# Data Release Criteria

## Evaluation Recap

# Committee Evaluation Criteria\*

**Application Review Criteria:** Including, but not be limited to, the following:

- 1) Determine whether the Data Release Application is consistent with the objectives of the APCD as set forth in the Act;
- 2) Review whether the Applicant would be able to re-identify the Data provided;
- 3) Determine the adequacy of the Applicant's privacy and security infrastructure and safeguards;
- 4) Any other factor or consideration deemed by the Executive Director or Data Release Committee to be relevant to the Data Release Application or Project; and
- 5) If the Data Release Application is from a researcher or is otherwise for research purposes, determine whether the research methodology is consistent with established norms and the Data Release Application sets forth a sound research design.
