In order to comply with the confidentiality requirements of the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g and related regulations at 34 C.F.R. § 99, the following decision uses "Student", "School", "Parent" and titles of school staff members and other witnesses in place of names and other personally identifiable information. The identity of the Board of Education is also deleted, for the same reason.
