

Child and Adult Care Food Program (CACFP)

Sample Parent Letter for Households in Tier II Family Day Care Homes

Dear Parent or Guardian:

Your child is enrolled at the home of _____, a provider participating in the U. S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP) through an agreement with our agency. Under this agreement, your day care home provider receives reimbursement for meals served to your child while in care. The amount of reimbursement received by your provider depends on the income of the households of children in care. Depending on your family size and income, your day care provider will be reimbursed at either the higher Tier I or lower Tier II reimbursement for your child's meals.

Please provide the information requested on the enclosed Income Eligibility Application, and return as soon as possible. We will use this information to decide the level of CACFP benefit your provider will receive. We may also inform officials of other child nutrition, health and education programs of the information on your form to determine benefits for those programs.

Households receiving Supplemental Nutrition Assistance Program (SNAP) (formerly known as Food Stamps) or Temporary Family Assistance (TFA) benefits, and households with foster children: If you currently receive SNAP or TFA benefits for your child, or your household includes a foster child, you only have to list your child's name, SNAP or TFA case number, and sign and date the application.

- **Foster children:** In accordance with the Healthy, Hunger-Free Kids Act of 2010, foster children who are the responsibility of the state or are formally placed by a state child welfare agency or court are categorically eligible for free CACFP benefits. *This provision does not apply to informal arrangements or placements that may exist outside of state or court-based systems.* Eligibility for formally placed foster children is no longer determined based on their personal use income and a family size of one. The child care institution must obtain documentation from an appropriate state or local agency documenting the child's foster status. Households with both foster and non-foster children may choose to include all children on the same application. However, the presence of a foster child in the household does not convey eligibility for Tier I meals to all children in the household.

All other households: If your household income is at or below the level in "Gross Income Guidelines for Tier I Meals" (see page 2), you must provide the following information for your application to be processed.

- **Household members:** List the names of everyone who lives in your household. Include parents, grandparents, **all** children, other relatives, and unrelated people who live in your household.
- **Social Security number:** List the last four digits of the social security number of the adult household member who signs the application. If the adult does not have a social security number, check () the box next to the statement, "I do not have a SSN."
- **Current income:** List the amount of income each person earned **last** month (*before* deductions for taxes, social security, etc.), and where it is from, such as wages, retirement, or welfare. If any household member's income last month was higher or lower than usual, list that person's usual average monthly income.

Signature and date: An adult household member must **sign and date** the application.

Reporting changes: In accordance with the Child Nutrition and WIC Reauthorization Act of 2004, households are no longer required to report changes in circumstances, e.g., increase in income, decrease in household size, or when the household is no longer certified eligible for SNAP or TFA benefits. Once properly approved for free or reduced-price benefits, a household will remain eligible for those benefits for a period not to exceed 12 months.

Reapplication: If you are not eligible now but have a decrease in household income, an increase in household size, or become unemployed, fill out an application at that time. Participants having family members who become

unemployed are eligible for Tier I meals during the period of unemployment, provided that the loss of income causes the family income during the period of unemployment to be within the eligibility standards for those meals.
