

Minutes for EO 1 Steering Committee Meeting on State Sustainability

Friday, February 7, 2020

10:00-11:30 am

1. Welcome - DEEP Commissioner Dykes

2. Walkthrough of the 2020 Progress Report

Review of key milestones and success as written in the recently released report to the Governor, Environment committee, and Energy and Technology committee.

3. Guidance on "Impact" team Strategy Development

Review of the guidelines and best practices for developing and sharing team sustainability strategies for the first GreenerGov CT Handbook.

4. Report back on Project Team Initial Meetings

Teams reported on what their priorities are and what they identified as possible roadblocks. Minutes for these meetings can be found [here](#).

5. Next steps:

Sustainability Strategies due 3/2/2020
Complete Level 3 by April 1, 2020
Complete Materials Management Survey

Next meeting is November 8th from 10-11:30 am at DEEP headquarters.
