

# The Performance Office

**Data Collection, Assessment, Information Technology, Reporting, Research, and Accountability**

**Mission:**

Improve student outcomes through the use of data and technology

**Goal #1: Data Collection**

Collect accurate data in a highly efficient, secure, and timely manner

**Goal #2: Student Assessments**

Implement high-quality assessments that are aligned to standards, inclusive, efficient, reliable, and enable valid interpretations of achievement and growth

**Goal #3: Information Technology**

Utilize the latest technologies to implement robust data systems and reliable infrastructure that reduces district burden and increases agency efficiencies

**Goal #4: Data Integration/Reporting**

Aggregate data and deliver accurate information in a secure, timely, and transparent manner

**Goal #5: Research and Analyses**

Analyze and report data trends and insights to support informed decision-making and action by schools, districts, the CSDE, and other stakeholders

**Goal #6: Accountability**

Develop performance models and metrics, establish targets, and publish reports that enable a suite of differentiated supports and interventions for schools/districts
