. You must show that you will have substantial financial loss if you pay your tax on the date it is due. (For example, such a loss could be caused by having to sell property at a sacrifice price.) You must show you do not have enough cash above necessary working capital to pay the tax. In determining cash available, include anything you can convert into cash and show current market prices. Also show you are unable to borrow money to pay the tax, except under terms that will cause you severe loss and hardship.

Who May File Form CT-1127: Filers of the following forms may file Form CT-1127:

- **Form CT-1040**, *Connecticut Resident Income Tax Return*;
- **Form CT-1040EZ**, *Connecticut Resident EZ Income Tax Return*;
- **Form CT-1040NR/PY**, *Connecticut Nonresident and Part-Year Resident Income Tax Return*;
- **Form CT-1041**, *Connecticut Income Tax Return for Estates and Trusts*; and
- **Form CT-1065/CT-1120SI**, *Composite Income Tax Return*.

Limitation: As a general rule, an extension of time to pay any part of income tax shown on a return is limited to six months from the date that payment is due.

Security: Security satisfactory to the Commissioner may be required as a condition for granting an extension. This is to assure that the risk of loss to the State of Connecticut will be no greater at the end of the extension period than it was at the beginning. The determination of the type of security, if any is required, will depend on the circumstances in each case. You will be contacted by the Department of Revenue Services (DRS), Collection and Enforcement Division, if any security is required.

Interest and Penalty: If the extension of time for payment is approved, no penalty will be assessed if the tax due is paid on or before the end of the extension period. If the extension of time for payment is not granted or the tax due is not paid on or before the end of the extension period, a penalty of 10% (.10) of the amount of tax underpaid will be applied. In either case, monthly billing statements will be issued to you until the balance is paid in full.

If after the extension period you are subject to a penalty that you believe was unjustly assessed, you may request a penalty waiver. Requests for a penalty waiver must be in writing and contain a clear and complete explanation. Include your name, Social Security Number (SSN), name of original form filed or billing notice received, and taxable filing period on all correspondence. Mail your penalty waiver request to:

Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089

Interest cannot be waived. Before a penalty waiver can be granted, you must **pay all tax and interest due**.

Where the time for payment of Connecticut income tax is extended, interest will be added at 1% (.01) per month or fraction of a month on any balance due from the original due date of the Connecticut income tax return (determined without regard to any extension of time to file) to the date of actual payment.

How to Get an Extension of Time to Pay: To request a Connecticut extension of time to pay your Connecticut income tax, you must complete Form CT-1127 in its entirety and file it on or before the 15th day of the fourth month following the close of your taxable year (April 15 if your taxable year is the calendar year). Form CT-8857 Instructions

General Instructions

Purpose

Use **Form CT-8857, Request for Innocent Spouse Relief (And Separation of Liability and Equitable Relief)**, to request relief from liability for tax, plus related penalties and interest, for which you believe only your spouse or former spouse should be held liable. You must have filed a joint return for the year(s) for which you are requesting relief. DRS will evaluate your request and tell you if you qualify.

You may be allowed one or more of these three types of relief:

- Separation of liability;
- Innocent spouse relief; **or**
- Equitable relief.

Any reference in this document to a spouse also refers to a party to a civil union recognized under Connecticut law.

Definitions

Underpayment of Tax

An **underpayment** is tax that is properly shown on your return but has not been paid.

Example: Beth and Jack filed a joint return that properly reflects their income and credits, but showed an unpaid balance of \$400. Beth and Jack are getting divorced. Beth gave Jack \$200 and Jack promised to pay the full \$400, but did not. Beth and Jack are both liable for the \$400 tax not paid (underpayment).

Understatement of Tax

An **understatement of tax**, or deficiency, is the difference between the total amount of tax that DRS determines should have been shown on the Connecticut income tax return and the amount actually shown on the return.

Example: Mary and Matt filed a joint return showing \$400 tax due which they fully paid. DRS later audits their return and finds \$4,000 of income that Mary earned but did not report. This understatement results in an additional \$180 in tax. Mary and Matt are both liable for the additional tax (understatement) due to Mary's unreported income.

Joint and Several Liability

Generally, joint and several liability applies to all joint returns. This means both you and your spouse or former spouse are jointly and individually responsible for any underpayment of tax plus any understatement of tax that may become due later. This is true even if a divorce decree states your former spouse is responsible for any amounts due on previously-filed joint returns.

If you have both an underpayment and understatement of tax, you may have to request different types of relief. If you have an underpayment of tax, you may only request equitable relief. Complete Parts III and IV to see which type(s) of relief you can request for the understatement of tax.

Statement to Attach

You **must attach a statement** to Form CT-8857 explaining why you qualify for relief. Complete the statement using the best information you have available. Include your name and Social Security Number (SSN) on the statement.

If you are requesting relief for more than one taxable year, you only need to file one Form CT-8857. However, you must include a separate statement for each year. Clearly indicate in the statement(s) the type(s) of relief you are requesting for each year. You must provide certain information for each type of relief you are requesting. See the Specific Instructions for Parts III, IV, and V for details on the information to include with your statement(s).

Generally, DRS will request additional information from you. You can help the processing of your request for relief by completing and attaching federal Form 12510, *Questionnaire for Requesting Spouse*. To get federal Form 12510, go to www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

When to File

File Form CT-8857 as soon as you become aware of a Connecticut income tax liability for which you believe only your spouse or former spouse should be held liable. You may become aware of a liability if:

- DRS has examined your tax return and is proposing an understatement of tax; **or**
- DRS has sent you a notice.

You must file Form CT-8857 no later than two years after DRS first began collection activity against you.

Examples of attempts to collect the tax from you are garnishment of your wages or applying your income tax refund to the tax due.

Where to File

Do not file Form CT-8857 with your tax return.

Mail Form CT-8857 and your statement (if applicable) to:

Department of Revenue Services
Collections and Enforcement - Quality Control Unit
25 Sigourney Street
Hartford CT 06106-5032

Specific Instructions

Part I

Enter your current name. If your current name is different from your name as shown on your tax return for any year for which you are requesting relief, enter it in parentheses after your current name. For example, enter "Jane Maple (formerly Jane Oak)."

Spousal Notification

The law requires DRS to inform your spouse or former spouse of the request for relief from liability. DRS is also required to allow your spouse or former spouse to provide information that may assist in determining the amount of relief from liability. DRS will **not** provide information to your spouse or former spouse that could infringe on your privacy. DRS will not provide your new name, address, information about your employer, phone number, or any other information that does not relate to making a determination about your request for relief from liability.

Part II

Line 1 – Enter the taxable year(s) for which you have an understatement or underpayment. **Do not** enter any year(s) that DRS used your refund to offset the understatement or underpayment.

Example: You were due a refund for taxable year 2004 on your single return but DRS applied the refund to unpaid joint taxes for taxable year 2003. You enter "2003" on Line 1.

Line 2 – Enter the current name and SSN of the person to whom you were married as of the end of the taxable year(s) listed on Line 1. If the name of the person shown on that year's tax return(s) is different from the current name, enter it in parentheses after the current name. For example, enter "Jane Maple (formerly Jane Oak)." Also enter the current home address and daytime telephone number if you know it.

Part III – Separation of Liability

You may request separation of liability for any understatement of tax shown on the joint return(s) you filed with the person listed on Line 2 if that person died or you and that person:

- Are divorced;
- Are legally separated; **or**
- Have lived apart at all times during the 12-month period prior to the date you file Form CT-8857.

Separation of liability applies only to amounts owed that are not paid. DRS will not issue you a refund of amounts already paid.

How to Request Separation of Liability

Attach a statement to Form CT- 8857 that shows the total amount of the understatement of tax. For each item that resulted in an understatement of tax, explain whether the item is attributable to you, the person listed on Line 2, or both of you. For example, unreported income earned by the person listed on Line 2 would be allocated to that person.

Exception: If, at the time you signed the joint return, you knew about any item that resulted in part or all of the understatement, then your request will not apply to that part of the understatement.

Part IV – Innocent Spouse Relief

You may be allowed innocent spouse relief if **all** of the following apply:

- You filed a joint return for the year(s) entered on Line 1;
- There is an understatement of tax on the return(s) due to erroneous items of the person listed on Line 2;
- You can show that when you signed the return(s) you did not know and had no reason to know the understatement of tax existed (or the extent to which the understatement existed); **and**
- Taking into account all the facts and circumstances, it would be unfair to hold you liable for the understatement of tax.

Erroneous Items

Any income, deduction, or credit is an erroneous item if it is omitted from or incorrectly reported on the joint return.

Partial Innocent Spouse Relief

If you knew about any of the erroneous items, but did not know the full extent of the item(s), you may be allowed relief for the part of the understatement you did not know about. Explain in your statement attached to Form CT- 8857 how much you knew and why you did not know, and had no reason to know, the full extent of the item(s).

How to Request Innocent Spouse Relief

Attach a statement to Form CT- 8857 of why you believe you qualify. The statement will vary depending on your circumstances, but should include **all** of the following:

- The amount of the understatement of tax for which you are liable and are seeking relief;
- The amount and a detailed description of each erroneous item, including why you had no reason to know about the item or the extent to which you knew about the item; **and**
- Why you believe it would be unfair to hold you liable for the understatement of tax.

Part V – Equitable Relief

You may be allowed equitable relief if, taking into account all the facts and circumstances, DRS determines you should not be held liable for any understatement or underpayment of tax.

Equitable relief generally applies only to:

- An underpayment of tax; **or**
- Part or all of any understatement of tax that does not qualify for both separation of liability and innocent spouse relief.

You should request separation of liability or innocent spouse relief for any understatement of tax if you are eligible. DRS will consider equitable relief for any understatement of tax if it determines innocent spouse relief and separation of liability do not apply.

How to Request Equitable Relief

Attach an explanation to Form CT-8857 of why you believe it would be unfair to hold you liable for the tax instead of the person listed on Line 2. If you are attaching a statement for separation of liability or innocent spouse relief, only include any additional information you believe supports your request for equitable relief.

Who May File Form CT-19IT

If you are required to file a Connecticut income tax return and you meet the conditions listed below, you may file Form CT-19IT:

2. Medicaid assisted in the payment of your long-term care in a nursing or convalescent home or under the Connecticut Home Care for Elders; **and**

Who May Not File Form CT-19IT

You **may not use** this form if you filed a joint return with your spouse. As joint filers, you are jointly and severally liable for payment of the tax. If one spouse is on Title 19, this does not relieve the other spouse from paying the full amount of tax due.

Claim of Right Credit

2006

Place this form on top of your completed Connecticut income tax return.
 Remember to check the box for Form CT-1040CRC on the front of your Connecticut income tax return.

Your First Name and Middle Initial	Last Name	Your Social Security Number ____-____-____
If Joint Return, Spouse's First Name and Middle Initial	Last Name	Spouse's Social Security Number ____-____-____

Purpose: If you have claim of right income for federal tax purposes and are claiming the federal claim of right credit on your 2006 federal return, you may also be entitled to a claim of right credit for Connecticut income tax purposes.

If during your 2006 taxable year you had to repay income you included in your Connecticut adjusted gross income for an earlier taxable year, and the amount you repaid is more than \$3,000, you may be able to claim a credit against your Connecticut income tax for your 2006 taxable year. If you are eligible for the *Connecticut Claim of Right Credit*, complete this schedule to claim a credit equal to the Connecticut income tax you would not have had to pay if the repaid amount had not been included in your Connecticut adjusted gross income in the earlier taxable year.

Eligibility for the Connecticut Claim of Right Credit

You are eligible for the Connecticut claim of right credit if you meet **all** of the following conditions:

- You were a resident, nonresident, or part-year resident individual who included income in Connecticut adjusted gross income for an earlier taxable year(s) (year(s) of receipt). A trust or estate is not eligible to claim relief for Connecticut income tax purposes;
- You were required to repay the income during your 2006 taxable year (year of repayment);
- The amount of the repayment exceeds \$3,000; **and**
- You determined your federal income tax liability for the year of repayment under I.R.C. §1341(a)(4) (see *Exception*) or I.R.C. §1341(a)(5).

Exceptions: I.R.C. §1341(a) requires you to determine your federal income tax liability by whichever of the following two methods results in the lesser federal income tax liability.

1. If you are required to determine your federal income tax liability using the **deduction method** (I.R.C. §1341(a)(4)), you may be eligible for the Connecticut claim of right credit. For the deduction method, you deduct the repayment on your federal income tax return for the year of repayment. Depending on the type of income you repaid, you either deduct the repayment in determining your federal adjusted gross income or in determining your federal taxable income. If the repayment is deducted in determining your federal adjusted gross income, you are **not eligible** for the Connecticut claim of right credit. See Example 2 on the back of this form. If the repayment is deducted in determining your federal taxable income and reported on federal Form 1040, Schedule A, you are eligible for the Connecticut claim of right credit. See Example 1 on the back of this form.

If the deduction results in a net operating loss for federal income tax purposes carried back to a taxable year or years preceding the year of repayment, no claim for refund is allowable for Connecticut income tax purposes for the preceding year or years on account of the loss carryback.

2. If you are required to determine your federal income tax liability using the **credit method** (I.R.C. §1341(a)(5)), you are eligible for the Connecticut claim of right credit. See Example 1 on the back of this form.

1. Provide the following information for the item of income repaid during the 2006 taxable year.

Taxable Year(s) in Which You Received the Income (Year(s) of Receipt)	Type of Income Repaid	Reason(s) for Repayment	Amount of Income Repaid During the 2006 Taxable Year

If the total amount repaid is \$3,000 or less, stop here and do not file this form. You are not entitled to this credit.

2. Which method did you use to determine your 2006 federal Income tax liability? (See Instructions above.)

Deduction Method

Credit Method (If you check the credit method, skip Line 3 and go to Line 4.)

3. Was the repayment reported as a deduction on Schedule A of the 2006 federal Form 1040?

Yes

No (If No, stop here and do not file this form. You are not entitled to this credit.)

4. Enter your Connecticut income tax liability reported on your Connecticut income tax return for the year(s) of receipt.	4.	
5. Enter your Connecticut income tax liability for the year(s) of receipt after excluding the income you were required to repay during the 2006 taxable year.	5.	
6. Subtract Line 5 from Line 4. This is your 2006 claim of right credit. Include this amount on your 2006 Form CT-1040 , Line 13; Form CT-1040NR/PY , Line 15; or Form CT-1040X , Line 17.	6.	

Nonresidents or Part-Year Residents

If you are a nonresident or part-year resident in the year of receipt and repaid income during your 2006 taxable year, you will determine the decrease in your Connecticut income tax liability for the year of receipt by excluding the repaid income from your Connecticut adjusted gross income. To the extent the repayment is derived from or connected with sources within this state, you will also exclude this repayment from your Connecticut source income.

Form CT-1040EZ Filers

You cannot file **Form CT-1040CRC** with Form CT-1040EZ. You must file either Form CT-1040 or Form CT-1040NR/PY. You may also file Form CT-1040CRC with **Form CT-1040X**, *Amended Connecticut Income Tax Return for Individuals*.

Documentation Needed to Prove Eligibility for the Connecticut Claim of Right Credit

You must submit **all** of the following documentation with your 2006 Connecticut income tax return:

- A completed Form CT-1040CRC (placed on top of your completed Connecticut income tax return);
- A copy of your completed 2006 federal income tax return (including all schedules and attachments) that you signed and filed for your 2006 taxable year;
- Proof you were required to repay income you included in Connecticut adjusted gross income for the year(s) of receipt (such as a letter from your employer requiring you to repay sales commissions);
- A copy of your completed federal income tax return (including all schedules and attachments) that you signed and filed for the year(s) of receipt; **and**
- Proof you repaid the income during your 2006 taxable year (such as a copy of your cancelled check or money order).

How to Compute the Connecticut Claim of Right Credit

Your Connecticut income tax liability for the year of repayment is an amount equal to:

- The tax for the year of repayment, computed as if there was no Connecticut claim of right credit; **minus**
- The decrease in tax for the year(s) of receipt that would result solely from the exclusion of the amount of income you were subsequently required to repay from your Connecticut adjusted gross income for the year(s) of receipt.

Line Instructions

Line 1: If you repaid income during your 2006 taxable year that you included in your Connecticut adjusted gross income for an earlier taxable year(s), enter:

- The year(s) of receipt;
- A description of the type of income repaid;
- The reason for the repayment; **and**
- The amount of income repaid. This income **must have been included** in your Connecticut adjusted gross income for the year(s) of receipt.

Line 2: Check the box to indicate if you used the deduction method or the credit method to determine your 2006 federal income tax liability. See *Exceptions* on the front for more information. If you checked the credit method, skip Line 3 and go to Line 4.

Line 3: Check the box to indicate if you reported the repayment as a deduction on Schedule A of your 2006 federal Form 1040.

Line 4: Enter the amount of your Connecticut income tax liability reported on your Connecticut income tax return for the year(s) of receipt. Enter the amount as originally filed as adjusted by DRS or as you later amended it.

Line 5: Compute the amount of your Connecticut income tax liability for the year(s) of receipt after you exclude from your Connecticut adjusted gross income for the year(s) of receipt the income you repaid during your 2006 taxable year.

Repayments of Social Security benefits may require the recalculation of your taxable benefits in order to determine the amount to exclude from Connecticut adjusted gross income.

Line 6: Subtract Line 5 from Line 4. Include this amount on your 2006 Form CT-1040, Line 13; Form CT-1040NR/PY, Line 15; or Form CT-1040X, Line 17. This amount is considered a tax payment and will be credited against your Connecticut income tax liability for your 2006 taxable year on the due date for payment of your 2006 Connecticut income tax liability. Remember to check the box for Form CT-1040CRC on the front of your Connecticut return.

Example 1: In December 2005, James, a Connecticut resident, was advanced commissions by his employer. These commissions were included in his 2005 Connecticut adjusted gross income of \$45,000. In May 2006, James's employer advised him that some of his customers had decided to cancel their purchases and he must repay \$4,000 of the commissions he received during 2005. If James was required to determine his federal income tax liability for the 2006 taxable year using the **deduction method** (I.R.C. §1341(a)(4)), he would deduct the \$4,000 as an itemized deduction on federal Form 1040, Schedule A. Assuming James's filing status on his 2005 and 2006 Connecticut income tax returns is *married filing separately* and his 2006 Connecticut adjusted gross income is \$50,000, he would compute his 2006 Connecticut income tax liability as follows:

2006 Connecticut income tax liability on \$50,000	\$2,161
Minus difference between:	
2005 tax payable on \$45,000	= \$1,844
and	
2005 tax payable on \$41,000 (\$45,000 - \$4,000)	= \$1,664
Claim of Right Credit	- \$ 180
2006 Connecticut income tax liability	\$1,981

If James was required to determine his federal income tax liability for the 2006 taxable year using the **credit method** (I.R.C. §1341(a)(5)), he would also compute his Connecticut income tax liability as shown above.

Example 2: In February 2005, Donna, a nonresident individual who works in Connecticut, realized a capital gain of \$5,000 from the sale of a capital asset. The gain was not derived from or connected with Connecticut sources. Donna included the gain in her 2005 Connecticut adjusted gross income of \$35,000. In September 2006, Donna was required to repay the purchaser of the assets \$5,000 as a result of failure to fulfill conditions of the purchase agreement. If Donna was required to determine her federal income tax liability for the 2006 taxable year using the **deduction method** (I.R.C. §1341(a)(4)), she would deduct the repayment as a capital loss on her federal Form 1040, Schedule D. For Connecticut income tax purposes, Donna is not eligible for the claim of right credit because she deducted the repayment under I.R.C. §1341(a)(4) in determining her federal adjusted gross income.

If Donna was required to determine her federal income tax liability using the **credit method** (I.R.C. §1341(a)(5)), she is eligible for the Connecticut claim of right credit to the extent that her 2005 tax liability would be decreased as a result of excluding the \$5,000 she subsequently repaid.

Line Instructions for Form CT-1041, Schedule I

Purpose: Trusts or estates that are subject to and required to pay the federal alternative minimum tax are subject to the Connecticut alternative minimum tax. Use this schedule to calculate the trust's or estate's Connecticut alternative minimum tax liability and attach it to **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates**.

Where the calculation of any individual federal item is subject to limitations, such as an alternative tax net operating loss deduction, that item may have to be recalculated if Connecticut modifications apply.

Part I

Line 1 - Fiduciary's Share of Federal Alternative Minimum Taxable Income

Enter on Line 1, the fiduciary's share of federal alternative minimum taxable income from federal Form 1041, Schedule I, Line 29. The fiduciary of a part-year resident trust must also include or exclude any tax preference items and adjustments attributable to a future year which accrued up to the time of a change in residence. If the amount on Line 1 is \$22,500 or less, **do not** complete this schedule; you are not liable for either federal or Connecticut alternative minimum tax.

Line 2 - Connecticut Modifications Attributable to Fiduciary

Enter on Line 2, the Connecticut modifications attributable to the fiduciary. Generally, this figure may be obtained from Schedule CT-1041B, Part I, Line e, Column 5 (the fiduciary adjustment). This amount can be a positive or negative number. **Do not** include amounts already included on Line 1.

Do not include the fiduciary's share of any amount that relates to interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes that was included on Form CT-1041, *Schedule A*, Line 5.

Line 4

Enter the fiduciary's share of the amount of federally tax-exempt interest or exempt-interest dividends, as defined in I.R.C. §852(b)(f), from private activity bonds issued after August 7, 1986, and included on federal Form 1041, Schedule I, Part I, Line 8.

Line 5 - Tentative Adjusted Federal Alternative Minimum Taxable Income of Fiduciary

Subtract Line 4 from Line 3 and enter the result on Line 5.

Lines 5a through 5d should be completed by full-year or part-year resident inter vivos trusts with one or more nonresident noncontingent beneficiaries. All others, go to Line 5e and enter the amount from Line 5.

5a. Enter the amount from Line 5 that is from Connecticut sources.

Full-Year Resident Trusts: Enter the amount from Schedule CT-1041C, Line 9, **plus** any Connecticut-sourced exclusions and deferral items from federal Form 1041, Schedule I, Part I.

Part-Year Resident Trusts: Enter the amount from Schedule CT-1041FA, Line 4, **plus** any Connecticut-sourced exclusions and deferral items from federal Form 1041, Schedule I, Part I, during the residency portion of the taxable year.

5b. Full-Year Resident Trusts: Subtract Line 5a from Line 5. This equals the non-Connecticut-sourced income for full-year resident trusts.

Part-Year Resident Trusts: Enter the amount from Line 5 above from non-Connecticut sources during the residency portion of the taxable year.

Generally, this would include the amount from Schedule CT-1041FA, Part I, Line 6, **plus** any deferral items and exclusion items from non-Connecticut sources during the residency portion of the taxable year included on federal Form 1041 Schedule I, Part I. In addition, include any of the appropriate modifications to Connecticut income in determining the tentative adjusted federal alternative minimum taxable income for the fiduciary, such as private activity bonds.

5c. Percentage of nonresident noncontingent beneficiaries.

a. Enter the amount from Schedule CT-1041B, Part 2, Line 2.	
b. Enter the amount from Schedule CT-1041B, Part 2, Line 3.	
c. Divide Line a by Line b and enter as a decimal (round to four places) on Form CT-1041, Schedule I, Line 5c.	•

5d. Multiply Line 5b by Line 5c and enter on Line 5d.

5e. Adjusted federal alternative minimum taxable income of fiduciary.

Resident and part-year resident inter vivos trusts with one or more nonresident noncontingent beneficiaries subtract Line 5d from Line 5 and enter the result. **All others enter the amount from Line 5.**

Line 18 - Apportionment Factor

Resident Trusts and Estates: Enter 1.0000.

Nonresident Trusts and Estates and Part-Year Resident Trusts: Determine the amount of Line 5e derived from or connected with Connecticut sources. Then divide the Connecticut-sourced portion of Line 5e by the **total** on Line 5e and enter the result. Round to four decimal places.

Part II

If you completed Part IV of federal Form 1041, Schedule I, complete this part and enter the amount from Form CT-1041, Schedule I, Line 43, on Line 12.

Lines 25, 26, 27, and 32

When entering an amount on Lines 25, 26, 27, and 32, include the Form CT-1041, *Schedule A*, modification for the gain or loss on the sale of Connecticut state and local government bonds, from Form CT-1041, *Schedule A*, Line 3 or Line 9.

Part III

Form CT-1041, Schedule I, Part III, may be used by Connecticut resident trusts and estates and part-year resident trusts only.

Resident Trusts and Estates: Use Form CT-1041, Schedule I, Part III, to claim a credit against the net Connecticut minimum tax liability for alternative minimum tax paid during the taxable year to a qualifying jurisdiction.

Part-Year Resident Trusts: Use Form CT-1041, Schedule I, Part III, to claim a credit against the net Connecticut minimum tax liability for alternative minimum tax paid to a qualifying

jurisdiction for the residency portion of the taxable year on items of income, gain, loss, or deduction attributable to that jurisdiction during the period of Connecticut residency.

A **qualifying jurisdiction** includes another state of the United States, a local government within another state, or the District of Columbia. A qualifying jurisdiction does not include the State of Connecticut, the United States, or a foreign country or its provinces (for example, Canada and Canadian Provinces).

No credit is allowed for **any** of the following:

- Alternative minimum tax paid to a jurisdiction that is not a qualifying jurisdiction;
- Alternative minimum tax paid to a qualifying jurisdiction if you claimed credit for alternative minimum tax paid to Connecticut on that qualifying jurisdiction's alternative minimum tax return or income tax return; **or**
- Payments of alternative minimum tax made to a qualifying jurisdiction on income not subject to the Connecticut alternative minimum tax.

The allowed credit must be computed separately for each qualifying jurisdiction. Use separate columns for each qualifying jurisdiction for which you are claiming a credit. You **must** attach a copy of all alternative minimum tax returns filed with qualifying jurisdictions directly following Form CT-1041, Schedule I.

Form CT-1041, Schedule I, Part III, provides two columns, A and B, to compute the credit for two qualifying jurisdictions. If you need more than two columns, create a worksheet identical to Schedule I, Part III, and attach it to the back of your Form CT-1041, Schedule I.

If you are claiming credit for alternative minimum tax paid to a qualifying jurisdiction **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of adjusted alternative minimum taxable income is taxed by both the city and the state:
 1. Use only **one** column of Form CT-1041, Schedule I, Part III, to calculate your credit;
 2. Enter the same amount of adjusted alternative minimum taxable income taxed by both the city and the state in that column on Form CT-1041, Schedule I, Part III; **and**
 3. Combine the amounts of alternative minimum tax paid to the city and the state and enter the total on Line 50 of that column.
- B. If the **amounts** of adjusted alternative minimum taxable income taxed by both the city and the state **are not the same**:
 1. Use **two** columns on Form CT-1041, Schedule I, Part III;
 2. Include only the same amount of adjusted alternative minimum taxable income taxed by both jurisdictions in the first column; **and**
 3. Include the excess amount of adjusted alternative minimum taxable income taxed by only one of the jurisdictions in the next column.

Line 44 - Modified Adjusted Federal Alternative Minimum Taxable Income

Resident Trusts and Estates: Enter the amount of adjusted federal alternative minimum taxable income from Form CT-1041, Schedule I, Part I, Line 5e. However, if this amount includes a net loss derived from or connected with sources in more than one qualifying jurisdiction, the taxpayer must add

the net loss to the amount of adjusted federal alternative minimum taxable income from Line 5e and enter the result.

Part-Year Resident Trusts: Enter the amount of adjusted federal alternative minimum taxable income from Form CT-1041, Schedule I, Part I, Line 5e, attributable to the residency portion of the taxable year. However, if a part-year resident trust's adjusted federal alternative minimum taxable income includes a net loss derived from or connected with sources in more than one qualifying jurisdiction, the taxpayer must add the net loss to the amount of adjusted federal alternative minimum taxable income from Line 5e attributable to the residency portion of the taxable year and enter the result.

Line 45 - Qualifying Jurisdiction(s)

Enter the name and two letter code of each qualifying jurisdiction to which you paid alternative minimum tax for which you are claiming credit. These codes are found below Form CT-1041, Schedule I, Part III.

Line 46 - Non-Connecticut Adjusted Federal Alternative Minimum Taxable Income

Enter the amount of the non-Connecticut adjusted federal alternative minimum taxable income included on Line 44 subject to a qualifying jurisdiction's alternative minimum tax.

Line 47

Divide the amount on Line 46 by the amount on Line 44. The result may not exceed 1.0000. Round to four decimal places.

Line 48 - Net Connecticut Minimum Tax

Resident Trusts and Estates: Enter the amount from Form CT-1041, Schedule I, Line 21.

Part-Year Resident Trusts: Enter the portion of the 2006 net Connecticut minimum tax liability attributable to the residency portion of the taxable year.

Line 50 - Alternative Minimum Tax Paid to Qualifying Jurisdiction

Resident Trusts and Estates: Enter the total amount of alternative minimum tax paid to a qualifying jurisdiction.

Part-Year Resident Trusts: Enter the amount of alternative minimum tax paid to a qualifying jurisdiction on items of income, gain, loss, or deduction derived from or connected with sources in that jurisdiction during the residency portion of the taxable year.

If the alternative minimum tax paid to that jurisdiction was also based on income earned during the nonresidency portion of the taxable year, you must prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during the period of Connecticut residency bears to the total amount of income that the trust earned in that jurisdiction in the taxable year.

Alternative minimum tax paid means the lesser of the tax liability to that jurisdiction or the tax paid to that jurisdiction, excluding penalties and interest.

Line 52 - Total Credit

Add the amounts from Line 51A, Line 51B, and Line 51 of any additional worksheets. The amount on Line 52 cannot exceed Line 49. Enter the total on Line 52 and Line 22.

Attach a copy of the alternative minimum tax return filed with each qualifying jurisdiction to the back of your Form CT-1041, Schedule I.

What's New

Taxpayer Service Center

The Department of Revenue Services (DRS) encourages Connecticut taxpayers to visit the new, electronic Taxpayer Service Center (*TSC*). The *TSC* is an interactive tool that, like the previous *WebFile* and *Fast-File* systems, offers a free, fast, easy, and secure way to conduct business. The *TSC* allows taxpayers to securely file, pay, and manage some Connecticut tax responsibilities electronically through our Web site at www.ct.gov/DRS.

The *TSC* also offers easy to get answers to the most frequently asked questions and enables taxpayers to send queries for additional information. Please visit our Web site often as additional features are planned.

Please visit the DRS Web site at www.ct.gov/DRS for more information about the new electronic *TSC* or other tax inquiries. For telephone assistance, call our Taxpayer Services Division at 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere). TTY, TDD, and Text Telephone users only may transmit inquiries by calling 860-297-4911.

Other Taxes for Which the Trust or Estate May Be Liable

The following information is a general description of other Connecticut taxes for which a trust or estate may be liable. Failure to pay these or any other taxes may subject the trust or estate to civil and criminal penalties.

To register for Connecticut income tax withholding, as well as most other Connecticut taxes administered by DRS, the fiduciary of the trust or estate must complete **Form REG-1**, *Business Taxes Registration Application*. Visit the DRS Web site to register online. If the trust or estate already has a Connecticut Tax Registration Number, the fiduciary may register for any additional taxes for which it is liable by contacting the DRS Registration Unit at 860-297-4885.

Connecticut Income Tax Withholding

Any trust or estate that maintains an office or transacts business in Connecticut (regardless of the location of the payroll department) and is considered an employer for federal income tax withholding purposes must withhold Connecticut income tax from Connecticut wages as defined in Conn. Agencies Regs. §12-706(b)-1. See **Informational Publication 2007(1)**, *Connecticut Circular CT*.

Controlling Interest Transfer Taxes

There is a tax imposed on the transfer of a controlling interest in an entity where the entity owns, directly or indirectly, an interest in Connecticut real property. This tax is reported on **Form AU-330**, *Controlling Interest Transfer Taxes*. See **Special Notice 2003(11)**, *Legislation Affecting the Controlling Interest Transfer Tax*, for more information.

Definitions

For Connecticut income tax purposes, an **estate** is either a resident estate or a nonresident estate. A **trust** is either a resident trust, nonresident trust, or part-year resident trust. **The residence of the fiduciary or the beneficiary does not affect the status of a trust or estate as resident or nonresident.**

Fiduciary applies to a person who occupies a position of special confidence toward others, such as a trustee, executor, or administrator. A fiduciary is a person who holds in trust property in which another person has a beneficial interest or who receives and controls the income of another.

Resident estate is where a decedent was a resident of Connecticut at the time of his or her death. A resident estate also includes a bankruptcy estate of an individual who, at the beginning of the bankruptcy case, is a Connecticut resident.

Nonresident estate is an estate that is not a resident estate for any part of the year.

Trust means an arrangement ordinarily created either by a will or by an inter vivos declaration whereby a trustee or trustees take title to property to protect or conserve it for beneficiaries and classified and treated as a trust for federal income tax purposes.

Testamentary trust is a trust or portion of a trust created by the will of a decedent.

Inter vivos trust is a trust created other than by the will of a decedent.

Resident trust is any trust or portion of a trust consisting of property transferred by the will of a decedent who, at the time of death, was a resident individual. If an irrevocable trust consists of property of a grantor who is a resident of this state when the trust became irrevocable, it is a resident trust.

The criteria used to determine whether a decedent or grantor is a resident of this state, for Connecticut income tax purposes, are the same criteria used to determine whether an individual is a resident of this state.

The term resident trust also includes a trust or a portion of a trust consisting of the property of: (1) a person who was a resident of this state at the time the property was transferred to the trust if the trust was then irrevocable; (2) a person who, if the trust was revocable at the time the property was transferred to the trust and has not subsequently become irrevocable, was a resident of this state at the time the property was transferred to the trust; or (3) a person who, if the trust was revocable when the property was transferred to the trust but the trust has subsequently become irrevocable, was a resident of this state at the time the trust became irrevocable.

For this purpose, a trust is **revocable** if it is subject to a power, exercisable immediately or at any future time, to revest title in the person (the grantor) whose property constitutes

the trust. A trust becomes **irrevocable** when the possibility that such power may be exercised has ended.

Nonresident trust is a trust that is not a resident trust for any part of the year.

Part-year resident trust is a trust that meets the definition of resident trust or nonresident trust for only part of the year.

Grantor trust is a legal trust under applicable state law that is not recognized as a separate taxable entity for income tax purposes because the grantor or other substantial owners have not relinquished complete dominion and control over the trust.

Connecticut alternative minimum tax is a tax imposed on certain individuals, trusts, and estates in addition to their regular income tax. Fiduciaries who have a federal alternative minimum tax liability are subject to the Connecticut alternative minimum tax. The tax rate is the lesser of 19% of adjusted federal tentative minimum tax **or** 5½% of adjusted federal alternative minimum taxable income. For information on how to calculate the adjusted federal alternative minimum taxable income of an inter vivos trust with one or more nonresident noncontingent beneficiaries, see *Connecticut Taxable Income for Certain Inter Vivos Trusts*.

The **residency status of each beneficiary** is determined as of the last day of the trust or estate's taxable year.

Distributable net income means distributable net income for federal income tax purposes.

Noncontingent beneficiary is a beneficiary whose interest is not subject to a condition precedent and includes every individual to whom a trustee of an inter vivos trust during the taxable year: (1) is required to currently distribute income or corpus (or both); or (2) properly pays or credits income or corpus (or both); or (3) may, in the trustee's discretion, distribute income or corpus (or both). Noncontingent beneficiary includes every beneficiary to whom or to whose estate any of the trust's income for the taxable year must be distributed at a specified future date or event; **and** every beneficiary who has the unrestricted lifetime or testamentary power, exercisable currently or at some future specified date or event, to withdraw any of the trust's income for the taxable year or to appoint such income to any person including the estate of the beneficiary. This also applies to a noncontingent beneficiary which is a trust or an estate. Wherever reference is made to an individual who is a noncontingent beneficiary, that reference includes a trust or estate that is a noncontingent beneficiary, but does not include a corporation that is a noncontingent beneficiary.

Contingent beneficiary is an individual (or trust or estate) who is a beneficiary, but not a noncontingent beneficiary, of a resident inter vivos trust.

Any reference to "you" in this booklet refers to the fiduciary.

Who Must File Form CT-1041

The fiduciary of a Connecticut **resident trust** or **estate** or **part-year resident trust** must file **Form CT-1041**, *Connecticut Income Tax Return for Trusts and Estates*, if the trust or estate:

- Is required to file a federal fiduciary income tax return for the taxable year; **or**
- Had any Connecticut taxable income for the taxable year.

The fiduciary of a **nonresident trust** or **estate** must file Form CT-1041 if the trust or estate:

- Had income derived from or connected with sources within Connecticut;
- Incurred a net operating loss for Connecticut income tax purposes, but not for federal income tax purposes; **or**
- Incurred a net passive activity loss or net capital loss for Connecticut income tax purposes, but did not incur a net passive activity loss or net capital loss, respectively, for federal income tax purposes.

Income derived from or connected with sources within Connecticut includes income:

- Attributable to ownership or disposition of real or tangible personal property within Connecticut including, but not

limited to, the income from the rental or sale of the property;

- Attributable to compensation for services performed in Connecticut or income from a business, trade, profession, or occupation carried on in Connecticut;
- From a partnership doing business in Connecticut;
- From an S corporation doing business in Connecticut;
- From a trust or estate with income derived from or connected with sources within Connecticut; **or**
- From reportable Connecticut Lottery winnings. Winnings from the Connecticut Lottery, including Powerball, are reportable if the winner was issued a federal Form W-2G by the Connecticut Lottery Corporation. In general, the Connecticut Lottery Corporation is required to issue a federal Form W-2G to a winner if the Connecticut Lottery winnings, including Powerball, are \$600 or more and at least 300 times the amount of the wager. See **Informational Publication 2005(16)**, *Connecticut Income Tax Treatment of State Lottery Winnings Received by Residents and Nonresidents of Connecticut*.

A trust or estate carries on a business, trade, profession, or occupation within Connecticut if:

- It maintains or operates desk space, an office, shop, store, warehouse, factory, agency, or other place **in** Connecticut where its affairs are systematically and regularly carried on; **or**
- Business activities are conducted in Connecticut with a fair measure of permanency and continuity for livelihood or profit as distinguished from isolated or incidental transactions.

A **grantor trust** required to file federal Form 1041 must file Form CT-1041 in the same manner.

Federal Form 1041-A and 5227 Filers

A fiduciary required to file federal Form 1041-A or federal Form 5227, or both, is not required to file Form CT-1041. However, the fiduciary must give appropriate information to the beneficiaries to enable them to complete their individual Connecticut income tax returns. The fiduciary must disclose to the nonresident beneficiaries the amount of income derived from or connected with Connecticut sources.

Connecticut Tax Returns for Individuals

Every fiduciary who acts for an individual whose entire income is in his or her control (for example, a guardian or conservator for an incompetent person) must file a return for a resident individual on **Form CT-1040**, *Connecticut Resident Income Tax Return*, or for a nonresident or part-year resident on **Form CT-1040NR/PY**, *Connecticut Nonresident or Part-Year Resident Income Tax Return*. In these cases, the fiduciary must pay the tax due.

Tax Returns for Decedents

The executor, administrator, or other representative of a taxpayer who died during the taxable year must file Form CT-1040, **Form CT-1040EZ**, *Connecticut Resident EZ Income Tax Return*, or Form CT-1040NR/PY depending upon the decedent's resident status.

Change of Residence of the Grantor of a Revocable Trust

If the grantor of a revocable trust changes his or her domicile from or to Connecticut between the time of transfer of the property to the trust and the time it becomes irrevocable, the residence of the trust is considered changed at the date it ceases to be revocable. In this case the fiduciary must, for the taxable year in which the change of status of the trust occurs, file **Schedule CT-1041FA**, *Fiduciary Allocation*. The change of residency of a beneficiary does not affect the status of the trust.

Connecticut Taxable Income for Certain Inter Vivos Trusts

If any resident trust or portion of a resident trust, other than a testamentary trust, has one or more nonresident noncontingent beneficiaries, the Connecticut taxable income of the trust is the sum of all income derived from or connected with sources within this state **and** that portion of all other income derived by applying a fraction to all other income. The numerator of the fraction is the number of resident noncontingent beneficiaries and the denominator is the total number of noncontingent beneficiaries.

How Part-Year Resident Trusts Are Taxed

The income of a part-year resident trust derived from or connected with sources within Connecticut is the sum of the following:

1. The fiduciary's share of Connecticut taxable income for the period of residence computed as if the taxable year for federal income tax purposes was limited to the period of residence;
2. The fiduciary's share of Connecticut taxable income derived from or connected with sources within Connecticut for the period of nonresidence determined as if the taxable year for federal income tax purposes was limited to the period of nonresidence; **and**
3. The amount of special accruals. See *Special Accruals*.

Connecticut Income Taxation of Bankruptcy Estates

Cases under Chapter 7 or Chapter 11 of the Bankruptcy Code: The passage by Congress of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (BAPCPA), has harmonized the state income tax treatment of bankruptcy estates with the federal income tax treatment of bankruptcy estates. Where the debtor is an individual, the commencement

of a case under Chapter 7 or Chapter 11 of the Bankruptcy Code creates a bankruptcy estate for federal and Connecticut income tax purposes.

The estate's Connecticut income tax liability is computed on its Connecticut taxable income, but the starting point in computing the estate's Connecticut taxable income is its federal taxable income. In computing the estate's Connecticut taxable income, not all items of income or gain that are taxable to the estate for federal income tax purposes are taxable for Connecticut income tax purposes, and not all items of loss and deduction that are allowable to the estate for federal income tax purposes are allowable for Connecticut income tax purposes. The computation of an estate's Connecticut fiduciary adjustment takes into account items of income taxable for federal income tax purposes but not for Connecticut income tax purposes or vice versa; and items of deductions allowable for federal income tax purposes but not for Connecticut income tax purposes or vice versa. An estate's share of the Connecticut fiduciary adjustment is added to or subtracted from the estate's federal taxable income in computing its Connecticut taxable income. In the case of the bankruptcy estate of a debtor who is an individual, the estate's share of the Connecticut fiduciary adjustment is 100%. The estate is also subject to the Connecticut alternative minimum tax, if applicable.

The rates at which Connecticut income tax is imposed on the bankruptcy estate of a debtor who is an individual are the rates generally applicable to estates under Chapter 229 of the Connecticut General Statutes (the Connecticut Income Tax Act). Except as otherwise provided by BAPCPA, the time and manner of filing tax returns are determined under the Connecticut Income Tax Act. While the federal taxable income of a bankruptcy estate of a debtor who is an individual is computed on a federal Form 1040, with federal Form 1041 being used only as a transmittal for the estate's federal Form 1040, the Connecticut taxable income of the bankruptcy estate of a debtor who is an individual is computed on Form CT-1041. Therefore, where Form CT-1041 is filed for a bankruptcy estate, references on Form CT-1041 to federal taxable income of fiduciary (from federal Form 1041, Line 22) are references to the federal taxable income computed on the estate's federal Form 1040. To determine whether the trustee of a bankruptcy estate is required to file Form CT-1041, see *Who Must File Form CT-1041* on Page 6.

Note: In a case under Chapter 11 of the Bankruptcy Code where the debtor is an individual, earnings from services performed by the debtor after the commencement of the case and income from property acquired by the debtor after the commencement of the case (but before, in each instance, the case is closed, dismissed, or converted to a case under Chapter 7, 12, or 13 of the Bankruptcy Code, whichever occurs first) are, in general, includible in the estate's gross income, rather than in the debtor's gross income, for federal and Connecticut income tax purposes. See IRS Notice

2006-83, Individual Chapter 11 Debtors, I.R.B. 2006-40 (October 2, 2006), for more details. This provision does not apply to a case under Chapter 7 of the Bankruptcy Code where the debtor is an individual.

Cases under Chapter 12 or Chapter 13 of the Bankruptcy Code: Where the debtor is an individual, the commencement of a case under Chapter 12 or Chapter 13 of the Bankruptcy Code does not create a bankruptcy estate for federal or Connecticut income tax purposes. No Form CT-1041 must be filed where a case under Chapter 12 or Chapter 13 of the Bankruptcy Code has been commenced.

Connecticut Income Taxation of Debtors Who Are Individuals

Taxation of a debtor who is an individual in a case under Chapter 7 or Chapter 11 of the Bankruptcy Code: The income, gain, loss, and deductions that are taxed to and claimed by the estate for federal income tax purposes will not be taxed to and claimed by the debtor for federal income tax purposes. The Connecticut income tax liability of a debtor who is an individual is computed on his or her Connecticut adjusted gross income, but the starting point in computing the debtor's Connecticut adjusted gross income is his or her federal adjusted gross income. In computing the debtor's Connecticut adjusted gross income, not all items of income or gain that are taxable to the debtor for federal income tax purposes are taxable for Connecticut income tax purposes, and not all items of loss and deduction that are allowable to the debtor for federal income tax purposes are allowable for Connecticut income tax purposes. To determine whether the debtor is required to file a Connecticut income tax return (Form CT-1040 or Form CT-1040EZ, if a resident individual, or Form CT-1040NR/PY, if a nonresident or part-year resident individual), see the filing instructions contained in the booklets for those returns.

Important: Debtors in a case under Chapter 11 of the Bankruptcy Code should review the preceding **Note**.

Taxation of a debtor who is an individual in a case under Chapter 12 or Chapter 13 of the Bankruptcy Code: Where the debtor is an individual, the commencement of a case under Chapter 12 or Chapter 13 of the Bankruptcy Code does not create a bankruptcy estate for federal or Connecticut income tax purposes. The Connecticut income tax liability of a debtor who is an individual is computed on his or her Connecticut adjusted gross income, but the starting point in computing the debtor's Connecticut income tax liability is the amount of his or her federal adjusted gross income. In computing the debtor's Connecticut adjusted gross income, not all items of income, gain, loss, or deductions that are taxed to and claimed by the debtor for federal income tax purposes are taxed to

and claimed by the debtor for Connecticut income tax purposes. To determine whether the debtor is required to file a Connecticut income tax return (Form CT-1040 or Form CT-1040EZ, if a resident individual, or Form CT-1040NR/PY, if a nonresident or part-year resident individual), see the filing instructions contained in the booklets for those returns.

Qualified Funeral Trusts (QFT)

A trustee that makes the election to be taxed as a QFT, for federal income tax purposes, and files federal Form 1041-QFT, U.S. Income Tax Return for Qualified Funeral Trusts, will file Form CT-1041 in the same manner as any other inter vivos trust. (See *Form CT-1041 Quick-File Requirements* on Page 13 or *Form CT-1041 Line Instructions* on Page 14.) If you do not meet the *Quick-File Requirements*, see *Form CT-1041 Line Instructions*. The trustee should write "**QFT election**" in the Type of Entity section at the top of the front of Form CT-1041.

