OSF = Outpatient Surgical Facility CS = Central Service SA = Substance Abuse MH= Mental Health

ED = Emergency Department

¹ This refers to nonhospital based linear accelerators only.

² This refers to all DPH-licensed facilities.

³ This applies to increase of 2 or more operating rooms within any 3 year period for hospitals and OSFs.

⁴ Only hospitals are subject to CON approval for the termination of these services.

⁵ Only outpatient surgical facilities are subject to CON approval for the termination of this service.

⁶ There is a presumption of favor of approval when the offer is made in response to an RFP or similar voluntary offer for sale.

- For discussion: "modify" is majority opinion
- CON review should be preserved in some capacity
- CON review should be eliminated
