This form must be maintained for each officer by the police department’s training officer. It is documentation of review training credit hours received. For audit purposes, a copy of this form must be provided when requested to the Police Officer Standards and Training Council.

**This form must be signed by both the officer receiving training and the departments training officer**

**I have read and signed this form and attest that the information provided herein is true and accurate to the best of my knowledge. I understand that intentionally making a false written statement that I do not believe to be true with the intent to mislead a public servant in the performance of their official functions on a form bearing this notice is punishable by law. False Statement in the 2<sup>nd</sup> degree, under Connecticut General Statute § 53a-157b, is a class A Misdemeanor.**