In the case of a QFT, wherever reference is made in this booklet and on Form CT-1041 to federal Form 1041, Line 22, substitute federal Form 1041-QFT, Line 12.

Composite Return

A trustee that files one aggregate federal Form 1041-QFT for all QFTs of which he or she is the trustee must provide an attachment with Form CT-1041 to provide the following information:

- The number of QFTs included in the aggregate return;
- The name, address, and Social Security Number of the grantor(s) for each QFT; **and**
- All corresponding beneficiaries for each QFT.

A trustee may file one aggregate Form CT-1041 for all Connecticut resident QFTs. The trustee must be able to provide to DRS, upon request, detailed information for each separate QFT that would have been reported on Schedule CT-1041B, Part 1, and if applicable, Schedule CT-1041B, Part 2; Schedule CT-1041C; and Schedule CT-1041FA. A trustee may file one aggregate Form CT-1041 for all nonresident QFTs that have Connecticut-sourced income. The trustee must be able to provide to DRS, upon request, detailed information for each separate QFT that would have been reported on Schedule CT-1041B, Part 1, and Schedule CT-1041FA, Parts 3, 2, and 1.

Reporting for a Portion of a Resident Trust

If a QFT has **both resident and nonresident grantors**, the trustee shall show how the resident percentage is arrived at for the QFT. This percentage should be multiplied by the federal taxable income to arrive at the amount to report on Schedule CT-1041C, Line 4.

Special Accruals

A part-year resident trust must recognize and report items of income, gain, loss, or deduction on the accrual basis regardless of the method of accounting normally used. In general, an item of income is subject to special accrual if the right to receive it is fixed and the amount to be paid is determinable with reasonable accuracy at the time the trust changes residency status.

Example: A part-year resident trust sold property on an installment basis prior to changing from a resident trust to a nonresident trust and accrued the entire gain on the sale of that property to the residency portion of the year.

If the trust became a Connecticut resident trust during the taxable year, it must accrue to the nonresidency portion of the year any item of income, gain, loss, or deduction which under an accrual method of accounting would be reportable at the time it changed its residence. No accrual is required or allowed for items of income, gain, loss, or deduction derived from or connected with sources within Connecticut.

If the trust ceases to be a Connecticut resident trust, it must accrue any item of income, gain, loss, or deduction which under an accrual method of accounting would be reportable at the time the residence was changed. This includes income or gain it elected to report on the installment basis.

Surety Bond in Lieu of Special Accruals

The fiduciary may elect to defer payment of Connecticut income tax on items of special accrual by filing a surety bond with DRS for an amount not less than the additional Connecticut income tax that would be payable if no surety bond or other security were filed. If you choose this option, you must file Form CT-1041 for the taxable year when the trust changed its residence and include a separate statement showing the nature and amount of each item of accrual as of the date of change of residence, together with a computation of the additional Connecticut income tax that would be due if the election to file a surety bond had not been made. For more information on the requirements for a surety bond, contact DRS and request a copy of Conn. Agencies Regs. §12-717(c)(4)-1, **Form CT-12-717A, Change of Resident Status - Special Accruals Connecticut Surety Bond Form**, and **Form CT-12-717B, Change of Resident Status - Special Accruals Other Acceptable Security Form**.

Taxable Year and Method of Accounting

The fiduciary of a trust or estate must use the same taxable year and method of accounting for Connecticut income tax purposes that is used for federal income tax purposes.

If the taxable year or method of accounting is changed for federal income tax purposes, the same changes must be made for Connecticut income tax purposes. If a return for a period of less than 12 months is filed for federal income tax purposes, the fiduciary must also file a short period return for Connecticut income tax purposes.

When to File Form CT-1041

Form CT-1041 is due on or before April 15, 2007. If the trust or estate is not a calendar year filer, the return is due no later than the fifteenth day of the fourth month following the close of the taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

The return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

Using the 2006 Form CT-1041 for a Taxable Year Beginning in 2007

The 2006 Form CT-1041 may be used for a taxable year beginning in 2007 if:

1. The trust or estate has a taxable year of less than 12 months that begins and ends in 2007; **and**
2. The 2007 Form CT-1041 is not available by the time the trust or estate is required to file its tax return. However, the trust or estate must enter the beginning and ending dates of the taxable year on the 2006 Form CT-1041 and incorporate any tax law changes effective for taxable years beginning on or after January 1, 2007.

The fiduciary must attach an explanatory note to the front of the return if the return is for a short year beginning and ending in 2007.

If you file your return late or do not pay all the tax due with your return, see *Interest and Penalties* to determine if you must report interest and penalty with this return.

Extension Requests

Extension of Time to File

If the trust or estate cannot meet the filing deadline, the fiduciary must file **Form CT-1041 EXT**, *Application for Extension of Time to File Connecticut Income Tax Return for Trusts and Estates*, and pay all of the tax the trust or estate expects to owe on or before the due date. Form CT-1041 EXT is contained in this booklet. Filing this form will automatically extend the due date for **six months** if a federal Form 7004, Application for Automatic Extension of Time to File Certain Business Income, Information, and Other Returns, has been filed. If federal Form 7004 was not filed, the fiduciary can apply for a six-month extension to file Form CT-1041 provided there is reasonable cause for the request. You are not required to attach a copy of the federal extension request to Form CT-1041 EXT.

Form CT-1041 EXT only extends the time to **file** Form CT-1041; it **does not** extend the time to pay the tax due. See *Interest and Penalties* if you do not pay all the tax due with your request for extension.

If the fiduciary is unable to request an extension because of illness, absence, or other good cause, any person standing in a close personal or business relationship to the fiduciary (including an attorney, accountant, or enrolled agent) may sign the request on the fiduciary's behalf. This person is considered a duly authorized agent for this purpose provided the request states the reason(s) for a signature other than that of the fiduciary and states the relationship existing between the fiduciary and the signer.

Extension of Time to Pay the Tax

The fiduciary may be eligible for a six-month extension of time to pay the tax due if it can be shown that paying the tax by the due date will cause undue hardship. The fiduciary may request an extension by filing **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1041 or Form CT-1041 EXT and send it on or before the due date. As evidence of the need for extension, the fiduciary must attach:

- A statement of assets and liabilities;
- An itemized list of receipts and disbursements for the preceding three months; **and**
- An explanation of why the fiduciary cannot borrow money to pay the tax due.

If an extension of time to pay is granted and the fiduciary pays all the tax due by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. The fiduciary should make payments as soon as possible to reduce the interest the trust or estate would otherwise owe. Write the Social Security Number or Federal Employer Identification Number (if applicable), and "**2006 Form CT-1041**" on the check or money order. Mail payments to:

**Department of Revenue Services
Accounts Receivable Unit
PO Box 5088
Hartford CT 06102-5088**

Where to File

Use the pre-addressed envelope enclosed with the return or mail to:

**Department of Revenue Services
PO Box 2934
Hartford CT 06104-2934**

Estimated Tax Payments

Estates and certain trusts are required to make estimated income tax payments for any taxable year ending two or more years after the date of the decedent's death. For additional information on when certain trusts are required to make estimated income tax payments, see I.R.C. §§671 through 679.

A payment of estimated Connecticut income tax is generally required if the Connecticut income tax (after tax credits) **minus** Connecticut tax withheld is **\$1,000 or more and** it is expected the Connecticut income tax withheld will be less than the required annual payment.

2007 Estimated Tax Due Dates

Due dates of installments and the amount of required payments for 2007 calendar year taxpayers are:

April 15, 2007	25% of your required annual payment
June 15, 2007	25% of your required annual payment (A total of 50% of your required annual payment should be paid by this date.)
September 15, 2007	25% of your required annual payment (A total of 75% of your required annual payment should be paid by this date.)
January 15, 2008	25% of your required annual payment (A total of 100% of your required annual payment should be paid by this date.)

An estimate is considered timely filed if received on or before the due date, or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date. Taxpayers who report on other than a calendar year basis should use their federal estimated tax installment due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Required Annual Payment

The required annual income tax payment for the 2007 taxable year is the lesser of:

- **90%** of the income tax shown on the **2007 Connecticut income tax return**; **or**
- **100%** of the income tax shown on the **2006 Connecticut income tax return** if the fiduciary filed a 2006 income tax return that covered a full 12-month period.

The fiduciary of a trust or estate is not required to make estimated income tax payments if a 2006 income tax return was not filed for a:

- Resident trust or estate because the resident trust or estate had no Connecticut income tax liability; **or**
- Nonresident estate or trust or part-year resident trust with Connecticut-sourced income during the 2006 taxable year because the nonresident estate or trust or part-year resident trust had no Connecticut income tax liability.

If a nonresident estate or trust or part-year resident trust did not have Connecticut-sourced income in 2006, the fiduciary must use 90% of the income tax shown on the 2007 Connecticut income tax return as the required annual payment.

Use **Form CT-1041ES**, *Estimated Connecticut Income Tax for Trusts and Estates*, to make estimated Connecticut income tax payments for 2007.

Annualized Income Installment Method

If the trust or estate income varies throughout the year, the trust or estate may be able to reduce or eliminate the amount of an estimated tax payment for one or more periods by using the annualized income installment method. See **Informational Publication 2006(25)**, *A Guide to Calculating Your Annualized Estimated Tax Installments and Worksheet CT-1040 AES*, and **Form CT-2210**, *Underpayment of Estimated Income Tax by Individuals, Trusts, and Estates*.

Special Rules for Farmers and Fishermen

If the trust or estate is classified as a farmer or fisherman (as defined in the I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you must make only **one** payment. Your payment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of $66\frac{2}{3}\%$ of the income tax shown on the 2007 Connecticut income tax return or 100% of the income tax shown on the 2006 Connecticut income tax return.

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for underpayment of estimated tax.

Farmers or fishermen who use these special rules must complete and attach Form CT-2210 to their Connecticut income tax return to avoid being billed for interest on the underpayment of estimated income tax. Form CT-2210, Part I, Box D, must be checked as well as the box for Form CT-2210 on the front of Form CT-1041. See **Informational Publication 2006(20)**, *Farmer's Guide to Sales and Use Taxes, Motor Vehicle Fuels Tax, Estimated Income Tax, and Withholding Tax*, and **Informational Publication 2005(8)**, *Fisherman's Guide to Sales and Use Taxes and Estimated Income Tax*.

Interest on Underpayment of Estimated Tax

If the fiduciary did not pay enough tax through withholding or estimated payments, or both, by any installment due date, the fiduciary may be charged interest. This is true even if the fiduciary is due a refund on the income tax return. Interest is calculated separately for each installment. Therefore, the fiduciary may owe interest for an earlier installment even if the fiduciary paid enough tax later to make up the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the **earlier of** April 15, 2007, or the date on which the underpayment is paid.

A fiduciary who files a 2006 Connecticut income tax return on or before January 31, 2007, and pays in full the amount computed on the return as payable on or before that date, will not be charged interest for failing to make the estimated payment due January 15, 2007.

Filing Form CT-2210

The fiduciary may be charged interest if the 2006 Connecticut income tax (after tax credits) minus Connecticut tax withheld is \$1,000 or more. Use Form CT-2210 to calculate interest on the underpayment of estimated tax. Form CT-2210 and detailed instructions are available from DRS. However, this is a complex form and you may prefer to have DRS calculate the interest and send you a bill.

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If the fiduciary does not pay the tax when due, the fiduciary will owe interest at the rate of 1% (.01) per month or fraction of a month until the tax is paid in full.

If the fiduciary did not pay enough tax through withholding or estimated payments, or both, by any installment due date, interest may be charged. This is true even if you are due a refund when the income tax return is filed. See *Interest on Underpayment of Estimated Tax* above.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of income tax is 10% (.10) of the tax due. If a request for an extension of time has been granted, the fiduciary can avoid a penalty for failure to pay the full amount due by the original due date if the fiduciary:

- Pays at least 90% of the income tax shown to be due on the return on or before the original due date of the return; **and**
- Pays the balance due with the return on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Penalty for Failure to File

If the fiduciary does not file the return and DRS files a return for the fiduciary, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If the fiduciary was required to file an amended Form CT-1041 and failed to do so, a penalty may be imposed. See *Amended Returns*.

Waiver of Penalty

The fiduciary may be able to have the penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest **cannot** be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete explanation;
- The name of the trust or estate, Federal Employer Identification Number, and Social Security Number (if applicable);
- The name of the original form filed or billing notice received;
- The taxable filing period; **and**
- Documentation supporting your explanation.

Attach the penalty waiver request to the **front** of the tax return or mail separately to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089**

Recordkeeping

Make a copy of the tax return, worksheets you used, and records of all items appearing on the return (such as W-2 and 1099 forms) until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

Copies of previously-filed Connecticut income tax returns may be requested from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. Requests are normally processed in three weeks.

Instructions for Form CT-1041

Filing Year

All information on **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates**, should be for the calendar year January 1 through December 31, 2006, or any fiscal year beginning in 2006. If filing for a fiscal year or short taxable year, enter the month and day the taxable year began and the month, day, and year it ended at the top of the front page.

Name, Address, and Federal ID Number

Enter the name of the trust or estate and the name and address of the fiduciary in the spaces at the top of the return. Also, enter the Federal Employer Identification Number (FEIN) of the trust or estate in the space provided. If it is necessary to file without an FEIN, notify DRS once the number has been obtained from the Internal Revenue Services (IRS). If an estate, also enter the decedent's Social Security Number (SSN).

Enter the name of the trust or estate and the FEIN on all applicable schedules in the spaces provided.

Type of Return

Final Return

Check this box if this is a final return because the trust or estate has been terminated.

Amended Return

Check this box if this is an amended return.

Residency Status

Enter the date the trust or estate was created and the date the trust or estate was terminated (if applicable) in the space provided.

Check only one applicable box to identify the resident status of the trust or estate.

The trust would be a **part-year resident trust** if:

- A trust was revocable when property was transferred to the trust but subsequently has become irrevocable; **and**
- The residency status of the grantor (whether as a resident or nonresident individual) during the taxable year the trust became irrevocable differs from the residency status of the grantor during the taxable year that property was transferred to the trust.

Type of Entity

Check the applicable box to identify the type of trust or estate. Also check the appropriate box to indicate if the trust was created by the will of the decedent or is an inter vivos trust.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents when adding and round off only the total. If you do not round, DRS will disregard the cents.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Negative Numbers

When entering a negative number, you must precede the number with a minus sign or bracket the amount.

Form CT-1041 Quick-File Requirements

The fiduciary of a resident estate or full-year resident trust may Quick-File Form CT-1041 if all of the following are true for taxable years beginning on or after January 1, 2000. The resident estate or full-year resident trust has no:

- Nonresident beneficiaries;

Credit for Income Taxes Paid to Qualifying Jurisdictions

Resident estates, full-year resident trusts, and part-year resident trusts use the worksheet on Page 17 to calculate a credit against the Connecticut income tax liability for income taxes paid for the taxable year to another state or a political subdivision of that state or to the District of Columbia. Credit may only be claimed if the income on which taxes were paid was derived from or connected with sources within the qualifying jurisdiction. For part-year resident trusts, the credit is allowed only for that portion of the taxable year in which a taxpayer was a Connecticut resident trust.

No credit is allowed for any of the following:

- Income tax payments made to a qualifying jurisdiction on income not included in Connecticut taxable income;
- Income tax paid to a jurisdiction that is not a qualifying jurisdiction, including a foreign country or its provinces (for example, Canada and Canadian provinces);
- Alternative minimum tax paid to a qualifying jurisdiction;
- Income tax paid to a qualifying jurisdiction if the fiduciary claimed credit on that other jurisdiction’s income tax return for income taxes paid to Connecticut; **or**
- Penalties or interest on income taxes the fiduciary paid to a qualifying jurisdiction.

The allowed credit must be separately computed for each qualifying jurisdiction. Use separate columns for each jurisdiction for which you are claiming a credit. If you need more than two columns, you should create an identical worksheet. Attach a copy of all income tax returns filed with qualifying jurisdictions to the back of your Form CT-1041 or the credit will be disallowed.

If you are claiming credit for income taxes paid to another state **and** to one of its political subdivisions, follow these rules to determine your credit:

- A. If the **same amount** of income is taxed by both the city and state:
 1. Use only **one** column of the worksheet to calculate your credit;
 2. Enter the same income taxed by both the city and state on Line 2 on the worksheet; **and**
 3. Combine the amounts of tax paid to the city and the state on that income and enter the total on Line 6.
- B. If the **amounts** of income taxed by both the city and state **are not the same**:
 1. Use two columns on the worksheet;
 2. Enter only the income taxed by both jurisdictions on Line 2 in the first column; **and**
 3. Enter the excess income taxed by only one of the jurisdictions in the next column.

The credit claimed cannot exceed the amount of tax due to Connecticut on that portion of income taxed in another jurisdiction.

Worksheet Instructions

Line 1 - Connecticut Taxable Income of Fiduciary

Resident Trust or Estate

Enter:

1. The Connecticut taxable income of the fiduciary from Form CT-1041, Line 1; **and**
2. Any net loss derived from or connected with sources in one or more qualifying jurisdictions where you were subject to income taxation (whether or not income tax was actually paid to the jurisdictions).

Example: Taxpayer B, a resident trust, has taxable income of \$70,000, which includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$15,000 from a business conducted in Rhode Island. The fiduciary of this trust must add the \$15,000 net loss to the \$70,000 and enter \$85,000 on Line 1.

Part-Year Resident Trust

Enter the amount from Schedule CT-1041FA, Part 1, Line 9, with the following exceptions:

1. Add to the amount from Schedule CT-1041FA, Part 1, Line 9, any **net** loss derived from or connected with sources in one or more qualifying jurisdiction(s) where you were subject to income taxation whether or not income tax was actually paid to the jurisdiction(s).
2. For the period the trust is a Connecticut resident trust, add back any item of loss or deduction and subtract any item of income or gain that is an item of special accrual.

Enter the modified amount on Line 1 of the worksheet.

Example: Taxpayer L, a part-year resident trust, has taxable income from its residency period of \$60,000, which includes income of \$15,000 from business activities conducted in Massachusetts and a net loss of \$20,000 from a business conducted in Rhode Island. The fiduciary of this trust must add the \$20,000 net loss to the \$60,000 and enter \$80,000 on Line 1.

Line 2 - Non-Connecticut Income Resident Trust or Estate

Enter the total non-Connecticut income included on Line 1 and reported on another jurisdiction's income tax return.

Part-Year Resident Trust

Enter the total non-Connecticut income for the period of Connecticut residency included on Line 1 and reported on another jurisdiction's income tax return.

For the period the trust is a Connecticut resident trust, add back any item of loss or deduction and subtract any item of income or gain that is an item of special accrual.

Line 3

Resident and Part-Year Resident Trust

Divide Line 2 by Line 1. The result cannot exceed 1.0000. Round to four decimal places.

Line 4 - Connecticut Income Tax Liability Resident Trust or Estate

Enter the Connecticut tax liability as shown on Form CT-1041, Line 2.

Part-Year Resident Trust

Enter the allocated Connecticut income tax liability as shown on Schedule CT-1041FA, Line 12. To determine the Connecticut income tax liability of a part-year resident trust, the tax applies to the income derived from or connected with sources within this state. The income derived from or connected with sources within this state for a part-year resident trust is the sum of the trust's Connecticut taxable income during the residency portion of the taxable year **and** the trust's income derived from or connected with sources within Connecticut during the nonresidency portion of the taxable year.

Worksheet for Credit for Income Taxes Paid to Qualifying Jurisdictions

2. Non-Connecticut income included on Line 1 above 2.		
3. Divide Line 2 by Line 1 (may not exceed 1.0000). 3.	.	.
4. Connecticut tax liability 4.		
5. Multiply Line 3 by Line 4. 5.		
6. Income tax paid to a qualifying jurisdiction 6.		
7. Enter the lesser of Line 5 or Line 6. 7.		
8. Total Credit: Add the amount on Line 7 for each column. 8.		.00

Line 5

Multiply Line 3 by Line 4 and enter the result.

Line 6 - Income Tax Paid to Qualifying Jurisdictions

Resident Trust or Estate

Enter the total amount of income tax paid to a qualifying jurisdiction for the taxable year.

Income tax paid means the lesser of the tax liability to that jurisdiction or the tax the trust or estate paid to that jurisdiction as reported on a return filed with that jurisdiction excluding any penalty or interest. Do not report taxes withheld for the qualifying jurisdiction.

Part-Year Resident Trust

Enter the total amount of income tax paid to a qualifying jurisdiction for the period of Connecticut residency only.

If the tax the trust paid to that jurisdiction was also based on income earned during the nonresidency period, prorate the amount of tax for which you are claiming credit. The proration is based upon the relationship that the income earned in that jurisdiction during the period of Connecticut residency bears to the total amount of income the trust earned in that jurisdiction in the taxable year.

Example: Taxpayer H, a part-year resident trust, conducted business in Rhode Island all year and paid \$1,200 in Rhode Island tax in 2006. The trust's total Rhode Island income for 2006 was \$20,000 of which \$15,000 was earned while the trust was a Connecticut resident trust. The income tax paid to Rhode Island during the Connecticut residency period is:

$$\frac{\$15,000}{\$20,000} \times \$1,200 = \$900$$

The fiduciary of this trust should enter \$900 on Line 6.

Income tax paid means the lesser of the trust's tax liability to the qualifying jurisdiction or the tax the trust paid to that jurisdiction as reported on a return filed with that jurisdiction excluding any penalty or interest. Do not report taxes withheld for the qualifying jurisdiction.

Line 7

Enter the lesser of Line 5 or Line 6.

Line 8 - Total Credit for Income Taxes Paid to Qualifying Jurisdictions

Add the amounts from Line 7A, Line 7B, and Line 7 of any additional worksheets. The amount on Line 8 cannot exceed the amount on Line 5. Enter the total here and on Form CT-1041, Line 4.

Attach a copy of the income tax return filed with each qualifying jurisdiction to your Connecticut income tax return or the credit will be disallowed.

Connecticut Fiduciary Adjustment

Use *Schedule A* to compute the Connecticut fiduciary adjustment, which is then allocated among the trust or estate and its beneficiaries in Schedule CT-1041B, Part 1. The fiduciary adjustment is the net amount of the additions and subtractions enumerated on *Schedule A*, which relate to items of income, gain, loss, or deduction of the trust or estate.

Amount Paid or Set Aside for Charitable Purposes

When calculating the fiduciary adjustment on *Schedule A*, do not include the modifications for any amount paid or set aside for a charitable purpose during the taxable year. See instructions for federal Form 1041-A, U.S. Information Return Trust Accumulation of Charitable Amounts, and federal Form 5227, Split-Interest Trust Information Return, for information on charitable deductions.

Member of a Pass-Through Entity

If the trust or estate has income as a member of a pass-through entity, any additions or subtractions that apply to the income should be included on *Schedule A*. You may obtain the trust's or estate's share of the entity's items from Schedule CT K-1, *Member's Share of Certain Connecticut Items*.

Beneficiary of Another Trust or Estate

If the trust or estate is a beneficiary of another trust or estate, you may generally obtain the share of the fiduciary adjustment of the other trust or estate to be included on *Schedule A* from its fiduciary.

The trust or estate must make the additions and subtractions for its taxable year within which the taxable year of any S corporation, partnership, or trust or estate of which it is a shareholder, partner, or beneficiary, respectively, ends.

Entering Additions and Subtractions

Enter on Line 11 any expense related to the amounts entered on *Schedule A*, Lines 1 through 4, to the extent deductible in determining federal taxable income prior to the deductions related to distributions to beneficiaries. Do not net the expenses against the amounts entered on Lines 1 through 4.

Enter on Line 5 any expense related to the amounts entered on *Schedule A*, Lines 7 through 10, to the extent deductible in determining federal taxable income prior to the deductions related to distributions to beneficiaries. Do not net the expenses against the amounts entered on Lines 7 through 10.

Example: To the extent deductible in determining federal taxable income prior to the deductions relating to distributions to beneficiaries, interest expenses on indebtedness incurred to purchase:

1. State and local government bonds, the interest from which is subject to Connecticut income tax but exempt from federal income tax, is entered on Line 11 and not netted against the amount entered on Line 1.
2. U.S. government bonds, the interest from which is subject to federal income tax but exempt from Connecticut income tax, is entered on Line 5 and not netted against the amount entered on Line 7.

Instructions for Schedule A

See **Policy Statement 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*, to determine if you are required to make an adjustment.

Additions to Federal Taxable Income

Enter all amounts as positive numbers.

Line 1 - Interest on State and Local Government Obligations Other Than Connecticut

Enter the total amount of interest income derived from state and municipal government obligations, other than obligations of the State of Connecticut or its municipalities, which is not taxed for federal income tax purposes. Do not enter interest income derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Line 2 - Exempt-Interest Dividends Received From a Mutual Fund Derived From State or Municipal Government Obligations Other Than Connecticut

Enter the total amount of exempt-interest dividends received from a mutual fund derived from state and municipal government obligations other than obligations of the State of

Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut or other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states, including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% would be added back on Line 2.

Line 3 - Loss on Sale of Connecticut State and Local Government Bonds

Enter the total amount of losses from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities.

Line 4 - Connecticut Income Tax Payments Deducted in Determining Federal Taxable Income

Add back any Connecticut income tax paid or accrued to the extent deductible in determining federal taxable income prior to deductions relating to distributions to beneficiaries.

Line 5 - Other

Use Line 5 to add back any:

1. Expenses paid or incurred for the production (including management, conservation, and maintenance of property held for the production) or collection of income exempt from Connecticut income tax to the extent deductible in determining federal taxable income prior to deductions relating to distributions to beneficiaries;
2. Amortizable bond premium on bonds producing interest income exempt from Connecticut income tax to the extent deductible in determining federal taxable income prior to deductions relating to distributions to beneficiaries;
3. Interest or dividend income on obligations or securities of any authority, commission, or instrumentality of the United States which federal law exempts from federal income tax but does not exempt from state income taxes; **or**
4. Interest expenses on indebtedness incurred or continued to purchase or carry obligations or securities, the income from which is exempt from Connecticut income tax, to the extent deductible in determining federal taxable income prior to deductions relating to distributions to beneficiaries.

Line 6 - Total Additions

Add Lines 1 through 5.

Subtractions to Federal Taxable Income

Enter all amounts as positive numbers.

Line 7 - Interest on U.S. Government Obligations

Enter the total of any interest income (to the extent includable in federal taxable income) derived from U.S. government obligations which federal law prohibits states from taxing (for example, U.S. government bonds such as Savings Bonds Series EE and Series HH or U.S. Treasury bills and notes).

Do not enter the amount of interest earned on Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing interest income derived from these obligations and this interest income is taxable for Connecticut income tax purposes. Do not enter the amount of interest paid to you on any federal income tax refund.

Line 8 - Exempt Dividends From Certain Mutual Funds Derived From U.S. Government Obligations

Enter the total amount of exempt dividends received from a qualifying mutual fund derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter of its taxable year**, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to you by the mutual fund. (See Line 7 instructions above.)

Line 9 - Gain on Sale of Connecticut State and Local Government Bonds

Enter the total amount of all gains from the sale or exchange of notes, bonds, or other obligations of the State of Connecticut or its municipalities.

Line 10 - Refunds of Connecticut Income Tax

Enter the amount of taxable refunds of Connecticut income tax reported on federal Form 1041, Line 8.

Line 11 - Other

To the extent not deductible in determining federal taxable income prior to deductions relating to distributions to beneficiaries, use Line 11 to subtract:

- Any interest paid on indebtedness incurred to acquire investments that provide income taxable in Connecticut but not taxable for federal purposes;
- Expenses paid or incurred for the production (including management, conservation, and maintenance of property held for production) or collection of income taxable in Connecticut but exempt from federal income tax; **or**
- Any amortizable bond premium on bonds that provide interest income taxable in Connecticut but exempt from federal income tax.

Do **not** use Line 11 to subtract income subject to tax in another jurisdiction. See *Worksheet for Credit for Income Taxes Paid to Qualifying Jurisdictions*, Line 4.

Line 12 - Total Subtractions

Add Lines 7 through 11.

Line 13 - Connecticut Fiduciary Adjustment

Subtract Line 12 from Line 6. Enter here and on Schedule CT-1041B, Part 1, Line f, Column 5. This amount may be positive or negative.

If you have a Connecticut fiduciary adjustment, complete Schedule CT-1041B, Part 1, to calculate the fiduciary's and each beneficiary's share of the Connecticut fiduciary adjustment.

Schedule CT-1041B, Part 2, should only be completed by full-year resident or part-year resident inter vivos trusts with any nonresident noncontingent beneficiaries to calculate the percentage of resident noncontingent beneficiaries. The status of the beneficiaries is determined as of year end.

Form CT-1041, Questions A, B, and C

The fiduciary **must** complete Form CT-1041, Questions A, B, and C. All inter vivos trusts claiming a resident noncontingent beneficiary percentage on Schedule CT-1041B, Part 2, **must** complete Form 1041, Question A, or this percentage could be disallowed.

Instructions for Schedule CT-1041B

Part 1 - Shares of Connecticut Fiduciary Adjustment

Part 1 shows the distribution of the Connecticut fiduciary adjustment among the beneficiaries and the fiduciary of the trust or estate. The shares of the beneficiaries and of the fiduciary in the Connecticut fiduciary adjustment, *Schedule A*, Line 13, are in proportion to their respective shares of federal distributable net income of the trust or estate.

Report on Part 1 the names and addresses of all beneficiaries, both resident and nonresident, to whom income is distributable, whether or not the income is taxable to the nonresident beneficiaries. **Complete this section even if there is no distribution to the beneficiaries.**

Columns 1 and 2

Enter the name, address, and identifying number of each beneficiary of the trust or estate. If the mailing address differs from the home address, give both. If a beneficiary is a nonresident, check the appropriate box to the right of the beneficiary's name. If there are more than four beneficiaries, attach a schedule identical to Part 1 for the additional beneficiaries.

Column 3

Enter the respective share of federal distributable net income of each beneficiary and of the fiduciary on the appropriate lines. Entries must be made for all resident and nonresident beneficiaries.

If the distributable net income of a trust or estate for the taxable year is zero or less than zero, each beneficiary's share in the Connecticut fiduciary adjustment is in proportion to that beneficiary's share of the income of the trust or estate for the taxable year and any other amounts properly paid or credited or required to be distributed during the taxable year. Any balance of the fiduciary adjustment not allocable to any beneficiary is allocated to the trust or estate.

Column 4

Determine the percentage interest of each beneficiary and of the fiduciary in federal distributable net income of the trust or estate based upon amounts in Column 3. Enter that percentage on the appropriate line of Column 4.

Column 5

Enter the amount of the Connecticut fiduciary adjustment (from *Schedule A*, Line 13) as the total on Line f, Column 5. The share of each beneficiary and of the fiduciary in the total amount is determined by multiplying the total fiduciary adjustment by the Column 4 percentage.

If the trust or estate has no federal distributable net income, each beneficiary's share in the fiduciary adjustment must be in proportion to his or her share of the trust or estate income for the taxable year under local law or the governing instrument, which is required to be distributed currently, and any amounts of the income distributed during the year. Any balance of the fiduciary adjustment not allocable to beneficiaries must be allocated to the trust or estate. If the shares in the Connecticut fiduciary adjustment are apportioned in accordance with this paragraph, show the apportionment in a schedule attached to the return.

The fiduciary must provide each beneficiary with a schedule of modifications to include on *Schedule 1* of his or her Form CT-1040 or Form CT-1040NR/PY.

Part 2 - Percentage of Resident Noncontingent Beneficiaries

Complete Part 2 to calculate the resident noncontingent beneficiary percentage of a full-year resident or part-year resident inter vivos trust with nonresident noncontingent beneficiaries. These trusts are taxed on income derived from or connected with sources within Connecticut and all other income earned during the period of residency multiplied by the resident noncontingent beneficiary percentage. The percentage is a fraction. The numerator is the total number of resident noncontingent beneficiaries and the denominator is the sum of both resident noncontingent and nonresident noncontingent beneficiaries. An example follows the line instructions. For an explanation of inter vivos trust and noncontingent beneficiary, see *Definitions*.

Line 1

Enter the number of resident noncontingent beneficiaries, if any.

Line 2

Enter the number of nonresident noncontingent beneficiaries.

Line 3

Add Line 1 and Line 2.

Line 4

Divide Line 1 by Line 3 and enter the result as a decimal. Round to four decimal places.

If the trust is a full-year resident inter vivos trust, enter this decimal on Schedule CT-1041C, Line 11.

If the trust is a part-year resident inter vivos trust, enter this decimal on Schedule CT-1041FA, Part 1, Line 5.

Example: Mr. Jones, a Connecticut resident, established an irrevocable trust in 2002 for the benefit of his three grandchildren, beneficiaries A, B, and C. Since the trust consists of property transferred from a Connecticut resident, the trust is considered a resident trust. Because the trust was not created by the will of the decedent, the trust is an inter vivos trust. The trust agreement permits the trustee to distribute income or corpus, or both, to all three beneficiaries during the year. This makes all three beneficiaries noncontingent beneficiaries. Beneficiaries A and B are Connecticut residents, but beneficiary C is a Vermont resident. Since there are one or more nonresident noncontingent beneficiaries, the fiduciary of this trust must complete Schedule CT-1041B, Part 2, as follows:

1. Indicate the number of resident noncontingent beneficiaries, if any.	2
2. Indicate the number of nonresident noncontingent beneficiaries.	1
3. Add Lines 1 and 2.	3
4. Divide Line 1 by Line 3 and enter decimal to four places.	0.6667

The decimal on Line 4 (rounded to four decimal places) is entered on Schedule CT-1041C, Line 11.

If the trust in the example is a part-year resident trust, the amount on Line 4 is entered on Schedule CT-1041FA, Part 1, Line 5.

Instructions for Schedule CT-1041C

Verify line references from federal Form 1041 at the time you complete this schedule. See the note on the cover.

Resident estates or full-year resident trusts must complete this schedule to calculate Connecticut taxable income.

Resident Trust or Estate With or Without Nonresident Beneficiaries

Each **resident estate** or **full-year resident trust**, except for Quick-Filers, must select the applicable box pertaining to the status of its beneficiaries. Inter vivos trusts with nonresident noncontingent beneficiaries calculate Connecticut taxable income differently than other trusts. See *Connecticut Taxable Income for Certain Inter Vivos Trusts*.

Part 2 - Fiduciary's and Beneficiary's Share of Income From Connecticut Sources

The federal distributable net income derived from or connected with sources within Connecticut (Part 3, Line 24, Column B) is allocated in Part 2 to the trust or estate (fiduciary) and its beneficiaries in proportion to their respective shares in the federal distributable net income of the trust or estate. Do not complete Part 2 if Part 3, Line 24, Column B is zero.

Columns 1 and 2

Using Schedule CT-1041B, Part 1, Columns 3 and 4, enter the respective amount and percentage of federal distributable net income of each beneficiary and of the fiduciary on the appropriate lines of Columns 1 and 2. List beneficiaries in the same order as used on Schedule CT-1041B, Part 1, Column 1. The entries on Schedule CT-1041B, Part 1, Columns 3 and 4, and Schedule CT-1041FA, Part 2, Columns 1 and 2, are identical.

For resident beneficiaries, their entire distributable share of trust or estate income, not just the portion derived from or connected with Connecticut sources, is included in their Connecticut adjusted gross income.

Column 3

Enter on the Total Line of Column 3, the amount entered on Part 3, Line 24, Column B.

Determine the share of each nonresident beneficiary or of the fiduciary of a nonresident estate or trust or part-year resident trust in the total amount by multiplying the total in Column 3 by the percent in Column 2. For part-year resident trusts, the amounts in Column 3 for nonresident beneficiaries should not include amounts received during the residency portion of the taxable year not derived from or connected with sources within Connecticut.

The fiduciary must provide each nonresident beneficiary with a schedule of income derived from or connected with sources within Connecticut to include on his or her Form CT-1040NR/PY, Schedule CT-SI.

Part 3 - Details of Federal Distributable Net Income and Amounts of Income Derived From or Connected With Sources Within Connecticut

Enter in Column A the amount reported on federal Form 1041 as modified for the applicable items reported on *Schedule A*. For information on federal amounts which may be modified, such as the gain or loss on the sale of Connecticut state and local government bonds, see *Instructions for Schedule A*. Enter in Column B the portion of each amount in Column A that is income or deductions derived from or connected with sources within Connecticut.

Passive Activity Loss Limitations

In completing Column B, recompute any deduction for passive activity losses to determine the amounts that would be allowed if the federal taxable income took into account only items of income, gain, loss, or deduction of income derived from or connected with sources within Connecticut.

Part-Year Resident Trusts Only

For a part-year resident trust, include in Column B all income during the residency portion of the taxable year and all income derived from or connected with sources within Connecticut during the nonresidency portion of the taxable year. If the trust was a part-year resident trust, include in Column B all items of special accruals. See *Special Accruals* on Page 9.

Do not include in Column B any capital loss carried over from taxable years prior to 1991.

Part-year resident inter vivos trusts with one or more nonresident noncontingent beneficiaries should create a worksheet for Schedule CT-1041FA, Part 3, Column B. This worksheet should indicate the amount from Column B attributable to non-Connecticut-sourced income during the residency portion of the taxable year. Use this determination to complete the worksheet for Schedule CT-1041FA, Part 1, Line 4.

Line 1 and Line 2 - Interest Income and Dividends

Report on Line 1 and Line 2, Column B, income from interest and dividends included in Column A from a trade or business carried on in Connecticut. Also include amounts which relate to items of income, gain, loss, or deduction of the trust or estate derived from or connected with sources within Connecticut. Include in Column A, and if applicable Column B, interest on state and local obligations other than Connecticut and exempt-interest dividends on state and local obligations other than Connecticut.

However, do not include in Column A or Column B any income exempt from state taxes under the laws of the United States or of Connecticut, such as interest on U.S. government bonds or dividends from qualifying mutual funds derived from U.S. government obligations. A mutual fund is a qualifying fund if at the close of each quarter of its taxable year at least 50% of the value of its assets consists of U.S. government obligations.

Line 3 - Business Income (Loss)

Enter in Column B the net income (loss) from a trade or business carried on in Connecticut by the trust or estate. If business is carried on both within and outside of Connecticut and the Connecticut income can be adequately determined from the books and records of the business, enter on Line 3, Column B, the net income (loss) from business carried on in Connecticut. If the Connecticut income cannot be adequately determined from the books and records of the business, refer to Form CT-1040NR/PY, Schedule CT-1040BA, for

instructions on how to determine the portion related to the Connecticut business operations.

Line 4 - Capital Gain (Loss)

Enter in Column B the amount of capital gain (loss) from income derived from or connected with sources within Connecticut.

Part-Year Residents and Nonresidents

Do not include in Column B a capital loss carried over from taxable years prior to 1991. (See Conn. Agencies Regs. §12-711(b)-6)

Line 5 - Rents, Royalties, Pass-Through Entities (Partnerships, S Corporations), and Other Trusts and Estates

Include in Column B net rents and royalties from:

1. Real property situated in Connecticut whether or not used in or connected with a business;
2. Tangible personal property not used in or connected with a business if the property has an actual location in Connecticut; **and**
3. Tangible and intangible personal property used in or connected with a trade or business carried on in Connecticut by the trust or estate.

If the estate or trust received a federal Schedule K-1 and a Schedule CT K-1 from a partnership, S corporation, or other pass-through entity, use the corresponding lines on Form CT-1041FA to report the income from the pass-through entity (for example, interest, dividends, capital gains).

Line 6 - Farm Income (Loss)

Enter in Column B the net income (loss) from farming carried on in Connecticut by the trust or estate. If farming is carried on both within and outside of Connecticut and the Connecticut income can be adequately determined from the books and records of the farm, enter on Line 6, Column B, the net income (loss) from farming carried on in Connecticut. If the Connecticut income cannot be adequately determined from the books and records of the farm, refer to Form CT-1040NR/PY, Schedule CT-1040BA, for instructions on how to determine the portion related to the Connecticut business operations.

Line 7 - Ordinary Gain (Loss)

Enter in Column B the amount of any ordinary gain (loss) from federal Form 4797 derived from or connected with sources within Connecticut.

Line 8 - Other Income

Enter in Column B any income derived from or connected with sources within Connecticut not reportable elsewhere in Part 3.

Part-Year Residents and Nonresidents

Do not include in Column B any net operating loss carried over from taxable years prior to 1991.

Line 9

Add Lines 1 through 8.

Lines 10 through 14

Enter in Column B only that portion of each item of deduction reported in Column A that relates to income derived from or connected with sources within Connecticut as reported in Column B on Lines 1 through 8.

Line 15

Enter on Line 15, Column A, the deduction allowed to trusts and estates under I.R.C. §642(b). Use the following calculation to determine the amount of the §642 deduction to be reported on Line 15, Column B:

$$\text{Line 15, Column B} = \frac{\text{Part 3, Line 9, Column B}}{\text{Part 3, Line 9, Column A}} \times \text{Line 15, Column A}$$

Line 16

Add Lines 10 through 15.

Line 17 - Adjusted Total Income (Loss)

Subtract Line 16 from Line 9 and enter the result.

For Lines 18 through 24, enter in Column B only that portion of Column A that relates to Connecticut sources.

Line 18

Enter on Line 18, Column A, the amount from federal Form 1041, Schedule D, Line 15(1).

Line 19

Enter on Line 19, Column A, the amount from federal Form 1041, Schedule A, Line 1 (long term and short term capital gain portion only).

Line 20

Enter on Line 20, Column A, the amount from federal Form 1041, Schedule A, Line 4.

Line 21

If the amount on Line 4 of this schedule is a loss, enter that amount on Line 21, Column A, as a positive figure. Otherwise, enter "0."

Line 22

Add Lines 17 through 21.

Line 23

If Line 4 of this schedule is a gain, enter that amount. Otherwise, enter "0."

Line 24 - Distributable Net Income

Subtract Line 23 from Line 22. Enter the amount from Part 3, Line 24, Column B, on Part 2, Total Line, Column 3.

Amended Return

Use **Form CT-1041** to amend a previously-filed Connecticut income tax return for trusts and estates. Check the *Amended Return* box on the front of Form CT-1041. Enter the amount paid with the original return on Line 12. If an amended Form CT-1041 is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting

any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If an amended return is not timely filed, a penalty may be imposed. If additional tax is due, interest will apply. See *Interest and Penalties*.

The following circumstances require the filing of an amended Form CT-1041:

<p>1. The IRS or federal courts change or correct the federal income tax return and the change or correction results in the trust's or estate's Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the final determination. If the fiduciary files an amended Form CT-1041 no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to the trust or estate even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. The fiduciary of the trust or estate filed a timely amended federal income tax return and the amendment results in the Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the date you filed a timely amended federal income tax return. If the fiduciary files an amended Form CT-1041 no later than 90 days after the date of filing the timely amended federal income tax return, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to the trust or estate even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. The fiduciary claimed a credit for income tax paid to a qualifying jurisdiction on the original income tax return and the tax officials or courts of that qualifying jurisdiction made a change or correction to the income tax return and the change or correction results in the Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of the allowable credit).</p>	<p>File no later than 90 days after the final determination. If the fiduciary files an amended Form CT-1041 no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to the trust or estate even if the Connecticut statute of limitations has otherwise expired.</p>
<p>4. The fiduciary claimed a credit for income tax paid to a qualifying jurisdiction on the original income tax return and the fiduciary filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in the Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of the allowable credit).</p>	<p>File no later than 90 days after the date you filed an amended return with the qualifying jurisdiction. If the fiduciary files an amended Form CT-1041 no later than 90 days after the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to the trust or estate even if the Connecticut statute of limitations has otherwise expired.</p>
<p>5. None of the above circumstances apply, but the fiduciary made a mistake or omission on the Connecticut income tax return and the mistake or omission results in the Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than three years after the due date of the return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.</p>

Do not file an amended Form CT-1041 to have an overpayment refunded instead of applied to next year's estimated tax. The elections you made on the original return cannot be changed by filing an amended Form CT-1041.

Financial Disability

If you are financially disabled, as defined in I.R.C. §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is

extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period your spouse or any other person is authorized to act on your behalf in financial matters. See **Policy Statement 2001(4), Claims for Refund Made by Financially Disabled Individuals.**

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center (TSC)** is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile*, *Fast-File*, and *Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using TSC.

For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 4 of this book.

Form CT-1041 EXT Instructions

Purpose

Use **Form CT-1041 EXT** to request a **six-month extension to file** your Connecticut income tax return for trusts and estates. It is not necessary to include a reason for the Connecticut extension request if you have already filed an extension on federal Form 7004 with the Internal Revenue Service. If federal Form 7004 was not filed, the fiduciary can apply for a six-month extension to file a Connecticut income tax return provided there is reasonable cause for the request.

If you expect to owe no additional Connecticut income tax for the 2006 taxable year, after taking into account any Connecticut income tax withheld or any estimated Connecticut income tax payments you have made, or both, and you have requested an extension of time to file your 2006 federal income tax return, you are not required to file Form CT-1041 EXT.

How to Get an Extension to File

To obtain a Connecticut extension of time to file, the fiduciary **must**:

1. Complete Form CT-1041 EXT in its entirety;
2. File it on or before the due date of the return; **and**
3. Pay the amount shown on Line 5.

DRS will notify you **only** if your request is denied.

Form CT-1041 EXT **only** extends the **time to file** the Connecticut income tax return. Form CT-1041 EXT **does not** extend the **time** to pay the income tax.

You may qualify for a six-month extension of time to pay your tax. To request this extension, you must file **Form CT-1127, Application for Extension of Time for Payment of Income Tax**, with your timely-filed Connecticut income tax return or extension request.

Interest and Penalty

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return. Interest is computed at 1% (.01) per month or fraction of a month on the underpayment of tax from the original due date to the date of payment.

Late Payment Penalty: The penalty for underpayment of tax is 10% (.10) of the tax that is not paid on or before the original due date of the return.

Late Filing Penalty: If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

When to File Form CT-1041 EXT

File Form CT-1041 EXT on or before April 15, 2007. If the taxable year is other than the calendar year, file Form CT-1041 EXT on or before the fifteenth day of the fourth month following the close of the taxable year. Your required annual payment is the **lesser** of:

- 90% of the income tax shown on your 2007 Connecticut income tax return; **or**
- 100% of the income tax shown on your 2006 Connecticut income tax return if you filed a 2006 Connecticut income tax return that covered a 12-month period.

You do **not** have to make estimated income tax payments if:

- You were a Connecticut resident in 2006 and you did not file a 2006 income tax return because you had no Connecticut income tax liability; **or**
- You were a nonresident or part-year resident with Connecticut source income in 2006 and you did not file a 2006 income tax return because you had no Connecticut income tax liability.

If you were a nonresident or part-year resident and you did **not** have Connecticut source income in 2006, then you **must** use 90% of the income tax shown on your 2007 Connecticut income tax return as your required annual payment.

