June Sanford

June.sanford@ct.gov

Participants will gain a better understanding of the Connecticut Core Standards (CCS) in Mathematics and ELA/Literacy by:

- ♦ *engaging in professional development workshops ;*
- ♦ *sharing information and best practices with administrators statewide; and*
- ♦ *developing curriculum materials and artifacts for use by school districts.*

Dates and Topics:

<i>December 15</i>	<i>Implications for Special Education/SRBI and EL</i>
<i>January 20</i>	<i>Relating CCS to Curriculum Development</i>
<i>February 23</i>	<i>The Digital Library and the Formative Assessment System</i>
<i>March 23</i>	<i>Learning Progressions: A Guide to Vertical Alignment in Math</i>
<i>April 13</i>	<i>Communication with Parents and the Community</i>
<i>May 11</i>	<i>Get Close for Deeper Thinking: Close Reading</i>

Newcomers welcome!
