State Matching Payment

The Connecticut State Department of Education (CSDE) has processed and mailed the final state match payments for school year 2016-17 to sponsors of the National School Lunch Program. The final payments are based on actual lunch counts for the prior year. Attached is a list for each school food authority's (SFA) files. Note that for this year, the CSDE made payments in five installments instead of two. SFAs may confirm payments by reviewing the Grants Payment Report for state match found on the CSDE's [Grants Management](#) webpage.

The per lunch rate is 0.04932954 cents. This amount was determined by dividing the total grant of \$2,354,000 by the number of lunches (47,719,886) served in the state during fiscal year 2015-16. The final payment for individual sponsors was determined by multiplying the total number of lunches claimed by the sponsor in fiscal year 2015-16 by the established rate (0.04932954), rounding the result, and subtracting it from the state match advance payment paid by the CSDE in the fall of 2016.

The final payment checks will have the following identification information on the check stub:
Public Sponsors: PUBSTMCH 11000-16072 and Private Sponsors: PRVSTMCH 11000-16072.

Questions may be directed to your assigned school nutrition programs county consultant.