Decedents' estates and certain trusts must make estimated Connecticut income tax payments for any taxable year ending two or more years after the date of the decedent's death. See Conn. Gen. Stat. §12-722(n)(2).

When to File: Estimated payments for the 2007 taxable year are due April 15, June 15, September 15, 2007, and January 15, 2008. Fiscal year filers should follow federal filing due dates. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. An estimate is considered timely filed if received or if the date shown by the U.S. Postal Service cancellation mark is on or before the due date.

Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a

designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify. This list is subject to change. See **Policy Statement 2005(4), Designated Private Delivery Services and Designated Types of Service.**

How Much Should I Pay: Complete the *2007 Estimated Connecticut Income Tax Worksheet* on the back to calculate your required annual payment.

Estimated Payment Rules for Farmers or Fishermen: If the trust or estate is classified as a farmer or fisherman (as defined in I.R.C. §6654(i)(2)) who is required to make estimated income tax payments, you are required to make only one payment. Your installment is due on or before January 15, 2008, for the 2007 taxable year. The required installment is the lesser of 66²/₃% of the Connecticut income tax shown on your 2007 return or 100% of the Connecticut income tax shown on your 2006 return. See **Informational Publication 2006(20), Farmer's Guide to Sales and Use Taxes, Motor Vehicles Fuels Tax, Estimated Income Tax, and Withholding Tax.**

A farmer or fisherman who files a 2007 Connecticut income tax return on or before March 1, 2008, and pays the full amount computed on the return as payable on or before that date will not be charged interest for underpayment of estimated tax.

Annualized Income Installment Method: If the income from the trust or estate varies throughout the year, using the **annualized income installment method** may help you reduce or eliminate the amount of the estimated tax payment for one or more periods. See **Informational Publication 2006(25), A Guide to Calculating Your Annualized Estimated Income Tax Installments and Worksheet CT-1040 AES.**

Interest: If you did not pay enough tax through withholding or estimated payments, or both, by any installment due date, you will be charged interest even if you are due a refund when you file your tax return. Interest is figured separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to make up for the underpayment. Interest at 1% (.01) per month or fraction of a month will be added to the tax due until the earlier of April 15, 2008, or the date on which the underpayment is paid.

If you file your income tax return for the 2007 taxable year on or before January 31, 2008, and pay the full amount computed on the return as payable for the taxable year, no interest will be calculated on the underpayment of estimated income tax for the fourth required installment. This does not apply to taxpayers paying estimated Connecticut income taxes as farmers or fishermen.

How to Get Help: Visit the DRS Web site at www.ct.gov/DRS or for personal assistance, contact the Taxpayer Services Division at 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere). NOTES

Other Taxes for Which the Pass-Through Entity May Be Liable

Below is a general description of other Connecticut taxes for which a pass-through entity (PE) may be liable. For more information about these taxes, contact the Department of Revenue Services (DRS), Taxpayer Services Division. See the back cover for a list of DRS walk-in offices and telephone numbers.

Registration

To register for sales and use taxes and Connecticut income tax withholding, as well as most other Connecticut taxes administered by DRS, a PE must complete **Form REG-1, Business Taxes Registration Application**. Visit the DRS Web site to register online. If a PE already has a Connecticut Tax Registration Number, additional taxes for which the PE is liable may be added to the registration by contacting the DRS Registration Unit at 860-297-4885.

Connecticut Income Tax Withholding

Any PE that maintains an office or transacts business in Connecticut (regardless of the location of the payroll department) and is considered an employer for federal income tax withholding purposes must withhold Connecticut income tax from Connecticut wages as defined in Conn. Agencies Reg. §12-706(b)-1. (See **Informational Publication 2007(1), Circular CT.**)

Business Entity Tax (BET)

There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S corporation;
- Limited liability partnership;
- Limited partnership; **or**
- Limited liability company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

* Each foreign entity required to register or file a certificate of authority with the Secretary of the State is liable for the business entity tax whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See also **Special Notice 2006(12), 2006 Legislative Changes Affecting the Business Entity Tax**, and **Informational Publication 2006(21), Q & A on the Business Entity Tax**.

Connecticut Sales and Use Taxes

A PE may be responsible for filing sales and use tax returns. Sales taxes are due if the company sells taxable goods or services. Use taxes are due on the purchase of taxable goods or services from out-of-state retailers or Connecticut retailers who have not collected the sales tax. Both taxes are reported on **Form OS-114, Sales and Use Tax Return**.

Controlling Interest Transfer Taxes

There is a tax imposed on the transfer of a controlling interest in an entity where the entity owns, directly or indirectly, an interest in Connecticut real property. This tax is reported on **Form AU-330, Controlling Interest Transfer Taxes**. See **Special Notice 2003(11), Legislation Affecting the Controlling Interest Transfer Tax**, for more information.

Real Estate Conveyance Tax

If a PE transfers real estate in Connecticut, it must complete and file **Form OP-236, Real Estate Conveyance Tax Return**, in the town in which the real estate is situated.

Abusive Tax Shelters

Any individual or business entity that fails to disclose their participation in an abusive tax shelter designated by the Internal Revenue Service (IRS) as a *listed transaction* is subject to audit penalties of 75% of the tax deficiency that results from the tax shelter activity. To fulfill the Connecticut disclosure requirement, any taxpayer (individual or entity) that has participated in a listed transaction must file a completed **Form CT-8886, Connecticut Listed Transaction Disclosure Statement**, with DRS. Form CT-8886 must be filed for each taxable year for which a taxpayer participates in, or receives a benefit from, a listed transaction.

What's New

- **Estimated Income Tax Payments:** The requirement that a pass-through entity (PE) make estimated Connecticut income tax payments on behalf of its nonresident members has been repealed.
- **Nonresident Member's Filing Requirements:** If a nonresident member's only Connecticut-sourced income is from one or more PEs, the filing of a composite income tax return by each PE and the making of an income tax payment by each PE on the member's behalf fulfills the Connecticut income tax filing and payment requirements otherwise separately imposed on the member by Chapter 229 of the Connecticut General Statutes.

A member who is a nonresident individual is expressly relieved of the obligation to file his or her own Connecticut income tax return if the member's only Connecticut-sourced income is from one or more PEs and the total is less than \$1,000.

If a nonresident member's Connecticut-sourced income from one or more PEs is not the member's only Connecticut-sourced income, the filing of a composite income tax return by the PE and the making of an income tax payment by the PE on the member's behalf does not excuse the member from the obligation to file his or her own separate Connecticut income tax return.

- **Income Tax Deficiency Assessment:** A Connecticut income tax deficiency may, at the discretion of DRS, be assessed against the PE or the member, provided any Connecticut income tax deficiency assessed against the member is limited to the member's share. Except as provided in Conn. Gen. Stat. §12-733, the deficiency assessment is required to be made not later than three years after the PE's composite income tax return is filed.
- **Income Tax Overpayment:** A member's Connecticut income tax overpayment will be refunded to the PE, making it unnecessary for the member to file his or her Connecticut income tax return simply to have his or her overpayment refunded.

- **Amended Form CT-1065/CT-1120SI:** In order to be timely filed, a claim for refund of an income tax overpayment reported on an amended return must be made not later than three years after the due date of the PE's composite income tax return or, if the time for filing the return was extended, not later than three years after the date on which the return was filed or three years after the extended due date of the return, whichever is earlier.
- **Form CT-G:** An election to file a group income tax return can no longer be made for taxable years beginning on or after January 1, 2006.
- **Additional Schedules:** The 2006 Form CT-1065/CT-1120SI includes two additional schedules. See the instructions for *Schedule C* on Page 13 and the instructions for *Schedule D* on Page 16.
- **Federal Return:** The PE is no longer required to attach federal Form 1065 or federal Form 1120S to Form CT-1065/CT-1120SI. The PE must provide a copy to DRS upon request.
- **Related Publication:** For more information on the Connecticut income tax obligations imposed on PEs, see **Special Notice 2006(11)**, *2006 Legislative Changes Affecting the Income Tax*.
- **Taxpayer Service Center (TSC):** During 2007, Connecticut taxpayers will be able to *Fast-File* through the new, electronic **Taxpayer Service Center (TSC)**. The **TSC** is an interactive tool that, like *Fast-File*, can be accessed through our Web site at www.ct.gov/DRS for a free, fast, easy, and secure way to conduct business with DRS.

Some of the pending features of the **TSC** will include the ability to view current balances, make scheduled payments, and amend certain tax returns. The self-service aspect of the **TSC** enables taxpayers to easily get answers to the most frequently asked questions in addition to exchanging confidential information through a "secure" mailbox. Many other features for the **TSC** are planned and taxpayers are encouraged to visit our Web site often.

Who Must File Form CT-1065/CT-1120SI

Every PE that does business in Connecticut, or has income derived from or connected with sources within Connecticut, must file Form CT-1065/CT-1120SI regardless of the amount of its income (loss). The PE must first complete either federal Form 1065, U.S. Return of Partnership Income, **or** Form 1120S, U.S. Income Tax Return for an S corporation. Information on the federal return is needed to complete Form CT-1065/CT-1120SI.

What Information Must Be Provided to the Members

On or before the fifteenth day of the fourth month following the close of the taxable year (April 15 for calendar year filers), the PE must furnish **Schedule CT K-1, Member's Share of Certain Connecticut Items**, to each resident and nonresident noncorporate member and to each member which is a PE. (See Page 23 for more information on completing Schedule CT K-1.)

How Members Report Income

Resident Noncorporate Members

If the member is a resident individual, his or her share of PE income or loss is included in his or her federal adjusted gross income and, therefore, is includable in the federal adjusted gross income reported on the member's **Form CT-1040, Connecticut Resident Income Tax Return**. The PE must provide the member with Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1040, *Schedule 1*.

If the member is a resident trust or estate, its share of PE income or loss is included in its federal taxable income and, therefore, is includable in the federal taxable income reported on the member's **Form CT-1041, Connecticut Income Tax Return for Trusts and Estates**. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1041, *Schedule A*.

Nonresident Noncorporate Members

If the member is a nonresident individual, his or her share of PE income or loss is included in federal adjusted gross income and, therefore, is includable in the federal adjusted gross income reported on the member's **Form CT-1040NR/PY, Connecticut Nonresident or Part-Year Resident Income Tax Return**. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1040NR/PY, *Schedule 1*, and amounts of PE income or loss derived from or connected with Connecticut sources the member must include on Form CT-1040NR/PY, *Schedule CT-SI*, assuming the member is required to file Form CT-1040NR/PY. For more information on a nonresident member's filing requirements, see Page 6.

If the member is a nonresident trust or estate, its share of PE income or loss is included in federal taxable income and, therefore, is includable in the federal taxable income reported on the member's Form CT-1041. The PE must provide the member with a Schedule CT K-1 reporting Connecticut modifications the member must include on Form CT-1041, *Schedule A*, and amounts of PE income or loss derived from or connected with Connecticut sources that the member must include on Schedule CT-1041FA.

For more information on whether a member is a resident or nonresident, see the instructions for Form CT-1040 or Form CT-1041.

Member That Is Itself a Pass-Through Entity

If the member is a PE, it is referred to here as a parent PE, and the PE of which it is a member is referred to here as a subsidiary PE. The parent PE's share of the subsidiary PE's income or loss is included in the income or loss reported on the parent PE's federal Form 1065 or federal Form 1120S, as the case may be, and is, therefore, included in the income or loss reported on the parent PE's **Form CT-1065/CT-1120SI**. The subsidiary PE must furnish a Schedule CT K-1 to the parent PE and report:

- Connecticut modifications that the parent PE must include on Form CT-1065/CT-1120SI, Part V;
- Amounts of the subsidiary PE's income or loss derived from or connected with Connecticut sources that the parent PE must report on its Form CT-1065/CT-1120SI, Part I, *Schedule D*, Column B, and must include on its Form CT-1065/CT-1120SI, Part VI; **and**
- The Connecticut income tax liability that the parent PE must report on its Form CT-1065/CT-1120SI, Part I, *Schedule D*, Column C.

The parent PE must, in turn, provide its members with a Schedule CT K-1 reporting their share of the Connecticut modifications as reported on the parent PE's Form CT-1065/CT-1120SI, Part V; their share of the amounts of the parent PE's income or loss derived from or connected with Connecticut sources as reported on the parent PE's Form CT-1065/CT-1120SI, Part VI; and their share of the Connecticut income tax liability paid by the parent PE on behalf of its members, as reported on the parent PE's Form CT-1065/CT-1120SI, Part I, *Schedule B*, Column D.

Composite Payment of Tax

A PE must make a Connecticut composite income tax payment on behalf of each member where:

- The member is a nonresident noncorporate member or a PE; **and**
- A member's share of the PE's income derived from or connected with Connecticut sources is \$1,000 or more.

Accounting Period and Method of Accounting

A PE's accounting period and method of accounting for Connecticut income tax purposes must be the same as its accounting period and method of accounting for federal income tax purposes.

If a PE's accounting period or method of accounting is changed for federal income tax purposes, the same change must be made for Connecticut income tax purposes.

When to File Form CT-1065/CT-1120SI

Form CT-1065/CT-1120SI is due on or before the fifteenth day of the fourth month following the close of the taxable year (April 15 for calendar year filers). If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. The return meets the timely-filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

DHL Express (DHL) <ul style="list-style-type: none">• DHL Same Day Service• DHL Next Day 10:30 a.m.• DHL Next Day 12:00 p.m.• DHL Next Day 3:00 p.m.• DHL 2nd Day Service	
Federal Express (FedEx) <ul style="list-style-type: none">• FedEx Priority Overnight• FedEx Standard Overnight• FedEx 2Day• FedEx International Priority• FedEx International First	United Parcel Service (UPS) <ul style="list-style-type: none">• UPS Next Day Air• UPS Next Day Air Saver• UPS 2nd Day Air• UPS 2nd Day Air A.M.• UPS Worldwide Express Plus• UPS Worldwide Express

This list is subject to change. To verify the names of designated PDSs and designated types of service, check the DRS Web site or call DRS. See **Policy Statement 2005(4)**, *Designated Private Delivery Services and Designated Types of Service*.

If Form CT-1065/CT-1120SI is filed late or all the tax due is not paid with the return, see *Interest and Penalties* to determine if interest and penalty must be reported with this return.

Extension Request

To get a six-month extension of time to file Form CT-1065/CT-1120SI and the same extension of time to furnish Schedule CT K-1 to its members, the PE must file **Form CT-1065/CT-1120SI EXT**, *Application for Extension of Time to File Connecticut Composite Income Tax Return*, on or before the fifteenth day of the fourth month following the close of the taxable year together with payment of the total tax due. Timely filing this form automatically extends the due date for six months only if federal Form 7004, Application for Automatic 6-Month Extension of Time to File Certain Business Income Tax, Information, and Other Returns has been filed with the Internal Revenue Service (IRS). If federal Form 7004 was not filed, a PE may apply for a six-month extension to file Form CT-1065/CT-1120SI only if there is reasonable cause for the request.

Form CT-1065/CT-1120SI EXT extends only the time to file a return. It does not extend the time to pay the amount of income tax due. See *Interest and Penalties*.

If a general partner or corporate officer is unable, by reason of illness, absence, or other good cause, to request an extension, any person standing in a close personal or business relationship (including attorneys, accountants, and enrolled agents) to the general partner or corporate officer may sign the request on his or her behalf and is considered a duly authorized agent for this purpose provided the request states the reasons for a signature other than that of a general partner or corporate officer and the relationship existing between the general partner or corporate officer and the signer.

Extension of Time to Pay the Tax

A PE making a composite income tax payment may be eligible for a six-month extension of time to pay the tax due if the PE can show that paying the tax on or before the due date will cause undue hardship. The PE may request an extension by filing **Form CT-1127**, *Application for Extension of Time for Payment of Income Tax*, on or before the due date of the original return.

Attach Form CT-1127 to the front of Form CT-1065/CT-1120SI or Form CT-1065/CT-1120SIEXT and send it on or before the due date. As evidence of the need for extension, the PE **must** attach:

- A statement of its assets and liabilities;
- An itemized list of its receipts and disbursements for the preceding three months; **and**
- An explanation of why it could not borrow money to pay the tax due.

If an extension of time to pay is granted and the PE pays all the tax due in full by the end of the extension period, a penalty will not be imposed. However, interest will accrue on any unpaid tax from the original due date. The PE should make payments as soon as possible to reduce the interest it would otherwise owe. Write the PE's Federal Employer Identification Number (FEIN) and "2006 Form CT-1065/CT-1120SI" on its check or money order. Mail payments to:

**Department of Revenue Services
Accounts Receivable Unit
PO Box 5088
Hartford CT 06102-5088**

Where to File

Use the pre-addressed envelope enclosed with Form CT-1065/CT-1120SI or mail to:

**Department of Revenue Services
PO Box 2967
Hartford CT 06104-2967**

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If the PE does not pay the tax when due, it will owe interest of 1% (.01) per month or fraction of a month until the tax is paid in full.

Interest on underpayment or late payment of tax **cannot** be waived.

Amended Returns

Check the Amended Return box on the front of Form CT-1065/CT-1120SI to amend a previously-filed Form CT-1065/CT-1120SI. If an amended return is filed to have an overpayment of Connecticut income tax refunded, the overpayment will be refunded to the PE. However, the amended Form CT-1065/CT-1120SI must be filed before the Connecticut statute of limitations expires. Generally, the statute of limitations for refunding any Connecticut income tax overpayment expires three years after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If an amended return is filed to report an underpayment of Connecticut income tax, interest will apply and, if the amended return is not timely filed, a penalty may be imposed. See *Interest and Penalties*. The following circumstances require filing an amended Form CT-1065/CT-1120SI and the time period required to do so.

<p>1. The IRS or federal courts change or correct the PE's federal income tax return and the change or correction results in the Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the final determination.</p>
<p>2. The PE files a timely amended federal income tax return and the amendment results in the Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the date of filing the timely amended federal income tax return.</p>
<p>3. If neither of the above circumstances apply, but the PE made a mistake or omission on its Form CT-1065/CT-1120SI and the mistake or omission results in the Connecticut income tax being overpaid or underpaid.</p>	<p>File no later than three years after the due date of the return, or, if a timely request for an extension of time to file the return was filed, three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier.</p>

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of tax is 10% (.10) of the tax due. The PE can avoid a penalty for failure to pay the full amount due by the original due date if:

- The PE files Form CT-1127;
- An extension of time to pay is granted; **and**
- The PE pays all the tax due in full by the end of the extension period.

See *Extension of Time to Pay the Tax* on Page 9.

If no tax is due, the Commissioner of Revenue Services may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Penalty for Failure to File

If the PE does not file its return and the Commissioner of Revenue Services files a return for it, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater.

If the PE is required to file an amended Form CT-1065/CT-1120SI and fails to timely do so, a penalty may be imposed.

Penalty for Willful Failure to File or Pay

If you willfully fail to pay the tax or file a return, you may be fined up to \$1,000 or imprisoned up to one year, or both, in addition to any other penalty.

Penalty for Willful Filing of a Fraudulent or Materially False Return

If you willfully file a tax return you know to be fraudulent or false in any material matter, you may be fined up to \$5,000 or imprisoned from one to five years, or both.

Offset Against Debts

If the PE is due a refund, all or part of the overpayment may be used to pay outstanding debts or taxes. The overpayment will be applied in the following order: penalty and interest owed; other taxes owed DRS; or debts to other Connecticut state agencies. Any remaining balance will be refunded. If the refund is reduced, DRS will mail an explanation for the reduction.

Waiver of Penalty

A PE may be able to have its penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest cannot be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests **must** contain:

- A clear and complete written explanation;
- The PE's name, FEIN, and Connecticut Tax Registration Number (if applicable);
- The name of the original form filed or billing notice received;
- The taxable filing period; **and**
- Documentation supporting your explanation.

Attach the request to the **front** of Form CT-1065/CT-1120SI or mail separately to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102-5089**

Recordkeeping

Keep a copy of the tax return, worksheets used, and records of all items appearing on the return until the statute of limitations expires for that return. Usually, this is three years from the date the return was due or filed, whichever is later. This information may be needed to prepare future returns or to file amended returns.

Copies of Returns

A copy of a previously-filed Connecticut income tax return may be requested from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. You can usually expect your copy in three weeks.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

Only parent PEs must complete this schedule.

Refer to the **Schedule CT-K1, Member's Share of Certain Connecticut Items**, issued to you by the subsidiary PE for the amounts to enter in Columns B and C of this schedule. The amounts reported in Column B are subject to the passive activity limitations, at-risk limitations, and federal capital loss limitations.

If there are more than eight PEs entered in Part I, *Schedule D*, use **Form CT-1065/CT-1120SI, Supplemental Attachment**, (included in this booklet) and enter the subtotal(s) on Line 9, Columns A, B, and C.

Name of Subsidiary PE

Enter the name and the Federal Employer Identification Number (FEIN) of the subsidiary PE.

Column A: Amount Reported on Federal K-1

Refer to the federal Schedule K-1 issued to you by the subsidiary PE and enter the sum of the amounts reported on the schedule and included in Part I, *Schedule C*, Column B, for this PE.

Column B: Amount From Connecticut Sources

Refer to Part II of the Schedule CT K-1 issued to you by the subsidiary PE and enter the Connecticut-sourced income from the subsidiary PE. Take into account passive activity limitations, at-risk limitations, and federal capital loss limitations. The amount reported in this column represents Connecticut-sourced income.

Connecticut-sourced income should not be allocated or apportioned using the Form CT-1065/CT-1120SI, Part II, apportionment fraction. It should be used to complete Part VI to determine each member's Connecticut-sourced income (loss).

Column C: Connecticut Tax Liability

Refer to Part III of the Schedule CT K-1 issued to you by the subsidiary PE and enter the Connecticut tax liability as reported by the subsidiary PE on Schedule CT K-1, Part III, Line 1. Add Lines 1 through 9 and enter the total on Line 10, Column C, and on Part I, *Schedule A*, Line 5.

Part II – Allocation and Apportionment of Income

Complete Part II only if **all** of the following apply:

- The PE has at least one member who is a nonresident noncorporate member or a PE;
- The PE carries on business both within and outside Connecticut; **and**
- The PE does not maintain books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources.

The apportionment fraction calculated on Line 8 is used to complete Part VI unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, in which case those amounts must be used to complete Part VI.

Part II must be completed even if an approved alternative apportionment method under Conn. Agencies Regs. §§12-711(b)-15 and 12-712(d)-1 is used. Attach a detailed explanation of the approved alternative apportionment method used to determine the Connecticut income.

Line 1: Real property owned

Enter in Column A the average value of all real property, wherever located, owned by the PE. Do not include in Column A the average value of real property rented to others or sold, exchanged, or otherwise disposed of during taxable year. Enter in Column B the average value of real property owned by the PE and located in Connecticut. Do not include in Column B the average value of Connecticut real property rented to others or sold, exchanged, or otherwise disposed of during the taxable year.

To determine the average value of real property owned by the PE, add its fair market value at the beginning and the end of the taxable year and divide the sum by two.

Line 2: Real property rented from others

Enter in Column A the value of all real property rented from others by the PE, wherever located. Enter in Column B the value of Connecticut real property rented from others by the PE.

The value of real property rented by the PE from others and included on Line 2 is eight times the gross rent payable during the taxable year for which the return is filed.

Gross rent includes:

- Any amount payable for the use or possession of real property, or any part of it, whether designated as a fixed sum of money or as a percentage of sales, profits, or otherwise;
- Any amount payable as additional rent or in lieu of rent such as interest, taxes, insurance, repairs, or any other amount required to be paid by the terms of a lease or other agreement; **and**
- The yearly amortization applicable to any improvement to real property made by or on behalf of the PE which reverts to the owner or lessor upon termination of a lease or other arrangement.

However, if a building is erected on leased land by or on behalf of the PE, the value of the building is determined in the same manner as if it were owned by the PE.

Line 3: Tangible personal property owned or rented from others

Enter in Column A the average value of all tangible personal property, wherever located and owned by the PE, and the value of all tangible personal property, wherever located and rented from others by the PE.

Enter in Column B the average value of tangible personal property owned by the PE and located in Connecticut and the value of tangible personal property rented from others by the PE and located in Connecticut.

To determine the average value of tangible personal property owned by the PE, add its book value at the beginning and at the end of the taxable year and divide the sum by two.

To determine the value of tangible personal property rented from others, multiply by eight the gross rents payable during the taxable year for which the return is filed.

Line 4: Property owned or rented from others

Add Lines 1, 2, and 3 in Column A and Column B. Enter the result on Line 4 in Column A and Column B. On Line 4, divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter on Line 4 in Column C.

If zeros are entered on Line 4 in both Column A and Column B, do not enter any amount in Column C.

Line 5: Employee wages and salaries

Enter in Column A the total compensation paid to employees during the taxable year in connection with business operations carried on everywhere. Enter in Column B the total compensation paid to employees during the taxable year in connection with business operations carried on in Connecticut. Only enter wages, salaries, and other personal service compensation paid to employees of the PE. Do not include payments to independent contractors, independent sales agents, etc. The compensation paid for services is in connection with operations carried on in Connecticut if the employee works in or travels out of an office or other place of business located in Connecticut.

Divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter in Column C.

If zeros are entered on Line 5 in both Column A and Column B, do not enter any amount in Column C.

Line 6: Gross income from sales and services

Enter in Column A total gross sales made and charges for services performed by the PE or by its employees, agents, agencies, or independent contractors of the PE everywhere. Enter in Column B the portion of total gross sales or charges that represents the sales made, or services performed, by the PE or by its employees, agents, agencies, or independent contractors of the PE in Connecticut. This includes sales made or services performed by employees, agents, agencies, or independent contractors situated at, connected with, or sent out from offices of the PE (or its agencies) located in Connecticut.

Example: If the sales territory of a salesperson working out of the Connecticut office of the business covers Connecticut, Massachusetts, and Rhode Island, all sales made by the salesperson are allocated to Connecticut and included on Line 6, Column B.

Divide the Column B amount by the Column A amount. Carry the result to four decimal places and enter in Column C.

If zeros are entered on Line 6 in both Column A and Column B, do not enter any amount in Column C.

Line 7: Total (of percentages)

Add Lines 4, 5, and 6 in Column C, and enter the total on Line 7, Column C.

Line 8: Apportionment fraction

Divide Line 7 by three (or the actual number of fractions if less than three). Carry the result to four decimal places and enter on Line 8, Column C. The actual number of fractions is less than 3 if, on Lines 4, 5, or 6, zero was entered in both Column A and Column B.

Part III - Place(s) of Business

Complete Part III only if the PE carries on business both within and outside Connecticut. List the exact location of each place where the PE carries on business. Briefly describe the activity at the location shown (such as storage, administration, manufacturing, etc.).

Part IV – Member Information

Complete Part IV for all members.

Assign each member a number and a member type code and list in sequential order. **Each member must be assigned the same “Member #” for Part I, Schedule B, Parts IV, V, and VI.** Assign numbers to each member in the following order:

- | | |
|---|---------------------|
| | Member
Type Code |
| 1. Nonresident or part-year resident individual | NI |
| 2. Nonresident or part-year resident trust | NT |
| 3. Nonresident estate | NE |
| 4. Pass-through entity | PE |
| 5. Resident individual | RI |
| 6. Resident trust | RT |
| 7. Resident estate | RE |
| 8. Corporate member | CM |

Enter each member’s name and address, Member Type Code, FEIN or SSN (whichever is applicable), and percentage of ownership (enter as a decimal and carry to four places).

The PE must use the same member number assigned to a member in Part IV when providing information for that member in other Parts of Form CT-1065/CT-1120SI. The residency status of the member will determine which Part(s) of Form CT-1065/CT-1120SI must be completed for that member.

Example 1: Mary Smith is a resident individual and is identified as Member #15 in Part IV. Mary must also be identified as Member #15 in Parts V. However, because Mary is a resident individual, there will be no entry in Parts I and VI for a person identified as Member #15.

Example 2: X Inc. is a corporate member and is identified as Member #49 in Part IV. Because X Inc. is a C corporation, there will be no entry in Parts I, V, and VI for a person identified as Member #49.

If there are more than eight members, use Form CT-1065/CT-1120SI, Supplemental Attachment. The supplemental attachment is included in this booklet.

Part V - Member’s Share of Connecticut Modifications

Enter the amount of each member’s share as a positive number.

Line 1: Interest on state and local government obligations other than Connecticut

Enter the amount of each member’s share of interest income derived from state and municipal government obligations, other than obligations of the State of Connecticut or its municipalities, which interest income is not taxed for federal income tax purposes. Line 2: Mutual fund exempt-interest dividends from non-Connecticut state or municipal government obligations

Enter the amount of each member’s share of exempt-interest dividends received from a mutual fund derived from state and municipal government obligations other than obligations of the State of Connecticut or its municipalities. If the exempt-interest dividends are derived from obligations of Connecticut and other states, enter only the percentage derived from non-Connecticut obligations. Do not enter exempt-interest dividends derived from government obligations of Puerto Rico, Guam, American Samoa, or U.S. Virgin Islands.

Example: A fund invests in obligations of many states, including Connecticut. Assuming that 20% of the distribution is from Connecticut obligations, the remaining 80% is added back on this line.

Line 3: Certain deductions relating to income exempt from Connecticut income tax

Enter the amount of each member's share of the amount deducted for federal income tax purposes for:

- Interest expense on loans used to buy bonds and securities whose interest is exempt from Connecticut income tax;
- Expenses related to income exempt from Connecticut income tax; **and**
- Amortizable bond premium on any bond, the interest from which is exempt from Connecticut income tax.

Line 4: Allocated for future use.

Line 5: Other

Use Line 5 to report the amount of each member's share of additions to income not listed on Lines 1 through 3. For example, include the amount of each member's share of:

- To the extent deductible in determining federal adjusted gross income, expenses paid for the production or collection of Connecticut tax exempt income, or paid for the management, conservation, or maintenance of property held for the production of the income; **and**

Enter the amount of each member's share as a positive number.

Line 6 - Interest on U.S. government obligations

Enter the amount of each member's share of interest income derived from U.S. government obligations, to the extent included in federal adjusted gross income, that federal law prohibits states from taxing; for example all U.S. government bond interest such as Savings Bonds Series EE and Series HH or U.S. Treasury bills and notes.

Do not enter the amount of interest earned on Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this interest is taxed by Connecticut. For more information, including lists of exempt and taxable obligations, see **Policy Statement 2005(2)**, *Connecticut Income Tax on Bonds or Obligations Issued by the United States Government, by State Governments, or Municipalities*.

Line 7: Exempt dividends from certain qualifying mutual funds derived from U.S. government obligations

Enter the amount of each member's share of exempt dividends received from a qualifying mutual fund and derived from U.S. government obligations. A mutual fund is a qualifying fund if, **at the close of each quarter of its taxable year**, at least 50% of the value of its assets consists of U.S. government obligations. The percentage of dividends that are exempt dividends should be reported to the PE by the mutual fund.

Do not enter the amount of income derived from Federal National Mortgage Association (Fannie Mae) bonds, Government National Mortgage Association (Ginnie Mae) bonds, and Federal Home Loan Mortgage Corporation (Freddie Mac) securities. Federal law does not prohibit states from taxing income derived from these obligations and this income is taxable for Connecticut income tax purposes.

Example: A qualifying mutual fund pays a dividend of \$100. Of the \$100 distribution, 55% is attributable to U.S. Treasury bills and 45% to other investments. The amount reported on Line 7 is \$55.

Line 8: Certain expenses related to income exempt from federal income tax but subject to Connecticut tax

Enter the amount of each member's share of interest expense on money borrowed to purchase or carry bonds or securities, whose interest income is subject to Connecticut income tax but exempt from federal income tax, provided this interest was a business expense for the federal taxable year and was not deducted in determining the PE's income.

Line 9: Special depreciation allowance for qualified property placed in service during the preceding year(s)

Enter for each member 25% of the share entered for the member on Line 4 of the:

- **2002 Form CT-1065, Schedule D, or 2002 Form CT-1120SI, Part V;**
- **2003 Form CT-1065, Schedule D, or 2003 Form CT-1120SI, Part V** (The remaining 25% of the share will be entered on the comparable line of the 2007 Form CT-1065/CT-1120SI.); **and**
- **2004 Form CT-1065/CT-1120SI, Part V** (The remaining 50% of the share will be entered (in two equal 25% installments) on the comparable line of the 2007 and 2008 Form CT-1065/CT-1120SI.).

Line 10: Other

Report the amount of each member's share of subtractions not listed on Lines 6 through 9. For example, include the amount of each member's share of:

- Any gain recognized on the sale or exchange of bonds or other obligations issued by the State of Connecticut or its municipalities;
- Interest income from federally taxable Connecticut bonds;
- The PE's share of any negative Connecticut fiduciary adjustment received from a trust or estate of which the PE is a beneficiary;
- Any refund or credit for the overpayment of income taxes imposed by any state of the United States or a political subdivision of the United States, or the District of Columbia, to the extent the amount was included in federal adjusted gross income;
- Business expenses incurred in connection with the income or property held to produce income subject to Connecticut income tax but exempt from federal income tax provided these expenses were not deducted in determining PE income; **and**
- Amortization of bond premium on any bond that provides interest income taxable in Connecticut but exempt from federal income tax provided this amortization was business expense for the taxable year and was not deductible in determining PE income.

Part VI – Connecticut-Sourced Portion of Items From Federal Schedule K-1 (Form 1065 or Form 1120S)

Complete Part VI for all members who are nonresident noncorporate members or PEs. Assign each member the same number for Part I, *Schedule B*, Parts IV, V, and VI.

Any PE carrying on business in Connecticut only must combine the amounts reported in Part I, *Schedule C*, Column C, with the income from subsidiary PEs (Part I, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part VI.

Any PE carrying on business both within and outside Connecticut must apportion the amounts reported in Part I, *Schedule C*, Column C, and then combine the apportioned amounts with the income from subsidiary PEs (Part I, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) to be reported in Part VI.

If the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, those amounts, as disclosed in the books and records are combined with the income from subsidiary PEs (Part I, *Schedule D*, Column B), if any, to calculate the amount of each member's Connecticut-sourced income (loss) reported in Part VI.

The character of the income (loss) for Connecticut income tax purposes must mirror the character of the income (loss) for federal income tax purposes.

The amounts entered on Lines 1 through 13 should also reflect the amount of the member's share of Connecticut modifications (as reported on Part V, Lines 1 through 10) to the extent the modifications are derived from or connected with Connecticut sources.

Line 1: Ordinary business income (loss)

Enter the Connecticut portion of each member's share of nonseparately stated income or loss.

A PE that maintains books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must enter (on Line 1 in the appropriate column) the amount of each member's share of that nonseparately stated income or that nonseparately stated loss as determined from those books and records. The portion of the PE's nonseparately stated income or loss derived from or connected with Connecticut sources (as determined from the PE's books and records) is multiplied by the member's share (%) of that income or loss.

A PE that does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income or loss derived from or connected with Connecticut sources must use the apportionment fraction computed on Part II, Line 8, or an authorized alternative apportionment method, to determine the portion of any item derived from or connected with Connecticut sources. Multiply the amount of each member's share of nonseparately stated income or nonseparately stated loss by the PE's apportionment fraction as reported on Part II, Line 8, and enter the result on Part VI.

Example 1: Assume that a PE, whose nonseparately stated income is entirely derived from its retail business, maintains books and records that satisfactorily disclose the portion of the income derived from or connected with each of its retail stores (including its stores in Connecticut). Assume the PE has nonseparately stated income of \$500,000; Member #1's share of the PE's nonseparately stated income is 10% (.10); and the PE's books and records disclose that the portion of its nonseparately stated income derived from or connected with Connecticut sources is \$150,000. The PE must enter \$15,000 ($\$150,000 \times .10$) on Line 1 as the amount of Member #1's share of the PE's nonseparately stated income derived from or connected with Connecticut sources.

Example 2: The facts are the same as in Example 1, except that the PE does not maintain books and records that satisfactorily disclose the portion of its nonseparately stated income derived from or connected with each of its retail stores. Assume that the PE's apportionment fraction as reported on Part II, Line 8, is 40% (.40). The PE must enter \$20,000 ($(\$500,000 \times .10) \times .40 = \$20,000$) on Line 1 as the amount of Member #1's share of the PE's nonseparately stated income derived from or connected with Connecticut sources.

Line 2: Net rental real estate income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

Line 3: Other net rental income (loss)

Enter the Connecticut portion of the amount of the member's share attributable to rental activities (gain or loss). Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is

calculated by multiplying the amount of the member's share of the amount from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 4: Guaranteed payments (Partnerships and LLCs treated as partnerships only)

Enter the Connecticut portion of the amount of each member's share of guaranteed payments made to the member. Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's distributive share of guaranteed payments from federal Form 1065, Schedule K-1, by the apportionment fraction on Part II, Line 8.

Line 5: Interest income

Enter the Connecticut portion of the member's share of interest income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books and records that satisfactorily disclose the portion of the interest income derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 6a: Ordinary dividends

Enter the Connecticut portion of the member's share of dividend income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. For example, dividends from stock used as collateral to secure a business loan (for a Connecticut business) would be income from intangible personal property employed in a Connecticut trade or business and therefore would be subject to Connecticut income tax. Unless the PE maintains books and records that satisfactorily disclose the portion of the dividend income derived from or connected with Connecticut sources, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 6b: Qualified dividends

Enter the Connecticut portion of the member's share of qualified dividends from Line 6a above.

Line 7: Royalties

Enter the Connecticut portion of the member's share of royalty income. Items of income, gain, loss, and deduction derived from or connected with sources within Connecticut do not include items attributable to intangible personal property except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut. Unless the PE maintains books and records that satisfactorily disclose the portion of the royalties income derived from or connected with Connecticut sources, calculate the Connecticut portion by multiplying the amount of the member's share of the income from federal Schedule K-1 by the apportionment fraction entered on Part II, Line 8.

Line 8 - Net short-term capital gain (loss)

Enter the Connecticut portion of the member's share of net short-term capital gain (loss). If the amount relates to the sale of rental property located in Connecticut, the capital gain (loss) is 100% sourced to Connecticut. Items of capital gain (loss) attributable to intangible personal property (such as the sale of stock) are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Line 9a: Net long-term capital gain (loss)

Enter the Connecticut portion of the member's share of net long-term capital gain (loss). If the amount relates to the sale of rental property located in Connecticut, the capital gain (loss) is 100% sourced to Connecticut. Items of capital gain (loss) attributable to intangible personal property (such as the sale of stock) are not sourced to Connecticut except to the extent the intangible personal property is employed in a business, trade, profession, or occupation carried on in Connecticut.

Line 9b: Collectibles (28%) gain (loss)

Enter the Connecticut portion of the member's share of collectibles gain (loss).

Line 9c: Unrecaptured section 1250 gain

Enter the Connecticut portion of the member's share of I.R.C. §1250 gain.

Line 10: Net section 1231 gain (loss)

Enter the Connecticut portion of the member's share of gain (loss) under I.R.C. §1231.

The Connecticut portion of amounts attributable to real property located in Connecticut is 100%. The Connecticut portion of amounts attributable to real property located outside Connecticut is 0%.

If the amount relates to a trade or business activity, unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion of the member's share of the gain (loss) is calculated by multiplying the amount of the member's share of gain (loss) under I.R.C. §1231 from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 11: Other income (loss)

Enter the Connecticut portion of the member's share of other items of income, gain, loss, or deduction not included on Lines 1 through 10 above. Attach a statement that separately identifies the type and amount of income or loss.

Line 12: Section 179 deduction

Enter the Connecticut portion of the member's share of the deduction allowed under I.R.C. §179.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Line 13: Other deductions

Enter the Connecticut portion of the member's share of other deductions not deducted in arriving at ordinary income (loss) from trade or business activities and separately stated on the federal Schedule K-1.

Unless the PE maintains books and records that satisfactorily disclose the portion of income, gain, loss, or deduction derived from or connected with Connecticut sources, the Connecticut portion is calculated by multiplying the amount of the member's share of the deduction from federal Schedule K-1 by the apportionment fraction on Part II, Line 8.

Connecticut Taxpayer Service Center

The Department of Revenue Services is developing a new electronic services center to better serve Connecticut taxpayer needs. The **Taxpayer Service Center (TSC)** is an interactive system that will allow taxpayers to file, pay, and review their Connecticut tax account information on-line.

Soon, all DRS electronic filing systems (*WebFile*, *Fast-File*, and *Telefile*) will be accessed through *TSC*.

Most Connecticut income tax filers can file their tax returns, extensions, and estimates, at no charge, by Internet using TSC. For more information about *TSC*, visit the DRS Web site at www.ct.gov/DRS or see *TSC* on Page 6 of this book.

Late Payment Penalty: The penalty for underpayment of tax is 10% (.10) of the tax that is not paid on or before the original due date of the return.

Each calendar year DRS classifies employers for Connecticut income tax withholding purposes either as a weekly, monthly, or quarterly remitter. Most new employers will be classified as monthly remitters.

The filing frequency is based on the employer's **reported liability** for the tax required to be deducted and withheld during the **12-month look-back period**. The 12-month look-back period for calendar year 2007 is the 12-month period that ended on June 30, 2006.

See **Special Notice 2004(9)**, *2004 Legislation Affecting Connecticut Income Tax Withholding by Employers on Wages Paid on or After January 1, 2005*, and the schedule on the back of this return.

Household employers who are registered to withhold Connecticut income tax from wages of their household employees should not use this form. See **Informational Publication 2007(1)**, *Connecticut Circular CT, Employer's Tax Guide*, for more information.

Do not file Form CT-WH (DRS) if no payment is due or if your payment was made by electronic funds transfer (EFT) or the Taxpayer Service Center (TSC).

Connecticut Quarterly Reconciliation of Withholding

General Instructions

Complete the return in blue or black ink only. **Form CT-941 (DRS)**, *Connecticut Quarterly Reconciliation of Withholding*, may be used by new employers who have not received the *Employer's Withholding Remittance Coupon Book* for calendar year 2007. Use Form CT-941 to reconcile your quarterly Connecticut income tax withholding payments from wages only. Payers of nonpayroll amounts must use **Form CT-945**, *Connecticut Annual Reconciliation of Withholding for Nonpayroll Amounts*, to reconcile Connecticut income tax withholding.

All employers who are registered for Connecticut income tax withholding purposes (other than household employers, agricultural employers granted annual filer status, and seasonal filers) are required to file Form CT-941 for each calendar quarter as long as they have an active withholding account with the Department of Revenue Services (DRS) **even if no tax is due** or if no tax was required to be withheld for that quarter.

Due Dates: First quarter, April 30, 2007; second quarter, July 31, 2007; third quarter, October 31, 2007; and fourth quarter, January 31, 2008. An employer who made timely deposits of Connecticut withholding tax in full payment of such taxes due for the quarter may file the return on or before the tenth day of the second calendar month following the end of the quarter. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Household employers who are registered to withhold Connecticut income tax from wages of their household employees are not to file Form CT-941 for each calendar quarter, but instead are required to file one Form CT-941 for the entire calendar year, the due date of which is April 15, 2008. Payment of the Connecticut income tax withheld from wages of household employees during the entire calendar year is to accompany Form CT-941. See **Informational Publication 2007(1)**, *Connecticut Circular CT, Employer's Tax Guide*, for more information.

Seasonal filers may request permission from DRS to file Form CT-941 only for the calendar quarters in which they pay

Connecticut wages to employees. Certain **agricultural employers** may request permission to file one Form CT-941 for the entire calendar year instead of filing Form CT-941 for each calendar quarter. See **Informational Publication 2007(1)** for more information.

Rounding Off to Whole Dollars: You must round off cents to the nearest whole dollar on your returns and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

If you do not round, DRS will disregard the cents.

Reminders:

- Be sure to complete all requested information on the back of this return.

2007

(Rev 12/06)

Connecticut Withholding Tax Payment Form for Nonpayroll Amounts

Form CT-8109 (DRS), *Connecticut Withholding Tax Payment Form for Nonpayroll Amounts*, is an interim coupon to be used by new payers or payers who have not received the *2007 Withholding Remittance Coupon Book for Payers of Nonpayroll Amounts*. Once the withholding book is received, use only the preprinted coupons in the book.

Each calendar year DRS classifies payers for Connecticut income tax withholding purposes either as a weekly, monthly, or quarterly remitter. Most new payers will be classified as monthly remitters.

The filing frequency is based on the payer's **reported liability** for the tax required to be deducted and withheld during the **look-back calendar year**. The look-back calendar year for calendar year 2007 is calendar year 2005. See **Special Notice 2004(10)**, *2004 Legislation Affecting Connecticut Income Tax Withholding by Payers From Nonpayroll Amounts Paid on or After January 1, 2005*, and the schedule on the back of this return.

More than \$10,000	Weekly Remitter	Wednesday following the weekly period during which the nonpayroll amounts were paid. (Weekly period means the seven-day period beginning on a Saturday and ending on the following Friday.)

The filing frequency is based on the payer’s reported liability for the tax required to be deducted and withheld during the look-back calendar year. The look-back calendar year for calendar year 2007 is calendar year 2005. See **Special Notice 2004(10)**, *2004 Legislation Affecting Connecticut Income Tax Withholding by Payers From Nonpayroll Amounts Paid on or After January 1, 2005*. Most new payers will be classified as monthly remitters.

Connecticut Annual Reconciliation of Withholding for Nonpayroll Amounts

Complete the return in blue or black ink only. **Form CT-945 (DRS)**, *Connecticut Annual Reconciliation of Withholding for Nonpayroll Amounts*, may be used by new payers of nonpayroll amounts or payers who have not received the *2007 Withholding Remittance Coupon Book for Payers of Nonpayroll Amounts* for the 2007 calendar year.

Rounding Off to Whole Numbers: You must round off cents to the nearest whole dollar on your returns and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

If you do not round, the Department of Revenue Services (DRS) will disregard the cents.

Employer Instructions on Reverse

Purpose: Form CT-W4, *Employees Withholding Certificate*, provides your employer with the necessary information to withhold the correct amount of Connecticut income tax from your wages to ensure that you will not be underwithheld or overwithheld. In order for your employer to withhold Connecticut income tax from your wages, you must complete Form CT-W4, and provide it to your employer(s). You are expected to pay Connecticut income tax as income is earned or received during the year. You should complete a new Form CT-W4 at least once a year or if your tax situation changes.

Employee Instructions

Gross Income: For Form CT-W4 purposes, *gross income* means all income from all sources, whether received in the form of money, goods, property, or services, not exempt from federal income tax, and includes any additions to income from *Schedule 1 of Form CT-1040, Connecticut Resident Income Tax Return* or *Form CT-1040NR/PY, Connecticut Nonresident or Part-Year Resident Return*.

Filing Status: Generally, the filing status you expect to report on your Connecticut income tax return is the same as the filing status you expect to report on your federal income tax return. However, special rules apply to married individuals who file a joint federal return, but have a different residency status. Special rules also apply to the parties to a civil union recognized under Connecticut law. Nonresidents and part year residents should see the instructions to Form CT-1040NR/PY.

