WITNESS STATEMENT OF

I, _____
of _____

make the following statement, without fear, threat, or promise. I have been advised that any statement(s) made herein which I do not believe to be true, and which statement is intended to mislead a public servant in the performance of his/her official function, is a crime under C.G.S. section 53a-157.

On 5/9/17 around 4:20pm, my girlfriend, _____, and I were driving East on Fairfield Ave. I was driving and stopped at the traffic light. There was one car behind me, a female driver, began blowing her horn for me to go after I heard the first gunshot. The traffic light was still red on our end so I wasn't going. After I heard the gunshot, I started looking in my mirrors. I saw the SUV sandwiched between 3 police cars. I saw the SUV driving back and forth among all the police cars; he was ramming them because I saw all the cars moving. From where I was, I could only see one officer and I could tell he was firing into the vehicle because I saw him moving around it. As soon as ~~X~~ ^{OFF} the traffic light changed, everyone started panicking and I drove straight. _____ asked if the cops killed him so we drove around the block and thats when a cop asked if I saw anything and then asked if we could stick around.

I want to add, that I heard sirens right before we came to the traffic light, which was still green, and thats ^{also} why I stopped.

END

By affixing my signature to this statement, I acknowledge that I have read it and/or have had it read to me and it is true to the best of my knowledge and belief.
