INSURANCE DEPARTMENT

Bulletin No. HC-117-17
March 2, 2017

TO: All Health Insurance Companies and Health Care Centers Authorized to Conduct Business in Connecticut, Including Dental and Vision Carriers

RE: Network Adequacy Review

This bulletin repeals and replaces Bulletin HC-117 in order to set a due date for the annual filing. Public Act 16-205, An Act Concerning Standards and Requirements for Health Carriers' Provider Networks and Contracts Between Health Carriers and Participating Providers, requires the Insurance Department to determine the sufficiency of a health carrier's network. Carriers are required to maintain adequate arrangements to assure that covered members have reasonable access to participating providers located near the member's home or workplace.

Beginning January 1, 2017, the public act requires health carriers to file with the Insurance Department each new network and access plan within 30 days prior to the date any new network will be offered. The public act excludes Dental and Vision carriers, however, pursuant to Connecticut General Statutes section 38a-8, the Commissioner requires all Dental and Vision carriers to file the same information. To facilitate the Insurance Department's review, carriers should complete the Network Adequacy Survey as the filing submission. The survey can be found on the Insurance Department's website (www.ct.gov/cid) under the tab "Forms and Applications." The survey form may also be requested from the Life and Health Division at the e-mail address listed below. The survey must be completed separately for each network offered.

Annual Filing

Carriers will be required to complete an annual filing for existing networks. Carriers should complete the Network Adequacy Survey as the submission. The survey can be found on the Insurance Department's website as listed above. The submission must be made no later than May 1, 2017, and annually thereafter on May 1.