Civil Union: Effective for taxable years beginning on or after January 1, 2006, parties to a civil union recognized under Connecticut law must file their Connecticut income tax returns as if they were entitled to the same filing status accorded spouses under the Internal Revenue Code. This means, for purposes of calculating their Connecticut income tax liability, parties to a civil union must recompute their federal income tax liability as if their filing status for federal income tax purposes were married filing jointly or married filing separately. Parties to a civil union may not calculate their Connecticut income tax liability as single or head of household filers (although this will be their filing status for federal income tax purposes). Any reference on this form to a spouse also refers to a party to a civil union recognized under Connecticut law.

General Instructions: Complete the certificate on Page 1, Lines 1 through 11, sign it, and return it to your employer. Keep a copy for your records.

Check Your Withholding: You could be underwithheld if any of the following apply:

- You have more than one job;
- You qualify under *Certain Married or Civil Union Individuals* and do not use the *Supplemental Table* on Pages 3 and 4; **or**
- You have substantial nonwage income.

If during the taxable year your circumstances change, such as, you receive a bonus or your filing status changes, you must furnish your employer with a new Form CT-W4 within ten days of the change to avoid underwithholding. If you could be underwithheld, you should consider adjusting your withholding or making estimated payments on **Form CT-1040ES, Estimated Connecticut Income Tax Payment Coupon for Individuals**. You may also wish to select *Withholding Code* "D" to elect the highest level of withholding. If you owe \$1,000 or more in Connecticut income tax over and above what has been withheld from your income for the prior taxable year, you may be subject to interest on the underpayment at the rate of 1% (.01) per month or fraction of a month. To help you determine if you have enough withholding, see **Informational Publication 2006(7), Is My Connecticut Withholding Correct?**

Nonresident Employees Working Partly Within and Partly Outside of Connecticut

If you work partly within and partly outside of Connecticut for the same employer, you should also complete **Form CT-W4NA, Employee's Withholding or Exemption Certificate - Nonresident Apportionment**, and provide it to your employer. The information on Form CT-W4NA together with the information on Form CT-W4 will help your employer determine how much to withhold from your wages for services performed within Connecticut. To obtain Form CT-4NA visit our Department of Revenue Services (DRS) Web site at www.ct.gov/DRS or request the form from your employer.

Any nonresident who expects to have no Connecticut income tax liability should choose *Withholding Code* "E."

Certain Married or Civil Union Individuals

If you are a married or civil union individual filing jointly and you and your spouse both select *Withholding Code* "A," you may have too much or too little Connecticut income tax withheld from your pay. This is because the phaseout of the personal exemption and credit is based on your combined incomes. The withholding tables cannot reflect your exact withholding requirement without considering the income of your spouse. To minimize this problem, use the *Supplemental Table* on Pages 3 and 4 to adjust your withholding. You are not required to use this table. **Do not** use the supplemental table to adjust your withholding if you use the worksheet in Informational Publication 2006(7).

Armed Forces Personnel and Veterans

If you are a Connecticut resident, your Armed Forces pay is subject to Connecticut income tax withholding unless you qualify as a nonresident for Connecticut income tax purposes. See **Informational Publication 2006(23), Connecticut Income Tax Information for Armed Forces Personnel and Veterans**, for that criteria. If you do not meet the criteria, complete Form CT-W4 following the instructions on Page 1. If you meet the nonresident criteria, you may request that no Connecticut income tax be withheld from your Armed Forces pay by entering *Withholding Code* "E" on Form CT-W4, Line 1 and filing the form with your Armed Forces finance officer.

Employer Instructions

For any employee who does not complete Form CT-W4, you are required to withhold at the highest rate.

You are required to keep a Form CT-W4 in your files for each employee. See *Connecticut Circular CT, Employer's Tax Guide*, for complete instructions.

You must also file copies of Form CT-W4 with DRS and the Department of Labor (DOL) for certain employees as listed below:

Report Certain Employees Claiming Exemption From Withholding to DRS

Employers are required to file copies of Form CT-W4 with DRS for certain employees claiming "E" (no withholding is necessary). See **Informational Publication 2007(1), Connecticut Circular CT, Employer's Tax Guide**, for further information. Mail copies of Forms CT-W4 meeting the conditions listed in *Connecticut Circular CT, Employer's Tax Guide* with **Form CT-941, Connecticut Quarterly Reconciliation of Withholding**, to DRS.

Conn. Gen. Stat. §31-254(b) requires employers with offices in Connecticut or transacting business in Connecticut to report names, addresses, and Social Security Numbers of new employees to DOL within 20 days from the date of hire to assist in the enforcement of child support obligations. Form CT-W4NA

Effective January 1, 2007

Employee's Withholding Certificate - Nonresident Apportion

Purpose: Complete **Form CT-W4NA** if you are a nonresident who performs services partly within and partly outside of Connecticut for the same employer. **Form CT-W4NA**, in addition to **Form CT-W4, Employee's Withholding Certificate**, will assist your employer in withholding the correct amount of Connecticut income tax from your wages for services performed in Connecticut.

Determine Your Residency Status: See the instructions for **Form CT-1040, Connecticut Resident Income Tax Return, Form CT-1040EZ, Connecticut Resident EZ Income Tax Return, or Form CT-1040NR/PY, Connecticut Nonresident or Part-Year Resident Income Tax Return.**

How Your Employer Will Calculate Your Withholding: If you are a nonresident, your employer is required to withhold Connecticut income tax on all wages paid to you unless:

1. You have filed **Form CT-W4NA** with your employer; **or**
2. Your employer maintains adequate current records to accurately determine the amount of wages paid to you for the services performed within Connecticut.

If you have filed **Form CT-W4NA**, your employer will withhold Connecticut income tax from your wages based on the percentage of your services you estimate you will perform in Connecticut during the calendar year. Your employer will make necessary adjustments during the calendar year if your employer knows or has reason to know that the percentage of services you estimated on **Form CT-W4NA** is no longer correct. In making the adjustments, your employer will determine the percentage of wages paid to you for the performance of services within Connecticut by using the same percentage your wages derived from or connected with Connecticut sources bears to your total wages.

Your employer may determine the percentage of wages paid to you for services performed within Connecticut based on your **Form CT-W4NA** on file from the preceding calendar year. If reasonable, your employer will make any necessary adjustments during the calendar year if your employer knows or has reason to know that the percentage shown on **Form CT-W4NA** is no longer correct.

When to File Form CT-W4NA: You must complete **Form CT-W4NA** if any of the following is true for the calendar year:

- You are a nonresident who performs services partly within and partly outside of Connecticut for the same employer; **or**
- The percentage of services you perform within Connecticut has changed from the percentage you indicated on the most recent **Form CT-W4NA** on file with your employer; **or**
- Your residency status has changed from resident to nonresident.

General Instructions: Before you complete **Form CT-W4NA**, review the information you have provided on **Form CT-W4** and make any necessary changes. If you have not completed **Form CT-W4**, you must complete and file it with your employer before you complete **Form CT-W4NA**.

Complete the certificate below, sign it and return it to your employer.

Employer: You must withhold the applicable amount of Connecticut income tax from wages paid to employees who file this certificate. You must make necessary adjustments during the calendar year if you know or have reason to know the percentage of services your nonresident employee estimated on **Form CT-W4NA** is no longer correct. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. If you are requesting an extension of time to file several types of forms, you may use one Form CT-8809. You can request an extension for only one calendar year on this form. **An extension cannot be granted if a request is filed after the original due date of the returns.**

If you act as transmitter for a group of filers, enter the transmitter name and address and attach a list of filer names, addresses, Connecticut Tax Registration Numbers, and Federal Employer Identification Numbers. Notification of denial is sent only to the person who requested the extension.

Item 2. Enter your ten-digit Connecticut Tax Registration Number.

Item 3. Enter your nine-digit Federal Employer Identification Number or Social Security Number if you are not required to have an employer identification number. Do not enter hyphens. A transmitter should enter the transmitter's Federal Employer Identification Number in this box.

Item 4. Enter the name of someone to contact if additional information is required.

Item 5. Enter the telephone number, including area code, of the person shown on Item 4.

Item 6. Indicate the type(s) of informational return(s) for which you are requesting an extension of time to file and method of filing by checking the appropriate box(es).

An employer or payer who is required by the Internal Revenue Service to file copies of federal Forms W-2, W-2G, 1098, 1099-MISC, 1099-R, and 1099-S on magnetic media must file these forms on magnetic media with DRS. However, an employer or payer who files 24 or fewer Forms W-2, W-2G, 1098, or 1099 with DRS is not required to file those forms on magnetic media and need not request a waiver.

Item 7. Indicate whether or not the filer applied for an extension of time to file federal informational returns. If an extension was requested, a copy of the federal Form 8809, Request for Extension of Time to File Informational Returns, must be attached to Form CT-8809. In addition, if a federal extension was requested, indicate whether or not it was approved by the Internal Revenue Service. If the extension was approved, attach a copy of the approval to Form CT-8809.

Item 9. Check the appropriate box to indicate whether you will provide, or have provided, a copy of the informational returns or the required statement to the recipients on time.

If this extension request is approved, it will only extend the due date for filing the returns with DRS. It will not extend the January 31st due date for furnishing the required copies of statements to recipients.

Signature: The extension request must be signed by you or a person who is **duly authorized** to sign a return, statement, or other document.

Failure to properly complete and sign this form may cause a delay in processing or result in the denial of your request. Be sure you are requesting an extension of time only for returns listed on Form CT-8809.

Connecticut Estate and Gift Tax Return and Instructions

Dear Taxpayer:

Connecticut estate and gift taxes changed considerably starting in calendar year 2005. This booklet contains the combined **Form CT-706/709**, *Connecticut Estate and Gift Tax Return and Instructions*. It also explains how changes in the law during the 2005 and 2006 Legislative Sessions of the General Assembly impact these taxes and taxpayer requirements.

Taxpayers should be aware of reporting rules that affect Connecticut estates and gifts given since January 1, 2005. Taxable gifts now accumulate over the lifetime of the giver. More details about this can be found under *Connecticut Gift Tax Overview*, on Page 3. Please read all instructions in the booklet carefully.

The goal of the Department of Revenue Services (DRS) is to obtain taxpayer compliance by providing taxpayers with accurate and concise information needed to file and pay appropriate tax obligations to the state. If you have questions about filing this return, or any Connecticut tax issues, you can reach DRS Taxpayer Services staff by e-mail, phone, or letter. The back cover of this booklet lists all the ways you can access this Agency. The DRS Web site at www.ct.gov/DRS contains new frequently asked questions, which are available anytime to provide you helpful facts, forms, and publications. The Web site also contains information about various electronic filing options available for personal and business taxes.

DRS welcomes your comments and ideas about how we can improve our products and better serve taxpayers.

Sincerely,

A handwritten signature in black ink, appearing to read 'Pam Law', is positioned above the printed name.

Pam Law
Commissioner of Revenue Services

Form CT-706/709, *Connecticut Estate and Gift Tax Return*, has changed for 2006. Additional lines and schedules are now available for use. Some of these include *Schedule A*, Line 15, which is available for civil union partners, and *Schedule B* which is required for reportable gifts given in calendar year 2005.

Schedule D is amended to include a new credit for real or tangible personal property located in another state and not subject to death tax of that state.

Civil Unions

Public Act 2005-10, An Act Concerning Civil Unions, authorizes same-sex couples to enter into civil unions, and grants to parties in a civil union recognized under Connecticut law (civil union partners) the same benefits and protections under Connecticut law that are granted to spouses in a marriage. This treatment first applies for Connecticut gift tax purposes to gifts made on or after January 1, 2006, and first applies for Connecticut estate tax purposes to estates of decedents dying on or after January 1, 2006.

For gifts made on or after January 1, 2006, and for estates of decedents dying on or after January 1, 2006, the following Connecticut gift and estate tax provisions, which are available to spouses in a marriage, are available to civil union partners:

(1) Marital deduction: A Connecticut marital deduction is allowable for property passing from a donor or decedent to his or her civil union partner to the same extent that property transferred to a husband or wife or surviving spouse is allowable as a marital deduction, provided the requirements of Internal Revenue Code (I.R.C.) §2523 for gifts and §2056 for bequests are otherwise met.

Because civil unions are not recognized for federal tax purposes, civil union partners who elect a marital deduction for Connecticut gift tax or estate tax purposes will be required to submit with the Form CT-706/709 that is filed with the Department of Revenue Services (DRS): (1) a pro forma federal Form 709 or Form 706, completed as if federal tax law allowed a marital deduction to civil union partners, which reflects the marital deductions taken by the civil union partners; and (2) a copy of the federal Form 709 or Form 706 (whichever is applicable) that was actually filed with the Internal Revenue Service (IRS).

(2) Joint property: Civil union partners are allowed to include in the gross estate of a decedent one-half the value of certain joint interests in the same manner that a husband and wife are permitted this treatment, provided the interest

in property otherwise meets the requirements of I.R.C. §2040(b)(2).

(3) Gift Splitting: Spouses are eligible for federal gift tax purposes to elect to gift-split. Where spouses elect to gift-split, all gifts made by one spouse to another person or persons are to be considered as made one-half by the donor and one-half by the donor's spouse. This same election is available for Connecticut gift tax purposes to civil union partners.

Because civil unions are not recognized for federal tax purposes, civil union partners who elect to gift-split for Connecticut gift tax purposes will be required to submit with the Form CT-706/709 that is filed with DRS: (1) a pro forma federal Form 709, completed as if federal law allowed civil union partners to gift-split, which reflect the gift-splitting elected by the civil union partners; and (2) copies of the federal Forms 709 that were actually filed with the IRS.

Connecticut Gift Tax Overview

The Connecticut gift tax continues to apply to *Connecticut taxable gifts*, which are federal taxable gifts made by a resident or nonresident of Connecticut on or after January 1, 2005:

- For a Connecticut resident, the taxable gifts include real property or tangible personal property located in Connecticut, as well as intangible personal property wherever located; **and**
- For a nonresident of Connecticut, the taxable gifts include only real property or tangible personal property located in Connecticut.

A Connecticut gift tax return must be filed to report all Connecticut taxable gifts made in any calendar year on or after January 1, 2005, even though Connecticut gift tax may not be due. Prior to January 1, 2005, a donor was not required to file a Connecticut gift tax return if tax was not due. For calendar years beginning January 1, 2005, Connecticut gift tax is payable only when the aggregate amount of all Connecticut taxable gifts made by the donor (during his or her lifetime), on or after January 1, 2005, exceeds \$2 million. Once the \$2 million threshold is exceeded, Connecticut gift tax is payable on the aggregate amount of Connecticut taxable gifts, including the first \$2 million.

Connecticut Estate Tax Overview

Resident and nonresident estates are now liable for the Connecticut estate tax if their Connecticut taxable estate is more than \$2 million. A *resident estate* is an estate of a decedent who at the time of death was domiciled in Connecticut. A *nonresident estate* is an estate of a decedent

who at the time of death was not domiciled in Connecticut but owned real or tangible personal property in Connecticut.

The **Connecticut taxable estate** is the sum of:

- A. The total value of the decedent's federal gross estate, less allowable deductions (other than the deduction for state death taxes paid under I.R.C. §2058); **and**
- B. The aggregate amount of Connecticut taxable gifts made by the decedent (during his or her lifetime) during all calendar years beginning on or after January 1, 2005.

If A plus B exceeds \$2 million, Connecticut estate tax is payable on the sum (including the first \$2 million). These estates must file Form CT-706/709 with DRS. A copy of Form CT-706/709 must also be filed with the appropriate probate court.

For a nonresident estate, if A plus B exceeds \$2 million, Connecticut estate tax is first calculated on the sum (including the first \$2 million). The tax calculated is then multiplied by a fraction. (See line instructions for *Schedule E - Computation of Tax for Nonresident Decedent Estates* on Page 20.)

If A plus B is \$2 million or less, Connecticut estate and gift tax is not due. However, estates must file **Form CT-706 NT, Connecticut Estate Tax Return (for Nontaxable Estates)**, with the probate court for the district in which the decedent resided at the date of death; or, if the decedent died as a nonresident of Connecticut, with the probate court for the district in which the decedent's real property or tangible personal property is located. Do not file Form CT-706 NT with DRS.

DRS offices are open Monday through Friday, 8:00 a.m. to 5:00 p.m. If you visit, you must bring your completed federal Form 706 or federal Form 709.

Personal telephone assistance is available Monday through Friday, 8:30 a.m. to 4:30 p.m. Call CONN-TAX, the DRS information line, or visit the DRS Web site for details.

How to Get Additional Forms and Publications

Visit the DRS Web site at www.ct.gov/DRS to download and print Connecticut tax forms and publications at any time. Forms are also available during regular business hours at any of the DRS walk-in offices and the other sources listed on the back cover of this booklet.

The forms mentioned in these instructions are also available from any of the Connecticut probate courts.

Recordkeeping

Keep a copy of your tax return, worksheets you used, and records of all items appearing on the return. You may need this information to prepare future returns or to file amended returns.

Copies of Returns

Copies of previously filed Connecticut tax returns may be requested from DRS by completing **LGL-002, Request for Disclosure of Tax Return or Tax Return Information**. Requests are normally processed in three weeks.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents. However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on a line.

If you do not round, DRS will disregard the cents.

Private Delivery Services

Your return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS), is on or before the due date. Not all services provided by the designated PDSs qualify.

Where to File

Mail your return to:

Interest and Penalties

In general, interest and penalty apply to any portion of the tax not paid on or before the original due date of the return.

Interest

If you do not pay the tax when due, you will owe interest at the rate of 1% (.01) per month or fraction of a month until the tax is paid in full.

Interest on underpayment or late payment of tax cannot be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of the tax is 10% (.10) of the tax due or \$50, whichever is greater.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed with DRS.

Penalty for Failure to File

If you do not file your return and DRS files a return for you, the penalty for failure to file is 10% (.10) of the balance due or \$50, whichever is greater. If you were required to file an amended Form CT-706/709 and failed to do so, you will be subject to a penalty.

Waiver of Penalty

The penalty may be waived if the failure to file or pay tax on time was due to reasonable cause. Interest cannot be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must:

- Be in writing and contain a clear and complete explanation;

- Include the decedent's or donor's name and Social Security Number (SSN);
- Include the name of the original form filed or billing notice received;
- Include the taxable filing period; **and**
- Include documentation supporting your explanation.

Attach the penalty waiver request to the **front** of the tax return or mail it separately with a copy of the tax return to:

**Department of Revenue Services
Penalty Waiver Unit
PO Box 5089
Hartford CT 06102- 5089**

Getting Started

The Connecticut estate and gift taxes are filed on the same return, **Form CT-706/709**, *Connecticut Estate and Gift Tax Return*. The return is divided into three sections.

The first section applies to filing the gift tax portion of the return. The second section applies to filing the estate tax portion of the return. Your circumstances will determine which section you complete. The third section is used to calculate the payment or refund amount.

Section 1 - Gift Tax

This section is used to report gifts made by a donor during calendar year 2006. If the donor died during the calendar year in which the gifts were made, complete Section 2 and **not** Section 1.

Section 2 - Estate Tax

This section is used for the estate of a decedent dying during calendar year 2006. Gifts made by the decedent during the calendar year the decedent died are reportable in this section and **not** in Section 1.

Section 1 - Gift Tax

Steps to Completing Section 1 - Gift Tax

Before You Start

Form CT-706/709 is an annual return and covers the entire calendar year. File your 2006 Form CT-706/709 on or before April 15, 2007.

If the donor died during the calendar year in which the gifts were made do **not** complete Section 1. Go to **Section 2 - Estate Tax**, beginning on Page 17.

Form CT-706/709 covers **all** gifts you made to **all** donees during the calendar year. Do not file a separate Form CT-706/709 for each gift or for each donee.

No Joint Returns

If you and your spouse are each required to file Form CT-706/709, you must each file a separate Form CT-706/709. You and your spouse cannot file a joint Form CT-706/709.

Step One – Determine whether you are required to file a federal gift tax return.

Determine whether you are required to file federal Form 709, United States Gift (and Generation-Skipping Transfer) Tax Return, by following the instructions for federal Form 709.

If you are not required to file federal Form 709, **stop here**. You are not required to complete Form CT-706/709, Section 1.

Step Two – Determine whether you are required to file a Connecticut gift tax return.

If you are required to file federal Form 709, use the information on that return to determine whether you are required to file Form CT-706/709.

If you are a **resident** individual, you are required to file Form CT-706/709 if:

- You made a gift of real or tangible personal property located in Connecticut or made a gift of intangible property and the amount of your Connecticut taxable gifts (the amount entered on your Form CT-706/709, *Schedule A*, Line 9) is more than \$0; **or**
- You made a gift of Connecticut farmland and valued it in accordance with Conn. Gen. Stat. §12-646a. (See **Schedule CT-709 Farmland**.)

If you are a **nonresident** individual, you are required to file Form CT-706/709 if:

- You made a gift of real or tangible personal property located in Connecticut and the amount of Connecticut taxable gifts (the amount entered on your Form CT-706/709, *Schedule A*, Line 9) is more than \$0; **or**
- You made a gift of Connecticut farmland and valued it in accordance with Conn. Gen. Stat. §12-646a. (See *Schedule CT-709 Farmland*.)

Residence

For purposes of the Connecticut gift tax:

Resident means any individual who is domiciled in Connecticut at the time he or she made gifts.

Nonresident means any individual who is not domiciled in Connecticut at the time he or she made gifts.

Domicile is the place which an individual intends to be his or her permanent home and to which such individual intends to return whenever absent.

Person Responsible for Filing Return and Paying Tax

If Form CT-706/709 must be filed, the donor is responsible for filing Form CT-706/709 and paying the tax due.

If a donor becomes legally incompetent or dies before filing the return, the donor's guardian, conservator, executor, or administrator is responsible for filing the return. If there is no duly qualified executor or administrator, the donor's heirs, legatees, devisees, or distributees are required to pay the tax to the extent of the value of their inheritances, bequests, devises, or distributive shares of the donor's estate.

If the gift tax is not paid when due, each donee is personally liable for the tax to the extent of the value of the gift received.

Financial Disability

If you, as the donor, are financially disabled as defined in I.R.C. §6511(h)(2), the statute of limitations for having an overpayment of Connecticut gift tax refunded to you is extended for as long as you are financially disabled. You are financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not financially disabled during any period your spouse or any other person is authorized to act on your behalf in financial matters.

When to File for Gift Tax

In general, Form CT-706/709 is due on or before April 15 of the year following the year the gifts were made unless an extension for filing Form CT-706/709 is granted.

If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Extension Requests

You may request an extension of time to file your Form CT-706/709 by filing **Form CT-706/709 EXT, Application for Estate and Gift Tax Return Filing Extension and for Estate Tax Payment Extension**. If you request an extension of time to file your federal gift tax return, you do not have to provide an explanation for requesting an extension of time to file your Form CT-706/709. If you do not request an extension of time to file your federal gift tax return, you must provide an explanation for requesting an extension of time to file your Form CT-706/709.

Payment of all of the Connecticut gift tax you expect to owe must accompany Form CT-706/709 EXT. Filing Form CT-706/709 EXT only extends the time to file your Connecticut tax return; it does not extend the time to pay Connecticut gift tax. If the payment accompanying your Form CT-706/709 EXT is less than the gift tax reported on your Form CT-706/709, you will owe interest and penalty. (See *Interest and Penalties* on Page 5.)

If a taxpayer is unable to request an extension because of illness, absence, or other good cause, any person standing in a close personal or business relationship to the taxpayer (including an attorney, accountant, or enrolled agent) may file the request on the taxpayer's behalf.

Comparison Between Federal Gift Tax and Connecticut Gift Tax

Gifts

A gift is a transfer of property or interest in property without adequate consideration. For Connecticut gift tax purposes a transfer is only treated as a gift if it is treated as a gift for federal gift tax purposes. Some transfers treated as gifts for federal gift tax purposes are not treated as gifts for Connecticut gift tax purposes. For example, real property located outside Connecticut is not subject to the Connecticut gift tax. Gifts to which the Connecticut gift tax applies are gifts of real property and tangible personal property located in Connecticut (whether the donor is a resident of Connecticut or a nonresident of Connecticut) and gifts of intangible personal property (but only where the donor is a resident of Connecticut).

Exclusions and Deductions

For federal gift tax purposes, the first \$12,000 of gifts to a donee during the calendar year of a present interest in property is excluded from the total amount of gifts. There is no annual exclusion for gifts of future interests. A present interest in property is an unrestricted right to the immediate use, possession, or enjoyment of property or the income from the property. For Connecticut gift tax purposes, the same first \$12,000 of gifts to a donee during the calendar year of a present interest in property that was excluded for federal gift tax purposes is excluded from the total amount of gifts, but only if that same first \$12,000 of gifts to the donee is gifts to which the Connecticut gift tax applies.

For federal gift tax purposes, the first \$120,000 of gifts made to a spouse who is not a U.S. citizen during the calendar year of a present interest in property is excluded from the total amount of gifts. For Connecticut gift tax purposes, the same first \$120,000 of gifts to a spouse who is not a U.S. citizen during the calendar year of a present interest in property that was excluded for federal gift tax purposes is excluded from the total amount of gifts, but only if that same first \$120,000 of gifts to the spouse is gifts to which the Connecticut gift tax applies.

For federal gift tax purposes, deductions are allowed for gifts to charitable organizations or to a spouse who is a U.S. citizen. For Connecticut gift tax purposes, deductions are allowed for gifts to charitable organizations or to a spouse who is a U.S. citizen, but only if those gifts are gifts to which the Connecticut gift tax applies.

Valuation

In general, the valuation rules used for federal gift tax purposes are also used for Connecticut gift tax purposes. These rules include the special valuation rules of I.R.C. §§2701 to 2704, where they apply. Generally, the special valuation rules apply if a donor transfers certain property to a member of his or her family and, immediately after the transfer, retains or is deemed to have retained an interest in the property. For example, certain gifts of real property in which the donor retains a life estate and transfers a remainder interest to a member of his or her family are subject to the special valuation rules. Where the special valuation rules apply, the value of the retained interest is disregarded in determining the value of the gift made to the family member. (See I.R.C. §2702.) If a gift of farmland is made, the donor may elect to use a valuation method other than the federal valuation rules. (See *Gifts of Farmland* on Page 10.)

Example: During calendar year 2006, Mary conveys title to her house to her three children and either retains a life use for herself on the deed, or does not retain a life use for herself on the deed but continues to occupy the residence. Mary does not receive any money or other type of consideration for the house from her children. Mary has made a gift of a future interest to her children. Because this is a gift of a future interest to her lineal descendants, it is subject to the special valuation rules (I.R.C. §§2702 et seq.). The value of Mary's gift determined under the special valuation rules is the property's fair market value (less encumbrances). Because this is a gift of a future interest, annual exclusions do not apply.

Gift Splitting

For federal gift tax purposes, if both spouses consent to gift split, all gifts made to third parties during the calendar year, whether made by one spouse alone or made partly by each spouse, are considered made one-half by each spouse (only if at the time of the gift each spouse is a citizen or resident of the U.S.). For federal purposes, the first \$24,000 of gifts of a present interest in property to a donee by consenting spouses during the calendar year are excluded from the total amount of gifts. To gift split:

- Spouses must be married to each other at the time the gifts were made for gift splitting to apply. If they are subsequently divorced during the year, they may still gift split for gifts made while they were married so long as neither marries anyone else during the year;

- Spouses must both be citizens or residents of the United States on the date of the gift; **and**
- One spouse may not create a general power of appointment in the other spouse over the property transferred.

The executor or administrator for a deceased spouse's estate, or the guardian of a legally incompetent spouse, may sign the consent. The consent of an executor or administrator will not be effective for gifts made by the surviving spouse during that portion of the calendar year his or her spouse was deceased.

For Connecticut gift tax purposes, a husband and wife who have both consented to gift split for federal gift tax purposes are deemed to have both consented to gift split for Connecticut gift tax purposes and are required to gift split for Connecticut gift tax purposes. The rules that apply to determine whether and which gifts may be gift split for federal gift tax purposes also apply for Connecticut gift tax purposes. If a husband and wife have not both consented to gift split for federal gift tax purposes, they may not gift split for Connecticut gift tax purposes.

The Connecticut gift tax liability of the spouses deemed to have consented to gift split is joint and several. Joint and several means one or both parties can be held responsible to pay the full amount of the tax due.

No Joint Gift Tax Return

A married couple may **not** file a joint gift tax return for either federal gift tax purposes or Connecticut gift tax purposes.

Applicable Credit Amount

An applicable credit amount of \$1 million is allowed against the federal gift tax. There is no comparable credit allowable against the Connecticut gift tax. However, Connecticut gift tax is payable only once the aggregate amount of Connecticut taxable gifts made by the donor (during his or her lifetime) during all calendar years beginning on or after January 1, 2005, exceeds \$2 million. Once the \$2 million threshold is exceeded, Connecticut gift tax is payable on the aggregate amount, including the first \$2 million.

Example of Computation of Federal and Connecticut Gift Taxes

Beth Smith, a Connecticut resident, makes the following gifts during calendar year 2006:

1. To her daughter Lynn, land located in New York with a fair market value of \$20,000 on 2/15/06.
2. To her son Steven, \$25,000 in cash on 3/30/06.
3. To her daughter Karen, land located in Rhode Island with a fair market value of \$20,000 on 1/15/2006 and shares of stock with a fair market value of \$10,000 on 3/25/2006.
4. To a charitable organization, tangible personal property located in Massachusetts with a fair market value of \$20,000 on 4/15/06.

Beth will make the following entries on Schedule A of the federal and Connecticut gift tax returns:

Federal Schedule A			
Col. A	Col. B	Col. E	Col. H
Item No.	Donee Information Gift Description	Date of Gift	Net Transfer
1*	Lynn Smith Land in New York	2/15/2006	\$20,000
2	Steven Smith Cash	3/30/2006	\$25,000
3*	Karen Smith Land in Rhode Island	1/15/2006	\$20,000
4	Karen Smith Stock	3/25/2006	\$10,000
5*	Charity Tangible Property in MA	4/15/2006	\$20,000
Total Value of Gifts			\$95,000

* These items are not includable on the Connecticut *Schedule A*; gifts of real or tangible personal property located outside of Connecticut are not Connecticut gifts.

The value of the gifts Beth made to her children and to the charitable organization during calendar year is \$95,000. However, the total amount of gifts is only \$47,000. This is because all gifts were of a present interest in property allowing Beth a \$12,000 annual exclusion for each donee.

The amount of Beth's taxable gifts for federal purposes is \$39,000 because a deduction is allowed for the gift to the charitable organization. Beth must file a federal gift tax return for calendar year 2006.

Connecticut Schedule A			
Col. A	Col. B	Col. D	Col. G
Item No.	Donee Information Gift Description	Date of Gift	Net Transfer
1**	Steven Smith Cash	3/30/2006	\$25,000
2	Karen Smith Stock	3/25/2006	\$10,000
Total Value of Gifts			\$35,000
Line No.			
1	Total gifts		\$35,000
2	Total annual exclusion**		\$12,000
3	Subtract Line 2 from Line 1		\$23,000
4-8	Deductions		\$0
9	Current Year Taxable Gifts		\$23,000

**Beth is only allowed one annual exclusion of \$12,000 for the \$25,000 gift to Steven. Beth is not allowed a \$12,000 annual exclusion for her gift to Karen because the first \$12,000 of gifts to Karen during calendar year 2006 of a present

interest in property was not a gift to which the Connecticut gift tax applied (land located in Rhode Island).

Beth must also complete Form CT-706/709, Section 1 and Section 3.

Assuming Beth made no Connecticut taxable gifts during calendar year 2005, the \$23,000 of Connecticut taxable gifts made during calendar year 2006 reduces her unified exemption for Connecticut estate and gift tax of \$2 million to \$1,977,000.

Gifts of Farmland

Transfers of Farmland or Change of Classification

If land classified as farmland under Conn. Gen. Stat. §12-107c is transferred to a donee who is a lineal descendant or that descendant's spouse, the land may be valued based on its current use as farmland. If, within ten years of the transfer, the donee transfers this farmland to a person other than the donee's lineal descendant or that descendant's spouse, or the land is no longer classified as farmland, the donee will be liable for the difference between the tax that was due from the donor and the tax that would have been due if the land was valued at its fair market value.

A *lineal descendant* is a person in the direct line of descent, such as a child or grandchild. A lineal descendant does not include a corporation, partnership, or trust.

The donor who claims special valuation on a gift of farmland must provide a copy of **Schedule CT-709 Farmland** to the donee so the donee knows the amount of any additional tax that may become due.

Due Date of Additional Tax Liability

If within ten years a gift of farmland is transferred to a person other than the donee's lineal descendant or that descendant's spouse, or the land is no longer classified as farmland under Conn. Gen. Stat. §12-107c, the donee must submit to DRS a copy of Schedule CT-709 Farmland the original donor provided to the donee. The additional tax entered on Schedule CT-709 Farmland, Line F must be paid no later than 60 days following the transfer or the change in classification. The donee must provide a written statement indicating when the land was transferred to a person other than the donee's lineal descendant or that

descendant's spouse or, if the land is no longer classified as farmland under Conn. Gen. Stat. §12-107c, when the classification of the land was changed.

Attach a check or money order for the additional tax to a copy of Schedule CT-709 Farmland provided by the donor to the donee and the written statement.

Mail to:

**Department of Revenue Services
PO Box 2978
Hartford CT 06104-2978**

The check or money order should be payable to **Commissioner of Revenue Services**.

If the tax is not paid on time, the penalty is 10% (.10) of the balance due or \$50, whichever is greater. Interest is charged on the underpayment of the tax at the rate of 1% (.01) per month or fraction of a month.

The Commissioner may, for good cause, extend the time for payment of the tax if the descendant or the descendant's spouse files a written application with the Commissioner on or before the 60-day period expires. If the land was transferred to the donee's lineal descendant or that descendant's spouse, the Commissioner may, for good cause, extend the time for payment of the tax if the descendant or the descendant's spouse files a written application with the Commissioner on or before the 60-day period expires.

Recordkeeping

For gifts of farmland, you must provide a copy of Schedule CT-709 Farmland to your donee(s) and advise your donee(s) to keep the copy for ten years.

Schedule A – Overview

General Instructions

The information on *Schedule A* for each gift should generally be identical to the information reported on federal Form 709, Schedule A. However, only those gifts to which the Connecticut gift tax applies should be reported on Form CT-706/709, *Schedule A*. For gifts of land classified as farmland under Conn. Gen. Stat. §12-107c, the land's value as farmland may differ from that reported on federal Form 709, Schedule A. (See *Gifts of Farmland* on Page 10.)

If the total amount of Connecticut gifts of present interests to any donee is more than \$12,000 in the calendar year, you must enter all gifts you made during the year to or on behalf of that donee.

If the total amount of Connecticut gifts to a donee is \$12,000 or less, do not enter on *Schedule A* any gifts you made to that donee unless the Connecticut gift is of a future interest or of a present interest where the annual exclusion does not apply to the Connecticut gift.

You must always enter all gifts of future interests you made during the calendar year regardless of value. There is no annual exclusion for gifts of future interests. (See *Gifts* on Page 8.)

Contributions to Qualified State Tuition Programs

An election may be made under I.R.C. §529(c)(2)(B) to treat any transfers made this year to a qualified state tuition program as made ratably over a five-year period beginning this year. (See *Schedule A - Line Instructions, Line 14* on Page 14.)

Gifts to Your Spouse

Enter gifts to your spouse on *Schedule A* if:

- You gave a gift of a terminable interest to your spouse;
- You gave a gift of a terminable future interest to your spouse; **or**
- Your spouse was not a citizen of the United States at the time of the gift.

Do **not** enter gifts to your spouse on *Schedule A* if all the terminable interests you gave to your spouse qualify as life estates with power of appointment.

However, if you gave your spouse **any** terminable interest that does not qualify as a life estate with power of appointment, you must report on *Schedule A* **all** gifts of terminable interests you made to your spouse during the year.

Gift Splitting With Your Spouse

You are **not** permitted to gift split for Connecticut gift tax purposes if you do not consent to gift split for federal tax purposes.

You are **required** to gift split for Connecticut gift tax purposes if you consent to gift split for federal gift tax purposes.

Enter on *Schedule A* the entire value of every gift you made during that portion of the calendar year you were married, even if the gift's value will be less than \$12,000. (See *Gift Splitting* on Page 8.)

If you elected gift splitting and your spouse made gifts, list those gifts in the space below "Gifts made by spouse" on separate return.

Terminable Interests

Generally, you cannot take the marital deduction if the gift to your spouse is a terminable interest. In most cases, a terminable interest is nondeductible if someone other than the donee spouse will have an interest in the property following the termination of the donee spouse's interest.

Some examples of terminable interests are:

- A life estate;
- An estate for a specified number of years; **or**
- Any other property interest that after a period of time may terminate or fail.

If you transfer an interest to your spouse as sole joint tenant with yourself or as a tenant by the entirety, the interest is not considered a terminable interest just because the tenancy may be severed.

Life Estate With Power of Appointment

You may deduct, without a federal election, a gift of a terminable interest if **all** four of the following requirements are met:

1. Your spouse is entitled for life to all of the income from the entire interest;
2. The income is paid yearly or more often;
3. Your spouse has the unlimited power, while he or she is alive or by will, to appoint the entire interest in all circumstances; **and**
4. No part of the entire interest is subject to another person's power of appointment (except to appoint it to your spouse).

If either the right to income or the power of appointment given to your spouse pertains only to a **specific portion** of the property interest, the marital deduction is allowed only to the extent that the rights of your spouse meet all four of the conditions above. For example, if your spouse is to

receive all of the income from the entire interest, but only has a power to appoint one-half of the entire interest, then only one-half qualifies for the marital deduction.

Election to Deduct Qualified Terminable Interest Property (QTIP)

You may elect, for federal gift tax purposes, to deduct a gift of a terminable interest if it meets requirements 1, 2, and 4 on the previous page, even though it does not meet requirement 3.

If you make this federal election, you must check the box on *Schedule A*, Line 16. You may not check the box if you did not make the election for federal gift tax purposes.

Charitable Remainder Trusts

If you made a gift to a charitable remainder trust and your spouse is the only noncharitable beneficiary other than you, the interest you gave to your spouse is not considered a terminable interest gift and, therefore, should not be reported on Form CT-706/709, *Schedule A*.

Schedule A - Column Instructions

Column A

Assign each gift made during the year a number.

Column B

List each donee and all gifts made in chronological order.

If a transfer results in gifts to two people (for example, a life estate to one, remainder to another), the gifts must be listed separately.

Describe each gift in enough detail so that the donee and the property can be easily identified.

Column C

Show the adjusted basis you would use for federal income tax purposes if the gift were sold or exchanged. Generally, this means cost plus improvements less applicable depreciation, amortization, and depletion.

The adjusted basis for Connecticut gift tax purposes is the same as the adjusted basis for federal gift tax purposes.

Column E

Enter the fair market value of the gift at the date the gift is made. The *fair market value* is the price at which the property would change hands between a willing buyer and a willing seller, when neither is forced to buy or sell, and both have reasonable knowledge of all relevant facts. (See *Gifts of Farmland* on Page 10.)

Column F

Enter ½ of the Column E amount in this column **only** if you have chosen to split gifts with your spouse.

Column G

If you are **not** gift splitting, carry Column E amounts to Column G.

If you are gift splitting, subtract Column F from Column E and enter the difference in Column G.

Schedule A - Line Instructions

Line 1

Add the value of all gifts listed in *Schedule A*, Column G, and enter the sum on Line 1.

Line 2

Enter the total annual exclusions you are claiming for the gifts listed on *Schedule A*, Line 1. The **first \$12,000 or less** of gifts to any donee during the calendar year of a present (not future) interest in property is excluded.

When determining the annual exclusion amount do not count any donee more than once. The annual exclusion is per donee and **not** per gift.

However, if the first \$12,000 of gifts to any donee involves tangible personal property or real property located outside Connecticut, no annual exclusion is available for Connecticut gift tax purposes for gifts to that donee.

The first \$120,000 of gifts made to a spouse who is not a U.S. citizen during the calendar year of a present interest in

property is excluded from the Connecticut total amount of gifts.

If you split a gift with your spouse, the annual exclusion you claim against the gift may not be more than your half of the gift.

Line 3

Subtract Line 2 from Line 1 and enter the balance on Line 3. This is the total amount of gifts before the calculation of the marital deduction and charitable deduction.

Line 4

Enter on Line 4 all of the gifts to your spouse you entered on *Schedule A* and for which you are claiming a marital deduction. **Do not enter any gift you did not include on Schedule A.** Indicate on the line provided which numbered items from *Schedule A* are gifts to your spouse for which you are claiming the marital deduction.

Do not enter on Line 4 any gifts to your spouse if your spouse was not a U.S. citizen at the time of the gift. There is no marital deduction for gifts to a spouse who is not a U.S. citizen. However, an annual exclusion may apply. (See *Gifts* on Page 8.)

Line 5

Enter the amount of the annual exclusions claimed for the gifts you entered on Line 4.

Line 6

Subtract Line 5 from Line 4 and enter the balance on Line 6. This is the marital deduction that can be claimed for the year.

Line 7

If you are claiming a deduction for charitable gifts, enter your total charitable, public, or similar gifts (minus exclusions allowed) on Line 7. Enter on the line provided the item number(s) of the gift(s) from *Schedule A* you are deducting on Line 7. You may deduct from the total amount of gifts made during the calendar year all gifts you gave to or for the use of:

- The United States, a state or political subdivision of a state, or the District of Columbia, for exclusively public purposes;
- Any corporation, trust, community chest, fund, or foundation organized and operated only for religious, charitable, scientific, literary, or educational purposes, or to prevent cruelty to children or animals, or to foster national or international amateur sports competition (if none of its activities involve providing athletic equipment unless it is a qualified amateur sports organization), as long as no part of the earnings benefits any one person, no substantial propaganda is produced, and no lobbying or campaigning for any candidate for public office is done;
- A fraternal society, order, or association operating under a lodge system, if the transferred property is to be used only for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals; **or**
- Any war veterans' organization organized in the United States (or any of its possessions) or any of its auxiliary departments of local chapters or posts, as long as no part of any of the earnings benefits any one person.

Do not enter any gift you did not include on *Schedule A*.

Line 8

Add Line 6 and Line 7 and enter the amount on Line 8. This is the total of the marital deduction and the charitable gift deduction.

Line 9

Subtract Line 8 from Line 3. Enter this amount on Line 9 and on Section 1, Line 1.

Line 10

If you and your spouse consented for federal gift tax purposes to consider all the gifts made during the calendar year as made one-half by each spouse, and as a result, are required to gift split for Connecticut gift tax purposes, check the box marked **Yes** and enter the consenting spouse's name and SSN on the applicable lines.

The consent may generally be signed any time after the end of the calendar year. However, two exceptions are:

1. The consent may not be signed after April 15 following the end of the year in which the gift was made. (If neither you nor your spouse has filed a federal gift tax return for the year on or before that date, the consent must be made on the first federal gift tax return for the year filed by either of you.); **and**
2. The consent may not be signed after a notice of deficiency for federal gift tax for the year has been sent to either you or your spouse.

The executor or administrator for a deceased spouse or the guardian for a legally incompetent spouse may consent.

The consent is effective for the entire calendar year. Therefore, all gifts made by both you and your spouse to third parties during the calendar year (while you were married) must be split. (See *Gift Splitting* on Page 8.)

Line 11

Indicate whether your spouse is a U.S. citizen. If **No**, indicate if any property was transferred to him or her during the calendar year.

Line 12

If you were married to one another for the entire calendar year, check the **Yes** box. If you were married for only part of the year, check the **No** box.

Also, check the box that explains the change in your marital status during the year and give the date you were married, divorced, or widowed.

Line 13

Check this box if you are making a gift of land classified as farmland under Conn. Gen. Stat. §12-107c to a lineal descendant or that descendant's spouse and you are using a value based on its current use as farmland. Attach an appraisal or other document showing an adequate explanation of value based upon its current use and **Schedule CT-709 Farmland**. If no appraisal is attached to show how the property is valued, explain in detail how it was determined.

Line 14

Check this box if, for federal gift tax purposes, you elected to treat certain contributions made during calendar year 2006 to qualified state tuition programs as being made

ratably over a five-year period. If your total contributions during calendar year 2006 are:

Less than or equal to \$60,000:

- Report 20% of your total contributions on your 2006 Form CT-706/709; **and**
- Report 20% of your total contributions on your Form CT-706/709 for calendar years 2007, 2008, 2009, and 2010.

More than \$60,000:

- Report on your 2006 Form CT-706/709 the amount in excess of \$60,000 plus \$12,000 (20% of \$60,000); **and**
- Report \$12,000 (20% of \$60,000) on your Form CT-706/709 for calendar years 2007, 2008, 2009, and 2010.

Example: In year 1, when the annual exclusion amount under I.R.C. §2503(b) is \$12,000, *P* makes a contribution of \$65,000 to a qualified state tuition program for the benefit of *P*'s child. *P* elects under I.R.C. §529(c)(2)(B) to account for the gift ratably over a five-year period beginning with the calendar year of contribution. *P* is treated as making an excludible gift of \$12,000 in each of years 1 through 5 and a taxable gift of \$5,000 is reported in year 1.

Line 15

Check the box if you are a party to a civil union recognized under Connecticut law.

Line 16

Check the box if you elected under I.R.C. §2523(f) to include gifts of qualified terminable interest property as gifts to your spouse for which a marital deduction was claimed under I.R.C. §2523. Enter the item numbers (from Form CT-706/709, *Schedule A*) of the gifts for which you made this election on the space provided.

Line 17

Check the box if you elected under I.R.C. §2523(f)(6) **not** to treat as qualified terminable interest property any joint and survivor annuity where only you and your spouse have the right to receive payments before the death of the last of you to die. Enter the item numbers from Form CT-706/709, *Schedule A*, for the annuity(ies) for which you made this election in the space provided.

Any annuities entered in the space provided on Line 17 may not be entered on *Schedule A*, Line 8. Any annuities not listed in the space provided on Line 17 must be entered on *Schedule A*, Line 4. If there is more than one joint and survivor annuity, the election under I.R.C. §2523(f)(6) may, but is not required to, cover all of them. Once made, the election is irrevocable.

Schedule B - General Instructions

You must report Connecticut taxable gifts made on or after January 1, 2005, but before January 1, 2006, on *Schedule B*.

Column A

Enter the calendar year in which the gifts were made.

Column B

For gifts made during 2005, enter the amount from 2005 Form CT-706/709, Section 1, Line 1.

Column C

For gifts made during 2005, enter the amount from 2005 Form CT-706/709, Section 3, Line 17.

