2. If not, is the Student entitled to compensatory education and if so, what would characterize such compensatory education?
3. Is the Board of Education's proposed program for the 2015/2016 School Year appropriate?
4. If not, is the Winchendon School appropriate?
5. If the Winchendon School is appropriate, is the Student entitled to reimbursement of expenses for, or placement at, Winchendon School?

PROCEDURAL HISTORY:

The Student requested a special education due process hearing in the above-captioned matter on July 14, 2015. The Impartial Hearing Officer was appointed to hear the case on July 14, 2015. A telephonic pre-hearing conference was held on July 21, 2015. On July 24, 2015 the Student reported that the dispute had been finally resolved, and requested that the case be dismissed.

FINAL DECISION AND ORDER:

It is ordered that the Student's request for dismissal is granted and this matter is dismissed.

If the local or regional board of education or the unified school district responsible for providing special education for the student requiring special education does not take action on the findings or prescription of the hearing officer within fifteen days after receipt thereof, the State Board of Education shall take appropriate action to enforce the findings or prescription of the hearing officer.
