As directed by Lt. Kevin O'Brien and in accordance with HPD General Order 3.05, I, Detective Perez, submit the following report . . .

On July 26, 2019, Detective Sherry and I were assigned to a "Hot Spot" detail that is primarily designed to combat Gun Violence throughout the City of Hartford. On the above date, Detective Sherry was operating an unmarked police vehicle with police lights and sirens. I, Detective Perez, was the front passenger of said vehicle. I was wearing plain clothes and was identifiable as a police officer with visible police patches and a badge.

At approximately 2053 hours, Detective Sherry and I, where driving on 1-84 East near Capitol Avenue when we heard Officer Hebert, Officer Last, and Officer Prignano in street crimes unit # 746 give out a description over the radio, of a suspect vehicle that had taken off on them when they attempted to conduct a motor vehicle stop. Officers in unit # 746 radioed that the vehicle was heading towards the area of Capitol Avenue in the area of the 1-84 West on ramp.

Detective Sherry and I, where nearby the area and immediately drove towards exit 48b the Capitol Avenue off ramp from 1-84 East, towards Capitol Avenue. Detective Sherry then turned towards 1-84 west from Capitol Avenue and headed west on 1-84.

On 1-84 West from Capitol Avenue, I observed the suspect vehicle facing westbound on 1-84. I then observed when Officer Hebert, Officer Last, and Officer Prignano in Unit # 746 were trying to stop the driver of said vehicle from moving and causing harm to them or other civilians that were stuck in traffic during that time. I observed when the passenger of said vehicle opened the door and quickly moved towards Officer Prignano who was standing near the rear passenger door. Fearing that Officer Prignano was in trouble, I immediately ran towards him to assist him. I approached Officer Prignano and the passenger of the said vehicle, I then heard the passenger scream, "don't shoot, don't shoot I don't want to die". The passenger immediately got to the ground and placed his hands behind his back. I immediately handcuff the passenger and secured him. While handcuffing the passenger, I can hear other officers saying the driver of the vehicle had a gun.

DETAILS

As I reached down the passenger's waistband area to pat him down for weapons, I heard officers yell, "Gun, Gun", then I saw a struggle between driver and several Officers that where at the scene. Several seconds after that, I heard several gun shots that came from the driver side area of the suspect vehicle. I immediately ran towards the area of the gun shots to check on all the Officers. When I got towards the rear of the vehicle, I observed Detective Sherry with his Police issued service weapon out. I then observed a medium complexion male down on the ground near the front driver side area of the suspect vehicle, facing face down on the pavement with wounds to his head.

I then radioed the Hartford Police Department dispatcher of the shots fired incident, our location, and that we needed an ambulance as soon as possible. I then assisted with securing the scene until assisting Officers and Supervisors arrived at the scene.

Nothing Further.