Form CT-706/709 Gift Tax Attachments

- Attach a complete copy of federal Form 709, United States Gift (and Generation-Skipping Transfer) Tax Return, including all attachments.
- A donor claiming special valuation on a gift of farmland **must** attach **Schedule CT-709 Farmland** to provide the fair market value of the farmland, based on its highest and best use value at the time of the gift. The donor must also provide a copy of Schedule CT-709 Farmland to the donee(s).
- For each gift of a life insurance policy, attach a copy of federal Form 712, Life Insurance Statement.
For single premium or paid-up policies, where the surrender value of the policy exceeds its replacement cost, the true economic value of the policy is greater than the amount shown on federal Form 712, Line 59. In these situations, you should report the true economic value of the policy.
- For gifts of stock of closely held or inactive corporations, attach the balance sheet for the period nearest the date of the gift, statements of net earnings or operating results and dividends paid for each of the five preceding years, and a concise statement of the method of valuation.
- Attach any other documents, such as appraisals, required for adequate explanation of value. If no appraisal is attached to show how property is valued, explain in detail how value was determined.

- If claiming a civil union partner deduction, you must attach a completed pro forma federal Form 709 completed as if federal tax law allowed a marital deduction to civil union partners and a copy of the federal Form 709 that was actually filed with the IRS. Please remember to fill out all required returns and schedules and attach all required information or your return will be incomplete.

Amended Gift Tax Returns

Use Form CT-706/709 to amend a return you already filed. Include a statement explaining why the return is being amended and check the “Amended Return” box on the front of the return. Enter the amount paid with the original return on Line 18. If you overpaid your Connecticut gift tax, you must amend Form CT-706/709 within three years after the due date for which the overpayment was made. If additional tax is due, interest applies. (See *Interest and Penalties* on Page 5.)

The following circumstances require filing an amended Form CT-706/709 for gift tax:

<p>1. The IRS or federal courts change or correct the federal gift tax return, and the change or correction results in the Connecticut gift tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the final determination. If you file an amended Form CT-706/709 no later than 90 days after the final determination, any Connecticut gift tax overpayment resulting from the final determination will be refunded even if the Connecticut statute of limitations has otherwise expired.</p>
<p>2. The donor files a timely amended federal gift tax return, and the amendment results in the Connecticut gift tax being overpaid or underpaid.</p>	<p>File no later than 90 days after the date of filing the timely amended federal gift tax return. If you file an amended Form CT-706/709 no later than 90 days after the date of filing the timely amended federal gift tax return, any Connecticut gift tax overpayment resulting from filing the timely amended federal gift tax return will be refunded even if the Connecticut statute of limitations has otherwise expired.</p>
<p>3. The donor made a mistake or omission on Form CT-706/709, and the mistake or omission results in the Connecticut gift tax being overpaid or underpaid.</p>	<p>File no later than three years after the due date for which the overpayment was made.</p>

Section 2 - Estate Tax

Steps to Completing Section 2 - Estate Tax

Use these instructions to file **Form CT-706/709**, *Connecticut Estate and Gift Tax Return*, for estates of decedents dying during calendar year 2006. For estates of decedents dying before January 1, 2005, see **Informational Publication 2004(25)**, *Q & A on Succession, Estate, and Generation-Skipping Transfer Taxes*.

Which Estates Must File With DRS

Form CT-706/709 must be filed for:

- Every resident decedent, where the decedent's Connecticut taxable estate exceeds \$2 million; **and**
- Any nonresident decedent whose gross estate includes any real property or tangible personal property located in Connecticut, where the decedent's Connecticut taxable estate exceeds \$2 million.

The decedent's *Connecticut taxable estate* is the sum of:

- A. The decedent's gross estate, as valued for federal estate tax purposes, less allowable federal estate tax deductions (other than the federal estate tax deduction for state death taxes paid); **and**
- B. The aggregate amount of Connecticut taxable gifts made by the decedent (during his or her lifetime) during all calendar years beginning on or after January 1, 2005.

If the total of A plus B exceeds \$2 million, Form CT-706/709 must be filed with DRS. A copy must be filed with the probate court for the district in which the decedent was a Connecticut resident; or if the decedent was a nonresident of Connecticut, a copy with the probate court for the district in which the decedent owned real property or tangible personal property in Connecticut.

Which Estates Must Not File With DRS

If the total of A plus B is \$2 million or less, the estate must file **Form CT-706 NT**, *Connecticut Estate Tax Return (for Nontaxable Estates)*, with the probate court for the district in which the decedent was a Connecticut resident; or the probate court for the district in which the decedent owned real property or tangible personal property within Connecticut, if the decedent was a nonresident of Connecticut.

Do not file Form CT-706 NT with DRS.

Residence

For purposes of the Connecticut Estate Tax:

Resident means the estate of any individual who is domiciled in Connecticut at the time of his or her death.

Nonresident means the estate of any individual who is not domiciled in Connecticut at the time of his or her death.

Domicile is the place which an individual intends to be his or her permanent home and to which such individual intends to return whenever absent.

If the decedent is claimed to be a nonresident, the estate must also file **Form C-3**, *State of Connecticut Domicile Declaration*, either with DRS or the probate court depending on which has jurisdiction over the estate.

Executor

The term **executor** means the executor, personal representative, or administrator of the decedent estate. If none of these is appointed, qualified, and acting in this state, a survivor or transferee in possession of estate assets may be appointed by the probate court for the district in which the decedent resided, or if the decedent was a nonresident of this state, in the probate court in which the decedent's Connecticut real property and/or tangible personal property was located.

When to File for Estate Tax

Form CT-706/709 for Connecticut estate tax is due within nine months after the date of the decedent's death, unless an extension of time to file is requested. Use **Form CT-706/709 EXT**, *Application for Estate and Gift Tax Return Filing Extension and for Estate Tax Payment Extension*, to apply for an extension of time to file.

Payment of the estate tax is due within nine months after the date of the decedent's death unless an extension of time to **pay** has been granted.

Who Must File

The executor(s) of the estate must sign and date Form CT-706/709. If there is more than one executor, all must sign the return and all are liable for tax, interest, and penalty. (See *Executor*.)

Amended Estate Tax Returns

Use Form CT-706/709 to amend a return you already filed. Include a statement explaining why the return is being amended and check the "Amended Return" box on the front of the return. Enter the amount paid with the original return on Line 18.

Schedule CT-709 Farmland

Complete the return in blue or black ink only.

Who Must File

Any donor who makes a gift of land classified as farmland under Conn. Gen. Stat. §12-107c to a lineal descendant or the spouse of a lineal descendant must complete and attach this schedule to **Form CT-706/709, Connecticut Estate and Gift Tax Return**, if the land is valued based upon its current classification and use as farmland.

Transfers of Farmland or Change of Classification

If land that is valued as farmland under Conn. Gen. Stat. §12-646ac is within ten years:

- Transferred by the donee to anyone other than a lineal descendant or spouse of the lineal descendant; **or**
- **No longer classified** as farmland,

the donee (or the donee's lineal descendant or the descendant's spouse if the farmland has been transferred by the donee to the donee's lineal descendant or the descendant's spouse) must file this schedule and pay the tax due. The tax is computed by subtracting the tax paid by the donor from the tax that would have been due from the donor if the donor had filed Form CT-706/709 using the fair market value of the farmland as reported on federal Form 709, Schedule A.

Donor Instructions

1. Enter the donor's name, mailing address, and Social Security Number at the top of the schedule.
2. Complete Columns A through E of this schedule for each gift.

Column A – Number each gift.

Column B – Enter the donee's identifying information and a complete description of the farmland being transferred, including the volume and page number of the land records of the town in which the deed of gift is recorded. This information should match the description on Form CT-706/709, *Schedule A*, Column B. Attach a copy of the deed that shows its receipt and recording by the town clerk.

Column C – Enter the date of the gift.

Column D – Enter the fair market value of the farmland, based on its highest and best use, as of the date of the transfer. This should match the amount on federal Form 709, Schedule A.

Column E – Enter the value of the farmland based upon its current use as farmland as of the date of the transfer. This should match the amount on Form CT-706/709, *Schedule A*, Column E.

3. Calculate any additional gift tax that may become due and enter on **Line F**. Calculate the additional gift tax that would have been due if the donor filed Form CT-706/709 using the fair market value of the farmland as reported on federal Form 709, Schedule A. Subtract the actual tax reported on Form

CT-706/709, Section 1, Line 4, from the tax that would have been due if the donor filed Form CT-706/709 using the fair market value of the farmland.

4. **Donor's signature** – Sign and date this schedule.
5. Give the donee(s) a copy of this schedule and the instructions.
6. Attach this schedule to your Form CT-706/709.

Donee Instructions

A donee is liable for additional gift tax if, within ten years of the original gift, the farmland is transferred to a nonlineal descendant or is no longer classified as farmland. If this occurs, the donee must submit to the Department of Revenue Services (DRS):

1. A copy of the **Schedule CT-709 Farmland** provided to the donee by the donor; **and**
2. A written statement that includes the date:
 - a. The land was transferred to a person other than the donee's lineal descendant or the lineal descendant's spouse; **or**
 - b. The classification of the land was changed from farmland.

Due Date of Additional Tax

The amount of additional gift tax due is the amount entered on Line F on the front of this schedule. You must file this schedule and pay the tax due no later than 60 days following the transfer or reclassification. Interest accrues at the rate of 1% (.01) per month or fraction of a month from the due date to the date of payment.

Pay the amount of additional gift tax due in full with this schedule. **Do not send cash.** Make your check or money order payable to: **Commissioner of Revenue Services**. Write "2006 Schedule CT-709 Farmland" on the front of your check or money order in the lower left corner. Writing your SSN on the front of your check or money order ensures accuracy and timeliness in processing your payment. DRS may submit your check to your bank electronically.

Mail to:

**Department of Revenue Services
PO Box 2978
Hartford CT 06104-2978**

Extension of Time to Pay

The Commissioner may, for good cause, extend the time for payment of the tax if the descendant or the descendant's spouse files a written application with the Commissioner on or before the 60-day period expires. If the land was transferred to the donee's lineal descendant or that descendant's spouse, the Commissioner may, for good cause, extend the time for payment of the tax if the descendant or the descendant's spouse files a written application with the Commissioner on or before the 60-day period expires.

Form CT-706 NT Instructions

Connecticut Estate Tax Return (for Nontaxable Estates)

General Information

Some Important Changes

Form CT-706 NT, *Connecticut Estate Tax Return (for Nontaxable Estates)*, for 2006 has additional questions, lines, and language changes. Modifications were made to differentiate between current year Connecticut taxable gifts and prior year Connecticut taxable gifts made on or after January 1, 2005, and before January 1, 2006. Most notable are Questions 8 and 9 in Section 1 and Lines 4 and 5 in Section 2.

In addition, a probate judge may now advise estates to file **Form CT-706/709**, *Connecticut Estate and Gift Tax Return*, when he or she has concluded that the Connecticut taxable estate, as shown on the return, could exceed \$2 million. (See *Signature of Probate Judge Required* on this page.)

Estates Which Must File Only With Probate Court

Form CT-706 NT is used by estates where it appears no estate tax will be due because the Connecticut taxable estate is \$2 million or less. The Connecticut taxable estate is the sum of:

- Connecticut taxable gifts made by the decedent during all calendar years beginning on or after January 1, 2005; **and**
- The decedent's gross estate less allowable deductions, as computed for federal estate tax purposes (even if no federal estate tax return was required).

If the decedent's Connecticut taxable estate is \$2 million or less, the executor or administrator of the decedent's estate is required to file this return with the Probate Court. Any reference to Probate Court means the Connecticut Probate Court.

Estates Which Must File With the Department of Revenue Services

If the decedent's Connecticut taxable estate is more than \$2 million, the executor or administrator of the decedent's estate is required to file **Form CT-706/709** with:

- The Department of Revenue Services (DRS); **and**
- A copy with the Probate Court having jurisdiction of the estate.

Who Must Sign and File Form CT-706 NT

The executor or administrator of the decedent's estate must sign and file Form CT-706 NT. If there is no executor or administrator, then the survivor(s) or transferee(s) of the estate must file Form CT-706 NT. If there is more than one fiduciary, all must sign the return.

Form CT-706 NT must be filed for each decedent who, at the time of death, was a Connecticut resident. Form CT-706 NT must also be filed for each decedent who, at the time of death, was a nonresident of Connecticut but who owned real or tangible personal property located in Connecticut. If the decedent is claimed to be a nonresident of Connecticut, then the estate must also complete and file **Form C-3**, *State of Connecticut Domicile Declaration*, with the Probate Court having jurisdiction of the estate.

When and Where to File

The return must be filed with the Probate Court within nine months of the decedent's death.

If the decedent was, at the time of death, a Connecticut **resident**, the return must be filed in the Probate Court for the district in which the decedent resided. If the decedent was, at the time of death, a **nonresident** of Connecticut, the return must be filed with the Probate Court for the district within which reportable property is located.

Supporting Documentation

In order for Form CT-706 NT to be considered complete, copies of completed federal Forms 706 and 709 (if applicable) must be attached, including all supplemental documents. A death certificate and, for a nonresident estate, Form C-3 must also be attached.

Signature of Probate Judge Required

The probate judge having jurisdiction of the estate examines the return filed. If the probate judge has concluded that the Connecticut taxable estate, as shown on the return, is \$2 million or less, he or she shall sign the *Certificate of Opinion of No Tax* at the bottom of the return.

However, if after examining the return, the probate judge is unable to conclude that the Connecticut taxable estate, as shown on the return, is \$2 million or less, he or she may, in the alternative, sign the statement at the bottom of the return under the heading *Form CT-706/709 Required to Be Filed*, instructing the estate to file Form CT-706/709 with the Commissioner of Revenue Services. In that event, the Probate Court shall send one copy of the return (without attachments) with the signed statement to the preparer of the Form CT-706 NT and a second copy to DRS. The preparer is then required to file Form CT-706/709 with DRS.

Release of Lien and Consents to Transfer (Tax Waiver)

Generally, the Probate Court issues the release of lien on real property. Under Connecticut law, a consent to transfer (or tax waiver) on intangible personal property is not required.

Amended Return

If you are filing an amended return, check the Amended Return box on the front of the return and complete the return with the corrected figures.

Civil Unions

Public Act 2005-10, An Act Concerning Civil Unions, authorizes same-sex couples to enter into civil unions, and grants to parties in a civil union recognized under Connecticut law (civil union partners) the same benefits and protections under Connecticut law that are granted to spouses in a marriage. This treatment first applies for Connecticut gift tax purposes to gifts made on or after January 1, 2006, and first applies for Connecticut estate tax purposes to estates of decedents dying on or after January 1, 2006.

For gifts made on or after January 1, 2006, and for estates of decedents dying on or after January 1, 2006, the following Connecticut gift and estate tax provisions, which are available to spouses in a marriage, are available to civil union partners:

1. Marital deduction: A Connecticut marital deduction is allowable for property passing from a donor or decedent to his or her civil union partner to the same extent that property transferred to a husband or wife or surviving spouse is allowable as a marital deduction, provided the requirements of Internal Revenue Code (I.R.C.) §2523 for gifts and §2056 for bequests are otherwise met.

Because civil unions are not recognized for federal tax purposes, civil union partners who elect a marital deduction for Connecticut gift tax or estate tax purposes will be required to submit with the Form CT-706/709 that is filed with DRS or the Form CT-706 NT that is filed with the Probate Court: (1) a pro forma federal Form 709 or Form 706, completed as if federal tax law allowed a marital deduction to civil union partners, which reflects the marital deductions taken by the civil union partners; and (2) a copy of the federal Form 709 or Form 706 (whichever is applicable) that was actually filed with the Internal Revenue Service (IRS).

2. Joint property: Civil union partners are allowed to include in the gross estate of a decedent one-half the value of certain joint interests in the same manner that a husband and wife are permitted this treatment, provided the interest in property otherwise meets the requirements of I.R.C. §2040(b)(2).

3. Gift Splitting: Spouses are eligible for federal gift tax purposes to elect to gift-split. Where spouses elect to gift-split, all gifts made by one spouse to another person or persons are to be considered as made one-half by the donor and one-half by the donor's spouse. This same election is available for Connecticut gift tax purposes to civil union partners.

Because civil unions are not recognized for federal tax purposes, civil union partners who elect to gift-split for Connecticut gift tax purposes will be required to submit with the Form CT-706/709 that is filed with DRS: (1) a pro forma federal Form 709, completed as if federal law allowed civil union partners to gift-split, which reflect the gift-splitting elected by the civil union partners; and (2) copies of the federal Forms 709 that were actually filed with the IRS.

Section 1 – General Questions

Answer all questions. If, on the date of death, the decedent was not a resident of this state, the answers provided should pertain to the decedent's real property and tangible personal property located within Connecticut.

Section 2 – Connecticut Taxable Estate Computation

Line 1

Enter the total from Section 4, Line 8.

Line 2

Enter allowable estate tax deductions as computed for federal estate tax purposes (other than the deductions allowable for state death taxes under I.R.C. Section 2058), even if no federal estate tax return was required. Subject to federal rules, allowable deductions may include all or a part of:

- Funeral expenses and expenses incurred in administering property subject to claims;

- Debts of the decedent;
- Mortgages and liens;
- Net losses during administration;
- Expenses incurred in administering property not subject to claims;
- Bequests, etc., to surviving spouse; **or**
- Charitable, public, and similar gifts and bequests.

Line 3

Subtract Line 2 from Line 1.

Line 4

Enter the amount from *Schedule A (NT)*, Line 9. If the decedent made Connecticut taxable gifts during the 2006 calendar year, those gifts must be reported on *Schedule A (NT)*. (See *Schedule A (NT) - General Instructions* on Page 3.)

Line 5

Enter the aggregate amount of prior year Connecticut taxable gifts made on or after January 1, 2005, but before January 1, 2006. Attach a copy of federal Form 709 for 2005.

Line 6

Add Lines 3, 4, and 5. If Line 6 is more than \$2 million, you must complete and file Form CT-706/709 with DRS and file a copy of that return with the appropriate Probate Court. If Line 6 is \$2 million or less, you may proceed to sign and file this return with the appropriate Probate Court.

Section 3 - Property and Proceeds Reported for Federal Estate Tax Purposes

The value of the gross estate of the decedent shall be determined by including the fair market value at the time of his or her death of all property, real or personal, tangible or intangible, wherever situated.

Values: All property must be reported at its fair market value on the date of death, unless alternate valuation is elected for federal estate tax purposes. For real estate, the fair market value may be determined through a written appraisal or by a comparable market analysis prepared by a realtor. For stocks quoted on a stock exchange, use the mean between the high and the low or bid and asked price at the date of death. For bank accounts, be sure that all interest has been posted as of the date of death. For U.S. Savings Bonds, use the value at death, not the face amount. Do not reduce the reported fair market value of any property by the amount of any mortgages, liens, or encumbrances.

List all property wherever situated and life insurance proceeds on the life of the decedent in the appropriate Part of Section 3. Solely-owned property (property passing by will or laws of intestacy) should be reported in Part 1. Any other property, including jointly-owned survivorship property or property passing other than by will or laws of intestacy, should be reported in Part 2. Attach required supporting documents to the return.

Provide a description of the property, including the complete address of all real property. Indicate the state where real or tangible personal property is physically located. Assets should be valued at fair market value at the time of death, but alternate valuation may be used if so elected for federal estate tax purposes.

In Part 1, the decedent's percentage of ownership is always 100%. In Column D, indicate the full fair market value of the property. In Column E, indicate the amount of Column D that is passing to the decedent's surviving spouse.

In Part 2, indicate the full fair market value of the property in Column C. Indicate the decedent's percentage of ownership in Column D. Multiply the amount in Column C by the percentage in Column D to determine the (Column E) Conceded Value Attributed to this Estate. In Column F, indicate the amount of Column E that is passing to the decedent's surviving spouse.

In Part 3, Column C, indicate the full amount of the life insurance proceeds on the life of the decedent. In Column D, indicate the amount of Column C that is passing to the decedent's surviving spouse.

Reportable Assets: All property in which the decedent had any interest must be reported at its fair market value on the date of death, unless alternate valuation is elected for federal estate tax purposes. Assets which must be reported include:

- Tangible personal property* wherever located;
- Real property** wherever located;
- All intangible personal property*** wherever located;
- Real property located in Connecticut**; **and**
- Tangible personal property* located in Connecticut.

* Tangible personal property includes, for example: antiques, art collections, automobiles, boats, clothing, coin collections, household furniture and furnishings, jewelry, stamp collections, etc.

** The description of the real estate should include the acreage and whether it is a home, rental, commercial, farm, or vacant land.

*** Intangible personal property includes, for example: bank accounts, cash, stocks, bonds, pensions, copyrights, interest in estates of other decedents, royalties, mortgages, notes, partnership interests, remainder interest in trusts and estates, unincorporated businesses, etc.

Life Insurance Proceeds

Life insurance on the life of the decedent is subject to estate tax, as computed for federal estate tax purposes, even if no federal estate tax return was required. Life insurance owned by the decedent on the life of another is also subject to estate tax.

Annuities, Pension Plans, Retirement Benefits, and Individual Retirement Accounts: Generally, the value of the right to receive amounts from pension and profit sharing plans and individual retirement accounts are taxable.

Reportable transfers include:

1. Individually purchased policies:

- Annuity policies;
- Retirement annuity policies;
- Matured endowment policies;
- Supplementary contracts (For example, if the decedent elected to leave the proceeds of insurance he received as a beneficiary with the insurer under terms where the balance will be paid after his death to persons he designated.);
- Deferred compensation and similar plans; **and**
- Private annuities.

2. Pension, profit-sharing, and like plans:

- Payments under an employees' trust or plan forming part of a pension, stock bonus, or profit sharing plan;
- Payments under a contract purchased by an employees' trust or plan forming part of a pension, stock bonus, or profit sharing, thrift, or similar plan; **and**
- Payments under a retirement annuity contract purchased by an employer under a plan.

3. Individual Retirement Accounts

Schedule A (NT) – General Instructions

If you are not required to file federal Form 709, **stop here**. You are not required to complete *Schedule A (NT)*. Enter a zero on Form CT-706 NT, Section 2, Line 4.

If you are required to file a federal Form 709, the information to be entered on *Schedule A (NT)* for each gift should generally be identical to the information reported on federal Form 709, Schedule A. However, only those gifts to which the Connecticut gift tax applies should be reported on *Schedule A (NT)*.

The gifts to which Connecticut gift tax applies are:

- Gifts of tangible personal or real property located in Connecticut; **and**
- Gifts of intangible personal property made by a donor who at the time of the gift was a resident of Connecticut.

Gift Splitting

The decedent is **required** to gift split for Connecticut gift tax purposes if the decedent consented to gift split for federal gift tax purposes.

The decedent is **not** permitted to gift split for Connecticut gift tax purposes if the decedent did not consent to gift split for federal tax purposes.

Schedule A (NT) - Line Instructions

Line 1

Add the value of all gifts listed in *Schedule A (NT)*, Column G, and enter the sum on Line 1.

Line 2

Enter the total annual exclusions claimed for the gifts listed on *Schedule A (NT)*, Line 1. The **first \$12,000 or less** of gifts to any donee during the calendar year of a present (not future) interest in property is excluded.

When determining the annual exclusion amount, a donee should not be counted more than once. The annual exclusion is per donee and **not** per gift.

However, if the first \$12,000 of gifts, for federal gift tax purposes, to any donee involves tangible personal property or real property located outside Connecticut, no annual exclusion is available for Connecticut gift tax purposes for gifts to that donee.

The first \$120,000 of gifts made to a spouse who is not a U.S. citizen during the calendar year of a present interest in property is excluded from the Connecticut total amount of gifts.

If the decedent split a gift with his or her spouse, the annual exclusion claimed against the gift may not be more than the decedent's half of the gift.

Line 3

Subtract Line 2 from Line 1 and enter the balance on Line 3. This is the total amount of gifts before the calculation of the marital deduction and charitable deduction.

Line 4

Enter on Line 4 all of the gifts to the decedent's spouse entered on *Schedule A (NT)* and for which a marital deduction is claimed. Indicate on the line provided which numbered items from *Schedule A (NT)* are gifts to the decedent's spouse for which a marital deduction is claimed.

Do not enter any gifts to the decedent's spouse if the spouse was not a U.S. citizen at the time of the gift. There is no marital deduction for gifts to a spouse who is not a U.S. citizen; however, an annual exclusion may apply. (See Line 2 above.)

Line 5

Enter the amount of the annual exclusions claimed for the gifts entered on Line 4.

Line 6

Subtract Line 5 from Line 4 and enter the balance on Line 6. This is the marital deduction that can be claimed for the year.

Line 7

If a deduction for charitable gifts is claimed, enter the total charitable, public, or similar gifts (minus exclusions allowed) on Line 7. Enter on the line provided the item number(s) of the gift(s) from *Schedule A (NT)*, Column A, deducted on Line 7.

Do not enter any gift not included on *Schedule A (NT)*.

Line 8

Add Line 6 and Line 7 and enter the amount on Line 8. This is the total of the marital and charitable gift deductions.

Line 9

Subtract Line 8 from Line 3. Enter this amount on Line 9 and on Section 2, Line 4.

Line 10

If the decedent and the decedent's spouse consented for federal gift tax purposes to consider all the gifts made during the calendar year as made one-half by each spouse, and as a result, are required to gift split for Connecticut gift tax purposes, check the box marked **Yes** and enter the consenting spouse's name and SSN on the applicable lines.

Line 11

Indicate whether the decedent's spouse is a U.S. citizen. If **No**, indicate if any property was transferred to him or her during the calendar year.

Line 12

Check the box if the decedent was a party to a civil union recognized under Connecticut law.

Line 13

Check the box if the decedent elected under I.R.C. §2523(f) to include gifts of qualified terminable interest property as gifts to his or her spouse for which a marital deduction was claimed under I.R.C. §2523. Enter the item numbers from *Schedule A (NT)* of the gifts for which an election was made in the space provided.

Line 14

Check the box if the decedent elected under I.R.C. §2523(f)(6) **not** to treat as qualified terminable interest property any joint and survivor annuity where only the decedent and his or her spouse have the right to receive payments before the death of the last to die. Enter the item numbers from *Schedule A (NT)* for the annuity(ies) for which an election was made in the space provided.

Any annuities entered in the space provided on Line 13 may not be entered on *Schedule A (NT)*, Line 8. Any annuities not listed in the space provided on Line 13 must be entered on *Schedule A (NT)*, Line 4. If there is more than one joint and survivor annuity, the election under I.R.C. §2523(f)(6) may, but is not required to, cover all of them. Once made, the election is irrevocable.

Form CT-706 NT, Schedule A (NT) Attachments

Attach a complete copy of federal Form 709, United States Gift (and Generation-skipping Transfer) Tax Return, including all attachments.

Read the information contained in this booklet carefully before preparing the Connecticut corporation business tax return.

This booklet contains information and instructions regarding the following forms:

Form CT-1120 ATT, *Corporation Business Tax Return Attachment*, contains the following computation schedules:

Schedule H, *Connecticut Apportioned Operating Loss Carryover*;

Schedule I, *Dividend Deduction*; and

Schedule J, *Bonus Depreciation Recovery*.

Form CT-1120A, *Corporation Business Tax Return Apportionment Computation*, is used to compute the apportionment factors for the net income and the minimum tax base.

Form CT-1120K, *Business Tax Credit Summary*, is used to summarize a corporation's claim for available business tax credits.

Form CT-1120 EXT, *Application for Extension of Time to File Corporation Business Tax Return*, is required to obtain an extension of time to file **Form CT-1120**, **Form CT-1120CR**, *Combined Corporation Business Tax Return* or **Form CT-1120U**, *Unitary Corporation Business Tax Return*.

Form CT-1120AB, *Add Back and Exceptions to Add Back of Interest and Intangible Expenses*, must be completed by each corporation that pays interest and intangible expenses to a related party.

For more information on how to obtain forms or other publications from the Department of Revenue Services (DRS) see the back cover.

Other Taxes for Which the Corporation May be Liable

The information that follows is intended to be a general description of other Connecticut taxes for which a corporation may be liable. Failure to pay these or any taxes for which the corporation is liable may subject the corporation and its officers to civil and criminal penalties.

To register for sales and use taxes and Connecticut income tax withholding, as well as most other Connecticut taxes administered by DRS, the corporation

must complete **Form REG-1**, *Application for Tax Registration Number*. Visit the DRS Web site to register online. If the corporation already has a Connecticut Tax Registration Number, additional taxes for which the corporation is liable may be added to the registration by contacting the DRS Registration Unit at 860-297-4885.

Business Entity Tax: There is an annual business entity tax (BET) of \$250. The BET applies to each of the following domestic and foreign* entities:

- S Corporation;
- Limited Liability Partnership;
- Limited Partnership; or
- Limited Liability Company that, for federal income tax purposes, is either treated as a partnership (if it has more than one member) or disregarded as an entity separate from its owner (if it has one member).

*Each foreign entity that is required to register or file a certificate of authority with the Secretary of the State is liable for the BET whether or not the entity has registered or filed a certificate of authority, as the case may be, with the Secretary of the State.

See **Special Notice 2006(12)**, *2006 Legislative Changes Affecting the Business Entity Tax*, and **Informational Publication 2006(21)**, *Q & A on the Business Entity Tax*.

Connecticut Sales and Use Taxes: A corporation may be responsible for the filing of sales and use tax returns. Sales taxes are due if the company sells taxable goods or services. Use taxes are due on the purchase of taxable goods or services from out-of-state retailers or Connecticut retailers who have failed to collect the sales tax. Both taxes are reported on **Form OS-114**, *Sales and Use Tax Return*.

Connecticut Income Tax Withholding: Any corporation that maintains an office or transacts business in Connecticut and that is considered an employer for federal income tax withholding purposes must withhold Connecticut income tax from wages and certain other payments to employees, whether or not the payroll department is located in Connecticut.

Controlling Interest Transfer Tax: Connecticut imposes a tax on the transfer of a controlling interest in an entity where the entity owns, directly or indirectly, an interest in Connecticut real property. This tax is reported on **Form AU-330**, *Controlling Interest Transfer Taxes*.

What's New

Taxpayer Service Center (TSC)

During 2007, Connecticut taxpayers will be able to *Fast-File* through the new, electronic **Taxpayer Service Center (TSC)**. The *TSC* is an interactive tool that, like *Fast-File*, can be accessed through our Web site at www.ct.gov/DRS for a free, fast, easy, and secure way to conduct business with DRS.

Some features of the *TSC* that will become available during 2007 include the ability to view current balances, make scheduled payments, and amend certain business tax returns. The self-service aspect of the *TSC* enables taxpayers to easily get answers to the most frequently asked questions in addition to exchanging confidential information through a "secure" mailbox. Many other new features for the *TSC* are planned and taxpayers are encouraged to visit our Web site often.

Please visit the DRS Web site at www.ct.gov/DRS for more information about the *TSC* or other tax inquiries. For telephone assistance, call our Taxpayer Services Division at 1-800-382-9463 (Connecticut calls outside the Greater Hartford calling area only) or 860-297-5962 (from anywhere).

TTY, TDD, and Text Telephone users only may transmit inquiries by calling 860-297-4911.

Surtax

New legislation repeals subsection (b)(6) of Conn. Gen. Stat. §12-214 (surtax on net income) and subsection (b)(6) of Conn. Gen. Stat. §12-219 (surtax on capital) to delete the surtax of 15% that was to apply for income years beginning on or after January 1, 2007, and prior to January 1, 2008.

Note: The surtax of 20% remains for income years beginning on or after January 1, 2006, and prior to January 1, 2007. The surtax **does not** apply to the minimum tax of \$250. *2006 Conn. Pub. Acts 186, §§66 and 67*

Computer Donation Tax Credit

For income years beginning on or after January 1, 2006, Conn. Gen. Stat. §10-228b(a) is amended to expand the computer donation tax credit to include donations of new or used computers to nonpublic schools. *2006 Conn. Pub. Acts 145, §1*

Employer-Assisted Housing Tax Credit Repealed

Effective June 7, 2006, Conn. Gen. Stat. §12-217p, which provided a tax credit for taxpayers that set up a revolving loan fund to provide housing assistance for their low to moderate income employees, is repealed. *2006 Conn. Pub. Acts 189, §23*

Apprenticeship Training Credit in Manufacturing, Plastics, Plastics-Related, or Construction Trades

Effective July 1, 2006, Conn. Gen. Stat. §12-217g(c) is amended to delete the requirement that the qualified apprenticeship training program be jointly administered by labor and management trustees and be administered according to 29 U.S.C. §186(c).

In addition, the credit is now awarded upon completion and notification of completion of the program in the income year in which the completion and notification occur, rather than annually. As amended, the available tax credit is \$4,000 or 50% of actual wages per apprentice paid over the first four income years, whichever is less. *2006 Conn. Pub. Acts 174, §1*

Housing Program Contribution Tax Credit

Effective July 1, 2006, Conn. Gen. Stat. §8-395(h) and (i) is amended to:

- Increase the tax credits allowed to all business firms from \$5 million to \$10 million in any one fiscal year; **and**
- Require that \$1 million of the total amount of all tax credits under this section be set aside for workforce housing, as defined by the Connecticut Housing Finance Authority (CHFA) through its written procedures.

This amendment also increases the amount of the tax credits that may be earned by an organization conducting a housing program or programs eligible for funding from \$400,000 to \$500,000, for any fiscal year. *2006 Conn. Pub. Acts 186, §65*

Film Production Credit

For income years beginning on or after January 1, 2006, a tax credit is available to any "eligible production company" incurring "qualified production expenses or costs" in excess of \$50,000. The credit is equal to 30% of such production expenses or costs. This new credit will be administered by the Connecticut Commission on Culture and Tourism (CCCT). *2006 Conn. Pub. Acts 186, §83 (original language adopted in 2006 Conn. Pub. Acts 83, §20, as amended by 2006 Conn. Pub. Acts 187, §79)*

This credit may be claimed on new **Form CT-1120FP, Qualified Film Production Expenses Tax Credit**.

New Jobs Creation Tax Credit

For income years beginning on or after January 1, 2006, a tax credit is available to a taxpayer who relocates to Connecticut and creates a minimum of 50 new jobs. The

new job must require at least 35 hours per week of work and may not be temporary or seasonal. The credit is equal to 25% of the income tax deducted, withheld and paid over to the state from the wages of the new employees. For each new employee, the credit may be granted for five successive years. The credit may only be claimed for the income year in which it is earned, and any unused credits expire.

Application is made to the Commissioner of the Department of Economic and Community Development (DECD) setting forth the nature of the relocation, number of new jobs, and all other information required by DECD. DECD determines the viability of the relocation and whether the taxpayer is eligible for the credit.

At the completion of the taxpayer's income year, data is again provided to DECD showing the number of new employees and all related information. DECD will issue a certificate of eligibility if the taxpayer has met all of its commitments. Failure to meet the criteria provided in the credit allocation notice shall result in a recapture of all or a portion of the credit. The program is capped at \$10 million annually. *2006 Conn. Pub. Acts 186, §80*

This credit may be claimed on new **Form CT-1120 NJC**, *New Jobs Creation Tax Credit*.

Displaced Worker Tax Credit

For income years beginning on or after January 1, 2006, a corporation business tax credit is granted to any eligible taxpayer who hires a displaced worker. The credit is \$1,500 per hired displaced worker and is allowed to be claimed in the income year such worker first completes 12 full months of full-time employment.

A **displaced worker** is defined as any person employed in Connecticut whose position was terminated because of a business restructuring in which at least ten employees were terminated and whose new salary is at least 75% of their previous annual wages or salary. It does not include any person whose former employer is or was at the time of termination a "related person" with respect to the taxpayer. *2006 Conn. Pub. Acts 186, §81*

This credit may be taken on new **Form CT-1120 DWC**, *Displaced Worker Credit*, which replaces **Form CT-1120 DEWC**, *Displaced Electric Worker Credit*.

Historic Structure Rehabilitation Tax Credit

For income years beginning on or after January 1, 2006, a corporation business tax credit equal to 25% of the qualified rehabilitation expenditures, not to exceed \$2.7 million, is available. The tax credit is granted for the rehabilitation of a certified historic structure for residential use. This credit does not require owner occupancy. Prior to any rehabilitation work taking place, the owner must submit a rehabilitation plan to the Connecticut Commission on Culture and Tourism (CCCT), along with an estimate of the qualified

expenditures. CCCT will certify the plan and reserve credits equal to 25% of the projected expenditures, not to exceed \$2.7 million. Upon completion of the project, the owner submits the required documentation. CCCT verifies the owner's compliance with the rehabilitation plan and issues a credit voucher. This tax credit may be assigned. *2006 Conn. Pub. Acts 186, §82*

This credit may be taken on new **Form CT-1120 HRC**, *Historic Rehabilitation Credit*, which replaces **Form CT-1120 HHR**, *Historic Homes Rehabilitation Credit*.

Flow-Through of Tax Credits Allowed in Limited Circumstances

Certain "sponsors" are allowed to earn tax credits which may flow through to their "constituent corporations" provided the "sponsor" is involved in an "approved employment expansion project." This credit requires an application process that will be administered by DECD.

A **sponsor** means a partnership, limited partnership, limited liability company, or other entity that is treated as a flow-through entity for federal income tax purposes.

A **constituent corporation** means any corporation that holds or has held an interest in the sponsor of an approved employment project and is subject to the corporation business tax under Chapter 208 of the Connecticut General Statutes either directly or by virtue of holding an interest in such sponsor.

An **employment expansion project** is a project that:

- Will result in the creation of at least 400 new jobs in the state over a period of not more than five full income years following the income year in which the beginning date occurs;
- Needs the allowance of the credits to attract the project to this state;
- Will be economically viable and will generate direct and indirect benefits to this state; **and**
- Is consistent with the strategic economic development priorities of the state and the municipalities in which the jobs will be created.

Each constituent corporation will be allowed credits that the constituent corporation otherwise would have been allowed under Chapter 208 had such constituent corporation itself conducted its pro rata share of the business conducted by the sponsor during any relevant income year. Credits are allowed for those income years beginning on or after the commencement date. Any credit allowed to a constituent corporation may be assigned to another constituent corporation, provided the credit is claimed with respect to an income year in which the constituent corporation could have claimed the credit. The assignor and the assignee must jointly provide notice of the assignment to DECD within 30 days of the assignment. There may not be multiple assignments of the credit.

The tax credits are allowed as provided in a certificate of eligibility issued by the Commissioner of DECD. If the aggregate number of new jobs at the end of any of the five income years is less than 90% of the aggregate number of new jobs provided in the certificate of eligibility for such income year, no credits attributable to the activities of the sponsor during the income year shall be allowed. *2006 Conn. Pub. Acts 187, §19*

Donation of Land Credit

The Donation of Open Space Land Credit is now known as the Donation of Land Credit. This credit may be taken on new **Form CT-1120DL**, *Donation of Land Credit*, which replaces **Form CT-1120 DOS**, *Donation of Open Space Land Credit*.

Form CT-1120CR

For income years beginning on or after January 1, 2006, any corporation that was included in a combined corporation business tax return must file its amended combined return on **Form CT-1120CR**, *Combined Corporation Business Tax Return*, and check the "Amended" box to indicate they are filing an amended return.

If a corporation is amending a Form CT-1120CR for income years beginning prior to January 1, 2006, an amended return should be filed using **Form CT-1120X**, *Amended Corporation Business Tax Return*.

A copy of federal Form 1120X, Amended U.S. Corporation Income Tax Return, must be attached to all amended returns to substantiate any changes to federal net income.

A corporation must use the same accounting period and method of accounting for Connecticut tax purposes as it does for federal tax purposes. If a corporation's accounting period or method of accounting is changed for federal tax purposes, the same change must be made for Connecticut tax purposes.

When to File Form CT-1120

Every corporation must file a return on or before the first day of the month following the due date of the company's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company that is not required to file a federal income tax return for the income year, the Connecticut corporation business tax return is due on or before the first day of the fourth month following the end of the income year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. The return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

<p>DHL Express (DHL)</p> <ul style="list-style-type: none"> • DHL Same Day Service • DHL Next Day 10:30 am • DHL Next Day 12:00 pm • DHL Next Day 3:00 pm • DHL 2nd Day Service

Extension Request

To get an extension of time to file the annual return, the corporation must file **Form CT-1120 EXT, Application for Extension of Time to File Corporation Business Tax Return**, not later than the first day of the month following the due date of the company's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company not required to file a federal income tax return for the income year, the extension request must be filed on or before the first day of the fourth month following the end of the income year. Payment of the total tax due must be included with the request. The timely filing of Form CT-1120 EXT will automatically extend the due date for six months.

Form CT-1120 EXT extends only the time to file the tax return. It does not extend the time to pay the corporation business tax. Interest on any tax not paid by the original due date is computed at 1% (.01) per month or fraction of a month.

An extension request for reporting federal audit changes may be submitted in writing to the Commissioner of Revenue Services stating the reason additional time is required.

Estimated Tax Payments

Every corporation carrying on or having the right to carry on business in Connecticut whose estimated current year tax exceeds \$1,000 must pay estimated tax payments in four installments. See General Instructions on **Forms CT-1120 ESA, ESB, ESC, and ESD**, *Estimated Corporation Business Tax*. DRS mails four preprinted estimated tax payment coupons with instructions to corporations that paid estimated tax or had a Connecticut corporation tax liability exceeding \$1,000 in the prior taxable year. If a corporation is not required to pay its estimated tax electronically, using these preprinted forms will ensure accuracy and timeliness in processing the corporation's estimated tax payments. A corporation that does not receive preprinted estimated payment coupons should use the estimated payment coupons available on the DRS Web site.

The required annual payment is the lesser of:

- 90% of the tax shown on the return for the income year, or, if no return is filed, 90% of the tax for such year; **or**
- 100% of the tax shown on the return for the previous income year without regard to any credit, if the previous income year was an income year of 12 months and if the company filed a return for the previous income year showing a liability for tax.

Estimated tax due dates (for calendar year filers):

1st Installment - March 15, 2007
30% of prior year tax (including surtax) or 27% of current year tax
2nd Installment - June 15, 2007

Interest and Penalties

Interest is computed at 1% (.01) per month or fraction of a month on the underpayment of tax from the original due date of the return through the date of payment. Interest due on the underpayment of estimated tax is computed using **Form CT-1120I**, *Computation of Interest Due on Underpayment of Estimated Tax*. Interest on underpayment or late payment of tax **cannot** be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of corporation business tax is 10% (.10) of the tax due or \$50, whichever is greater. If a request for a filing extension has been granted, a corporation may avoid a penalty for failure to pay the full amount due by the original due date if it:

- Pays at least 90% of the tax shown to be due on the return on or before the original due date of the return; **and**
- Pays the balance due with the filing of Form CT-1120, on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Penalty for Willful Failure to File or Pay

Anyone who willfully fails to pay the tax or file a return will be fined up to \$1,000 or imprisoned up to one year, or both, in addition to any other penalty.

Penalty for Willful Filing of a Fraudulent or Materially False Return

If you willfully file a tax return you know to be fraudulent or false in any material matter, you may be fined up to \$5,000 or imprisoned from one to five years, or both.

Penalty for Failure to Disclose Listed Transaction

For audits of corporation business tax returns beginning on or after January 1, 2006, a penalty of 75% of the amount of the deficiency may be imposed when it appears that any part of the deficiency is due to failure to disclose a listed transaction, as defined in I.R.C. §6707A.

Waiver of Penalty

A corporation may be able to have its penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest cannot be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

4. Any credit that may be carried forward to a succeeding income year must be claimed next. Any credit carryforward that will expire first must be claimed before any credit carryforward that will expire later. SCHEDULE J – Bonus Depreciation Recovery

Complete *Schedule J* if the corporation claimed the bonus depreciation under I.R.C. §168(k) for qualifying property, on its federal Form 4562, Depreciation and Amortization. For purposes of the Connecticut corporation business tax, the special deduction permitted under I.R.C. §168(k) is not allowed and depreciation must be calculated without regard to I.R.C. §168(k). *Schedule J* is used to account for the subtraction modification that must be made to federal net income (loss). For additional information, see **Special Notice 2002(10), Bonus Depreciation for Connecticut Corporation Business Tax Purposes.**

Attach a copy of the 2006 federal Form 4562 and a detailed schedule of those assets for which the I.R.C. §168(k) bonus depreciation was claimed. For each asset, the schedule must list the following:

- A description of the qualifying asset;
- The year in which the asset was placed in service;
- The federal basis (reduced by the bonus depreciation) used for purposes of calculating depreciation using the Modified Accelerated Cost Recovery System (MACRS);
- The Connecticut basis used for purposes of calculating MACRS depreciation (basis not reduced by I.R.C. §168(k) amount);
- The recovery period and convention;
- The depreciation claimed for federal purposes for the income year; **and**
- The depreciation allowed for Connecticut tax purposes for the income year.

Lines 1 through 6 - These lines are used to account for any qualifying assets placed in service during the corporation's income year(s) for which the bonus depreciation under I.R.C. §168(k) was claimed on federal Form 4562.

Enter in Column A the amount of MACRS depreciation claimed by the corporation on its 2006 federal Form 4562 with respect to those qualifying assets.

Enter in Column B the amount of MACRS depreciation allowed on those same assets for Connecticut corporation business tax purposes for the 2006 income year. Connecticut depreciation is determined under the Internal Revenue Code of 1986 without regard to I.R.C. §168(k).

Enter in Column C the difference between the amount claimed in Column B and the amount claimed in Column A.

Line 7 - Add Lines 1 through 6 in Column C. Enter the total here and on **Form CT-1120, Schedule D**, Line 11.

Example: In March 2005, a corporation purchases a piece of equipment for \$100,000. Assume the equipment is MACRS 5-year property, the half-year convention applies, and no amount is expensed under I.R.C. §179. For federal tax purposes, the corporation claims the bonus depreciation under I.R.C. §168(k) in the amount of \$50,000 (\$100,000 x 50%). It then reduces its basis in the equipment to \$50,000 (\$100,000 - \$50,000) and uses that reduced basis to calculate its federal MACRS second year depreciation of \$16,000, (\$50,000 x 32%). For Connecticut corporation business tax purposes, the corporation must calculate the first year MACRS depreciation allowed for state purposes, using its state basis of \$100,000. This results in a state second year MACRS depreciation deduction in the amount of \$32,000 (\$100,000 x 32%). To properly complete *Schedule J*, the corporation must enter \$16,000 on Line 6, Column A; and \$32,000 on Line 6, Column B. The difference between the state MACRS depreciation (\$32,000) and the federal MACRS depreciation (\$16,000) is \$16,000, which must be entered on Line 6, Column C.

Corporate Partner

A corporation that owns an interest in a partnership or joint venture should include its pro rata share of its apportionment factor (property, payroll, and receipts) in the numerator and denominator of the Connecticut statutory apportionment formula (Conn. Gen. Stat. §12-218) which is used to determine the corporation's portion of its total net income subject to the Connecticut corporation business tax.

