

# Universal Assessment in SRBI

## Essential Understandings

1. Universal assessments are for ALL students.
2. Predict if learning and/or behavioral difficulties may arise in the future so that students who need help are provided with interventions early.
3. Identify the adequacy and effectiveness of the Tier I core curriculums, instruction, and learning environment for all students.
4. Administered at least 3 times a year and must be brief and easy to assess with quick turnaround of data.
5. Assessments must be reliable, valid, efficient, culturally relevant and accessible to all students.
6. At least 80% of all students in a grade should be meeting important academic benchmarks for the core curriculums, instruction, and learning environment to be considered effective.
