

### Assisted Living Facility COVID-19 Data

Data presented shows assisted living facilities reporting at least one resident with confirmed or suspected COVID-19 in their facility on 4/29/2020. Data presented are not cumulative.

A resident with confirmed COVID-19 is one with a positive test result.

A resident with suspected COVID-19 is one with symptoms consistent with COVID-19 who has not been tested or test results are pending.

\* Indicates facilities with multiple levels of care including assisted living, independent senior living, and/or nursing home. Data for these facilities include counts of residents across all applicable levels of care.