Schedule Q - Net Income Apportionment

This schedule should be completed only by companies that derive business income from operations that **do not** involve the manufacture, sale, or use of tangible personal or real property, and are not entitled to apportion their income using one of the special apportionment forms listed above. Item 1(a) should include all receipts from business carried on within Connecticut. The components of the receipts factor in *Schedule Q* will be determined in the same manner as in *Schedule R*.

Schedule R - Net Income Apportionment

This schedule should be completed only by companies that derive business income from operations that involve the manufacture, sale, or use of tangible personal or real property, and are not entitled to apportion their income using one of the special apportionment forms listed above.

Item 1. Enter on Lines 1(a), 1(b), 1(c), and 1(e), the average monthly net book value for each category of tangible personal and real property

that is held and owned within Connecticut. Enter on Line 1(d) the average monthly net value of capitalized rent, which is computed by multiplying by eight the gross rents paid directly or indirectly for the use or possession of the rented property. Include interest, taxes, insurance, and repairs to the rented property. Royalties are excluded. Enter on Line 1(e) items such as construction-in-progress, interest in partnerships, etc. Total the amounts and divide Column A by Column B to compute the apportionment fraction, carried to six decimal places.

Item 2. This factor must include all compensation paid by the corporation during the income year to officers and all other employees inclusive of salaries and wages that have been capitalized and not claimed as a deduction in the income year of the return.

Item 3. Enter the gross receipts from sales and other sources during the income year. Include the following: receipts from sales of tangible property delivered or shipped to a purchaser within Connecticut regardless of the f.o.b. point or other conditions of sale; receipts from services performed within Connecticut; interest earned from assets managed or controlled within Connecticut; rents and royalties from property situated within Connecticut; royalties from the use of patents and copyrights within Connecticut; net gains from sales or other disposition of intangible assets managed or controlled within Connecticut; and net gains from sales or disposition of tangible assets situated within Connecticut. If losses from sales or other dispositions of such tangible or intangible assets exceed the gains, enter zero for the net gains. Dividends are excluded from the receipts factor. All other receipts earned within Connecticut not included above must be included in the receipts factor.

Item 4. This factor is the same as Item 3, Column C.

Item 6. Divide the total on Line 5 by the number of factors used. For example, if the taxpayer derives net income from retail sales, this line would contain the sum of its property factor, payroll factor, and the receipts factors on Lines 3 and 4, divided by four (less the number, if any, of factors that are not applicable).

Schedule S - Minimum Tax Base Apportionment

Item 3. This apportionment factor must include the average monthly net book value of all assets exclusive of holdings of stock of private (nongovernmental) corporations. The intangible assets of a company that has its principal place of business within Connecticut are deemed to have a tax situs within Connecticut unless it can be clearly established that some or all of the assets are held in connection with business conducted during the income year outside Connecticut.

Apportionment in Special Cases

The statutory method is designed to produce a reasonable apportionment within and outside Connecticut, therefore, it must be used in all cases except those in which it has been determined by the Commissioner of Revenue Services that an exception should be made. While the statutory method may produce a result substantially different from that produced by some other method, that fact alone does not justify an exception. It is the responsibility of the taxpayer to show that the statutory apportionment fraction, when applied to its business, provides grossly inequitable results and that the income attributed to Connecticut is out of proportion to the business transacted in Connecticut. The variance must be significant enough to invalidate the assumption that the statutory method is reasonable.

The return of a taxpayer requesting relief from the statutory method of apportionment must be filed initially on the statutory basis using the formula methods prescribed in Conn. Gen. Stat. §§12-218, 12-218b, 12-219a, or 12-244 for computing the net income and the minimum tax base, together with: (1) payment of the tax due on the applicable base as so computed, and (2) a statement containing a specific alternate method. Data supporting the contention that the operation of the statutory method is grossly inequitable and attributes to Connecticut an undue proportion of the taxpayer's net income or minimum tax base must be provided. Permission to determine the tax on an alternate basis will not be considered in any case in which this procedure has not been strictly followed.

The Commissioner will notify the company as to whether the proposed alternate method of apportionment is accepted or rejected. If the proposed method is accepted, the tax will be adjusted.

FORM CT-1120K
Business Tax Credit Summary
Instructions

2006

(Rev. 12/06)

Form CT-1120K, *Business Tax Credit Summary*, must be attached to **Form CT-1120**, *Corporation Business Tax Return*, or the applicable tax form whenever tax credits from the current income year are being claimed or carryforward credit balances exist from a prior year.

Additional information about Connecticut tax credits is available in **Informational Publication 2006(15)**, *Guide to Connecticut Business Tax Credits*.

Corporation business tax credits must be applied in a specific order, where a corporation is eligible to claim more than one tax credit. In no event, however, shall any credit be claimed more than once. The order is as follows:

1. The Financial Institutions Credit must be applied before any other credits.
2. Any credit that may be carried back to a preceding income year must be applied after the Financial Institutions Credit, but before any other credits. Any credit carryback that will expire first must be claimed before any credit carryback that will expire later. If the credit carrybacks will expire at the same time, credits must be taken in the order in which the corporation may receive the maximum benefit.
3. Any credit that may not be carried back to a preceding income year and that may not be carried forward to a succeeding income year must be claimed next, in the order in which the corporation may receive the maximum benefit.
4. Any credit that may be carried forward to a succeeding income year must be claimed next. Any credit carryforward that will expire first must be claimed before any credit carryforward that will expire later. If the credit carryforwards will expire at the same time, credits must be taken in the order in which the corporation may receive the maximum benefit.
5. The Electronic Data Processing Equipment Property Tax Credit must be applied last, after all other credits have been applied.

Conn. Gen. Stat. §12-217aa

Limits on Credits: The amount of tax credits otherwise allowable against the corporation business tax for any income year shall not exceed 70% of the amount of tax due prior to the application of the tax credit. *Conn. Gen. Stat. §12-217zz*

It is not necessary to include a reason for the Connecticut extension request if an extension on federal Form 7004, *Application for Automatic 6-Month Extension of Time to File Certain Business Income Tax, Information, and Other Returns*, was filed with the Internal Revenue Service.

A taxpayer that has been granted a filing extension may avoid a late payment penalty if the outstanding balance due is 10% or less **and** is paid with the filing of the Connecticut corporation business tax return. If no tax is due, the Commissioner of Revenue Services may impose a \$50 penalty for the late filing of any return or report that is required by law to be filed.

Form CT-1120U

Unitary Corporation Business Tax Return Instructions

(Rev. 12/06)

General Information

Who May File Form CT-1120U

Form CT-1120U, *Unitary Corporation Business Tax Return*, may be filed by a taxpayer in two situations:

1. Taxpayer is subject to interest add back.

If the taxpayer in computing net income under Conn. Gen. Stat. §12-217, is required to add back otherwise deductible interest expenses and costs directly or indirectly paid, accrued, or incurred to one or more related members, the taxpayer may elect to calculate its tax on a unitary basis using Form CT-1120U, including all members of the unitary group provided there are substantial intercorporate business transactions among such included corporations; **or**

2. Taxpayer petitions for and is granted approval by the Commissioner of Revenue Services (Commissioner) to file on a unitary method.

If the taxpayer petitions the Commissioner to file a combined corporation business tax return on a unitary basis, because the statutory method of determining the taxpayer's combined measure of the tax is deemed by the taxpayer to unfairly attribute an undue proportion of its taxable income or minimum tax base to Connecticut, and the petition is granted by the Commissioner, the taxpayer must calculate its tax as stated in the Commissioner's letter, filing Form CT-1120U.

Definition of a Unitary Business

A **Unitary Business** is characterized by significant flows of value evidenced by factors such as those described in *Mobil Oil Corp. v. Vermont*, 445 U.S. 425 (1980): functional integration, centralization of management, and economies of scale. These factors provide evidence of whether the business activities operate as an integrated whole or exhibit substantial mutual interdependence. Facts suggesting the presence of the factors mentioned above should be analyzed in combination for their cumulative effect and not in isolation.

Consent and Notice of Election

Each corporation that consents to be included in a Unitary Corporation Business Tax Return must submit **Form CT-1120CC**, *Combined Return Consent*, for the initial income year for which the election is being made. The election to file a unitary return must be made by the electing corporations not later than the due date or the extended due date of the returns for which the election is made. The election to file a unitary return must be in effect for at least five income years, and will continue in effect thereafter until it is revoked.

Change of Election

Any corporation that has elected to file a unitary return may subsequently revoke its election; however, the revocation will not be effective before the fifth income year immediately following the initial income year in which the corporation

elects to file a unitary return. The election to discontinue the unitary filing must be submitted in writing on **Form CT-1120CC-R**, *Revocation of Election and Consent to File Combined Corporation Business Tax Return*, by each corporation included in the unitary return. The election must be made by the electing corporations by the due date or the extended due date of the return for the initial income year for which the election is made.

Calculation of the Unitary Tax

The unitary return is subject to the following:

- The unitary group must meet the definition of a unitary business as stated above;
- The unitary tax is calculated using "water's edge" combined reporting;
- The unitary group must use a three factor apportionment formula consisting of property, payroll, and double weighted gross receipts under Conn. Gen. Stat. §12-218(c);
- Each corporation included in the unitary group is subject to the minimum tax under Conn. Gen. Stat. §12-219; **and**
- The unitary group must calculate the capital base tax under Conn. Gen. Stat. §12-219 on a unitary basis. In calculating the capital base tax, intercompany stock holdings should be eliminated;

Special Instructions for First Year Unitary Filers

- The unitary group cannot use net operating losses that have been carried forward from returns filed prior to the establishment of the Connecticut unitary group. Only losses incurred by the unitary group in the first year of the unitary return (and thereafter) can be taken on the unitary return;
- The unitary group cannot use tax credits that were earned prior to the establishment of the Connecticut unitary group. Only tax credits earned by the unitary group in the first year of the unitary return (and thereafter) can be claimed on the unitary return; **and**
- If the taxpayer elects to file on a unitary basis, the election is irrevocable for five successive income years.

General Computation

The unitary tax shall be measured by the combined entire net income of all the corporations included in the return as if they were one corporation. In computing combined entire net income, intercorporate dividends shall be eliminated. The combined entire net income of such corporations shall be apportioned to Connecticut as if they were one corporation, and the provisions of Conn. Gen. Stat. §12-223b governing intercompany rents and business receipts shall apply.

Attachments Required

Attach to Form CT-1120U a complete copy of the federal consolidated return, including income statements and balance sheets, federal M-1 adjustments, and a schedule of intercompany eliminations as filed with the Internal Revenue Service (IRS).

Form CT-1120 must be completed and attached to Form CT-1120U, for each corporation included in the unitary group.

Form CT-1120Q, *Connecticut Corporate Unitary Questionnaire*, must be completed and attached to Form CT-1120U.

Form CT-1120AB, *Add Back and Exceptions to Add Back of Interest and Intangible Expenses*, must be completed and attached to Form CT-1120U if applicable.

All applicable tax credit forms, schedules, and any other required forms must be attached to and made part of this tax return for each corporation included in the unitary group.

When to File Form CT-1120U

Every corporation must file a return on or before the first day of the month following the due date of the company's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company that is not required to file a federal income tax return for the income year, the Connecticut unitary corporation business tax return is due on or before the first day of the fourth month following the end of the income year. If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date. The return will meet the timely filed and timely payment rules if the U.S. Postal Service cancellation date, or the date recorded or marked by a designated private delivery service (PDS) using a designated type of service, is on or before the due date. Not all services provided by these designated PDSs qualify.

The following are the designated PDSs and designated types of service at the time of publication:

DHL Express (DHL) <ul style="list-style-type: none">• DHL Same Day Service• DHL Next Day 10:30 am• DHL Next Day 12:00 pm• DHL Next Day 3:00 pm• DHL 2nd Day Service	
Federal Express (FedEx) <ul style="list-style-type: none">• FedEx Priority Overnight• FedEx Standard Overnight• FedEx 2Day• FedEx International Priority• FedEx International First	United Parcel Service (UPS) <ul style="list-style-type: none">• UPS Next Day Air• UPS Next Day Air Saver• UPS 2nd Day Air• UPS 2nd Day Air A.M.• UPS Worldwide Express Plus• UPS Worldwide Express

This list is subject to change. See **Policy Statement 2005(12)**, *Designated Private Delivery Services and Designated Types of Service*.

If Form CT-1120U is filed late, see *Interest and Penalties* on Page 3, to determine if interest and penalty should be reported with this return.

Extension Request

To get an extension of time to file the annual return, the unitary group must file **Form CT-1120 EXT**, *Application for Extension of Time to File Corporation Business Tax Return*,

not later than the first day of the month following the due date of the unitary group's corresponding federal income tax return for the income year (April 1 for calendar year taxpayers). In the case of any company not required to file a federal income tax return for the income year, the extension request must be filed on or before the first day of the fourth month following the end of the income year. Payment of the total tax due must be included with the request. The timely filing of Form CT-1120 EXT will automatically extend the due date for six months.

Form CT-1120 EXT extends *only* the time to file the unitary tax return; it does not extend the time to pay the tax.

Where to File

Make check or money order payable to the Commissioner of Revenue Services, and paper clip the check or money order to the front of the return. Do not staple. The Department of Revenue Services (DRS) may submit your check to your bank electronically.

Mail to: Department of Revenue Services
PO Box 2974
Hartford CT 06104-2974

Payment only may be made electronically using *Fast-File*. A corporation filing unitary must continue to submit paper returns to DRS.

The DRS Web site at **www.ct.gov/DRS** allows a corporation to *Fast-File* through the electronic Taxpayer Service Center (**TSC**). The **TSC** is a new, interactive tax organization tool that allows taxpayers to file, pay, and manage their state tax responsibilities electronically.

Amended Returns

Any corporation within the group that fails to include items of income or deduction or makes any other error on a return must file an amended return using **Form CT-1120X**, *Amended Corporation Business Tax Return*. A copy of federal Form 1120X must be attached to substantiate any changes to federal net income.

Internal Revenue Service Changes

Corrections to taxable income by the IRS must be reported to the Commissioner of Revenue Services within 90 days after receipt of the final notice of correction from the IRS. All federal adjustments must be reported using Form CT-1120X. An extension request for reporting federal audit changes may be submitted in writing to the Commissioner of Revenue Services stating the reason additional time is required.

Estimated Tax Payments

Every corporation carrying on or having the right to carry on business in Connecticut whose estimated current year tax exceeds \$1,000 must pay estimated tax payments in four installments. See *General Instructions on Forms CT-1120 ESA, ESB, ESC, and ESD*, *Estimated Corporation Business Tax*.

DRS mails four preprinted estimated tax payment coupons with instructions to corporations that paid estimated tax or had a Connecticut corporation tax liability exceeding \$1,000 in the prior taxable year.

If a corporation is not required to pay its estimated tax electronically, using these preprinted forms will ensure accuracy and timeliness in processing the corporation's estimated tax payments. Visit the DRS Web site at www.ct.gov/DRS to download and print Connecticut tax forms.

The required annual payment is the lesser of:

- 90% of the tax shown on the return for the income year, or, if no return is filed, 90% of the tax for such year; **or**
- 100% of the tax shown on the return for the previous income year without regard to any tax credit, if the previous income year was an income year of 12 months and if the company filed a return for the previous income year showing a liability for tax.

Estimated tax due dates (for calendar year filers):

1st Installment - March 15, 2007
30% of prior year tax including surtax (without regard to credits) or 27% of current year tax
2nd Installment - June 15, 2007
70% of prior year tax including surtax (without regard to credits) or 63% of current year tax
3rd Installment - September 15, 2007
80% of prior year tax including surtax (without regard to credits) or 72% of current year tax.
4th Installment - December 15, 2007
100% of prior year tax including surtax (without regard to credits) or 90% of current year tax

If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Interest

Interest is computed at 1% (.01) per month or fraction of a month on the underpayment of tax from the original due date of the return through the date of payment. Interest due on the underpayment of estimated tax is computed using **Form CT-1120I, Computation of Interest Due on Underpayment of Estimated Tax**. Interest on underpayment or late payment of tax **cannot** be waived.

Penalty for Late Payment or Late Filing

The penalty for late payment or underpayment of corporation business tax is 10% (.10) of the tax due or \$50, whichever is greater. If a request for a filing extension has been granted, a corporation may avoid a penalty for failure to pay the full amount due by the original due date if it:

- Pays at least 90% of the tax shown to be due on the return on or before the original due date of the return; **and**
- Pays the balance due with the filing of Form CT-1120, on or before the extended due date.

If no tax is due, DRS may impose a \$50 penalty for the late filing of any return or report required by law to be filed.

Penalty for Willful Failure to File or Pay

Anyone who willfully fails to pay the tax or file a return will be fined up to \$1,000 or imprisoned up to one year, or both, in addition to any other penalty.

Penalty for Willful Filing of a Fraudulent or Materially False Return

If you willfully file a tax return you know to be fraudulent or false in any material matter, you may be fined up to \$5,000 or imprisoned from one to five years, or both.

Penalty for Failure to Disclose Listed Transaction

For audits of corporation business tax returns beginning on or after January 1, 2006, a penalty of 75% of the amount of the deficiency may be imposed when it appears that any part of the deficiency is due to failure to disclose a listed transaction, as defined in Internal Revenue Code (I.R.C.) §6707A.

Waiver of Penalty

A taxpayer may be able to have its penalty waived if the failure to file or pay tax on time was due to a reasonable cause and was not intentional or due to neglect. Interest cannot be waived. Before a penalty waiver can be granted, all tax and interest must be paid. All requests must include:

- A clear and complete written explanation;
- The corporation name, Connecticut Tax Registration Number, and Federal Employer Identification Number (FEIN) if applicable;
- The name of the original form filed or billing notice received;
- The taxable filing period; **and**
- Documentation supporting your explanation.

Attach the request to the **front** of the tax return or mail separately to:

 Penalty Waiver Unit
 PO Box 5089
 Hartford CT 06102-5089

Line Instructions

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents.

However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

If you do not round to whole dollars, DRS will disregard the cents.

Paid Preparer Authorization

If the unitary group wants to authorize DRS to contact the paid preparer who signed the 2006 unitary tax return to discuss it, check the **Yes** box in the signature area of the return. This authorization applies only to the individual whose signature appears in the *Paid Preparer's Signature* section of the unitary return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the unitary group is authorizing DRS to call the paid preparer to answer any questions that may arise during the processing of the 2006 unitary corporation business tax return. The unitary group is also authorizing the paid preparer to:

Computation of Interest Due on Underpayment of Estimated Tax

Enter Income Year Beginning _____, _____, and Ending _____, _____

Corporation Name	Connecticut Tax Registration Number
------------------	-------------------------------------

Complete this form in blue or black ink only.

Use **Form CT-1120I**, *Computation of Interest Due on Underpayment of Estimated Tax*, to determine interest due on underpayments of estimated Connecticut corporation business tax or unrelated business income tax.

General Instructions

If the taxpayer made timely installment tax payments (**Forms CT-1120 ESA, ESB, ESC, and ESD** or **Forms CT-990T ESA, ESB, ESC, and ESD**) and paid at least 90% of the current year tax or 100% of the prior year tax (including surtax) before the application of any tax credits, at the required installment rate, the taxpayer is not subject to interest on underpaid installments. If the current year tax is \$1,000 or less, it is not necessary to complete this form. Use Form CT-1120I to compute interest due for **Form CT-1120**, *Corporation Business Tax Return*; **Form CT-1120U**, *Unitary Corporation Business Tax Return*; **Form CT-1120CR**, *Combined Corporation Business Tax Return*; or **Form CT-990T**, *Connecticut Unrelated Business Income Tax Return*.

Estimated tax payments may be based on the applicable percentage of the current year tax determined by annualizing net income. See **Informational Publication 2006(19)**, *Guide to Calculating Annualized Estimated Corporation Business Tax Installments and Worksheet CT-1120AE*.

Limit on Credits

The amount of tax credits otherwise allowable against the corporation business tax for any income year shall not exceed 70% of the amount of total tax due prior to the application of the tax credits. (*Conn. Gen. Stat. §12-217zz*)

No tax credit can be applied against the minimum tax of \$250. (*Conn. Gen. Stat. §12-219*)

Surtax

For income years beginning on or after January 1, 2006, and prior to January 1, 2007, any company subject to the corporation business tax must pay a surtax equal to 20% of the tax due without regard to credits. The surtax **does not apply** to the minimum tax of \$250. (*Conn. Gen. Stat. §§12-214(b) and 12-219(b)*, as amended by 2006 Conn. Pub. Acts 186, §§66 and 67)

Instructions

Complete this return in blue or black ink only.

Corporations That Qualify for Combined Reporting:

- Any taxpayer included in a consolidated return for federal income tax purposes may elect to file a combined return together with all other companies that are subject to the tax imposed under Conn. Gen. Stat. Chapter 208 or 209 and are included in the federal consolidated corporation income tax return.
- Any taxpayer not included in a federal consolidated return but which owns or controls, either directly or indirectly, substantially all the capital stock of one or more corporations may, at the discretion of the Commissioner of Revenue Services, be required, or permitted by written approval, to make a return on a combined basis covering these other corporations.

Consent and Notice of Election: Each corporation that consents to be included in a Combined Corporation Business Tax Return must submit **Form CT-1120CC**, *Combined Return Consent*, for the initial income year for which the election is being made. The election to file a combined return must be made by the electing corporations not later than the due date or the extended due date of the returns for which the election is made. The election to file a combined return must be in effect for at least five income years, and will continue in effect thereafter, until it is revoked.

Change of Election: Any corporation that has elected to file a combined return may subsequently revoke its election even though it continues to be included in a federal consolidated corporation income tax return with other corporations that are subject to the Connecticut corporation business tax. The revocation will not be effective before the fifth income year immediately following the initial income year in which the corporation elected to file a combined return. The election to file a separate return must be submitted in writing on **Form CT-1120CC-R**, *Revocation of Election and Consent to File Combined Corporation Business Tax Return*, by each corporation included in the combined return. The election to file separate returns must be made by the electing corporations by the due date or the extended due date of the separate returns for the initial income year for which the election is made. The election to file separate returns is irrevocable for five successive income years. After five income years, the corporations may elect to file a combined corporation business tax return.

However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off **only** the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. \$4.50 is rounded to \$5.00 and entered on the line.

If you do not round, DRS will disregard the cents.

This authorization applies only to the individual whose signature appears in the "Paid Preparer's Signature" section of the return. It does not apply to the firm, if any, shown in that section.

If the **Yes** box is checked, the corporation is authorizing DRS to call the paid preparer to answer any questions that may arise during the processing of the 2006 corporation business tax return. The corporation is also authorizing the paid preparer to:

- Give DRS any information that is missing from the return;
- Call DRS for information about the processing of the corporation's return or the status of the corporation's refund or overpayment; **and**

before DRS. The authorization cannot be revoked. However, the authorization will automatically end no later than the due date (without regard to extensions) for filing the 2007 corporation business tax return. Instructions

Schedule A

Schedule A is used to determine if the manufacturing facility is located in an area eligible to receive Enterprise Zone level benefits. If the facility does not meet the criteria for location, it is eligible only for the 25% credit. Skip *Schedule B* and continue on *Schedule C*.

Lines 1 and 2 - Check **Yes** if the manufacturing facility is located within one of the areas having Enterprise Zone level benefits.

Line 3 - Check **Yes** if the facility is engaged in biotechnology, pharmaceutical, or photonics research, and is located in a municipality that has a major research university with programs in biotechnology, pharmaceuticals, or photonics, and has an Enterprise Zone.

Schedule B

Schedule B is used to determine if the facility employs enough workers who are residents of the Enterprise Zone or are residents of the municipality and qualify for federal Job Training Partnership Act benefits. If the facility does not meet the criteria for employment of local workers, it is eligible only for the 25% credit.

Line 1 - Complete as indicated.

Line 2 - The initial hiring for the new facility is based on the start date established with DECD.

Line 3 - Subtract Line 2 from Line 1 and enter the result. If zero or less, the company is eligible only for the 25% credit. Do not continue on Lines 5 through 7. Enter 25% (.25) on *Schedule C*, Line 7.

Line 4 - Multiply Line 3 by 30% (.30).

Lines 5 through 7 - Complete as indicated.

Schedule C

Schedule C is used to determine the amount of the tax credit.

Tangible Property: Column A includes the average monthly net book value of the eligible manufacturing facility including all machinery and equipment specifically acquired for and installed at that site (without reduction for any encumbrance). When rented,

the value of the eligible manufacturing facility and all machinery and equipment specifically acquired for and installed at that site should be computed by multiplying the **gross rents** payable by the taxpayer during the income year by eight. Column B consists of the average monthly net book value of all real property, machinery, and equipment held and owned by the taxpayer in Connecticut plus the value of all real property, machinery, and equipment rented to the taxpayer in Connecticut, computed by multiplying the combined **gross rents** payable during the income year by eight. **Gross rents** means gross rents as defined in Conn. Gen. Stat. §12-218.

Wages, Salaries, and Other Compensation: Column A consists of all wages, salaries, and other compensation paid during the income year to employees of the taxpayer whose positions are **directly attributable** to the eligible manufacturing facility. Column B consists of the sum of wages, salaries, and other compensation paid during the income year to all employees of the taxpayer in Connecticut.

An employee's position is **directly attributable** to an eligible manufacturing facility if the: (A) employee's service is performed or base of operation is at the eligible manufacturing facility; (B) position did not exist prior to the construction, renovation, expansion, or acquisition of the eligible manufacturing facility; **and** (C) position would not have been created but for the construction, renovation, expansion, or acquisition of the eligible manufacturing facility.

Lines 1 through 4 - Complete as indicated.

Line 5 - Enter the tax from Form CT-1120, *Schedule C*, Line 1.

For Income Year	DECD Eligibility Certificate Number (If applicable)
Beginning 2006, and Ending	
Corporation Name	Connecticut Tax Registration Number

Complete **Form CT-1120 RDC, *Research and Development Credit***, to claim the credit available under Conn. Gen. Stat. §12-217n (as amended by 2006 Conn. Pub. Acts 159, §8) against the Connecticut corporation business tax for research and development expenses paid or incurred during the income year for research and development conducted in Connecticut.

Required Attachments

Attach a detailed schedule that identifies the research and development expenditures as to the type, amount, and location in Connecticut where conducted.

Definitions

Connecticut research and development expenditures are those amounts deductible under §174 of the Internal Revenue Code of 1986, as in effect on May 28, 1993, (determined without regard to §280C(c) thereof), and basic research payments as defined under I.R.C. §41, to the extent not deducted under I.R.C. §174. The expenditures must be paid or incurred by the taxpayer for research and development and basic research conducted in Connecticut. The expenditures and payments may not be funded, within the meaning of I.R.C. §41(d)(4)(H), by any grant, contract, or otherwise by a person or governmental entity other than the taxpayer unless the other person is included in a combined return with the person paying or incurring the expenses. Overhead and other expenses, including general and administrative expenses that relate to a corporation's activities as a whole and not specifically to the research and development effort will not qualify. Qualifying expenditures may include but are not limited to:

- Expenditures incurred in connection with the taxpayer's trade or business that represent research and development costs in the experimental or laboratory sense;

- All costs incident to the development of an experimental or pilot model, a plant process, a product, a formula, an invention, or similar property, and the improvement of already existing property of the type mentioned; **and**
- Costs of obtaining a patent, such as attorneys' fees expended in making and perfecting a patent application.

Qualified Small Business is defined as a company that has gross income for the previous income year that does not exceed \$100 million and has not met the gross income test through transactions with a related person, as defined in Conn. Gen. Stat. §12-217w.

Tentative Credit Computation

For a **qualified small business**, the tentative credit allowed for research and development expenses is equal to 6% of such expenses. Any company other than a qualified small business must use the tentative rate schedule below to determine the amount of the tentative credit.

The amount of credit available to companies that have revenues in excess of \$3 billion, employing more than 2,500 employees, and headquartered in an Enterprise Zone shall be the tentative credit allowed or 3.5% of the total research and development expenses, whichever is greater. A company that pays or incurs research and development expenses in excess of \$200 million for the income year must obtain an eligibility certificate from the Department of Economic and Community Development (DECD) prior to claiming the credit.

Q & A on the Connecticut Individual Use Tax

Here are answers to some commonly-asked questions about the Connecticut use tax. You must pay the Connecticut use tax on taxable goods and services when a Connecticut merchant fails to collect Connecticut sales tax from you or when you purchase taxable goods or services for use in Connecticut from an out-of-state merchant.

1. What is the use tax?

Use tax is the tax you pay when Connecticut sales tax is not paid to a retailer. The use tax is complementary to the sales tax. Together, the sales and use taxes act to tax Connecticut purchasers equally, whether they purchase goods and services inside or outside of Connecticut.

2. On what kinds of goods or services must I pay use tax?

You must pay use tax on taxable tangible personal property, whether purchased or leased. Examples of taxable tangible personal property include items of clothing costing \$50 or more, automobiles, appliances, furniture, jewelry, cameras, VCRs, computers, and computer software. Some taxable services include repair services to your television, motor vehicle, or computer; landscaping services for your home; and reupholstering services for your household furniture.

3. Are there exemptions from the use tax?

Yes. Some examples are items of clothing that cost less than \$50 or repair and maintenance services to vessels.

For a comprehensive list of tax exemptions refer to **IP 2006(11), *Getting Started in Business***.

4. What is the use tax rate?

In general, the use tax rate for purchases of taxable goods or services is 6%. However, computer and data processing services are taxed at 1%.

5. What if a Connecticut retailer doesn't collect tax from me on a sale of taxable goods or services?

You must report the use tax liability on your Connecticut income tax return, **Form CT-1040EZ, *Connecticut EZ Resident Income Tax Return***; **Form CT-1040, *Connecticut Resident Income Tax Return***; **Form CT-1040NR/PY, *Connecticut Nonresident or Part-Year Resident Income Tax Return***; **Connecticut Telefile Tax Return**; or **Form OP-186, *Connecticut Individual Use Tax Return***, for purchases made during the preceding calendar year.

6. When must individuals pay the use tax?

You must file your Connecticut income tax return by April 15 for the preceding calendar year. If you are not required to file a Connecticut income tax return, you must pay the use tax using Form OP-186. You may file Form OP-186 for the entire year or you may file several returns throughout the year, but, in either case, Form OP-186 is due by April 15 for the preceding calendar year. If the purchases are made in connection with a trade or business carried on by an individual, see Question 12.

7. What if I buy taxable goods or services from an out-of-state mail-order company, television shopping channel, or computerized shopping service and no Connecticut tax is charged by the vendor?

If you buy goods or services for use in Connecticut, you must report the use tax liability on your Connecticut income tax return or Form OP-186 for purchases you made during the preceding calendar year.

8. What if I buy taxable goods or services in another state and the vendor charges sales tax for the other state?

If the goods or services were purchased for use in Connecticut, and you have taken title to the goods outside Connecticut, and the tax correctly paid to the other state is less than the Connecticut tax, you must report and pay the use tax. Your use tax is the difference between the Connecticut tax and the tax paid to the other state. If the tax paid to the other state is equal to or more than the Connecticut tax, you owe no use tax to Connecticut. There is no refund for tax paid to another state when that state's tax rate exceeds 6%.

Example: You purchased a \$1,000 refrigerator in another state and paid a \$50 tax to that state. If you bought the refrigerator for use in Connecticut, you owe Connecticut use tax. The Connecticut tax of \$60 is reduced to \$10 after allowing \$50 credit for the tax paid to the other state. If no tax was paid to the other state, Connecticut use tax is \$60.

9. Is an out-of-state merchant misleading me if he tells me I do not need to pay Connecticut use tax?

Yes. While you may not have to pay sales tax in the state where you bought the goods or services, you **must** pay Connecticut use tax on taxable goods or services purchased for use in Connecticut.

10. Do I owe Connecticut use tax on all my out-of-state purchases of taxable goods and services?

No. If all the items you purchased and **brought into** Connecticut at one time total \$25 or less, you do not have to pay Connecticut use tax. The \$25 exemption does not apply to items **shipped or mailed** to you.

11. Can an out-of-state business collect Connecticut use tax on taxable goods that are mailed or delivered into Connecticut?

Yes. If the business is registered to collect Connecticut use tax, it must collect the tax from you. If the business is not registered, then you must report and pay the tax yourself.

12. Does a person engaged in a trade or business have to pay use tax on purchases made for the trade or business?

Yes. If the person makes taxable purchases of goods or services out-of-state for use in a trade or business (such as office furniture, computers, and supplies), that person should be registered with DRS for business use tax purposes and report purchases on **Form OS-114, *Sales and Use Tax Return***. (See **Informational Publication 2003(31), *Q & A on the Connecticut Use Tax for Businesses and Professions***.)

13. What are the penalties and interest for not paying the use tax?

The penalty is 10% of the tax due. Interest is charged at the rate of 1% per month from the due date of the tax return. There are also criminal sanctions for willful failure to file a tax return.

14. What are the use tax filing requirements for motor vehicles, snowmobiles, vessels, and aircraft?

Generally, if the item is not purchased from a retailer, the Connecticut Department of Motor Vehicles collects the use tax when you register a motor vehicle, snowmobile, or vessel. You must report the use tax liability on aircraft on your Connecticut income tax return or on Form OP-186. If you do not intend to register your motor vehicle, snowmobile, or vessel immediately after you purchase it, you must report the use tax liability for purchases made during the prior calendar year on your Connecticut income tax return or Form OP-186. If the purchase is made in connection with a trade or business carried on by an individual, see Question 12.

15. On what amount should the use tax be calculated?

Calculate the use tax by multiplying the total cost of the taxable goods or services purchased, including separately stated charges such as shipping and handling, by the tax rate (generally 6%).

Materials, Tools, and Fuel

General Purpose: The purchaser of materials, tools, and fuel uses this certificate to establish that the item(s) being purchased will be used directly in:

- An industrial manufacturing plant in the actual fabrication of a product to be sold;
- Furnishing power to an industrial manufacturing plant; **or**
- Furnishing gas, water, steam, or electricity when delivered to consumers through mains, lines, pipes, or bottles.

Whether or not the materials, tools, and fuel will be used in Connecticut, charges for those materials, tools, and fuel when used as indicated above are not subject to sales and use taxes.

If the materials, tools, or fuel are not used in the manner described above, a purchaser who claimed an exemption owes use tax on the total price of any items purchased under this exemption.

Statutory Authority: Conn. Gen. Stat. §12-412(18); Conn. Agencies Regs. §12-412(18)-1.

Instructions for the Purchaser: An owner or officer of a business purchasing materials, tools, or fuel for use in the manner described above can sign and issue this certificate to advise the seller of these items that the purchase is exempt. Issue this certificate only for materials, tools, or fuel, as defined in Conn. Agencies Regs. §12-412(18)-1. Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued. If you do not have a Connecticut tax registration number, enter the tax registration number assigned by another state and identify the state.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the sale and storage, use, or other consumption, of the materials, tools, or fuel is not subject to sales and use taxes. The certificate is valid only if taken in good faith from a person who is purchasing materials, tools, or fuel for use in the actual fabrication of finished products to be sold, in furnishing power to an industrial manufacturing plant, or in furnishing gas, water, steam, or electricity to consumers through mains, lines, pipes, or bottles. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not engaged in fabrication or that the materials, tools, or fuel will not be used directly in actual fabrication of finished products to be sold. Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words “Exempt under CERT-100” satisfy the requirement.

This certificate can be used for individual exempt purchases, in which event the purchaser must check the box marked “Certificate for One Purchase Only.” The certificate can also be used for a continuing line of exempt purchases, in which event the purchaser must check the box marked “Blanket Certificate.” A blanket certificate remains in effect for a three-year period unless the purchaser revokes it in writing before the period expires.

Certified Rehabilitation Certificate for Certified Historic Structures

General Purpose: An owner or general contractor uses this certificate to establish that services to real property being rendered by a general contractor or subcontractor are directly connected with a certified and substantial rehabilitation of a certified historic structure. Charges for that portion of the services to a qualifying project are not subject to sales and use taxes.

Services to real property include such services as: management, electrical, plumbing, paving, painting, staining, carpentry, roofing, siding, plastering, heating, air conditioning, ventilation, exterior sheet metal work, flooring, sandblasting, carpeting, masonry, wallpapering, and refuse removal services when rendered to industrial, commercial, or income-producing real property.

However, services to real property **do not** include: locksmith, landscaping and horticultural, window cleaning, maintenance, janitorial, exterminating, or swimming pool cleaning and maintenance services. Charges for these services are fully subject to sales and use taxes. See Conn. Agencies Regs. §12-407(2)(i)(I)-1(g)(2).

Contractors are consumers of tangible personal property physically incorporated into buildings being constructed or renovated by them. Sales of such property to contractors are retail sales subject to sales and use taxes.

If a subcontractor does not accept a resale certificate issued by the general contractor for the services to real property rendered to the general contractor by the subcontractor, the general contractor may issue this certificate to the subcontractor. If the subcontractor accepts a resale certificate, the general contractor does not issue this certificate.

Statutory Authority: Conn. Agencies Regs. §12-407(2)(i)(I)-1.

Instructions for the Service Recipient (Owner or General Contractor): An owner can sign and issue this certificate to advise its general contractor that sales and use taxes do not apply to all or a portion of the charges made by the general contractor for services rendered to the owner's certified historic structure. The general contractor, in turn, should sign and issue this certificate to its subcontractors to advise each subcontractor that sales and use taxes do not apply to all or a portion of the charges made by the subcontractor for services rendered to the general contractor. Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued. The owner must attach a copy of the listing of the building in the National Register or the certification by the Secretary of the Interior to the Secretary of the Treasury that the building is located in a registered historic district and is of historic significance to the district. The owner must also attach a copy of the application for certification by the Secretary of the Interior to the Secretary of the Treasury that the rehabilitation is consistent with the historic character of the building or the district in which the building is located.

Instructions for the Service Provider: Acceptance of this certificate, when properly completed, relieves the service provider from the burden of proving the services were rendered in the certified rehabilitation of a certified historic structure. The certificate is valid only if taken in good faith from the owner or general contractor. The good faith of the service provider will be questioned if the provider knows of facts that suggest the certificate is inaccurate. Keep this certificate and bills or invoices to the owner or general contractor for at least six years from the date the services were rendered. The bills, invoices, or records covering all charges made under this certificate must be marked to indicate the services were partially or totally exempted from sales and use taxes. The words "Exempt under CERT-102" satisfy the requirement.

Residential Condominium Association

Statutory and Regulatory Authority: Conn. Gen. Stat. §12-407(a)(37)(I) and Conn. Agencies Regs. §12-407(2)(i)(I)-1 and §12-407(2)(i)(BB)-1; Conn. Gen. Stat. §12-407(2)(i)(BB).

General Purpose: A residential condominium association uses this certificate to establish, for a particular calendar year, the percentage of the condominium units that are not owner-occupied. That percentage will be used by the service provider as the percentage of charges for services to real property that are subject to sales and use taxes.

Services to real property include such services as management, electrical, plumbing, carpentry, plastering, heating, air conditioning, ventilation, flooring, sandblasting, carpeting, masonry, refuse and sanitary waste removal services, paving, painting or staining, wallpapering, roofing, siding, and exterior sheet metal work. Use this certificate to establish the percentage of these services that are taxable.

Services to real property do not include locksmith, landscaping and horticulture, window cleaning, maintenance, janitorial, exterminating or swimming pool cleaning, and maintenance services. Charges for these services are fully subject to sales and use taxes. See Conn. Agencies Regs. §12-407(2)(i)(I)-1(g)(2).

Contractors are consumers of tangible personal property physically incorporated into buildings being constructed or renovated by them. Sales of such property to contractors are retail sales subject to sales and use taxes. Where a subcontractor will not accept a resale certificate issued by a general contractor in connection with services to industrial, commercial, or income-producing real property being rendered to the general contractor by the subcontractor, this certificate may be issued by the general contractor to the subcontractor. Where a subcontractor will accept a resale certificate issued by the general contractor in connection with services to industrial, commercial, or income-producing real property being rendered to the general contractor by the subcontractor, this certificate need not be issued by the general contractor to the subcontractor. In all instances, the condominium association must issue CERT-103 to any contractor that renders services to the common elements.

Instructions for Service Recipient (Condominium Association or General Contractor): A principal officer of the association must sign this certificate. The information must be accurate as of the first day of the calendar year covered by this certificate. Keep a copy of the certificate and records that substantiate the information entered on the certificate for at least six years from the end of the calendar year covered by this certificate. You may issue this certificate only where the services are rendered to the common elements and where the services are “services to industrial, commercial or income-producing real property,” as defined in Conn. Agencies Regs. §12-407(2)(i)(I)-1(g). You may not issue this certificate in connection with rendering any other services to the condominium association or where the services are not rendered to the common elements.

Instructions for Service Provider (General Contractor or Subcontractor): Acceptance of this certificate, when properly completed by a service recipient, relieves the service provider from the burden of proving that services were not rendered to income-producing real property only if taken in good faith from the condominium association or the general contractor. The good faith of the service provider will be questioned if the provider has knowledge of facts that give rise to a reasonable inference the information in this certificate is inaccurate. Keep this certificate and bills or invoices to the condominium association for at least six years from the date the services were rendered. The bills or invoices must be appropriately marked to indicate the charges for services were partially or totally exempted from sales and use taxes. The words “Exempt under CERT-103” satisfy this requirement.

For More Information: Call Taxpayer Services at 1-800-382-9463 (in-state) or 860-297-5962 (from anywhere). **TTY, TDD, and Text Telephone users** only may transmit inquiries anytime by calling 860-297-4911. Preview and download forms and publications from the DRS Web site at www.ct.gov/DRS

Services Certificate for New Construction

General Purpose: Charges for that portion of the services to real property directly connected with construction of a new building or a new addition that expands the cubic footage of an existing building, or with making site improvements that put the property affected to a new use are not subject to sales and use taxes. An owner or general contractor uses this certificate to establish that services to real property being rendered by a general contractor or subcontractor are directly connected with:

- Construction of a new building or a new addition that expands the cubic footage of an existing building; **or**
- Making site improvements that put the property affected to a new use.

Site improvements are improvements made to real property. Certain site improvements put the property to a new use, such as the construction of roadways, walkways (concrete or asphalt), driveways (concrete or asphalt), parking lots, patios (concrete or asphalt), in ground swimming pools, tennis courts, or decks. These services are considered new construction work whether or not these improvements are connected with the construction of a new building.

Other site improvements merely enhance an existing use of the property, such as installation of wells, septic systems, utility lines, storm water drainage systems, or outdoor lighting systems. These services are **not** considered new construction unless the construction of the improvements is directly connected with the construction of a new building or a new addition that expands the cubic footage of an existing building.

Services to real property include: management, electrical, plumbing, paving, painting, staining, carpentry, roofing, siding, plastering, heating, air conditioning, ventilation, exterior sheet metal work, flooring, sandblasting, carpeting, masonry, wallpapering, and refuse removal services. However, services to real property **do not** include: locksmith, landscaping and horticultural, window cleaning, maintenance, janitorial, exterminating, or swimming pool cleaning and maintenance services. Charges for these services are fully subject to sales and use taxes. See Conn. Agencies Regs. §12-407(2)(i)(I)-1(g)(2).

Contractors are consumers of tangible personal property physically incorporated into buildings being constructed or renovated by them. Sales of such property to contractors are retail sales subject to sales and use taxes.

Statutory Authority: Conn. Agencies Regs. §12-407(2)(i)(I)-1.

Instructions for the Service Recipient (Owner or General Contractor): An owner can sign and issue this certificate to advise its general contractor that sales and use taxes do not apply to all or a portion of the charges made by the general contractor for services rendered to the owner's industrial, commercial, or income-producing property. The general contractor, in turn, should sign and issue this certificate to its subcontractors to advise each subcontractor that sales and use taxes do not apply to all or a portion of the charges made by the subcontractor for services rendered to the general contractor. The owner or general contractor must attach a copy of the building permit issued by the municipality where the property is located to support the percentage of the project that is new construction. This certificate is issued only where the services rendered are "services to industrial, commercial, or income-producing real property," as defined in Conn. Agencies Regs. §12-407(2)(i)(I)-1(g)(2). Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued.

Instructions for the Service Provider: Acceptance of this certificate, when properly completed, relieves the service provider from the burden of proving that the services were rendered in the construction of new real property. The certificate is valid only if taken in good faith from the owner or general contractor. The good faith of the service provider will be questioned if the provider knows of facts that suggest the certificate is inaccurate. Keep this certificate and bills or invoices to the owner or general contractor for at least six years from the date the services were rendered. The bills, invoices, or records covering all charges made under this certificate must be marked to indicate that the services were partially or totally exempted from sales and use taxes. The words "Exempt under CERT-104" satisfy the requirement.

Commercial Motor Vehicle Purchased Within Connecticut for Use Exclusively in the Carriage of Freight in Interstate Commerce

General Purpose: This certificate must be used by the purchaser of a commercial truck, truck tractor, tractor or semitrailer, or vehicle used in combination with these, which will be operated actively and exclusively during the one-year period following the purchase date of the vehicle for the carriage of freight under a certificate or permit issued by the Interstate Commerce Commission (ICC) or its successor agency to the purchaser to claim exemption.

If the motor vehicle is not used in the manner described above, the purchaser owes use tax on the total purchase price. A motor vehicle is used exclusively in interstate commerce only if each and every payload qualifies as an interstate commerce venture. Any other vehicle use, such as transporting payloads originating and terminating within Connecticut, make the purchaser liable for the use tax.

Statutory Authority: Conn. Gen. Stat. §12-412(70).

Instructions for the Purchaser: An owner or officer of a business purchasing a commercial truck, truck tractor, tractor or semitrailer, or vehicle used in combination with these for use in the manner described above can sign and issue this certificate to advise the seller of these items that the purchase is exempt. Attach a copy of the certificate or permit issued by the ICC to this certificate. Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued. If you do not have a Connecticut tax registration number, enter the tax registration number assigned by another state and identify the state.

Instructions for the Seller: Acceptance of this certificate, when properly completed and accompanied by a copy of the certificate or permit issued by the ICC to the purchaser, relieves the seller from the burden of proving that the sale and storage, use, or other consumption, of a motor vehicle as described above is not subject to sales and use taxes. The certificate is valid only if taken in good faith from a person who is purchasing a commercial truck, truck tractor, tractor or semitrailer, or vehicle used in combination with these for use as described above. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the commercial motor vehicle or motor bus will not be operated actively and exclusively during the one-year period following the purchase date for the carriage of interstate freight under a certificate or permit issued by the ICC to the purchaser. Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words "Exempt under CERT-105" satisfy the requirement.

This certificate can be used for a single exempt purchase only and cannot be used as a "blanket certificate" for a continuing line of purchases.

Claim for Refund of Use Tax Paid on a Motor Vehicle Purchased From Other Than a Motor Vehicle Dealer

Part I Instructions

Statutory Authority: Conn. Gen. Stat. §12-431(b)

General Purpose: A person purchasing a motor vehicle from a person other than a motor vehicle dealer or licensed motor vehicle lessor must pay Connecticut use tax on the average trade-in value of the vehicle as shown in the *N.A.D.A. Official Used Car Guide, Eastern Edition* for the month of purchase. The average trade-in value does not include additions or deductions, such as for low or high mileage or for optional equipment or the absence of optional equipment. If the purchaser can prove the actual purchase price of the motor vehicle was less than the average trade-in value and submits a properly completed CERT-106 and the documentation described below within three years of paying the tax to the Connecticut Department of Motor Vehicles (DMV), the Department of Revenue Services (DRS) will refund the overpayment of Connecticut use tax. **Do not use CERT-106** if the actual purchase price of the vehicle equals or exceeds its average trade-in value. You owe Connecticut use tax on the actual purchase price of the vehicle.

Who Should Use This Form: Any person who:

- Purchased a motor vehicle from a person who is not a motor vehicle dealer or licensed motor vehicle lessor; **and**
- Paid less for the motor vehicle than its average trade-in value, as shown in the *N.A.D.A. Official Used Car Guide, Eastern Edition*, for the month of purchase; **and**
- Paid Connecticut use tax, when registering the vehicle with DMV, based on the vehicle's average trade-in value; **and**
- Claims a partial refund of Connecticut use tax because the person can prove the actual purchase price of the motor vehicle was less than the vehicle's average trade-in value; **or**
- Claims a full refund of the Connecticut use tax because the person can prove the original purchase was exempt.

To Submit a Claim: Submit CERT-106 and the documentation described above within three years of paying the tax to:

Department of Revenue Services
PO Box 5088
Hartford CT 06102-5088

All Claims Must Include:

- Purchaser's Declaration:** The purchaser or purchasers must complete the Purchaser's Declaration on the back of this form. Indicate if the motor vehicle was purchased by more than one person by checking the appropriate box in Part IV as to whether the vehicle is owned in common or jointly. This information should match the information entered on **Form H-13, Official Registration of a Motor Vehicle and Application for Certificate of Title**.
- Seller's Declaration:** The seller or sellers must complete the Seller's Declaration on the back of this form.
- Validated Form H-13:** Attach a copy of the validated Form H-13. (Do not attach a copy of the certificate of title.)
- Cancelled Check or Other Evidence of Payment of the Purchase Price of the Motor Vehicle:** If payment was made by check, attach a copy of the cancelled check issued to the seller of the vehicle (front and back). Do not include a copy of the check issued to DMV for payment of sales tax. If payment was not made by check, attach other evidence of payment, such as a copy of the bank statement showing the withdrawal if you paid with cash.
- Explanation for Actual Purchase Price Being Less Than N.A.D.A. Average Trade-in Value:** Attach an explanation, and documenting evidence such as a dated photograph from the time the motor vehicle was acquired, repair bill, or appraisal of the condition of the vehicle.

Notice of Allowance or Disallowance of a Claim: DRS generally gives notice that a claim for refund was allowed or disallowed within 90 days after it receives a properly completed CERT-106. Allowed claims are subject to further examination as provided by law.

Partial Exemption of Materials, Tools, and Fuels

General Purpose: The purchaser of materials, tools, and fuels uses this certificate to establish that the items being purchased will be used or consumed in an industrial plant:

- Directly in the manufacturing, processing, or fabricating of tangible personal property to be sold;
- In any process preparatory or related to the manufacturing, processing, or fabricating of tangible personal property to be sold, including research and development; **or**
- In measuring or testing tangible personal property to be sold.

This certificate entitles the purchaser to an exemption from sales and use taxes based on a 50 percent reduction of the gross receipts or sales price for the sale of qualifying materials, tools, or fuels. Whether or not the materials, tools, and fuel will be used in Connecticut, charges for those materials, tools, and fuel when used as indicated above are partially exempt.

If the materials, tools, or fuels are not used in the manner described above, a purchaser who claimed an exemption owes use tax that is the difference between the amount of tax paid and the amount of tax that would have been due if no exemption were claimed.

Statutory Authority: Conn. Gen. Stat. §12-412i.

Instructions for the Purchaser: An owner or officer of a business purchasing materials, tools, or fuel for use in the manner described above can sign and issue this certificate to advise the seller of these items that the sales and use taxes do not apply to the charges for the purchase. Issue this certificate only for materials, tools, or fuel, as defined in Conn. Gen. Stat. §12-412i. Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued. If you do not have a Connecticut tax registration number, enter the tax registration number assigned by another state and identify the state.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the sale and storage, use, or other consumption, of the materials, tools, or fuel were entitled to an exemption for a portion of the gross receipts or sales price. The certificate is valid only if taken in good faith from a person who is purchasing materials, tools, or fuel for use in an industrial plant for: (1) manufacturing, processing, or fabricating of tangible personal property to be sold; (2) in any process preparatory or related to the manufacturing, processing, or fabricating, including research and development; or (3) in measuring or testing tangible personal property to be sold. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not engaged in manufacturing, processing, or fabricating or that the materials, tools, or fuel will not be used directly in any manner described above. Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words “Exempt under CERT-108” satisfy the requirement.

This certificate can be used for individual exempt purchases, in which event the purchaser must check the box marked “Certificate for One Purchase Only.” The certificate can also be used for a continuing line of exempt purchases, in which event the purchaser must check the box marked “Blanket Certificate.” A blanket certificate remains in effect for a three-year period unless the purchaser revokes it in writing before the period expires.

Note: If materials, tools, and fuel are exempt under Conn. Gen. Stat. §12-412(18) rather than Conn. Gen. Stat. §12-412i, use **CERT-100, *Materials, Tools, and Fuel***, to make an exempt purchase.

Partial Exemption for Machinery, Equipment, or Repair and Replacement Parts

General Purpose: The purchaser of machinery, equipment, or repair and replacement parts for the machinery and equipment uses this certificate to establish that items purchased are to be used primarily in the manufacturing, processing, or fabricating of tangible personal property.

A purchaser uses this certificate to claim a partial exemption from sales and use taxes on purchases of qualifying machinery, equipment, or repair or replacement parts. The exemption excludes 50 percent of the gross receipts or sales price of the qualifying machinery, equipment, or parts from tax. Whether or not the machinery or equipment will be used in Connecticut, charges for the property, when used as indicated above, are entitled to the exemption.

Description of the Use of Item(s) Being Purchased: To qualify for the partial exemption from sales and use taxes, the machinery or equipment must be used primarily:

- For research and development with respect to or in the furtherance of the manufacturing, processing, or fabricating of tangible personal property;
- For measuring or testing with respect to or in the furtherance of the manufacturing, processing, or fabricating of tangible personal property;
- At any stage of the manufacturing, processing, or fabricating process from the time raw materials are received to the time the product is ready for delivery or storage;
- To maintain or repair any machinery or equipment described above; **or**
- For metal finishing.

If the machinery, equipment, or repair and replacement parts are not used in this manner, a purchaser who has claimed a partial exemption owes use tax. The use tax due is the difference between the amount of tax paid under a partial exemption and the amount of tax due if no exemption were claimed.

Statutory Authority: Conn. Gen. Stat. §12-412i

Instructions for the Purchaser: This certificate must be signed by an owner or officer of a business purchasing the machinery, equipment, or repair or replacement parts for use in the manufacturing, processing, or fabricating of tangible personal property to advise the seller of machinery or equipment that the purchase is entitled to partial exemption. The certificate may be issued only for machinery and equipment used primarily in the process of manufacturing, processing, or fabricating, as defined in

Conn. Gen. Stat. §12-412i. Keep a copy of this certificate and records that substantiate the information entered on it for at least six years from the date the certificate is issued. If you do not have a Connecticut tax registration number, enter the tax registration number assigned by another state and identify the state.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the gross receipts from the sale of the item(s) described on this certificate are eligible for a partial exemption from sales and use taxes. This certificate is valid only if taken in good faith from a person who is purchasing the machinery, equipment, or repair or replacement parts for use in manufacturing, fabricating, or processing. The good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not engaged in manufacturing, processing, or fabricating or that the machinery or equipment will not be used primarily in the process of manufacturing, processing, or fabricating tangible personal property.

Keep a copy of this certificate and bills or invoices to the purchaser for at least six years from the date the items were purchased. The bills, invoices, or records covering all purchases made under this certificate must be appropriately marked to indicate a purchase of machinery or equipment entitled to a partial exemption has occurred. The words “Exempt under Conn. Gen. Stat. §12-412i: Machinery and Equipment” satisfy this requirement.

The certificate may be used for individual purchases, in which case the box marked “Certificate for One Purchase Only” must be checked. The certificate may also be used for a continuing line of purchases, in which case the box marked “Blanket Certificate” must be checked. A blanket certificate remains in effect for a three-year period unless the purchaser revokes it in writing before the period expires.

Note: If machinery, repair or replacement parts are exempt under Conn. Gen. Stat. §12-412(34), they do not fall within the scope of Conn. Gen. Stat. §12-412i. Use **CERT-101, Machinery, Component Parts, and Repair and Replacement Parts of Machinery Used Directly in a Manufacturing Process**, to make exempt purchases of machinery under Conn. Gen. Stat. §12-412(34).

Exempt Purchases of Meals or Lodging by Exempt Entities

General Purpose: Exempt organizations, qualifying governmental agencies, nonprofit charitable hospitals, nonprofit nursing homes, nonprofit rest homes, and nonprofit residential care homes must use this certificate to establish that their purchases of meals or lodging are exempt from tax. (Any reference to **tax** in this document includes sales and use taxes and room occupancy tax, as applicable.) These organizations, governmental agencies, hospitals, and homes are referred to as **exempt entities** throughout this certificate. CERT-112 allows an exempt entity to purchase meals or lodging, or both, tax exempt for a single event and may not be used for repeat purchases. See **CERT-123, Blanket Certificate for Exempt Qualifying Purchases of Meals or Lodging by an Exempt Entity or Qualifying Governmental Agency**, for repeat qualifying exempt purchases of meals or lodging. Use this certificate **only** if these three conditions are met:

1. The retailer directly invoices and charges the exempt entity for the meals or lodging; **and**
2. The exempt entity directly pays the retailer with a check drawn on its own account or with a credit card issued in its own name; **and**
3. The exempt entity is not reimbursed, in whole or in part, by donation or otherwise, for its payment of the meals or lodging by those consuming the meals or lodging.

Statutory Authority: Conn. Gen. Stat. §12-412(1)(A), (8), and (94).

Credit Card Purchases: If a credit card is used to pay the retailer of meals or lodging, the card must be issued in the name of the exempt entity. The credit card must be used exclusively to make purchases for the use of the exempt entity (not for the convenience of its officers, employees, or members). The credit card charges must be paid by a check drawn on the exempt entity's own checking account.

Nonqualifying Purchases: This certificate may not be used (and tax must be paid) for the purchase of meals or lodging not meeting all three conditions above. Nonqualifying purchases include fund raisers where those who attend are charged or are required to make any payment and seminars or conferences where meals or lodging charges are included in the conference or seminar registration fee, except as described below.

An exempt entity may purchase meals tax exempt using **CERT-113, Purchases of Tangible Personal Property and Services by a Nonprofit Charitable Hospital, Nonprofit Nursing Home, Nonprofit Rest Home, or Nonprofit Residential Care Home**; **CERT-119, Purchases of Tangible Personal Property and Services by Qualifying Exempt Organizations**; or **CERT-134, Exempt Purchases by Qualifying Governmental Agencies**; and does not have to get prior approval from the Department of Revenue Services (DRS), when it will resell the meals at one of five fundraising or social events per year that is exempt from tax under Conn. Gen. Stat. §12-412(94) including meals resold at conferences and seminars. See **Special Notice 98(11), Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events**.

Government Purchases Not Requiring Preapproval: The federal government has implemented the "GSA SmartPay" program, which uses four categories of credit cards: Fleet, Purchase, Travel, and Integrated cards. Federal employees may purchase meals and lodging tax exempt by using **certain** GSA SmartPay cards when the purchases are billed to and paid by the federal government. U.S. government agencies making tax-exempt purchases of meals and lodging using GSA SmartPay cards are not required to get preapproval for these purchases from DRS and are not required to provide the retailer with CERT-112. See **Policy Statement 2000(1.1), Retailer's Acceptance of U.S. Government "GSA SmartPay" Credit Card for Exempt Purchases**.

Instructions for the Purchaser: An officer of an exempt entity must complete and sign this certificate and submit it to DRS at least three weeks before an event to request the tax-exempt purchase of meals or lodging at a specific event. The exempt entity should include a copy of the flyer, announcement, or other promotional literature about the event with CERT-112. If the purchaser is an exempt organization, it must either attach a

copy of its I.R.C. §501(c)(3) or (13) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-112. If the purchaser is a qualifying governmental agency, no attachment is required. If the purchaser is a nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home, it must attach a copy of a valid and active license issued by the Department of Public Health under Chapter 368v of the Connecticut General Statutes and a copy of its I.R.C. §501(c)(3) or (4) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-112. If DRS concludes that the applicant is making a qualifying exempt purchase, CERT-112 with DRS official approval noted will be returned to the exempt entity. The exempt entity then provides CERT-112 to the retailer of meals or lodging. Keep a copy of this certificate, the documents attached, and records that substantiate the information on this certificate for at least six years from the date it is issued.

Events That Qualify for Refund Only: If the exempt entity will be paying (and will not be reimbursed, in whole or in part) for the meals or lodging of some of the attendees, but will be reimbursed in whole or in part for the meals or lodging of others, a preapproved exemption will **not** be issued. The exempt entity must pay tax on **all** the meals or lodging at the time of the purchase. However, DRS will refund the tax on those meals or lodging that were paid for by the exempt entity for which it was not reimbursed in whole or in part. The exempt entity must file, and DRS must approve, **CERT-122, Refund of Sales Tax Paid on Purchases of Meals or Lodging by Exempt Entities**. The exempt entity is not eligible for refund of the tax paid on meals or lodging for which it received full or partial reimbursement other than for meals sold under five one-day fundraising or social events per calendar year exemption. See **Policy Statement 2003(4), Purchases of Meals or Lodging by Exempt Entities**, for more information.

Example 1: B, an exempt organization, sponsors a dinner to honor one of its members. The restaurant charges B \$50 per meal and B sells tickets for \$50 per person. The honoree and members of the immediate family attend as guests of the organization. B must pay sales tax on all meals purchased. It may, however, complete and file CERT-122 to claim a refund of the taxes paid only on meals consumed by the honoree and members of the immediate family.

Example 2: C, an exempt organization, sponsors a retirement dinner to honor one of its employees. The restaurant charges C \$60 per meal. C sells tickets for \$50 per person and pays the \$10 difference to the restaurant from its own funds. C must pay sales tax on the full price of all meals purchased. Because the organization received partial reimbursement for all of the meals, C is not eligible for a refund of any of the tax paid.

Instructions for Retailer of Meals or Lodging: Acceptance of this certificate, when properly completed and with DRS official approval noted, relieves the retailer from the burden of proving the sale of meals or lodging was not subject to tax. This certificate is valid only if taken in good faith from an exempt entity.

Do **not** accept this certificate unless you directly invoice and charge the exempt entity for the meals or lodging. Do **not** accept the certificate unless you are directly paid by the exempt entity with a check drawn on the exempt entity's own checking account or with a credit card issued in the exempt entity's name (not in the name of one of its members, employees, or officers). Cash payments do not satisfy this condition, regardless of the cost of the meals or lodging.

Keep this certificate, the documents attached, and bills or invoices to the exempt entity for at least six years from the date that the meals or lodging were purchased. The bills, invoices, or records covering the purchase made under this certificate must be marked "Exempt Under CERT-112" to indicate an exempt purchase has occurred. This certificate only applies to the specific event indicated and may not be used for the exempt purchase of any meals or lodging at any other event.

Purchases of Tangible Personal Property and Services by a Nonprofit Charitable Hospital, Nonprofit Nursing Home, Nonprofit Rest Home, or Nonprofit Residential Care Home

General Purpose: A nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home must issue this certificate to retailers when purchasing tangible personal property or taxable services to be used by the institution exclusively for the purposes for which it was established.

The term **hospital** is defined in Conn. Gen. Stat. §19a-490(b) as an establishment for the lodging, care, and treatment of persons suffering from disease or other abnormal physical or mental conditions and includes inpatient psychiatric services in general hospitals.

The terms **nursing home, rest home, and residential care home** are defined in Conn. Gen. Stat. §19a-490(c) as an establishment that furnishes, in single or multiple facilities, food and shelter to two or more persons unrelated to the proprietor and in addition, provides services that meet a need beyond the basic provisions of food, shelter, and laundry.

Under Conn. Gen. Stat. §12-412(5), a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home is:

- An institution that holds a valid and active license issued by the Department of Public Health under Conn. Gen. Stat. §19a-491 of Chapter 368v; **and either**
- An institution issued an exemption permit before July 1, 2002, by the Department of Revenue Services (DRS) that has not been cancelled or revoked by DRS; **or**
- An institution that is exempt from federal income tax under I.R.C. §501(a) and has been issued a determination letter by the Internal Revenue Service (IRS) as an organization described in I.R.C. §501(c)(3) or (4), and that has not been revoked by IRS.

A qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home that is not, and is not required to be, registered as a retailer with DRS may use this certificate to purchase any tangible personal property for resale at one of the five fundraising or social events of a day's duration during any calendar year. The event must be exempt from tax under Conn. Gen. Stat. §12-412(94). Otherwise, these nonprofit institutions may not purchase tangible personal property for resale with this certificate.

This certificate may not be used for purchases of taxable services for resale. This certificate may not be used for the purchase of meals or lodging, unless a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home that is not, and is not required to be, registered as a retailer with DRS is purchasing meals for resale at one of the five fundraising or social events per year that is exempt from tax under Conn. Gen. Stat. §12-412(94). (See **Special Notice 98(11)**, *Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events* or **Informational Publication 2002(11)**, *Nonprofit Hospitals, Nonprofit Nursing Homes, Nonprofit Rest Homes, and Nonprofit Residential Care Homes*.)

If the purchaser is not a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home or does not use the property or services purchased exclusively for the purposes for which the institution was established, the purchaser owes use tax on the total purchase price of the property or services.

Statutory Authority: Conn. Gen. Stat. §12-412(5) and (94), and Chapter 368v of the Connecticut General Statutes.

Instructions for the Purchaser: An officer of a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home must issue and sign this certificate to advise the seller of tangible personal property or taxable services that sales and use taxes do not apply to the purchase. Keep a copy of the certificate, the documents attached, and records that substantiate the information entered on this certificate for at least six years from the date this certificate is issued.

The purchaser must attach to this certificate a copy of the:

- License issued by the Department of Public Health under Chapter 368v of the Connecticut General Statutes **and either**;
- Exemption permit issued to the organization by DRS prior to July 1, 2002; **or**
- Determination letter issued by the IRS that establishes the organization is an exempt organization as described in I.R.C. §501(c)(3) or (4).

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the sale and storage, use, or other consumption, of the tangible personal property or taxable services are not subject to sales and use taxes. The certificate is valid only if taken in good faith from a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not a qualifying nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home.

Keep this certificate, the documents attached, and bills or invoices to the purchaser for at least six years from the date the items or services were purchased. The bills, invoices, or records covering the purchases made under this certificate must be marked "Exempt Under CERT-113" to indicate that the purchases were exempt.

This certificate may be used for a single exempt purchase, in which case the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which event the purchaser must check the box marked "Blanket Certificate." A blanket certificate remains in effect from the date CERT-113 is issued until the date the institution's license with the Department of Public Health expires unless the purchaser revokes CERT-113 in writing before the date the license with the Department of Public Health expires.

A nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home must pay for its exempt purchases by a check drawn on its checking account or by a credit card issued in its name (and not in the name of any of its members or officers). A nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home may make a purchase of \$10 or less using cash from the institution's own funds. However, a blanket CERT-113 may not be used for a cash purchase, and a properly completed CERT-113, with the appropriate documents attached, must be issued to the retailer at the time of each cash purchase.

- In any residential dwelling when the meter through which the gas, electricity, or heating fuel is measured furnishes gas, electricity, or heating fuel for both residential and non-residential purposes. (If a building is used solely for housing, the consumer need not provide this certificate to make exempt purchases of gas, electricity, or heating fuel.);

- Directly in the fabrication of a finished product to be sold provided the exemption is allowed only for a metered building, location, or premises at which not less than 75% of the gas, electricity, or heating fuel consumed at the building, location, or premises is used for fabrication; **or**
- Directly in an industrial manufacturing plant provided the exemption is allowed only for a metered building, location, or premises at which not less than 75% of the gas, electricity, or heating fuel consumed at the building, location, or premises is used for manufacturing.

If the gas, electricity, or heating fuel is not used in the manner described above, the purchaser who claimed an exemption owes use tax on the total price of the gas, electricity, or heating fuel purchased under this exemption.

Statutory Authority: Conn. Gen. Stat. §§12-412(1), 12-412(3)(A), 12-412(5), 12-412(8), 12-412(16), and 12-412h.

Instructions for the Purchaser: This certificate is used by:

- An owner of a commercial building at which the gas, electricity, or heating fuel is used predominantly (more than 50%) for residential purposes; **or**
- An owner or officer of an establishment that uses the gas, electricity, or heating fuel in a location at which (A) agricultural production; (B) the fabrication of a finished product to be sold; or (C) production in an industrial manufacturing plant takes place.

The certificate advises the seller of gas, electricity, or heating fuel that the purchase is exempt. Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued. If you do not have a Connecticut tax registration number, enter the tax registration number assigned by another state and identify the state.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the sale and storage, use, or other consumption of the gas, electricity, or heating fuel is not subject to sales and use taxes. The certificate is valid only if taken in good faith from the owner of a commercial building at which the gas, electricity, or heating fuel is used predominantly (more than 50%) for residential purposes; or the owner or officer of an establishment that uses the gas, electricity, or heating fuel in a location at which (A) agricultural production; (B) the fabrication of a finished product to be sold; or (C) production in an industrial manufacturing plant takes place. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not purchasing gas, electricity, or heating fuel for use in the portion of the building in which a finished product to be sold is fabricated. Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words "Exempt under CERT-115" satisfy the requirement.

Exempt Petroleum Products Certificate

Statutory Authority: Conn. Gen. Stat. §12-587.

General Purpose: To establish that charges made by a distributor selling **exempt petroleum products** to a purchaser are not subject to the petroleum products gross earnings tax, this certificate must be issued to the distributor by any person who is purchasing exempt petroleum products. Any person purchasing exempt petroleum products must issue this certificate to the distributors.

Definitions: For petroleum products gross earning tax purposes, the following products are **exempt petroleum products**:

- The product designated by the American Society for Testing and Materials as “Specification for Heating Oil D396-69,” commonly known as number 2 heating oil, to be used exclusively for heating purposes or to be used in a commercial fishing vessel that qualifies for an exemption under Conn. Gen. Stat. §12-412;
- Kerosene, commonly known as number 1 oil, to be used exclusively for heating purposes, provided delivery is of both number 1 and number 2 oil and via a truck with a metered delivery ticket to a residential dwelling or to a centrally metered system serving a group of residential dwellings;
- The product identified as propane gas to be used exclusively for heating purposes;
- Bunker fuel oil, intermediate fuel, marine diesel oil, and marine gas oil to be used in any vessel having a displacement exceeding 4,000 dead weight tons;
- Any first sale of propane gas made before July 1, 2008, when the fuel is used as fuel for a motor vehicle;
- Any first sale occurring on or after July 1, 2002, of number 6 fuel oil, as defined in regulations adopted according to Conn. Gen. Stat. §16a-22c, to be used exclusively by a company that, in accordance with census data contained in the *Standard Industrial Classification (SIC) Manual*, 1987, is included in code classifications 2000 to 3999, inclusive, or in Sector 31, 32, or 33 in the *North American Industry Classification Systems (NAICS) United States*, 1997;
- Any first sale occurring on or after July 1, 2002, of number 2 heating oil used exclusively in a vessel primarily engaged in interstate commerce, which vessel qualifies for an exemption under Conn. Gen. Stat. §12-412;
- Paraffin or microcrystalline waxes;
- Any first sale of petroleum products to be used as fuel for a fuel cell, as defined in Conn. Gen. Stat. §12-412(113), made on or after July 1, 2002, but before July 1, 2008; **and**
- Any first sale occurring on or after July 1, 2006 of a commercial heating oil blend containing not less than 10% alternative fuels derived from agricultural produce, food waste, waste vegetable oil or municipal solid waste, including, but not limited to biodiesel or low sulfur dyed diesel fuel. Commercial heating oil includes number 2 heating oil, number 4 fuel oil, number 6 fuel oil, low sulfur dyed diesel fuel and kerosene. Such blended products must be used for commercial heating.

Instructions for the Purchaser: Any person who is purchasing exempt petroleum products, **whether or not for resale to others**, must issue this certificate to the distributor from whom those products are being purchased.

If more than one type of exempt petroleum product is being purchased from the distributor, the purchaser must issue a separate **CERT-116** to the distributor for each type of product being purchased.

A purchaser who is required to issue this certificate to a distributor must keep a copy of this certificate and the records that substantiate the information entered on the certificate for at least three years from the date it is issued.

This certificate may be used for a single exempt purchase (in which event the purchaser must check the box marked “Certificate for One Purchase Only”) or may be used for a continuing line of exempt purchases (in which event the purchaser must check the box marked “Blanket Certificate”). A blanket certificate remains in effect for three years from the date the certificate is issued unless the purchaser revokes it in writing before the period expires.

If the purchaser issues CERT-116 to the distributor for exempt petroleum products that ultimately are not put to an exempt use (for example, number 2 heating oil to be used exclusively for heating purposes is ultimately used as fuel for a motor vehicle), the purchaser is subject to and must pay the petroleum products gross earnings tax on the products.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the seller’s gross earnings from the sale of an exempt petroleum product were not subject to the petroleum products gross earnings tax. The certificate is valid only if taken in good faith by the seller. The good faith of the seller will be questioned if the seller has knowledge of facts that give rise to a reasonable inference that the product sold is not an exempt petroleum product. For example, the seller has knowledge of facts that number 2 heating oil the seller has sold to the purchaser is likely to be used as fuel for a motor vehicle).

The seller must maintain a copy of this certificate and bills or invoices to the purchaser for at least three years from the date of purchase (or, if the certificate is used for a continuing line of exempt purchases, three years from the date of the last purchase). The seller marks the bills, invoices, or records covering all purchases made under this certificate with the words “Exempt Petroleum Products Certificate” or “Exempt under CERT-116” to indicate an exempt purchase has occurred.

If the distributor is making a first sale in this state of petroleum products, some of which are exempt petroleum products and others of which are non-exempt petroleum products, tax is due on the distributor’s gross earnings from the first sale of non-exempt petroleum products. The distributor’s invoice should indicate that the tax applies to the gross earnings from the sale of the non-exempt petroleum products.

Purchases of Tangible Personal Property Incorporated Into or Consumed in Air Pollution Control Facilities

General Purpose: The purchaser uses this certificate to claim exemption from sales and use taxes under Conn. Gen. Stat. §12-412(22). The exemption is for purchases of tangible personal property or supplies acquired for incorporation into or used and consumed in the operation of facilities, the primary purpose of which is the reduction, control, or elimination of air pollution, certified as approved for such purpose by the Commissioner of the Department of Environmental Protection. The Commissioner may certify to a portion of the tangible personal property acquired for incorporation into such facilities to the extent that the portion has as its primary purpose the reduction, control, or elimination of air pollution.

This certificate may also be used to certify that, for purposes of the municipal property tax exemption under Conn. Gen. Stat. §12-81(52), the tangible personal property has been approved for incorporation into or used and consumed in the operation of air pollution abatement facilities. For information on either of these provisions, see **Policy Statement 99(2)**, *Tax Exemptions for Certain Air Pollution Control Equipment*.

Statutory Authority: Conn. Gen. Stat. §§12-412(22) and 12-81(52)

Repeal of the Corporation Business Tax Credit: Effective for income years beginning on or after January 1, 1998, the corporation business tax credit under Conn. Gen. Stat. §12-217c, for certain expenses for air pollution abatement is repealed. Any corporation eligible for this tax credit may carry any remaining tax credit forward as the provisions of this section would have allowed prior to repeal.

Purchases of Items Not Listed in PS 99(2): The purchaser must obtain and attach to this certificate written approval from the Commissioner of the Department of Environmental Protection indicating that an item of tangible personal property is approved for use in an air pollution control facility. For information on how to obtain written approval from the Department of Environmental Protection (DEP), see PS 99(2).

Instructions for the Purchaser: An owner or officer of a business that purchases tangible personal property to be incorporated into or consumed in the operation of facilities, the primary purpose of which is the reduction, control or elimination of air pollution, certified as approved for such purpose by the Commissioner of the Department of Environmental Protection can issue and sign this certificate. To qualify for the exemption from sales and use taxes under Conn. Gen. Stat. §12-412(22), the purchaser must present this certificate to the retailer at the time of purchase of the qualifying tangible personal property.

To obtain the municipal property tax exemption under Conn. Gen. Stat. §12-81(52) which may be available for qualifying structures or equipment, the taxpayer must file a properly completed copy of this certificate with the assessor of the municipality in which the structures or equipment are located after confirming the municipality's procedures for qualifying for the exemption.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale of tangible personal property is not subject to sales and use taxes when the tangible personal property or supplies will be used or consumed in the operation of facilities, the primary purpose of which is the reduction, control, or elimination of air pollution, and is certified as approved for such purpose by the Commissioner of the Department of Environmental Protection.

The certificate is valid only if taken in good faith from a person who is an owner or officer of a business that will use tangible personal property being purchased as provided in Conn. Gen. Stat. §12-412(22). For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser will not use the tangible personal property for air pollution abatement or that the tangible personal property cannot be used for such purpose or that the tangible personal property has not been approved by DEP. Keep this certificate together with proof that the tangible personal property is approved for use or consumption in air pollution abatement, and bills or invoices to the purchaser for at least six period from the date the items were purchased. The bills, invoices, or records covering purchases made under this certificate must be appropriately marked to indicate this is an exempt purchase. The words "Exempt Under CERT-117" satisfy the requirement.

This certificate may be used for individual exempt purchases, in which event the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which event the box marked "Blanket Certificate" must be checked. A blanket certificate remains in effect for a three-year period unless the purchaser revokes it in writing before the period expires.

Purchases of Tangible Personal Property and Services by Qualifying Exempt Organizations

General Purpose: A qualifying exempt organization must issue this certificate to retailers when purchasing items to be used by the organization exclusively for the purposes for which it was established. Under Conn. Gen. Stat. §12-412(8), a **qualifying exempt organization** is either:

- An organization issued an exemption permit by the Department of Revenue Services (DRS) under Conn. Agencies Regs. §12-426-15, if the permit has not been canceled or revoked by DRS; or
- An organization that is exempt from federal income tax under I.R.C. §501(a) and has been issued a determination letter by the U.S. Treasury Department as an organization described in I.R.C. §501(c)(3) or (13), if the determination letter has not been revoked by the Internal Revenue Service (IRS).

A qualifying exempt organization may use this certificate to purchase any tangible personal property for resale at one of five fundraising or social events of a day's duration during any calendar year. The event must be exempt from tax under Conn. Gen. Stat. §12-412(94). Otherwise, exempt organizations are not allowed to purchase tangible personal property for resale with this certificate. See **Special Notice 98(11)**, *Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events*.

Purchases of Meals and Lodging: In general, qualifying exempt organizations may not use this certificate to purchase meals and lodging, but must get preapproval from DRS for these purchases, and use **CERT-112**, *Exempt Purchases of Meals and Lodging by Exempt Entities*, or **CERT-123**, *Blanket Certificate for Exempt Qualifying Purchases of Meals or Lodging by an Exempt Entity*.

However, a qualifying exempt organization may purchase meals tax exempt using this certificate, without prior approval from DRS, when it will resell the meals at one of five fundraising or social events per year exempt under Conn. Gen. Stat. §12-412(94). See **Policy Statement 2003(4)**, *Purchases of Meals or Lodging by Exempt Entities*.

If the purchaser is not a qualifying exempt organization or does not use the property or services purchased exclusively for the purposes for which the organization was established, the purchaser owes use tax on the total purchase price of the property or services.

Statutory Authority: Conn. Gen. Stat. §12-412(8) and (94).

Instructions for the Purchaser: An officer of a qualifying exempt organization must issue and sign this certificate to advise the seller of tangible personal property or taxable services that sales and use taxes do not apply to the purchase. Keep a copy of this certificate, the documents attached, and records that substantiate the information entered on this certificate for at least six years from the date this certificate is issued.

The purchaser must attach to this certificate a copy of the:

- Exemption permit issued to the organization by DRS under Conn. Agencies Regs. §12-426-15; or
- Determination letter or group exemption letter issued by the IRS which establishes that the organization has been determined to be an exempt organization described in I.R.C. §501(c)(3) or (13).

For purchases made on or after January 1, 1996, a qualifying exempt organization covered by a group exemption letter, and that was **not** issued an exemption permit by DRS under Conn. Agencies Regs. §12-426-15, must attach to this certificate a copy of:

- The group exemption letter issued by the IRS to subordinate organizations (including the qualifying exempt organization) on whose behalf a central organization applied for recognition of exemption;
- The organization's written consent to the central organization to be covered by the group exemption letter; **and**
- The central organization's written notification to the IRS that the organization consents to be covered by the group exemption letter.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale and the storage, use, or consumption of the tangible personal property or taxable services are not subject to sales and use taxes. This certificate is valid only if taken in good faith from a qualifying exempt organization. The good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not a qualifying exempt organization.

Keep this certificate, the documents attached, and bills or invoices to the purchaser for at least six years from the date the items or services were purchased. The bills, invoices or records covering the purchase made under this certificate must be marked "Exempt Under CERT-119" to indicate the purchase was exempt.

This certificate may be used for a single exempt purchase, in which case the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which case the box marked "Blanket Certificate" must be checked. A blanket certificate remains in effect for three years unless the purchaser revokes it in writing before the expiration of the three-year period. CERT-119 may not be used as a blanket certificate for purchases of tangible personal property for resale at any one of five fundraising or social events per calendar year exempt under Conn. Gen. Stat. §12-412(94).

An exempt organization must pay for its exempt purchases by a check drawn on its checking account or by a credit card issued in its name (and not in the name of any of its members or officers). An exempt organization may make a purchase of \$10 or less using cash from the organization's own funds. However, a blanket CERT-119 may not be used for a cash purchase, and a properly completed CERT-119, with the appropriate documents attached, must be issued to the retailer at the time of each cash purchase.

Exemption for Landscaping and Horticulture Services, Window Cleaning Services, and Maintenance Services Provided to Recipients of Total Disability Benefits

General Purpose: A person eligible for and currently receiving total disability benefits under Title II of the Social Security Act (42 USC §401 et seq.) uses this certificate to purchase landscaping and horticulture services, window cleaning services, or maintenance services when the services are provided at that person's residence. If the services purchased exempt under this certificate are not provided at the person's residence, the purchaser who claimed the exemption owes use tax on the total price of the services purchased under the exemption.

Statutory Authority: Conn. Gen. Stat. §12-412(85).

Instructions for the Purchaser: A person eligible for and currently receiving total disability benefits under Title II of the Social Security Act signs and issues this certificate to the provider of the services described above to purchase the services to be provided at that person's home.

For this exemption, a *residence* is a place of abode for which the purchaser bears the primary financial responsibility of the upkeep. Therefore, a homeowner or condominium owner may qualify for the exemption. However, the Department of Revenue Services (DRS) will presume a renter or person living with a family member does not qualify unless there is a written agreement stating that the person receiving total disability benefits is responsible for the upkeep of the residence.

In the event of an audit by DRS, the purchaser must be able to present a Third Party Query certificate from the Social Security Administration proving the purchaser was eligible for and receiving total disability benefits at the time the services were purchased.

Keep a copy of this certificate for at least six years from the date the services were purchased.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that the sale and the consumption of landscaping and horticulture services, window cleaning services, or maintenance services are not subject to sales and use taxes. This certificate is valid only if taken in good faith from a person eligible for and receiving total disability benefits under the Social Security Act who is purchasing services to be provided at that person's residence. The good faith of the seller will be questioned if the seller knows of facts that suggest that the person furnishing this certificate is not receiving total disability benefits under the Social Security Act or that the services are to be provided at a location that is not the residence of that person. Keep this certificate and bills or invoices to the purchaser for at least six years from the date on which the services were purchased. The bill, invoices, or records covering all purchases made under this certificate must be marked **Exempt Under CERT-121** to indicate that the purchase was not taxable.

This certificate may be used for a single purchase, in which event the box marked **Certificate for One Purchase Only** must be checked. This certificate may also be used for a continuing line of purchases, in which event the box marked **Blanket Certificate** must be checked. A blanket certificate remains in effect for three years unless the purchaser revokes it in writing before the period expires.

Refund of Tax Paid on Purchases of Meals or Lodging by Exempt Entities

General Purpose: Exempt organizations, qualifying governmental agencies, nonprofit charitable hospitals, nonprofit nursing homes, nonprofit rest homes, and nonprofit residential care homes must use this certificate to request a refund of tax paid on a qualifying exempt purchase of meals or lodging. (Any reference to *tax* in this document includes sales and use taxes and room occupancy tax, as applicable.) These organizations, governmental agencies, hospitals, and homes will be referred to as exempt entities throughout this certificate. Use this certificate **only** if all four of these conditions are met:

1. The retailer directly invoices and charges the exempt entity for the meals or lodging; **and**
2. The exempt entity directly pays the retailer with a check drawn on its own account or with a credit card issued in its own name; **and**
3. The exempt entity is not reimbursed, in whole or in part, by donation or otherwise, for its payment for the meals or lodging by those consuming the meals or lodging; **and**
4. This certificate is filed with the Department of Revenue Services (DRS) within three years from the last day of the month after the period for which the sales tax was paid.

Statutory Authority: Conn. Gen. Stat. §12-412(1)(A), (5), (8), and (94); §12-425.

Credit Card Purchases: If a credit card is used to pay the retailer of meals or lodging, the card must be issued in the name of the exempt entity. The credit card must be used exclusively to make purchases for the use of the exempt entity (not for the convenience of its officers, employees, or members). The credit card charges must be paid by a check drawn on the exempt entity's own checking account.

Nonqualifying Purchases: This certificate may not be used (and tax will not be refunded) on the purchase of meals or lodging not meeting all four conditions above. Nonqualifying purchases include fundraisers where those who attend are charged or are required to make any payment and seminars or conferences where meals or lodging are included in the conference or seminar registration fee except as described below.

An exempt entity may purchase meals tax exempt using **CERT-113**, *Purchases of Tangible Personal Property and Services by a Nonprofit Charitable Hospital, Nonprofit Nursing Home, Nonprofit Rest Home, or Nonprofit Residential Care Home*; **CERT-119**, *Purchases of Tangible Personal Property and Services by Qualifying Exempt Organizations*; or **CERT-134**, *Exempt Purchases by Qualifying Governmental Agencies*; when it will resell the meals at one of five fundraising or social events per year that is exempt from tax under Conn. Gen. Stat. §12-412(94) including meals resold at conferences and seminars. If a qualifying exempt entity pays tax on meals and later resells them at these events, the organization may request a refund from DRS without using CERT-122. See **Special Notice 98(11)**, *Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events*, **Informational Publication 2002(11)**, *Nonprofit Hospitals, Nonprofit Nursing Homes, Nonprofit Rest Homes, and Nonprofit Residential Care Homes* and **Policy Statement 98(5)**, *Sales and Use Tax Refund Policy*.

Government Purchases Not Requiring Preapproval: The federal government has implemented the "GSA SmartPay" program, which uses four categories of credit cards: Fleet, Purchase, Travel, and Integrated cards. Federal employees may purchase meals and lodging tax exempt by using **certain** GSA SmartPay credit cards when the purchases are billed to and paid by the federal government. U.S. government agencies making tax-exempt purchases of meals and lodging using GSA SmartPay cards are not required to get preapproval for these purchases from DRS and are not required to provide the retailer with **CERT-112**, *Exempt Purchases of Meals or Lodging by Exempt Entities*. See **Policy Statement 2000(1.1)**, *Retailer's Acceptance of U.S. Government "GSA SmartPay" Credit Card for Exempt Purchases*.

Who Should File This Certificate: If the exempt entity did not receive prior approval of exemption from DRS, either because it was reimbursed in whole or in part, for certain meals or lodging (although not reimbursed in whole or in part for other meals or lodging) or because it did not submit a properly completed CERT-112 at least three weeks before the event, the exempt entity must pay the tax to the retailer at the time of the purchase of the meals or lodging. It may then request a refund of tax paid on the particular meals or lodging for which it was not reimbursed, in whole or in part, by submitting this certificate to DRS.

Events That Qualify for Refund Only: If the exempt entity will be paying (and will not be reimbursed, in whole or in part) for the meals or lodging of some of the attendees, but will be reimbursed in whole or in part for the meals or lodging of others, a preapproved exemption will **not** be issued. The exempt entity must pay tax on **all** the meals or lodging at the time of purchase. However, if the exempt entity files CERT-122, and DRS approves the certificate, DRS will refund the tax on those meals or lodging paid by the exempt entity and not reimbursed in whole or in part. The exempt entity is not eligible for a refund of the tax paid on meals or lodging for which it received full or partial reimbursement other than for meals sold under the five one-day fundraising events per calendar year exemption. See **Policy Statement 2003(4)**, *Purchases of Meals or Lodging by Exempt Entities*, for more information.

Example 1: B, an exempt organization, sponsors a dinner to honor one of its members. The restaurant charges B \$50 per meal and B sells tickets for \$50 per person. The honoree and members of the immediate family attend as guests of the organization. B must pay sales tax on all meals purchased. It may, however, complete and file CERT-122 to claim a refund of the taxes paid only on meals consumed by the honoree and members of the immediate family.

Example 2: C, an exempt organization, sponsors a retirement dinner to honor one of its employees. The restaurant charges C \$60 per meal. C sells tickets for \$50 per person and pays the \$10 difference to the restaurant from its own funds. C must pay sales tax on the full price of all meals purchased. Because the organization received partial reimbursement for all of the meals, C is not eligible for a refund of any of the tax paid.

Instructions for the Purchaser: An officer of an exempt entity must complete and sign this certificate to request a refund of taxes paid on the qualifying exempt purchase of meals or lodging. If the purchaser is an exempt organization, it must attach **either** a copy of its I.R.C. §501(c)(3) or (13) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-122. If the purchaser is a qualifying governmental agency, no attachment is required. If the purchaser is a nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home, it must attach a copy of a valid and active license issued by the Department of Public Health under Chapter 368v of the Connecticut General Statutes and either a copy of its I.R.C. §501(c)(3) or (4) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-122. If DRS concludes a qualifying exempt purchase was made, the tax paid will be refunded to the purchaser. Keep a copy of this certificate and records that substantiate the information entered on this certificate for at least six years from the date it was issued. The following items must be included with CERT-122:

1. A copy of an itemized bill directly invoicing and charging the exempt entity for the meals or lodging. The bill must separately state the amount of sales tax charged on meals and lodging; **and either**
2. A copy of the cancelled check(s) (front and back), including the initial deposit, drawn on the exempt entity's checking account, directly paying for the meals or lodging; **or**

Declaration by Exempt Entity

I declare that the exempt organization, qualifying governmental agency, nonprofit charitable hospital, nonprofit nursing home, nonprofit rest home, or nonprofit residential care home:

- Was directly invoiced and charged by the retailer;
- Directly paid the retailer with a check drawn on its own account or with a credit card issued in its own name; **and**

I also declare that any exemption permit noted on this certificate, any determination letter or group exemption letter (as the case may be), and license issued by the Department of Public Health, if applicable, attached to this certificate, has not been canceled or revoked. I declare under penalty of law that I have examined this document (including any accompanying schedules and statements) and, to the best of my knowledge and belief, it is true, complete, and correct. I understand the penalty for willfully delivering a false return or document to DRS is a fine of not more than \$5,000, or imprisonment for not more than five years, or both. Blanket Certificate for Exempt Qualifying Purchases of Meals or Lodging by an Exempt Organization or Qualifying Governmental Agency

General Purpose: Exempt organizations or qualifying governmental agencies should use this certificate to establish that their purchases of meals or lodging are exempt from sales and use taxes. This certificate may be used **only** if these four conditions are met:

1. The retailer directly invoices and charges the exempt organization or qualifying governmental agency for the meals or lodging;
2. The exempt organization or qualifying governmental agency directly pays the retailer with a check drawn on its own account or with a credit card issued in its own name;
3. The exempt organization or qualifying governmental agency is not reimbursed, in whole or in part, by donation or otherwise, for its payment for the meals or lodging by those consuming the meals or lodging; **and**
4. The purchase of the meals or lodging occurs before the expiration date specified on the blanket certificate.

Statutory Authority: Conn. Gen. Stat. §12-412(1)(A), (8) and (94).

Credit Card Purchases: If a credit card is used to pay the retailer of meals or lodging, the card must be issued in the name of the exempt organization or qualifying governmental agency. The credit card must be used exclusively to make purchases for the use of the exempt organization or qualifying governmental agency (not for the convenience of its officers, employees or members). The credit card charges must be paid by a check drawn on the organization's or agency's own checking account.

Nonqualifying Purchases: This certificate may not be used (and tax must be paid) on the purchase of meals or lodging not meeting all four of the conditions above. Nonqualifying purchases include fund raisers where those who attend are charged or are required to make any payment and seminars or conferences where meals or lodging are provided at no extra charge to those paying the conference or seminar registration fee.

However, a qualifying exempt organization may purchase meals exempt from tax using **CERT-119, Purchases of Tangible Personal Property and Services by Qualifying Exempt Organizations**, or **CERT-134, Exempt Purchases by Qualifying Governmental Agencies**, and does not have to get prior approval from the Department of Revenue Services (DRS), when the organization will resell the meals at one of five fundraising or social events per year that is exempt from tax under Conn. Gen. Stat. §12-412(94). See **Special Notice 98(11), Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fundraising or Social Events**.

Purchases Not Requiring Preapproval: The federal government recently implemented the "GSA SmartPay" program, which uses four categories of credit cards: Fleet, Purchase, Travel, and Integrated cards. Federal employees may purchase meals and lodging tax exempt by using **certain** GSA SmartPay cards when the purchases are billed to and paid by the federal government. U.S. government agencies making tax-exempt purchases of meals and lodging using GSA SmartPay cards are not required to get preapproval for these purchases from DRS and are not required to provide the retailer with **CERT-112, Exempt Purchases of Meals or Lodging by Exempt Entities**. See **Policy Statement 2000(1.1), Retailer's Acceptance of U.S. Government "GSA SmartPay" Credit Card for Exempt Purchases**.

Instructions for the Purchaser: An officer of an exempt organization or qualifying governmental agency must complete and sign this certificate and submit it to DRS for qualifying exempt purchases of meals or lodging during a one year period. If the purchaser is an exempt organization, it must attach **either** a copy of its I.R.C. §501(c)(3) or (13) determination letter issued by the U.S. Treasury Department **or**, if it was issued an exemption permit by DRS, enter its exemption permit number on CERT-123. If the purchaser is a

qualifying governmental agency, no attachment is required. If DRS concludes that qualifying exempt purchases are being made, the certificate, with DRS official approval noted, will be returned to the exempt organization or qualifying governmental agency. The exempt organization or qualifying governmental agency must then provide the approved CERT-123 to the retailer of meals or lodging. Keep a copy of this certificate, documents attached, and records that substantiate the information on this certificate for at least six years from the date it is issued.

Events That Qualify for Refund Only: If the exempt organization or qualifying governmental agency will be paying (and will not be reimbursed, in whole or in part) for the meals or lodging of some of the attendees but will be reimbursed in whole or in part for the meals or lodging of others, a preapproved exemption will **not** be issued. The exempt organization or qualifying governmental agency must pay tax on **all** the meals or lodging at the time of the purchase. However, DRS will refund the tax on those meals or lodging that were paid for by the exempt organization or qualifying governmental agency for which it was not reimbursed. The exempt organization or qualifying governmental agency must file, and DRS must approve, **CERT-122, Refund of Sales Tax Paid on Purchases of Meals or Lodging by Exempt Entities**. The exempt organization or qualifying governmental agency is not eligible for refund of tax paid on those meals or lodging for which it received full or partial reimbursement. See **Policy Statement 2003(4), Purchases of Meals or Lodging by Exempt Entities**, for additional information.

Example 1: B, an exempt organization, sponsors a dinner at a restaurant to honor one of its members. The restaurant charges B \$50 per meal and B sells tickets for \$50 per person. The honoree and members of the immediate family attend as guests of the exempt organization. B must pay sales tax on all meals purchased. It may, however, complete and file CERT-122 to claim a refund of the taxes paid only on meals consumed by the honoree and members of the immediate family.

Example 2: C, an exempt organization, sponsors a retirement dinner at a restaurant to honor one of its employees. The restaurant charges C \$60 per meal. C sells tickets for \$50 per person and pays the \$10 difference to the restaurant from its own funds. C must pay sales tax on the full price of all meals purchased. Because the organization received partial reimbursement for all of the meals, C is not eligible for a refund of any of the tax paid.

Instructions for Retailer of Meals or Lodging: Accept this certificate only if you directly invoice and charge the exempt organization or qualifying governmental agency for the meals or lodging. Accept the certificate only if you are directly paid by the exempt organization or qualifying governmental agency with a check drawn on the exempt organization's or qualifying governmental agency's own checking account or with a credit card issued in the organization's or agency's name (not in the name of one of its members, employees or officers). Cash payments will not satisfy this condition, regardless of the cost of the meals or lodging.

Acceptance of this certificate, when properly completed and with DRS official approval noted, relieves the retailer from the burden of proving the sale of meals or lodging is not subject to sales and use taxes. This certificate is valid only if taken in good faith from an exempt organization or qualifying governmental agency.

Keep a copy of this certificate, the attached documents, and bills or invoices to the purchaser for at least six years from the date the meals or lodging were purchased. The bills, invoices or records covering the purchase made under this certificate must be marked "Exempt Under CERT-123" to indicate an exempt purchase has occurred.

Purchases of Tangible Personal Property Incorporated Into or Consumed in Water Pollution Control Facilities

General Purpose: The purchaser uses this certificate to claim exemption from sales and use taxes under Conn. Gen. Stat. §12-412(21). The exemption is for purchases of tangible personal property acquired for incorporation into or used and consumed in the operation of facilities for the treatment of industrial waste before the discharge of industrial waste into any waters of the state or into any sewerage system emptying into the waters, the primary purpose of which is the reduction, control, or elimination of water pollution, certified as approved for the purpose by the Commissioner of the Department of Environmental Protection. The Commissioner may certify to a portion of the tangible personal property acquired for incorporation into the facilities to the extent that the portion has as its primary purpose the reduction, control, or elimination of water pollution.

This certificate may also be used to certify that for purposes of the municipal property tax exemption under Conn. Gen. Stat. §12-81(51), the tangible personal property has been approved for incorporation into or used and consumed in the operation of water pollution abatement facilities. For information on either of these provisions, see **Policy Statement 99(3)**, *Tax Exemptions for Certain Water Pollution Control Equipment*.

Statutory Authority: Conn. Gen. Stat. §§12-412(21) and 12-81(51)

Repeal of the Corporation Business Tax Credit: Effective for income years beginning on or after January 1, 1998, the corporation business tax credit under Conn. Gen. Stat. §12-217d for certain expenses for treating industrial waste is repealed. Any corporation eligible for this tax credit may carry any remaining tax credit forward as the provisions of this section would have allowed prior to repeal.

Purchases of Items Not Listed in PS 99(3): The purchaser must obtain and attach to this certificate written approval from the Commissioner of the Department of Environmental Protection indicating that an item of tangible personal property is approved for use in a water pollution control facility. For information on how to obtain written approval from the Department of Environmental Protection (DEP), see **PS 99(3)**.

Instructions for the Purchaser: An owner or officer of a business that purchases tangible personal property to be incorporated into or consumed in the operation of facilities for the treatment of industrial waste before the discharge of industrial waste into any waters of the state or into any sewerage system emptying into the waters, the primary purpose of which is the reduction, control, or elimination of water pollution, certified as approved for such purpose by the Commissioner of the Department of Environmental Protection issues and signs this certificate. To qualify for the exemption from sales and use taxes under Conn. Gen. Stat. §12-412(21), the purchaser must present this certificate to the retailer at the time of purchase of the qualifying tangible personal property.

To obtain the municipal property tax exemption under Conn. Gen. Stat. §12-81(51) which may be available for qualifying structures or equipment, the taxpayer must file a properly completed copy of this certificate with the assessor of the municipality in which the structures or equipment are located after confirming that municipality's procedures for qualifying for the exemption.

Instructions for the Seller: Acceptance of this certificate, when properly completed, shall relieve the seller from the burden of proving the sale of tangible personal property is not subject to sales and use taxes when the tangible personal property will be used or consumed in the operation of facilities for the treatment of industrial waste before the discharge of industrial waste into any waters of the state or into any sewerage system emptying into any waters, the primary purpose of which is the reduction, control, or elimination of water pollution, and is certified as approved for the purpose by the Commissioner of the Department of Environmental Protection.

The certificate is valid only if taken in good faith from a person who is an owner or officer of a business that will use tangible personal property being purchased as provided in Conn. Gen. Stat. §12-412(21). For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser will not use the tangible personal property for water pollution abatement or that the tangible personal property cannot be used for that purpose, or that the tangible personal property has not been approved by DEP. This certificate together with proof that the tangible personal property is approved for use or consumption in water pollution abatement, and bills or invoices to the purchaser, must be maintained by the seller for at least six years from the date on which the items were purchased. The bills, invoices, or records covering purchases made under this certificate must be appropriately marked to indicate an exempt purchase has occurred. The words "Exempt Under CERT-124" satisfy the requirement.

This certificate may be used for individual exempt purchases, in which event the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which event the box marked "Blanket Certificate" must be checked. A blanket certificate remains in effect for three years unless the purchaser revokes it in writing before the period expires.

Sales and Use Tax Exemption for a Motor Vehicle Purchased by a Nonresident of Connecticut

Part I Instructions

Conn. Gen. Stat. §12-412(60) exempts from sales and use taxes the sale of any motor vehicle in this state:

- When the purchaser of the motor vehicle is not a resident of this state and does not maintain a permanent place of abode in this state; **and**
- The motor vehicle is not presented, or is not required to be presented, for registration with the Department of Motor Vehicles (DMV) in this state.

General Purpose: A nonresident purchaser should use this certificate in connection with the purchase of a motor vehicle exempt from sales and use taxes from a licensed Connecticut motor vehicle dealer (retailer) when the vehicle will not be presented, or is not required to be presented, for any form of registration in Connecticut except to obtain an in-transit plate.

This certificate is not valid unless it is wholly and correctly completed and acknowledged. Any misrepresentation will result in the imposition of use tax liability and statutory interest and penalties on the purchaser or sales tax liability and statutory interest and penalties on the retailer. The information in this certificate will be furnished to other states and is subject to verification by the State of Connecticut. If the purchaser is a corporation, an officer or authorized representative must sign the Purchaser's Declaration.

Instructions for the Purchaser: Use this certificate only if you do not maintain a permanent place of abode in Connecticut and will not present, or are not required to present, the motor vehicle for any form of registration in Connecticut except to obtain an in-transit plate.

Do **not** use this form if you maintain a permanent place of abode in Connecticut. A **permanent place of abode** is a dwelling place permanently maintained by an individual, whether or not owned by, rented, or leased to the individual and generally includes a dwelling place owned by or leased to his or her spouse. Generally, a barracks, motel room, or any construction that does not contain facilities ordinarily found in a dwelling, such as facilities for cooking, bathing, etc., are not deemed a permanent place of abode. Also, a place of abode is not deemed permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

A corporation, partnership, limited liability company, or other business entity may qualify for this exemption only if:

- The entity maintains no Connecticut situs and owns no fixed assets located in this state;
- No partner, officer, or member of the entity or its affiliates, and no operator or user of the motor vehicle with an ownership interest in the entity or its affiliates, is a resident of Connecticut or is a nonresident that maintains a permanent place of abode in Connecticut; **and**
- The motor vehicle is not presented, or is not required to be presented, for registration with DMV.

Instructions for the Retailer: You **must** keep a copy of the certificate and a bill or invoice for at least six years from the date the item is purchased. The certificate is valid only if taken in good faith from a person who does not maintain a permanent place of abode in this state or a business entity that meets the requirements stated above and will not present, or is not required to present, this motor vehicle for any form of registration in Connecticut except to obtain an in-transit plate. The good faith of the retailer will be questioned if the retailer knows or has knowledge of facts that give rise to a reasonable inference that the purchaser is a resident of Connecticut, maintains a permanent place of abode here, intends to present, or is required to present, the motor vehicle for registration with DMV in this state except to obtain an in-transit plate. The bill, purchase invoice, or records covering the purchase made under this certificate must be appropriately marked to indicate that an exempt purchase has occurred. The words "Exempt under CERT-125" satisfy this requirement.

For More Information: See **Informational Publication 2004(27), Q & A on Purchases of Motor Vehicles by Nonresidents**. Call Taxpayer Services at 1-800-382-9463 (in-state) or 860-297-5962 (from anywhere). **TTY, TDD, and Text Telephone users only** may transmit inquiries anytime by calling 860-297-4911.

Exempt Purchases of Tangible Personal Property or Services for Low and Moderate Income Housing Facilities

General Purpose: Sponsors, owners, or operators of low and moderate income housing facilities, as well as contractors for the construction, renovation, repair, maintenance, or operation of these facilities, should use this certificate to purchase tangible personal property or services to be incorporated into or to be used and consumed exclusively in the operation of the facilities. The tangible personal property may be materials that will be physically incorporated into a construction project or supplies or equipment that will be used and consumed in the operation of the facility after its construction. The services may be renovation, repair, maintenance, janitorial, landscaping, or other services.

If the tangible personal property or services are not used in the manner described above, a purchaser who claimed an exemption owes use tax on the total price of the property.

Statutory Authority: Conn. Gen. Stat. §12-412(29).

Instructions for the Purchaser: Use this certificate for purchases of tangible personal property or services to be incorporated into or used and consumed exclusively in the operation of a low and moderate income housing facility. To qualify for the exemption from sales and use taxes afforded by Conn. Gen. Stat. §12-412(29), you must present this certificate to the retailer at the time of the purchase of the qualifying tangible personal property or services together with a signed and dated copy of the Facility Approval Letter from the Department of Revenue Services (DRS) identifying the low and moderate income housing facility named in this certificate and acknowledging that the facility is entitled to the exemption. Keep a copy of this certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving that tangible personal property or services are not subject to sales and use taxes when the tangible personal property or services will be incorporated into or used and consumed exclusively in the operation of a low and moderate income housing facility. The certificate is valid only if taken in good faith from a sponsor, owner, or operator of a low and moderate income housing facility, as described in Conn. Gen. Stat. §12-412(29), or from a contractor under contract with a sponsor, owner, or operator of the facility. Attach a signed and dated copy of the Facility Approval Letter from DRS identifying the low and moderate income housing facility named in the certificate and acknowledging that the facility is entitled to the exemption. The good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser does not intend to use the property or services in connection with the low and moderate income housing facility identified in the Facility Approval Letter, or that the purchaser is not the sponsor, owner, or operator of the facility, or a contractor under contract with the sponsor, owner, or operator. Keep this certificate and bills or invoices to the purchaser for at least six years from the date of purchase. The bills, invoices, or records covering the purchase made under this certificate must be marked to indicate an exempt purchase was made. The words “Exempt under CERT-126” satisfy the requirement.

This certificate may be used for individual purchases, in which case the box marked “Certificate for One Purchase Only” must be checked. This certificate may also be used for a continuing line of exempt purchases, in which case the box marked “Blanket Certificate” must be checked. A blanket certificate remains in effect for three years unless the purchaser revokes it in writing before the period expires.

Exempt Purchases by an Enrolled Member or by the Tribal Government of the Mashantucket Pequot Tribe or Mohegan Tribe

General Purpose: An enrolled member or an agent of the Mashantucket Pequot Tribe or Mohegan Tribe uses this certificate for purchases or rentals of tangible personal property or purchases of services in Indian country of the tribe.

The purchaser who claims this exemption will owe use tax on the total purchase price of the tangible personal property or services if, at the time of purchase, the purchaser does not intend to use the tangible personal property or services exclusively in Indian country of the tribe and subsequently uses the tangible personal property or services outside of Indian country of the tribe.

Statutory Authority: Conn. Gen. Stat. §§12-407(a)(6), 12-408c, and 12-412(2).

Instructions for the Purchaser: An enrolled member or an agent of the Mashantucket Pequot Tribe or Mohegan Tribe signs and issues this certificate for purchases or rentals of tangible personal property or purchases of services in Indian country of the tribe with which the purchaser is affiliated.

Tangible personal property

- Sales and purchases of tangible personal property take place in Indian country of the tribe if title to the property passes to the purchaser in Indian country of the tribe.
- Rentals of tangible personal property take place in Indian country of the tribe if delivery of the property occurs in Indian country of the tribe.

Purchases or rentals of tangible personal property **are not exempt**, and sales and use taxes apply to the purchases, where title to the property or delivery of the rented property is taken by the purchaser outside of Indian country of the tribe even if the purchaser immediately transports the property into Indian country of the tribe.

Under the Buy Connecticut provision described in Conn. Gen. Stat. §12-408c, a business may apply to the Department of Revenue Services (DRS) for a refund of sales and use taxes paid on tangible personal property purchased from a Connecticut retailer when those goods will be:

- Shipped outside of Connecticut by common or contract carrier for exclusive use outside of Connecticut; or
- Incorporated into other property to be shipped outside of Connecticut for exclusive use outside of Connecticut.

The Buy Connecticut provision also allows the Commissioner of Revenue Services to issue permits that enable qualified purchasers to purchase property without payment of sales and use taxes. DRS considers Indian country of the tribe to be outside of Connecticut for purposes of the Buy Connecticut provision. (See **Special Notice 2001(5)**, *The “Buy Connecticut” Provision*.)

In addition, Conn. Gen. Stat. §12-407(6) excludes from use tax the exercise of any right or power over tangible personal property shipped or brought into Connecticut for the purpose of subsequently transporting it outside the state for use solely outside Connecticut, or to be processed, fabricated, or manufactured into, attached to, or incorporated into other tangible personal property to be transported and used solely outside Connecticut.

Services

The sale, storage, use, or other consumption of a service occurs where the benefit of the service is realized in accordance with Chapter 219 of the Connecticut General Statutes and related regulations. For example, certain

services, such as business management services, rendered for the benefit of a tribal business operating exclusively in Indian country of the tribe are realized in Indian country of the tribe even if the services are performed by a service provider located outside Indian country of the tribe. Services to real property, such as services to industrial, commercial, or income producing real property, are considered to be realized where the real property is located. Services to tangible personal property, such as repairs to motor vehicles or appliances, are also generally considered to occur at the location where the services are rendered. Purchasers of services should inquire with the DRS if they are uncertain of the taxability of the service.

Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale, storage, use, or other consumption of tangible personal property or services is not subject to sales and use taxes. The certificate is valid only if taken in good faith from an enrolled member or an agent of the Mashantucket Pequot Tribe or Mohegan Tribe for sales where:

- Title to the tangible personal property passes to the purchaser in Indian country of the tribe (unless a Buy Connecticut permit is provided);
- The delivery of rented tangible personal property takes place in Indian country of the tribe; **or**
- The benefit of the service is realized in Indian country of the tribe under Connecticut law.

The good faith of the seller will be questioned if the seller knows of facts that suggest:

- Title to the property will not pass in Indian country of the tribe;
- Delivery of rented property will not take place in Indian country of the tribe;
- The benefit of the services rendered will be realized outside Indian country of the tribe;
- The purchaser does not intend to use the tangible personal property exclusively in Indian country of the tribe; **or**
- The purchaser is not an enrolled member or agent of the tribal government.

Sellers of services should inquire with DRS if they are uncertain of the taxability of the service being sold.

Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words “Exempt under CERT-127” satisfy the requirement.

This certificate may be issued annually as a blanket certificate for a line of continuing purchases.

For More Information: Call Taxpayer Services at 1-800-382-9463 (in-state) or 860-297-5962 (from anywhere). **TTY, TDD, and Text Telephone users** only may transmit inquiries anytime by calling 860-297-4911. Preview and download forms and publications from the DRS Web site at www.ct.gov/DRS

If, however, the tangible personal property purchased or rented under this certificate is intended to be used outside of Indian country of the tribe or the benefit of services purchased under this certificate will be realized outside of Indian country of the tribe, I acknowledge that the enrolled member or tribal government will be liable for Connecticut use tax on the total purchase price of the tangible personal property or services if and when the tangible personal property is actually used or the benefit of the services are realized outside Indian country of the tribe.

Exempt Purchases by Contractors in Connection With Construction Projects in Indian Country of the Mashantucket Pequot or Mohegan Tribes

General Purpose: A construction contractor uses this certificate to purchase or rent tangible personal property for use exclusively in connection with construction projects performed for the Mashantucket Pequot Tribe or Mohegan Tribe or their enrolled members in Indian country of those tribes.

The tangible personal property may consist of materials and supplies to be physically incorporated into the construction project or equipment purchased or rented by the contractor to be used in Indian country of those tribes in fulfilling the contract if:

- The equipment is used exclusively and permanently in Indian country of the tribes; **and**
- The entire cost of the purchase is passed on to the tribe or an enrolled member of the tribe.

The exemption applies **only** when title to tangible personal property passes to the contractor or delivery of rented property is taken by the contractor in Indian country of the tribe.

Statutory Authority: Conn. Gen. Stat. §§12-407(a)(6), 12-408c, and 12-412(2).

Instructions for the Purchaser: A construction contractor signs and issues this certificate for purchases or rentals of tangible personal property used in connection with a construction contract performed for the Mashantucket Pequot Tribe or Mohegan Tribe or an enrolled member of the tribe in Indian country of the tribe when:

- Title to the property passes or the delivery of the rented property is taken in Indian country of the tribe (unless a Buy Connecticut permit is provided);
- The entire cost of the purchase or rental of the property is passed on to the tribe or an enrolled member of the tribe; **and**
- The equipment will be used exclusively and permanently (or for the entire rental period in the case of rented property) in Indian country of the tribe.

Purchases or rentals of tangible personal property **are not exempt**, and sales and use taxes apply to the purchases by a construction contractor, where title to the property or delivery of the rented property is taken by the purchaser outside of Indian country of the tribe even if the purchaser immediately transports the property to Indian country of the tribe.

However, under the Buy Connecticut provision as described in Conn. Gen. Stat. §12-408c, a business may apply to the Department of Revenue Services (DRS) for a refund of sales and use taxes paid on tangible personal property purchased from a Connecticut retailer when those goods will be:

- Shipped outside of Connecticut by common or contract carrier for exclusive use outside of Connecticut; **or**
- Incorporated into other property to be shipped outside of Connecticut for exclusive use outside of Connecticut.

The Buy Connecticut provision also allows the Commissioner of Revenue Services to issue permits that enable qualified purchasers to purchase property without payment of sales and use taxes. DRS considers Indian country to be outside of Connecticut for purposes of the Buy Connecticut

provision. (See **Special Notice 2001(5)**, *The “Buy Connecticut” Provision*.)

In addition, Conn. Gen. Stat. §12-407(6) excludes from use tax the exercise of any right or power over tangible personal property shipped or brought into Connecticut for the purpose of subsequently transporting it outside the state for use solely outside Connecticut, or to be processed, fabricated, or manufactured into, attached to, or incorporated into other tangible personal property to be transported, and used solely, outside Connecticut (such as into Indian country).

If title to property or delivery of rented property is taken outside of Indian country of the tribe and the purchaser intends to use the property outside of Indian country of the tribe and subsequently uses it outside of Indian country of the tribe, or if the entire cost of the purchase or rental is not passed on to the tribe or an enrolled member of the tribe, the purchaser is liable for use tax on the purchase price of the property.

Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date it is issued.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale, storage, use, or other consumption of tangible personal property is not subject to sales and use taxes. The certificate is valid only if taken in good faith from a contractor for sales or rentals of property that take place in Indian country of the tribe in connection with a construction contract that will be performed for the Mashantucket Pequot Tribe or Mohegan Tribe or an enrolled member of the tribe in Indian country of the tribe. Sales of property take place at the location where title to the property passes or where the rented property is delivered. The good faith of the seller will be questioned if the seller knows of facts that suggest:

- Title to the property does not pass or the delivery of rented property does not take place in Indian country of the tribe (unless a Buy Connecticut permit is provided);
- The purchaser does not intend to use the property, permanently and exclusively in Indian country of the tribe, in connection with a construction contract for the tribe or their enrolled members in Indian country of the tribe; **or**
- The entire cost of the purchase will not be passed on to the tribe or one of its enrolled members.

Keep this certificate and bills or invoices to the purchaser for at least six years from the date of the purchase. The bills, invoices, or records covering all purchases made under this certificate must be marked to indicate this was an exempt purchase. The words “Exempt under CERT-128” satisfy the requirement.

This certificate may be issued annually as a blanket certificate for a line of continuing purchases.

Exempt Purchases by Qualifying Governmental Agencies

General Purpose: Qualifying governmental agencies must issue this certificate to retailers when purchasing tangible personal property or enumerated services. For purposes of this certificate, qualifying governmental agencies include:

- The United States and its agencies;
- The State of Connecticut or its political subdivisions or their agencies;
- Certain other entities exempt under Connecticut law;
- Any entity that Connecticut is prohibited from taxing under the constitution or laws of the United States; and
- Persons acting as agents for any of these entities.

A qualifying governmental agency may use this certificate to purchase any tangible personal property for resale at any of one five fundraising or social events of a day's duration during any calendar year. The event must be exempt from tax under Conn. Gen. Stat. §12-412(94). Otherwise, governmental agencies are not allowed to purchase tangible personal property for resale with this certificate. See **Special Notice 98(11)**, *Exemption From Sales and Use Taxes of Sales by Nonprofit Organizations at Fund-raising or Social Events*.

Statutory Authority: Conn. Gen. Stat. §12-412(1)(A) and §12-412(2)

Instructions for the Purchaser: An authorized person acting on behalf of a qualifying governmental agency must issue and sign this certificate to advise the seller of tangible personal property or taxable services that sales and use taxes do not apply to the purchase. The purchases must be made by the qualifying governmental agency using the agency's own funds.

Purchases made by individual employees who will be reimbursed by a qualifying governmental agency **do not** qualify for exemption under any circumstances, even if the purchases are made in the employee's official capacity.

If a purchaser other than an agency of the U.S. or the State of Connecticut, not named on the reverse of this certificate, is expressly exempted from state sales and use taxes by a federal or Connecticut statute, the purchaser must identify the exempting statute on the reverse of this certificate. If a purchaser is not expressly exempted by a federal statute, but believes it is exempt by reason of federal law, it must request a letter from DRS (see address above) acknowledging the exempt status, and attach a copy of the letter to this certificate.

Purchases of Meals and Lodging: In general, qualifying governmental agencies may **not** use this certificate to purchase meals and lodging, but must get preapproval from DRS for these purchases, and use **CERT-112**, *Exempt Purchase of Meals and Lodging by Exempt Entities*, or **CERT-123**, *Blanket Certificate for Exempt Qualifying Purchases of Meals or Lodging by an Exempt Entity*.

However, a qualifying governmental agency may purchase meals tax exempt using this certificate, without prior approval from DRS, when it will resell the meals at one of five fundraising or social events per year exempt under Conn. Gen. Stat. §12-412(94). See **Policy Statement 2003(4)**, *Purchases of Meals or Lodging by Exempt Entities*.

Federal Government Purchases Not Requiring This Certificate: The federal government has implemented the "GSA SmartPay" program, which uses four categories of cards: Fleet, Purchase, Travel, and Integrated Cards. Federal employees may purchase tangible personal property and services, including meals and lodging, tax exempt when using GSA SmartPay cards, if the purchases are billed to and paid by the federal government. U.S. government agencies making tax-exempt purchases using GSA SmartPay cards are not required to use any DRS certificates or to get preapproval for purchases. Some GSA SmartPay purchases do **not** qualify for exemption. See **Policy**

Statement 2000(1.1), *Retailer's Acceptance of U.S. Government "GSA SmartPay" Credit Card for Exempt Purchases*.

Instructions for Agents Making Purchases for Qualifying Governmental Agencies: A person acting as the agent of a qualifying governmental agency making purchases of tangible personal property or enumerated services must issue this certificate to notify the seller sales and use taxes do not apply to the charges for the purchases.

The agent must:

- Complete and sign this certificate **as the purchaser**;
- Attach a copy of the document from the qualifying governmental agency that expressly designates the person as the agent for purchasing the types of goods or services being purchased; and
- Claim an exemption only on purchases of goods or services used exclusively by the qualifying governmental agency.

Keep a copy of this certificate, the documents attached, and records that substantiate the information entered on this certificate for at least six years from the date this certificate is issued.

Instructions for the Seller: Acceptance of this certificate, when properly completed and accompanied by any other required documents, relieves the seller from the burden of proving the sale and the storage, use, or consumption of the tangible personal property or taxable services are not subject to sales and use taxes. This certificate is valid only if taken in good faith from a person who is authorized to furnish it to the seller on behalf of a qualifying governmental agency. The good faith of the seller will be questioned if the seller has knowledge of facts that give rise to a reasonable inference the purchaser is not a qualifying governmental agency or an agent of a qualifying governmental agency or the items purchased will not be used exclusively by or on behalf of the qualifying governmental agency.

Keep this certificate, the documents attached, and bills or invoices to the purchaser for at least six years from the date the items or services were purchased. The bills, invoices, or records covering the purchase made under this certificate must be marked "Exempt Under CERT-134" to indicate an exempt purchase has occurred.

This certificate may be used for a single exempt purchase, in which case the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of exempt purchases, in which case the box marked "Blanket Certificate" must be checked. It remains in effect for three years unless the purchaser revokes it in writing before the three-year period expires. CERT-134 may not be used as a blanket certificate for purchases of tangible personal property for resale at any one of five fundraising or social events per calendar year exempt under Conn. Gen. Stat. §12-412(94).

A qualifying governmental agency must pay for its exempt purchases with a check drawn on its own account or with a credit card issued in its own name (and not in the name of any of its members or officers). An exempt purchase of \$10 or less may be made using cash, as long as the purchase is made with the qualifying governmental agency's own funds, except a blanket certificate may not be used for cash purchases.

Reduced Sales and Use Tax Rate for Motor Vehicles Purchased by Nonresident Military Personnel and Their Spouses

Part I Instructions

General Purpose: A nonresident purchaser who is a member of the armed forces of the United States on full-time active duty in Connecticut, or the purchaser and the purchaser's spouse, should use this certificate in connection with the purchase of a motor vehicle from a licensed Connecticut motor vehicle dealer at the reduced rate of 4.5%. A purchase includes a lease of a motor vehicle. Whenever the term *purchase* is used, this includes a lease agreement.

This certificate is not valid unless it is wholly and correctly completed and acknowledged. Any misrepresentation will result in the imposition of use tax liability and statutory interest and penalties on the member of the armed forces or the member's spouse, or sales tax liability and statutory interest and penalties on the retailer. A member of the armed forces who purchases a vehicle from an out-of-state retailer must complete all parts of this certificate other than the declaration of the retailer and submit this certificate to the Department of Motor Vehicles if the vehicle is to be registered in this state.

Statutory Authority: Conn. Gen. Stat. §12-408(1)(B)

Instructions for the Purchaser: You must provide the motor vehicle dealer with the following documents to prove you have met the requirements to purchase a motor vehicle at the 4.5% sales and use tax rate:

- Military enlistment papers or a signed letter from a commanding officer on military letterhead. The letter must include the name and address of the member and must contain a statement that the member is on full-time active duty at a duty station in Connecticut;
- A copy of the last *Leave and Earnings Statement* issued showing the member's state of residence or home of record.

You can also use a copy of the most recent personal income tax return filed with your state of residence and a copy of a motor vehicle operator's license issued by your state of residence to substantiate permanent residency in another state.

Joint Purchases by the Member and the Member's Spouse: A member of the armed forces and the spouse of the member must also provide the motor vehicle dealer with one of the following documents to jointly purchase a motor vehicle at the 4.5% rate:

- A copy of their marriage certificate; **or**
- A copy of their most recent federal income tax return filed with the Internal Revenue Service showing the box checked under filing status as married filing joint return or married filing separate return.

Instructions for the Retailer: You **must** file this form with **Form OS-114, Sales and Use Tax Return**, for the period in which the sale is reported. Keep a copy for your records and provide a copy of the executed certificate to the purchaser. Keep copies of the certificate, all documents accompanying the certificate, and the bill or invoice for at least six years from the date the motor vehicle was purchased. The certificate is valid only if taken in good faith from a nonresident member of the armed forces on full-time active duty in Connecticut or jointly from the member and the member's spouse.

The good faith of the retailer will be questioned if the retailer knows or has knowledge of facts that suggest the purchaser is a resident of Connecticut or is not a member of the armed forces on full-time active duty in Connecticut. The bill, purchase invoice, or records covering the purchase made under this certificate must be appropriately marked to indicate a purchase at the 4.5% sales and use tax rate has occurred. The words "Purchased under CERT-135" satisfy this requirement.

Purchases of Items by Eleemosynary Organizations and Schools That Will Be Resold Tax-Exempt for \$20 or Less

General Purpose: Connecticut eleemosynary organizations formed to sponsor and support youth activities and accredited elementary or secondary schools may sell items tax-exempt for \$20 or less when the sales are made for purposes of these youth activities or schools or organized activities of students enrolled in the school. This certificate may only be used by Connecticut eleemosynary organizations and schools **not** registered with the Department of Revenue Services (DRS) as retailers for the sole purpose of purchasing items intended to be resold tax-exempt for \$20 or less. See **Policy Statement 2002(3)**, *Sales and Use Tax Exemptions for Sales by Eleemosynary Organizations and Elementary and Secondary Schools*, for more information.

Statutory Authority: Conn. Gen. Stat. §12-412(26).

Instructions for the Purchaser: An officer of a qualifying eleemosynary organization formed to sponsor and support youth activities or an authorized person acting on behalf of an accredited elementary or secondary school must sign and issue this certificate to advise the seller of tangible personal property or taxable services that sales and use taxes do not apply to the purchase because the items being purchased are intended to be resold tax-exempt for \$20 or less under Conn. Gen. Stat. §12-412(26). Keep a copy of the certificate and records that substantiate the information entered on this certificate for at least six years from the date this certificate is issued.

Instructions for the Seller: Acceptance of this certificate, when properly completed, relieves the seller from the burden of proving the sale and storage, use, or other consumption, of the tangible personal property or taxable services are not subject to sales and use taxes. The certificate is valid only if taken in good faith from a qualifying eleemosynary organization formed to sponsor and support youth activities or an accredited elementary or secondary school. For example, the good faith of the seller will be questioned if the seller knows of facts that suggest the purchaser is not a qualifying eleemosynary organization or an accredited elementary or secondary school.

Keep this certificate and bills or invoices to the purchaser for at least six years from the date the items or services were purchased. The bills, invoices, or records covering the purchases made under this certificate must be marked "Resale under CERT-136" to indicate the purchases were not taxable.

This certificate may be used for a single purchase, in which case the box marked "Certificate for One Purchase Only" must be checked. This certificate may also be used for a continuing line of purchases, in which event the purchaser must check the box marked "Blanket Certificate." A blanket certificate remains in effect for three years unless the purchaser revokes it in writing before the three-year period expires.

An eleemosynary organization formed to sponsor and support youth activities and an accredited elementary or secondary school must pay for its resale purchases with a check drawn on its own checking account or with a credit card issued in its own name (and not in the name of any of its members or officers). An eleemosynary organization or accredited elementary or secondary school may make a purchase of \$10 or less using cash from the organization's or school's own funds. However, a blanket CERT-136 may not be used for a cash purchase, and a properly completed CERT-136 must be issued to the retailer at the time of each cash purchase.

Sales and Use Tax Certificate for Sale and Leaseback Arrangements

General Purpose: Retailers and purchasers use this certificate in connection with original sales of tangible personal property that are eligible for sales and use tax exclusions or refunds in connection with sale and leaseback arrangements under Conn. Gen. Stat. §12-407(a)(3)(B).

Original sales of tangible personal property are excluded from sales and use taxes, or are eligible for refunds of the taxes, if within 120 days of the purchase date the purchaser enters into a contract with a lessor to sell the property to the lessor and lease it back in a lease that is taxable at its inception in Connecticut.

Depending on the circumstances, a purchaser or a retailer may use this certificate in one of the following ways:

1. A purchaser may purchase tangible personal property from a retailer to be used in a sale and leaseback arrangement without paying sales and use taxes;
2. A purchaser may obtain a sales and use tax refund from a retailer for tangible personal property to be used in a sale and leaseback arrangement;
3. A retailer that has refunded tax to a purchaser may claim a tax refund or credit from the Department of Revenue Services (DRS);
or
4. A purchaser may obtain a sales and use tax refund directly from DRS for tangible personal property to be used in a sale and leaseback arrangement.

Statutory Authority: Conn. Gen. Stat. §12-407(a)(3)(B).

Tax Exclusion at Time of Original Sale: At the time of sale of an item of tangible personal property, if a purchaser has contracted with a lessor to sell the property to the lessor and lease it back from the lessor within one year of the date of purchase in a lease taxable at its inception in Connecticut, the original sale is excluded from sales and use taxes.

The purchaser must provide this certificate to the retailer, together with an executed copy of its sale and leaseback contract with the lessor **or** a copy of a binding agreement with the lessor to sell the property to the lessor and lease it back, signed by both the purchaser and the lessor.

A retailer must accept this certificate and the proper attachments in good faith. A retailer's good faith will be questioned if the retailer knows anything from which the retailer could reasonably infer that the purchaser is not entitled to the exclusion under Conn. Gen. Stat. §12-407(a)(3)(B).

Refund From Original Retailer: Within 120 days of the date of an original sale on which tax was paid, the purchaser may present this certificate to the retailer and the retailer will immediately refund to the purchaser the tax collected on the original sale provided the purchaser has contracted to sell the item of tangible personal property to a lessor and lease it back from the lessor within one year of the date of purchase, in a lease taxable at its inception in Connecticut.

The purchaser must give this certificate to the retailer, with a signed copy of its sale and leaseback contract with the lessor **or** a copy of a binding agreement with the lessor to sell the property to the lessor and lease it back, signed by both the purchaser and the lessor. The purchaser must also attach a copy of its receipt or invoice showing sales and use taxes were paid on the original sale.

Retailer's Refund or Credit From DRS: If a retailer refunds tax to a purchaser within 120 days, the retailer may present a copy of this certificate and the attachments to the certificate to claim a tax refund or credit from DRS.

Purchaser's Refund From DRS: If a purchaser paid tax to a retailer on the original sale, or self-assessed use tax, the purchaser may provide this certificate directly to DRS for a refund. The purchaser may claim the refund within three years under Conn. Gen. Stat. §12-425.

Within 120 days of the date of an original sale on which tax was paid, the purchaser must have sold or contracted to sell the item of tangible personal property to a lessor and lease it back from the lessor within one year of the date of purchase in a lease that is taxable at its inception in Connecticut.

The purchaser must provide this certificate to DRS, together with an executed copy of its sale and leaseback contract with the lessor **or** a copy of a binding agreement with the lessor to sell the property to the lessor and lease it back, signed by both the purchaser and the lessor. If the purchaser paid tax to a retailer at the time of sale, the purchaser must also include a bill of sale so indicating and a copy of **Form AU-524, Assignment of Retailer's Rights for Refund**, signed by the retailer.

Notice to Purchasers and Retailers: Keep a copy of this certificate and all attachments for six years after the date of purchase.

In addition, you must attach some documentation that includes a location and telephone number and demonstrates you are engaged in business (for example, a business card, brochure, or business stationery). If you have no tax identification number because your home state does not have a sales tax, you should provide the federal identification number.

Sales and Use Tax Exemption for a Vessel Purchased by a Nonresident of Connecticut

Part I Instructions

Statutory Authority: Conn. Gen. Stat. §12-412(60); Conn. Gen. Stat. §15-142(b).

The sale of any vessel in this state is exempt from sales and use taxes provided:

- The purchaser of the vessel is not a resident of this state and does not maintain a permanent place of abode in this state; **and**
- The vessel is neither presented for registration nor required to be registered with the Connecticut Department of Motor Vehicles (DMV) in this state.

Presented for registration means a vessel registered with DMV under Conn. Gen. Stat. §15-142.

Required to be registered means a vessel obligated to display a Connecticut registration decal provided by DMV under Conn. Gen. Stat. §15-142(b). Conn. Gen. Stat. §15-142(b) provides that a vessel that holds a valid marine document issued by the United States Coast Guard, a valid certificate of number awarded by the United States under the provisions of the federal Boat Safety Act of 1971, or a valid certificate of number awarded by another state will be required to display a Connecticut registration decal when it is used upon the waters of this state for more than 60 days in any calendar year.

General Purpose: A nonresident purchaser should use this certificate in connection with the purchase of a vessel exempt from sales and use taxes from a Connecticut vessel dealer (retailer) when the vessel is neither presented for registration nor required to be registered in Connecticut.

This certificate is not valid unless it is wholly and correctly completed and acknowledged. Any misrepresentation will result in the imposition of use tax liability and statutory interest and penalties on the purchaser, or sales tax liability and statutory interest and penalties on the retailer. The information in this certificate will be furnished to other states and is subject to verification by the State of Connecticut. If the purchaser is a corporation, an officer or authorized representative must sign the Purchaser's Declaration.

Instructions for the Purchaser: Use this certificate only if you do not maintain a permanent place of abode in Connecticut and will not register, or are not required to register, the vessel in Connecticut.

Do **not** use this form if you maintain a permanent place of abode in Connecticut. A **permanent place of abode** is a dwelling place permanently maintained by an individual, whether or not owned by, rented, or leased to the individual and generally includes a

dwelling place owned by or leased to his or her spouse. Generally, a barracks, motel room, or any construction that does not contain facilities ordinarily found in a dwelling, such as facilities for cooking, bathing, etc., are not deemed a permanent place of abode. Also, a place of abode is not deemed permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

A corporation, partnership, limited liability company, or other business entity may qualify for this exemption only if:

- The entity maintains no Connecticut situs and owns no fixed assets located in this state;
- No partner, officer, or member of the entity or its affiliates, and no operator or user of the vessel with an ownership interest in the entity or its affiliates, is a resident of Connecticut or is a nonresident that maintains a permanent place of abode in Connecticut; **and**
- The vessel is neither presented for registration nor required to be registered with DMV.

If the Department of Revenue Services (DRS) determines at a later date that you did not meet the requirements of the exemption, the exemption may be nullified and you will be liable for the use tax, penalty, and interest. You will be disqualified from this exemption if DRS finds you did not qualify based on factors such as having riparian rights or a mooring slip in Connecticut.

Instructions for the Retailer: You **must** keep a copy of the certificate and a bill or invoice for at least six years from the date the item is purchased. The certificate is valid only if taken in good faith from a person who does not maintain a permanent place of abode in this state or a business entity that meets the requirements stated above and will not present this vessel for any form of registration in Connecticut. The good faith of the retailer will be questioned if the retailer knows or has knowledge of facts that give rise to a reasonable inference that the purchaser is a resident of Connecticut, maintains a permanent place of abode here, intends to present the vessel for registration, or the vessel is required to be registered with DMV in this state. The bill, purchase invoice, or records covering the purchase made under this certificate must be appropriately marked to indicate that an exempt purchase has occurred. The words "Exempt under CERT-139" satisfy this requirement.

General Instructions

A person doing business with a nonresident contractor working in Connecticut must submit **Form AU-764, *Deposit by a Person Doing Business With a Nonresident Contractor***, with a deposit of 5% of any payment of the total contract price, including change orders and add-ons, by the last day of the month following the calendar quarter that follows the calendar quarter in which the first payment to the nonresident contractor was made and every calendar quarter thereafter. This applies to all contracts with nonresident contractors, regardless of the nature of the real property affected or the tax-exempt status of the property owner. For more information, see **Special Notice 2005(12), *Nonresident Contractors Bonds and Deposits***.

The person doing business with a nonresident contractor is not required to withhold 5% of any payment made to the contractor if the contractor provides a Certificate of Compliance issued by the Department of Revenue Services (DRS) stating that the contractor has filed a guarantee bond or a cash bond for 5% of the total contract price.

Use Form AU-764 each quarterly period to report payments made to nonresident contractors for:

- One project with one or more nonresident contractor(s); **or**
- More than one project with one or more nonresident contractor(s) on each project.

If you need additional space, attach as many **Forms AU-764a, *Form AU-764 Continuation Schedule***, as necessary.

A **nonresident contractor** is a contractor who does not maintain a regular place of business in this state. A **regular place of business** means any bona fide office, factory, warehouse, or other space in Connecticut at which a contractor is doing business in its own name in a regular and systematic manner, and which place is continuously maintained, occupied, and used by the contractor in carrying on its business through its employees regularly in attendance to carry on the contractor's business in the contractor's own name. A regular place of business does not include a place of business for a statutory agent for service of process or a temporary office whether or not it is located at the site of construction. A regular place of business also does not include locations used by the contractor only for the duration of the contract, such as short-term leased offices, warehouses, storage facilities, or facilities that do not have full time staff with regular business hours. An office maintained, occupied and used by a person affiliated with a contractor is not a regular place of business of the contractor.

General Instructions

A nonresident contractor and a surety company licensed to do business in Connecticut must execute **Form AU-766, Guarantee Bond**, to post a guarantee bond with the Department of Revenue Services (DRS) for a specific project in Connecticut. A power of attorney for the person signing the bond on behalf of the surety company **must** be attached to the bond, carry the corporate seal of the surety company, and bear the same date as the execution date of the bond.

A nonresident contractor has the option of filing a guarantee bond or a cash bond instead of the customer making a deposit with DRS under Conn. Gen. Stat. §12-430(7)(B). Under this option, the nonresident contractor has 120 days from the commencement of the contract or 30 days after the completion of the contract, whichever is earlier, to file a guarantee bond or a cash bond (Form AU-72) with DRS.

Return Form AU-766 to: Department of Revenue Services
Discovery Unit
25 Sigourney Street
Hartford CT 06106-5032

See **Special Notice 2005(12), Nonresident Contractor Bonds and Deposits**, for more information.

Nonresident contractor means a contractor who does not maintain a regular place of business in Connecticut.

Regular place of business means:

- Any bona fide office, factory, warehouse, or other space in Connecticut at which a contractor is doing business in its own name in a regular and systematic manner; **and**
- Which place is continuously maintained, occupied, and used by the contractor in carrying on its business through its employees regularly in attendance to carry on the contractor's business in the contractor's own name.

A regular place of business **does not include**:

- A place of business for a statutory agent for service of process or a temporary office whether or not it is located at the site of construction;
- Locations used by the contractor only for the duration of the contract, such as short-term leased offices, warehouses, storage facilities, or facilities that do not have full time staff with regular business hours; **or**
- An office maintained, occupied, and used by a person affiliated with a contractor.

Contract price means the total contract price, including deposits, amounts held as retainage, costs for any change orders, or charges for add-ons.

Person doing business with a nonresident contractor means any person who makes payments of the contract price to a nonresident contractor, and includes, but is not limited to property owners, governmental, charitable or religious entities, and resident or nonresident general contractors or subcontractors. An owner or tenant of residential real property is not a person doing business with a nonresident contractor and is not required to comply with the provisions of Conn. Gen. Stat. §12-430(7). However, the nonresident contractor doing business with such an owner or tenant must comply with the bond requirements under Conn. Gen. Stat. §12-430(7)(F).

Commencement of the contract means the time when the nonresident contractor signs the contract, but, in any event, occurs no later than when the work under the contract actually starts. If a change order is made after the commencement of the original contract, the change order commences when it is signed by the nonresident contractor, but, in any event, occurs no later than when the work under the change order actually starts.

Completion of the contract means the time when the nonresident contractor makes the final periodic billing for the contract. The final periodic billing may be due before payment of any retainage becomes due. If a change order is made after the final periodic billing for the original contract, the change order is complete when the nonresident contractor bills for the change order.

Residential real property means real property used exclusively for residential purposes and consisting of three or fewer dwelling units in one of which the owner or tenant resides.

Any bond that bears an erasure or alteration, regardless of its nature, must have the change authenticated by a notation in the margin. The notation should describe the correction and be signed in the name of the surety company by the officer who executed the bond and must bear the corporate seal of the surety company.

Use **Form CT-8822** to notify the Connecticut Department of Revenue Services (DRS) that you changed your home or business mailing address, or the physical location of your business.

If this change affects the mailing address of your children who filed Connecticut income tax returns, complete and file a separate **Form CT-8822** for each child.

If you received a Connecticut tax return with an incorrect address on the preprinted mailing label, and a return has not yet been filed, note the new address on the return. There is no need to file this form. If a return is not due at this time or a return with the corrected address information was not filed, use this form to notify DRS of the new address.

NOTE: If the change of address occurred after the return was filed and a refund is expected, also notify the post office serving the old address. This will help forward the refund to the proper address.
